KINDERGARTEN-SPECIFIC REGISTRATION INFORMATION

- **Students entering Kindergarten must turn 5 years of age by August 31st, 2018** in order to start school in the fall of 2018, *per Delaware State Law*. It is Brandywine School District Policy that there is *limited early testing/admittance for students whose birth date falls between Sept. 1st and 15th only.*

- If a student turns 5 after August 31st and the parent, legal custodian, guardian or relative caregiver places the child in a private kindergarten and then wishes to register in our school system for the following school year for first grade, *the child will be registered for kindergarten since they are not age appropriate.*
- Kindergarten Pre-Registration for the 2018-2019 school year begins the week of January 22, 2018, at each K-5 elementary school building in the Brandywine School District. Parents will have until the first day of school in August, 2018 to pre-register for Kindergarten. Please contact your resident feeder school prior to visiting the school, as each school sets their own schedule for taking new student registrations.
- **If you are applying for the School Choice Program** and need to pre-register your child prior to the week of January 22, 2018, please contact your resident feeder school to request that your child be pre-registered early.

The Brandywine School District will continue to offer **Full Day Kindergarten (FDK) at no cost**, for all students at all elementary schools for the 2018-2019 school year. FDK kindergarten class times will be the same as for grades 1-5 students in each school, *approximately* 8:35 a.m. – 3:15 p.m. Transportation and lunch will be provided and families may apply for [free/reduced lunch](#).

*Parents interested in only a **half-day kindergarten program** will need to register their child in their home/feeder school and complete a **Transfer Option form for a location yet to be determined. A minimum enrollment of 18 students is recommended by the state to run the half-day program.** Transportation will be provided, if there are enough students to complete the class.*

- Parents may complete an application for Free/Reduced Lunch to determine if they are eligible for their Kindergarten to receive it.
- *Delaware State Law* requires that all kindergartners have a physical prior to entering school. If they do not have the physical before the start of school in August of 2018, then they will be **excluded from school beginning in September 2018** and they will not be permitted to attend school until their physical has been done and the report given to the school nurse.

REGISTRATION REQUIREMENTS FOR MOVING WITHIN THE BRANDYWINE SCHOOL DISTRICT FROM ONE B.S.D. SCHOOL TO ANOTHER

When moving within the district from one Brandywine School District School to another, all that is required for registration is two proofs of new residence and completion of a new registration form. Upon receipt of the student's file, the file should be checked to verify that all required registration information is in the file. If not, a letter needs to be sent to the parent mentioning that upon review of the file, the following information is missing and must be presented within 30 days from the date of the letter.

REGISTRATION REQUIREMENTS FOR CHOICE STUDENTS

In Delaware families are fortunate to have the Delaware School Choice Program that allows parents the opportunity to enroll their children in the school system that will most benefit them. The Brandywine School District has become such a popular choice that some students are being brought in from outside of Delaware and illegally enrolled in the district schools.

Because several schools border the Pennsylvania line very closely, the Brandywine School District has combated this problem by establishing a process of determining residency. If a student has been determined to be illegally attending our schools, charges and financial restitution is sought. Each of these individuals falsely attending a Brandywine School District school is costing the taxpayers approximately \$10,000 per student and will be prosecuted to the fullest extent of the law – offending parties will also be responsible for reimbursing the district the full tuition cost and court cost for each child in our system.

The Brandywine School District takes this matter very seriously and will not tolerate the theft of services.

[Please click here for more information in regards to the School Choice Program](#)

All students applying for School Choice must be either attending a public school in the state of Delaware – or – be pre-registered in a public school in order for their Choice application to be processed. Pre-registration for the next school year must be done at the feeder school the child would be attending *for the current school year*. For example, if the child is presently in 5th grade and wants to pre-register for 6th grade, registration must take place at the 5th grade feeder school. Pre-registration for kindergarten students works in the same manner – register the student at the KN feeder school. Students must be in the “eSchool” system in order for the parents/guardians/caregivers to apply for Choice. Students who register at the middle school – presently in 8th grade pre-registering for 9th grade, will need to make course selections at the high school level once Choice has been granted and the school is prepared to complete the course selection process. When Choice is approved by the Brandywine School District, the letter that is sent from the Choice office will require parents to call their Choice School to see what is needed to complete the Choice process with the Choice school.

REGISTRATION FOR HOMELESS STUDENTS

The Homeless Coordinator of the district will be notified of all homeless registrations.

Children being registered under the McKinney-Vento Homeless Act must be registered by their legal parent/guardian and admitted to school even if the registration procedures cannot be met. However, the parent/legal guardian must present all information within 30 days in order for the child to remain in our school system.

Division of Family Services placement into a foster home shall attend school in accordance with the McKinney-Vento Homeless Education Assistance Improvement Act (42 U.S.C. §§ 11431 to 11435). For questions in regards to the McKinney-Vento Homeless Education Assistance Improvement Act or to see if your family qualifies for registering as a homeless family, please contact PJ Facciolo at (302) 761-7420 or Pamela.Facciolo@bsd.k12.de.us

REGISTRATION REQUIREMENTS FOR POSSIBLE ENGLISH LANGUAGE LEARNERS (ELL)

The Brandywine School District Registration form includes a box with three questions (required by Delaware Department of Education) that are imperative to the identification of English language learners:

- Does your child speak a language other than English?
- Is another language other than English spoken in the home?
- Was your child born outside the USA?

If the answer to ANY of these three questions is “yes” the parents/guardians should also complete the Home Language Survey at the time of registration. The school is to forward a copy of the completed Registration form and the Home Language Survey to the Brandywine School District Title I/ ESL Office immediately.

School staff shall not take it upon themselves to refer or withhold information to the Title I/ESL Office solely based on race, ethnicity, name, or verbal conversation. School staff shall use the information provided by the parents/guardians through the Registration form and Home Language Survey to refer to the Title I/ESL Office.

The Title I/ ESL Office will:

- Review the information,

- Check state records for previous ELL services (if any),
- If needed, inform the school's ESL Tutor/Teacher to administer the ACCESS for ELLs® assessment of English language proficiency (which is to be completed as soon as practicable, but not later than twenty-five school days after enrollment)
