

## **Original Application**

## Narrative

The Gateway Charter School, Inc. d/b/a Gateway Lab School (GLS), a non-profit 501(c)(3) organization, will open in September 2011, pending approval from the Delaware Department of Education. GLS will ultimately serve students in grades 1 through 8 who would benefit from our differentiated, integrated arts, multi-sensory, experiential program that seeks to identify and capitalize on a student's strengths and interests while utilizing effective research-based techniques to help each student learn. Research has shown that students who struggle academically in the traditional school environment benefit greatly from this model of instruction (Teaching and Learning., <http://www.doe.k12.de.us/dess/tnl/default.shtml>. DESS, 2007).

The GLS model is specific to Delaware students and aligned to the Delaware Content Standards. It is related to a model designed by the Lab School of Washington®, located in Washington, DC. The efficacy of the Lab School of Washington® (LSW) model is its unique special education approach specifically designed for students with learning disabilities and ADHD (see Hannaford, 1995; Heacox, 2002; Jensen, 2001; and Marzano, 2007). The LSW model was recognized as a National Diffusion Network Model Education Program by the United States Department of Education in 1995 (Smith, 2005). In an analysis of academic achievement data, the Lab School of Washington® documented that student achievement vastly exceeded their counterparts in other school settings (Smith, 2005). More than 90% of LSW students pursue higher education after graduation, while less than 13% of their learning disabled counterparts in other schools continue their education (Smith, 2005). The LSW has replicated its program at the Baltimore Lab School in Maryland and at the Academy in Manayunk in Philadelphia, PA with great success.

The founding board members of Gateway Lab School were inspired by the success of LSW and have collaborated with them to design an effective model in Delaware, which will give parents an alternative for their struggling students. The inspiration for Gateway Lab School not only comes from the personal experiences of several founding board members, but numerous heartbreaking accounts from parents of children who were unsuccessful in a traditional school environment. Despite the introduction of Response to Intervention, there is still an achievement gap between regular and special education students. Gateway Lab School will provide additional research-based practices that can be integrated with the mandates of Response to Intervention and Delaware Content Standards.

We understand that approximately 12% of students in area schools have been identified as special ed and have the accommodations they qualify for under law; however, Gateway Lab School will meet the needs of students with Individual Education Plans (IEPs) for a wide range of language-based learning disabilities alongside their grade level counterparts that have not been identified as Special Ed but whose parents are seeking an alternative to a traditional classroom.

The Gateway Lab School will serve students ages 8-13 in grades 3 through 7 in year one, adding 8th grade in year two, 2<sup>nd</sup> grade year three and 1<sup>st</sup> grade in year four. There will be three classes per grade with 12 students per class. The school will be centrally located in Newark, DE, serving students throughout New Castle County. In addition, the school will offer after-school tutoring and summer programs within the first four years of service. It will also provide innovative collaborative opportunities for pre-service and in-service education professionals throughout the state.

Many of the founding board and advisory board members have extensive expertise in special education issues, curriculum development, finance, fundraising, business development, and/or human resources. In addition, the board has developed a network of support with other charter School directors, the Delaware

Charter School Network and area consultants. With this highly skilled and dedicated team, the Gateway Lab School will bring a unique and much needed educational option to Delaware students.

1. **Applicant Qualifications**

- a. **Describe the involvement of each of the Delaware certified teachers, parents, and community members who have participated in the preparation of the application and the development of the proposed school. (Renewal/Modifications – provide original documentation and any changes)**

**Pam Draper**, a resident of Newark, DE, and a parent of two children – one with ADHD and the other with moderate learning disabilities – began exploring the opportunity presented through charter school education after learning of the Lab School of Washington® (LSW). Both of her children had been enrolled in traditional, integrated settings in Delaware public schools, yet neither flourished. Mrs. Draper contacted the Lab School of Washington® and was invited to visit. On January of 2007, Mrs. Draper met with LSW Director Sally Smith, a renowned educator with expertise in learning disabilities, and the staff of the Lab School. After this meeting, Mrs. Draper and the administrators of the Lab School realized that utilizing the methods of the Lab School of Washington® as a charter school in Delaware would open the doors of possibilities to a number of children who still struggled within the currently available public school programs.

*Mrs. Draper serves as Chair of the Founding Board and lead writer for the charter application.*

**Dr. Jodi Forestieri** of Bear, DE, is a certified Delaware teacher who currently serves as an Instructional Coach at Gauger-Cobbs School in Christina School District. Dr. Forestieri was invited to join a small task force established by Mrs. Draper to explore the possibility of implementing elements of the Lab School of Washington® as a charter school in Delaware. Upon commitment to applying for a charter school, Dr. Forestieri and Mrs. Draper began forming the Founding Board for the Gateway Lab School. Dr. Forestieri mapped the curriculum for the school to state standards, other components of the application, and will coordinate and write the required sample lesson plans.

*Dr. Forestieri serves as Founding Board Secretary.*

**Sherlock Hack** of Newark, DE, is an accountant and consultant for J.P. Morgan Chase. Mr. Hack's involvement with the school was established through his interests in supporting children through volunteer efforts in his church and community. Due to his extensive background in budget forecasting and accounting, he has been integral in the preparation of financial projections and budgeting for the charter application. He has worked with Innovative Schools Development Corporation and current charter School directors over the last two years to meet application requirements related to budgeting and finance.

*Mr. Hack serves as Founding Board Treasurer.*

**Tom Stevenson** of Wilmington, DE, is President of the Cash Connect division of WSFS. Mr. Stevenson brings extensive experience in the business community as well as a history of serving various youth organizations. Mr. Stevenson's professional and civic connections are essential to fundraising, and allow the Founding Board to bring professional advisors to the development of the application. He has researched possible locations for the school. He also assisted in editing the application and reviewing financial data.

*Mr. Stevenson is a Founding Board Member.*

**Dr. Richard Holmes** of Wilmington, DE, is a clinical psychologist in private practice. Dr. Holmes counsels children in his practice and is also a consultant with Kuumba Academy Charter School. Dr. Holmes' expertise and knowledge of academically challenged children and teens has helped provide insight and direction in various psychological, speech and occupational therapy programs that will be a vital part of the school. He is involved in reviewing aspects of the charter application that relate to the delivery of instruction and related services.

*Dr. Richard Holmes is a Founding Board Member.*

**Joyce Henderson** of Hockessin, DE, is the Assistant Director of Employer Outreach and Multi-Ethnic Programming at the University of Delaware. Ms. Henderson's extensive human resource management, project management, accounting, and auditing experience were drawn upon to write sections that relate to human resources, handbooks, and diversity in the application. Ms. Henderson has also committed to establishing a connection between the school and the university community to identify and develop staff development opportunities.

*Joyce Henderson is a Founding Board Member.*

**Kevin Bucher** of Wilmington, DE, is a Lab School of Washington® alumnus, Co-Chair of the Lab School Alumni Association and Senior Marketing Manager at JP Morgan Chase. Mr. Bucher is assisting the board with student recruitment strategies. *Advisory Board Member*

**Christine Madden** M.Ed. (Ph.D. abd) of Wilmington, DE, is a Learning Disabilities Specialist and Owner/Educational Consultant at Alternative Connections, Inc.. She assisted in the application section that relates to identification and special education services delivery. *Advisory Board Member*

**Pat Forrester** of Wilmington, DE, a parent of an adult son with dyslexia, is a marketing strategist and owner of Forrester Communications. Mrs. Forrester is assisting in the application section that relates to student recruitment and school communications. *Advisory Board Member*

**Ashley Biden** of Greenville, DE, is a Job Developer for the State of Delaware Division of Children, Youth and Families. Ms. Biden identifies work opportunities for teens that are wards of the State. Ms. Biden herself was a student with ADHD and understands the difficulties students face in traditional school settings. Ms. Biden is assisting the board in the areas of school climate and special education services. *Advisory Board Member*

**Debra Pelinski** is a Theatre Arts instructor at the University of Delaware. She has over 17 years experience teaching in traditional public and charter schools in Minnesota. Debra completed the theatre curriculum requirements for this application and is a liaison for the school to the local arts community. *Advisory Board Member*

**Sue Ogden** is the Managing Director of Academics for KIPP Philadelphia Schools (KPS), and formally worked as an Educational Consultant and Vice Principal for Academics at Edison Charter School in Wilmington. She served as a general reviewer of the application. *Advisory Board Member*

**Sheldon Rennie** of Middletown, DE, is a partner at Fox Rothschild in Wilmington, DE. He has graciously offered his professional expertise in the evaluation of legal agreements and documents. *Advisory Board Member*

**Greg Lavelle**, Delaware State Representative, has served as an advocate for Gateway Lab School and authored the amendment that allowed the school to be exempted from the state charter school moratorium in 2008.

**Deborah Hudson**, Delaware State Representative, has served as an advocate for Gateway Lab School and authored the amendment that allowed the school to be exempted from the state charter school moratorium in 2008.

**Greg Meece**, of Landenberg, PA, is the Director of the Newark Charter School. Mr. Meece offered insight into the application process and served as a general reviewer of the application.

**Ed Emmett** is Headmaster of Positive Outcomes Charter School in Camden, DE. Mr. Emmett served as a reviewer of the application and has shared his expertise in student and staff development at a charter school serving an academically-challenged student population.

**Sen. Tom Carper** of Wilmington, DE, has advocated for the school in Washington and in Delaware.

**Karen Kaler**, formerly of Newark, DE, was a member of the original GLS task force. Mrs. Kaler is the parent of a learning disabled child. Her husband was the former dean of the University Of Delaware School Of Engineering. *Former Founding Board Member*

**Gabrielle Bradley**, formerly of Newark, DE, is the parent of two sons - one with dyslexia and another with ADHD- and was among the members of the original task force. She moved from Delaware to Hong Kong due to her husband's work transfer.  
*Former Founding Board Member*

- b. Describe how the group that participated in the development of the application came together and if there are any partnership arrangements with existing schools, educational programs, business, non-profit organizations, or any other entities or groups. If any consultants or contractors were enlisted to help prepare this application, identify them, describe their qualifications, and indicate the areas where they provided information and assistance. (Renewal/Modifications – provide original documentation and any changes)**

Mrs. Draper and Dr. Forestieri recruited the school's founding board in 2007 through personal associations based on the members' diverse experiences and expertise. The board has convened for 32 meetings as of December 2009. Additional advisory members of the group became involved through personal outreach by the founding board.

The Gateway Lab School founding board has a non-binding agreement with the Lab School of Washington® (LSW) to explore the general methodology developed by Professor Sally L. Smith and replicate the school's Academic Club Method™. LSW is an independent, non-

profit school internationally recognized for its innovative programs for children and adults with learning disabilities (Smith, 2005). The founding board will work with LSW to provide comprehensive, ongoing consultation and resource support focused on facility design; training of a director, hiring, orientation and training of staff; development of academic program and related services; marketing, development and other services as needed. The GLS Founding Board has also spoken with Baltimore Lab School and the Academy in Manayunk (Philadelphia, PA), which are replications of the LSW program.

Wings Academy is a charter school in Milwaukee, WI, focused on educating students with learning differences in an integrated environment. The Gateway Board has spoken with Nicola Ciurro and Danielle LaPorte, directors of Wings Academy, whose curriculum is based on the LSW's Academic Club Method™, which will also be a unique focus of the GLS program.

The Innovative Schools Development Corporation (ISDC) has been instrumental in providing administrative and technical assistance to a number of charter schools in Delaware. The ISDC advised the Founding Board on charter school law in Delaware, and assisted in developing expectations for the application and implementation phases of GLS upon application approval.

Three contractors provided proofreading and copy editing services for the application; Renee Fitzgibbons of Landenberg, PA has 23 years of experience in teaching and curriculum design. Suzanne P. Keller has over 16 years of experience teaching elementary and middle school students in Delaware and Georgia. Megan Kean of Kansas City, MO is the co-owner of Sage Writing and Editing Services and was an Editorial Coordinator for Elsevier Publishing. Megan provided copy-editing services for the final application.

- c. **List the names, the places of residence, and the phone numbers of the founding board of directors and indicate which members are teachers currently certified in Delaware, parents, and community members. Describe how the location of the founding group members is related to the proposed location of the charter school. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School is proposing to operate in the Newark, DE area and will be open to all students in New Castle County. All of the board members currently live or work in the county.

- d. Describe the plans for further recruitment of board members of the school, especially teachers to be employed at the school and parents of students to be enrolled at the school. (Renewal/Modifications – provide original documentation and any changes)**

Founding board members and school supporters will utilize personal and professional networks to ensure outreach to professionals, parents, and residents who may be interested in board membership. Special consideration will be given to individuals who are involved in various arts and student support organizations such as CHADD. Additionally, the founding board will continue to host school awareness meetings at venues throughout New Castle County, which may reveal additional potential board members. Once enrollment has been established in early 2011, the Founding Board will move to institute a permanent board of directors, expanding the current board size to approximately eleven members. At that time, teachers, parents, and interested community members will be invited through email, newspaper, and radio announcements to submit board membership applications. The board of directors will be required to maintain three parents of school students and three schoolteachers as members.

- e. Describe how the background of each member of the founding group makes him or her qualified to operate a charter school and implement the proposed educational program. Describe how the board of directors has and will maintain collective experience, or contractual access to such experience, in the following areas: (Renewal/Modifications – provide original documentation and any changes)**

- 1) Research-based curriculum and instructional strategies, to particularly include the curriculum and instructional strategies of the proposed educational program.**

Dr. Forestieri has a master's degree in English Language Arts and a Doctorate in Innovation and Leadership from Wilmington University. She has extensive professional expertise in curriculum development, instructional strategies, program evaluation, adult education, Professional Learning Communities, Universal Design for Learning, Differentiated Instructions, Response to Intervention, and Inclusive Practices. Dr.

Forestieri has been part of the 502-alignment process for her district and is able to review curriculum materials to evaluate their effectiveness and compliance with state regulations. Further, she has studied each content area's content standards, and she will be able to ensure that the state standards are correctly aligned with the academic model of the Lab School of Washington. Additionally, Dr. Forestieri is participating in the Christina School District Aspiring Leaders program. Her background as an Instructional Coach and adjunct instructor with two colleges will ensure that the teaching cadre is well trained in the delivery of the approved curriculum and provided avenues for input and feedback.

Mrs. Draper, as a parent of two children with learning issues, is personally well versed on the distinct needs of children with learning differences. Through numerous meetings with the LSW staff, she can ensure that the essential elements of the LSW model are delivered appropriately.

Dr. Holmes has a background in child psychology, and has worked extensively with children with learning challenges. He currently provides assessments for students at Kuumba Academy charter school, and he is well versed on the expectations of the state as it relates to the delivery of curriculum and specialized services. He will be able to effectively review instructional strategies proposed for the school and provide input and feedback on these issues.

Mrs. Henderson has extensive work with diversity training, which will ensure not only equitable procedures for hiring but also the development of systemic processes, and procedures that will ensure equity in the delivery of services. She will add expertise in the delivery of instructional strategies for the entire school community as well.

Ms. Madden is a local learning disabilities specialist and has extensive experience consulting with area schools and universities on research-based instructional practices. She is very familiar with the Lab School's methodology as well as other methods of differentiated instruction. She will provide expert opinion and advice on the strategies implemented.

To maintain its collective experience, the board of Gateway Lab School will

- Participate in training on the curriculum and instructional strategies utilized at GLS. Each board member will participate in at least one type of strategy training provided to the teachers. Consequently, the board will be well versed in each instructional technique that will be used at the school.
- Have three certified teachers represented on the Board of Directors.
- Utilize the expertise of the Lab School of Washington® and nearby universities.
- Provide training in curriculum and instruction to new board members at least once per year.
- Receive monthly reports from the School director on curriculum and instructional strategies and identify areas for development and improvement as they arise.

2) **Business management, including but not limited to accounting and finance.**

Mrs. Draper is the co-owner of a local structured cabling business with her husband James. She is responsible for accounting, administration and marketing in her business. Previously, she served as a Senior Relationship Manager for Brandywine Global Investment Management in Philadelphia, PA where she was responsible for oversight of client service in the Wealth Management Group with assets under management of over \$4 billion. As a small business owner, Mrs. Draper is well aware of the need for business management and planning to ensure success and will apply those tenets to the Gateway Lab School.

Mr. Hack is an accountant who works as a consultant with area banking and financial service firms and is well versed on the management strategies necessary for financial success. As an active community volunteer, he is also aware of the need for similar strategies to ensure the success of a non-profit organization.

Mr. Stevenson brings extensive experience in business, serving in upper management at WSFS. He has a broad background in business strategic planning and financial analysis. As a community volunteer, he also has knowledge of non-profit management and fundraising.

Dr. Forestieri has a clear understanding of the costs and expenses incurred in the delivery of curriculum having been an Instructional Coach for the Christina School District and will be able to ensure realistic cost projections for a charter school. She also manages a small budget for the ELA Middle School curriculum development and professional development for Christina School District.

Dr. Holmes serves as a consultant to schools, and therefore has intimate knowledge of the costs and procedures associated with contracting outside consultants for charter schools.

Mrs. Henderson has over 20 years of experience in a number of business areas, including development & training, HR and accounting. In addition, as the president of a non-profit corporation, Mrs. Henderson has extensive knowledge of non-profit management.

To maintain its collective experience, the board will

- Work with the Delaware Department of Education Charter School Finance office as well as other departments within the DOE to provide training and technical assistance in the areas of accounting and finance.
- Continue to recruit board members with business expertise.
- Continue to consult with successful charter School directors to gain a thorough understanding of the state's accounting and finance standards for charter school operation.
- Employ experienced staff that will receive training in school finance and accounting.
- Receive monthly reports from the School director on business management and financial issues and identify areas for development and improvement as they arise.

**3) Personnel management.**

Mrs. Henderson has extensive human resource management and diversity experience and brings a wealth of resources in this area from her position at the University of Delaware. Further, she is versed on a number of the state regulations regarding personnel issues.

Dr. Forestieri has staff development and training experience as an Instructional Coach. She has provided services for teachers new to the state, district, or school as well as those on improvement plans to improve their teaching. She has observed many effective teachers and can assist with the job descriptions and interviews for potential staff.

Mr. Stevenson has an extensive personnel management background due to his management position in WSFS.

Mrs. Draper shares the personnel management responsibilities in her business.

To maintain its collective experience, the Board will

- Consult with DOE staff for state-specific recommendations and participate in all available training.
- Employ and provide training to administrative staff so that they are well versed in all aspects of personnel management and familiar with state regulations.
- Receive reports from the School director on personnel management issues and identify areas for development and improvement as they arise.

**4) Diversity issues, including but not limited to outreach, student recruitment, and instruction.**

Dr. Forestieri has received extensive training in diversity issues as a teacher in the Christina School District. She has taught a graduate level Multicultural Education course for Wilmington University and a Culture and Diversity course at McDaniel College. Her dissertation title was An Investigation of the Inclusion of Multicultural Education in Public and Private Teacher Training Programs in the State of Delaware.

Mrs. Draper, as a minority business owner and parent of children identified with special needs, is highly sensitive to diversity issues and will bring personal insight into ensuring broad outreach for the school.

Mrs. Henderson has a proven background in diversity training, which will be invaluable to the delivery of an effective diversity model.

Dr. Holmes is a consultant with an urban charter school in Wilmington and offers professional expertise in diversity issues directly related to schools.

Mr. Stevenson is a board member and volunteers with several non-profit organizations that serve children in urban settings and has a wealth of experience in diversity as a business and community leader.

To maintain its collective experience the board will

- Participate in professional development programs offered by the Delaware Department of Education.
- Seek diversity in the student population by advertising the school's application process in a variety of forums and media outlets.
- Seek diversity among the school faculty, staff and Advisory Leadership Team.
- Make multicultural awareness central to the curriculum.
- Receive reports from the school director regarding diversity issues, to identify areas for board development and improvement as they arise.

**5) At-risk populations and children with disabilities, including but not limited to students eligible for special education and related services.**

Mrs. Draper served as a member of the federally funded committee on Teacher Quality Enhancement (TQE) at the University of Delaware and the Steering Committee for the Networks School in the Christina School district. She also has personal experience in addressing necessary education services for the learning disabled population.

Dr. Forestieri has extensive public school experience working with children with disabilities. She is well versed in inclusive schools research; multisensory, brain compatible learning, and differentiated instruction; flexible grouping; response to intervention; and experiential educational strategies. She is receiving additional training through the Christina School District Aspiring Leaders Program.

Mrs. Henderson has a work background in ensuring at-risk populations receive appropriate services through her position at the University of Delaware.

Mr. Stevenson has extensive experience with at-risk populations as a board member and volunteers with area agencies such as the Delaware Mentoring Council and Youth for Christ.

To maintain its collective experience the board will

- Employ certified Special Education teachers.
- Work with the staff in the Special Education department at DOE and use the AMSES manual as a reference to ensure that the school operates within state guidelines as they relate to at-risk populations and children with disabilities.
- Be provided with training and ongoing support from the Lab School of Washington®.
- Contract for professional services to provide occupational therapy, speech therapy and psychological services.
- Provide ongoing professional development opportunities in research-based strategies for the school staff and Board.
- Participate in training about the Response to Intervention model and Special Education Law.
- Seek grants that target programs for at-risk and disabled student populations.
- Receive reports from the school director regarding special education issues and identify areas for board development and improvement as they arise.

The Board of Gateway Lab School will ensure that the school is in full compliance with all federal and state statutes relating to the education of students with disabilities. Our plan provides for the free appropriate education to students with disabilities and will include a continuum of educational placements for students with disabilities.

**6) School operations, including but not limited to facilities management.**

Dr. Forestieri, as an Instructional Coach in the Christina School District, has a basic understanding of school operations and the appropriate facilities necessary for the delivery of the proposed charter school. She is receiving additional training in school operations as a member of the Aspiring Leaders Program.

Mrs. Draper is a member of Associated Builders and Contractors. As a small business owner working in the cabling field, she has a fundamental knowledge of operations and facilities issues.

Mr. Stevenson has both operations and facilities knowledge as a member of the senior management team at WSFS.

To maintain its collective experience the board will

- Consult with the School Plant Planning and Maintenance Department at DOE on school operations and facilities management.
- Hire experienced staff to spearhead and manage these functions.
- Receive reports from the school director regarding school operations and facility management issues and identify areas for board development and improvement as they arise.

Gateway Lab School will abide by all of the provisions of Regulation 275, § 4.1 including having certified teachers employed at the school and parent representatives on its Board of Directors, restricting the business of the school to educational purposes, having regular meetings of the Board of Directors, and complying with the Freedom of Information Act.

**2. Form of Organization**

**Identify the name of the organizing corporation, date of incorporation, and names of the corporation's officers and the office held by each. Attach a copy of the Certificate of Incorporation and a copy of the bylaws of the corporation. The bylaws must be consistent with the provisions of the Freedom of Information Act, 29 Delaware Code, Chapter 100 (related to public bodies, public records, and open meetings) and provide for representation of the school's teachers and parents of students on the board of directors. The by-laws must demonstrate that the applicant's business is restricted to the opening and operation of charter schools, before school programs, after school programs and educationally related programs offered outside the traditional school year. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Charter School, Inc. d/b/a Gateway Lab School is a 501(c)(3) corporation, incorporated in the State of Delaware on July 13, 2007. The corporate officers are:

Pamela T. Draper (President)  
18 Elizabeth Ct.  
Newark, DE 19711

Dr. Jodi Forestieri (Secretary)  
224 Rushes Drive  
Bear, DE 19701

Sherlock O. Hack (Treasurer)  
1649 Smith Way  
Newark, DE 19702

Gateway Charter School (d/b/a Gateway Lab School) Bylaws and Certificate of Incorporation are contained in the documents at the end of this application (see Bylaws in Appendix A and Certificate of Incorporation in Appendix B).

### 3. Mission, Goals and Educational Objectives

- a. Describe the purpose, mission, goals, and core philosophy of the proposed school. Indicate how the mission, goals, and educational objectives are consistent with the legislative intent of 14 Delaware Code, Section 501, and the restrictions on charter schools set forth in 14 Delaware Code, Section 506. (Renewal/Modifications – provide original documentation and any changes)

**Purpose:** The Gateway Lab School will provide an extraordinary educational opportunity for children who would benefit from our differentiated (see Pete & Fogarty, 2002; Jensen, 1998; and Gregory & Chapman, 2002), integrated arts (see Fiske, 1999; Jensen, 2001; and Smith, 2001), and multi-sensory (see Armstrong, 2003; Silver, Strong, & Perini, 2000) program that seeks to identify and capitalize on a student's strengths and interests while utilizing effective research-based techniques to help each student learn.

**Mission:** To provide an extraordinary educational opportunity for our students using arts-based, multi-sensory teaching techniques and curriculum that is aligned to Delaware Content standards in a safe, secure, and nurturing environment. The school plans to eventually serve the community as a center for the professional development and education of teachers, parents and students by providing access to the latest research-based curriculum, technology, and training.

**Goals:** The goal of Gateway Lab School is to prepare children who have struggled academically in the traditional classroom for success in high school and beyond. We will do this by using an academically rigorous, arts-based curriculum aligned to Delaware State content standards in an atmosphere that values each student's individuality and unique gifts, and helps them to articulate their learning styles which will lead to self-advocacy.

**Philosophy:** The Gateway Lab School philosophy is based on the belief that children, who have struggled to achieve academic success in the traditional school environment and learn differently, have the capacity to achieve academic success and to realize individual learning potential. The teachers and staff of Gateway Lab School will be committed to developing a sense of inquiry and love of learning in each student. This will be accomplished by focusing on providing interventions in the areas of reading, oral and written language, math and motor

skills. The social studies and humanities areas of study will be supplemented through the Academic Club Method™ developed at the Lab School of Washington®, which provides a unique program that incorporates art, music, drama and hands-on learning experiences (see Appendix C for a sample of the Academic Club curriculum). Students will also learn how to function effectively in school and society through tailored social skills/character development training and an understanding of how they best learn. An education at Gateway Lab School will include helping our students know the appropriate behavior in a given situation, knowing how to approach the unknown, knowing how to request additional support/accommodations, and knowing how to interact with other people. These skills are the foundation for functional living essential to the student population we will serve.

**Core Beliefs:**

- All children can learn and it is our responsibility to value their learning styles and unique gifts;
- The school community must respect each student's individuality and prize diversity;
- Schools have the responsibility to provide a safe, secure and nurturing environment for its students;
- Children who struggle academically in a traditional classroom can flourish in an environment that combines multi-sensory instruction, integrated arts, and learning by doing (experiential learning);
- A well-trained, enthusiastic and creative staff is essential to the success of every student;
- Clear behavior expectations and daily reinforcement of those expectations provide security that helps students focus on learning;
- Parent/caretaker involvement in their child's education has a positive effect on achievement;
- Research-based and innovative teaching methods as part of a rigorous instructional model are to be encouraged;
- Students at risk for academic failure need highly individual and structured experiences;
- Kindness, compassion and perseverance are essential to helping students be successful in learning and life;
- Schools should foster positive self-concept in students;
- Successes, grand or small, should be celebrated on a day-to-day basis;
- Organization and social skills are key components of educating academically challenged populations;
- All students should be able to articulate their strengths, weaknesses and learning styles, which will lead to self-advocacy.

**Objectives:**

- Provide intensive intervention using research-based strategies;
- Provide a curriculum that is aligned with the state recommended curriculum and in compliance with 502 regulations;
- Use integrated arts and multi-sensory experiences as way to teach rigorous academic material and foster a love and enjoyment of learning in our students;
- Provide students with access to technology as a tool for learning;
- Provide a responsive school and classroom environment that will educate students on how to function effectively in society through tailored social pragmatics and skills training;
- Prepare students to articulate their strengths, weaknesses, and learning styles, which will lead to self-advocacy;

- Train and support a quality staff to put the school's philosophy into action. Commit to teacher training and advanced professional development in research-based curricula. This job-embedded, intensive professional development program will be evaluated based on the application and implementation of the methodologies and evidenced in an increase of student achievement;
- Provide financial rewards for staff members who contribute to student success and meeting school goals;
- Support and educate parents with regard to school and home issues;
- Make parental involvement a central part of the school community;
- Work with students and faculty at area colleges and universities to provide opportunities for in-depth learning and specialization in research-based interventions for academically challenged populations for in-service and pre-service teachers;
- Provide information and resources to area public and private schools serving students who learn in both traditional and non-traditional ways through workshops, lectures, seminars, and effective training opportunities.

The mission, goals and objectives of Gateway Lab School are consistent with the restrictions on charter schools set forth in 14 Delaware Code, §506 and the legislative intent of 14 Delaware Code, §501 which is "intended to improve student learning; encourage the use of different and innovative or proven school environments and teaching and learning methods; provide parents and students with measures of improved school and student performance and greater opportunities in choosing public schools within and outside their school districts; and to provide for a well-educated community."

- b. **Describe the methods of internal evaluation that will be used by the board of directors to ensure that the school is meeting its stated educational mission and objectives. (Renewal/Modifications – provide original documentation and any changes)**

The school director, in collaboration with the advisory leadership team (comprised of parents and teachers), will provide a quarterly monitoring report to the board of directors that provides data for each objective. Annually, the board will review goals for student performance, inclusive of all data relative to the goals and achievement targets. The Lab School of Washington® will provide ongoing training, support and evaluation of the school's educational objectives to school administrators, staff and the board of directors. Current advisors to the founding board will also be available to provide assistance.

- c. **Describe the procedures the school will use to ensure compliance with the requirements of 14 Delaware Code, Section 506, related to enrollment. (Renewal/Modifications – provide original documentation and any changes)**

The Board of Gateway Lab School understands and agrees that it will enroll a minimum of 80% of its total authorized number of students on or before April 1<sup>st</sup> of each school year. The director of the school will provide written certification of the enrollment to the Department of Education and to the superintendent of each public school district in which one or more of the charter school's students reside. Gateway Lab School Admissions documents include a "Letter of Intent to Enroll" form, which contains relevant portions of 14 Delaware Code, Section 506 (see Appendix D). This form will require a parent or guardian's signature prior to the student's first year of attendance at the school. Letters will be kept on file at the school.

#### 4. Goals for Student Performance

- a. **List the specific student performance goals in math and reading by grade for students disaggregated by grade and ethnicity for the initial four years of operation and describe the assessment instruments that will be used to measure whether students meet or exceed those goals. (Renewals/Modifications – show and discuss the results during the current period as necessary)**

The DSTP or state determined equivalent will be used to measure whether students meet or exceed our goals. For first grade students, GLS will utilize the DIBELS assessment.

Performance Goal 1: All students (inclusive of subgroups) at Gateway Lab School (GLS) will make strong yearly progress in Reading.

Performance Goal 2: All students (inclusive of subgroups) at Gateway Lab School (GLS) will make strong yearly progress in Mathematics.

The Percent Meets or Exceeds document (see Appendix E) identifies DSTP percentages of students who meet or exceed the standard disaggregated by grade and ethnicity for the state and each of the northern Delaware districts over the past three years. This information will be used as a baseline in meeting our performance goals.

- b. **List the specific measurable performance targets for each student performance goal for each year of the Delaware Student Testing Program (DSTP) for the initial four years of the charter. (Renewals/Modifications – Update this section to make it current)**

Performance Goal 1:

On the 2012 English Language Arts State Test, 100% of GLS students in all subgroups who on the previous year's state test were considered below the cut score for that grade will move up one performance level according to the growth model. See cut scores below for 3rd through 7th grade.

On the 2012 English Language Arts State Test, 89% of GLS students in all subgroups will meet proficiency or meet the growth model expectations as identified above. See cut scores below for 3rd through 7th grade.

On the 2013 English Language Arts State Test, 100% of GLS students in all subgroups who on the previous year's state test were considered below the cut score for that grade will move up one performance level according to the growth model. See cut scores below for 3rd through 8th grade.

On the 2013 English Language Arts State Test, 95% of GLS students in all subgroups will meet proficiency or meet the growth model expectations as identified above. See cut scores below for 3rd through 8th grade.

On the 2014 and 2015 English Language Arts State Test, 100% of GLS students in all subgroups who on the previous year's state test were considered below the cut score for that grade will move up one performance level according to the growth model. See cut scores below for 2nd through 8th grade.

On the 2014 and 2015 English Language Arts State Test, 100% of GLS students in all subgroups will meet proficiency or meet the growth model expectations as identified above. See cut scores below for 2nd through 8th grade.

During the 2014-2015 school year 100% of GLS 1st grade students who were considered "intensive" by the DIBELS assessment at the beginning of the year will achieve "strategic" or above by the end of the year.

During the 2014-2015 school year 100% of GLS 1st grade students who were considered "strategic" by the DIBELS assessment at the beginning of the year will achieve "benchmark" by the end of the year.

English Language Arts DSTP Cut Scores for Grades 2-8

- 2nd grade - 261
- 3rd grade - 415
- 4th grade - 440
- 5th grade - 453
- 6th grade - 460
- 7th grade - 465
- 8th grade - 495

Performance Goal 2:

On the 2012 Mathematics State Test, 100% of GLS students in all subgroups who on the previous year's state test were considered below the cut score for that grade will move up one performance level according to the growth model. See cut scores below for 3rd through 7th grade.

On the 2012 Mathematics State Test, 83% of GLS students in all subgroups will meet proficiency or meet the growth model expectations as identified above. See cut scores below for 3rd through 7th grade.

On the 2013 Mathematics State Test, 100% of GLS students in all subgroups who on the previous year's state test were considered below the cut score for that grade will move up one performance level according to the growth model. See cut scores below for 3rd through 8th grade.

On the 2013 Mathematics State Test, 92% of GLS students in all subgroups will meet proficiency or meet the growth model expectations as identified above. See cut scores below for 3rd through 8th grade.

On the 2014 and 2015 Mathematics State Test, 100% of GLS students in all subgroups who on the previous year's state test were considered below the cut score for that grade will move up one performance level according to the growth model. See cut scores below for 2nd through 8th grade.

On the 2014 and 2015 Mathematics State Test, 100% of GLS students in all subgroups will meet proficiency or meet the growth model expectations as identified above. See cut scores below for 2nd through 8th grade.

During the 2014-2015 school year 100% of GLS 1st grade students who were considered "intensive" by the Math Triumph Diagnostic and Placement Assessment at the beginning of the year will achieve "strategic" or above by the end of the year.

During the 2014-2015 school year 100% of GLS 1st grade students who were considered "strategic" by the Math Triumph Diagnostic and Placement Assessment at the beginning of the year will achieve "benchmark".

**Mathematics DSTP Cut Scores for Grades 2-8**

2nd grade - 351

3rd grade - 407

4th grade - 432

5th grade - 451

6th grade - 466

7th grade - 472

8th grade - 487

- c. List the assessment tools that will be used including the DSTP, standardized, formative, benchmarks, or performance assessments. Describe why these particular assessment instruments have been selected and provide the timetable indicating when those instruments will be used. (Renewals/Modifications – Provide original documentation, the results of these assessment tools and discuss the results)**

1. DSTP Math and Reading (or other test assigned by the state) will be given in March (or other date established by the department of education). These are required state test that measures performance on the state standards.

2. DSTP Science and Social Studies (or other test assigned by the state) 4th grade in the Fall and 6th grade in the Spring or other date as established by the department of education. These are required state test that measures performance against the standards.

3. Universal Screening Instruments: Treasures Reading Screening Instrument and Math Connect Assessment Masters will be given to all students in September, January, and May to screen for any intervention needs.

4. DIBELS will be given in September, January, and May. It is a diagnostic instrument for beginning reading in the areas of phonemic awareness, phonics, and fluency.

5. Progress Monitoring options include: Phonological Awareness Inventory, Phonics Inventory, Spelling Inventory, Decoding Inventory, and High Frequency Word Inventory. These will be given at 3-6 week intervals, as needed depending on the area of intervention. They measure progress on specific focus areas in reading after a period of instruction in order to establish the effectiveness of the intervention for each student.

6. Math Triumphs Diagnostic and Placement Assessment and Progress Monitoring Tools: Progress monitoring for math content strands will be given at 3-6 week intervals, as needed depending on the level of intervention.

7. Teacher Collaboratively Designed Assessments - Unit (TCDA-U) Will be given before beginning a unit and at the completion of the unit these assessments will measure attainment

of Grade Level Expectations and Unit Goals. These will be piloted during the first two years and will be completed by year 3.

- d. **Renewals/Modifications Only - Include a copy of the current signed Performance Agreement between the school and the Secretary of Education. Describe in detail the performance of the school on each of the objectives in the Performance Agreement. Place particular focus on the school's academic performance, including evaluation results from the DSTP and other measures. Discuss highlights and concerns.**

Gateway Lab School is not a Renewal or Modification Applicant.

- e. **Renewals/Modifications Only - Provide the charter Performance Agreement for the renewal period. Include a list of proposed measurable performance objectives with specific measurable targets for each year of the charter renewal period.**

Gateway Lab School is not a Renewal or Modification Applicant.

## 5. Evaluating Student Performance

- a. **Describe the process how student evaluation information will be used to improve student performance. (Renewal/Modifications – provide original documentation and any changes)**

DSTP: Standardized assessment instruments, including the DSTP (or other state assessment) will be used to provide summative information to evaluate student learning, teacher performance, and curriculum alignment. The DSTP will be used to assess reading, writing, mathematics, social studies, and science (as determined by the state). Student performance information from the DSTP will be used to inform instruction and identify areas for professional development for the staff or indicate a need to revise the curriculum and formative assessments to better help the students to reach proficiency with the standards.

Universal Screening Instruments: Treasures Reading Screening Instrument and Math Connect Assessment Masters

DIBELS and Math Triumphs Diagnostic and Placement Assessment (or other tools recommended by the state): The nationally recognized reading inventory (DIBELS) and the Math Triumphs Diagnostic and Placement Assessment will be used to provide more specific feedback on student progress in reading strands or math strands and will be used to monitor progress throughout the year. Results from the reading and math inventory will be used at the beginning, middle, and end of the year to identify specific areas of instruction for each student. Flexible grouping will be provided with small group instruction centered on identified areas of need. More frequent progress monitoring will be used to influence what is taught during the small group intervention.

Furthermore, Teacher Collaboratively Designed Assessments (TCDA) will be used for each unit in each content area as a pre and post test to make formative decisions about specific Grade Level Expectations. Content areas specialists will analyze the TCDA's for content validity to be sure they are standards based. All data will be used to inform instruction for each student.

**7. Students with Special Needs**

- a. **Describe how the school will be in full compliance with current federal and state statutes relating to the education of students with disabilities, including but not limited to: evaluation, re-evaluation, accommodations, and employment of certified special education teachers prior to the admission of students. The plan must provide for a free appropriate public education to students with disabilities and include a continuum of educational placements for students with disabilities.**

Gateway Lab School will be in full compliance with regulations regarding students with special needs. Our main focus is on designing an atmosphere where the adults in the community look for creative ways to meet the needs of students using a hands-on multi-sensory approach. There will be a certified special education teacher to monitor accommodations and Individual Education Plans. There will be a continuum of education services for students that will be focused on a Response to Intervention framework. We will use a process of screening, diagnosing, providing accommodations, and re-evaluating to facilitate the assurance of a free appropriate public education for all students. All work related to our Response to Intervention resources will go through our Student Support Team (Director, School Psychologist, Nurse, Reading or Math Interventionist, Special Education Coordinator, and at least two teachers that have the student). This group will act as the IEP team once a student has been identified as needing special education services. Our school will be fully inclusive. Flexible grouping will be a priority for initial interventions. More extensive interventions may include but not be limited to an additional period time set aside. GLS will provide free and appropriate education to students with disabilities and include a continuum of educational placements for students with disabilities in accordance with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. Additionally, the board and staff of Gateway Lab School will comply with all regulations and restrictions related to children with disabilities in the 14 Delaware Code § 506.

- b. **Renewals/Modifications Only - Discuss how the school has resolved any administrative complaints.**

Gateway Lab School is not a Renewal or Modification school.

- c. **Complying with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. (required)**

Gateway Lab School does not discriminate on the basis of disability in employment or its programs and activities.

The Board of Education recognizes its role in maintaining an open means of communication to listen to any recommended changes which will facilitate our compliance with this act. Systemic processes will be put into place that will safeguard each person's rights.

- d. **Complying with Title VI and VII of the Civil Rights Act of 1964. (required)**

Gateway Lab School does not discriminate on the basis of race, color, religion, national origin, gender, sexual orientation, marital status, disability, or age in employment or its programs and activities.

The Board of Education recognizes its role in maintaining an open means of communication to listen to any recommended changes which will facilitate our compliance with this act. Systematic processes will be put into place that will safeguard each person's rights.

**e. Complying with Title IX of the Education amendments of 1972. (required)**

Gateway Lab School shall provide equal opportunities for students to participate in educational and extracurricular programs and other student services irrespective of race, ethnic or national origin, religion, gender, or economic status.

The Board of Education recognizes its role in maintaining an open means of communication to listen to any recommended changes which will facilitate our compliance with this act. Systemic processes will be put into place that will safeguard each person's rights.

**f. Having certified special education teacher(s) providing services for students with disabilities. (required)**

A Math Interventionist and Reading Interventionist will be dually certified or eligible to be certified in special education and will provide interventions and be case managers to ensure that all appropriate services are being provided by the most qualified teachers. A full time special education coordinator will monitor all processes to be sure we are in compliance with IEP documentation and follow up on any due process complaints. Our hiring preference for the remaining staff will be for dual certification in elementary education and special education.

**8. Economic Viability**

**a. List the staff positions and indicate the full-time equivalence for each position for the first four years of school operation. Include position descriptions for each job title. (Renewals/Modifications – Update this section to make it current)**

See the document included in the additional documents section titled - Gateway Lab School - Economic Viability Part A (See Appendix P).

**b. List all positions NOT employed by the board of directors. Where there is intent to hold a contract, provide a contract or template of intended contractual relationships. (Renewal/Modifications – provide original documentation and any changes)**

Contracted services will be for substitutes, occupational therapists, and speech & language specialists during the years they cannot be hired on as full time employees. Plans call for Substitutes to be hired directly by the school through a pool of qualified parent applicants. After-hours janitorial services will also be contracted (See template in Appendix Q).

