

DIAA GIRLS LACROSSE RULES ADOPTIONS/MODIFICATIONS

- 2-7 Note Each state association may, in keeping with applicable laws, authorize exceptions to NFHS playing rules to provide reasonable accommodations to individual participants with disabilities and/or special needs, religious considerations as well as those individuals with unique and extenuating circumstances. The accommodations should not fundamentally alter the sorts, allow an otherwise illegal piece of equipment, create risk to the athlete/others or place opponents at a disadvantage.
- The DIAA Board has established the following procedure for schools to request an accommodation based on disability, and/or a special need. The athletic director must contact either the DIAA State Rules Interpreter or the Executive Director in order to obtain clearance for the player to participate in a scrimmage or a game with the accommodation. The State Rules Interpreter or the Executive Director will inspect the accommodation. If, in their opinion the accommodation meets the rule above, it will be approved for use. The Executive Director will forward a letter to that effect to the player's athletic director. A copy of the letter should then be provided to the officials before each game in which the player is in uniform.*
- 2-9-4 An American flag, not to exceed 2 by 3 inches, and either a commemorative or memorial patch, not to exceed 4 square inches and with written state association approval, may be worn on the jersey provided neither the flag nor the patch interferes with the visibility of the number.
- Requests to wear an American flag or either a commemorative or memorial patch on the jersey must be submitted in writing to the Executive Director who will evaluate each request on its merits and respond in writing.*
- 4-6-1 The NFHS/US Lacrosse Rule Book Overtime Procedures as written in 4.6.1 will be followed for regular season and State Tournament play. (pg. 30)
