II. REQUIRED ATTACHMENTS

Supply each of the following. Use the spaces at the left to check off your attachments to ensure a complete application.

- _____ **A. Describe the proposed new field, course, or program.** Use the Attachment A form.
- _____ **B. A list of major equipment** made available for instruction for the proposed new field, program, or course. Use the Attachment B form.
- _____ **C. The names of all instructional staff who will teach the proposed new field, course, or program and their qualifications.** If licensure or other qualifications are necessary to teach the course, indicate the required licensure or qualifications. If licensure or certification is required, attach a copy of the current certificate/license. Mark clearly as Attachment C.
- _____ **D. A labeled drawing of your school's physical and sanitary facilities** (such as the buildings, classrooms, labs, clinics, offices, and rest rooms) that shows where the proposed new field, course, or program will be taught. Mark clearly as Attachment D.
- _____ **E. The description of the new field, course, or program** that will appear in an addendum to your current catalogue and in your next year's catalogue. Mark clearly as Attachment E.
- _____ **F. Proof of an increased surety bond** to cover the increase in tuition revenue that results from enrollment in the new field, course, or program. Mark clearly as Attachment F.

(I) (We) do solemnly swear or affirm that the information set forth in the foregoing application and in the attachments thereto is true and complete.