- c. **Identify the amount and source of funds that will be needed to acquire (purchase or lease) the facilities and ready them for school opening. Describe the plan for obtaining these funds. Describe the financial plan for facilities to accommodate all the students for the total enrollment for the initial four years of the charter. Indicate whether the site will be purchased or leased. Identify the date by which the school's board of directors will have direct control of the site either through a signed lease agreement or a signed purchase agreement. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School will lease the school facilities from the owner/landlord of one of the identified properties and will pay for the lease with charter school start-up funds and local funds.

Gateway Lab School will be located in New Castle County in the greater Newark area with easy access to major routes to accommodate students coming from other areas of the county. The board is working with Emory Hill Real Estate Services and has identified several commercial sites with space to accommodate our student population. (See the attached list of potential sites in Appendix R) Each site provides ample space for parking and easy access for buses as well as space for outdoor PE activities for our students. As mentioned above the site will be leased. Our plans call for a signed lease agreement to be in place by January 2011.

- d. **Identify who will own the school facilities. In the event that the school closes or (if applicable) the management agreement with any contractor terminates, describe what will become of the facilities and any debt owed on those facilities. (Renewal/Modifications – provide original documentation and any changes)**

The school facilities will be owned by the property owner. If the school should close, there will be no debt owed on the facilities because the school will be leasing space on a monthly basis and therefore will not be incurring any debt.

- e. **List each contract necessary for the school to open and the specific dates on which those contracts will be finalized and signed. Contracts may include: equipment, bus and food services, related services such as speech therapy or occupational therapy for special education, financial operations, leases of real and personal property, the purchase of real property, the construction and/or renovation to real property, and insurance. THESE CONTRACT AMOUNTS MUST ALSO BE ITEMIZED IN THE BUDGET SHEETS. (Renewal/Modifications – provide original documentation and any changes)**

Please see the Charter School Budget Application Worksheets at the end of the proposal for the startup period and first year of school operations. In addition, the original budget revenue estimates from the Department of Education are attached to the Plan Year Budget.

Contract	Negotiation Period	Finalization Date	Signature Date
Building Lease	Sept – Oct. 2010	Early October 2010	End of Oct. 2010
Building Renovation	Oct.-Nov. 2010	Mid November 2010	End of Nov. 2010
Transportation	Dec 2010 – Jan 2011	Mid January 2011	Early February 2011
Food Service	May-June 2011	Mid June 2011	End of June 2011
Office Equipment Leases	May-June 2011	Mid June 2011	End of June 2011
Technology Equipment Leases	May-June 2011	Mid June 2011	End of June 2011
Related Services (Speech, Occupational Therapy)	May-June 2011	Mid June 2011	End of June 2011
Custodial Services (after hours)	May-June 2011	Mid June 2011	End of June 2011
	May-June 2011	Mid June 2011	End of June 2011

NOTE: Contracts for bus and food services are required by Regulation 275, Subsection 4.4.4 to be in place by August 1<sup>st</sup> of the year in which the school proposes to open and by August 1<sup>st</sup> of each year thereafter. Contracts for the lease or purchase of real property, and/or the construction and/or the renovation of improvements to real property must be in place sufficiently far in advance so that the applicant might obtain any necessary certificate of occupancy for the school premises no later than June 15<sup>th</sup> of the year in which the school proposes to open.

The application must include a complete and balanced budget for the proposed school in the approved format for the planning year and the first four years of school operation. **THE METHOD BY WHICH AMOUNTS ARE CALCULATED MUST ALSO BE DESCRIBED.** The budget spreadsheet is located at the following link: [http://www.doe.k12.de.us/infosuites/schools/charterschools/files/new%20charter%20budget%20workshe](http://www.doe.k12.de.us/infosuites/schools/charterschools/files/new%20charter%20budget%20worksheet%20sample%20blank.xls)

NOTE: All State and Local revenue estimates can be done by accessing the on line spreadsheet for New Charter School State and Local Fund Estimates located at the following link: <http://www.doe.k12.de.us/infosuites/schools/charterschools/files/Revenue%20Estimates.xls>. Should you have questions in accessing, completing or understanding this spreadsheet please contact Scott Kessel, Education Associate for Charter School Finance at (302) 735-4040. These revenue estimates will be

used to complete the on line budget worksheets located at the following link: <http://www.doe.k12.de.us/infosuites/schools/charterschools/files/new%20charter%20budget%20worksheet%20sample%20blank.xls>. Estimates for federal program revenues may be obtained from Mrs. Tammy Korosec, Education Associate for Federal Accounts, who can be reached at (302) 735-4040. Information about the Federal Charter School Support Program startup funds may be obtained from Julia Webster, Charter Schools Office, who can be reached at (302) 735-4020. Estimates for state, local and federal program revenues will be based on the assumptions which the applicant makes regarding the numbers of students anticipated at each grade, the numbers of students anticipated from various districts, the anticipated special education classifications of enrolling students, and the qualifications of teachers hired by the school. These revenue estimates must be viewed with caution since the assumptions upon which the applicant may have based them may change as students actually enroll and staff is hired.

The applicant must consult Scott Kessel regarding online forms for revenue projection at 302-735-4040 or [skessel@doe.k12.de.us](mailto:skessel@doe.k12.de.us).

- f. List all start-up costs projected for the twelve-month period prior to school opening. List the source(s) of funds to cover these costs and include details on amounts provided by each source. (Renewals/Modifications – Not Applicable)**

Please see the Plan Year budget at the end of this proposal. Funds from the Federal Charter School Start-up Program will be utilized during this period.

- g. List other intended sources of revenue in addition to the state and local funds. Should loans be included, list the source and terms of the intended loan(s) as well as projected payment schedules for the life of the loan. Should fundraising be included, explain activities in detail to also include collection and deposit methods. Describe the process by which funds will be deposited into the school's state account. If a state account is not used, describe where the funds will be deposited to ensure that all school funds are available for audit by the State Auditor's Office upon request. (Renewal/Modifications – provide original documentation and any changes)**

The school will operate using the state and local funds provided. The board has identified grants that the school may be qualified for; however, any funds received through fundraising will be used to provide for enhanced services and/or technology for students and professional development for school staff. The school's operating budget will not be dependent on fundraising. All funds will be deposited into the school's state account upon receipt.

- h. Describe the school's intended contingency finance plan if enrollment falls below the projections as presented in this application. Include details of cost determination. List the minimum number of students the school can enroll each year to remain economically viable. (Renewals/Modifications – Update this section to make it current)**

Thoughtful planning has been undertaken by the board of Gateway Lab School to ensure a balanced budget. The board is committed to meeting 80% of enrollment by April 1, 2011 through the marketing plan outlined in section 9-L. Discussions with other charter school directors and local education professionals indicate that applications to GLS will exceed

capacity in the first year of operation based on the student population our program is designed to reach.

The revenue projections in this application were made with state and local funds, and federal charter start up funds expected to be available to the school. In addition, Gateway Charter School, Inc. is an approved 501(c)(3) corporation and will seek out all available grant opportunities.

Please see the attached budget for further details on the minimum number of students the school may enroll each year to maintain financial viability.

## 9. Administrative and Financial Operations

- a. **Provide the plan for managing the financial operations of the school in accordance with the State Budget and Accounting Manual and Title 29, Chapter 69 (in the areas of accounting, payroll, purchasing, compensation, retirement, and benefits management). Specify which individuals will have direct responsibility in each of these operations to also include internal controls for budgeting and financial management. Additional website references: <http://delabudgetware.gov/accounting-manual/account-manual.shtml>. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School will connect to the DFMS and PHRST systems to process cash accounting and payroll transactions. Upon approval of the charter, the Board will appoint an "interim director" who will work with the Board treasurer and the Department of Education finance office in order to ensure that proper processes and procedures are in place to handle cash and monetary transactions. The Board may also contract with a local accounting firm that has experience in school finance to establish proper processes and procedures prior to initial funding.

No later than January 2011, a permanent director will be hired. The director (with oversight from the Board) will be responsible for all financial and payroll transactions until the school opens. Once the school opens, these duties will become the primary responsibility of the administrative assistant with oversight from the director. Both the director and the administrative assistant will participate in all DOE training related to the proper use of both systems and related reporting. All financial reporting will be done in accordance with standards established by the Government Accounting Standards Board (GASB).

In addition, prior to the opening of the school, the Board and director will work together to implement the guidelines for internal controls as outlined in Section II (*Internal Controls*) of the State Budget in Accounting Manual. The school intends to have at least two staff members trained on the DFMS and PHRST systems to ensure adequate backup. A contractual relationship with an accounting firm experienced in the DFMS and PHRST systems may also be established to ensure proper controls during the first few years of operation.

The Board of Gateway Lab school understands and does ensure that it (along with the school administrative team) is responsible for establishing and maintaining an effective system of internal control. Gateway Lab School policies and procedures shall be in writing, and will reasonably ensure that:

- All assets can be accounted for and safeguarded against waste, loss, unauthorized use and misappropriation, and;
- The transactions are clearly documented, and the documentation is available for examination

**b. Describe the roles and responsibilities of the board of directors including how the board of directors will ensure oversight of the school. The board is ultimately responsible for the administrative and financial operations of the school. (Renewal/Modifications – provide original documentation and any changes)**

The Gateway Lab School (GLS) Board is responsible for overseeing and governing the school and its administration. Among the duties of the board is to establish the mission, goals and governing principles for the school and ensure they are followed and updated as needed. Board members will be selected based on a target list of skills that include: curriculum development, special needs, finance, business planning and development, real estate and development, community development, teacher and parental involvement.

The school's board will be responsible for the following:

- Hiring the director
- Approving operating budgets
- Reviewing financial reports and providing direction to the school's administration
- Creating performance indicators
- Measuring school performance
- Reviewing the performance of the school director
- Ensuring compliance to all state and federal regulations
- Ensuring that all reports are accurate and comply with appropriate procedures

Gateway Lab School will be governed by Board members as outlined in the relevant Bylaws of the school (see Appendix A). Board members will be given policy and procedure guidelines in the key areas of overseeing and guiding the operations of a public charter school, prior to the school's opening. Each board candidate will be required to complete a board member application form. The school will require that each board member become familiar with the school charter and with state and federal laws and regulations. The board will conduct business in a public forum in monthly meetings. All financial and other data will be available for public review.

**c. Describe the internal form of management to be implemented at the school, including any plans to contract with an outside group to manage any portion of the educational, administrative, and/or financial operations of the school. (Renewal/Modifications – provide original documentation and any changes)**

No management agreement has been established with an outside management group. The school director position will manage and oversee all aspects of the daily operation. The Director's roles and responsibilities will include:

- Manage, operate, and administer the school on behalf of the board.
- Oversee selection, orientation, retention, and dismissal of all staff.
- Formulate and manage the budget.
- Recruit students and staff.

- Evaluate performance of staff.
- Supervise all personnel on site.
- Evaluate the educational program.
- Provide leadership in planning, scheduling, and matters of management.
- Emphasize and monitor student achievement and student conduct.
- Manage the environment to make it healthy, safe and conducive to learning.
- Monitor conformance to all state and federal laws and all Board policies.
- Take actions necessary to properly and efficiently operate a public charter school.

**d. Describe how teachers and parents will be involved in decision-making at the school. Provide details and not just a restatement of the question indicating that teachers and parents will be involved. (Renewal/Modifications – provide original documentation and any changes)**

Parent and faculty participation plays an essential role in the Gateway Lab School model. Parents and teachers will serve as members of the Advisory Leadership Team, which will function under a distributed leadership model (Spillane & Diamond, 2007). This team will assist the director in operations and planning, and evaluate the school's curricular and instructional practices. All decisions will be the responsibility of the director. From this team, individuals may be asked to lead efforts to include more participants that will focus on particular topics, such as school climate, parents and community relations, school improvement planning, problem solving team, or others as needed.

The board of directors will consist of at least three parents and at least three teachers as well as numerous community members. In this capacity, teachers and parents will be able to influence the decisions made for the school. Along with this, parents, teachers, and students will have opportunities to express needs, concerns, and suggestions through focus groups, surveys, and conferences, which will in turn impact decisions, made for Gateway Lab School.

**e. List the criteria and timeline to be used in the hiring of teachers, administrators, and other school staff. (Renewal/Modifications – provide original documentation and any changes)**

Hiring of the director will commence by the school board as soon as practical after the charter is approved (or by January 2011). The director must have at least a master's degree and experience with curriculum development, supervision, and professional development. The director has the responsibility of making recommendations to the school board regarding the hiring of teachers and staff. All teachers and staff are required to be certified according to the requirements of his/her job description.

<b>Position</b>	<b>Hiring timeline</b>
Director	January 2011
Administrative Assistant	February 2011
Teachers and Other Staff	February - May 2011

- f. **Describe how the school will recruit Delaware certified teachers. If the school hires any non-certified teachers describe how the school will meet the teacher certification requirements of the Delaware charter law. Describe the procedures that will be used to ensure that any non-certified teachers that are hired are participating in an alternative certification program, if available. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School intends to recruit Delaware certified teachers before the opening of the school through career fairs at area colleges. The Board will also use local newspapers, radio, and online job sites that are both general, and specific to education placement. Additionally, the Lab School of Washington® will also assist in the recruitment and hiring of qualified teachers.

The following is the order of preference:

- Master's degree and certified or able to be certified by the state of Delaware in the area of special education.
- Bachelor's degree and certified or able to be certified by the state of Delaware in the area of special education.
- Bachelor's degree and certified or able to be certified by the state of Delaware in the area of elementary education or curricular specialty such as art, music, or physical education.
- Bachelor's degree but not certified in the state of Delaware.

The hiring of non-certified teachers will be used as a last resort. If non-certified teachers are hired they must meet the following requirements:

- Have passed the PRAXIS I.
- Have a nationally accredited degree in a core subject area.

Completion of an alternative certification program within a two year time period will be a condition of continued employment. Utilization of the PRAXIS II test will also be offered to uncertified teachers. No uncertified teachers will be hired over the state regulation of 35%. Any uncertified teacher will be assigned a mentor to assist him or her as the teacher demonstrates compliance with all regulations and provides a viable and consistent education to our students. All teachers will be required to maintain compliance with state and federal certification guidelines.

If the state of Delaware returns to a cluster program for professional development, all staff will be encouraged to complete the maximum number of clusters through a variety of incentives that will assist in the completion of their coursework.

- g. **Describe the human resource policies governing: salaries, contracts, hiring, and dismissal that will be in place for all positions at the school. Please provide a copy of your proposed employee handbook. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School is reviewing the hiring practices, salary structures and professional development concepts of other charter schools and local school districts. Teachers and staff will be hired based on their qualifications for the desired position. The school will comply with all federal, state, and local statutes governing fair hiring practices.

(Please see Appendix S) for a copy of the proposed Teacher Handbook.

- h. Describe how the school will incorporate the Delaware Performance Appraisal System into its teacher and staff evaluations. Provide detailed descriptions and not just a restatement of the question stating that you will comply. (Renewal/Modifications – provide original documentation and any changes)**

The GLS school board expects that the director will establish an evaluation procedure and timeline that follows the Delaware Performance Appraisal System for all staff members. This procedure will be established prior to the opening of the school. All teachers with less than three years of experience and full certification will be considered on a one-year cycle, which includes two formative evaluations and one summative evaluation until the successful completion of a full cycle. All teachers with more than three years experience and full certification will be put on a one- or two-year cycle dependent upon the initial formative evaluation, walk-through visits, and interactions during professional development. Any teacher on initial license will be on a one-year cycle until reaching a continuing license.

- i. Describe how the school will be held accountable to the parents of children at the school. Provide detailed descriptions and not just a restatement of the question stating that the school will be held accountable to the parents of children at the school. (Renewal/Modifications – provide original documentation and any changes)**

The school will be held accountable to the parents of children at the school through the following:

- The school board is comprised of parents, community members and certified teachers.
- The advisory leadership team will include teachers and parents to assist in monthly decision-making.
- A Parent/Teacher Association that will provide an opportunity for members to stay informed on school matters and to support students and school activities.
- The school board will hold both a semi-annual and annual review of the progress of the school.
- Yearly, the school will conduct beginning and end-of-the-year parent and student surveys and report findings to the school board.
- School achievement data, school improvement plan, and financial status will be available to parents and community through the website.

- j. If the board of directors is contracting a portion of the operation of the school to an outside group, identify the group, describe the relationship between the group and the board of directors, and list the services the outside group will be providing. A copy of the management agreement between the board of directors and that group must be included with the application. The management agreement must be consistent with the requirements of 14 Delaware Code, Chapter 5. (Renewal/Modifications – provide original documentation and any changes)**

The school does not have a contract with a management company and has no plans to contract any portion of the schools operation to an outside group. The board of directors does intend to sign a non-binding letter of intent with the Lab School of Washington® to provide various training to GLS staff and to assist with designing a school model that incorporates LSW methods. The terms of the agreement including costs will be worked out

upon approval of the school's charter. An estimate of costs is included in the attached budget.

- k. If an outside group will be used to manage any portion of the school's educational, administrative and/or financial operations, the applicant must also provide: Verification the outside group is authorized to do business in the State of Delaware, a complete list of all other schools (regardless of location) with which the outside group has contracted and the locations of those schools. The list must include all schools with which the outside group contracted but is no longer managing, a summary of student performance on the appropriate state assessment of each school the outside group has managed, a complete list of all past and any pending litigation against that group or submit a statement that there has been none and that none is pending. (Renewal/Modifications – provide original documentation and any changes)

Gateway Lab School will be managed solely by the school's board of directors.

- l. Describe the plan (including timetable) to be used for recruiting students. Describe how the school will publicize its program and admission procedures. Describe how the school will recruit a sufficient number of students to be financially viable. You must convincingly demonstrate that the school will be able to attract enough students to make the school financially viable. Signatures of potentially interested parents and student in the community, feasibility studies are possible methods of demonstrating interest. While these methods are good indicators the committee may review other sources of information in making its determination. (Renewal/Modifications – provide original documentation and any changes)

In mid-2007, the Board of Gateway Lab School began publicizing its program through its website ([www.gatewaylabschool.org](http://www.gatewaylabschool.org)) and the first in a series of parent and advocate information meetings. Gateway Lab School will begin student recruitment upon application approval. With the consideration that approval may come in April 2010, the recruitment timetable would be as follows:

**April**

GOAL: Create recruitment materials that include detailed information about the GLS program and admission procedures

- 1) Approve all recruitment print materials, including fliers, small newsletters, and larger press kits.
- 2) Identify costs of newspaper advertising and advertising in local special interest magazines.
- 3) Identify costs of developing and maintaining school website which will feature up-to-the-day recruitment fair notices.

**May**

GOAL: Distribute printed materials via hard copy and the internet that offer details regarding GLS program and admission procedures and to gather feedback on interest in GLS.

- 1) Print all recruitment materials.
- 2) Distribute newsletters to libraries in New Castle County, private tutoring facilities (such as Huntington Learning Centers), organizations that support students with learning differences (such as the various school district special education support groups), organizations that support students with ADHD (such as CHADD), and consultative

professionals who work with students struggling academically (such as speech and language pathologists, occupational therapists, etc.).

- 3) Distribute press kits to all New Castle County media.
- 4) Schedule recruitment meetings at various public locations in New Castle County, including meetings of support groups and community organizations (such as the Rotary, Lions Clubs, churches, etc.).
- 5) Utilize social media avenues like Facebook, Twitter and a dedicated blog to reach parents of potential students.
- 6) Respond to queries from all interested parties.

#### **June**

GOAL: Begin accepting applications for Gateway Lab School and create enough interest to have at least half of the total seats filled by end of month.

- 1) Follow up with all organizations that received the GLS newsletter.
- 2) Contact each media outlet individually.
- 3) Begin recruitment meetings.
- 4) Update website to reflect current information regarding recruitment and application information.
- 5) Begin accepting applications.

#### **July**

GOAL: Continue to recruit and admit students to the school.

- 1) Continue recruitment meetings
- 2) Accept applications

#### **August**

GOAL: Create a level of excitement about the school to a broader student population through a presence at community events and have all seats filled with at least one applicant.

- 1) Identify community events and the cost involved in having a table.
- 2) Begin attending community events and pass out flyers.
- 3) Connect to media with human interest stories.
- 4) Continue with recruitment meetings.
- 5) Update website to reflect current information regarding recruitment and admissions activities.

#### **September**

GOAL: Attend community events and collaborative events with partners (such as fundraisers). Achieve more applicants than seats available.

- 1) Communicate with organizations and collaborating partners and ensure that board members/founding members attend events sponsored by those organizations.
- 2) Place flyers in private tutoring facilities and summer school programs.
- 3) Complete and conclude recruitment meetings.
- 4) Continue placing human interest stories with key media outlets.
- 5) Update website on a regular basis.
- 6) Hold an Open House for prospective parents.
- 7) Advertise application procedures and deadlines.
- 8) Begin accepting applications.

#### **October**

GOAL: Hold another Open House for interested parents.

- 1) Continue with ads placed in local media outlets with Open House dates and application procedures and deadlines.
- 2) Continue accepting applications.

#### **November/December**

GOAL: Complete lottery process and to ensure a full complement of students at opening

- 1) Inform all applicants of lottery process and date.
- 2) Place advertisements in local media regarding final application deadline and lottery process.
- 3) Update website on a regular basis.
- 4) Continue recruitment efforts.
- 5) Update website regularly.
- 6) Keep in contact with private tutoring organizations and individuals and consultative professionals.
- 7) Begin active recruitment phase in September of each calendar year.

**m. List all the admissions preferences authorized by this statute the school will use. If more than one preference will be used, describe how the various preferences will be employed together. (Renewal/Modifications – provide original documentation and any changes)**

GLS will have a preference in admission to children in grades 3 through 7 in the first year that would benefit from differentiated, integrated arts, multi-sensory, experiential program that seeks to identify and capitalize on a student's strengths and interests while utilizing effective research based techniques to help each student learn. Additionally, the school will accept students regardless of race, color, creed, sex, national origin, age, or disability in accordance with Title IX of the Education Amendments of 1972, Title VI of the Civil Rights Act of 1964, § 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

Within the framework of the aforementioned student preference, the following classification of students will be afforded preference in the admissions policy to Gateway Lab School. In cases of limited open positions, these three preferences are rank ordered in the following sequence:

1. Children of the Founding Board and Gateway Lab School board members. This number is not to exceed 5% of total seats available.
2. Children of Gateway Lab School staff members.
3. Children with siblings concurrently enrolled.

Children of founding board and GLS board members  
 Children, stepchildren, long-term foster children, and children over whom a Gateway Lab School Board member has legal guardianship will receive preferential placement in open positions.

Children of staff members  
 Children, stepchildren, long-term foster children, and children over whom a professional staff member has guardianship will receive preferential placement in open positions.

Children with siblings concurrently enrolled  
 In Delaware Code, Title 14, Chapter 5, §506, charter schools are authorized to give "sibling preference" relative to admission. In the common definition of sibling, "one of two or more individuals having the same parent or parents," (American Heritage Dictionary) is not adequate to define those more complex definitions of sibling in today's world of reorganized families. Secondly, in determining the intent of this law, as

well as other attendance/admissions laws in the state, the role of residency is critical in school attendance. It appears that this law was intended to be convenient to families of a common household in order to not disrupt family life. Keeping in mind the common definition as above and the common residency, the Gateway Lab School shall recognize these relationships as valid under sibling preference:

1. Any individuals having the same parent or parents, either natural or adoptive.
2. Any individuals who are stepsiblings and share a common custody or legal residency arrangement, each of whom have to have a natural or adoptive parent at the same residence.
3. Any foster sibling who has remained or is expected to remain in the household in excess of four years.

- n. If the proposed school will give admissions preference to children of the school's founders, describe how the school will identify the founders and how the preference will be used in the enrollment process. (Renewal/Modifications – provide original documentation and any changes)**

The founders of the school shall be established by the Founding Board in September 2011 by a  $\frac{3}{4}$  majority vote of the Founding Board. Consideration of founders shall be based on their participation on the Founding Board, the Advisory Board or in assisting the Founding Board in establishing the school. Their participation may include the following: formulating and interpreting policy, making decisions related to educational and support programs, making decisions related to building design and development, planning and decision-making regarding budget and finances, communication with the public, partnerships with nonprofit and governmental agencies, marketing and outreach programs, personnel planning, consultant services and other services as needed.

- o. Describe the plan for selecting students if more students seek admission than space allows. If a lottery is used, describe how it will be conducted. (Renewal/Modifications – provide original documentation and any changes)**

The school, in the first year of operation, will advertise application requirements and deadlines for 3rd through 7th grades. We will conditionally admit all students with complete applications that apply before the deadline. Students will be added as applications are received on a first-come, first-served basis. All applications received after the deadline date, but postmarked by the deadline, will be considered received by the deadline. If undersubscribed at a grade level, all students meeting the application requirements and deadline date will be admitted, and students who apply after the deadline will be admitted on a first-come first-served basis until the desired enrollment at each grade is obtained. If oversubscribed at a grade level by the deadline date, we will publicize and hold the lottery in public, applying preference as stated in the charter and allowed by state law. The lottery will be held on the first Wednesday in January each year to correspond as closely as possible with the established choice deadline, in compliance with requirements of Delaware Code 14, Sec. 506. After the lottery takes place, we will announce which grades have a waiting list at the school, on the website, and in the newspaper. It should be clearly noted that these applications would only be valid for one year. New applications for the following year will need to be submitted for the next year's consideration; the waiting list will not carry over from year to year. Up

through September 30th (when funding for the school, based on the number of students, is determined), Gateway Lab School will use the waiting list for admissions. After October 1st, the school may fill any openings as space permits, using the waiting lists already established by the lottery.

- p. **Provide the timetable for the school's application and admissions process. Demonstrate how it is consistent with the timetable set forth in 14 Delaware Code, Chapter 4, for the public school choice program. (Renewal/Modifications – provide original documentation and any changes)**

The timetable for the application and admission process is outlined in Section 9-L (Please see the Application for Admission in Appendix T). This timetable is scheduled prior to the School Choice process, in order to broaden parental options. With the exception of Year 1, Gateway Lab School's application process spans from early October through the second week in December. The lottery will be held in mid- January, if necessary. After the lottery is held, parents are notified within five days. Parents have one month to enroll their child(ren) in the school. The GLS timetable is similar to the School Choice timeline and assures timely notification to parents and to the superintendents of New Castle County school districts such that the April 1 notification deadline is met.

- q. **List in detail the administrative tasks that will be undertaken between approval of the charter and school opening. Describe the tasks, how they will be accomplished, who will accomplish them, and the timetable by which they will be accomplished. The list of activities should be thorough and not generalized. The more detail provided in the list of activities indicates a well thought out proposal. (Renewals/Modifications – Not Applicable)**

Please see Gateway Lab School Administrative Tasks in (Appendix U) for a detailed description of tasks with timeline.

**10. Insurance**

**Describe the types and limits of insurance coverage that the school plans to obtain and when it plans to have them in effect. If the school is contracting with an outside company to manage the school, the application must include a description of the insurance for the school and the board of directors, including the source of funds to purchase the insurance. The proposed costs for the coverage must be reflected in the budget worksheets. The applicant should contact the Insurance Coverage Office at (302) 739-3651 for further information on liability protection for public schools in Delaware. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School will obtain insurance in the following amounts and timeframes:

<b>Type of Insurance</b>	<b>Coverage Amount</b>	<b>Purchasing Timeframe</b>
Directors and Officers Insurance	\$1 Million	Upon charter approval
Errors and Omissions Insurance	\$1 Million	Upon charter approval
General Liability	\$1 Million	Upon charter approval
Property Insurance	Based on property value	Upon occupancy

**NOTE: If a charter is granted to the applicant, a copy of the Certificate of Insurance must be submitted prior to the opening of the school.**

**11. Student Discipline and Attendance**

- a. The application must include a draft "Student Rights and Responsibilities Manual" that includes the school rules and guidelines governing student behavior. The manual must describe student rights and responsibilities and the plan the school will follow to discipline students. Describe how the manual will be distributed to parents and students prior to students applying for enrollment at the school. (Renewal/Modifications – provide original documentation and any changes)**

The GLS Student Handbook/Student Rights and Responsibilities Manual will be included in the application for enrollment packet (See Appendix V). The Student Code of Conduct (SCOC) will be explained to each parent when the student is accepted for enrollment in the school (see Appendix V). Teachers will review the SCOC with their students on the first day of class and each parent or guardian will be required to review and sign the SCOC along with their child.

- b. Describe how discipline will be handled with students with disabilities. Describe how the school will report inappropriate behavior to affected parents, the Department, and when necessary, to law enforcement agencies. (Renewal/Modifications – provide original documentation and any changes as well as a discussion of discipline issues you may have had and the general discipline climate in your school)**

A significant portion of the GLS student population is expected to have identified disabilities. The school plans to use Responsive Classrooms® to create an atmosphere that recognizes and rewards good behavior and includes students in the establishment of class rules. GLS will follow the policies found in the DOE Administrative Manual for Services for Exceptional Students (AMSES). The student's IEP team will be immediately involved in determining the appropriateness of special education services and behavioral manifestation determination decisions. The school will report inappropriate behavior to parents through both verbal and written notification. Written reports will be completed for all disciplinary actions. All GLS staff will receive training to ensure that DOE regulations will be followed relating to the reporting of crimes to the appropriate authorities.

- c. Describe the plan the school will follow to ensure compliance with 14 Delaware Code, Section 4112, regarding the reporting of school crimes. (Renewal/Modifications – provide original documentation and any changes)**

All incidents reportable under 14 DE Code, §4112 will be reported as required by law or regulation to the appropriate agency. The school director is responsible for providing the safety of students and the security of school property. The school director or acting director in the case of the director's absence shall promptly report evidence of criminal offenses which occur in the school environment, including incidents which occur on or in connection with school buses. Additionally, evidence of crimes that have occurred off school property but which come to the attention of school authorities SHALL BE reported.

Delaware Code requires mandatory reporting of the offenses listed in 14 DE Code, §4112. Gateway Lab School employees who have reliable information that would lead a reasonable person to believe that one of the following has occurred on school property or at a school function must immediately report the incident to the school director or acting director:

- Student, school volunteer, or school employee has been the victim of a violent felony, assault III, unlawful sexual contact III; or
- School employee has been the victim of offensive touching, terroristic threatening; or
- Student under 18 has been the victim of sexual harassment, as defined under Title 11 of the Delaware Code; or
- Person on school property has drugs or weapon or bomb, or dangerous instrument.

The school director or acting director will make every effort to notify the parent(s)/guardian(s) and will conduct a thorough investigation. In the case of violent felonies, the school director will contact police first and then the victim's parents and DOE will be notified. If the investigation finds good reason to believe that a crime has been committed, there will be an immediate report to the police for any violent felony, drugs, weapon, bomb, or dangerous instrument, and within three days report for any other crime listed under Section 4112. In addition, reporting to police is not applicable if the offense is sexual harassment, but the school director must file a written report with the Department of Education.

- d. **Describe the attendance policies of the school. Describe the level of attendance that will be required of the students each year. Describe the actions that will be taken to ensure that students meet those levels of attendance. Describe how the attendance policies will be distributed to each student at the beginning of each school year. (Renewals/Modifications – Discuss any attendance anomalies you may have had here. If the committee is aware of any such issues they will request this information.)**

The school attendance policy can be found in the student handbook (Appendix V). Student attendance is an important part of the learning process and students are expected to attend all classes. Attendance policies will be communicated to students at the beginning of each school year and will be available in writing and on the school website. Parents and guardians will be required to sign the student handbook along with students, indicating that they have reviewed all policies and procedures. The policy requires that students attend every day in accordance with 14 DE Code, §153. The following attendance policy is contained in the student handbook:

#### SCHOOL HOURS

The school day begins at 8:00 a.m. and ends at 3:45 p.m. The school doors will open at 7:45 a.m. and all students should be in their seats by 8:00 a.m. The school expects that students who are driven to school by parents or guardians be dropped off and picked up promptly within the hours of school operation. See School Calendar for the first year in (Appendix W).

#### ABSENCE

When a student is absent, a parent/guardian must inform the school by 10:00a.m. After an absence from school, the student must submit a written excuse signed by a parent or guardian in order for the absence to be excused. Written notes may be hand-delivered, faxed or e-mailed with a scanned signature. If no written excuse is presented at this time, the student shall have three (3) school days in which to provide an excuse.

The following is a list of reasons for an excused absence:

- Illness of child – a physician's note may be requested.
- Scheduled appointments to a physical or mental healthcare provider, including but not limited to a physician, dentist, orthodontist, or psychologist.
- Contagious disease within the home of a student.
- Death in the family or of a close friend.
- Legal business.
- Observance of a religious holiday.
- Remedial health treatment.
- Emergency situations as determined by the School director.
- Suspension from school.

Following such an absence, the student shall be allowed to make up all work missed, to take tests which were missed and to submit any assignments which became due during the absence. The time allowed for taking tests or turning in assignments shall be twice the number of school days or number of class meetings missed due to the absence. A teacher may extend the time for making up work missed if circumstances of the situation merit such action. A student whose absence was unexcused may receive a failing grade for all assignments missed or tests given during the period of the unexcused absence.

While an unexcused absence may result in a failing grade for all assignments due or tests missed, other instructional materials or assignments missed during the absence may be obtained at the initiation of the student.

The following are mandatory school attendance requirements for public school students in grades K-12 (Delaware Code). These requirements apply at Gateway Lab School:

1. Following the 10th day of an unexcused absence by a student, the school shall immediately notify the parent(s)/guardian(s), and a visiting teacher from the District shall visit the student's home.
2. Following the 15th day of an unexcused absence by a student, the student's parent(s)/guardian(s) shall be notified by certified mail to appear at the school within ten days of notification for a conference and counseling.
3. Following the 30th day of an unexcused absence by a student, the school shall refer the case for prosecution.
4. Following the completion of prosecution of the case and the subsequent failure of the student to return to school within five school days thereof, the school shall immediately notify the Department of Services for Children, Youth and Their Families requesting intervention services by the department. The department shall contact the family within ten (10) business days.

At the 15th excused or unexcused absence the school director will meet with the student and parents and make a ruling from among the following options:

1. Allow credit for the course(s) missed.
2. Require a make-up course in summer school (60 hours) to receive credit.
3. Require an original credit course in summer school (120 hours) to receive credit.
4. Dismissal

#### EARLY DISMISSALS AND LATE ARRIVALS

In the event that an appointment cannot be scheduled before or after school hours, parents should provide a written note for an early dismissal or late arrival. Students must be picked up by a parent/guardian and be signed in and out in the school office.

Students and parents must recognize that a parental note of explanation does not automatically excuse the lateness. Reasons such as car trouble, personal business, heavy traffic, needed at home, etc. while understandable, are not acceptable excuses, and will be listed as unexcused. Reasons such as personal illness, medical or other physical or mental healthcare appointments and appearances in court will be considered as excused lateness when verified by a note from home.

### 12. Health and Safety

- a. Describe the procedures that will be implemented to ensure the health and safety of the school's students, staff, and guests. List the staff (i.e., nurse) who will be hired or contracted to ensure that the school will provide a safe and healthy environment. (Renewal/Modifications – provide original documentation and any changes. Also discuss any health and safety issues you have had here. If the committee knows of any they will ask specific questions regarding those issues.)

The health and safety of Gateway Lab School students, staff and guests are of supreme importance to the operation of the school. A registered nurse will be responsible for operating in accordance with the Nursing Technical Assistance Manual issued by the Department of Education. Prior to opening, GLS will adopt and implement a comprehensive set of health, safety, and risk management policies in accordance with state regulations. These policies will be developed by the director, staff nurse, and the school's insurance carriers and at a minimum will address the following topics:

- Immunizations
- School health record keeping requirements
- Physical exams and screening
- Administration of medications and treatments
- Student nutrition policy
- Tobacco policy
- Health education
- School attendance
- Release of a student to someone other than their parent, guardian, or relative caregiver
- Safe management and disposal of chemicals

These policies will be incorporated, as appropriate, into the school's student and staff handbooks and will be reviewed on an ongoing basis in the school's staff development efforts and governing board policies.

- b. Describe the plan the school will use to ensure that criminal background checks will be made on the school's employees prior to hire. Identify the staff member that will have the responsibility for ensuring background checks are completed. (Renewal/Modifications – provide original documentation and any changes)

The school director will be directly responsible for ensuring that criminal background checks are completed prior to an individual staff member's employment, in accordance with Chapter 85 of Title 11 as outlined below. The results will be documented in the employee's personnel file by either the director or his/her designee.

Title 11, Chapter 85

§8571 Screening procedure required.

(a) Any person seeking employment with a public school shall be required to submit fingerprints and other necessary information in order to obtain the following:

(1) Report of the individual's entire criminal history record from the State Bureau of Identification or a statement from the State Bureau of Identification that the State Bureau of Identification Central Repository contains no such information relating to that person.

(2) A report of the individual's entire federal criminal history record pursuant to the Federal Bureau of Investigation appropriation of Title II of Public Law 92-544 [28 U.S.C. § 534]. The State Bureau of Identification shall be the intermediary for the purposes of this section and the public school shall be the screening point for the receipt of said federal criminal history records.

(b) All information obtained pursuant to subsection (a) of this section shall be forwarded to the public school which will assess the information and make a determination of suitability for employment. The person seeking employment shall be provided with a copy of all information forwarded to the public school pursuant to this subsection. Information obtained under this subsection is confidential and may only be disclosed to the chief school officer and the chief personnel officer of the public school, and one person in each public school, as defined in § 8570(4) of this title, who shall be designated to assist in the processing of criminal background checks, receive training in confidentiality and be required to sign an agreement to keep such information confidential. The State Bureau of Identification may release any subsequent criminal history to the public school.

c. Describe the process that will be used to ensure that:

- **Students have physical examinations prior to enrollment**
- **Required immunizations are in compliance**
- **Medications and medical treatments are administered in accordance with Delaware Code**
- **Screenings for health problems are administered correctly**
- **Student health records are monitored and maintained**
- **Emergency care for known and unknown life-threatening health conditions is administered**
- **Ensuring health representation on IEP teams when students' needs require such.**

Gateway Lab School will comply with applicable provisions of local, state, and federal law by:

- (1) Ensuring that students have physical examinations prior to enrollment.

Proof of a student's recent physical examination and immunizations will be collected from all students at the time of enrollment including physician certification. The information will be reviewed, maintained, and monitored by the school nurse, and will be maintained as part

of the student record. Confidentiality of all student health records will be maintained to protect the privacy of the student and family.

(2) Ensuring that required immunizations and screenings (lead, TB) are in compliance.

The school nurse will have oversight of reviewing and monitoring student health records. When requirements are not met, parents will be notified and the student may not attend school until all immunizations and screenings are in compliance.

(3) Administering medications and medical treatments, including first aid.

The nurse will administer medications and all medical treatments in accordance with the Nursing Technical Assistance Manual and Regulations, and any other appropriate governmental regulations or professional guidelines.

(4) Screening for health problems (vision, hearing, postural/gait, etc.).

The GLS school nurse will conduct an active screening program for vision, hearing, postural/gait, etc. as prescribed in the Nursing Technical Assistance Manual and Regulations.

(5) Monitoring student health and maintaining health records.

The school nurse will coordinate to monitor and maintain student health records and forward the required documentation of services to DOE.

(6) Ensuring emergency care for known and unknown life-threatening health conditions.

A licensed registered nurse will be on staff at all times. In addition, the school staff will be provided with initial CPR training and periodic refresher courses at the school by trained professionals.

(7) Ensuring health representation on IEP teams when student's needs require such.

Each nurse will serve as a member of IEP teams when medically related issues are discussed and provide medical information during evaluation processes.

- d. Identify where the school will be located (include county location and any other location specifics). Describe the site and how it will be suitable for the proposed school to include health and safety considerations. Describe how access to the building will be controlled. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School will be located in New Castle County in the greater Newark area with easy access to major routes to accommodate students coming from other areas of the county. The board has identified several commercial sites (See Appendix R) with space to accommodate our student population. The board will use the National Clearinghouse for Educational Facilities (NCEF) checklist (see Appendix X) as a guide for ensuring a safe school environment. Each site provides ample space for parking and easy access for buses as

well as space for outdoor PE activities for our students. As mentioned above the site will be leased. Our plans call for a signed lease agreement to be in place by January 2011.

- e. Describe how the facility is in full compliance with all applicable building codes for public schools and is accessible for individuals with disabilities. Describe any renovations of the facility and provide a schedule for that renovation. (Renewal/Modifications – provide original documentation and any changes)**

The new school facilities will be in full compliance with applicable building codes for public schools. The facilities will be accessible for individuals with disabilities. Expected renovations will involve outfitting existing commercial space to accommodate within the first four years: 17 classrooms, a main office, and 16 other areas including a gym, library, offices for nurses (2), PE teachers (2), contracted services, psychologist, special education teacher, dean of students, administrative assistant, director, reading specialist, math specialist, custodian, Academic Club™ teacher, occupational therapist, and clerical.

- f. Describe building maintenance practices which will provide a reasonable assurance of a safe school environment for students, staff, and visitors. (Renewal/Modifications – provide original documentation and any changes)**

The board of Gateway Lab School will use building maintenance practices prescribed by the Delaware Department of Education's School Safety Audit guidelines. In addition, prior to and during the renovation of the school site, the board will use the National Clearinghouse for Educational Facilities (NCEF) checklist (see Appendix X) as a guide for ensuring a safe school environment. The comprehensive NCEF checklist was designed in conjunction with the U.S. Department of Education's office of Safe and Drug-free Schools, to assess the safety of school facilities and grounds.

In addition to the measures described above, the board will establish a school safety committee that will consist of the school director, a board member, staff, and parents to ensure that the school continues to maintain safety standards established by the state and to comply with the annual Safety School Audit as required by 14 Delaware Code, §618 (1).

- g. What location and facilities will be used for Physical Education? What further safety issues will this add, and how will they be addressed? (Renewal/Modifications – provide original documentation and any changes)**

Square-footage has been calculated for a gymnasium in the renovation estimates in the attached budget. Gateway Lab School does not anticipate that the location of the gymnasium will add further safety issues; however, the school will use the Department of Education School Safety Audit guidelines to govern the safety and security of all areas within the school and on school grounds.

- h. Describe how students will be transported to the school. Provide intended contract language for the transportation methods chosen (whether the school will provide its own transportation, contract out for transportation, request that a district provide transportation, or a combination thereof). (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School plans to contract with a local school bus company for transportation. Contracts will be for a hub busing system where students will be transported from various sites around the county. Pick-up locations will be established based on where students reside within the county. Possible vendors include Advanced Students, Boulden, and First Student.

