

Delaware State Board of Education

Process for Providing Public Comment on Items Without a Public Comment Period

The State Board of Education values input and feedback from Delaware citizens on the matters that come before it.

Items without a public comment period:

Individuals and/or groups may provide public comment on an agenda item that is on the Board's agenda for action, which does not have a defined public comment. For example, an emergency regulation.

Written Public Comment:

Members of the public are welcome to provide written comment to the State Board of Education on items that do not have a set comment period. Written comment will be posted online monthly and provided to State Board of Education members prior to the next regular monthly meeting of the Board. Comment should be addressed to Delaware.SBE@sbe.k12.de.us with the subject line "Public Comment".
