Funding Period: Fiscal Year 2022

**Delaware Department of Education
Opportunity Funding Form
2021-2022 School Year**

Application deadline: Friday, July 30, 2021

Purpose: The Opportunity Funding directed to mental health services provides \$5.0 million in FY20, \$2.5 million in HB 225 (Annual Appropriations Act) and \$2.5 million authorized in HB 226 (One-Time Supplemental). With a total supplemental amount of \$7.5 million over three years, the total amount will be \$15 million *contingent on future appropriations*. The Opportunity Fund is to provide additional funding for English Learner (EL) and low-income students.

For FY21, \$2.5 million is appropriated through HB 240 (Annual Appropriations Act). The guiding language regarding these funds and eligibility was amended through HB260 (Grants- In-Aid Act). The \$2.5 million allocated is supplemented with the \$2.5 million from HB 226 as referenced above. A total of \$5 million is appropriated for FY21.

For FY22, \$5.5 million is appropriated through HB 250 (Annual Appropriations Act). The \$5.5 million allocated is supplemented with the \$2.5 million as referenced above. A total of \$8 million is appropriated for FY22.

For FY22, these funds are apportioned and allocated to schools meeting criteria based on the prior year unit count: 1) a grade configuration containing K through 4th grade and (2) greater than or equal to 30% percent low-income and/or greater than or equal to 10% English Learner enrollment. There are schools that have been grandfathered because of meeting the threshold in FY21 and not meeting in FY22. This is noted.

This funding shall be used by school districts and charter schools for *mental health services* in the form of school counselors, school social workers or licensed clinical social workers, school psychologists, and/or for additional reading supports for grades K-5. Services may include the employment of staff, where such funding may be used to cover 100 percent of personnel costs on a 10 to 12-month basis and/or contracted services.

Allocation Method: Amounts vary per school and that amount is indicated below. Each LEA has already received the first half of the funding; the second amount will be released upon receipt and approval of this application.

Questions:

1. What mental health needs of your identified low-income and English learner students will you be addressing through these mental health services funds? *(Please indicate N/A if these funds are solely being used for reading supports for the two subgroups – EL and low-income.)*

Milford School District would like to use the mental health funds allocated in the Opportunity Fund - Mental Health grant to support an additional certified school counselor at Mispillion Elementary. This position collaborates with the current staff to better support the mental health needs of low-income and EL students. The counselor will also work with the Student and Family Interventionist to review cases and assist families with resources throughout the community. The counselor meets with students to provide counseling individually and in groups for trauma to include but not be limited to, divorce support, grief, abuse, emotional trauma, and drug exposure.

2. What kind of mental health services personnel are you hiring or contracting (school counselor, school social worker, licensed clinical social worker or school psychologist)?

The district intends to support a school counselor.

3. Are you using these funds for reading supports for your identified low-income and English learner students in addition to mental health services or in lieu of mental health services? If so, what types of supports/services will be provided?

Yes, any funds remaining after employing the School Counselor will be utilized to provide additional reading support for identified tier 3 students. This will be in the form of push-in and pull-out models for all grade levels targeting low income and EL students.

4. How will you know if these services or supports are effective?

We will continue to assess and analyze school-wide behavior referral data as a method of evaluating counseling services. We will also evaluate academic achievement using approved testing methods to determine if students experience increased achievement as a result of addressing their mental health needs.

5. Is this money is being used to contract services?

YES NO

6. Please complete the State Funds Budget Form and State Budget Summary Form (attached).