- i. **Describe how students who reside outside the district in which the school will be located will be transported to the school. (Renewal/Modifications – provide original documentation and any changes)**

As mentioned in letter h. above, students will be transported via bus using the hub busing system. Exact locations will be identified based on where the students live.

- j. **Describe how special needs students will be transported if specialized transportation is required by the IEP. (Renewal/Modifications – provide original documentation and any changes)**

All GLS students will normally be transported in the same way. The need for specialized transportation will be determined by the IEP process.

- k. **Provide the plan for oversight of school transportation operations, e.g., route planning, bus stop selection, drivers/aides, coordination with contractors if used, school bus discipline. (Renewal/Modifications – provide original documentation and any changes)**

The dean of students will have oversight of school transportation operations and will work along with the school director and the bus company to plan the routes and select bus stop locations. The need for bus aides will be determined based on evaluation of individual student IEPs. School bus discipline is outlined in the Student Code of Conduct and school administrators will provide all bus drivers with the code as well as training on reporting any violation of bus rules.

- l. **Describe the plan for providing meals to students, including students eligible for free and reduced lunch. If the school participates in the National School Lunch/Breakfast programs and it intends to contract for meals, identify the contractor and describe the services to be provided. List the estimated annual costs per student for food services. (Renewal/Modifications – provide original documentation and any changes)**

Gateway students will have the option to bring lunch from home or purchase a hot lunch. The GLS model addresses not only the educational needs of our target population, but the physical health and nutritional needs of our students. Studies show that nutritional factors such as food additives, refined sugars, food sensitivities/allergies, and fatty acid deficiencies have all been linked to ADHD and learning disabilities (Schnoll, Burshteyn & Cea-Aravena, 2003). Based on the research, GLS will provide the opportunity for parents/guardians to purchase hot lunches with organic and/or natural ingredients free of additives, pesticides and hormones for students up to five days per week. The board is reviewing proposals from two possible contractors, Francine's Organic Kids which currently services 12 schools in northern Delaware, and Munchworks, a division of Christina school district's Networks School for Entrepreneurial Science.

- m. Describe how the school will comply with the requirements of the Federal Free and Reduced Lunch Program for eligible students, if the school participates in the program. (Renewal/Modifications – provide original documentation and any changes)**

Not applicable

**13. Student and School Data**

- a. Describe the process and procedures the school will follow to comply with the Family Education Rights and Privacy Act (FERPA) and implementing federal and Department of Education regulations regarding disclosure of student records. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School will have processes and procedures that fully comply with the Family Education Rights and Privacy Act (FERPA) and Delaware Department of Education regulations regarding the handling and disclosure of students' records. All Gateway Lab School staff will receive training on FERPA and DOE regulations that pertain to the disclosure of student records.

In general, all staff will understand that under FERPA written permission must be obtained from the parent or eligible student in order to release any information from a student's education record with the exception of the following instances in which FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR §99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific state law.

- b. Describe the plan for the timely transfers of student and school data to the Department of Education. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School will utilize the state's E-School Plus system. The use of this system should aid in timely transfer of student data and records to other schools and the DOE. Our staff will be fully trained on the system prior the opening of school. A primary indicator of our successful planning efforts during the first year of operation will be timely obtaining 100% of our student record prior to the opening of our program.

**14. Management Companies**

**The board of directors shall annually certify to the Department, on a form provided by the Department, that prior to the payment of any fees or other sums to any management company employed by the board, the board shall ensure that sufficient revenues of the school are devoted to adequately support the school's proposed educational program. Such form of certification may require documentation of all actual or proposed expenditures by the school. Failure to provide sufficient funds to adequately support the school's proposed education program shall be grounds for revocation of the school's charter. A management company may be a company that manages any aspect of the school to include administrative and financial functions as well as the educational process. Provide with this application a copy of the contract to include detailed descriptions and delineation of responsibilities between the school and the management company. (Renewal/Modifications – provide original documentation and any changes)**

Gateway Lab School will be managed solely by the school's board of directors.

## ASSURANCES

**The Board of Directors of this charter school assures that the school will:**

- 1) Be in full compliance with **14 Delaware Code, Chapter 5** and **14 DE Admin Code, Section 275 in the Regulations of the Department of Education.**
- 2) Not discriminate against any student in the admissions process because of race, creed, color, sex, disability, or national origin or because a student's school district of residence has a per student local expenditure lower than another student seeking admission.
- 3) Not operate in a sectarian manner or include religious practices in its educational program.
- 4) Participate in the Delaware Student Testing Program and meet the requirements for school accountability as described in state law.
- 5) Manage the school within all State administrative and financial systems listed in **14 Delaware Code, Section 512 (9)** including accounting, payroll, purchasing, retirement, and benefits. All school funds will be managed through the school's accounts set up in the Delaware Financial Management System (DFMS).
- 6) Initiate and maintain direct communication with other public and nonpublic schools to assure efficient notification and transfer and exchange of records.
- 7) Update the application to incorporate any modifications and/or conditions identified as pre-conditions to final approval by the Secretary of Education and State Board of Education as set forth in its written decisions; and operate the program in accordance with the content of the updated and approved charter granted by the Department of Education and State Board of Education. The school's board of directors will not implement any modifications to the charter school program or operation without the express written consent of the Department of Education.
- 8) Notify the Department of Education in writing within 30 days when the school's administrative head or any member of the board of directors change.
- 9) Provide the Department of Education with copies of all the policies and by-laws of the school and the school's board of directors and inform the Department in a timely manner when by-laws change.
- 10) By the first day of instruction each school year, ensure that all teachers meet the certification requirements of the Delaware charter law and are properly listed in the PHRST and DEEDS programs.

- 11) Employ only staff who have complied with the requirement of having a successful criminal background check and report to the Department of Education by September 1 of each school year that the school is in full compliance with state law related to this requirement.
- 12) Cooperate fully with Department of Education requests for reporting information and activities related to monitoring the school's compliance with the charter and applicable state and federal laws and regulations.
- 13) Comply with the provisions for a Performance Agreement, as required by the Secretary of Education.
- 14) Distribute copies of the Department's **Frequently Asked Questions About Delaware Charter Schools/Parent Guide to Delaware Charter Schools** to all parents seeking to enroll their child(ren) as well as to parents of enrolled children.
- 15) Conduct all meetings of the board of directors in a manner consistent with the Freedom of Information Act, especially the legal requirements of **29 Delaware Code, Sections 10002, 10003 and 10004**.
- 16) The Board of Directors will include a member who is a certificated teacher employed by the school and a member who is a parent of a student currently enrolled in the school, consistent with **14 Delaware Code, Section 512(1)**.
- 17) Comply with the requirements for reporting school crimes as described in **14 Delaware Code, Section 4112**.
- 18) As required by 14 Del. C. § 506, maintain on file a written statement signed by the parent or guardian of each enrolled child acknowledging that the child will attend the charter school for at least one complete school year.
- 19) Advise any person or entity offering a loan to the school that debts of the school are not debts of the State of Delaware and that neither the State nor any other agency nor instrumentality of the State is responsible for the repayment of any indebtedness.
- 20) Annually certify to the Department, on a form to be provided by the Department, that prior to the payment of any fees or other sums to a management company employed by the board, the board will ensure that sufficient revenues of the school are devoted to adequately support the school's proposed educational program.
- 21) Participate in all training offered by the Department of Education to charter schools prior to the opening of the school.
- 22) Establish a student application and admissions process that will enable the school to provide the local districts in which the students reside with a preliminary roster of students for the subsequent year on or before April 1 each year.

- 23) Ensure that by April 1 each year the school has enrolled at least 80% of the total authorized number of students and that it has notified each school district of information about enrolled students.
- 24) Complying with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990.
- 25) Comply with Title VI and VII of the Civil Rights Act of 1964.
- 26) Comply with Title IX of the Education amendments of 1972.
- 27) Have certified special education teacher(s) providing services for students with disabilities.
- 28) Ensure that students have physical examinations prior to enrollment.
- 29) Ensure that required immunizations and screenings (lead, TB) are in compliance.
- 30) Administer medications and medical treatments, including first aid.
- 31) Screen for health problems (vision, hearing, postural/gait, etc.)
- 32) Monitor student health and maintaining health records.
- 33) Ensure emergency care for known and unknown life-threatening health conditions.
- 34) Ensure health representation on IEP teams when student's needs require such.
- 35) 14 Delaware Code, Section 511 (1) states that all applications for a charter shall contain an affirmative representation by the applicant that, no later than June 15 immediately preceding the authorized opening date of the school, the applicant shall secure a Certificate of Occupancy, either temporary or final, for the premises in which the school is to be located; provided that any temporary Certificate of Occupancy must permit occupancy at the premises by school staff and students for school purposes. If the charter is approved and the charter holder shall subsequently fail to obtain the necessary Certificate of Occupancy as required by this section, the opening of the school shall be delayed by one year from the date previously authorized by the approving authority and the charter shall be placed on probation subject to the terms and conditions imposed by the Department of Education with the consent of the State Board of Education. No waivers are available for this requirement.
- 36) The school must participate and receive training in the use of the Department of Education's Pupil Accountability system E-School Plus.
- 37) The school must intend to comply with all additional curriculum regulations including 501, 502, 503, and 525 and any other curricular regulations.

38) Maintain corporate status as described in Title 14, Del. C. § 504.

39) Follow the Family Education Rights and Privacy Act (FERPA) and implement federal and Department of Education regulations regarding disclosure of student records.

As members of the Board of Directors of the Charter Holder, we hereby agree to these assurances as a condition of the approval of the charter modification.

We have reviewed the Delaware Charter Law (14 Delaware Code, Chapter 5) and 14 DE Admin Code, Section 275 in the Regulations of the Department of Education (Regulation 275), and have based the responses in this application on the review of these documents.

    5.2 What are the school's plans for the next five years of the charter?..... 14

APPENDICES..... 17

## I. Overview

### 1.1 Provide the following information requested.

a) Fill in the following chart with the school's basic information

<b>BASIC INFORMATION</b>	
Name of School	Gateway Charter School, d.b.a. Gateway Lab School
Year School Opened	Fall 2011
Grade Level(s) in 2012-2013 and additional grade levels approved to be served in the next charter cycle	Grades 3 to 8
Current Enrollment	212
Approved Enrollment	216
Current Waiting List by Grade	5th = 4, 6th = 10 and 7th = 9
School Address(es)	2501 Centerville Road, Wilmington, DE 19808
District(s) / Region of Residence	New Castle County
Website Address	www.gatewaylabschool.org
Name of School Leader	Catherine Dolan
School Leader Email and Phone Number	Catherine.Dolan@gls.k12.de.us - (302) 633-4091
Name of Board President	Joyce Henderson
Board President Email and Phone Number	Joyce.Henderson@gls.k12.de.us - (302) 766-0050

b) Fill in the following chart with the school's demographics at the time of submission (all information must be verifiable through state reporting tools):

<b>CURRENT YEAR ENROLLMENT &amp; DEMOGRAPHIC INFORMATION</b>	
<b>Total Enrollment</b>	212
# of Students on Waiting List	23
<b>Gender</b>	
# Male	133
# Female	71
<b>Ethnicity/Race</b>	
# White	133
# Black	45
# Hispanic	17
# Asian	5
# Other	1
# Multiracial	3
<b>Special Populations</b>	
# Students with disabilities	120
# English Language Learners	0
# Low-Income	16 (free & reduced lunch)

## II. Academic Framework

### 2.1 Is the academic program a success?

a) Discuss the school's academic achievement results over the last three or four years. How has the school performed with regard to student growth and proficiency

measures over the last charter term? In the absence of expected achievement, identify proposed changes to instructional practices that your school will implement to improve the school's academic performance and student outcomes.

The Gateway Charter School d.b.a. Gateway Lab School (GLS) has demonstrated continuous incremental gains over the past three years related to the percent of students meeting growth targets in the areas of Math and ELA as measured by the Delaware Comprehensive Assessment System (DCAS). During the last Charter Term (SY 2014) there were noteworthy gains in Math (19% increase). The significant gains made in ELA during SY 2013 (11.3% increase) were not realized in SY 2014 with student performance in ELA remaining flat. These incremental gains resulted in a positive shift from an overall school rating of "Falls Far Below Standard" to "Does Not Meet" standard. It is GLS's expectation that more significant gains in both Math and ELA will occur in the current school year (SY2015) as a result of a focused, comprehensive approach to instruction. We will be using the Proficiency Measures as data to drive instruction. It is the reason we implemented new curriculum with a focus on instructional rigor. In the areas where we show improvement, we intend to continue growing and making progress. (*GLS Academic Performance Framework Report - Appendix A, and The Alternative Performance Report - Appendix B, documents overall school ratings*)

### Percent of Students Meeting Growth Targets

School Year	Math	School Rating: Math	ELA	School Rating: ELA
2010-11	N/A	N/A	N/A	N/A
2011-12	24.3%	Falls Far Below	31.7%	Falls Far Below
2012-13	26.7%	Falls Far Below	43.0%	Does Not Meet
2013-14	45.7%	Does Not Meet	43.5%	Does Not Meet

### Percent of Students Meeting Proficiency Measures

Grade	% Meeting/Exceeding Standards: Math			% Meeting/Exceeding Standards: ELA		
	2013	2014	% Change	2013	2014	% Change
3	31.25%	45%	+13.75%	46.67%	65%	+18.33%
5	22.22%	25%	+2.78%	37.14%	28%	-9.14%
8	24.24%	20%	-4.24%	39.39%	17%	-22.39%

### Changes in Instructional Practices

For SY 2014 the Founder of GLS who also served as the Head of School (SY2011-2013) stepped down as the Head of School and hired two education administrators charged with increasing student performance. In SY 2014 the new Head of School invited Delaware Academy of School Leaders (DASL) from the University of DE to conduct a Comprehensive Success Review of GLS. DASL's team of experts collected evidence on key areas related to successful schools (i.e., Leadership/Mission/Vision; Curriculum and Instruction, Assessment & Accountability, Professional Development

and School Environment). DASL conducted 144 classroom observations, held interviews with teachers, staff, parents, students, Head of School and the Assistant Head of School along with completing a GLS document review. The findings of the 2014 Comprehensive School Review were shared with the GLS board. In response to the findings below are the changes to instructional practices that GLS is undergoing for SY 2015.

This year we have created an Instructional Leadership Team to support our emphasis on instructional rigor. The team is made up of teachers from each grade level who have shown leadership among their peers. The Principal heads up this team. This was a recommendation from the DASL experts who conducted the Comprehensive Success Review.

1. Roles and responsibilities of the Head of School and Assistant Head were revised. The former Assistant Head of School position now carries the title of “principal”. The principal’s roles and responsibilities are more clearly focused on GLS’s instructional program. *(see job descriptions in Appendix C)*
2. GLS’s school year calendar and daily student schedule are revamped maximizing instructional time. DOE approved GLS’s SY 2015 school year calendar. The revised student schedule includes the following adjustments:
  - a) A daily Response to Intervention (RtI) opportunity in both ELA and Math. The RtI schedule happens at the same time throughout the school allowing for students to be grouped by their specific instructional needs where targeted instruction will occur.
  - b) Teachers and students are operating with a bell-to-bell schedule to further maximize instructional minutes/times.
  - c) Common planning time has been incorporated into the daily schedule for paraprofessionals and teachers. Paraprofessionals are receiving training on how to effectively be involved in the instructional process from planning to implementation. The expectation is for all paras to be actively engaged in classroom lessons allowing for more individual student instructional support.
3. An Instructional Focus has been developed, communicated to staff and is being implemented:
  - a) An instructional Leadership Team was created including the Principal, teacher and paraprofessional representatives who have a strong understanding of content and pedagogy.
  - b) The Instructional Leadership Team has communicated the year’s instructional focus with Common Core Standards being the umbrella for all instruction along with 3 core instructional strategies *(see Appendix D for instructional focus visual)*:
    - ✓ Higher Order Questioning Strategies
    - ✓ Summarizing
    - ✓ Arts Integration
  - c) New ELA and Math Curriculum that is more closely aligned with Common Core Standards was purchased and provided to all teachers along with training.

- ✓ Elementary Math Core Curriculum - Investigations
- ✓ Elementary Intervention Curriculum - Do The Math
- ✓ Middle School Core Curriculum - Connected Mathematics Project 3
- ✓ Middle School Intervention Curriculum - Math XL and Do The Math
- ✓ ELA Elementary and Middle School - Achieve 3000

The SY2015 GLS professional development schedule better addresses on-going PD that is dynamic, research-based, includes follow-up and support is job-embedded and promotes self-reflection. GLS staff participates in a 50-minute PD opportunity 3 days a week every week. The GLS Instructional Leadership Team plans out the monthly PD calendar (*see Appendix E for PD calendars for Aug/Sept/Oct*). Throughout the year the weekly PD will include:

- a) training sessions & follow up
  - b) study groups
  - c) action research groups
  - d) peer coaching
4. GLS is implementing both formative and summative assessments using the Northwest Evaluation Association Measures of Academic Progress (MAP), a norm-referenced, adaptive assessment tool. MAP formative assessments will be administered three times throughout the year providing specific data related to individual students' needs allowing for more targeted instruction within Rtl groups and regular classroom instruction.
  5. A systematic approach to monitoring instructional practices has been developed and is being implemented this year (SY2015).
    - a) Routine classroom walkthroughs are occurring by the "principal". The walkthroughs have a clear focus on expected instructional practices.
    - b) The principal has devised a schedule for implementing the Delaware Performance Appraisal System (DPAS). The Principal's focus is on providing more meaningful feedback to teachers related to the DPAS rubrics. Teachers received PD in the DPAS rubric. (*See walk-through document in the Appendix F*)

## 2.2 Is the school meeting its mission?

- a) State the mission of the school as it appears in your charter application. How does your school measure and track mission accomplishment?

The mission of GLS is to *provide an extraordinary educational opportunity for our students using arts based, multi-sensory teaching techniques and curriculum that is aligned to Delaware Content Standards in a safe, secure and nurturing environment. The school plans to eventually serve the community as a center for the professional development and education of teachers, parents and students by providing access to the latest research-based curriculum, technology and training.*

The GLS mission statement was adopted from the original Gateway Lab School of Washington. The current mission statement has not been revisited since the inception of the charter (2010). As a result of the CSR conducted by DASL the GLS board plans

to revisit its mission statement during SY2015. The purpose of revisiting the mission statement is to ensure that it remains relevant, is clear, concise and focused on students' academic success.

Once the "revisiting" process is completed the GLS mission statement will be broadly communicated among internal and external stakeholders using multiple means, making it highly visible throughout the building, in school communications and online.

Measuring the accomplishment of GLS's mission will be four-fold:

- ✓ Increased rates of students meeting performance targets
- ✓ Parent satisfaction surveys
- ✓ Teacher/staff satisfaction surveys
- ✓ Student Summit

### **III. Organizational Framework**

#### **3.1 Is the school organizationally sound?**

- a) Discuss the school's organizational performance over the last three or four years. How has the school performed with regard to organizational measures over the last charter term? In the absence of expected achievement, identify proposed changes to organizational practices that your school will implement to improve the school's organizational outcomes.

Gateway Lab School was incorporated in the state of Delaware on July 13, 2007; and currently meets all organizational standards as a charter educational school. The dedicated seven (7) member Board of Directors, which include four officers, are responsible for overseeing and governing the school, its administration and budget oversight. Among its duties, the Board of Directors are responsible for establishing the mission, goals, By-laws and governing principles, and ensuring that GLS is in compliance with all applicable federal and state statutes.

To maintain its collective experience, Board Members participate in board training, training offered by the Delaware Department of Education, and participate in professional development trainings related to their role as board members and all other related trainings that will enhance their capacity and responsibilities as board of directors. Currently, the Board Members are putting a 5-year strategic plan into place which will even better guide them as they govern GLS, its staff and students. The plan will be available on the school's website the fall of 2014.

Gateway Lab School's overall organizational rating is Does Not Meet. However, we do not agree with this rating. The school's student attendance rate is impacted negatively when students are in alternate placements/hospitals. Due to our unique student population, there are students that attend day treatment centers and inpatient facilities for extended stays to address their mental health needs. Attendance at these alternate placements/hospitals is often a result of a doctor's recommendation. Additionally, the

excused absence rate is impacted by anxiety and sleep related health problems that some of our students have. Furthermore, the board makeup has always included a parent director, and the annual report was emailed to the Charter School Office on the due date, however rejected by the DOE server. After several failed attempts it was faxed, and hard copy mailed to the Charter School Office. With approval from the DOE Pupil Accounting office, we are revising Measure 4b to: Gateway Lab School's average daily attendance will exceed 90%. By September 2014 we achieved the overall rating of "Meets," as measured by the Organizational Performance Framework. Each year, we will be on track to demonstrate performance aligned with those organizational performance expectations. This progress will be monitored through our annual performance review. (See the Board Member Self Evaluation, Board Evaluation Form and Board Packet in Appendix G)

### **3.2 Is the school implementing the essential terms of the charter's education program as defined in the current charter, and complying with applicable state and federal requirements?**

- a) Provide specific examples of how your educational program is in compliance with instructional days/minutes requirements, the use of state assessments, Delaware content standards requirements, and providing an education and accommodations for at-risk students.

Gateway Lab School has and is implementing all essential requirements of the educational program as required in Delaware, including but not limited to Del. C., Title 14, Ch. 5, §512 (3), and the education program in operation reflects the essential terms as defined in the charter, including but not limited to: instructional days or minutes requirements; graduation and promotion requirements; state assessments; Delaware content standards and state program requirements; implementation of mandated programming as a result of state or federal funding; appropriate strategies to accommodate at risk students and those needing special education services, pursuant to Del. C., Title 14, Ch. 5 , §512 (7); and the education of at risk youth, pursuant to Del. C., Title 14, Ch. 1, §153.

Gateway Lab School's academic calendar is submitted to the DOE for approval. The school day starts at 8:45 am to 4:00 pm, Monday thru Friday. (You will find evidence of curriculum alignment to Common Core State Standards in Appendix H)

### **3.2 Is the school protecting the rights of students with disabilities and English language learners?**

- a) Describe the process by which students with special needs are identified and evidence that the school is effective in providing the right resources and services for students with disabilities.

Gateway Lab School provides an equal opportunity and access to a free education for all students, including students with disabilities in accordance with Section 504 of the

Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and 14 Delaware Code §506.

When students request enrollment at GLS, a process of screening, diagnosing, providing accommodations, re-evaluating and testing for special education needs is administered. We also review and rely on previous school records, if available and applicable, in addition to conducting our own assessment in making a determination about special education needs, accommodations and placement.

Sixty-percent of the students at GLS are special education compared to 12% in the district. Additional support is provided to students with special needs from our Student Support Team (Director, School Psychologist, Nurse, Reading or Math Interventionist, Special Education Coordinator, and at least two teachers that have the student). This group makes up the IEP team once a student has been identified as needing special education services. The IEP team works with the student and family to ensure that academic and developmental success is reached. We also have group and individual counseling sessions throughout the day. Students meet with one of the IEP team members to develop or follow up with the student IEP plan.

To ensure that all special education services are provided by the most qualified teachers, GLS requires that all teachers working with disabled students must be certified as Special Education teachers with demonstrated experience and qualifications. Teachers are encouraged to use the AMSES manual as a reference to ensure that the school operates within state guidelines as they relate to at-risk students and students with disabilities. Teachers working with special education students are provided ongoing training, professional development opportunities, and training opportunities about the Response to Intervention model and Special Education Law.

Board responsibility also includes ensuring that Gateway Lab School is in full compliance with all applicable federal and state statutes related to the education and protection of students with disabilities.

- b) Describe the process by which students with English language learners are identified and evidence that the school is effective in providing the right resources and services for these students.

English language learners are identified at the time of enrollment and through assessments.

### 3.3 Is the school monitoring and minimizing attrition rates and maintaining enrollment stability?

- a) Fill in the following chart with the appropriate enrollment information over the last 4 years (3 years if this is the school's first renewal):

School Enrollment Trends									
	2010-2011		2011-2012		2012-2013		2013-2014		Current Waitlist for the 2014-2015 School Year
	Approved Enrollment	Sept 30 Enrollment Count	Approved Enrollment	Sept 30 Enrollment Count	Approved Enrollment	Sept 30 Enrollment Count	Approved Enrollment	Sept 30 Enrollment Count

Grade 11	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A
Grade 12	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A

- c) How does the school both monitor and plan to minimize attrition rates? Provide a summary of why students left your school.

GLS monitors attrition rates through parent/teacher/principal conferences and have created a culture to make sure students receive individual attention in a safe school, we go beyond for our students by offering programs during the summer, weekends, and before and after school that provide tutoring and build on what students learn during the school day. A total of 19 students withdrew from GLS at the end of SY 2013/14. Four students moved out of the area/state, 7 transferred to a different public or charter school, 1 transferred to a private school, and 1 is now homeschooled. Of the 19 students, there were two sets of siblings, bringing the non re-enrollment number to 17. Eighty-nine percent of GLS students re-enrolled for SY 2014/15.

### **3.4 Is the school complying with governance and reporting requirements?**

The following governance and reporting requirements have been and continue to be met. Budget oversight committee—Del Code, Title 14, Section 1508; Monthly financial reporting—Del Code, Title 14, Section 509(k); Audit—Del Code, Title 14, Section 513; Web posting of check register—Del Code, Title 14, Section 1509; Web posting of 990—Del Code, Title 14, Section 509(k); Annual report—Del Code, Title 14, Section 513

a) Provide a current organizational chart, which includes the Board of Trustees. (See *Appendix I for GLS organizational chart.*)

### **3.5 Is the school complying with closure requirements?**

a) Describe the school's plan for procedures it will follow in the event of the closure or dissolution of the school, including a plan to set aside sufficient funds to cover the salaries owed to those employees who are paid over a 12-month period.

To prepare for a possible closure of the school, GLS will set aside adequate funds to assure that all employees are paid according to their contractual agreements with the school, to pay staff who would be required for close-out activities, and to pay vendors such as auditors, movers, liquidators, etc. that would be needed. All cash and cash equivalents will be distributed first to satisfy outstanding payroll obligations for employees, then to the remaining creditors. To ensure the cash reserve is sufficient, the Board has implemented a plan to build into its budget a cash reserve sufficient to maintain closing costs, review funding balances and financial projections on a monthly basis to ensure the fiscal health of the school and the reserve fund. In the event that GLS is closed for nonfinancial reasons and, following the authorizer's charter school closure protocol, GLS's Board would work closely with the DDOE concerning next steps (parent notification, transfer of records, disposition of school assets, etc.) to ensure a smooth and orderly closure and transition. The school would follow all legal and regulatory requirements such as those contained in Delaware Code 512, Section 16.

## **IV. Financial Framework**

### **4.1 Is the school financially viable?**

a) Provide an analysis of the results of your Financial Performance Reports over the last three years (2010-11, 2011-12, 2012-13). Where applicable, provide explanations for areas where standards were not met, including your plans and strategies for improving the individual measures and overall ratings.

#### **Near Term Indicators:**

As is demonstrated from the results, GLS received "Meets Standards" for all Near Term Indicators measuring financial resource factors for FY2012, FY2013 and FY2014 with a Summary and Overall Rating of also "Meets Standards". The results as measured were

a reflection of continuing funds each year for FY2012 through FY2014. Summer Pay was budgeted in its entirety based upon staff at the point of the final budget approval. A 2% Contingency is in place in preparation for planned priorities, and the administration set aside the remaining unused portion. Accounts Payable: vendor obligations were sufficiently budgeted to ensure that resources were available at year end to accommodate any unpaid vouchers carried into the New Year, thus not expecting New Year Funds to accommodate prior year obligations and the remaining contingency balance was made available for planned one time instructional initiatives.

While it is not expected that balances such as those demonstrated will continue, it is expected that board and administrative practices of funding summer pay will continue. In addition, the past continuing balances have also provided support for the unknown instructional needs for a special population at a time when enrollment is not expected to exceed the approved enrollment of 216 plus 5% to 226.

Sustainability Indicators:

When revenue for each year is compared to the expenditure activity, expenditures for FY2014 exceed revenue by \$259,160. During FY2014, one-time obligations for a planned renovation project and prior year vendor obligations (accounts payable) totaling \$298,053 have skewed the indicators where there is the appearance of deficit spending. The one-time obligations were supported by continuing funds from FY2013.

Financial Performance Framework									
Year	Current Working Capital Ratio	Unrestricted Days Cash	Enrollment Variance	Default	Total Margin	Debt to Asset Ratio	Cash Flow	Debt Service Coverage Ratio	OVERALL RATING
2011-12	M	M	M	M	NR	M	NR	N/A	M
2012-13	M	M	M	M	NR	M	NR	N/A	M

- b) Provide a summary of findings from independent audits and, where applicable, how the school developed and implemented a corrective action plan in response to audit findings.

Audit Summary: FY2012

**Finding 01:** Timely deposits of receipts posted to the First State Financial System.

Recommendation: Procedures be established that will require the outside accountant to periodically obtain a report from the School detailing all deposits made to ensure FSF entries are accurate and in agreement with the report. Finding resolved as of the FY2013 Audit. The school replaced part-time staff with fulltime FSF trained staff. No further instances were noted.

**Finding 02:** Related party organization using the School’s EIN

Recommendation: The Gateway Friends and Family obtain its own EIN for tax filing purposes. Finding resolved as of the FY2013 Audit. The Gateway Friends and Family obtained their own EIN.

**Finding 03:** Failure to retain adequate documentation for Expenditures.

Recommendation: The School establish a record retention policy that will establish that the school retains all invoices, purchase orders, and payment vouchers for its expenditures for a minimum period of time established by the School. Finding resolved as of the FY2014 Audit.

**Finding 04:** Lack of Capital Asset Inventory Listing

Recommendation: That management take an inventory listing of all its fixed assets to which the School has title, and create and maintain a schedule of those assets, including all additions and disposals that may occur. Finding resolved as of the FY2014 Audit. School had initiated the process of performing an inventory of its capital assets, creating a list to documents the assets and their related costs.

**Finding 05:** Lack of a formalized capitalization policy

Recommendation: The school formally establish a capitalization policy. Finding resolved as of the FY2014 Audit. School has drafted and implemented an approved capitalization policy.

**Finding 06:** Failure to create purchase orders for required expenditures.

Recommendation: The School establish a policy to consistently create purchase orders for expenditures over the \$5,000 threshold, and for any capital assets that are to be purchased. Finding resolved as of the FY2014 Audit. Recommendation accepted and followed.

**Finding 07:** Filing of 2010 Tax Return on a Calendar Year Basis

Recommendation: The school file all future returns on a fiscal year basis. Finding resolved as of the FY2013 Audit. Recommendation accepted and followed.

**Finding 08:** Filing FY2011 Tax Return late.

Recommendation: The school file future tax returns in a timely manner to the IRS, to avoid being assessed fines. Finding resolved as of the FY2013 Audit. Recommendation accepted and followed.

#### Audit Summary: FY2013

**Finding 01:** Approvals of Payment Vouchers and Purchase Orders by External Consultant.

Recommendation: Policies be enacted that will designate an employee the responsibility for creating purchase orders and payment vouchers in the FSF system with the Head of School or another administrator be solely responsible for the required approvals. Finding resolved as of the FY2014 Audit. The Head of School approves all payment vouchers, while the external consultant approves purchase orders.

**Finding 02:** Use of former Head of School's Procurement Card

Recommendation: The School immediately stop using the former Head of School's P-Card. Finding resolved as of the FY2014 Audit. P-Card was cancelled.

**Finding 03: Preparation of Journal Entries**

Recommendation: The School designate a suitably skilled employee to prepare the journal entries necessary to convert the financial statements from cash basis of accounting to the accrual basis of accounting and to ensure entries are posted to their proper accounts. Finding resolved as of the FY2014 Audit. The school contracted consultants to perform the conversion.

- c) As an appendix, provide the following documents:
  - *Final Fiscal Year 2014 Revenue & Expenditure Budget Report in the prescribed DDOE format found as Appendix J*
  - *Approved preliminary Fiscal Year 2015 Budget found as Appendix J*
  - *Fiscal Year 2014 Audited Financial Statements found as Appendix J*
  - *Projected revenue and budget worksheets and narrative through 2018-2019 in the prescribed DDOE projection format found as Appendix J*
  - *Financial Performance Framework Report found as Appendix K.*

**V. Five-Year Planning**

**5.1 Projected Enrollment**

- a) Provide a five-year enrollment chart by grade level, in the prescribed format below. Ensure that the chart allows for the natural progression of students from year-to-year.

<b>Projected Enrollment</b>					
	<b>2014-2015</b>	<b>2015-2016</b>	<b>2016-2017</b>	<b>2017-2018</b>	<b>2018-2019</b>
K	N/A	N/A	N/A	N/A	N/A
Grade 1	N/A	N/A	N/A	N/A	N/A
Grade 2	N/A	N/A	N/A	N/A	N/A
Grade 3	20	36	37	38	38
Grade 4	33	35	36	38	38
Grade 5	41	33	36	37	38
Grade 6	40	41	36	36	38
Grade 7	41	40	41	36	38
Grade 8	33	41	40	41	36
Grade 9	N/A	N/A	N/A	N/A	N/A
Grade 10	N/A	N/A	N/A	N/A	N/A

Grade 12	N/A	N/A	N/A	N/A	N/A
<b>TOTAL</b>	208	226	226	226	226

**5.2 What are the school's plans for the next five years of the charter?**

- a) Describe what changes and improvements the school will undertake in the next five years based on the school's examination of student performance outcomes.

- Growth in every subgroup in subjects measured by the Common Core Standards
- MAP testing, assessing students up to 5 times per year as an alternative assessment
- Implemented new English and Math curriculum for SY 2014-15
- Purchased new RTI curriculum
- Focus on data-driven instruction
- Partnership with the University of Delaware Arts Bridge Scholars to embed the arts into core subject areas
- Change in daily schedule which provides for school-wide teacher PD 3 days a week and PLC 2 times per week where teachers meet by grade and by subject area for common planning
- Common Core lesson plan format has been implemented and will be checked with weekly walk throughs by administration
- Implemented Instructional Leadership Team (ILT) which consist of teachers from each grade and a paraprofessional. the ILT plan PD and PLC calendar each month
- Increased professional development in Special Education law and process
- Require each teacher to participate on a school or Board committee
- Implement a Balanced Calendar
- Develop relationship with a local university to provide special education training to student teachers
- Supply laptops or iPads to 100% of student body
- Fully develop the Center for Excellence model

b) Provide goals and performance outcomes, including assessment tools and measures to be used. Provide a rationale for the identified goals and assessment measures. Provide any mission-specific goals that you will include in your Performance Agreement.

- Change to MAP testing and assess up to five times per year. Our student population learns and retains information differently; therefore, frequent testing more accurately measures student growth and progress when given in closer intervals of learning time periods
- Develop RTI curriculum which provides early intervention for students at an earlier stage

c) Provide detailed information on the school's plan for any changes or improvements to its facility for the five years of the next charter renewal term. The plan should include an adequate and detailed financial arrangement and timeline for the proposed facility improvements.

Gateway is currently developing a five-year strategic plan that includes a feasibility study to explore future expansion, which may include changes to our current facility. If the school Board determines that expanding to grades 1 and 2, as outlined in our

original charter application, is feasible, a modification will be filed along with all required details.

- d) Provide information regarding how the Board of Trustees effectively evaluates the school administration.

The Board of Directors conducts an annual, 360-degree review of the Head of School. Likewise, there are in place oversight reviews of Principal and other administrators which are conducted along with the Head of School.

- e) What policies and procedures are in place to evaluate the school leader on an annual basis?

A 360-degree interview is conducted annually by the Board of Directors

- f) Identify the school's plan to ensure the effectiveness of its Board of Trustees, including governance training and new member induction.
- Annual meeting which includes governance training
  - Attendance at national conferences and local training provided by DEDOE and the Delaware Charter School Network
  - Recently revised Board Orientation Packet and new member induction procedures
  - Board meetings are held monthly
  - Plans are in place to expand Board committees by including non-board members, which can serve as a recruitment tool for future board members
  - We have recently implemented two board evaluations including a member self-evaluation and a general evaluation (See Appendix G)
  - An annual Parent Survey is in place to further evaluation governance effectiveness and performance. You can find our most recent parent survey at <https://www.surveymonkey.com/results/SM-LXV29V68/>

- g) Describe the school's process for succession planning including identification, development and retention of school leaders.

- Head of School works closely with the Principal through weekly meetings, shared responsibilities, and leadership development
- We provide opportunities for the school Counselor and Educational Diagnostician to assume greater responsibility and leadership in decision making
- There is an established Instructional Leadership Team which provides teacher-led Professional Development
- Teachers actively participate on Board committees

## APPENDICES

## **Annual Report 2017-18**

# **GATEWAY LAB CHARTER SCHOOL**

**ANNUAL REPORT**

**2017-2018**

**2501 Centerville Rd,  
Wilmington, DE 19808  
Phone: (302) 633-4091**

## I. OVERVIEW

### 1.1 School Overview:

Review the following chart with the school's basic information. (Note: This table will be completed by the Charter School Office. Please review for accuracy. **Any changes identified by the team must be highlighted in red prior to submitting the report. Only changes highlighted in red will be reviewed by the Charter School Office. Should there be no highlighted changes, the data will appear as presented in this draft.**)

BASIC INFORMATION	
Name of School	Gateway Lab Charter School
Year School Opened	2011
Enrollment 2017-2018 <sup>1</sup>	189
Approved Enrollment	226
School Address	2501 Centerville Rd, Wilmington, DE 19808
District(s) of Residence	Red Clay Consolidated School District
Website Address	<a href="http://www.gatewaylabschool.org/">http://www.gatewaylabschool.org/</a>
Name of School Leader	Catherine Dolan
School Leader Email and Phone Number	Catherine.Dolan@gls.k12.de.us (302) 633-4091
Name of Board President	Joyce Henderson
<b>Mission Statement:</b> To provide an individualized arts-based learning experience in a safe and nurturing environment using innovative approaches to equip students with the tools to achieve academic excellence and personal growth.	

## 1.2 School Demographic Data:

Please review the following table for accuracy and complete the second row (“# of Students on Waiting List”) for 2017-2018. (Note: The remaining sections of the table will be completed by the Charter School Office. **Any changes identified by the team must be highlighted in red prior to submitting the report. Only changes highlighted in red will be reviewed by the Charter School Office. Should there be no highlighted changes, the data will appear as presented in this draft.**)

ENROLLMENT & DEMOGRAPHIC INFORMATION	
	2017-2018 <sup>1</sup>
Total Enrollment	189
# of Students on Waiting List	62
<b>Gender</b>	
% Male	64.55%
% Female	35.45%
<b>Ethnicity/Race</b>	
% African American	48.68%
% American Indian	0.53%
% Asian	2.12%
% Hispanic/Latino	7.94%
% White	38.62%
% Multiracial	1.59%
<b>Special Populations</b>	
%Special Education <sup>2</sup>	57.14%
% English Language Learners	1.59%
% Low-Income	42.86%

---

Schools are invited but not required to comment on any aspect of the demographic data above in table 1.2

---

### 1.3 Approved Minor and Major Modifications:

The table lists any approved minor and/or major modifications over the course of the school's current charter term.

(Note: This table will be completed by the Charter School Office. Please review the following table for accuracy. **Any changes identified by the team must be highlighted in red prior to submitting the report. Only changes highlighted in red will be reviewed by the Charter School Office. Should there be no highlighted changes, the data will appear as presented in this draft.**)

Date	Modification Requested	Outcome
January 2013	Major (?) – Postponement of the addition of grade 2 (SY2013/14) & grade 1 (2014/2015)	Approved
April 2013	Minor – Alteration/Enhancement of school rented facility	Approved
March 2014	Major - enrollment preference for students at risk of academic failure	Approved

---

Schools are invited but not required to comment on any aspect of the modification data above in table 1.3

---

**1.4 School Enrollment:**

Please review the following chart with the school’s enrollment trends during the current term of the charter.(This table will be completed by the Charter School Office. Please review for accuracy. **Any changes identified by the team must be highlighted in red prior to submitting the report. Only changes highlighted in red will be reviewed by the Charter School Office. Should there be no highlighted changes, the data will appear as presented in this draft.**)

\*\* School entry grade level. Reenrollment data not collected for this grade level.

---

Describe the school’s plans to monitor and minimize attrition rates. Provide information about why students are choosing to enroll in different schools.

Gateway Lab School has been challenged with administrative and teacher turnover in the last few years. Some of the administrative turnover was due to circumstances outside of the school’s control. Ensuring that the school’s administrative and teaching staff understood and had the support to carry out the school mission presented a challenge for the Board. In part, lack of a defined mission and

---

vision has resulted in attrition in our re-enrollment. Due to an unexpected vacancy in school leadership in 2018, the GLS Board hired former HOS, Catherine Dolan to serve in the capacity of Acting HOS and former HOS, Pam Draper to serve as Business Manager. Marlin White is serving as Interim Principal. Additionally, founding Board members, Joyce Henderson and Sherlock Hack have returned as Board President and Treasurer respectively. Together, Board members and the administrative team are working together to ensure that our mission and academic expectations are clearly defined for both teachers, students and families. Parent surveys will be sent out in early 2019 inform the Board and administration of parent satisfaction levels. Additionally, the Board has begun a three-year strategic planning process that will serve to shore up challenge areas and chart a plan for growth over the next 3-5 years.

Lack of consistent, reliable bus transportation is another factor that has contributed to some parents choosing to enroll their children in their district school.

## II. ACADEMIC PERFORMANCE

### 2.1 Delaware Alternative Academic Performance Framework

Overall Academic Ratings

Metrics	Delaware Alternative Academic Performance Framework
	2017-2018
Academic Achievement	1 Star (20.48/150 pts) Far Below
Growth	4 Stars (155.9/200 pts) Meets
On Track to Graduation	5 Stars (48.14/50 pts) Exceeds
College and Career Preparation	3 Stars (45.36/100 pts) Approaching

Note: Please utilize the hyperlinks in this sentence for more information about the [Academic Performance Framework](#) or the [Delaware School Success Framework \(DSSF\)](#)

- a) Based on the table above discuss the school's:
- overall academic achievement results,
  - major challenges,
  - and accomplishments over the course of the school year.

