

Adult Basic Education (ABE) Permits User Guide

This user guide will detail the steps involved in applying for Adult Basic Education (ABE) Permits.

It is important to note that Educators who already hold a current Delaware teaching license and standard certification will not need a permit to teach adult education programs; however, they are not restricted from applying for Adult Basic Education permits.

There are two Adult Basic Education Permit types:

- Adult Basic Education (ABE) Level 1 Permit
- Adult Basic Education (ABE) Level 2 Permit

The requirements for each ABE Permit type are detailed in the [Requirements](#) Section.

Also, important to note is that all Educators must obtain Adult Basic Education, Level 1 Permit before applying for Adult Basic Education, Level 2 Permit. The processes for both steps are detailed in this user guide.

Clock Hours – Level 2

The **Clock Hours** bar is highlighted and designated with a red X to signify that the step has not yet been completed.

Figure AB2-CLH-01: ABE Level 2 Clock Hours Bar

As a general rule, educators are encouraged to keep their clock hours current in the DEEDS system throughout the term of the permit. In this way the educator’s data is always up to date and everything is complete and ready to go at upgrade or renewal application time.

If no **Clock Hours** data has been added to the system, then the **Clock Hours** table will be blank and a warning of **No record found** will be displayed in a red banner across the top of the section as shown

above. The **No record found** message can be dismissed by clicking the x in the upper right-hand corner of the red banner. If clock hours have been added, they will appear in the **Clock Hours** table.

Above the **Clock Hours** table is a summary of the clock hours. The summary shows **Verified Total Hours**, **Unverified Total Hours**, **Total Hours** and **Accepted Hours**. **Verified Total Hours** are hours that have been checked and verified by the L&C team. Conversely, **Unverified Total Hours** are hours that have been entered by the educator, but not yet checked and verified by the L&C team. **Total Hours** are the summation of the **Verified Total Hours** and **Unverified Total Hours** values. Lastly, **Accepted Hours** are hours that have been accepted by the L&C team toward the 25 clock hours requirement for upgrading from an ABE Level 1 permit to an ABE Level 2 permit.

If additional clock hours are not needed, click **Save & Next** to continue and [skip](#) to the end of this section. Otherwise, follow the instructions in this section to **Add Clock Hours** information.

Click the **Add Clock Hours** button.

The screenshot shows a web form for adding clock hours. The top section includes a dropdown for 'Category/Option', a text field for 'Title/Description', and date fields for 'Begin Date' and 'Completed Date' (both in MM/DD/YYYY format). There is also a field for 'Hours'. Below this is a table with columns 'Document Type', 'Date', 'Link', and 'Action', which currently displays 'No Record Found'. The bottom section features another 'Document Type' dropdown, a file upload area with a dashed border and the text 'Drop file here to upload or click here to browse and select file(s) to upload.', an 'Associate Existing Documents' button, and a text box explaining that if a document has already been uploaded, the user should associate it instead of re-uploading. At the bottom right are 'Save' and 'Cancel' buttons.

Figure AB2-CLH-02: ABE Level 2 Add Clock Hours Form

Clock Hours form is presented for entering clock hours related to the upgrade application request. The top section is for entering information specific to characterization of the clock hours and the bottom section is for uploading supporting documentation for the clock hours earned.

Complete the required fields in the top section. The required fields are designated with a red * and include: **Category/Option**, **Title/Description**, **Begin Date**, **Completed Date** and **Hours**. A dropdown list is provided for selection of the predefined **Category/Option** options. **Begin Date** and **Completed Date** need to be entered in **MM/DD/YYYY** format.

When entering clock hours data, one of the most important things to note is the date range for the clock hours, which are entered in the **Begin Date** and **Completed Date** fields. Clock hours need to be earned within the term of the ABE Level 1 permit. If clock hours are either before the **Begin Date** or after the **Completed Date**, then they are not considered valid for the upgrade application.

Click the down arrow of the **Document Type** dropdown list in the bottom section and select **Clock Hours** as the document type from the list. The next step is to upload documentation in the form of a pdf or

image document. This can be done by uploading a new document or associating a document that has already been uploaded to the system.

There may be instances where clock hours documents have already been uploaded to the system. If a document has already been uploaded, then there is no reason to upload it again. In this case, the proper action is to **Associate** the document, meaning that the pre-loaded document will be used.

To Associate a document, click the **Associate Existing Documents** button. An **Associate Documents** popup window is displayed for selection of the document to be associated. The documents shown are those that have been added to the system for the educator. Select the document by clicking inside the checkbox associated with the desired entry. A check will appear in the checkbox to indicate that the document is selected. Click the **Select Documents to Associate** button to save the information or the **Cancel** button to exit the operation without saving data. If necessary, refer to the [Associate Document](#) section for a detailed description of the how to associate a document.

If the **Clock Hours** document has not been associated, then follow the next steps to upload the document for the adult education permit application.

Select the file to be uploaded in one of two ways:

- Drag the file from your computer to the middle of the area designated with the text: **Drop file here to upload or click here to browse and select file to upload.**
- Click inside the area designated with the text: **Drop file here to upload or click here to browse and select file to upload.**
 - File Explorer is opened to allow document to be selected from computer files.
 - Select the desired file and Click **Open**.

File name is displayed along with a trash bin icon on the right. If the file selected is not the correct file, click on the trash icon bin to delete it.

Click the **Save** button to upload the document and save **Clock Hours** data.

New **Clock Hours** information entered is displayed in the clock hours summary and associated table at the bottom of the **Clock Hours** section. Note that the **Unverified Total Hours** and **Total Hours** values have been updated to reflect the new data entered.
