Dear Sir/Madam,

NAERA (National Athletic Equipment Reconditioners Association) is informing schools and organizations that NAERA members are receiving a high volume of reconditioning for the 2022 season. Supply chain, parts and labor issues continue to affect the reconditioning processes. Equipment received after April 1st for reconditioning and recertification, may affect your return date. New helmet purchases that require painting may be affected as well. NAERA encourages you to send in your equipment for reconditioning and recertification as soon as possible. Contact your NAERA member today.

For more information please visit the NAERA website at www.naera.net. You may also contact Tony Beam, NAERA Executive Director 717-317-2143.

Sincerely,

Tony Beam