## Performance Agreement

### Academic Performance Expectations

Gateway Lab School's overall academic rating is ""Falls Far Below Standard."" By September 2014, our expectation is to achieve the overall rating of ""Meets"" or ""Exceeds"" standard as measured by the Academic Performance Framework. Each year, we will show growth within our overall rating putting us on track to achieve our academic performance expectations. This progress will be monitored through our annual performance review.

- a) Discuss the school's academic performance based on its approved Performance Agreement (see above).

---

### School Comments

Gateway's Alternative Academic performance shows mixed results across the board. The school is meeting the standards as it pertains to growth and "on track to graduation" . We are approaching standards in College and Career Readiness and Far Below standards in Academic Achievement. We feel strongly that our student's growth and "on track to graduation" measures are a significant indicator of the future academic and social emotional growth of our student population as they approach high school.

---

## 2.2 Academic Achievement/Proficiency Data

Academic Achievement	Delaware Alternative Academic Performance Framework	
	2017-2018	
Rating	1 Star (20.48/150 pts) Far Below	
	School	Similar Schools Metric Value
ELA	10.35	50.53
Math	2.89	42.32
Science	Science was not assessed by the state in 2017-2018	
Social Studies	Social Studies was not assessed by the state in 2017-2018	

Note: Please utilize the hyperlinks in this sentence for more information about the [Academic Performance Framework](#) or the [Delaware School Success Framework \(DSSF\)](#).

The table above lists the school’s available DSSF Academic Achievement ratings.

Respond to the following questions.

- a) Based on the school’s Academic Achievement ratings over the course of the charter term, discuss the school’s current performance and provide explanations/root causes (positive and negative) for the results. Please include local assessment data if applicable.

Gateway Lab School’s student population reflects nearly 60% of students with identified special education needs, in addition to approximately 42% of students classified as Low Income. Understanding that these students often perform poorly on standardized testing, the Department of Education approved an alternative framework to measure the progress of our students. As our “Meets Requirements” rating indicates for the Growth measure, Gateway students are making strides in their progress to the goal.

Administrator turnover contributed to uneven outcomes in student performance as teachers did not always have the guidance and data-driven support needed to implement the curriculum and arts-integration standards to maximize student outcomes.

- b) Looking ahead, what are your expected outcomes for Academic Achievement and what steps will you take to achieve them?

---

### School Comments

As positive student growth measures continue, we expect to see our student’s academic achievement increase over time as well. With experienced Administrators guiding, training and evaluating our teaching staff against expectations, there is cohesion of purpose in our building toward this goal. Some of the most recent, impactful changes include the implementation of new curriculum (Wonders for grades 3-6 and Collections for grades 7 &8), re-establishment of an RTI block of instructional time with the most experienced teachers providing Tier 3 instruction, the less experienced or novice

---

teachers working with Tier 2 students and our “specials” teachers providing enrichment activities for our students on grade level. Our school schedule has been changed to put more emphasis on academic rigor. The school’s new administration and Board are placing an emphasis on Gateway’s original mission and vision – Arts Integrated classroom instruction, Responsive Classroom social skills acquisition and remediation of reading skills through Wilson Reading.

---

c) Describe how you will measure progress to determine whether you are on track to meet your expected Academic Achievement outcomes?

---

School Comments

Gateway will measure progress toward expected Academic Achievement outcomes by using the state data tracking tools – eSchool, Data Service Center (attendance, progress monitoring, behavior referrals and other tools) to provide data driven instruction for all students. These tools were underutilized in the past.

---

## 2.3 Growth Data

Note: Please utilize the hyperlinks in this sentence for more information about the [Academic Performance Framework](#) or the [Delaware School Success Framework \(DSSF\)](#).

Growth	Delaware Alternative Academic Performance Framework	
	2017-2018	
Rating	4 Stars (155.9/200 pts) Meets	
	School	Similar Schools Metric Value
ELA	35%	47%
Math	35%	43%

The table above lists the school's available DSSF Growth ratings.

Respond to the following questions.

- a) Based on the school's Growth ratings for all students over the course of the school year, discuss the school's current performance and provide at least three explanations/root causes for the results (Note: We invite the school to provide information about all students including those below, at and above proficiency.)

Gateway Lab School's Growth performance is Meets. In spite of the turnover in staff, Gateway students showed growth because the school's culture, climate and academic supports are designed to provide students with support that is not typically available in traditional classrooms. Student support comes in many forms. Some of the most significant in the past year, includes a full-time on-site Wilson Reading teacher who pulls identified students school-wide for specialized reading instruction, small class size and the ability to measure student progress up to three times per year through NWEA MAP testing which allows teachers to identify areas of academic weakness throughout the year.

- b) Looking ahead, what are your expected outcomes for Growth for all students and what steps will you take to achieve them?

---

### School Comments

Our expectation is that our students will continue to Meet or Exceed the standard for Growth going forward. The steps currently in place include NWEA MAP assessments which measures growth from Fall to Winter to Spring based on the individual student's projected outcomes. Teachers have set goals in Component V of the DPAS II evaluation for their students and are measured by their student's results. This was not done with fidelity in previous years. Returning to this practice will improve outcomes.

---

c) Describe how you will measure progress to determine whether you are on track to meet your expected Growth outcomes for all students.

---

School Comments

Gateway will measure progress toward expected Growth outcomes by using NWEA MAP testing, state data tracking tools – eSchool, Data Service Center (progress monitoring) and teacher DPAS Component V goals to provide data driven instruction for all students.

---

## 2.4 On Track to Graduation Data

Note: Please utilize the hyperlinks in this sentence for more information about the [Academic Performance Framework](#) or the [Delaware School Success Framework \(DSSF\)](#).

On Track to Graduation	Delaware Alternative Academic Performance Framework	
	2017-2018	
Rating	5 Stars (48.14/50pts) Exceeds	
	School	State
Attendance	96.28 %	N/A
On-Track in the 9th grade	**	92.92 %
4-year Cohort Graduation Rate <sup>3</sup>	**	85.75 %
5-year Cohort Graduation Rate	**	85.63 %
6-year Cohort Graduation Rate	**	85.72 %

\*\*The school did not service students in the grade levels assessed by this metric.

The table above lists the school's available DSSF On Track to Graduation ratings.

Respond to the following questions.

- a) Based on the school's On Track to Graduation ratings over the course of the charter term, discuss the school's current performance and provide explanations/root causes (positive and negative) for the results.

Gateway Lab School's current rating is Exceeds. As mentioned previously, we are using the DSC tools to track attendance, in addition to our Guidance Counselor's regular outreach to our families through regular follow up, student attendance contracts and meetings to encourage consistent attendance. Most importantly, we hear from parents that their students want to be in school and hate to miss a day.

- b) Looking ahead, what are your expected outcomes for On Track to Graduation and what steps will you take to achieve them?

---

### School Comments

The school expects to continue to Exceed the requirements for On Track to Graduation. Outside of tracking attendance and staying in touch with families, we have several events that are designed to

---

---

encourage student expectations and planning around graduation. GLS hosts an annual High School Night each October to help students and families choose wisely for success. Other activities include Career Day and attendance at the Delaware Transition Conference to help students to prepare for college and career. Our Guidance Counselor assists with helping students to prepare for and write their essays for entrance to area Vo-Tech schools.

---

- b) Describe how you will measure progress to determine whether you are on track to meet your expected On Track to Graduation outcomes.

---

#### School Comments

We measure progress through Cognos reports, DSC reports and close follow up with parents and students that have attendance challenges.

---

## 2.5 College & Career Preparation Data

Note: Please utilize the hyperlinks in this sentence for more information about the [Academic Performance Framework](#) or the [Delaware School Success Framework \(DSSF\)](#).

College & Career Preparation	Delaware Alternative Academic Performance Framework	
	2017-2018	
Rating	3 Stars (45.36/100 pts)	
	School	Similar Schools Metric Value
Growth to Proficiency ELA	20 %	41 %
Growth to Proficiency Math	13 %	31 %
College & Career Preparation	N/A	N/A

The table above lists the school’s available DSSF College and Career Preparation ratings.

Respond to the following questions.

- a) Based on your College and Career Preparation ratings over the course of the school year, discuss the school’s current performance and provide explanations/root causes for the results. Please include local assessment data if applicable.

Please see responses in 2.2a and 2.3a

- b) Looking ahead, what are your expected outcomes for College and Career Preparation and what steps will you take to achieve them?

### School Comments

We will continue to provide avenues for our students to prepare for and obtain resources to prepare them for college and career. Vo-Tech schools, where a number of students enroll is career preparation for those who may not choose college. We support and encourage students to apply for and enroll in schools where they will be most successful.

- c) Describe how you will measure progress to determine whether you are on track to meet your expected College and Career Preparation outcomes.

---

## School Comments

We will continue to use NWEA MAP testing to measure student growth toward proficiency. We plan to continue to utilize the activities mentioned above in addition to implementing plans for a CTE curriculum in the near future.

---

### III. ORGANIZATIONAL PERFORMANCE

The Organizational Performance Framework reflects expectations the charter school is required to meet through state and federal law and the charter performance agreement, and seeks to provide information regarding these key questions:

- Is the school organizationally sound and well operated?
- Is the school fulfilling its legal obligations and sound public stewardship?
- Is the school meeting its obligations and expectations for appropriate access, education, support services, and outcomes for students with disabilities?

#### 3.1 Mission Specific Goal(s)

Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable?

1a. Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable?

*As a school that focuses on high needs students, our goal is to have students increase performance in Reading skills.*

Essential Question indicator 1a. Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable				
Staff				
Measure	Definition of Rating	Data Source	Data Collection Process	Measure
Students will demonstrate growth on the MAP assessment.	<p>Exceeds Standard -The school has at least 80 percent of all students meeting their growth target using MAP</p> <p>Meets Standard -The school has between 60 and 79 percent of all students meeting their growth target using MAP</p> <p>Does Not Meet Standard - The school has between 40 and 59 percent of all students meeting their growth target using MAP</p> <p>Falls Far Below Standard-The school has less than 40 percent of all students meeting their growth target using MAP</p>	Gateway Lab School provided data from MAP to demonstrate that the school is meeting standard in their mission specific goal. This data contains PII and therefore has not been posted publically.	PDF Upload and entry into system by DOE.	1a1

a) Rate the school’s performance according to the criteria established by the school for its 2017-2018 mission specific goal(s).

#### School Comments

With more than three complete changes in administrative staff since our first year, there have been notable challenges to the fidelity of our mission. Board assessment of the effects of the turnover and mission creep, lead to a concerted effort to implement changes at the end of SY2017-2018 to guide the school back to its established mission as defined by our charter. Despite the challenges, students are showing progress on many fronts. Foundationally, GLS has remained strong organizationally and financially. This has helped us implement necessary academic supports and staff that our children need to meet their goals. As we move forward with dedicated, skilled administrators, teachers and Board members, we believe that our students are on a trajectory that will lead to tremendous academic and social emotional growth. The Board is strengthening its oversight and professional

---

development by working with seasoned consultants, Delaware Association for Non-profit Advancement (DANA) for Board training and Digitus, a well-known Delaware education consultant for school-wide strategic planning. Acting Head of School, Catherine Dolan has returned to Gateway to ensure that the mission of the school is defined and implemented with fidelity. Gateway was established as a school “where arts are the Gateway to learning”. Since most teachers do not receive education or training on how to design arts-integrated lessons, there have been challenges with school staff understanding how to integrate the arts into their lessons in a dynamic, rigorous way. This year, Dr. Linda Krakaur was hired to work with the teachers and paraprofessional staff monthly. Dr. Krakaur specializes in training teachers’ curriculum development using “inquiry-based” arts integration. Three cohorts are rotating through hands-on training in lesson planning using various art forms – visual, music, drama and movement. Teachers are receiving intensive training on Responsive Classroom, our social skills curriculum. Gateway has a dedicated Wilson Reading instructor whose students have exceeded their goals and have advanced between 1-3 years of progress in reading in a single year. Teachers and support staff participate in daily morning professional development covering special education, lesson planning, classroom management and data-driven instruction to name a few.

---

- b) Provide as **Appendix 1** the results (data source) of the school’s mission specific goal(s). Remember not to include any personally identifiable information (PII).

See attached

### 3.2 Organizational Performance

Note: Please utilize the hyperlink in this sentence for more information about the [Organizational Performance Framework](#).

The following tables will be completed by the Charter School Office. Please review for accuracy.

#### SUMMARY AND OVERALL RATING

##### Gateway Lab Charter School

Year	Education Program				Governance & Reporting			Students & Staff		Facilities, Transportation, Health & Safety	OVERALL RATING
	Mission Fidelity	Applicable State & Federal Requirements	Students with Disabilities	English learners	Governance & Public Stewardship	Oversight of School Management	Reporting Requirements	Students Rights	Req. on Teacher Certification & Hiring Staff		
	1a	1b	1c	1d	2a	2b	2c	3a	3b		
2017-2018	M	M	M	M	F	M	M	M	M	AS	Approaching Standard

a) Describe the school’s organizational performance over the current school year (This section is for the school to address any overall rating where the school has not met standards. The school will be able to address individual metrics in the sections below.)

School Comments:

The school’s overall rating for Organizational Performance is Approaching Standard. We did not meet the standard in 2a – Governance & Public stewardship. The Board and Administration have taken steps to ensure that the areas of weakness that led to deficiencies in both 2a and 4a measures have been addressed.

b) Identify changes to organizational practices that the school has implemented to improve the school’s organizational outcomes.

School Comments: Please see Section 2.

c) Address any measure where school did not meet standard or is approaching standard.

Please see Section 2.

## 2. GOVERNANCE AND REPORTING

### Measure 2a.

Is the school fulfilling essential governance and public stewardship responsibilities?

#### DOE Rating Information:

---

No topic listed for executive session 11/17,10/17. Board training needed 12/17, 11/17, 10/17. CBOC composition violation 10/17. CBOC minutes missing 10/17,9/17,8/17.

---

#### School Response To Rating:

---

The Board of Directors has restored a process to track Board training for new and existing members. Treasurer Sherlock Hack is working with the current Board to recruit additional members to the CBOC and ensure the proper composition of the committee. On November 12, 2018 the Board received Board training with Paul Stock from DANA.

---

## 4. FACILITIES, TRANSPORTATION, HEALTH, AND SAFETY

### Measure 4a.

Is the school meeting facilities, transportation, health and safety requirements?

#### DOE Rating Information:

---

Failed Cafeteria Evaluation due to discrepancies.

---

**School Response To Rating:**

---

In order to ensure that GLS is meeting all of the required measures in our school nutrition program, the school entered into a partnership with Red Clay Nutrition in 2016-2017 to run our school nutrition program. This partnership has resulted in greater efficiencies and helped us overcome the challenges of running the program with a small staff and limited budget.

---

## Performance Agreement

### Organizational Performance Expectations

Discuss the school's organizational performance based on its approved Performance Agreement.

Gateway Lab School's overall organizational rating is Does Not Meet. By September 2014, our expectation is to achieve the overall rating of "Meets," as measured by the Organizational Performance Framework. Each year, we will be on track to demonstrate performance aligned with those organizational performance expectations. This progress will be monitored through our annual performance review ..

a) Discuss the school's organizational performance based on its approved Performance Agreement (see above).

---

#### School Comments:

Gateway's overall organizational performance is Approaching Standards. The Gateway administrative staff and Board of Directors have implemented processes to address the areas of deficiency noted above. Board training and accountability for meeting the required posting and training requirements have been implemented. Our partnership with Red Clay Nutrition has provided the assurance that we are in compliance with our cafeteria requirements.

---

### 3.3 Board Financial and Governance Members and Training

a) Please complete the chart below with the necessary information. In accordance with Del. 14 §512 (15), the school shall have a satisfactory plan to ensure the effectiveness of its board of trustees, including governance trainings conducted for any new board members and at a minimum of once every 3 years.

#### Board Financial and Governance Training

First Name	Last Name	Role/Title	Financial Training Date
Kenyatta	Austin	Community Member	7/25/2017
Alison	Bredimus	Teacher Representative	TBD
Henry	Clampitt	Community Member	3/30/2017
Pamela	Draper	Member	7/1/2012
Jon	Fletcher	Community Member	10/24/2017
Geoff	Grivner	Community Member	10/23/2017
Sherlock	Hack	Community Member	10/14/2018
Joyce	Henderson	Community Member	12/30/2017
Larry	Heredia	Community Member	Pending
Tina	Horgan	Parent Representative	2/2/2017
Drew	Keohane	Teacher Director	7/25/2017
Doug	Salter	Community Member	11/27/2018
Nathaniel	Schwartz	Parent Representative	11/30/2015
Heidi	Shanus	Staff Representative	8/27/2018
Mary	Teeter	Member	TBD
Doreen	Rathmell	Teacher Representative	10/2/2018

\*Please list only the most recent training date.

**Please attach all certificates or evidence of Board Governance Training for active board members.**

---

School Comments: To date, the GLS Board is compliant with financial training requirements.

---

b) Please complete the chart below with the necessary information. Pursuant to [14 Del. Admin. Code 736](#) 6.1 Each member of a Citizen Budget Oversight Committee shall attend and receive a Certificate of Completion for the Citizen Budget Oversight Committee training within the allotted timeframe of his/her appointment to a Citizen Budget Oversight Committee. Provided further, additional training may be required from time to time as determined by the Department.

### Citizen Budget Oversight Committee Membership & Trainings

First Name	Last Name	Role/Title	Financial Training Date
Henry	Clampitt	Treasurer	3/30/2017
Pam	Draper	Community Member	7/1/2012
Tara	Ford	Teacher Member	10/7/2018
Tim	Griffiths	CEO, Ex-officio	11/30/2015
Nate	Schwartz	Board Member	11/30/2015
Richard	Riggs	DOE Representative	11/30/2015
Dorcell	Spence	Consultant	7/1/2007
Sherlock	Hack	Treasurer	10/14/2018
Tina	Horgan	Parent Member	2/2/2017

---

School Comments: The GLS CBOC is fully compliant with financial training requirements.

---

**3.4 Teacher Retention: Is the school monitoring and minimizing teacher attrition rates and maintaining a stable teaching staff?**

2017-2018		
% of Teachers RETAINED	# of Teachers RETAINED	# of Teachers ELIGIBLE
74%	14	19

**\* To be completed by the school**

Review the table above with the school’s teacher retention trends and answer the following questions.

a) Describe the school’s plans to monitor and minimize teacher attrition rates. Provide information about why teachers leave the school.

---

School Comments:

The Gateway Lab School Board has implemented a practice of conducting exit interviews with teachers who leave. There are a variety of reasons. Better pay is a top response. Gateway like many charter schools cannot compete with district teacher salaries. Other reasons include misalignment with the school mission and vision and uncertainty as a result of administrative turnover.

---

b) Describe how the school’s professional development plans support teachers and leadership.

---

School Comments:

The new leadership on the GLS Board and Administration has put into action a clear plan for reestablishing the school mission and vision. In the current school year, teachers are receiving on-going professional development in Arts Integration, Social Skills training, and analyzing and using data to inform student outcomes. In 2016, the school applied for and received grants from the Longwood Foundation and The Laffey McHugh Foundation to provide tuition reimbursement to teachers as a means of attracting and retaining teachers.

## IV. FINANCIAL PERFORMANCE

### 4.1 Financial Performance

Note: Please utilize the hyperlink in this sentence for more information about the [Financial Performance Framework](#).

The following tables will be completed by the Charter School Office. Please review for accuracy.

Financial Performance Framework Ratings	Near Term Indicators				Sustainability Indicators				Financial Management and Oversight	Overall Rating
	Current Ratio	Days Cash	Enrollment Variance	Default, Loan Covenants, & Debt Service Payments	Total Margin	Debt Asset Ratio	Cash Flow	Debt Service Coverage Ratio		
Year	1a	1b	1c	1d	2a	2b	2c	2d	3	
2017-2018	M	M	AS	M	M	M	M	N/R	M	Meets Standard

a) Describe the school's Financial performance over the current school year (This section is for the school to address any overall rating where the school has not met standards. The school will be able to address individual metrics in the sections below.)

School Comments: Gateway Lab School has received a rating of Meets Standard overall with a rating of Approaching Standard in 1c – Enrollment Variance. There are a number of measures that the current administration is taking to increase and steady enrollment:

- Clearly define the school's mission and core values internally and externally
- Reinforce our school mission to staff and ensure that teachers, paras and specialists are provided with the ongoing professional development and assessment needed to implement our program with fidelity
- Create marketing and communications that provides a clear understanding of our arts-integrated curriculum
- Share student success stories (past and present) along with student growth data to stakeholders and prospective families
- Communicate with our families by classroom and school-wide on a consistent basis and evaluate parent/guardian satisfaction via a mid-year survey

Engage internal and external stakeholders in our school-wide strategic planning taking place in SY201892019

b) Identify changes to Financial practices that the school has implemented to improve the school's financial outcomes.

---

School Comments:

Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school's strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.

---

c) Address any measure where school did not meet standard or is approaching standard

Please see letter a) above.

**Measure 1c. Enrollment Variance:**

*Actual Enrollment as of September 30 divided by Authorized Enrollment*

<b>2017-2018</b>
<b>88%</b>

The enrollment variance depicts actual versus authorized enrollment. A school budgets based on projected enrollment but is funded based on actual enrollment; therefore, a school that fails to meet its enrollment targets may not be able to meet its budgeted expenses. The preferred result is more than 95%.

**School Response To Rating:**

---

The Gateway Lab School Board and Administration is aware of the enrollment variance and is implementing practices internally and externally (as shared above) to bring our enrollment to >100% for the 2019-2020 school year. There was a further decline in enrollment for the current school year (2018-2019), due to administrative turnover and the reasons mentioned previously. We believe that the enrollment and retention strategy that we are implementing will be instrumental in increasing and retaining enrollment.

---

## Performance Agreement

### Financial Performance Expectations

Gateway Lab School's overall financial rating is "Meets" standard" as measured by the Financial Performance Framework. By September 2014 our expectation it to achieve the overall rating of "Meets Standard as measured by the Financial Performance Framework. Each year, we will be on track to demonstrate economic viability and achieve our financial performance expectation. This progress will be monitored through our annual performance review.

- a) Discuss the school's financial performance based on its approved Performance Agreement.

---

School Comments:

Gateway Lab School's overall financial rating for SY2017-2018 is Meets Standard as measured by the Financial Performance Framework. Each year, we will be on track to demonstrate economic viability and achieve our financial performance expectation. This progress will be monitored through our annual performance review.

- 
- b) Describe how the school developed and implemented a corrective action plan in response to audit findings (if applicable).

---

School Comments: N/A

---

## V. INNOVATION

Describe the school's innovative practice(s) that could be replicated at other schools in Delaware. Please include the data that supports the success of these practice(s).

---

School Comments:

---

## VII. ANNUAL REPORT CERTIFICATION STATEMENT

<b>Name of School:</b>	Gateway Lab School
<b>Location:</b>	2501 Centerville Rd., Wilmington, DE 19808

I hereby certify that the information submitted in this annual of a charter school is true to the best of my knowledge and belief; that this application has been approved by the school's Board of Directors.

\_\_\_\_\_  
Signature: Chairperson of Board of Directors (or designated signatory authority)                      Date

<b>Print/Type Name:</b>	Joyce Henderson
<b>Title (if designated):</b>	Board President
<b>Date of approval by board of directors:</b>	

## References:

<sup>1</sup> Based on September 30<sup>th</sup> Unit Count

<sup>2</sup> Pursuant to the Family Education Rights and Privacy Act (FERPA) (34 CFR §99), the DDOE applies the following statistical methods to avoid disclosure of personally identifiable information in aggregate reporting.

1. For all data, counts for groups or subgroups with 15 or fewer students are suppressed and represented by “-” in data reports. Complementary suppression of one or more non-sensitive cells in a table may be required so that the values of the suppressed cells may not be calculated by subtracting the reported values from the row and column totals.
2. Only report percentages for grade level reporting within a school and district.
3. Percentages are suppressed when the underlying student counts can be derived for groups or subgroups with 15 or fewer students (i.e., if the number tested and proficient are reported, then the percentage may need to be suppressed).
4. Any percentage above 95 or below 5 will be reported as >95% and <5%, respectively.

<sup>3</sup> Graduation rate data is lag data by one school year to include all students that have completed their high school diplomas during that year including summer graduates.

# Organizational Framework Report

## GATEWAY LAB CHARTER SCHOOL

Reporting Period: July 1, 2018 to June 30, 2019

Published: October 29, 2019

Beginning in SY16/17 for each measure, a school receives one of three ratings:

Meets Standard
Approaching Standard
Far Below Standard

Rating targets for each measure can be referenced on the Organizational Section of the [Delaware Performance Framework](#). Further clarifications for each measure’s data and methodology can be referenced in the [Organizational Framework Guidance Document](#). School performance on each measure is presented below.

Each measure is weighted equally with discretion of the Authorizer incorporated to determine an overall rating.

*The school has elected to submit a response to one or more measures to provide context of not meeting standard(s). The statements made therein are not made by or on behalf of Delaware Department of Education.*

### 1. EDUCATION PROGRAM

#### Measure 1a.

Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable?

2016-2017	2017-2018	2018-2019
Meets Standard	Meets Standard	Meets Standard

Based on information available to the DOE, the charter school is implementing the essential terms of the education program in all material respects, including but not limited to Del. C., Title 14, Ch. 5, §512 (3), and the education program in operation reflects the essential terms as defined in the charter.

#### Measure 1b.

Is the school materially fulfilling applicable state and federal requirements pertaining to its education program (with the exception of responsibilities relating to SWDs and ELs, which are addressed separately under measures 1c. and 1d. in this framework)?

2016-2017	2017-2018	2018-2019
Meets Standard	Meets Standard	Meets Standard

The school is materially fulfilling applicable state and federal requirements including:

- Meeting state requirements on instructional minutes;
- Meeting state requirements for graduation and promotion in accordance with [14 DE Admin. Code 505](#) and [Del. C., Title 14, Ch. 1, II](#);
- Meeting Delaware content standards and state program requirements in accordance with [14 DE Admin. Code 500](#);
- Administering state assessments as required by Delaware law and [14 DE Admin. Code 100](#) and [Del. C., Title 14, Ch. 1, IV](#);
- Implementing a system of Response to Intervention (RTI) in accordance with the charter as well as [14 DE Admin. Code Title 14 Ch. 12](#);
- Implementing mandated programming in accordance with the terms of state and federal grants, as applicable; and
- Implementing mandated programming in accordance with the conditions and assurances for federal funds, as applicable.

**Measure 1c.**

**Is the school fulfilling legal responsibilities for students with disabilities (SWDs)?**

2016-2017	2017-2018	2018-2019
Meets Standard	Meets Standard	Meets Standard

Consistent with the school’s status and responsibilities as a Local Education Agency (LEA), the school materially complies with applicable laws, rules, regulations, and provisions of the charter relating to the education of students with identified disabilities and those suspected of having a disability (including the [Individuals with Disabilities Education Act](#) (IDEA), [Section 504 of the Rehabilitation Act of 1973](#), and the [Americans with Disabilities Act](#)), including requirements for:

- Identification and referral;
- Access to the school’s facilities and programs for students and parents in a lawful manner and consistent with students’ abilities;
- Operational compliance to include the academic program, assessments, and all other aspects of the school’s program and responsibilities;
- Implementation of student Individualized Education Plans (IEPs) and Section 504 plans; and
- Discipline, including due process protections, manifestation determinations, and other identified state and federal requirements.

**Measure 1d.**

**Is the school fulfilling responsibilities for English Learners (ELs)?**

2016-2017	2017-2018	2018-2019
Meets Standard	Meets Standard	Meets Standard

Consistent with the school’s status and responsibilities as an LEA, the school materially complies with applicable laws, rules, regulations, and provisions of the charter relating to the education of students identified as English Learners ([U.S. Department of Education/Office of Civil Rights](#), Title III of the [Every Student Succeeds Act \(ESSA\)](#), and [Del.C., Title 14 Section 900 Special Populations, 920 Educational Programs for English Language Learners](#)), including requirements for:

- Policies for serving EL students and properly identifying students in need of EL services;
- Access to the program for students and parents as required by law and consistent with students’ abilities;
- Operational compliance, including the academic program, assessments, and all other aspects of the school’s program and responsibilities;
- Provision of student EL services;
- Implementation of accommodations on assessments; and
- Exit of students from EL services and ongoing monitoring of exited students.

## 2. GOVERNANCE AND REPORTING

### Measure 2a.

Is the school fulfilling essential governance and public stewardship responsibilities?

2016-2017	2017-2018	2018-2019
Approaching Standard	Far Below Standard	Meets Standard

The school materially complies with applicable laws, rules, regulations, and provisions of the charter relating to governance by its board including but not limited to:

- Board composition and membership requirements, pursuant to [Del. C., Title 14, Ch. 5, §512 \(1-2\)](#);
- Board policies, including those related to oversight of a management organization, if applicable, and including but not limited to: Board bylaws, state open meeting laws, Articles of Incorporation, and State Code of Conduct pursuant to [Del. C., Title 29, Ch. 100](#), [Del. C., Title 14, Ch. 5, §512 \(14\)](#), and [Del. C., Del. C., Title 14, Ch. 5, § 504 Corporate status](#);
- Board training as required by statute, pursuant to [Del. C., Title 14, Ch. 5, §512\(15\)](#) and [Del. C., Title 14, Ch. 18, §1803](#);
- Citizen Budget Oversight Committee (CBOC) regulations and training as required by statute, pursuant to [Del. C., Title 14, Ch. 15](#), [Del. C., Title 14, Ch. 15 §1508](#), and [14 Del. Admin. Code 736](#);
- Conflicts of interest, paperwork, and processes pursuant to [Del. C., Title 29, Ch. 58, §5805](#); and
- Conduct of meetings and other business in accordance with the requirements of [Del. C., Title 29, Ch. 100](#).

### Measure 2b.

Does the governing board oversee and evaluate school management?

2016-2017	2017-2018	2018-2019
Meets Standard	Meets Standard	Meets Standard

The school materially complies with applicable laws, rules, regulations, and provisions of the charter relating to oversight of school management, including:

- Ensuring the leadership carries out the school plan for evaluating student and school performance pursuant to [Del. C., Title 14, Ch. 5, §512 \(5\)](#);
- Annually evaluating management according to state-approved criteria, if applicable, pursuant to [Del. C., Title 14, Ch. 12, §1270](#) and [14 Del. Admin. Code 108A](#); and
- (For schools contracting with Education Service Providers) Overseeing and maintaining authority over management, holding it accountable for performance as agreed under a written services agreement, and requiring annual financial reports of the education service provider pursuant to [Del. C., Title 14, Ch. 5, §512 \(14\)](#).

### Measure 2c.

Is the school fulfilling reporting requirements?

2016-2017	2017-2018	2018-2019
Meets Standard	Meets Standard	Meets Standard

The school materially complies with applicable laws, rules, regulations and provisions of the charter relating to relevant reporting requirements to the school’s authorizer, state education agency, district education department, and/or federal authorities, including:

- All state and federal reporting requirements pursuant to [Del. C., Title 14, Ch. 5, §513](#); and
- Reporting requirements related to conditions placed on the charter.

### 3. STUDENTS AND STAFF

#### Measure 3a.

Is the school protecting the legal rights of all students?

2016-2017	2017-2018	2018-2019
Meets Standard	Meets Standard	Meets Standard

The school materially complies with applicable laws, rules, regulations, and provisions of the charter relating to the rights of students, including:

- Policies and practices related to admissions, lottery, waiting lists, fair and open recruitment, and implementation of preferences, enrollment (including rights to enroll or maintain enrollment);
- Security and access to student records under the Family Educational Rights and Privacy Act and other applicable authorities;
- Access to documents maintained by the school under Delaware’s Freedom of Information Act and other applicable authorities;
- Transfer of student data to DDOE pursuant to [Del. C., Title 14, Ch. 5, §512 \(13\)](#);
- Due process protections, privacy, and civil rights; and
- Conduct of discipline and attendance pursuant to [Del. C., Title 14, Ch. 5, §512 \(11\)](#), including discipline hearings, suspension, and expulsion policies and practices. (Note: Proper handling of discipline processes for students with disabilities is addressed more specifically in Section 1.c.)

#### Measure 3b.

Is the school following requirements on staff certification and hiring?

2016-2017	2017-2018	2018-2019
Meets Standard	Meets Standard	Meets Standard

The school materially complies with applicable laws, rules, regulations, and provisions of the charter relating to state certification requirements and background checks in accordance with [Del. C., Title 14, Ch. 5, §507 \(c\)](#), 14 Del. [Admin. Code 745](#), and [14 Del. Admin. Code 275, 12](#).

## 4. FACILITIES, TRANSPORTATION, HEALTH, AND SAFETY

### Measure 4a.

Is the school meeting facilities, transportation, health and safety requirements?

2016-2017	2017-2018	2018-2019
Meets Standard	Approaching Standard	Meets Standard

The school materially complies with applicable laws, rules, regulations, and provisions of the charter relating to the school facilities, grounds, transportation, safety, and the provision of health-related services pursuant to [Del. C., Title 14, Ch. 5, §512 \(12\)](#), including:

- Fire inspections and related records including the requirements of [Del. C., Title 29, Ch. 82, § 8237](#);
- Viable certificate of occupancy or other required building use authorization;
- Documentation of requisite insurance coverage pursuant to [Del. C., Title 29, Ch. 29](#);
- Provision of student transportation in accordance with [Del. C., Title 14, Ch. 5, §508](#) and 14 [Del. Admin. Code §1150](#);
- Required nursing services and dispensing of pharmaceuticals 14 [Del. Admin. Code 800 regulations](#);
- Provision of a no- or low-cost breakfast or lunch under a [federal national school breakfast or lunch program](#) in compliance with [State Regulations](#)—only applicable to schools utilizing SNAP/TANF; and
- Emergency management plan as required Del. C., [Title 29, Ch. 82, § 8237](#).

## SUMMARY AND OVERALL RATING

### Gateway Lab Charter School

Year	1a	1b	1c	1d	2a	2b	2c	3a	3b	4a	OVERALL RATING
2016-2017	M	M	M	M	AS	M	M	M	M	M	Meets Standard
2017-2018	M	M	M	M	F	M	M	M	M	AS	Approaching Standard
2018-2019	M	M	M	M	M	M	M	M	M	M	Meets Standard

### HISTORICAL DATA (SY 11/12- SY 15/16)

In the years prior to SY16/17 a school received one of the three ratings below:

<b>Meets Standard</b>
<b>Does Not Meet Standard</b>
<b>Far Below Standard</b>

Rating targets for each measure can be referenced on the Organizational Section of the [Delaware Performance Framework](#). Further clarifications for each measure’s data and methodology can be referenced in the [Organizational Framework Guidance Document](#). School performance on each measure is presented below.

Each measure is weighted equally with discretion of the Authorizer incorporated to determine an overall rating.

## SUMMARY AND OVERALL RATING FOR PREVIOUS YEARS

### Gateway Lab Charter School

Year	1a	1b	2*	3a	3b	3c	4a	4b	4c	4d	5a	5b	6	OVERALL RATING
2012-2013	M	M	*	M	M	M	M	D	M	M	M	M	M	Does Not Meet Standard
2013-2014	M	M	*	M	M	M	M	M	D	M	M	M	M	Meets Standard
2014-2015	M	M	*	M	M	M	M	M	D	N/R	M	M	M	Meets Standard
2015-2016	M	M	*	M	M	M	M	M	M	N/R	M	M	M	Meets Standard

## **DESCRIPTION OF PREVIOUS YEARS MEASURES:**

### **1. EDUCATION PROGRAM**

- 1a. Is the school implementing the essential terms of the charter's education program as defined in the current charter, and complying with applicable state and federal requirements?
- 1b. Is the school compliant with legal requirements for students with disabilities and English Learners?

### **2\*. FINANCIAL MANAGEMENT AND OVERSIGHT**

*\* Data for this measure is now included in the Financial Performance Framework*

### **3. GOVERNANCE AND REPORTING**

- 3a. Is the school complying with governance requirements?
- 3b. Is the school holding management accountable?
- 3c. Is the school complying with reporting requirements?

### **4. STUDENTS AND EMPLOYEES**

- 4a. Is the school protecting the rights of all students?
- 4b. Is the school meeting attendance goals?
- 4c. Is the school meeting all staff credentialing requirements?
- 4d. Is the school respecting employee rights?

### **5. SCHOOL ENVIRONMENT**

- 5a. Is the school complying with facilities and transportation requirements?
- 5b. Is the school complying with health and safety requirements?

### **6. ADDITIONAL OBLIGATIONS**

- 6. Is the school complying with all other obligations?

**Performance Framework Reports :: DRAFT Financial Performance  
Report 2018-19**

# Financial Framework Report GATEWAY LAB CHARTER SCHOOL

Reporting Period: July 1, 2018 to June 30, 2019

Beginning in SY16/17 for each measure, a school receives one of three ratings:

Meets Standard
Approaching Standard
Far Below Standard

In the years prior to SY16/17 a school received one of the three ratings below:

Meets Standard
Does Not Meet Standard
Far Below Standard

Rating targets for each measure can be referenced on the Organizational Section of the [Delaware Performance Framework](#). Further clarifications for each measure’s data and methodology can be referenced in the [Financial Framework Guidance Document](#). School performance on each measure is presented below.

Each measure is weighted equally with discretion of the Authorizer incorporated to determine an overall rating.

*The school has elected to submit a response to one or more measures to provide context of not meeting standard(s). The statements made therein are not made by or on behalf of Delaware Department of Education.*

## 1. NEAR TERM INDICATORS

### Measure 1a. Current Ratio:

*Current Assets divided by Current Liabilities*

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
1.93	2.09	2.75	2.75	3.54

The current ratio measures a school’s ability to pay its obligations over the next twelve months. The preferred result is more than 1.0, which indicates that the school’s current assets exceed its current liabilities.

### School Response To Rating:(Max 1100 Characters)

**Measure 1b. Days Cash:**

*Cash divided by (Total Expenses / 365)*

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
74	79	88	118	126

The days cash on hand ratio indicates how many days a school can pay its expenses without another inflow of cash. The preferred result is more than 60 days cash.

**School Response To Rating:(Max 1100 Characters)**

**Measure 1c. Enrollment Variance:**

*Actual Enrollment as of September 30 divided by Authorized Enrollment*

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
98%	98%	102%	88%	80%

The enrollment variance depicts actual versus authorized enrollment. A school budgets based on projected enrollment but is funded based on actual enrollment; therefore , a school that fails to meet its enrollment targets may not be able to meet its budgeted expenses. The preferred result is more than 95%.

**School Response To Rating:(Max 1100 Characters)**

**Measure 1d. Default, Loan Covenants, & Debt Service Payments**

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
No	No	No	No	No

This metric addresses whether or not a school is meeting its loan covenants and / or is delinquent with its debt service payment, as noted in the notes accompanying the audited financial statements. A school which cannot meet the terms of its loan may be in financial distress.

School Response To Rating:(Max 1100 Characters)

## 2. SUSTAINABILITY INDICATORS

Measure 2a. Total Margin:

*Net Income divided by Total Revenue*

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
1 YR: -4.64%	1 YR: 1.1%	1 YR: 2.42%	1 YR: 2.62%	1 YR: 2.58%
3 YR: 2.03%	3 YR: -1.4%	3 YR: -0.07%	3 YR: 2.07%	3 YR: 2.54%

Total margin measures the deficit or surplus a school yields out of its total revenues ; in other words, whether or not the school is living within its available resources. The preferred result is a positive margin for the past year and the past 3 years.

School Response To Rating:(Max 1100 Characters)

Measure 2b. Debt to Asset Ratio:

*Total Liabilities divided by Total Assets*

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
0.41	0.43	0.38	0.37	0.31

The debt to asset ratio compares the school's liabilities to its assets, or what a school owes against what it owns. The preferred result is less than 0.90.

School Response To Rating:(Max 1100 Characters)

Measure 2c. Cash Flow

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
1 YR: \$-165387	1 YR: \$156274	1 YR: \$219815	1 YR: \$366213	1 YR: \$48381
3 YR: \$-419007	3 YR: \$-9113	3 YR: \$376089	3 YR: \$586028	3 YR: \$414594

Cash flow indicates the trend in the school’s cash balance over a period of time. This measure is similar to days cash on hand, but indicates long-term stability versus near-term. Since cash flow fluctuations from year-to-year can have a long-term impact on a school’s financial health, this metric assesses both three-year cumulative cash flow and annual cash flow. The preferred result is greater than zero.

**School Response To Rating:(Max 1100 Characters)**

**Measure 2d. Debt Service Coverage Ratio:**

$$(Net\ Income + Depreciation + Interest\ Expense) / (Principal\ and\ Interest\ Payments)$$

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
N/R	N/R	N/R	N/R	N/R

The debt service coverage ratio indicates a school’s ability to cover its debt obligations in the current year.

**School Response To Rating:(Max 1100 Characters)**

**3. FINANCIAL MANAGEMENT AND OVERSIGHT**

2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
M	M	M	M	M

This measure assesses the timeliness of reporting, the implementation of the Citizen Budget Oversight Committee, and the adherence to the policies and procedures of the First State Financial Management System.

School Response To Rating:(Max 1100 Characters)

### District

Gateway Lab School

### Head of School

Catheran Dolan

### Grade Served

3-8

### School Narrative

The Gateway Lab School (GLS) philosophy is based on the belief that children, who have struggled to achieve academic success in the traditional school environment and learn differently, have the capacity to achieve academic success and to realize individual learning potential. The teachers and staff of Gateway Lab School are committed to developing a sense of inquiry and love of learning in each student. This is accomplished by providing interventions in the areas of reading, oral and written language, math, science, social studies and motor skills with a focus on individualized, arts-integrated learning.

## Demographics

<b>Total Enrollment</b>	189
<b>American Indian/Native American:</b>	0.5%
<b>African American</b>	48.7%
<b>Asian</b>	2.1%
<b>Hawaiian/Pacific Islander</b>	0.5%
<b>Hispanic</b>	7.9%
<b>White</b>	38.6%
<b>Multiracial</b>	1.6%
<b>Low Income</b>	42.9%
<b>Students with Disabilities</b>	57.1%
<b>English Language Learners</b>	1.6%

## Overall School Performance

### Academic Achievement

30% of Overall Performance

Students that are proficient have a greater likelihood of entry and success in education and career training beyond high school.

