DIAA 2025 Golf Tournament Manual

Specific Information

Item 1. Tournament Field

- A. **Individual-** The individual tournament field will consist of 96 golfers which will be selected based on handicap. Handicaps will be based on 80% of scores posted, dropping highest scores and rounding down in all cases.
- In order for an individual to compete in the tournament he/she must be a member of an approved school golf team and must have competed in at least six of his/her school's regular season golf competition dates.
 - A maximum of six golfers from the same school may qualify.
 - Ties for the 96th position will be resolved by the DIAA golf committee with input from coaches. **All scratches will be replaced by qualified golfers in order of their position on the handicap list.**
- B. **Teams-** The team tournament field will consist of all schools that qualify a minimum of four golfers on day one and 3 golfers on day two.
- Teams must play a minimum of 6 and no more than 15 varsity competition dates to be eligible for tournament consideration.
 - There are no automatic qualifiers for the team competition.

Item 2. Tournament Entry

- A. The results of all matches accurately posted on their websites4sports schedule page and all scores to be considered for entry should be entered by Sunday, May 18, 2025. The last date of competition for golf is Saturday, May 17, 2025. Any changes or scratches to any entries into the DIAA Golf Tournament must be submitted to the Golf Committee Chair and DIAA by Thursday, May 22, 2025 at 6pm.

Item 3. Scoring

- A. Each contestant entered will play 18 holes on the first day of the tournament. The Day 2 tournament field will consist of the top 60 scoring contestants, including ties, both team and individual, from Day 1.

- B. Teams: Any school with four golfers on Day 1 and three golfers on Day 2 is eligible for team competition.
 - 1. If a team fails to qualify by returning three (3) players the second day, the team will be eliminated. However, the remaining individuals on that team who made the “cut” may remain in the field and compete for individual honors.
 - 2. The team championship will be determined by totaling the 36-hole scores of the four lowest scoring contestants who played on the first day and the three lowest scoring contestants who qualified to play on the second day.
- C. Tie-Breakers: If, after regulation play, a tie exists for first place in either the team or individual competition, the committee will conduct a *sudden- victory playoff until a winner is declared*. The committee, in consultation with the host course, will determine which hole(s) will be used for the playoff.
 - 1. In team competition, the three golfers who scored on Day 2 will compete in the playoff for each team involved in the tie. The team with the lowest aggregate score by all three golfers will be declared the winner.
 - 2. In individual competition, the golfer with the lowest score on the extra hole (s) will be declared the winner. If no winner is determined after the playoff hole, all competitors tied for the low score on that hole will advance to the next hole. When possible, the results of the playoff holes will determine the order of finish of the other competitors. When the results do not determine the order of finish, a match of cards (last 9, 6, 3, 1 holes respectively, in regulation play) will determine any and all ties in second through fifth place.
 - 3. In the event of a team tie for second place, each team will be declared runner-up and DIAA will present awards to each.

 - 2. If only one round can be completed, the 2025 State Tournament, it will be an 18-hole championship event.
 - 3. If round 1 is suspended, it will be completed on the second day. Following completion of round 1 on Day 2, the committee will determine if round 2 will be an 18-hole event, a 9-hole event, or eliminated altogether.
 - 4. The pairings and starting times for Day 1 of the tournament will be determined by the committee and will be distributed to each member school’s Athletic Director and Golf Coach after the DIAA Golf seeding meeting. This information will be posted on the GAP website (<http://gapgolf.org/diaa>).

Serious misconduct by any competitor must be called to the attention of the committee and the rules officials.
