

Financial Framework Report LAS AMÉRICAS ASPIRA ACADEMY

Reporting Period: July 1, 2020 to June 30, 2021

Published: March 02, 2022

Beginning in SY16/17 for each measure, a school receives one of three ratings:

Meets Standard
Approaching Standard
Far Below Standard

In the years prior to SY16/17 a school received one of the three ratings below:

Meets Standard
Does Not Meet Standard
Far Below Standard

Rating targets for each measure can be referenced on the Organizational Section of the [Delaware Performance Framework](#). Further clarifications for each measure’s data and methodology can be referenced in the [Financial Framework Guidance Document](#). School performance on each measure is presented below.

Each measure is weighted equally with discretion of the Authorizer incorporated to determine an overall rating.

The school has elected to submit a response to one or more measures to provide context of not meeting standard(s). The statements made therein are not made by or on behalf of Delaware Department of Education.

1. NEAR TERM INDICATORS

Measure 1a. Current Ratio:

Current Assets divided by Current Liabilities

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
3.12	3.58	1.76	1.38	2.15

The current ratio measures a school’s ability to pay its obligations over the next twelve months. The preferred result is more than 1.0, which indicates that the school’s current assets exceed its current liabilities.

Measure 1b. Days Cash:

Cash divided by (Total Expenses / 365)

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
75	66	36	33	63

The days cash on hand ratio indicates how many days a school can pay its expenses without another inflow of cash. The preferred result is more than 60 days cash.

Measure 1c. Enrollment Variance:

Actual Enrollment as of September 30 divided by Authorized Enrollment

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
105%	105%	106%	105%	101%

The enrollment variance depicts actual versus authorized enrollment. A school budgets based on projected enrollment but is funded based on actual enrollment; therefore, a school that fails to meet its enrollment targets may not be able to meet its budgeted expenses. The preferred result is more than 95%.

Measure 1d. Default, Loan Covenants, & Debt Service Payments

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
No	No	No	Yes	No

This metric addresses whether or not a school is meeting its loan covenants and / or is delinquent with its debt service payment, as noted in the notes accompanying the audited financial statements. A school which cannot meet the terms of its loan may be in financial distress.

2. SUSTAINABILITY INDICATORS

Measure 2a. Total Margin:

Net Income divided by Total Revenue

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
1 YR: -14.33%	1 YR: -4.36%	1 YR: -11.46%	1 YR: 3.63%	1 YR: 7.77%
3 YR: 1.31%	3 YR: -4.09%	3 YR: -9.87%	3 YR: -3.44%	3 YR: 1.24%

Total margin measures the deficit or surplus a school yields out of its total revenues ; in other words, whether or not the school is living within its available resources. The preferred result is a positive margin for the past year and the past 3 years.

Measure 2b. Debt to Asset Ratio:

Total Liabilities divided by Total Assets

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
0.95	0.96	1.02	1	0.94

The debt to asset ratio compares the school’s liabilities to its assets, or what a school owes against what it owns. The preferred result is less than 0.90.

School Response To Rating:

Total Liabilities = \$25,375,307 and Total Assets = \$26,920,721. As of the close of FY21, LAAA was in its fourth full year of long-term debt service (\$21.26MM in bonds payable as of June 30, 2021), which was a result of its bond financing (capital expenses for the East Campus building purchase and construction) in July 2016. The preferred result for this metric is <.90 and LAAA is at 0.94 vs. 1.00 in FY20, so we improved on this metric.

Measure 2c. Cash Flow

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
1 YR: \$558355	1 YR: \$-83247	1 YR: \$-754837	1 YR: \$-31285	1 YR: \$1602808
3 YR: \$829258	3 YR: \$475108	3 YR: \$-838084	3 YR: \$-786122	3 YR: \$1571523

Cash flow indicates the trend in the school’s cash balance over a period of time. This measure is similar to days cash on hand, but indicates long-term stability versus near-term. Since cash flow fluctuations from year-to-year can have a long-term impact on a school’s financial health, this metric assesses both three-year cumulative cash flow and annual cash flow. The preferred result is greater than zero.

School Response To Rating:

Our one year cash flow for FY21 = \$1,602,808, and our three year cash flow improved from \$-786,122 in FY20 to \$1,571,523 in FY21. We completed a \$500K+ capital expansion high school project, but our continued success in obtaining grant funding outside of the traditional charter school funding (no capital funding) shows our ability to support school expansion without relying on cash reserves. LAAA will continue to seek other revenue sources to support the build-out of our high school, thus minimizing the need to spend our cash reserves to support the targeted enrollment growth over the next several years.

Measure 2d. Debt Service Coverage Ratio:

(Net Income + Depreciation + Interest Expense) / (Principal and Interest Payments)

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
0.06	1.1	0.3	1.94	3.00

The debt service coverage ratio indicates a school’s ability to cover its debt obligations in the current year.

3. FINANCIAL MANAGEMENT AND OVERSIGHT

2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
M	M	M	M	M

This measure assesses the timeliness of reporting, the implementation of the Citizen Budget Oversight Committee, and the adherence to the policies and procedures of the First State Financial Management System.

SUMMARY AND OVERALL RATING

Las Américas Aspira Academy

Year	1a	1b	1c	1d	2a	2b	2c	2d	3	OVERALL RATING