### Academic Growth

40% of Overall Performance

Schools with strong growth demonstrate a greater ability to improve student learning over time.

### On Track to Graduation

10% of Overall Performance

Students who are on-track are more likely to complete high school on time, as well as succeed in education and training beyond high school.

### College and Career Preparation

20% of Overall Performance

Students that maintain or grow to proficiency are more likely to be prepared for success in education and career training beyond high school.

2017-18**

# Financial Framework Report

## GATEWAY LAB CHARTER SCHOOL

Reporting Period: July 1, 2017 to June 30, 2018

Published: January 11, 2019

Beginning in SY16/17 for each measure, a school receives one of three ratings:

Meets Standard
Approaching Standard
Far Below Standard

In the years prior to SY16/17 a school received one of the three ratings below:

Meets Standard
Does Not Meet Standard
Far Below Standard

Rating targets for each measure can be referenced on the Organizational Section of the [Delaware Performance Framework](#). Further clarifications for each measure’s data and methodology can be referenced in the [Financial Framework Guidance Document](#). School performance on each measure is presented below.

Each measure is weighted equally with discretion of the Authorizer incorporated to determine an overall rating.

*The school has elected to submit a response to one or more measures to provide context of not meeting standard(s). The statements made therein are not made by or on behalf of Delaware Department of Education.*

### 1. NEAR TERM INDICATORS

#### Measure 1a. Current Ratio:

*Current Assets divided by Current Liabilities*

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
2.4	1.93	2.09	2.75	2.75

The current ratio measures a school’s ability to pay its obligations over the next twelve months. The preferred result is more than 1.0, which indicates that the school’s current assets exceed its current liabilities.

**Measure 1b. Days Cash:**

*Cash divided by (Total Expenses / 365)*

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
95	74	79	88	118

The days cash on hand ratio indicates how many days a school can pay its expenses without another inflow of cash. The preferred result is more than 60 days cash.

**Measure 1c. Enrollment Variance:**

*Actual Enrollment as of September 30 divided by Authorized Enrollment*

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
96%	98%	98%	102%	88%

The enrollment variance depicts actual versus authorized enrollment. A school budgets based on projected enrollment but is funded based on actual enrollment; therefore, a school that fails to meet its enrollment targets may not be able to meet its budgeted expenses. The preferred result is more than 95%.

**School Response To Rating:**

The Gateway Lab School Board and Administration is aware of the enrollment variance and is implementing practices internally and externally (as shared above) to bring our enrollment to >100% for the 2019-2020 school year. There was a further decline in enrollment for the current school year (2018-2019), due to administrative turnover and the reasons mentioned previously. We believe that the enrollment and retention strategy that we are implementing will be instrumental in increasing and retaining enrollment.

**Measure 1d. Default, Loan Covenants, & Debt Service Payments**

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
No	No	No	No	No

This metric addresses whether or not a school is meeting its loan covenants and / or is delinquent with its debt service payment, as noted in the notes accompanying the audited financial statements. A school which cannot meet the terms of its loan may be in financial distress.

## 2. SUSTAINABILITY INDICATORS

### Measure 2a. Total Margin:

*Net Income divided by Total Revenue*

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
1 YR: -1.07%	1 YR: -4.64%	1 YR: 1.1%	1 YR: 2.42%	1 YR: 2.62%
3 YR: 6.61%	3 YR: 2.03%	3 YR: -1.4%	3 YR: -0.07%	3 YR: 2.07%

Total margin measures the deficit or surplus a school yields out of its total revenues ; in other words, whether or not the school is living within its available resources. The preferred result is a positive margin for the past year and the past 3 years.

### Measure 2b. Debt to Asset Ratio:

*Total Liabilities divided by Total Assets*

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
0.32	0.41	0.43	0.38	0.37

The debt to asset ratio compares the school's liabilities to its assets, or what a school owes against what it owns. The preferred result is less than 0.90.

### Measure 2c. Cash Flow

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
1 YR: \$-253620	1 YR: \$-165387	1 YR: \$156274	1 YR: \$219815	1 YR: \$366213
3 YR: \$360038	3 YR: \$-419007	3 YR: \$-9113	3 YR: \$376089	3 YR: \$586028

Cash flow indicates the trend in the school's cash balance over a period of time. This measure is similar to days cash on hand, but indicates long-term stability versus near-term. Since cash flow fluctuations from year-to-year can have a long-term impact on a school's financial health, this metric assesses both three-year cumulative cash flow and annual cash flow. The preferred result is greater than zero.

**Measure 2d. Debt Service Coverage Ratio:**

*(Net Income + Depreciation + Interest Expense) / (Principal and Interest Payments)*

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
N/R	N/R	N/R	N/R	N/R

The debt service coverage ratio indicates a school's ability to cover its debt obligations in the current year.

### 3. FINANCIAL MANAGEMENT AND OVERSIGHT

2013-2014	2014-2015	2015-2016	2016-2017	2017-2018
M	M	M	M	M

This measure assesses the timeliness of reporting, the implementation of the Citizen Budget Oversight Committee, and the adherence to the policies and procedures of the First State Financial Management System.

## Charter School Renewal Report

### Requirements Under the Law

The charter school law (14 *Del. C.* § 514A) outlines the provisions that the Delaware Department of Education (DDOE) follows for charter renewal and nonrenewal. The DDOE is required to review the preliminary performance of the charter school to determine its compliance with its charter and its satisfaction of the criteria set forth in this title for the purposes of renewal or nonrenewal<sup>1</sup>. 14 *Del. C.* § 514A (c) states that,

(c) No later than April 30, the approving authority shall issue a charter school renewal report and charter renewal application guidance to any charter school whose charter will expire the following year. The renewal report shall summarize the charter school's performance record to date, based on the data required by 79 *Del. Laws*, c. 51 and the charter contract, and shall provide notice of any weaknesses or concerns perceived by the approving authority concerning the charter school that may jeopardize its position in seeking renewal if not timely rectified. The charter school shall have 10 working days to respond to the renewal report and submit any corrections or clarifications for the report.

## I. OVERVIEW

### 1.1 Basic Information

Review the following chart with the school’s basic information:

BASIC INFORMATION	
<b>Name of School</b>	Gateway Lab Charter School
<b>Year School Opened</b>	2011
<b>Enrollment 2018-2019 <sup>2</sup></b>	172
<b>Approved Enrollment</b>	226 (SY 2018-19)
<b>School Address</b>	2501 Centerville Rd, Wilmington, DE 19808
<b>District(s) of Residence</b>	Red Clay Consolidated School District
<b>Website Address</b>	<a href="http://www.gatewaylabschool.org/">http://www.gatewaylabschool.org/</a>
<b>Name of School Leader</b>	Catherine Dolan
<b>School Leader Email and Phone Number</b>	Catherine.dolan@gls.k12.de.us (302) 633-4091
<b>Name of Board President</b>	Joyce Henderson
<b>Board President Email</b>	joyce.henderson@gls.k12.de.us
<p><b>Mission Statement:</b> The mission of Gateway Lab School is to provide an extraordinary educational opportunity for children who are struggling to achieve academic success in a traditional school environment, utilizing research-based intervention strategies and a highly tailored, arts-based learning environment that seeks to identify and capitalize on a student’s strengths and interests. To become a resource to the community as a center for the professional development and education of teachers, parents and students by providing access to the latest research-based curriculum, technology and training.</p>	

## 1.2 School Demographic Data:

Review the following chart with the school’s demographics at the time of submission (all information must be verifiable through state reporting tools):

ENROLLMENT & DEMOGRAPHIC INFORMATION				
	2015-2016 <sup>2</sup>	2016-2017 <sup>2</sup>	2017-2018 <sup>2</sup>	2018-2019 <sup>2</sup>
Total Enrollment	212	221	189	172
Gender				
% Male	66.51%	64.71%	64.55%	70.35%
% Female	33.49%	35.29%	35.45%	29.65%
Ethnicity/Race				
% African American	29.72%	38.91%	48.68%	47.09%
% American Indian		0.45%	0.53%	0.58%
% Asian	1.42%	1.36%	2.12%	1.16%
% Hispanic/Latino	7.55%	8.60%	7.94%	9.88%

% English Language Learners	0.94%	1.36%	1.59%	5.23%
% Low-Income	31.13%	38.46%	42.86%	37.79%

<b>School Comments 2017-2018</b>	This data element was added in the SY 16/17. The school was not required to provide a response for this information.
--------------------------------------	--

<b>School Comments 2016-2017</b>	<p>Our enrollment of 221 students in FY2017 was 2.3% above the authorized enrollment level. This enrollment level was below the +5% threshold (i.e., 226 students) which would have required a minor charter modification.</p> <p>Our Waiting List numbers reflect our office records, since we have found any such records in the Data Service Center. The Waiting List numbers for GLS in 2016-2017, by grade, were as follows:</p> <p>3rd Grade – 0            4th Grade – 0            5th Grade – 5 students            6th Grade – 4 students</p>
--------------------------------------	---

	7th Grade – 7 students 8th Grade - 0
--	---

<b>School Comments 2015-2016</b>	This data element was added in the SY 16/17. The school was not required to provide a response for this information.
--------------------------------------	--

### 1.3 Approved Minor and Major Modifications:

The table lists any approved minor and/or major modifications over the course of the school’s current charter term.

Date	Modification Requested	Outcome
--	--	--

<b>School Comments 2017-2018</b>	This data element was added in the SY 16/17. The school was not required to provide a response to this information.
--------------------------------------	---

<b>School Comments 2016-2017</b>	<p>We feel it is helpful to reiterate our chronology of charter modifications in this section.</p> <p>On 28-Dec-2009 we applied for our original charter. The first year of school operation was FY2012</p> <p>On 02-Jan-2013, during our second year of operation (FY2013), we applied for a minor charter modification to maintain our grade configuration at Grades 3-8 with a maximum enrollment of 216.</p> <p>On 29-Apr-2013, during our second year of operation (FY2013), we applied for a minor charter modification to alter and enhance our school facility in support of our Academic Clubs program.</p> <p>On 20-Mar-2014, during our third year of operation (FY2014), we applied for a major charter modification to grant a waiver for an enrollment preference for students at risk of academic failure and to establish our eligibility for the Alternative Academic Performance Framework.</p> <p>In each instance, these aforementioned charter modifications were granted.</p> <p>On 30-Sep-2014 we applied for renewal of our charter, as modified to-date. Our charter was renewed. The current charter term is for FY2016 through FY2020.</p> <p>As of 30-Jun-2017 we have not applied for any additional charter modifications.</p>
--------------------------------------	--

### DOE Summary:

Gateway Lab Charter School's enrollment has declined over the course of its charter term. In SY 15/16 and 16/17, the school's enrollment variance exceeded 95%, but in SY 17/18 and SY 18/19, the school's enrollment variance was 83% and 76%, respectively.

### School Comments 2017-2018

This data element was added in the SY 16/17. The school was not required to provide a response to this information

### School Comments 2016-2017

Our enrollment of 221 students in FY2017 was 2.3% above the authorized enrollment level. This enrollment level was below the +5% threshold (i.e., 226 students) which would have required a minor charter modification.

	<p>Our Waiting List numbers reflect our office records, since we have found any such records in the Data Service Center. The Waiting List numbers for GLS in 2016-2017, by grade, were as follows:</p> <p>3rd Grade – 0 4th Grade – 0 5th Grade – 5 students 6th Grade – 4 students 7th Grade – 7 students 8th Grade - 0</p>
--	--

<b>School Comments 2015-2016</b>	<p>This data element was added in the SY 16/17. The school was not required to provide a response to this information.</p>
--------------------------------------	--

### 1.5 Reenrollment Trends

Review the following chart with the school’s reenrollment data. The reenrollment rate<sup>3</sup> is the % of students continuously enrolled in the school from one year to the next.

School Reenrollment Trends								
	2015-2016		2016-2017		2017-2018		2018-2019	
	Number of Students Reenrolled Count	Percentage of Students Reenrolled %	Number of Students Reenrolled Count	Percentage of Students Reenrolled %	Number of Students Reenrolled Count	Percentage of Students Reenrolled %	Number of Students Reenrolled Count	Percentage of Students Reenrolled %
<b>Total/Avg</b>	138	76.67%	147	85.96%	136	75.56%	121	80.67%

\*\* School entry grade level. Reenrollment data not collected for this grade level.

<b>DOE Summary:</b>
In SY 15/16, Gateway Lab Charter School reenrolled 76.67% of the students eligible for reenrollment. In SY 16/17, the school reenrolled 85.96% of the students eligible for reenrollment. In SY 17/18, the school reenrolled 80.67% of the students eligible for reenrollment.

<b>School Comments 2017-2018</b>	Gateway Lab School has been challenged with administrative and teacher turnover in the last few years. Some of the administrative turnover was due to circumstances outside of the school’s control. Ensuring that the school’s administrative and teaching staff understood and had the support to carry out the school mission presented a challenge for the Board. In part, lack of a defined mission and vision has resulted in attrition in our re-enrollment. Due to an unexpected vacancy in school leadership in 2018, the GLS Board hired former HOS, Catherine Dolan to serve in the capacity of Acting HOS and former HOS, Pam Draper to serve as Business Manager. Marlin White is serving as Interim Principal. Additionally, founding Board members, Joyce Henderson and Sherlock Hack have returned as Board President and Treasurer respectively. Together, Board members and the administrative team are working together to ensure that our mission and academic expectations are clearly defined for both teachers, students and families. Parent surveys will be sent out in early 2019 inform the Board and administration of parent satisfaction levels. Additionally, the Board has begun a three-year strategic planning process that will serve to shore up challenge areas and chart a plan for growth over the next 3-5 years. Lack of consistent, reliable bus transportation is another factor that has contributed to some parents choosing to enroll their children in their district school.
----------------------------------	--

<b>School Comments 2016-2017</b>	Our enrollment of 221 students in FY2017 was 2.3% above the authorized enrollment level. This enrollment level was below the +5% threshold (i.e., 226 students) which would have required a minor charter modification.  Our Waiting List numbers reflect our office records, since we have found any such
----------------------------------	--

--------------------------------------	--

## II. Academic Performance

### Changes in the Academic Framework

From School Year (SY) 2014-15 through SY 2017-18, the academic performance of all charter schools was evaluated using the Delaware School Success Framework that were publishing annually. In December 2015, Congress reauthorized the Elementary and Secondary Education Act, the main federal law governing public education. The Every Student Succeeds Act (ESSA) replaced the No Child Left Behind Act (NCLB). ESSA implementation began in 2017-18 school year.

### 2.1 Delaware Alternative Academic Performance Framework

#### Overall Academic Ratings

Metrics	Delaware Alternative Academic Performance Framework		
	2015-2016	2016-2017	2017-2018
Academic Achievement	2 Stars (52.84/150pts) Needs Improvement	2 Stars (59/150pts) Needs Improvement	1 Stars (20.48/150pts) Far Below
Growth	2 Stars (64.7/200pts) Needs Improvement	5 Stars (200/200pts) Exceeds	4 Stars (155.9/200pts) Meets Standard
On Track to Graduation	5 Stars (48.56/50pts) Exceeds	5 Stars (47/50pts) Exceeds	5 Stars (48.14/50pts) Exceeds
College and Career Preparation	1 Stars (5.72/100pts) Far Below	2 Stars (20.3/100pts) Needs Improvement	3 Stars (45.36/100pts) Approaching

#### DOE Summary:

In SY 15/16, Gateway Lab School received ratings of “Meets” or “Exceeds” in 1 out of 4 DSSF metrics. In SY 16/17, the school received ratings of “Meets” or “Exceeds” in 2 out of 4 DSSF metrics. From SY 15/16 to SY 16/17, the school’s points earned for Academic Achievement increased 6.16 points from 52.84/150 (“Needs Improvement”) points to 59/150 points (“Needs Improvement”). From SY 15/16 to SY 16/17, the school’s points for Growth increased 135.5 points from 64.7/200 points (“Needs Improvement”) to 200/200 points (“Exceeds”). From SY 15/16 to SY 16/17, the school’s points earned for On Track to Graduation remained consistently high at 48.56/50 points (“Exceeds”) and 47/50 points (“Exceeds”), respectively. From SY 15/16 to SY 16/17, the school’s points earned for College and Career Preparation increased 14.58 points from 5.72/100 points (“Far Below”) to 20.3/100 points

("Needs Improvement").

In SY 17/18, the school received ratings of "Meets" or "Exceeds" in 2 out of 4 DSSF metrics. From SY 16/17 to SY 17/18, the school's points earned for Academic Achievement decreased 38.52 points from 59/150 ("Needs Improvement") points to 20.48/150 points ("Far Below"). From SY 16/17 to SY 17/18, the school's points for Growth decreased 44.1 points from 200/200 points ("Exceeds") to 155.9/200 points ("Meets"). From SY 16/17 to SY 17/18, the school's points earned for On Track to Graduation remained consistently high at 47/50 points ("Exceeds") and 48.14/50 points ("Exceeds"), respectively. From SY 16/17 to SY 17/18, the school's points earned for College and Career Preparation increased 25.06 points from 20.3/100 points ("Needs Improvement") to 45.36/100 points ("Approaching").

<b>School Comments 2017-2018</b>	School did not provide a response.
--------------------------------------	------------------------------------

<b>School Comments 2016-2017</b>	<p>Gateway Lab School realized academic gains in the 2016-2017 school year. Based on MAP growth targets set by the NWEA (versus 2015 norms), our students achieved the following:</p> <ul style="list-style-type: none"><li>• Spring MAP, Reading: 80% of students met their growth targets</li><li>• Spring MAP, Math: 75% of students met their growth targets</li></ul> <p>Further data on MAP results is included in Appendix-1.</p> <p>Alignment with Common Core Standards was a strong component in the on-going lesson planning and core curriculum development for all grade levels. Professional development focused on the integration of an arts-infused curriculum, small group instruction, and analyzing grade-level text. These strategies were consistently monitored by way of on-going classroom walkthroughs and DPAS II feedback. GLS works with the Delaware Academy of School Leadership ("DASL") on professional development.</p> <p>A resource room (B setting) was created to deliver individualized instruction in a small group setting. This setting maximized learning for students in grades 3-8. Students were observed to thrive academically and developmentally in this setting as evidenced by an uptick in academic progress by all students in this room. It was also noted that a decrease in target behaviors eventuated in this setting. Behavior modification protocols were utilized to assist all students with executive functioning and working memory.</p> <p>Grade-level teaching staff have similar planning times to allow for ongoing synchronicity of lessons and curriculum delivery. Morning meetings with teachers and paraprofessionals also facilitates a community of professionals working cohesively to support the students.</p> <p>Another major challenge in our Academic Achievement score was the verbiage used in SBAC questions. It was noted that many students had difficulty</p>
--------------------------------------	--

understanding the questions based on the way in which the questions were worded. It was not apparent if the students' struggle was with the comprehension of the question itself, the background knowledge of the student, or the manner in which the question was presented. In many instances, students verbalized that they were afraid to face disappointment as a result of trying their best but not obtaining the score they desired

In addressing our College Career Preparation score, our 6-8 grade students will attend the Transition Conference in December 2017. All students in grades 6-8 with an IEP are encouraged to attend, along with their IEP team, to collaborate and understand the goal-setting process. Our objective is to build and enhance a student-led IEP process within our academic setting.

Our student population presents with specific learning challenges, and as we found during the 2016-2017 school year many also exhibit behavioral disorders. Many Gateway students have comorbid diagnoses which can inhibit the academic achievement that might be realized with a more typical learner. During the 2016-2017 school year, behaviors typically created a disruption in classroom instruction which may account for gaps in student performance. Additionally, we acknowledge a challenge with one of our math instructors (who has subsequently been replaced) that resulted in some inconsistencies in instruction. We have worked to address these issues during the 2017-2018 school year by implementing several modifications to our behavior and academic programs.

**Note:** School comments for SY 15/16 : <https://www.doe.k12.de.us/Page/2654>

## Performance Agreement

### Academic Performance Expectations

Gateway Lab School's overall academic rating is "Does Not Meet Standard." By SY2018, our expectation is to achieve the overall rating of ""Meets"" or ""Exceeds "" standard as measured by the Academic Performance Framework. Each year, we will show growth within our overall rating putting us on track to achieve our academic performance expectations. This progress will be monitored through our annual performance review.

#### DOE Summary:

In SY 15/16, Gateway Lab Charter School exceeded the standard in 1 metric area of the Delaware Alternative Academic Performance Framework. The school was rated "Needs Improvement" in academic achievement and growth, the 2 metric areas that were below standard. In SY 16/17 the school exceeded the standard in 2 of the 4 metric areas. Gateway Lab Charter School exceeded in the following metric areas: growth and on track to graduation of the Delaware Alternative Academic Performance Framework. In SY 17/18, the school met 2 of 4 metric areas (academic achievement and on track to graduation). The school was rated "Far Below" on academic achievement metric and "Approaching" on the college and career metric.

#### School Comments 2017-2018

Gateway's Alternative Academic performance shows mixed results across the board. The school is meeting the standards as it pertains to growth and "on track to graduation". We are approaching standards in College and Career Readiness and Far Below standards in Academic Achievement. We feel strongly that our student's growth and "on track to graduation" measures are a significant indicator of the future academic and social emotional growth of our student population as they approach high school.

#### School Comments 2016-2017

Underlying our Academic Performance is the relatively-high percentage (54%) of students who need targeted Special Education instruction. This percentage is even higher in school year 2017-2018.

With respect to school year 2016-2017, our enrollment of 221 students included the following Special Education classifications:

47 Basic Students	21% of all students
52 Intensive Students	24% " " " "
20 Complex Students	9% " " " "

We are encouraged by our students' growth (MAP Growth, norm referenced) and believe that we are likely to reach an overall rating of "Meets" standard by SY 2018, as measured by the Alternative Academic Performance Framework.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

## 2.2 Academic Achievement/Proficiency Data

DSSF Definition: *Proficiency* in a given subject is the percent of students who are on grade level (i.e., proficient) in said subject.

Academic Achievement	Delaware Alternative Academic Performance Framework					
	2015-2016		2016-2017		2017-2018	
Rating	2 Stars (52.84/150pts) Needs Improvement		2 Stars (59/150pts) Needs Improvement		1 Stars (20.48/150pts) Far Below	
	School	State	School	State	School	State
ELA	9.03 %	26.80 %	20.00 %	40.00 %	10.35 %	50.53 %
Math	6.23%	21.40 %	8.67%	35.00 %	2.89%	42.32 %
Science	11.05%	22.40 %	18.01%	38.45 %	n/a	n/a
Social Studies	11.73%	32.20 %	n/a	n/a	n/a	n/a

### DOE Summary:

Gateway Lab Charter School was rated “Needs Improvement” in both SY 15/16 and SY 16/17 and rated “Far Below” in SY 17/18 for Academic Achievement. Proficiency rates in ELA have been below the State average and increased from SY 15/16 to SY 16/17 but decreased again in SY17/18. Proficiency rates in math have been below the state average for the past three years. Proficiency rates in science have been below the state average for SY 15/16 and SY 16/17. In SY 17/18, the school was rated “Far Below” for Academic Achievement. ELA proficiency was at 10.35%, which was 40.18% less than the State average (50.23%). Math proficiency was at 2.89%, which was lower than the State average (39.43%). Social studies proficiency data was only available for SY15/16 and the school’s proficiency was below the State average.

### a) Academic Achievement ratings over the course of the charter term

<b>School Comments 2017-2018</b>	Gateway Lab School’s student population reflects nearly 60% of students with identified special education needs, in addition to approximately 42% of students classified as Low Income. Understanding that these students often perform poorly on standardized testing, the Department of Education approved an alternative framework to measure the progress of our students. As our “Meets Requirements” rating indicates for the Growth measure, Gateway students are making strides in their progress to the goal. Administrator turnover contributed to uneven outcomes in student performance as teachers did not always have the guidance and data-driven support needed to implement the curriculum and arts-integration standards to maximize student outcomes.
--------------------------------------	--

<b>School Comments 2016-2017</b>	<p>Over 54% of our students require targeted special education instruction; in addition, approximately 30% of our students present with specific behavioral disorders and needs that can inhibit academic achievement. During the 2017-2018 school year, we have worked to more specifically address these challenges in order to support student academic growth. We recognize that behavioral interruptions created interruptions in academics for students and we have implemented a more consistent school-wide behavior intervention plan to ensure that we are increasing student time on task during instruction.</p> <p>Additionally, we have worked with our special education team to ensure that our school provide each student with the least restrictive environment (LRE). We also recognized a need to make greater use of student performance data during the school year in order to identify student growth and needs as well as better target classroom instruction and specific interventions. This includes PLC discussions involving the data from the MAP assessment as well as the addition of the iReady program to provide more specific information about student performance. This increased focus on instruction and academic performance will support enhancements to our program that will allow us to make progress toward our goals on the Alternative Academic Performance Framework.</p>
--------------------------------------	--

**b) Expected outcomes for Academic Achievement**

<b>School Comments 2017-2018</b>	<p>As positive student growth measures continue, we expect to see our student’s academic achievement increase over time as well. With experienced Administrators guiding, training and evaluating our teaching staff against expectations, there is cohesion of purpose in our building toward this goal. Some of the most recent, impactful changes include the implementation of new curriculum (Wonders for grades 3-6 and Collections for grades 7 &amp;8), re-establishment of an RTI block of instructional time with the most experienced teachers providing Tier 3 instruction, the less experienced or novice teachers working with Tier 2 students and our “specials” teachers providing enrichment activities for our students on grade level. Our school schedule has been changed to put more emphasis on academic rigor. The school’s new administration and Board are placing an emphasis on Gateway’s original mission and vision – Arts Integrated classroom instruction, Responsive Classroom social skills acquisition and remediation of reading skills through Wilson Reading.</p>
--------------------------------------	---

<b>School Comments 2016-2017</b>	<p>In addition to MAP and iReady (new in SY 2017), our RTI program has become more rigorous with the addition of a five day per week RTI Lab. This lab enables Tier III students to be instructed and assessed with a better degree of individualized instruction.</p>
--------------------------------------	--

**c) Progress measures to track expected Academic Achievement outcomes**

<b>School Comments 2017-2018</b>	Gateway will measure progress toward expected Academic Achievement outcomes by using the state data tracking tools – eSchool, Data Service Center (attendance, progress monitoring, behavior referrals and other tools) to provide data driven instruction for all students. These tools were underutilized in the past.
--------------------------------------	--

<b>School Comments 2016-2017</b>	<p>Gateway will measure progress by use of monthly SBAC Interim Assessments. This frequency will help to develop our staff proficiency in administering this test, and our students will become more adept at navigating this test as well as understanding the content of the questions.</p> <p>With additional formative and summative assessments, Gateway utilizes the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP), a norm-referenced, adaptive assessment tool. MAP formative assessments are administered three times throughout the year, providing us with specific data related to the needs of individual students and thereby allowing for more targeted instruction within RTI groups and regular classroom instruction.</p>
--------------------------------------	--

**Note:** School comments for SY 15/16 can be found at: <https://www.doe.k12.de.us/Page/2654>

## 2.3 Growth Data

DSSF Definition: Growth measures how well schools are doing at improving student learning over time. This metric is a relative calculation of student progress as compared to students with similar assessment history on statewide summative assessments.

Growth	Delaware Alternative Academic Performance Framework					
	2015-2016		2016-2017		2017-2018	
Rating	2 Stars (64.7/200pts) Needs Improvement		5 Stars (200/200pts) Exceeds		4 Stars (155.9/200pts) Meets Standard	
	School	State	School	State	School	State
ELA	17.00 %	47.00 %	44.00 %	42.00 %	35.00 %	47.00 %
Math	17.00 %	48.00 %	47.00 %	47.00 %	35.00 %	43.00 %

### DOE Summary:

Gateway Lab Charter School was rated “Meets” in SY 17/18 and rated “Needs Improvement” in SY 15/16 for the growth metric. Proficiency rates in ELA and Math exceeded the state average in SY 16/17.

### a) School's Growth ratings for all students over the course of the charter term

<b>School Comments 2017-2018</b>	Gateway Lab School’s Growth performance is Meets. In spite of the turnover in staff, Gateway students showed growth because the school’s culture, climate and academic supports are designed to provide students with support that is not typically available in traditional classrooms. Student support comes in many forms. Some of the most significant in the past year, includes a full-time on-site Wilson Reading teacher who pulls identified students school-wide for specialized reading instruction, small class size and the ability to measure student progress up to three times per year through NWEA MAP testing which allows teachers to identify areas of academic weakness throughout the year.
--------------------------------------	--

<b>School Comments 2016-2017</b>	<p>Based on MAP growth targets set by the NWEA, our students achieved the following:</p> <ul style="list-style-type: none"> <li>• Spring MAP, Reading: 80% of students met their growth targets</li> <li>• Spring MAP, Math: 75% of students met their growth targets</li> </ul> <p>Further data on MAP results is included in Appendix-1.</p> <p>A resource room (B setting) was created to deliver individualized instruction in a</p>
--------------------------------------	--

	<p>small group setting. This setting maximized learning for students in grades 3-8. Students were observed to thrive academically and developmentally in this setting as evidenced by an uptick in academic progress by all students in this room. It was also noted that a decrease in target behaviors eventuated in this setting. Behavior modification protocols were utilized to assist all students with executive functioning and working memory.</p> <p>Professional Development consisted of a strong emphasis in behavior management along with social skills and executive functioning. These sessions assisted staff with the necessary management techniques for use in the classroom.</p> <p>See Appendix-2 (PD Agenda)</p> <p>Gateway welcomes students with a variety of learning differences. During the 2017-2018 school year, we have worked to more specifically address these challenges in order to support student academic growth. We recognize that behavioral interruptions created interruptions in academics for students and we have implemented a more consistent school-wide behavior intervention plan to ensure that we are increasing student time on task during instruction. Additionally, we have worked with our special education team to ensure that our school is in fact the least restrictive environment for a student. We also recognized a need to make greater use of student performance data during the school year in order to identify student growth and needs as well as better target classroom instruction and specific interventions. This includes PLC discussions involving the data from the MAP assessment as well as the addition of the iReady program to provide more specific information about student performance. This increased focus on instruction and academic performance will support enhancements to our program that will allow us to make progress toward our goals on the Alternative Academic Performance Framework.</p>
--	--

**b) Expected outcomes for Growth for all students**

<b>School Comments 2017-2018</b>	Our expectation is that our students will continue to Meet or Exceed the standard for Growth going forward. The steps currently in place include NWEA MAP assessments which measures growth from Fall to Winter to Spring based on the individual student’s projected outcomes. Teachers have set goals in Component V of the DPAS II evaluation for their students and are measured by their student’s results. This was not done with fidelity in previous years. Returning to this practice will improve outcomes.
--------------------------------------	---

<b>School Comments 2016-2017</b>	We believe that our students’ growth measures will continue to trend in an upward direction largely due to (i) our everyday practices aimed at a high level of individualized instruction; (ii) tiered supports in the classroom and throughout the school building; and (iii) our hiring of more experienced staff.
--------------------------------------	--

	<p>Other steps to support growth for all students will be as follows:</p> <ul style="list-style-type: none"> <li>• Our teaching staff will provide tutoring when needed</li> <li>• RTI will occur daily. Eight (or fewer) students will be in each RTI group during all RTI cycles</li> <li>• All necessary accommodations will be provided during Smarter Balanced assessment with reemphasis on fidelity to each student’s IEP. These accommodations will be reviewed far in advance with all test administrators to ensure that the accommodations are sufficient and available and that the staff is ready.</li> </ul>
--	--

**c) Progress measures to track Growth for all students**

<b>School Comments 2017-2018</b>	Gateway will measure progress toward expected Growth outcomes by using NWEA MAP testing, state data tracking tools – eSchool, Data Service Center (progress monitoring) and teacher DPAS Component V goals to provide data driven instruction for all students.
--------------------------------------	---

<b>School Comments 2016-2017</b>	Gateway will measure progress by keeping data on each MAP testing cycle. Gateway will keep track of data from RTI curriculum (DIBELS, Failure Free Reading, STAR, Wilson Reading, and Study Island) to maintain flexible grouping. A Curriculum Instructor will ensure implementation of our curriculum through weekly team meetings with teachers in grade-level groups and as individuals.
--------------------------------------	--

**Note:** School comments for SY 15/16 can be found at: <https://www.doe.k12.de.us/Page/2654>

## 2.4 On Track Graduation Data

DSSF Definition: In elementary and middle schools, attendance data are used to calculate On Track to Graduation Metric. In high schools, the data for the calculation of the On Track in 9th Grade metric is gathered from course credit information and statewide assessment data.

On Track to Graduation	Delaware Alternative Academic Performance Framework					
	2015-2016		2016-2017		2017-2018	
Rating	5 Stars (48.56/50pts) Exceeds		5 Stars (47/50pts) Exceeds		5 Stars (48.14/50pts) Exceeds	
	School	State	School	State	School	State
Attendance	97.12 %	94.40 %	93.84 %	94.75 %	96.28 %	97.91%
On-Track in the 9th grade	**	84.80 %	**	89.45 %	**	92.92 %
4-year Cohort Graduation Rate <sup>5</sup>	**	84.35 %	**	84.66 %	**	85.75 %
5-year Cohort Graduation Rate	**	85.84 %	**	85.60 %	**	85.63 %
6-year Cohort Graduation Rate	**	Not calculated at the state level	**	Not calculated at the state level	**	Not calculated at the state level

\*\* The school did not service students in the grade levels assessed by this metric.

<b>DOE Summary:</b>
Gateway Lab Charter School was rated “Exceeds” in the previous three years on the On Track to Graduation metric. The school has also exceeded the State average for the percentage of students on-track to graduation for the past three years.

### a) On Track to Graduation ratings over the course of the charter term

<b>School Comments 2017-2018</b>	Gateway Lab School’s current rating is Exceeds. As mentioned previously, we are using the DSC tools to track attendance, in addition to our Guidance Counselor’s regular outreach to our families though regular follow up, student attendance contracts and meetings to encourage consistent attendance. Most importantly, we hear from parents that their students want to be in school and hate to miss a day.
----------------------------------	---

<b>School Comments 2016-2017</b>	Gateway serves its community of learners in a smaller than average setting which allows our staff to be more familiar with families, students and intraday student attendance. Case management practices are highly diligent in how they address all students’ current needs as well as transition planning for the students’ futures.
----------------------------------	--

**b) Expected outcomes for On Track to Graduation**

<b>School Comments 2017-2018</b>	The school expects to continue to Exceed the requirements for On Track to Graduation. Outside of tracking attendance and staying in touch with families, we have several events that are designed to encourage student expectations and planning around graduation. GLS hosts an annual High School Night each October to help students and families choose wisely for success. Other activities include Career Day and attendance at the Delaware Transition Conference to help students to prepare for college and career. Our Guidance Counselor assists with helping students to prepare for and write their essays for entrance to area Vo-Tech schools.
--------------------------------------	---

<b>School Comments 2016-2017</b>	In keeping with the above-mentioned support of our students, there is every reason to anticipate that On Track to Graduation rates will remain consistent with or grow from their current levels.
--------------------------------------	---

**c) Progress measures to monitor On Track to Graduation outcomes**

<b>School Comments 2017-2018</b>	We measure progress through Cognos reports, DSC reports and close follow up with parents and students that have attendance challenges.
--------------------------------------	--

<b>School Comments 2016-2017</b>	Informed by our data collection, analyses and school records -- and coupled with consistent instructional and support services -- we will continue to meet/exceed our On Track to Graduation outcomes.
--------------------------------------	--

**Note:** School comments for SY 15/16 can be found at: <https://www.doe.k12.de.us/Page/2654>

## 2.5 College & Career Preparation Data

DSSF Definition: This metric gives an indication of whether students are growing enough to be proficient in the future. **For elementary and middle schools**, Growth to Proficiency in ELA and Math is based on 3 years of statewide assessment data, including Smarter assessment data and up to 3 years of DCAS, the prior statewide summative assessment. **For high schools:** *College and Career Preparation* is the percent of students who have demonstrated preparation for education and career training after high school through Smarter, AP, IB, SAT, Career and Technical Education (CTE) pathways, and dual enrollment.

College & Career Preparation	Delaware Alternative Academic Performance Framework					
	2015-2016		2016-2017		2017-2018	
Rating	1 Stars (5.72/100pts) Far Below		2 Stars (20.3/100pts) Needs Improvement		3 Stars (45.36/100pts) Approaching	
	School	State	School	State	School	State
Growth to Proficiency ELA	2.00 %	34.00 %	11.25 %	36.00 %	20.00 %	41.00 %
Growth to Proficiency Math	1.00 %	18.00 %	1.86 %	20.00 %	13.00 %	31.00 %
College & Career Preparation	n/a	n/a	n/a	n/a	n/a	n/a

\*\* The school's N-size for this metric was less than 20.

### DOE Summary:

Gateway Lab Charter School has shown continuous improvement on the college and career preparation metric. The school was rated "Far Below" in SY 15/16, improved to "Needs Improvement" in SY 16/17 and further improved to "Approaching" in SY 16/17 on the College and Career Preparation metric. Growth to proficiency in ELA improved from 2% to 11% from SY 15/16 to SY 16/17 but fell below State averages. Growth to proficiency in math improved from 1% to 1.86% from SY 15/16 to SY 16/17 but fell below State averages.

### a) College and Career Preparation ratings over the course of the charter term

<b>School Comments 2017-2018</b>	Please see responses in 2.2a and 2.3a
--------------------------------------	---------------------------------------

<b>School Comments 2016-2017</b>	The majority of our students struggle with academic proficiency due to the nature of their learning differences. The mission of Gateway Lab School is to address these challenges by offering smaller classroom sizes, innovative learning opportunities via arts integration, and unique individualized learning plans. We acknowledge that our current proficiency levels need improvement, and we aim to meet/exceed standards of the Alternative Academic Performance Framework through instruction and supports which are informed by our MAP growth
--------------------------------------	---

measures.

Over the past year we have established an in-house “B setting” classroom to further enhance the learnings of our more complex students. This is specifically for ELA and Math. In addition, we have a dedicated Wilson reading Program in the building to enhance our students’ reading level and skills.

### **b) Expected outcomes for College and Career Preparation**

#### **School Comments 2017-2018**

We will continue to provide avenues for our students to prepare for and obtain resources to prepare them for college and career. Vo-Tech schools, where a number of students enroll is career preparation for those who may not choose college. We support and encourage students to apply for and enroll in schools where they will be most successful.

#### **School Comments 2016-2017**

As we prepare our students for graduation, we have also paired with several community partners to assist our students with proper individual post-GLS placement in Career and College preparatory programs. We have established a Career Transition Element into each student’s IEP or 504 Plan focusing on areas of interest where our students would like to see themselves after high-school.

One excellent example is the recent opportunity one of our more challenged students had, to go and work in a local bakery – Cakes by Kim – in Wilmington. This student has been invited back to work and learn more about this potential career path as often as she would like. This student is now considering pursuing Culinary Arts at either Delcastle Technical High School or at McKean High School.

This is just one example that we are looking to further build upon. We are also considering building our own early-Vocational Technical Program to help give our student even more opportunities in the future.

In addition, we will further look to increase our Community Outreach in order to bring in local people to share their work experience and fields of expertise. We recently had one of our board members – a chemical engineer at DuPont – come in and talk about his experience as an engineer to one of our 4th grade classes.

### **c) Progress measures to track College and Career Preparation outcomes**

#### **School Comments 2017-2018**

We will continue to use NWEA MAP testing to measure student growth toward proficiency. We plan to continue to utilize the activities mentioned above in addition to implementing plans for a CTE curriculum in the near future.

**School Comments  
2016-2017**

In offering job shadow experiences prior to graduation, we will measure progress based on the completion of the activity/task of each student's transition plan.

In the same context as described in part (b) above, we will be able to measure our level of success by how our students are accepted at the various job shadow experiences and frequency of returns to each specific work site.

**Note:** School comments for SY 15/16 can be found at: <https://www.doe.k12.de.us/Page/2654>

### III. ORGANIZATIONAL PERFORMANCE

The Organizational Performance Framework reflects expectations the charter school is required to meet through state and federal law and the charter performance agreement, and seeks to provide information regarding these key questions:

- Is the school organizationally sound and well operated?
- Is the school fulfilling its legal obligations and sound public stewardship?
- Is the school meeting its obligations and expectations for appropriate access, education, support services, and outcomes for students with disabilities?

#### 3.1 Mission Specific Goal(s)

Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable?

**1a. Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable?**

*As a school that focuses on high needs students, our goal is to have students increase performance in Reading skills.*

Essential Question indicator 1a. Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable				
Staff				
Measure	Definition of Rating	Data Source	Data Collection Process	Measure
Students will demonstrate growth on the MAP assessment.	<p>Exceeds Standard -The school has at least 80 percent of all students meeting their growth target using MAP</p> <p>Meets Standard -The school has between 60 and 79 percent of all students meeting their growth target using MAP</p> <p>Does Not Meet Standard - The school has between 40 and 59 percent of all students meeting their growth target using MAP</p> <p>Falls Far Below Standard-The school has less than 40 percent of all students meeting their growth target using MAP</p>	Gateway Lab School provided data from MAP to demonstrate that the school is meeting standard in their mission specific goal. This data contains PII and therefore has not been posted publically.	PDF Upload and entry into system by DOE.	1a1

#### DOE Summary:

Gateway Lab Charter School has one mission specific goal to demonstrate growth on the MAP assessment. The school was rated “Meets” on its mission specific goal.

#### a) Mission Specific Goal(s).

<b>School Comments 2017-2018</b>	With more than three complete changes in administrative staff since our first year, there have been notable challenges to the fidelity of our mission. Board assessment of the effects of the turnover and mission creep, lead to a concerted effort to implement changes at the end of SY2017-2018 to guide the school back to its established mission as defined by our charter. Despite the challenges, students are showing progress on many fronts. Foundationally, GLS has remained strong organizationally and financially. This has helped us implement necessary academic supports and staff that our children need to meet their goals. As we
----------------------------------	---

move forward with dedicated, skilled administrators, teachers and Board members, we believe that our students are on a trajectory that will lead to tremendous academic and social emotional growth. The Board is strengthening its oversight and professional development by working with seasoned consultants, Delaware Association for Non-profit Advancement (DANA) for Board training and Digitus, a well-known Delaware education consultant for school-wide strategic planning. Acting Head of School, Catherine Dolan has returned to Gateway to ensure that the mission of the school is defined and implemented with fidelity. Gateway was established as a school “where arts are the Gateway to learning”. Since most teachers do not receive education or training on how to design arts-integrated lessons, there have been challenges with school staff understanding how to integrate the arts into their lessons in a dynamic, rigorous way. This year, Dr. Linda Krakaur was hired to work with the teachers and paraprofessional staff monthly. Dr. Krakaur specializes in training teachers’ curriculum development using “inquiry-based” arts integration. Three cohorts are rotating through hands-on training in lesson planning using various art forms – visual, music, drama and movement. Teachers are receiving intensive training on Responsive Classroom, our social skills curriculum. Gateway has a dedicated Wilson Reading instructor whose students have exceeded their goals and have advanced between 1-3 years of progress in reading in a single year. Teachers and support staff participate in daily morning professional development covering special education, lesson planning, classroom management and data-driven instruction to name a few.

**Note:** This data element was added in the SY 16/17. The school was not required to provide a response to this information.

### 3.2 Organizational Performance

Note: Please utilize the hyperlink in this sentence for more information about the [Organizational Performance Framework](#).

2017-2018	M	M	M	M	F	M	M	M	M	AS	Approaching Standard

**DOE Summary:**

Gateway Lab Charter School has met all standards measured by the Organizational Performance Framework annually for SY 14/15, SY 15/16, and SY 16/17. However, in SY 17/18, the school received an overall rating of "Approaching."

**a) School's organizational performance over the current charter term**

<b>School Comments 2017-2018</b>	The school's overall rating for Organizational Performance is Approaching Standard. We did not meet the standard in 2a – Governance & Public stewardship. The Board and Administration have taken steps to ensure that the areas of weakness that led to deficiencies in both 2a and 4a measures have been addressed
--------------------------------------	--

**b) Changes to organizational practices that the school has implemented to improve the school's organizational outcomes**

<b>School Comments 2017-2018</b>	Please see Section 2
--	----------------------

c) Indicator measure where school did not meet standard or is approaching standard

**School Comments  
2017-2018**

## **2. GOVERNANCE AND REPORTING**

### **Measure 2a.**

**Is the school fulfilling essential governance and public stewardship responsibilities?**

**DOE Rating Information:**

---

No topic listed for executive session 11/17,10/17. Board training needed 12/17, 11/17, 10/17. CBOC composition violation 10/17. CBOC minutes missing 10/17,9/17,8/17.

---

**School Response To Rating:**

---

The Board of Directors has restored a process to track Board training for new and existing members. Treasurer Sherlock Hack is working with the current Board to recruit additional members to the CBOC and ensure the proper composition of the committee. On November 12, 2018 the Board received Board training with Paul Stock from DANA.

---

## **4. FACILITIES, TRANSPORTATION, HEALTH, AND SAFETY**

### **Measure 4a.**

**Is the school meeting facilities, transportation, health and safety requirements?**

**DOE Rating Information:**

---

Failed Cafeteria Evaluation due to discrepancies.

---

**School Response To Rating:**

In order to ensure that GLS is meeting all of the required measures in our school nutrition program, the school entered into a partnership with Red Clay Nutrition in 2016-2017 to run our school nutrition program. This partnership has resulted in greater efficiencies and helped us overcome the challenges of running the program with a small staff and limited budget.

## Performance Agreement

### Organizational Performance Expectations

*Gateway Lab School's overall organizational rating is Meets Standard. Each year, we will be on track to demonstrate performance aligned with those organizational performance expectations. This progress will be monitored through our annual performance review.*

#### DOE Summary:

Gateway Lab Charter School has met all standards measured by the Organizational Performance Framework annually for SY 14/15, SY 15/16, and SY 16/17. However, in SY 17/18, the school received an overall rating of "Approaching."

#### School Comments 2017-2018

Gateway's overall organizational performance is Approaching Standards. The Gateway administrative staff and Board of Directors have implemented processes to address the areas of deficiency noted above. Board training and accountability for meeting the required posting and training requirements have been implemented. Our partnership with Red Clay Nutrition has provided the assurance that we are in compliance with our cafeteria requirements.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

### 3.3 Board Financial and Governance Members and Training

a) In accordance with Del. 14 §512 (15), the school shall have a satisfactory plan to ensure the effectiveness of its board of trustees, including governance trainings conducted for any new board members and at a minimum of once every 3 years.

#### Board Financial and Governance Training

First Name	Last Name	Term Begin Date	Term End Date	Role/Title	Financial Training Date	Governance Training Date
Kenyatta	Austin	4/26/2017		Community Member	7/25/2017	
Joyce	Henderson	10/7/2017		Member	12/30/2017	
Tina	Horgan	1/17/2017		Parent Representative	2/2/2017	
Doreen	Rathmell	9/7/2018		Teacher Representative	10/2/2018	
Sherlock	Hack			Community Member	10/14/2018	
Larry	Heredia			Community Member	12/2/2018	
Doug	Salter			Community Member	11/27/2018	
Heidi	Shanus				8/27/2018	

#### DOE Summary:

Gateway Lab Charter School’s Board of Directors is currently in compliance with Board Membership and Financial and Governance Training requirements.

#### School Comments 2017-2018

To date, the GLS Board is compliant with financial training requirements

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

b) Pursuant to [14 Del. Admin. Code 736](#) 6.1 Each member of a Citizen Budget Oversight Committee shall attend and receive a Certificate of Completion for the Citizen Budget Oversight Committee training within the allotted timeframe of his/her appointment to a Citizen Budget Oversight Committee. Provided further, additional training may be required from time to time as determined by the Department.

### Citizen Budget Oversight Committee Membership & Trainings

First Name	Last Name	Term Begin Date	Term End Date	Role/Title	Financial Training Date
Pam	Draper			Community Member	7/1/2012
Richard	Riggs	8/9/2015		DOE Representative	11/30/2015
Dorcell	Spence			Consultant	7/1/2007
Sherlock	Hack	7/26/2018			10/14/2018
Tara	Ford				10/7/2018

#### DOE Summary:

Gateway Lab Charter School's Citizen Budget Oversight Committee is in compliance with membership and financial training requirements.

#### School Comments 2017-2018

The GLS CBOC is fully compliant with financial training requirements.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

### 3.4 Teacher Retention

2016-2017			2017-2018		
% of Teachers RETAINED	# of Teachers RETAINED	# of Teachers ELIGIBLE	% of Teachers RETAINED	# of Teachers RETAINED	# of Teachers ELIGIBLE
100	24	24	74	14	19

**DOE Summary:**

From SY16/17 to SY17/18, Gateway Lab Charter School’s teacher retention rate decreased from 100% to 74%.

**a) School’s plans to monitor and minimize teacher attrition rates**

<b>School Comments 2017-2018</b>	The Gateway Lab School Board has implemented a practice of conducting exit interviews with teachers who leave. There are a variety of reasons. Better pay is a top response. Gateway like many charter schools cannot compete with district teacher salaries. Other reasons include misalignment with the school mission and vision and uncertainty as a result of administrative turnover.
--------------------------------------	---

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

**b) School’s professional development plans support teachers and leadership.**

<b>School Comments 2017-2018</b>	The new leadership on the GLS Board and Administration has put into action a clear plan for reestablishing the school mission and vision. In the current school year, teachers are receiving on-going professional development in Arts Integration, Social Skills training, and analyzing and using data to inform student outcomes. In 2016, the school applied for and received grants from the Longwood Foundation and The Laffey McHugh Foundation to provide tuition reimbursement to teachers as a means of attracting and retaining teachers.
--------------------------------------	--

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

## IV. FINANCIAL PERFORMANCE

### 4.1 Financial Performance

Note: Please utilize the hyperlink in this sentence for more information about the [Financial Performance Framework](#).

Financial Performance Framework Ratings	Near Term Indicators				Sustainability Indicators				Financial Management and Oversight	Overall Rating
	Current Ratio	Days Cash	Enrollment Variance	Default, Loan Covenants, & Debt Service Payments	Total Margin	Debt Asset Ratio	Cash Flow	Debt Service Coverage Ratio		
Year	1a	1b	1c	1d	2a	2b	2c	2d	3	
2015-2016	M	M	M	M	D	M	F	N/R	M	Meets Standard
2016-2017	M	M	M	M	M	M	M	N/R	M	Meets Standard
2017-2018	M	M	AS	M	M	M	M	N/R	M	Meets Standard

#### DOE Summary:

Gateway Lab Charter School has maintained an overall rating of meets standard for the past three years on the Financial Performance Framework. The school has met all measures as assessed by the Financial Performance Framework metrics excluding cash flow (2c) in SY 15/16.

#### a) School's financial performance over the current charter term

<b>School Comments 2017-2018</b>	<p>Gateway Lab School has received a rating of Meets Standard overall with a rating of Approaching Standard in 1c – Enrollment Variance. There are a number of measures that the current administration is taking to increase and steady enrollment:</p> <ul style="list-style-type: none"> <li>• Clearly define the school’s mission and core values internally and externally</li> <li>• Reinforce our school mission to staff and ensure that teachers, paras and specialists are provided with the ongoing professional development and assessment needed to implement our program with fidelity</li> <li>• Create marketing and communications that provides a clear understanding of our arts-integrated curriculum</li> <li>• Share student success stories (past and present) along with student growth data to stakeholders and prospective families</li> </ul>
----------------------------------	--

	<ul style="list-style-type: none"> <li>• Communicate with our families by classroom and school-wide on a consistent basis and evaluate parent/guardian satisfaction via a mid-year survey</li> </ul> <p>Engage internal and external stakeholders in our school-wide strategic planning taking place in SY2018-2019</p>
--	---

**b) Financial practices that the school has implemented to improve the school's financial outcomes**

<p><b>School Comments 2017-2018</b></p>	<p>Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school’s strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.</p>
---	--

c) Indicator measure where school did not meet standard or is approaching standard

School Comments  
2017-2018

1. NEAR TERM INDICATORS

Measure 1c. Enrollment Variance:

*Actual Enrollment as of September 30 divided by Authorized Enrollment*

2017-2018
88%

The enrollment variance depicts actual versus authorized enrollment. A school budgets based on projected enrollment but is funded based on actual enrollment; therefore, a school that fails to meet its enrollment targets may not be able to meet its budgeted expenses. The preferred result is more than 95%.

School Response To Rating:

The Gateway Lab School Board and Administration is aware of the enrollment variance and is implementing practices internally and externally (as shared above) to bring our enrollment to >100% for the 2019-2020 school year. There was a further decline in enrollment for the current school year (2018-2019), due to administrative turnover and the reasons mentioned previously. We believe that the enrollment and retention strategy that we are implementing will be instrumental in increasing and retaining enrollment.

School Comments 2016-2017	School comments for SY 15/16 can be found at: <a href="https://www.doe.k12.de.us/Page/2654">https://www.doe.k12.de.us/Page/2654</a>
------------------------------	--

School Comments 2015-2016	School comments for SY 14/15 can be found at: <a href="https://www.doe.k12.de.us/Page/2654">https://www.doe.k12.de.us/Page/2654</a>
------------------------------	--

## Performance Agreement

### Financial Performance Expectations

*Gateway Lab School's overall financial rating is Meets Standard. Each year, we will be on track to demonstrate economic viability and achieve our financial performance expectation. This progress will be monitored through our annual performance review.*

#### DOE Summary:

In SY17/18, Gateway Lab Charter School received an overall financial rating of Meets Standard.

#### School Comments 2017-2018

Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school's strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

**How the school developed and implemented a corrective action plan in response to audit findings (if applicable)**

<b>DOE Summary:</b>
Not Applicable.

<b>School Comments 2017-2018</b>	N/A
--------------------------------------	-----

<b>School Comments 2016-2017</b>	<p>As recommended by a recent specific audit of our P-card practices, we will undertake a periodic additional review of the Executive Director’s P-Card usage by one or more members of the GLS board on no less than a quarterly basis. This additional oversight will ensure a proper separation of duties and reporting lines for review of financial transactions. Our current P-card record-and-receipt-keeping practices were deemed adequate in the P-card audit.</p> <p>Our full financial audit was conducted by Barbacane Thornton and Company. The key findings of the audit were as follows:</p> <ul style="list-style-type: none"> <li>• GLS’ Net Position reflects an ending balance of \$427,503 - an increase over prior year;</li> <li>• GLS’ Governmental Funds reflect ending balance of \$877,223 - an increase over prior year;</li> <li>• GLS has no debt;</li> <li>• The auditor did not identify any material deficiencies in internal controls;</li> <li>• The GLS financial statements present its financial position fairly, in all material respects; and</li> <li>• The audit report was submitted to the State by the September 30, 2017 deadline.</li> </ul>
--------------------------------------	---

<b>School Comments 2015-2016</b>	
--------------------------------------	--

## V. INNOVATION

### School's innovative practice(s) that could be replicated at other schools in Delaware

<b>School Comments 2017-2018</b>	The school did not provide a response
<b>School Comments 2016-2017</b>	<p>At GLS we have an above-average percentage of students with developmental disabilities and learning differences. Examples include hearing impairment and disorders such as autism spectrum, attention deficit, oppositional defiant, bipolar and conduct. The composition of our student population calls on us to innovate in certain ways:</p> <ul style="list-style-type: none"><li>• For example, we believe that a foundation of solid emotional growth is a precondition for strong academic growth and to this end we successfully blend the Responsive Classroom approach with Applied Behavior Analysis. This innovation facilitates significant emotional growth in our students. We believe this practice is replicable at other schools in Delaware.</li><li>• Another innovation we have found to be very successful is our Wilson Reading program. We have a specifically trained staff member in the practice of Wilson Reading, and she is also trained to train our instructional staff in how to benefit from Wilson Reading. The innovation here is not only the use of the practice with students, but in the leverage gained through having a central expert act as a resource to all instruction staff. The data in Attachment-1 (MAP data) on the last side ("Wilson Data") illustrates the success of this innovation: 91% of the GLS student who participate in the Wilson Reading program have met their NWEA MAP growth targets. We believe this practice is replicable at other schools in Delaware.</li></ul>

<sup>2</sup>Based on September 30<sup>th</sup> Unit Count

<sup>3</sup> Pursuant to the Family Education Rights and Privacy Act (FERPA) (34 CFR §99), the DDOE applies the following statistical methods to avoid disclosure of personally identifiable information in aggregate reporting.

1. For all data, counts for groups or subgroups with 15 or fewer students are suppressed and represented by “-” in data reports. Complementary suppression of one or more non-sensitive cells in a table may be required so that the values of the suppressed cells may not be calculated by subtracting the reported values from the row and column totals.
2. Only report percentages for grade level reporting within a school and district.
3. Percentages are suppressed when the underlying student counts can be derived for groups or subgroups with 15 or fewer students (i.e., if the number tested and proficient are reported, then the percentage may need to be suppressed).
4. Any percentage above 95 or below 5 will be reported as >95% and <5%, respectively.

## CHARTER SCHOOL RENEWAL APPLICATION QUESTIONS

Please indicate below if the school is applying for a 5-year or 10-year charter:

- 5-year charter  
 10-year charter

Note: To be eligible for a 10-year charter, the school must be entering at least its fourth renewal term and earned overall ratings of Meets or Exceeds every year in all performance frameworks.

Please provide clear, complete, and accurate information in response to each question.

### I. OVERVIEW

**1.1 Basic Information:** Please review the following table for accuracy. Please fill in “Current Enrollment” at time of application submission.

BASIC INFORMATION	
Name of School	Gateway Lab Charter School
Year School Opened	2011
Current Enrollment	<b>177</b>
Approved Enrollment	216/226
School Address	2501 Centerville Rd, Wilmington, DE 19808
District(s) of Residence	Red Clay Consolidated School District
Website Address	<a href="http://www.gatewaylabschool.org/">http://www.gatewaylabschool.org/</a>
Name of School Leader	Catherine Dolan
School Leader Email and Phone Number	Catherine.dolan@gls.k12.de.us (302) 633-4091
Name of Board President	Joyce Henderson
Board President Email	joyce.henderson@gls.k12.de.us
<p><b>Mission Statement:</b> The mission of Gateway Lab School is to provide an extraordinary educational opportunity for children who are struggling to achieve academic success in a traditional school environment, utilizing research-based intervention strategies and a highly tailored, arts-based learning environment that seeks to identify and capitalize on a student’s strengths and interests. To become a resource to the community as a center for the professional development and education of teachers, parents and students by providing access to the latest research-based curriculum, technology and training.</p>	

Our mission statement was revised in our Strategic Plan created in 2016-2017 and streamlined in our most recent Strategic Plan, adopted in 2019.

**Revised Mission Statement: “Our mission is to maximize each student’s academic ability and social growth through innovative arts-based learning in a safe and nurturing environment.”**

**1.2 Enrollment and Demographics:** Please review the following table and complete the last column (SY 2019-20)

	2015-2016 <sup>1</sup>	2016-2017 <sup>1</sup>	2017-2018 <sup>1</sup>	2018-2019 <sup>1</sup>	2019-2020 <sup>1</sup> *

**\* To be completed by the school**

<b>School Comments 2017-2018</b>	This data element was added in the SY 16/17. The school was not required to provide a response to this information
----------------------------------	--

<b>School Comments 2016-2017</b>	<p>Our enrollment of 221 students in FY2017 was 2.3% above the authorized enrollment level. This enrollment level was below the +5% threshold (i.e., 226 students) which would have required a minor charter modification.</p> <p>Our Waiting List numbers reflect our office records, since we have found any such records in the Data Service Center. The Waiting List numbers for GLS in 2016-2017, by grade, were as follows:</p> <p>3rd Grade – 0          4th Grade – 0          5th Grade – 5 students          6th Grade – 4 students</p>
----------------------------------	---

	7th Grade – 7 students 8th Grade - 0
--	---

<b>School Comments 2015-2016</b>	This data element was added in the SY 16/17. The school was not required to provide a response to this information
--------------------------------------	--

---

**Schools are invited but not required to comment on any aspect of the demographic data above in table 1.2.**

Gateway was established to address the needs of students that face difficulties in the traditional classroom environment. Some of our students have identified learning disabilities or 504 plans and some deal with anxiety or need a smaller class setting to maximize their potential. About 2/3 of our student population has consistently been composed of males. We are seeing a rise in African American, Hispanic and Low-Income students and interestingly a decrease in students with disabilities. In the past year, parents and guardians have mentioned that they found our focus on arts-integration and small class size as primary reasons for enrolling their children at Gateway.

Gateway has struggled with filling our 3<sup>rd</sup> grade in our second renewal term. Our original charter application called for the addition of 1<sup>st</sup> and 2<sup>nd</sup> grade in year three and four. The Board filed a modification after the first year of operation to suspend the grade expansion at the advice of outside consultants who recommended that the school focus on strengthening its academic program before expending resources on expansion. As the school moves into its second renewal, the school board and administration are ready to move forward with plans for expansion to grades K-2. The success that we are seeing with our alumni students as they move on to high school and college tells us that the educational strategies that we employ at GLS are working. Most of our students come to us in middle school already years behind their grade-level peers. If we can get them in the door earlier we know that there will be a greater opportunity for tremendous academic and social/emotional growth and proficiency.

---

**1.3 Approved Minor and Major Modifications:** The table lists any approved minor and/or major modifications over the course of the school’s current charter term.

Date	Modification Requested	Outcome
--	--	--

<b>School Comments 2017-2018</b>	This data element was added in the SY 16/17. The school was not required to provide a response to this information
--------------------------------------	--

<b>School Comments 2016-2017</b>	<p>We feel it is helpful to reiterate our chronology of charter modifications in this section.</p> <p>On 28-Dec-2009 we applied for our original charter. The first year of school operation was FY2012</p> <p>On 02-Jan-2013, during our second year of operation (FY2013), we applied for a minor charter modification to maintain our grade configuration at Grades 3-8 with a maximum enrollment of 216.</p> <p>On 29-Apr-2013, during our second year of operation (FY2013), we applied for a minor charter modification to alter and enhance our school facility in support of our Academic Clubs program.</p> <p>On 20-Mar-2014, during our third year of operation (FY2014), we applied for a major charter modification to grant a waiver for an enrollment preference for students at risk of academic failure and to establish our eligibility for the Alternative Academic Performance Framework.</p> <p>In each instance, these aforementioned charter modifications were granted.</p> <p>On 30-Sep-2014 we applied for renewal of our charter, as modified to-date. Our charter was renewed. The current charter term is for FY2016 through FY2020.</p> <p>As of 30-Jun-2017 we have not applied for any additional charter modifications.</p>

--------------------------------------	--

---

**Schools are invited but not required to comment on any aspect of the demographic data above in table 1.4.**

School Leadership has had discussion with the Charter School Office about the school’s approved enrollment number. In the last year the Board and administration was told that our approved enrollment is 226. This is based on a budget-scenario presented during our first renewal in 2014. The budget was presented purely to provide projected revenue based on 105% enrollment. The Board has never sought or formally applied to increase the school’s approved enrollment number of 216.

---

**1.5 Reenrollment Trends** : Please review the following table with the school’s reenrollment trends during the current term of the charter.

School Reenrollment Trends								
	2015-2016		2016-2017		2017-2018		2018-2019	
	Number of Students Reenrolled Count	Percentage of Students Reenrolled %	Number of Students Reenrolled Count	30-Sep Enrollment Count	Number of Students Reenrolled Count	Percentage of Students Reenrolled %	Number of Students Reenrolled Count	Percentage of Students Reenrolled %
<b>Total/Avg</b>	138	76.67%	147	85.96%	136	75.56%	121	80.67%

**DOE Summary:**

In SY 15/16, Gateway Lab Charter School reenrolled 76.67% of the students eligible for reenrollment. In SY 16/17, the school reenrolled 85.96% of the students eligible for reenrollment. In SY 17/18, the school reenrolled 75.56% of the students eligible for reenrollment.

<b>School Comments 2017-2018</b>	<p>Gateway Lab School has been challenged with administrative and teacher turnover in the last few years. Some of the administrative turnover was due to circumstances outside of the school’s control. Ensuring that the school’s administrative and teaching staff understood and had the support to carry out the school mission presented a challenge for the Board. In part, lack of a defined mission and vision has resulted in attrition in our re-enrollment. Due to an unexpected vacancy in school leadership in 2018, the GLS Board hired former HOS, Catherine Dolan to serve in the capacity of Acting HOS and former HOS, Pam Draper to serve as Business Manager. Marlin White is serving as Interim Principal. Additionally, founding Board members, Joyce Henderson and Sherlock Hack have returned as Board President and Treasurer respectively. Together, Board members and the administrative team are working together to ensure that our mission and academic expectations are clearly defined for both teachers, students and families. Parent surveys will be sent out in early 2019 inform the Board and administration of parent satisfaction levels. Additionally, the Board has begun a three-year strategic planning process that will serve to shore up challenge areas and chart a plan for growth over the next 3-5 years. Lack of consistent, reliable bus transportation is another factor that has contributed to some parents choosing to enroll their children in their district school.</p>
----------------------------------	---

<b>School Comments 2016-2017</b>	<p>Our enrollment of 221 students in FY2017 was 2.3% above the authorized enrollment level. This enrollment level was below the +5% threshold (i.e., 226 students) which would have required a minor charter modification.</p> <p>Our Waiting List numbers reflect our office records, since we have found any such records in the Data Service Center. The Waiting List numbers for GLS in 2016-2017, by grade, were as follows:</p> <p>3rd Grade – 0</p>
----------------------------------	--

	4th Grade – 0 5th Grade – 5 students 6th Grade – 4 students 7th Grade – 7 students 8th Grade - 0
--	--

<b>School Comments 2015-2016</b>	This data element was added in the SY 16/17. The school was not required to provide a response to this information
--------------------------------------	--

**Describe the school’s plans to monitor and minimize attrition rates. Provide information about why students are choosing to enroll in different schools.**

---

The student retention rate has hovered between 76%-86% since our last renewal, indicating a fairly high level of parent satisfaction. The Gateway School Board and Administration have taken several steps over the course of the last 18 months to monitor and minimize attrition rates:

1. **Re-alignment of Mission & Vision** – In 2018, Gateway board, staff, parents and community members expressed concern that the school had drifted off of its mission as a school that uses arts-integration and experiential leaning as its core method of teaching students that struggle in a traditional school environment. During 2016-2018, school enrollment suffered due to a lack of clarity about the school’s mission which resulted in student and staff attrition. To address this concern, former GLS Board members and administrative staff returned to their previous roles at the school to get the school back on course with its approved charter. The school enrollment and retention numbers are beginning to respond positively. Student retention increased in SY2019-2020 by 5%. We have seen an increase in total student enrollment in SY 2019-2020 for most grades:

- 3<sup>rd</sup> + 55%
- 4<sup>th</sup> + 100%
- 5<sup>th</sup> +26%
- 6<sup>th</sup> +40%
- 7<sup>th</sup> + 19%
- 8<sup>th</sup> 0%

2. **Implementation of Culture and Climate Improvements** – In SY2018-19, Responsive Classroom, Gateway’s school-wide social/emotional curriculum was restarted with fidelity. Twenty-two (22) new faculty and Paraprofessionals received an intensive, four day Responsive Classroom (RC) training in both FY2019 and FY2020 as well as three additional RC professional development workshops during the school year. Our Gladiator Expectations:

**Help Other Heroes**

**Exhibit Exceptional Effort**

**Respect Self & Others**

**Own Your Actions**

were prominently displayed in classrooms and throughout the school. During weekly “Round-up”

---

---

in the middle and elementary grades, the Head of School and Principal presented “Badges of Honor” to students and staff that were found exhibiting Gladiator Expectations in the classroom and throughout the school. Joint efforts by the Principal, Dean of Students, Academic Dean and Behavior Interventionist to deal with behavior and truancy issues swiftly and thoughtfully has helped to establish firm expectations of all stakeholders and creates a climate of high expectations for personal and professional conduct throughout the building. In the last trimester of SY 2018-2019 behavior reporting from Data Service Center shows only 8.28% of our student population (14 students) with six or more referrals. 116 students had 0-1 referral and 39 students had 2-5 referrals. Positive Behavior Supports in the form of impromptu Block Parties provided additional motivation for students to exhibit good behavior.

3. **Emphasis on Parent Engagement & Student and Community Advocacy** - Over the last 18 months, the school staff has made strides to re-engage parents and to build relationships with community stakeholders and leaders. Gateway Lab School draws students from every school district in New Castle County and our diverse student population and changing family dynamics have made it difficult to draw parents out to attend school events and volunteer at the school. We are focusing our efforts on opportunities to keep in touch with parents and encourage their involvement in their children’s academics and school activities. A monthly school newsletter – Gladiator Gazette and weekly News You Can Use keeps our school community updated on events and school and classroom activities and the Gateway Friends and Family PTO and Parent Advisory Council meet monthly to assist in keeping parents informed and to help plan fundraisers to benefit the school. For SY2019-2020 we have hired a part-time Family Engagement Coordinator with funds from the state-wide Opportunity Grant. The Parent Engagement Coordinator will strengthen our communication with and support to the current and prospective families of Gateway students, particularly those classified as ELL and LI. The Harvard Family Research Project concluded that parental involvement is associated with higher student achievement (<https://globalfrp.org>). The research found that student success was higher in several areas, including standardized test scores, grades and teacher ratings. Students were also more likely to pass their classes, attend school regularly, and have better social skills and move on to post-secondary education when parents are actively involved in their education. In addition to parent engagement we are focused on building deeper relationships with community stakeholders. We have invited state and local representatives, leaders and funders to visit and tour the school to get a better understanding of how we carry out our mission at GLS. Student advocacy is a major component of our educational program. Students regularly participate in social service and community-based educational opportunities like Youth in City Government, Breast Cancer Awareness, Food Bank of Delaware food drive, Kind to Kids Toy Collection, High School Night and Career Week.

Several areas stand out with regard to why students have chosen to enroll in different schools;

1. **Transportation Challenges** – The school bus crisis in Delaware has made charter schools dependent on sub-standard service from contracted transportation companies who pay low wages and have trouble attracting and retaining drivers. We have been challenged with late buses, lack of reliable drivers and keeping travel times on the bus to a reasonable length. The challenges with transportation has led some parents to return to their district school.
2. **School Mission is not a fit for every child** – Like most charter schools, Gateway’s mission and

---

---

methods of delivering instruction are not a fit for every child.

3. **Mission Creep** – An Administration and Board of Directors that did not fully embrace the school’s mission and vision resulted in a lack of clarity for parents and staff. This created uncertainty and disillusionment with the school’s direction. Concerted efforts by the current board and school community have helped to reinforce the mission of Gateway Lab School.
- 
-

## II. Academic Performance

### Changes in the Academic Framework

From School Year (SY) 2014-15 through SY 2017-18, the academic performance of all charter schools was evaluated using the Delaware School Success Framework that were publishing annually. In December 2015, Congress reauthorized the Elementary and Secondary Education Act, the main federal law governing public education. The Every Student Succeeds Act (ESSA) replaced the No Child Left Behind Act (NCLB). ESSA implementation began in 2017-18 school year.

Under ESSA, all public schools must be measured by the same statewide accountability system. Prior to ESSA, charter schools designated to serve students at risk of academic failure could modify their academic Performance Frameworks. Accordingly, Gateway Lab School's academic performance was evaluated annually based on the Delaware Alternative Academic Performance Framework. The academic performance data in this report includes the school's Alternative Academic Performance Framework from SY 2015-16 to SY 2017-18 and DSSF data for SY 2018-19.

## 2.1 Delaware Alternative Academic Performance Framework

### Overall Academic Ratings

Metrics	Overall Academic Ratings		
	2015-2016	2016-2017	2017-2018
Academic Achievement	2 Stars (52.84/150pts) Needs Improvement	2 Stars (59/150pts) Needs Improvement	1 Stars (20.48/150pts) Far Below
Growth	2 Stars (64.7/200pts) Needs Improvement	5 Stars (200/200pts) Exceeds	4 Stars (155.9/200pts) Meets Standard
On Track to Graduation	5 Stars (48.56/50pts) Exceeds	5 Stars (47/50pts) Exceeds	5 Stars (48.14/50pts) Exceeds
College and Career Preparation	1 Stars (5.72/100pts) Far Below	2 Stars (20.3/100pts) Needs Improvement	3 Stars (45.36/100pts) Approaching

#### DOE Summary:

In SY 15/16, Gateway Lab School received ratings of “Meets” or “Exceeds” in 1 out of 4 DSSF metrics. In SY 16/17, the school received ratings of “Meets” or “Exceeds” in 2 out of 4 DSSF metrics. From SY 15/16 to SY 16/17, the school’s points earned for Academic Achievement increased 6.16 points from 52.84/150 (“Needs Improvement”) points to 59/150 points (“Needs Improvement”). From SY 15/16 to SY 16/17, the school’s points for Growth increased 135.5 points from 64.7/200 points (“Needs Improvement”) to 200/200 points (“Exceeds”). From SY 15/16 to SY 16/17, the school’s points earned for On Track to Graduation remained consistently high at 48.56/50 points (“Exceeds”) and 47/50 points (“Exceeds”), respectively. From SY 15/16 to SY 16/17, the school’s points earned for College and Career Preparation increased 14.58 points from 5.72/100 points (“Far Below”) to 20.3/100 points (“Needs Improvement”).

In SY 17/18, the school received ratings of “Meets” or “Exceeds” in 2 out of 4 DSSF metrics. From SY 16/17 to SY 17/18, the school’s points earned for Academic Achievement decreased 38.52 points from 59/150 (“Needs Improvement”) points to 20.48/150 points (“Far Below”). From SY 16/17 to SY 17/18, the school’s points for Growth decreased 44.1 points from 200/200 points (“Exceeds”) to 155.9/200 points (“Meets”). From SY 16/17 to SY 17/18, the school’s points earned for On Track to Graduation remained consistently high at 47/50 points (“Exceeds”) and 48.14/50 points (“Exceeds”), respectively. From SY 16/17 to SY 17/18, the school’s points earned for College and Career Preparation increased 25.06 points from 20.3/100 points (“Needs Improvement”) to 45.36/100 points (“Approaching”).

<b>School Comments</b> 2017-2018	School did not provide a response
-------------------------------------	-----------------------------------

**School Comments  
2016-2017**

Gateway Lab School realized academic gains in the 2016-2017 school year. Based on MAP growth targets set by the NWEA (versus 2015 norms), our students achieved the following:

- Spring MAP, Reading: 80% of students met their growth targets
- Spring MAP, Math: 75% of students met their growth targets

Further data on MAP results is included in Appendix-1.

Alignment with Common Core Standards was a strong component in the on-going lesson planning and core curriculum development for all grade levels. Professional development focused on the integration of an arts-infused curriculum, small group instruction, and analyzing grade-level text. These strategies were consistently monitored by way of on-going classroom walkthroughs and DPAS II feedback. GLS works with the Delaware Academy of School Leadership ("DASL") on professional development.

A resource room (B setting) was created to deliver individualized instruction in a small group setting. This setting maximized learning for students in grades 3-8. Students were observed to thrive academically and developmentally in this setting as evidenced by an uptick in academic progress by all students in this room. It was also noted that a decrease in target behaviors eventuated in this setting. Behavior modification protocols were utilized to assist all students with executive functioning and working memory.

Grade-level teaching staff have similar planning times to allow for ongoing synchronicity of lessons and curriculum delivery. Morning meetings with teachers and paraprofessionals also facilitates a community of professionals working cohesively to support the students.

Another major challenge in our Academic Achievement score was the verbiage used in SBAC questions. It was noted that many students had difficulty understanding the questions based on the way in which the questions were worded. It was not apparent if the students' struggle was with the comprehension of the question itself, the background knowledge of the student, or the manner in which the question was presented. In many instances, students verbalized that they were afraid to face disappointment as a result of trying their best but not obtaining the score they desired.

In addressing our College and Career Preparation score, our 6-8 grade students will attend the Transition Conference in December 2017. All students in grades 6-8 with an IEP are encouraged to attend, along with their IEP team, to collaborate and understand the goal-setting process. Our objective is to build and enhance a student-led IEP process within our academic setting.

Our student population presents with specific learning challenges, and as we found during the 2016-2017 school year many also exhibit behavioral disorders. Many Gateway students have comorbid diagnoses which can inhibit the

academic achievement that might be realized with a more typical learner. During the 2016-2017 school year, behaviors typically created a disruption in classroom instruction which may account for gaps in student performance. Additionally, we acknowledge a challenge with one of our math instructors (who has subsequently been replaced) that resulted in some inconsistencies in instruction. We have worked to address these issues during the 2017-2018 school year by implementing several modifications to our behavior and academic programs.

**Note:** School comments for SY 15/16 : <https://www.doe.k12.de.us/Page/2654>

**a. Based on the table above discuss the school’s academic achievement results, major challenges and accomplishments over the course of the charter term. Evidence should reflect performance during the course of the charter term.**

---

GLS was rated Far Below Expectations in SY 2018-2019 and Needs Improvement in the prior two years. Most students choose Gateway Lab School because they have experienced academic failure and/or social/emotional challenges in their previous school. The majority of the students enter in middle school and a great number of them come at least two years behind in core content subjects with significant learning and executive functioning deficits. Our students have learned to cope in several destructive ways that inhibit their progress. Some examples include; behavior that masks insufficiencies, self-imposed silence and non-participation to cover their deficits. There is no “one size fits all” approach at Gateway. Success looks different for every student, but it is our job to make them feel successful and to let them know they matter.

There are multiple approaches that are implemented to assist these students in accessing the curriculum. Small class sizes, differentiated instruction; small group instruction, use of Responsive Classroom curriculum to build community and social/emotional skill acquisition, experiential learning that engages the whole child and increases retention. Over the last nine years, we have identified the typical student that can benefit from our educational model to help parents determine if the school is a good fit:

**1. My child’s ability is not reflected in his/her academic performance.**

Unique learners can be challenged academically due to multiple obstacles they may face in the classroom. Many children retain information better through experiential (hands-on) learning. All of the teachers at Gateway are trained to evaluate what each student needs to realize their individual learning potential and implement a plan of action.

**2. My child performs better in small group settings.**

The small class size enjoyed by students at Gateway provides an environment for teachers to get up close and personal with their students

---

### **3. My child retains information better with “hands-on” learning.**

Gateway students are learning in an experiential way that helps to connect theory and application of the subject matter. This type of learning goes beyond rote memorization and helps students to use critical thinking skills that are necessary for the retention of information long term.

### **4. My child is socially awkward or shy and struggles making friends.**

Gateway Lab School uses the Responsive Classroom approach to incorporate the students’ social and emotional growth into their academic learning, stemming from the notion that children learn best through social interaction and when they are explicitly taught social and emotional skills along with their academic lessons.

### **5. My child needs focused intervention with reading and/or math.**

Strategies used by teachers at Gateway focus on helping each student fill in gaps that may exist in reading and/or math. Teachers track each student’s growth through regular progress monitoring and assessments. Intervention curriculum includes the Wilson Reading System®, and Failure Free Reading™.

### **6. My child has lost his/her motivation to attend school.**

When a unique learner begins to advance through elementary school there may be challenges with maintaining focus and attention that can cause them to fall behind. Our teachers employ the teaching methods that work for each of their students, while empowering the students to advocate for themselves, and articulate what they need to be successful.

### **7. My child is doing well academically but needs a lot of help maintaining focus and organization.**

The inability to maintain organization can undermine the academic progress of even the brightest student. Gateway teachers employ experiential (hands-on) lessons help to engage the student’s interest in the subject matter, while daily “brain breaks” provide time for movement in the classroom that re-energizes the body and brain.

Steps have been taken to strengthen and increase academic achievement results for our students through the adoption of new curriculum focused on our diverse student population:

The Wonders ELA curriculum is used for our students in grades 3-6 and focuses on teaching from a whole child perspective and seeks to prepare every student to be lifelong learners and critical thinkers. The curriculum uses research-based strategies on literacy and social-emotional learning to help teachers strengthen skills, bolster learning and encourage teacher flexibility in the classroom. Wonders encourages and allows authentic lesson planning for teachers rather than a rote method of teaching the curriculum. That flexibility is essential for teachers who are teaching students with a wide-spectrum of strengths and abilities. The curriculum is student-centered with a focus on small-group instruction and mini-lessons to support English Language Learners (ELL), Tier 2 RTI support and gifted and talented students.

Gateway is using the Collections curriculum by Houghton Mifflin Harcourt. Similar to Wonders, Collections is designed to develop a love for learning in middle school students. The curriculum promotes teacher choice in the classroom by providing a collection of resources in various mediums that allows teachers to scaffold lessons. According to the publisher: “HMH Collections is built around the most conclusive research on effective ELA instruction for Grades 6 through 12—including how to support students in reading complex texts and writing effectively across genres—and around best practices for meeting the needs of all learners through differentiation, ongoing assessment, and 21st-

---

---

century technological tools". (<https://www.hmhco.com/programs/collections/research-and-results>)

Our school-wide Math curriculum is Math in Focus 2020, based on the research-based Singapore Math curriculum. The Math in Focus (MIF) curriculum earned a *Strong* ESSA Rating in 2018. The curriculum was selected by a team of GLS instructors after reviewing and meeting with several curriculum providers. MIF provides concrete lessons for our students, most of whom struggle with the abstract thinking that has become common in math curriculum in recent years. MIF provides time for students to master foundational topics, with each grade level covering fewer topics in a more in-depth manner. The Math in Focus curriculum has also embedded the recommended sequence of topics that needs to be covered to prepare students for Algebra.

Additional supports in Reading and Math for our students include, Wilson Reading, a research-based program designed to help struggling readers tackle problems with decoding. We have a dedicated, certified Wilson Reading teacher who assesses all GLS students reading below grade level to determine if the Wilson program will benefit them. Failure-free reading is used with students who struggle with reading comprehension. It is designed to accelerate the vocabulary, comprehension, and expression of students who fail in traditional reading instruction. Gateway has also been awarded the use of a full-time Math Coach funded by the Governor's office who is working alongside our teachers to strengthen our math curriculum and improve student outcomes and provide continuous professional development to teachers.

In addition to the adoption of new curriculum, Gateway continues to strengthen these core elements of our school-wide model:

- Small Group Instruction- Gateway Lab School serves a 50% special education population with an additional 7.9% of students with 504 Plans and incorporates small group instruction into all major content classes in order to properly differentiate and scaffold learning to meet our students' unique needs. During small group instruction, students spend 15-25 minutes in a center or station with 3 to 4 other students focusing on one activity at a time to strengthen skills. Centers are run in all ELA and Math classes on Mondays and Fridays and are utilized in Science and Social Studies classes for review and development of skills.

Arts Integration- Gateway Lab School integrates the arts into our general education curriculum by incorporating dance, movement, drama, visual arts, media, creative writing, play writing, public speaking, sculpting, and singing into thematic units to keep our students invested and engaged in their academic success. Integrating the arts allows our students to feel success in the classroom that they may not otherwise feel in a traditional setting.

- Brain Breaks- Gateway currently incorporates brain breaks into our curriculum blocks. These breaks are 5-10 minute increments of time where students stop their academics and engage in movement, cooperative play, and/or team building activities that help to refocus, rejuvenate, and re-engage them in their curriculum.

- Sensory Needs- In order to meet the diverse needs of our students with ADHD, Autism, and Sensory Processing Disorder, who make up the majority of our student population, Gateway integrates multi-sensory furniture and equipment such as flexible seating, standing tables, floor desks, carpet squares, and reflection zones in the classrooms to increase focus and accessibility to learning for all students.

- Responsive Classroom - Since its inception, Gateway has used the Responsive Classroom

---

approach to social skill and character development. This approach equips our students with the knowledge to build positive relationships in community and approach new situations with confidence. Students learn to advocate for themselves by gaining an understanding of how they best learn.

- MAP Assessments- Gateway uses the Northwest Evaluation Association Measures of Academic Progress (MAP), a norm-referenced, adaptive assessment tool. MAP formative assessments are administered three times throughout the year providing specific data related to individual students' needs allowing for more targeted instruction within Response to Intervention (RTI) groups and regular classroom instruction.
  - Professional Development- Teachers at Gateway meet 3-5 times a week in the morning and participate in Professional Learning Communities once a week focused on the areas of Academics, Culture, and Special Education. Staff participates in targeted professional development sessions based on the needs shown during walkthroughs and observations by the leadership team.
  - After-school clubs- Gateway students are given the opportunity to participate in a variety of clubs to enrich their academic experience. Clubs give students the opportunity to express themselves, build self-esteem, and build social and collaboration skills. Some of our clubs and activities include, choir, drumming, volleyball, spirit team, basketball, running club, chess club, Odyssey of the Mind, Computer Coding Club and student government.
-

## SY 2017-18 & SY 2018-19

### 2.1 Delaware School Success Framework

Overall Academic Ratings

Elementary (grades K-5)/Middle School (grades 6-8)

Indicator	2017-2018			2018-2019		
	Points	Point Earned	Percent Point	Points	Point Earned	Percent Point
Academic Achievement	150.00	10.00	7% Well Below Expectations	150.00	11.00	7% Well Below Expectations
Academic Progress	200.00	79.00	40% Well Below Expectations	200.00	117.00	59% Approaching Expectations
School Quality/Student Success	50.00	46.00	92% Exceeds Expectations	50.00	38.00	76% Meets Expectations
Progress Toward English Language Proficiency	n/a	n/a	Not Applicable	n/a	n/a	Not Applicable
Overall	400.00	135.00	34% Well Below Expectations	400.00	166.00	42% Well Below Expectations

## Performance Agreement

### Academic Performance Expectations

*Gateway Lab School's overall academic rating is Does Not Meet Standard. By SY 2018, our expectation is to achieve the overall rating of "Meets" or "Exceeds" standard as measured by the Academic Performance Framework. Each year, we will show growth within our overall rating putting us on track to achieve our academic performance expectations. This progress will be monitored through our annual performance review.*

*Mission Specific Goals (optional):* The Gateway Charter School d.b.a. Gateway Lab School (GLS) has demonstrated continuous incremental gains over the past three years related to the percent of students meeting growth targets in the areas of Math and ELA as measured by the Delaware Comprehensive Assessment System (DCAS). During the last Charter Term (SY 2014) there were noteworthy gains in Math (19% increase). The significant gains made in ELA during SY 2013 (11.3% increase) were not realized in SY 2014 with student performance in ELA remaining flat. These incremental gains resulted in a positive shift from an overall school rating of "Falls Far Below Standard" to "Does Not Meet" standard. It is GLS's expectation that more significant gains in both Math and ELA will occur in the current school year (SY 2015) as a result of a focused, comprehensive approach to instruction.

#### DOE Summary:

In SY 15/16, Gateway Lab Charter School exceeded the standard in 1 metric area of the Delaware Alternative Academic Performance Framework. The school was rated "Needs Improvement" in academic achievement and growth, the 2 metric areas that were below standard. In SY 16/17 the school exceeded the standard in 2 of the 4 metric areas. Gateway Lab Charter School exceeded in the following metric areas: growth and on track to graduation of the Delaware Alternative Academic Performance Framework. In SY 17/18, the school met 2 of 4 metric areas (academic achievement and on track to graduation). The school was rated "Far Below" on academic achievement metric and "Approaching" on the college and career metric.

#### School Comments 2017-2018

Gateway's Alternative Academic performance shows mixed results across the board. The school is meeting the standards as it pertains to growth and "on track to graduation". We are approaching standards in College and Career Readiness and Far Below standards in Academic Achievement. We feel strongly that our student's growth and "on track to graduation" measures are a significant indicator of the future academic and social emotional growth of our student population as they approach high school.

#### School Comments 2016-2017

Underlying our Academic Performance is the relatively-high percentage (54%) of students who need targeted Special Education instruction. This percentage is even higher in school year 2017-2018.

With respect to school year 2016-2017, our enrollment of 221 students included the following Special Education classifications:

47 Basic Students	21% of all students
52 Intensive Students	24% " " " "
20 Complex Students	9% " " " "

We are encouraged by our students' growth (MAP Growth, norm referenced) and believe that we are likely to reach an overall rating of "Meets" standard by SY 2018, as measured by the Alternative Academic Performance Framework.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

**b. Discuss the school's academic performance based on its approved Performance Agreement (see above).**

---

The school received a Meets Requirements in one out of four ratings. The school scored a 76% and Meets Requirements in School Quality/Student Success and a rating of Approaching Standards at 59% for Academic Progress. Academic Achievement and our overall rating is Well Below Expectations.

---

## 2.2 Academic Achievement/Proficiency Data

DSSF Definition: *Proficiency* in a given subject is the percent of students who are on grade level (i.e., proficient) in said subject.

Academic Achievement	2015-2016		2016-2017		2017-2018	
	School	State	School	State	School	State
Rating	2 Stars (52.84/150pts) Needs Improvement		2 Stars (59/150pts) Needs Improvement		1 Stars (20.48/150pts) Far Below	
ELA	9.03 %	26.80 %	20.00 %	40.00 %	10.35 %	50.53 %
Math	6.23%	21.40 %	8.67%	35.00 %	2.89%	42.32 %
Science	11.05%	22.40 %	18.01%	38.45 %	n/a	n/a
Social Studies	11.73%	32.20 %	n/a	n/a	n/a	n/a

Metric	2017-2018			2018-2019		
	Value	Points	Points Earned	Value	Points	Points Earned
Proficiency ELA (Grades 3-8)	10.35%	75.00	8.00	11.32%	75.00	8.00
Proficiency Math (Grades 3-8)	2.89%	75.00	2.00	4.00%	75.00	3.00

### DOE Summary:

Gateway Lab Charter School was rated “Needs Improvement” in both SY 15/16 and SY 16/17 and rated “Far Below” in SY 17/18 for Academic Achievement. Proficiency rates in ELA have been below the State average and increased from SY 15/16 to SY 16/17 but decreased again in SY17/18. Proficiency rates in math have been below the state average for the past three years. Proficiency rates in science have been below the state average for SY 15/16 and SY 16/17. In SY 17/18, the school was rated “Far Below” for Academic Achievement. ELA proficiency was at 10.35%, which was 40.18% less than the State average (50.23%). Math proficiency was at 2.89%, which was lower than the State average (39.43%). Social studies proficiency data was only available for SY15/16 and the school’s proficiency was below the State average.

### a) Academic Achievement ratings over the course of the charter term

<b>School Comments 2017-2018</b>	Gateway Lab School’s student population reflects nearly 60% of students with identified special education needs, in addition to approximately 42% of students
----------------------------------	---

	<p>classified as Low Income. Understanding that these students often perform poorly on standardized testing, the Department of Education approved an alternative framework to measure the progress of our students. As our “Meets Requirements” rating indicates for the Growth measure, Gateway students are making strides in their progress to the goal. Administrator turnover contributed to uneven outcomes in student performance as teachers did not always have the guidance and data-driven support needed to implement the curriculum and arts-integration standards to maximize student outcomes.</p>
--	---

<p><b>School Comments 2016-2017</b></p>	<p>Over 54% of our students require targeted special education instruction; in addition, approximately 30% of our students present with specific behavioral disorders and needs that can inhibit academic achievement. During the 2017-2018 school year, we have worked to more specifically address these challenges in order to support student academic growth. We recognize that behavioral interruptions created interruptions in academics for students and we have implemented a more consistent school-wide behavior intervention plan to ensure that we are increasing student time on task during instruction.</p> <p>Additionally, we have worked with our special education team to ensure that our school provide each student with the least restrictive environment (LRE). We also recognized a need to make greater use of student performance data during the school year in order to identify student growth and needs as well as better target classroom instruction and specific interventions. This includes PLC discussions involving the data from the MAP assessment as well as the addition of the iReady program to provide more specific information about student performance. This increased focus on instruction and academic performance will support enhancements to our program that will allow us to make progress toward our goals on the Alternative Academic Performance Framework.</p>
---	--

**b) Expected outcomes for Academic Achievement**

<p><b>School Comments 2017-2018</b></p>	<p>As positive student growth measures continue, we expect to see our student’s academic achievement increase over time as well. With experienced Administrators guiding, training and evaluating our teaching staff against expectations, there is cohesion of purpose in our building toward this goal. Some of the most recent, impactful changes include the implementation of new curriculum (Wonders for grades 3-6 and Collections for grades 7 &amp;8), re-establishment of an RTI block of instructional time with the most experienced teachers providing Tier 3 instruction, the less experienced or novice teachers working with Tier 2 students and our “specials” teachers providing enrichment activities for our students on grade level. Our school schedule has been changed to put more emphasis on academic rigor. The school’s new administration and Board are placing an emphasis on Gateway’s original mission and vision – Arts Integrated classroom instruction, Responsive Classroom social skills acquisition and remediation of reading skills through Wilson Reading.</p>
---	---

<b>School Comments 2016-2017</b>	In addition to MAP and iReady (new in SY 2017), our RTI program has become more rigorous with the addition of a five day per week RTI Lab. This lab enables Tier III students to be instructed and assessed with a better degree of individualized instruction.
--------------------------------------	---

**c) Progress measures to track expected Academic Achievement outcomes**

<b>School Comments 2017-2018</b>	Gateway will measure progress toward expected Academic Achievement outcomes by using the state data tracking tools – eSchool, Data Service Center (attendance, progress monitoring, behavior referrals and other tools) to provide data driven instruction for all students. These tools were underutilized in the past.
--------------------------------------	--

<b>School Comments 2016-2017</b>	<p>Gateway will measure progress by use of monthly SBAC Interim Assessments. This frequency will help to develop our staff proficiency in administering this test, and our students will become more adept at navigating this test as well as understanding the content of the questions.</p> <p>With additional formative and summative assessments, Gateway utilizes the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP), a norm-referenced, adaptive assessment tool. MAP formative assessments are administered three times throughout the year, providing us with specific data related to the needs of individual students and thereby allowing for more targeted instruction within RTI groups and regular classroom instruction.</p>
--------------------------------------	--

**Note:** School comments for SY 15/16 can be found at: <https://www.doe.k12.de.us/Page/2654>

The table above lists the school's available DSSF Academic Achievement ratings. Respond to the following questions.

a. Based on the school's Academic Achievement ratings over the course of the charter term, discuss the school's current performance and provide explanations/root causes (positive and negative) for the results. (Note: We invite the school to provide information about all students including those below, at and above proficiency.)

---

Gateway Lab School students' Academic Achievement ratings were relatively flat from 2017/18 to 2018/19. Most students come to GLS several years behind their grade-level peers with large gaps in their learning. Additionally, many come feeling defeated and believe that they are unable to learn based on past experiences. The majority of students come to GLS in middle school making it very challenging to fill in all of the gaps in the time that we have with them. There are several contributing factors we believe have led to the lack of upward movement in the Academic Achievement rating. These factors include the use of the Engage NY Curriculum which we determined was too abstract for our student population; Administration and teacher turnover, Mission Creep/Lack of focus on core elements of GLS methods and our high percentage of students with disabilities. These identifying factors and the steps that the school is taking to address them are described throughout our application.

---

b. Looking ahead, what are the school's expected outcomes for Academic Achievement and what steps will the school take to achieve them?

---

Gateway Lab School strives to Meet Requirements for Academic Achievement each year. There are several steps that the school has implemented to move toward that goal. The Board approved a new Strategic Plan on September 17, 2019 that outlines our goals and expected outcomes for Academic Achievement. The Academic Goal (#1) is **To meet or exceed all of the standards set forth in the Alternative Academic Framework established by the State Board of Education by the end of 2021.** The Strategic Plan requires the Board to receive monthly and quarterly progress updates from the Principal and Head of School in each of the areas of focus.

---

**Gateway Lab School  
Strategic Plan 2019-2022**

GLS Mission: "Our mission is to maximize each student's academic ability and social growth through innovative arts-based learning in a safe and nurturing environment."					
Goal 1: To meet or exceed all of the standards set forth in the Alternative Academic Framework established by the State Board of Education by the end of 2021.					
Measures/Growth Targets					
Objectives	2019-2020	2020-2021	2021-2022	Data Source and Progress Monitoring	Person(s) Responsible
1. Achieve grade level proficiency in Math for students currently at "yellow" proficiency level.	30%	30%	30%	Smarter Balance	Principal & HOS
2. Achieve grade level proficiency in ELA for students currently at "yellow" proficiency level.	30%	30%	30%		
3. Ten to fifteen-point increase in <b>ELA</b> as measured by MAP scores.	70-80% by Spring 2020	50-60% by Spring 2021	40-50% by Spring 2022	MAP and Response To Intervention change – monthly progress monitoring of the data	Principal & HOS
4. Ten to fifteen-point increase in <b>Math</b> as measured by MAP scores.	70-80% by Spring 2020	50-60% by Spring 2021	40-50% by Spring 2022		
5. Ensure fidelity to ELA and Math curriculum annually.	Checklist to be segregated; 80% compliance	Checklist to be segregated; 80% compliance	Checklist to be segregated; 80% compliance	Wonders and Math in Focus Monthly Reporting	Principal & HOS
6. Ensure fidelity to responsive class principles and practices annually. Achieve 21-30 points	70% Achieve 19-20 standard	75% Achieve 20-21 standard	80% Achieve 21-22 standard	Monthly Walk throughs 2X per month plus responsive classrooms	Principal & HOS
7. Fidelity to instructional Technique; Achieve 21-30 points	70% Achieve 19-20 standard	75% Achieve 20-21 standard	80% Achieve 21-22 standard		

Some additional steps that the school has taken includes:

- Addition of an Academic Dean – The position of Academic Dean was added this year to support the goal of Academic Rigor by:
  - Instructional coach to all teachers and assist principal in evaluating teachers.
  - Assist in planning and implementation of teacher professional development.
  - Ensure curriculum alignment with standards.
  - Monitor academic progress of students throughout the year.
  - Coordinate student leadership and governance programs for the development of student leader advocacy.
  - Ensure development and strengthening of Academic Rigor, Relevance and Relationship building of teachers and students by:
    - Setting the Standard for students
    - Equipping students through instructional tools and supportive methods
    - Demonstrating student achievement by project base, interactive, experiential hands-on learning.
    - Provide leverage for Potential-Effort-Progress Monitoring-Growth-Achievement
    - Monitor Responsive Classroom Program
    - Build Executive Functioning Skills through utilizing the multitude of strategies used in agenda book monitoring daily progress with success contract and varied other resource tools to strengthen organization and skill building.
    - Promote arts integration program throughout the curriculum to inspire students to learn and have fun.

---

-Promote reading across the curriculum to elevate motivation to read with classroom libraries as a resource.

-Promote Field trips for explorative interactive, hands-on experiential learning.

- Math Coach – GLS was awarded a full-time Math Coach funded by the Governor's office for SY2019-2020. The following goals were created by GLS Math teachers facilitated by the Math Coach:

1. To become better Math Talkers with our students (engage and use appropriate math language and vocabulary with students)
2. To allow for time to think during questioning and encourage think time with students.
3. To gain and instill confidence in math for ourselves and our students.
4. To engage in more student centered learning activities.
5. To present more real world experiential problem solving questions and performance tasks.
6. To have more patience and perseverance in ourselves and our students.
7. To engage students in learning activities that enhance their mathematical practices as defined by the NCTM and State Standards.

Practical resources/activities to realize our math goals:

1. New Math in Focus Program with an emphasis on the "Tour of Knowledge" taking students from the concrete experience of manipulatives to the creation of visual models, to abstract concepts and thinking.
  2. New Math in Focus Program with its focused Mathematical Practices activities and instructions for each chapter.
  3. New Math in Focus Program with its introduction of 'Math Talk' activities and problems to solve.
  4. New Math Coach Position to provide continual Professional Development for teachers to provide and nurture a community of professional learners to provide opportunities for each student to learn.
  5. New Math Coach Position to provide feedback, coaching, and resources for teachers to be an agent of positive change for teachers and their student learning.
  6. Use of the Number Talks Program to support, encourage, and enhance productive and deep 'Math Talk' opportunities in each classroom.
  7. To utilize Study Island and IXL, online programs, to reinforce student learning and enrich RtI tiers 1, 2, and 3.
- DPAS Walk-through – GLS Teachers receive DPAS walk-throughs twice monthly to ensure that they
-

---

are teaching the curriculum and implementing the Gateway's instructional methods with fidelity.

- Embedded Arts-Integration Professional Development – Gateway is committed to providing its instructional staff with intensive professional development on how to integrate the arts into the core curriculum. In 2018-2019, the instructional staff was trained to develop “artful thinking” in a year-long collaboration with Dr. Linda Krakaur of Krakaur Consulting. In 2019-2020, Gateway is partnering with University of Delaware's Lynette Overby to provide training on the creation and implementation of the arts-integrated lessons into core subjects.
  - Learning Support – Educators and support staff have developed a specific curriculum for students that take the ALT test
  - Targeted Small Group Instruction was developed for students on the lowest tier of RTI.
- 

**c. Describe how the school will measure progress to determine whether the school is on track to meet the school's expected Academic Achievement outcomes.**

---

- Measure of Academic Progress (MAP) Assessments- Gateway uses the Northwest Evaluation Association Measures of Academic Progress (MAP), a norm-referenced, adaptive assessment tool. MAP formative assessments are administered three times throughout the year providing specific data related to individual students' needs allowing for more targeted instruction within RTI groups and regular classroom instruction.
  - In the 2018-2019 SY, 100% of DPAS evaluations were completed with fidelity, including professional responsibilities, walkthroughs that are conducted by our Principal and Academic Dean for each teacher twice monthly, measuring teacher goals, formative and summative evaluation, and evaluation of instructional technique, improvement plans if needed and Responsive Classroom principles.
  - Dibels Assessments are administered three times a year for students in grades 3-6 to establish a baseline when they come to Gateway and then monitor growth.
  - Literacy Support – Gateway provides additional support for students that come to our school reading below grade level. As mentioned previously, Wilson Reading is a research-based program designed to help struggling readers tackle problems with decoding. We have a dedicated, certified Wilson Reading teacher who assesses all GLS students reading below grade level to determine if the Wilson program will benefit them. Failure-Free reading is used with students who struggle with reading comprehension. It is designed to accelerate the vocabulary, comprehension, and expression of students who fail in traditional reading instruction.
  - Tracking Alumni Students – in 2018-2019, Gateway surveyed students that attended Gateway over the last 8 years to gather data on their academic and social experiences since leaving GLS. Additionally, we hosted an Alumni Day in April 2019 that was well attended by our former students. We will continue to stay in touch with our students and their parents as they move on from GLS to inform us of the interventions that lead to success.
  - Enrichment Activities – Many students come to GLS having shied away from participating in school activities, clubs and sports due to their social awkwardness. For some, they are experiencing meaningful friendships with their peers for the first time. We provide a multitude of opportunities
-

---

for our students to participate in a variety of enrichment activities, including Odyssey of the Mind, Computer Science (Coding) Club, Chess, Students' in City Government, Chorus and Drumming Club.

---

## 2.3 Academic Progress

DSSF Definition: Growth measures how well schools are doing at improving student learning over time. This metric is a relative calculation of student progress as compared to students with similar assessment history on statewide summative assessments.

Growth	2015-2016		2016-2017		2017-2018	
	School	State	School	State	School	State
Rating	2 Stars (64.7/200pts) Needs Improvement		5 Stars (200/200pts) Exceeds		4 Stars (155.9/200pts) Meets Standard	
ELA	17.00 %	47.00 %	44.00 %	42.00 %	35.00 %	47.00 %
Math	17.00 %	48.00 %	47.00 %	47.00 %	35.00 %	43.00 %

Metric	2017-2018			2018-2019		
	Value	Points	Points Earned	Value	Points	Points Earned
Growth - ELA (grades 4-8)	42.49%	75.00	32.00	60.09%	75.00	45.00
Growth - Math (grades 4-8)	36.97%	75.00	28.00	59.85%	75.00	45.00
Growth of Highest Quartile - ELA(grades 4-8)	33.34%	12.50	4.00	42.09%	12.50	5.00
Growth of Highest Quartile - Math(grades 4-8)	28.28%	12.50	4.00	47.71%	12.50	6.00
Growth of Lowest Quartile - ELA(grades 4-8)	50.67%	12.50	6.00	67.30%	12.50	8.00
Growth of Lowest Quartile - Math(grades 4-8)	40.98%	12.50	5.00	64.27%	12.50	8.00

### DOE Summary:

Gateway Lab Charter School was rated “Meets” in SY 17/18 and rated “Needs Improvement” in SY 15/16 for the growth metric. Proficiency rates in ELA and Math exceeded the state average in SY 16/17.

**a) School's Growth ratings for all students over the course of the charter term**

<b>School Comments 2017-2018</b>	Gateway Lab School's Growth performance is Meets. In spite of the turnover in staff, Gateway students showed growth because the school's culture, climate and academic supports are designed to provide students with support that is not typically available in traditional classrooms. Student support comes in many forms. Some of the most significant in the past year, includes a full-time on-site Wilson Reading teacher who pulls identified students school-wide for specialized reading instruction, small class size and the ability to measure student progress up to three times per year through NWEA MAP testing which allows teachers to identify areas of academic weakness throughout the year.
--------------------------------------	--

<b>School Comments 2016-2017</b>	<p>Based on MAP growth targets set by the NWEA, our students achieved the following:</p> <ul style="list-style-type: none"><li>• Spring MAP, Reading: 80% of students met their growth targets</li><li>• Spring MAP, Math: 75% of students met their growth targets</li></ul> <p>Further data on MAP results is included in Appendix-1.</p> <p>A resource room (B setting) was created to deliver individualized instruction in a small group setting. This setting maximized learning for students in grades 3-8. Students were observed to thrive academically and developmentally in this setting as evidenced by an uptick in academic progress by all students in this room. It was also noted that a decrease in target behaviors eventuated in this setting. Behavior modification protocols were utilized to assist all students with executive functioning and working memory.</p> <p>Professional Development consisted of a strong emphasis in behavior management along with social skills and executive functioning. These sessions assisted staff with the necessary management techniques for use in the classroom.</p> <p>See Appendix-2 (PD Agenda)</p> <p>Gateway welcomes students with a variety of learning differences. During the 2017-2018 school year, we have worked to more specifically address these challenges in order to support student academic growth. We recognize that behavioral interruptions created interruptions in academics for students and we have implemented a more consistent school-wide behavior intervention plan to ensure that we are increasing student time on task during instruction. Additionally, we have worked with our special education team to ensure that our school is in fact the least restrictive environment for a student. We also recognized a need to make greater use of student performance data during the school year in order to identify student growth and needs as well as better target classroom instruction and specific interventions. This includes PLC discussions involving the data from the MAP assessment as well as the addition of the iReady program to provide more specific information about student performance. This</p>
--------------------------------------	--

	increased focus on instruction and academic performance will support enhancements to our program that will allow us to make progress toward our goals on the Alternative Academic Performance Framework.
--	--

**b) Expected outcomes for Growth for all students**

<b>School Comments 2017-2018</b>	Our expectation is that our students will continue to Meet or Exceed the standard for Growth going forward. The steps currently in place include NWEA MAP assessments which measures growth from Fall to Winter to Spring based on the individual student’s projected outcomes. Teachers have set goals in Component V of the DPAS II evaluation for their students and are measured by their student’s results. This was not done with fidelity in previous years. Returning to this practice will improve outcomes.
--------------------------------------	---

<b>School Comments 2016-2017</b>	<p>We believe that our students’ growth measures will continue to trend in an upward direction largely due to (i) our everyday practices aimed at a high level of individualized instruction; (ii) tiered supports in the classroom and throughout the school building; and (iii) our hiring of more experienced staff.</p> <p>Other steps to support growth for all students will be as follows:</p> <ul style="list-style-type: none"> <li>• Our teaching staff will provide tutoring when needed</li> <li>• RTI will occur daily. Eight (or fewer) students will be in each RTI group during all RTI cycles</li> <li>• All necessary accommodations will be provided during Smarter Balanced assessment with reemphasis on fidelity to each student’s IEP. These accommodations will be reviewed far in advance with all test administrators to ensure that the accommodations are sufficient and available and that the staff is ready.</li> </ul>
--------------------------------------	--

**c) Progress measures to track Growth for all students**

<b>School Comments 2017-2018</b>	Gateway will measure progress toward expected Growth outcomes by using NWEA MAP testing, state data tracking tools – eSchool, Data Service Center (progress monitoring) and teacher DPAS Component V goals to provide data driven instruction for all students.
--------------------------------------	---

<b>School Comments 2016-2017</b>	Gateway will measure progress by keeping data on each MAP testing cycle. Gateway will keep track of data from RTI curriculum (DIBELS, Failure Free Reading, STAR, Wilson Reading, and Study Island) to maintain flexible grouping. A Curriculum Instructor will ensure implementation of our curriculum through weekly team meetings with teachers in grade-level groups and as individuals.
--------------------------------------	--

**Note:** School comments for SY 15/16 can be found at: <https://www.doe.k12.de.us/Page/2654>

The table above lists the school's available DSSF Growth ratings. Respond to the following questions.

**a. Based on the school's Growth ratings over the course of the charter term, discuss the school's current performance and provide explanations/root causes (positive and negative) for the results. (Note: We invite the school to provide information about all students including those below, at and above proficiency.)**

---

Gateway Lab School received a rating of Meets Standard on our DSSF Growth rating. As mentioned previously, the majority of our students come to the school several years behind their grade-level peers in math and reading. Through the use of our embedded supports like school-wide Success Block (RTI), small group instruction, Wilson Reading and Arts Integration in to the core curriculum we are seeing tremendous progress in our students' growth in ELA. The addition of a Math Coach in 2019-2020 will assist our teachers in developing solid strategies to affect our students' growth and achievement in math.

---

**b. Looking ahead, what are the schools expected outcomes for Growth and what steps will the school take to achieve them?**

---

We expect to continue to Meet and Exceed Standard for Growth by using the multiple levels of support that we outlined in 2.2b.

---

**c. Describe how the school will measure progress to determine whether the school is on track to meet the school's expected Growth outcomes.**

---

Please see 2.2c.

---

## 2.4 School Quality/ Student Success

DSSF Definition: In elementary and middle schools, attendance data are used to calculate On Track to Graduation Metric. In high schools, the data for the calculation of the On Track in 9th Grade metric is gathered from course credit information and statewide assessment data.

On Track to Graduation	2015-2016		2016-2017		2017-2018	
	School	State	School	State	School	State
Rating	5 Stars (48.56/50pts) Exceeds		5 Stars (47/50pts) Exceeds		5 Stars (48.14/50pts) Exceeds	
Attendance	97.12 %	94.40 %	93.84 %	94.75 %	96.28 %	97.91%
On-Track in the 9th grade	**	84.80 %	**	89.45 %	**	92.92 %
4-year Cohort Graduation Rate <sup>5</sup>	**	84.35 %	**	84.66 %	**	85.75 %
5-year Cohort Graduation Rate	**	85.84 %	**	85.60 %	**	85.63 %
6-year Cohort Graduation Rate	**	Not calculated at the state level	**	Not calculated at the state level	**	Not calculated at the state level
** The school did not service students in the grade levels assessed by this metric.						

Metric	2017-2018			2018-2019		
	Value	Points	Points Earned	Value	Points	Points Earned
Chronic Absenteeism	91.11%	50.00	46.00	75.45%	50.00	38.00
Proficiency - Science(grades 5 and 8)	n/a	n/a	n/a	n/a	n/a	n/a
Proficiency - Social Studies(grades 4 and 7)	n/a	n/a	n/a	n/a	n/a	n/a

**DOE Summary:**

Gateway Lab Charter School was rated “Exceeds” in the previous three years on the On Track to Graduation metric. The school has also exceeded the State average for the percentage of students on-track to graduation for the past three years.

**a) On Track to Graduation ratings over the course of the charter term**

<b>School Comments 2017-2018</b>	Gateway Lab School’s current rating is Exceeds. As mentioned previously, we are using the DSC tools to track attendance, in addition to our Guidance Counselor’s regular outreach to our families through regular follow up, student attendance contracts and meetings to encourage consistent attendance. Most importantly, we hear from parents that their students want to be in school and hate to miss a day.
--------------------------------------	--

<b>School Comments 2016-2017</b>	Gateway serves its community of learners in a smaller than average setting which allows our staff to be more familiar with families, students and intraday student attendance. Case management practices are highly diligent in how they address all students’ current needs as well as transition planning for the students’ futures.
--------------------------------------	--

**b) Expected outcomes for On Track to Graduation**

<b>School Comments 2017-2018</b>	The school expects to continue to Exceed the requirements for On Track to Graduation. Outside of tracking attendance and staying in touch with families, we have several events that are designed to encourage student expectations and planning around graduation. GLS hosts an annual High School Night each October to help students and families choose wisely for success. Other activities include Career Day and attendance at the Delaware Transition Conference to help students to prepare for college and career. Our Guidance Counselor assists with helping students to prepare for and write their essays for entrance to area Vo-Tech schools.
--------------------------------------	---

<b>School Comments 2016-2017</b>	In keeping with the above-mentioned support of our students, there is every reason to anticipate that On Track to Graduation rates will remain consistent with or grow from their current levels.
--------------------------------------	---

**c) Progress measures to monitor On Track to Graduation outcomes**

<b>School Comments 2017-2018</b>	We measure progress through Cognos reports, DSC reports and close follow up with parents and students that have attendance challenges.
--------------------------------------	--

**School Comments**  
**2016-2017**

Informed by our data collection, analyses and school records -- and coupled with consistent instructional and support services -- we will continue to meet/exceed our On Track to Graduation outcomes.

**Note:** School comments for SY 15/16 can be found at: <https://www.doe.k12.de.us/Page/2654>

The table above lists the school's available DSSF On Track to Graduation ratings. Respond to the following questions.

**a. Based on the school's On Track to Graduation ratings over the course of the charter term, discuss the school's current performance and provide explanations/root causes (positive and negative) for the results. (Note: We invite the school to provide information about all students including those below, at and above proficiency.)**

---

Gateway saw a decline in our student's absentee rate in 2018-2019, however we are unsure of the efficacy of the data prior to SY 2018-2019. Some of the contributing factors include the number of students that were in hospitalized placements in outside facilities (9 times out of the year) and the number of homeless students. Currently our Principal and Dean of Students monitor student attendance, conduct home visits and appear in court for student's truancy hearings. Based on their efforts, attendance improved for 7 out of 8 individuals. Accountability with tracking attendance is also monitored on a daily basis.

---

**b. Looking ahead, what are the school's expected outcomes for On Track to Graduation and what steps will the school take to achieve them?**

---

Going forward, Gateway expects a rating of Meets Standard for On Track to Graduation. In addition to holding parents accountable for their student's attendance, the school-wide use of Agenda Books provides opportunities for teachers further develop executive functioning skills for our students that will serve them well as they move on to high school.

---

**c. Describe how the school will measure progress to determine whether the school is on track to meet the school's expected On Track to Graduation outcomes.**

---

Gateway's School Leadership will use the following interventions/applications to measure progress to determine if we are On Track to Graduation:

Monitor attendance in ITracker and Eschool  
Success Block  
Address truancy early  
Encourage parent involvement utilizing a Parent/Family Engagement Coordinator

---

## Historical Data

### College & Career Preparation Data

DSSF Definition: This metric gives an indication of whether students are growing enough to be proficient in the future. **For elementary and middle schools**, Growth to Proficiency in ELA and Math is based on 3 years of statewide assessment data, including Smarter assessment data and up to 3 years of DCAS, the prior statewide summative assessment. **For high schools: College and Career Preparation** is the percent of students who have demonstrated preparation for education and career training after high school through Smarter, AP, IB, SAT, Career and Technical Education (CTE) pathways, and dual enrollment.

College & Career Preparation	2015-2016		2016-2017		2017-2018	
	School	State	School	State	School	State
Rating	1 Stars (5.72/100pts) Far Below		2 Stars (20.3/100pts) Needs Improvement		3 Stars (45.36/100pts) Approaching	
Growth to Proficiency ELA	2.00 %	34.00 %	11.25 %	36.00 %	20.00 %	41.00 %
Growth to Proficiency Math	1.00 %	18.00 %	1.86 %	20.00 %	13.00 %	31.00 %
College & Career Preparation	n/a	n/a	n/a	n/a	n/a	n/a

\*\* The school's N-size for this metric was less than 20.

#### DOE Summary:

Gateway Lab Charter School has shown continuous improvement on the college and career preparation metric. The school was rated "Far Below" in SY 15/16, improved to "Needs Improvement" in SY 16/17 and further improved to "Approaching" in SY 16/17 on the College and Career Preparation metric. Growth to proficiency in ELA improved from 2% to 11% from SY 15/16 to SY 16/17 but fell below State averages. Growth to proficiency in math improved from 1% to 1.86% from SY 15/16 to SY 16/17 but fell below State averages.

#### a) College and Career Preparation ratings over the course of the charter term

<b>School Comments 2017-2018</b>	Please see responses in 2.2a and 2.3a
--------------------------------------	---------------------------------------

<b>School Comments 2016-2017</b>	The majority of our students struggle with academic proficiency due to the nature of their learning differences. The mission of Gateway Lab School is to address these challenges by offering smaller classroom sizes, innovative learning opportunities via arts integration, and unique individualized learning plans. We acknowledge that our current proficiency levels need improvement, and we aim
--------------------------------------	--

to meet/exceed standards of the Alternative Academic Performance Framework through instruction and supports which are informed by our MAP growth measures.

Over the past year we have established an in-house “B setting” classroom to further enhance the learnings of our more complex students. This is specifically for ELA and Math. In addition, we have a dedicated Wilson reading Program in the building to enhance our students’ reading level and skills.

**b) Expected outcomes for College and Career Preparation**

**School Comments  
2017-2018**

We will continue to provide avenues for our students to prepare for and obtain resources to prepare them for college and career. Vo-Tech schools, where a number of students enroll is career preparation for those who may not choose college. We support and encourage students to apply for and enroll in schools where they will be most successful.

**School Comments  
2016-2017**

As we prepare our students for graduation, we have also paired with several community partners to assist our students with proper individual post-GLS placement in Career and College preparatory programs. We have established a Career Transition Element into each student’s IEP or 504 Plan focusing on areas of interest where our students would like to see themselves after high-school.

One excellent example is the recent opportunity one of our more challenged students had, to go and work in a local bakery – Cakes by Kim – in Wilmington. This student has been invited back to work and learn more about this potential career path as often as she would like. This student is now considering pursuing Culinary Arts at either Delcastle Technical High School or at McKean High School.

This is just one example that we are looking to further build upon. We are also considering building our own early-Vocational Technical Program to help give our student even more opportunities in the future.

In addition, we will further look to increase our Community Outreach in order to bring in local people to share their work experience and fields of expertise. We recently had one of our board members – a chemical engineer at DuPont – come in and talk about his experience as an engineer to one of our 4th grade classes.

**c) Progress measures to track College and Career Preparation outcomes**

**School Comments  
2017-2018**

We will continue to use NWEA MAP testing to measure student growth toward proficiency. We plan to continue to utilize the activities mentioned above in addition to implementing plans for a CTE curriculum in the near future.

**School Comments  
2016-2017**

In offering job shadow experiences prior to graduation, we will measure progress based on the completion of the activity/task of each student's transition plan.

In the same context as described in part (b) above, we will be able to measure our level of success by how our students are accepted at the various job shadow experiences and frequency of returns to each specific work site.

**Note:** School comments for SY 15/16 can be found at: <https://www.doe.k12.de.us/Page/2654>

The table above lists the school's available DSSF College and Career Preparation ratings. Respond to the following questions.

a. Based on the school's College and Career Preparation ratings over the course of the charter term, discuss the school's current performance and provide explanations/root causes (positive and negative) for the results. (Note: We invite the school to provide information about all students including those below, at and above proficiency.)

---

Not applicable – The school was not rated on College and Career Preparation.

---

b. Looking ahead, what are the school's expected outcomes for College and Career Preparation and what steps will the school take to achieve them?

---

Gateway Lab School Administrators and Teachers have implemented a number of strategies and activities to help our students prepare for college and career:

- Annual High School Night gives students and their parents the opportunity to talk to representatives from area public, private and vocational schools to determine the best fit
  - Career Week – over 20 individuals from a variety of career fields and entrepreneurs came out to speak with our students about their work and the steps and training necessary to be successful in their field of interest. Students also took career inventories and participated in planned exercises to help them match their interest with potential jobs.
  - Transition Planning with our middle school students with IEPs
  - Use of Major Clarity
  - Partnering with outside agencies to provide Workforce Readiness skills to students. This past school year, we partnered with Jewish Family Services (JFS) and their FutureLink program to provide this training.
-

**c. Describe how the school will measure progress to determine whether the school is on track to meet the school's expected College and Career Preparation outcome**

---

The school will survey our graduates through the use of an annual survey in addition to providing the supports outlined in 2.4b above. Over the past year we have been contacted by several of our graduates who came to us as non-readers and several years behind grade-level, who are being accepted to and attending area colleges and universities, including University of Delaware, Del Tech and Delaware College of Art and Design. One student, R.B. who came to Gateway as a non-reader in 5<sup>th</sup> grade recently graduated high school and was accepted to 11 colleges. The student accepted a full four year scholarship to a college in Maryland. She and her parents attribute her time in Gateway as critical to her success in high school because she was able to see herself as successful and was given the support and resources to learn at her own pace. This story is one of many that we are hearing from many of our students that have graduated from high school.

---

**2.5 Progress toward English language proficiency (ELP) \* new**

Metric	2017-2018			2018-2019		
	Value	Points	Points Earned	Value	Points	Points Earned
Progress Toward English Language Proficiency	n/a	n/a	n/a	n/a	n/a	n/a

The table above lists the school’s available English language proficiency (ELP) ratings. Respond to the following questions.

**a. Based on the school’s English language proficiency (ELP) ratings for all students over the course of the charter term, discuss the school’s current performance and provide at least three explanations/root causes (positive and negative) for the results. (Note: We invite the school to provide information about all students including those below, at and above proficiency.)**

Not Applicable

**b. Looking ahead, what are the school’s expected outcomes for English language proficiency (ELP) for all students and what steps will the school take to achieve them?**

---

The ELL population has increased over the last several years at Gateway. Last school year, our identified ELL students received ELP instruction through an outside contractor. Currently our Wilson Reading Specialist on staff is pursuing ESOL certification. Our 4<sup>th</sup> grade teacher is certified in ELL and is providing ELL RTI and Wonders curriculum with embedded support.

---

**c. Describe how the school will measure progress to determine whether the school is on track to meet expected English language proficiency (ELP) outcomes for all students.**

The school will utilize an annual WIDA assessment to measure our progress to meet expected ELP outcomes for all students.

### III. ORGANIZATIONAL PERFORMANCE

The Organizational Performance Framework reflects expectations the charter school is required to meet through state and federal law and the charter performance agreement, and seeks to provide information regarding these key questions:

- Is the school organizationally sound and well operated?
- Is the school fulfilling its legal obligations and sound public stewardship?
- Is the school meeting its obligations and expectations for appropriate access, education, support services, and outcomes for students with disabilities?

#### 3.1 Mission Specific Goal(s)

Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable?

**1a. Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable?**

*As a school that focuses on high needs students, our goal is to have students increase performance in Reading skills.*

Essential Question Indicator 1a. Is the school faithful to its mission as defined in its current charter, including approved mission-specific academic goals if applicable				
Staff				
Measure	Definition of Rating	Data Source	Data Collection Process	Measure
Students will demonstrate growth on the MAP assessment.	<p>Exceeds Standard -The school has at least 80 percent of all students meeting their growth target using MAP</p> <p>Meets Standard -The school has between 60 and 79 percent of all students meeting their growth target using MAP</p> <p>Does Not Meet Standard - The school has between 40 and 59 percent of all students meeting their growth target using MAP</p> <p>Falls Far Below Standard-The school has less than 40 percent of all students meeting their growth target using MAP</p>	Gateway Lab School provided data from MAP to demonstrate that the school is meeting standard in their mission specific goal. This data contains PII and therefore has not been posted publically.	PDF Upload and entry into system by DOE.	Ia1

#### DOE Summary:

Gateway Lab Charter School has one mission specific goal to demonstrate growth on the MAP assessment. The school was rated “Meets” on its mission specific goal.

#### a) mission specific goal(s).

<b>School Comments 2017-2018</b>	With more than three complete changes in administrative staff since our first year, there have been notable challenges to the fidelity of our mission. Board assessment of the effects of the turnover and mission creep, lead to a concerted effort to implement changes at the end of SY2017-2018 to guide the school back to its established mission as defined by our charter. Despite the challenges, students are showing progress on many fronts. Foundationally, GLS has remained strong organizationally and financially. This has helped us implement necessary academic supports and staff that our children need to meet their goals. As we
----------------------------------	---

move forward with dedicated, skilled administrators, teachers and Board members, we believe that our students are on a trajectory that will lead to tremendous academic and social emotional growth. The Board is strengthening its oversight and professional development by working with seasoned consultants, Delaware Association for Non-profit Advancement (DANA) for Board training and Digitus, a well-known Delaware education consultant for school-wide strategic planning. Acting Head of School, Catherine Dolan has returned to Gateway to ensure that the mission of the school is defined and implemented with fidelity. Gateway was established as a school “where arts are the Gateway to learning”. Since most teachers do not receive education or training on how to design arts-integrated lessons, there have been challenges with school staff understanding how to integrate the arts into their lessons in a dynamic, rigorous way. This year, Dr. Linda Krakaur was hired to work with the teachers and paraprofessional staff monthly. Dr. Krakaur specializes in training teachers’ curriculum development using “inquiry-based” arts integration. Three cohorts are rotating through hands-on training in lesson planning using various art forms – visual, music, drama and movement. Teachers are receiving intensive training on Responsive Classroom, our social skills curriculum. Gateway has a dedicated Wilson Reading instructor whose students have exceeded their goals and have advanced between 1-3 years of progress in reading in a single year. Teachers and support staff participate in daily morning professional development covering special education, lesson planning, classroom management and data-driven instruction to name a few.

**School Comments  
2016-2017**

GLS exceeded its mission-specific goals in MAP growth targets. Student participation in MAP assessment exceeded 95% of our student population. Our goals and outcomes for MAP growth targets were as follows:

For our overall student population:

- Fall-to-Spring, Reading: Target = 74% Outcome = 77%
- Fall-to-Spring, Math: Target = 68% Outcome = 74%

For our “Bottom Quarter” students:

- Fall-to-Spring, Reading: Target = 54% Outcome = 84%
- Fall-to-Spring, Math: Target = 54% Outcome = 80%

**Note:** This data element was added in the SY 16/17. The school was not required to provide a response to this information.

**a. Rate the school’s performance according to the criteria established by the school for its mission specific goal(s).**

GLS exceeded its mission-specific goal in MAP growth targets over the course of the most recent charter term for the overall student population and the Exceeded Standard for our students in the bottom third. Student participation in MAP assessment did not exceed 95% of our student population in SY 2018-2019. Student participation for that year was 92%. The percentage of students

---

participating was affected by the number of students that were out of the building at other hospital or alternative placement. Our goals and outcomes for MAP growth targets for SY 2018-2019 were as follows:

For our overall student population:

- Fall-to-Spring, Reading: Target = 74% Outcome = 66%
- Fall-to-Spring, Math: Target = 68% Outcome = 67%

For our “Bottom Third” students:

- Fall-to-Spring, Reading: Target = 54% Outcome = 79%
- Fall-to-Spring, Math: Target = 54% Outcome = 63%

Students are assessed three times annually to track their progress and growth. In addition to the MAP assessment, struggling readers by our full-time Wilson Reading teacher receive additional support through the Wilson Reading Program. Wilson Reading is an intensive Tier 3 program for students with word-level deficits who are not making sufficient progress through their current intervention; have been unable to learn with other teaching strategies and require multisensory language instruction; or who require more intensive structured literacy instruction due to a language-based learning disability, such as dyslexia.

The percentage of Wilson students who met their growth targets in SY 2017-18 was 83% (30/36).  
The percentage of Wilson students who met their growth targets in SY 2018-2019 was 94% (33/35).

---

**b. Provide as Appendix 1 the results (data source) of the school’s mission specific goal(s). Remember not to include any personally identifiable information (PII).**

### 3.2 Organizational Performance

Note: Please utilize the hyperlink in this sentence for more information about the [Organizational Performance Framework](#).

2018-2019	M	M	M	M	M	M	M	M	M	M	Meets Standard

#### DOE Summary:

Gateway Lab Charter School has met all standards measured by the Organizational Performance Framework annually for SY 14/15, SY 15/16, and SY 16/17. However, in SY 17/18, the school received

an overall rating of “Approaching.”.

**a) School's organizational performance over the current charter term**

<b>School Comments 2017-2018</b>	The school’s overall rating for Organizational Performance is Approaching Standard. We did not meet the standard in 2a – Governance & Public stewardship. The Board and Administration have taken steps to ensure that the areas of weakness that led to deficiencies in both 2a and 4a measures have been addressed
--------------------------------------	--

<b>School Comments 2016-2017</b>	<p>Gateway Lab School met standards in all measures of the Organizational Performance Framework with the exception of section 2a where we were approaching standards (“AS”). This shortfall is more fully explained in sections 2a and 3.3 (Board Training) and has now been remedied.</p> <p>Organizationally, Gateway Lab School has strengthened its Special Education function in the 2016-2017 school year, and continuing into the 2017-2018 school year, by (i) hiring new highly qualified staff with proven success in special education environments; and (ii) hiring a new Principal with proven experience in special education.</p> <p>Gateway has also taken an in-depth look at its organizational structure of instructional staff and has hired several new and highly qualified teachers who have helped us to develop and advance our school’s professional culture.</p>
--------------------------------------	---

**b) Changes to organizational practices that the school has implemented to improve the school's organizational outcomes**

<b>School Comments 2017-2018</b>	Please see Section 2
--------------------------------------	----------------------

<b>School Comments 2016-2017</b>	<p>With regard to organizational practices, we have done the following:</p> <ol style="list-style-type: none"><li>1. Board Training: See sections 2a and 3.3 for our status and actions.</li><li>2. Student Testing: We have rescheduled our testing windows to reduce student anxiety and fatigue. In the 2016-2016 school year our SBAC testing window followed our MAP testing window by just two weeks and we noticed significant signs of anxiety and fatigue among our students. We investigated this through student interviews and found not only fatigue and anxiety but some additional frustration with the longer duration of SBAC versus MAP. In response, for the 2016-2017 school year, we moved our SBAC “boot camp” and SBAC testing window to occur just prior to Spring Break. With this adjustment to schedule, our students had sufficient downtime time during their break to reenergize so that upon their return they were ready to focus on the MAP assessment. As a result of this schedule adjustment, our students were able to complete both</li></ol>
--------------------------------------	---

assessments with less anxiety, less fatigue and more motivation.

3. Special Education Staffing: Starting in school year 2016-2017 and continuing to the present day, we have been realigning broadening the duties of our Special Education staff to include management, training and facilitation of all IEP meetings, paraprofessional training/placement, Related Services deployment/scheduling, parent communication/education, and planning for student transitions post-GLS. We have hired a Special Education Administrative Assistant to support our Special Education Director in carrying out these duties. Our Educational Diagnosticians work directly with instructional staff to support all IEP development and implementation, and they manage IEP meetings under the direction of the Special Education Director. Our instructional staff work directly with our Educational Diagnosticians to develop differentiated instruction, and to monitor progress with Behavioral Intervention plans.

**c) Indicator measure where school did not meet standard or is approaching standard**

**School Comments  
2017-2018**

**2. GOVERNANCE AND REPORTING**

**Measure 2a.**

**Is the school fulfilling essential governance and public stewardship responsibilities?**

**DOE Rating Information:**

No topic listed for executive session 11/17,10/17. Board training needed 12/17, 11/17, 10/17. CBOC composition violation 10/17. CBOC minutes missing 10/17,9/17,8/17.

**School Response To Rating:**

The Board of Directors has restored a process to track Board training for new and existing members. Treasurer Sherlock Hack is working with the current Board to recruit additional members to the CBOC and ensure the proper composition of the committee. On November 12, 2018 the Board received Board training with Paul Stock from DANA.

**4. FACILITIES, TRANSPORTATION, HEALTH, AND SAFETY**

**Measure 4a.**

**Is the school meeting facilities, transportation, health and safety requirements?**

**DOE Rating Information:**

Failed Cafeteria Evaluation due to discrepancies.

**School Response To Rating:**

In order to ensure that GLS is meeting all of the required measures in our school nutrition program, the school entered into a partnership with Red Clay Nutrition in 2016-2017 to run our school nutrition program. This partnership has resulted in greater efficiencies and helped us overcome the challenges of running the program with a small staff and limited budget.

<b>School Comments 2016-2017</b>	School comments for SY 16/17 can be found at: <a href="https://www.doe.k12.de.us/Page/2654">https://www.doe.k12.de.us/Page/2654</a>
--------------------------------------	--

<b>School Comments 2015-2016</b>	School comments for SY 15/16 can be found at: <a href="https://www.doe.k12.de.us/Page/2654">https://www.doe.k12.de.us/Page/2654</a>
--------------------------------------	--

**a. Describe the school’s organizational performance over the current charter term. (This section is for the school to address any overall rating where the school has not met standards. The school will be able to address individual metrics in the sections below.)**

Gateway Lab School achieved an overall rating of Meets Standards on our Organizational Framework for three out of the last four years, with SY 2017-2018 rated Approaching Standard. The Administration and Board have continued to place a priority on ensuring that GLS is meeting its organizational goals with fidelity and transparency. In SY2018-2019, several founding board members and previous administrative staff returned to the school to ensure that the school’s governance and public stewardship standards were brought back into alignment with DOE standards. All Board members have received required financial and governance training. Our partnership with Red Clay Nutrition has helped provide the capacity that we need to ensure a compliant, well-run nutrition program for our student body. We received positive reviews from internal audits performed by DOE and an independent auditor.

The GLS Board and staff have made it a priority to run the school in accordance with Department of Education and State of Delaware rules, regulations and statutes. As a school with a high population of students receiving special education services, through Individual Education Plans (IEP), 504 plans and ELL services we are focused on ensuring that we fulfill our legal responsibilities to our students. Our compliance is monitored by Delaware Department of Education audits. Gateway Lab School provides documentation as requested by DOE that it is meeting the requirements of its organizational performance framework by submitting a calendar for the upcoming school year that meets the DOE’s requirement for the minimum number of instructional hours, teaching curriculum that is in line with Delaware content standards and ensuring that our student’s rights and responsibilities are protected with policies and procedures related to application, admission, enrollment and record-keeping. Students and parents receive the school code of conduct and student rights and responsibilities manual annually and are asked to review it and acknowledge receipt. Further, the school takes measures to ensure compliance with FERPA, FOIA, IDEA, ADA, ESEA and due process and civil rights of our students and staff. The school follows state, federal HR policies and procedures related to the hiring, certification, licensing and employment of its employees.

The Gateway Board is comprised of parent, staff and community members as outlined in our bylaws. Our meeting agendas, minutes, monthly financials and annual audits are posted to our school website: [www.gatewaylabschool.org](http://www.gatewaylabschool.org). The Board evaluates the Head of School annually and ensures that the HOS and Principal complete the required DPAS II evaluations for the teaching and specialist staff and internal evaluations for the support staff. The school is compliant with ensuring that all required safety drills are completed and reported in the state ERIP system. Student records and health information are handled in accordance with state policies and procedures.

**b. Identify changes to organizational practices that the school has implemented to improve the school's organizational outcomes.**

---

The addition of new and returning board members has helped to ensure that the school's governance and public stewardship standards are back in alignment with DOE requirements. The full Gateway Board of Directors meets monthly along with three sub-committees – Operational & Sustainability, Finance and Community Outreach. The Finance Committee was re-established in SY 2017-2018 and our Citizens Budget Oversight Committee meets quarterly. New Board Members receive governance training and the Board holds a retreat annually in October. As mentioned previously, the partnership with Red clay Nutrition has helped to provide the capacity that we need to ensure a compliant, well-run program for our students.

In 2018-2019, the school board, administration, staff and parents approved a new three-year strategic plan that consists of updated academic and operational goals.

Goal 1: To meet or exceed all of the standards set forth in the Alternative Academic Framework established by the State Board of Education by the end of 2021.

Objectives:

1. Achieve grade level proficiency in Math for students currently at "yellow" proficiency level.
2. Achieve grade level proficiency for ELA for students currently at "yellow" proficiency level.
3. Ten to fifteen-point increase in ELA as measured by MAP scores.
4. Ten to fifteen-point increase in Math as measured by MAP scores.
5. Ensure fidelity to ELA and Math curriculum annually.
6. Ensure fidelity to Responsive Classroom principles and practices annually; achieve 21-30 points.
7. Fidelity to instructional technique; achieve 21-30 points.

Goal 2: Become a "Best Place" school that attracts and retains high quality teachers and maximizes students' potential.

Objectives:

1. Identify and acquire a building for the school by the end of SY 2021-2022.
2. Achieve a comparable salary schedule to a local district within 5% by 2022.
3. Achieve the targeted annual teacher retention rates through 2022.
4. Further define and refine the Gateway Culture (values, behaviors) and expand its impact to include teachers, students, administration and parents achieving identified ratings starting in SY 2020-21.
5. Create and launch a comprehensive marketing and communication plan in SY 2020-2021.
6. Create a technology plan which includes needs, costs, financing and implementation by SY 2020-21.

---

The Board will receive monthly updates on the progress of both Goals. Additionally the Board voted

---

to streamline the school's mission statement which now states:

Our mission is to maximize each student's academic ability and social growth through innovative arts-based learning in a safe and nurturing environment.

---

**c. Address any measure where school did not meet standard or is approaching standard.**

---

In SY 2017-2018, GLS was rated Approaching Standard. As outlined above, the Board took measures to successfully rectify the issues around governance and our nutrition program.

---

## Performance Agreement

### Organizational Performance Expectations

*Gateway Lab School's overall organizational rating is Meets Standard. Each year, we will be on track to demonstrate performance aligned with those organizational performance expectations. This progress will be monitored through our annual performance review.*

#### DOE Summary:

Gateway Lab Charter School has met all standards measured by the Organizational Performance Framework annually for SY 14/15, SY 15/16, and SY 16/17. However, in SY 17/18, the school received an overall rating of "Approaching."

#### School Comments 2017-2018

Gateway's overall organizational performance is Approaching Standards. The Gateway administrative staff and Board of Directors have implemented processes to address the areas of deficiency noted above. Board training and accountability for meeting the required posting and training requirements have been implemented. Our partnership with Red Clay Nutrition has provided the assurance that we are in compliance with our cafeteria requirements.

#### School Comments 2016-2017

See our comments in section 2a and 3.3 regarding financial training compliance.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

#### d. Discuss the school's organizational performance based on its approved Performance Agreement.

Gateway Lab School achieved an overall rating of Meets Requirements in three out of the four years rated on our Organizational Framework. The Administration and Board have continued to place a priority on ensuring that GLS is meeting its organizational goals with fidelity and transparency. In SY2018-2019, several founding board members and previous administrative staff returned to the school to ensure that Gateway was meeting its mission organizationally, academically and financially. We received positive reviews from internal audits performed by DOE and an independent auditor. We expect to continue to meet the requirements set forth by our mission specific goals through our next renewal period, by focusing on recruiting board members and staff, who are committed to the mission and vision of our school.

### 3.3 Educational Program

**a. Describe any changes to the education program or curricula the Board plans to make prior to the renewal.**

---

Most students choose Gateway Lab School because they have experienced academic failure and/or social/emotional challenges in their previous school. The majority of the students enter in middle school and a great number of them come at least two years behind in core content subjects with significant learning and executive functioning deficits. Our students have learned to cope in several destructive ways that inhibit their progress. Some examples include; behavior that masks insufficiencies, self-imposed silence and non-participation to cover their deficits. There is no “one size fits all” approach at Gateway. Success looks different for every student, but it is our job to make them feel successful and to let them know they matter.

We do not intend to make any changes to the educational program or curricula prior to renewal, however, there are multiple approaches that are currently in use or being implemented to assist these students in accessing the curriculum. Small class sizes, differentiated instruction; small group instruction, use of Responsive Classroom curriculum to build community and social/emotional skill acquisition, experiential learning that engages the whole child and increases retention. Over the last nine years, we have identified the typical student that can benefit from our educational model to help parents determine if the school is a good fit:

**8. My child’s ability is not reflected in his/her academic performance.**

Unique learners can be challenged academically due to multiple obstacles they may face in the classroom. Many children retain information better through experiential (hands-on) learning. All of the teachers at Gateway are trained to evaluate what each student needs to realize their individual learning potential and implement a plan of action.

**9. My child performs better in small group settings.**

The small class size enjoyed by students at Gateway provides an environment for teachers to get up close and personal with their students

**10. My child retains information better with “hands-on” learning.**

Gateway students are learning in an experiential way that helps to connect theory and application of the subject matter. This type of learning goes beyond rote memorization and helps students to use critical thinking skills that are necessary for the retention of information long term.

**11. My child is socially awkward or shy and struggles making friends.**

Gateway Lab School uses the Responsive Classroom approach to incorporate the students’ social and emotional growth into their academic learning, stemming from the notion that children learn best through social interaction and when they are explicitly taught social and emotional skills along with their academic lessons.

**12. My child needs focused intervention with reading and/or math.**

Strategies used by teachers at Gateway focus on helping each student fill in gaps that may exist in reading and/or math. Teachers track each student’s growth through regular progress monitoring and assessments. Intervention curriculum includes the Wilson Reading System®, and Failure Free Reading™.

---

---

### **13. My child has lost his/her motivation to attend school.**

When a unique learner begins to advance through elementary school there may be challenges with maintaining focus and attention that can cause them to fall behind. Our teachers employ the teaching methods that work for each of their students, while empowering the students to advocate for themselves, and articulate what they need to be successful.

### **14. My child is doing well academically but needs a lot of help maintaining focus and organization.**

The inability to maintain organization can undermine the academic progress of even the brightest student. Gateway teachers employ experiential (hands-on) lessons help to engage the student's interest in the subject matter, while daily "brain breaks" provide time for movement in the classroom that re-energizes the body and brain.

Steps have been taken to strengthen and increase academic achievement results for our students through the adoption of new curriculum focused on our diverse student population:

The Wonders ELA curriculum is used for our students in grades 3-6 and focuses on teaching from a whole child perspective and seeks to prepare every student to be lifelong learners and critical thinkers. The curriculum uses research-based strategies on literacy and social-emotional learning to help teachers strengthen skills, bolster learning and encourage teacher flexibility in the classroom. Wonders encourages and allows authentic lesson planning for teachers rather than a rote method of teaching the curriculum. That flexibility is essential for teachers who are teaching students with a wide-spectrum of strengths and abilities. The curriculum is student-centered with a focus on small-group instruction and mini-lessons to support English Language Learners (ELL), Tier 2 RTI support and gifted and talented students.

Gateway is using the Collections curriculum by Houghton Mifflin Harcourt. Similar to Wonders, Collections is designed to develop a love for learning in middle school students. The curriculum promotes teacher choice in the classroom by providing a collection of resources in various mediums that allows teachers to scaffold lessons. According to the publisher: "HMH Collections is built around the most conclusive research on effective ELA instruction for Grades 6 through 12—including how to support students in reading complex texts and writing effectively across genres—and around best practices for meeting the needs of all learners through differentiation, ongoing assessment, and 21st-century technological tools". (<https://www.hmhco.com/programs/collections/research-and-results>)

Our school-wide Math curriculum is Math in Focus 2020, based on the research-based Singapore Math curriculum. The Math in Focus (MIF) curriculum earned a *Strong* ESSA Rating in 2018. The curriculum was selected by a team of GLS instructors after reviewing and meeting with several curriculum providers. MIF provides concrete lessons for our students, most of whom struggle with the abstract thinking that has become common in math curriculum in recent years. MIF provides time for students to master foundational topics, with each grade level covering fewer topics in a more in-depth manner. The Math in Focus curriculum has also embedded the recommended sequence of topics that needs to be covered to prepare students for Algebra.

Additional supports in Reading and Math for our students include, Wilson Reading, a research-based program designed to help struggling readers tackle problems with decoding. We have a dedicated, certified Wilson Reading teacher who assesses all GLS students reading below grade level to

---

determine if the Wilson program will benefit them. Failure-free reading is used with students who struggle with reading comprehension. It is designed to accelerate the vocabulary, comprehension, and expression of students who fail in traditional reading instruction. Gateway has also been awarded the use of a full-time Math Coach funded by the Governor's office who is working alongside our teachers to strengthen our math curriculum and improve student outcomes and provide continuous professional development to teachers.

In addition to the adoption of new curriculum, Gateway continues to strengthen these core elements of our school-wide model:

- Small Group Instruction- Gateway Lab School serves a 50% special education population with an additional 7.9% of students with 504 Plans and incorporates small group instruction into all major content classes in order to properly differentiate and scaffold learning to meet our students' unique needs. During small group instruction, students spend 15-25 minutes in a center or station with 3 to 4 other students focusing on one activity at a time to strengthen skills. Centers are run in all ELA and Math classes on Mondays and Fridays and are utilized in Science and Social Studies classes for review and development of skills.

Arts Integration- Gateway Lab School integrates the arts into our general education curriculum by incorporating dance, movement, drama, visual arts, media, creative writing, play writing, public speaking, sculpting, and singing into thematic units to keep our students invested and engaged in their academic success. Integrating the arts allows our students to feel success in the classroom that they may not otherwise feel in a traditional setting.

- Brain Breaks- Gateway currently incorporates brain breaks into our curriculum blocks. These breaks are 5-10 minute increments of time where students stop their academics and engage in movement, cooperative play, and/or team building activities that help to refocus, rejuvenate, and re-engage them in their curriculum.

- Sensory Needs- In order to meet the diverse needs of our students with ADHD, Autism, and Sensory Processing Disorder, who make up the majority of our student population, Gateway integrates multi-sensory furniture and equipment such as flexible seating, standing tables, floor desks, carpet squares, and reflection zones in the classrooms to increase focus and accessibility to learning for all students.

- Responsive Classroom - Since its inception, Gateway has used the Responsive Classroom approach to social skill and character development. This approach equips our students with the knowledge to build positive relationships in community and approach new situations with confidence. Students learn to advocate for themselves by gaining an understanding of how they best learn.

- MAP Assessments- Gateway uses the Northwest Evaluation Association Measures of Academic Progress (MAP), a norm-referenced, adaptive assessment tool. MAP formative assessments are administered three times throughout the year providing specific data related to individual students' needs allowing for more targeted instruction within Response to Intervention (RTI) groups and regular classroom instruction.

- Professional Development- Teachers at Gateway meet 3-5 times a week in the morning and participate in Professional Learning Communities once a week focused on the areas of Academics, Culture, and Special Education. Staff participates in targeted professional development sessions based on the needs shown during walkthroughs and observations by the leadership team.

---

· After-school clubs- Gateway students are given the opportunity to participate in a variety of clubs to enrich their academic experience. Clubs give students the opportunity to express themselves, build self-esteem, and build social and collaboration skills. Some of our clubs and activities include, choir, drumming, volleyball, spirit team, basketball, running club, chess club, Odyssey of the Mind, Computer Coding Club and student government.

---

**b. As appendices, provide the following documents as evidence of curriculum alignment to the Common Core State Standards and the Next Generation Science Standards:**

**Appendix 2** Provide an electronic copy of curricula including scope and sequence documents, units, assessments and content covered per core content area (Mathematics, English Language Arts, Social Studies, Science, Visual / Performing Arts) for each grade level the school serves. The documents should demonstrate clear alignment with the Delaware Content Standards (including Common Core State Standards in English Language Arts and Mathematics, and Next Generation Science Standards) in core content areas. If the school plans to join the Science Coalition, then a signed MOU would replace the scope and sequence requirement for Science. If the school plans to join the Social Studies Coalition, then a signed MOU would replace the scope and sequence requirement for Social Studies.

Evidence to establish adherence to the state’s expectations regarding **ELA instruction** through the grade bands should include the following:

- Evidence of the adoption of a high quality instructional resources as defined by EdReports.org. or curricular documents that meet the criteria of the appropriate IMET from achievethecore.org.
- Opportunities provided and embedded within curriculum for professional learning and strategic use of curricular resources.
- In addition, there needs to be a well-articulated RTI process for reading that includes screening, diagnostics, evidence-based interventions, and progress monitoring.
- For grades 9-12, English course sequences/programs of study should be provided. No curricular documents are required for Advanced Placement, International Baccalaureate, or dual enrollment courses.

Evidence to establish adherence to the state’s expectations regarding **Math instruction** through the grade bands should include the following:

- Evidence of the adoption of a high quality, standards aligned instructional resources as defined by EdReports.org. or curricular documents that meet the criteria of the appropriate IMET from achievethecore.org including additional resources selected to support areas where the curriculum materials were weak per EdReports.org (yellow or red)
- Sample learning experiences (lesson/unit) and assessments
- Opportunities provided and embedded within curriculum for professional learning and strategic use of curricular resources.
- In addition, there needs to be a well-articulated RTI process for mathematics that includes screening, diagnostics, evidence-based interventions, and progress monitoring.

- Additionally, for grades 9-12, Mathematics course sequences/programs of study should be provided. No curricular documents are required for Advanced Placement, International Baccalaureate SL or HL, or dual enrollment courses.

Evidence to establish adherence to the state’s expectations regarding **Science instruction** through the grade bands should include the following:

- A signed MOA from the Delaware Science Coalition **and** evidence of the adoption of a high-quality instructional resource by Ed Reports.org or curricular documents that meet the criteria of the EQulP rubric from nextgenscience.org.
- The LEA must provide a scope and sequence for each grade level that includes the unit topic, the unit phenomenon, standards that are covered in that unit, what the students are doing in that unit, and include a lesson from K-2, 3-5, 6-8, 9-12 depending on the structure of the school.
- Questions:
  - 1) What is the LEAs professional plan to roll out three-dimensional learning along with your instructional resources?
  - 2) Can you describe how you ensure accessibility for all students in science?
  - 3) How are your administrators monitoring science instruction to ensure the shifts in science are occurring?

Evidence to establish adherence to the state’s expectations regarding **Social Studies instruction** through the grade bands should include the following:

- Scope and sequence showing standards targeted and major topics for each grade/course in the school.
- One sample assessment aligned to state standards – intended to provide evidence of student achievement of standards - for each grade/course in the school.
- No curricular documents are required for AP, IB, or dual enrollment courses.
- Schedule of time allotted for social studies instruction in each grade

Evidence to establish adherence to the state’s expectations regarding **Visual /Performing Arts instruction** through the grade bands should include the following:

- Scope and sequence showing standards targeted and major topics for each grade/course in the school.
- One sample assessment aligned to state standards – intended to provide evidence of student achievement of standards - for each grade/course in the school.
- No curricular documents are required for AP, IB

### 3.4 At-risk students, Students with Disabilities, and English Language Learners

Year	Education Program
	1b
	Students with Disabilities
2015-2016	M

Year	Education Program		
	Applicable State & Federal Requirements	Students with Disabilities	English learners
	1b	1c	1d
2016-2017	M	M	M
2017-2018	M	M	M
2018-2019	M	M	M

*\*Data is an excerpt from the overall Organizational Performance Framework data included in section 3.2.*

**Note:** Each item below must be addressed separately.

a. If applicable, **describe any changes or enhancements** the school has made based on findings from audits, investigations, or other administrative proceedings related to at-risk students, students with disabilities, or English Language Learners.

---

While GLS did not receive any findings from our audit or other administrative proceedings, we are always looking for efficiencies and opportunities to better serve the needs of our at-risk students, SWD and ELL. In SY 2018-2019, our Special Education Coordinator and her team revamped the Student Intervention Team (SIT )team protocol and trained all staff.

Our Principal has also added additional opportunities (10 per month) for teachers, specialists and the Student Support Team to meet to discuss the needs of students with and without IEPs.

---

b. Describe any changes or enhancements to the process by which at-risk students are identified and the evidence that the school was able to provide the right resources and services for these students.

---

There are several enhancements to our process of identifying and meeting the needs of our students-at risk which includes the vast majority of our student population. The school has worked to ensure that all parents and guardians complete school nutrition forms for their children annually so that the school is positioned to take advantage of all of the state and federal services available for our students. For this school year, Gateway received a grant from the state Opportunity Fund to provide additional support for our low-income and English Language Learners. The Opportunity Funding will allow our school to serve the critical needs of the ELL and LI populations in two ways;

---

---

1. Elevating student grade-level proficiency and progress by, increasing fluency and the expansion of vocabulary in all subject areas. We have implemented AimswebPlus, a web-based formative assessment tool that will allow teachers to screen students and identify those at risk of academic failure, enable early intervention and measure and track the impacts of intervention efforts. AimswebPlus will provide instructional staff with the ability to monitor the performance and progress of individual students or by group.

Opportunity Grant funds were also used to subscribe to the Flocabulary web-based application which is used school-wide. Flocabulary is a rigorous, research-based application that uses hip hop music to bring lessons to life, help students' master content standards and increase literacy across all subjects. As a school with an arts-integrated focus, Flocabulary fits well into our mission: To maximize each student's academic ability and social growth through innovative arts-based learning in a safe and nurturing environment.

**Goal:** Increase the percent of LI and ELL students that meet their ELA and Math MAP growth targets by 10 points annually.

2. Gateway has used the majority of the Opportunity funds to hire a part-time School/Family Engagement Coordinator who is working to strengthen relationships with our existing families. The School/Family Engagement Coordinator will work with our current and incoming families, focusing on low income and ELL populations. In conjunction with school leadership, the coordinator will identify family needs and work to increase and strengthen parent involvement in their child's education, school attendance and advocacy. The coordinator will serve as a liaison between the school and families in both a one on one capacity and at whole school events. The Harvard Family Research Project concluded that parental involvement is associated with higher student achievement (<https://globalfrp.org>). The research found that student success was higher in several areas, including standardized test scores, grades and teacher ratings. Students were also more likely to pass their classes, attend school regularly, have better social skills and move on to post-secondary education when parents are actively involved in their education.

- Goal: Increase the percent of LI and ELL students that meet their ELA and Math MAP growth targets by 10 points annually.
- Increase parent participation by 50% in parent/teacher conferences, parent/teacher organization meetings and activities, school events and volunteer opportunities.

---

**c. Describe any changes or enhancements to the process by which English Language Learners are identified and the evidence that the school was able to provide the right resources and services for these students.**

---

The population of English Language Learners has gradually increased over the last four years and we expect it to continue to grow over the next charter term. GLS uses the World-Class Instructional Design Assessment (WIDA) to identify students that might qualify for ELL services. Further, our Wilson Reading Instructor gives every ELL student the Wilson-based, WIST (Word Identification and Spelling Test) in the fall after discovering that some ELL students were behind several grade levels in

---

---

decoding. Those students are also receiving Wilson lessons. In 2018-19, we worked with Back to Basics to provide ELL services for identified students. This year, our students are receiving ELL services from a teacher on staff who has ELL certification and our Level II certified Wilson Reading teacher is also completing coursework to obtain her ELL certification.

---

**d. Describe any changes or enhancements to the process by which students with disabilities are identified and the evidence that the school was able to provide the right resources and services for these students.**

---

We have not made any changes to our process by which students with disabilities are identified. In SY 2018-19 the school received an on-sight audit from the DOE Special Ed department. No corrective actions were needed as a result of the Special Education Compliance Monitoring in 2018-2019.

---

### 3.5 Financial Management and Oversight, Governance and Reporting Requirements

Year	Financial Management	Governance and Reporting		
	2*	3a	3b	3c
	Financial Management and Oversight	Governance	Management Accountability	Reporting Requirements
2015-2016	*	M	M	M

Year	Governance & Reporting		
	Governance & Public Stewardship	Oversight of School Management	Reporting Requirements
	2a	2b	2c
2016-2017	AS	M	M
2017-2018	F	M	M
2018-2019	M	M	M

Note: Data is an excerpt from the overall Organizational Performance Framework data included in section 3.2.

\* Measure 2: Financial Management and Oversight was moved to the Financial Performance Framework beginning in school year 2016-17.

**a. Provide information regarding how the Board of Trustees effectively evaluates the School Leader(s), including any policies or procedures related to such evaluation(s).**

---

The Board evaluates the School Leader annually through a 360 degree evaluation which involves input from teachers, school staff and includes a parent evaluation. An evaluation sub-committee of the board works with the Business Manager to distribute confidential teacher/staff evaluations of the school leader and reviews the responses to assist in formulating the annual evaluation. The Head of School typically is evaluated by March of the current school year.

---

**b. Provide information regarding how the Board of Trustees effectively evaluates its own success. Include examples of any corrective actions, if applicable, the Board of Trustees implemented as a result of its evaluation.**

---

The Board uses several tools to evaluate its own success – Board Strengths Rubric, Board Evaluation, and a Parent and Teacher evaluation which captures responses specific to board performance.

---

**c. Identify the school’s plan to ensure the effectiveness of its Board of Trustees, including**

## **governance training and new member induction.**

---

The GLS Board of Directors employs a board member selection process outlined in its Bylaws which includes a written application, interview and school visit. Board members commit to 2 or 3 year terms and are required to take the Department of Education's financial training for Board Members. New and existing Board members receive governance training every three years at minimum as required by law. Most recently the Board received Governance Training facilitated by Paul Stock of the Delaware Alliance for Non-Profit Associations (DANA) which included training with Kendall Masset of the DE Charter School Network and Michelle Lambert, CPA. In 2018-2019, the Board completed a new three-year strategic planning process also facilitated by the Delaware Alliance for Nonprofit Advancement. The strategic plan addresses the school's academic and operational goals.

The mission of GLS and the student population it serves is unique. The board is highly cognizant of the importance of recruiting members who are dedicated to the needs of our students and support the mission of the school. In addition to the formal Board, we have a group of community members and former Board members that serve as an Advisory Board. Advisory Board members typically have an expertise in a specific area and may meet with Board and School leaders several times annually to offer advice and input on an area of specialization. Board committees and the Advisory Board provide a pipeline to recruit future Board members.

---

### **d. Describe the school's process for succession planning including identification, development and retention of school leaders.**

---

GLS is a school with a unique mission that serves students at risk by almost every definition of the term. The Board understands the importance of ensuring that identifying, developing and retaining school-leaders is essential to the overall success of the school. Unlike other district and charter schools that may use more standardized methods to educate students, it is paramount that our school leaders not only possess the required experience and certification for their jobs, but that they have a deep understanding of our students, how they best learn and how to provide the training and development that our teachers need to help our students reach their growth to proficiency goals. Our Head of School has committed to lead the school for the next five years. As a school with limited staff, developing a pipeline of school leadership can be challenging. In 2018, our HOS performed a SWOT analysis of the staff that she inherited and re-aligned or promoted staff within the organization according to their areas of strength. This decision has resulted in greater job satisfaction for those working in positions that capitalize on their strengths and has reduced attrition. Charter Schools tend to be training grounds for new teachers and leaders. The Board and Head of School have implemented several measures to increase retention of school staff over the past couple of years. Aid in the form of tuition reimbursement assistance and other training opportunities are available to help our teachers and leaders with reaching their professional development goals. Retention and Longevity bonuses are awarded annually if funds are available. We anticipate that these activities will help to develop future school leaders with the capacity and vision to carry the school's mission forward.

---

### **e. Share how the Board supports the school. Speak to the Board's involvement in events, operations, and fundraising activities.**

The Board supports the school by effectively evaluating the school leader and overseeing the evaluation of teachers and staff. Annually, our board members pledge to give to the school financially, an amount that is personally meaningful to them. Board members attend school-wide events like our Spring Arts Festival, Back to School Nights, school fundraisers and Teacher Appreciation week. They have contributed to and funded teacher appreciation events like free massages from a local chiropractor and holiday events. Annually board members address the teachers during a morning meeting or professional development day to promote open communication between the Board and staff. The Board survey's GLS staff and parents annually to gauge satisfaction with academics and culture and climate. Currently the Board is working with the administrative staff to broaden the schools' fundraising activities and outreach to major donors.

**f. Appendix 3: Current Organizational Chart**

**g. Please complete the Board Financial and Governance table below with the necessary information. In accordance with Del. 14 §512 (15), the school shall have a satisfactory plan to ensure the effectiveness of its board of trustees, including governance trainings conducted for any new board members and at a minimum of once every 3 years;**

**h. Please complete the Citizen Budget Oversight Committee Membership and Training table below.**

**i. Please include:**

**Appendix 4 Board Governance Training Certificates and/or Documentation.**

**Appendix 5 Board member and school leader succession plans.**

**Appendix 6 Current board bylaws**

**Board Financial and Governance Members and Training**

In accordance with Del. 14 §512 (15), the school shall have a satisfactory plan to ensure the effectiveness of its board of trustees, including governance trainings conducted for any new board members and at a minimum of once every 3 years.

First Name	Last Name	Term Begin Date	Term End Date	Role/Title	Financial Training Date	Board Governance Training Date*

**DOE Summary:**

Gateway Lab Charter School's Board of Directors is currently in compliance with Board Membership and Financial and Governance Training requirements.

**School Comments  
2017-2018**

To date, the GLS Board is compliant with financial training requirements

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 16/17 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

### Citizen Budget Oversight Committee Membership & Trainings

Pursuant to [14 Del. Admin. Code 736.6.1](#) Each member of a Citizen Budget Oversight Committee shall attend and receive a Certificate of Completion for the Citizen Budget Oversight Committee training within the allotted timeframe of his/her appointment to a Citizen Budget Oversight Committee. Provided further, additional training may be required from time to time as determined by the Department.

First Name	Last Name	Term Begin Date	Term End Date	Role/Title	Financial Training Date
Pam	Draper		N/A	Staff to CBOC	7/1/2012
Richard	Riggs	8/9/2015	N/A	DOE Representative	11/30/2015

Tara	Ford	9/1/2018	9/2020	Teacher Representative	10/7/2018

**DOE Summary:**  
 Gateway Lab Charter School’s Citizen Budget Oversight Committee is in compliance with membership and financial training requirements.

**School Comments 2017-2018** The GLS CBOC is fully compliant with financial training requirements.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 16/17 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

### 3.6 Students, Employees and School Environment

Year	Students and Employees				School Environment		Additional Obligations
	4a	4b	4c	4d	5a	5b	6
	Protecting Student Rights	Attendance Goal	Staff Credentialing	Employee Rights	Facility and Transportation Requirements	Health and Safety Requirements	Additional Obligations
2015-2016	M	M	M	N/R	M	M	M

Year	Students & Staff		Facilities, Transportation, Health & Safety
	Students Rights	Req. on Teacher Certification & Hiring Staff	
	3a	3b	4a
2016-2017	M	M	M
2017-2018	M	M	AS
2018-2019	M	M	M

Note: Data is an excerpt from the overall Organizational Performance Framework data included in section 3.2.

**a. Provide information about any metric where the school did not meet standards including how the school addressed this deficiency.**

In SY 2017-2018 Gateway received an Approaching Standard rating for the Facilities, Transportation, Health & Safety metric of our Organizational Framework. As mentioned previously, the school partnered with Red Clay Nutrition that year to manage our school nutrition program.

**b. Provide information about the best practices the school uses to meet standards in the above noted areas.**

Gateway Lab School leaders and its school board are committed to carrying out our mission to be a model of excellence in our academics and school operations. The School Leadership Team comprised of the Head of School, Principal, Business Manager, Academic Dean, Dean of Students, Special Ed Coordinator, School Counselor, School Nurse and Technology Coordinator meet weekly to discuss school plans, practices and standards. The team works together to ensure that Gateway is meeting all of the regulatory requirements mandated by federal and state law as it relates to student rights and responsibilities, human resources, culture and climate, facilities and health and safety.

**c. Include the following documents as appendices:**

**Appendix 7** Up-to-date Certificate of Occupancy

**Appendix 8** Up-to-date Fire Inspection Certificate

**Appendix 9** Up-to date Insurance Certificate(s)

**Appendix 10** ERIP Reporting SY17/18 and SY18/19

**3.7 Teacher Retention: Is the school monitoring and minimizing teacher attrition rates and maintaining a stable teaching staff?**

2016-2017			2017-2018			2018-2019*		
% of Teachers RETAINED	# of Teachers RETAINED	# of Teachers ELIGIBLE	% of Teachers RETAINED	# of Teachers RETAINED	# of Teachers ELIGIBLE	% of Teachers RETAINED	# of Teachers RETAINED	# of Teachers ELIGIBLE
50	12	24	74	14	19	58%	14	24

**\* To be completed by the school**

*Note: Teacher retention is defined as the number of teachers who remained employed from the previous year divided by the total number of teachers employed in that year. For example, if a school employed 100 teachers in SY 16/17 and 90 teachers remained employed in SY 17/18, the school's teacher retention rate would be 90%.*

**DOE Summary:**  
 From SY16/17 to SY17/18, Gateway Lab Charter School's teacher retention rate decreased from 100% to 74%.

**a) School's plans to monitor and minimize teacher attrition rates**

**School Comments 2017-2018** The Gateway Lab School Board has implemented a practice of conducting exit interviews with teachers who leave. There are a variety of reasons. Better pay is a top response. Gateway like many charter schools cannot compete with district teacher salaries. Other reasons include misalignment with the school mission and vision and uncertainty as a result of administrative turnover.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 16/17 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

**b) School's professional development plans support teachers and leadership.**

**School Comments 2017-2018** The new leadership on the GLS Board and Administration has put into action a clear plan for reestablishing the school mission and vision. In the current school year, teachers are receiving on-going professional development in Arts Integration, Social Skills training, and analyzing and using data to inform student outcomes. In 2016, the school applied for and received grants from the Longwood Foundation and The Laffey McHugh Foundation to provide tuition reimbursement to teachers as a means of attracting and retaining teachers.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report.

**a. Review the table above with the school's teacher retention trends.**

---

Teacher retention rates suffered between SY 2017-18 and SY 2018-2019. Exit interviews were completed for outgoing staff at the Board's request to gain a better understanding of why teachers chose to leave GLS. Various factors contributed to the turnover; turnover in school leadership in 2018, the return to arts-integration as a central focus of classroom instruction, the elimination of some teaching positions that were not in alignment with the building needs for the upcoming school year, in addition to teachers who left for better paying positions in district or other charter schools. In SY 2019-2020 our teacher retention rate rose to 83%. Teachers reported a high level of satisfaction in their jobs at GLS in the Teacher Survey conducted (20/24) in 2018-2019. Some of the key areas teachers highlighted in the survey as their reason for returning include, appreciation for a professional and supportive environment, integrity and transparency of the administrative staff and teamwork and collaboration with peers and administration.

---

**b. Describe the school's plans to monitor and minimize teacher attrition rates. Provide information about why teachers leave the school.**

---

Various factors have contributed to turnover in recent years - misalignment of the school mission and vision, uncertainty as a result of administrative turnover and the elimination of some teaching positions that were not in alignment with the building needs. Teachers who leave for better paying positions in district or other charter schools continues to be the over-arching reason for teacher turnover. To help mitigate teacher attrition rates, Gateway applied for and received grants in 2017 from the Longwood and Laffey-McHugh Foundations for tuition-reimbursement scholarships. We have several teachers that are getting their Master's degree through the University of Delaware and Wilmington University's ARTC program. Further, Gateway has annually funded retention bonuses paid in October for teachers and paraprofessionals that return the following school year. Teachers and Paras with three or more years at Gateway also receive an additional Longevity bonus. The school board conducts a Teacher Survey annually to stay abreast of the school climate and to review and approve policies that will lead to higher teacher retention rates.

---

**c. Describe how the school's professional development plans have evolved over the course of the charter term to support teachers and leadership.**

---

Gateway has always provided extensive and robust professional development opportunities for its school leadership, teaching and paraprofessional staff. Over the course of the charter term, we have invested in expanding training in arts-integration (AI) in core subject areas through partnerships with AI experts. In 2018-2019 Dr. Linda Krakaur of Krakaur Consulting provided year-long professional development in inquiry-based arts-integration which is defined as an explicit and sustainable pathway to facilitating creativity, cultural competence and critical thinking in every classroom. Teachers also had the opportunity to participate in an online STEM and Arts Integration Conference hosted by Education Closet over the past two summers. In 2019-2020 we will continue to work with our educators to strengthen their knowledge and skill of integrating the arts into core academic subjects through a partnership with Dr. Lynette Overby and the University of Delaware. Dr. Overby, Director of UD's Undergraduate Research and Experiential Learning program is a nationally recognized educator

---

---

who helped write national Common Core standards for arts education

A group of teacher leaders at Gateway reviewed our ELA and Math Curriculum in 2018 along with the Principal and as a result, new curriculum was purchased (ELA in 2018 and Math in 2019) that was more aligned to the needs of our student population with embedded resources for students with learning-disabilities, identified as ELL and LI (See Appendix 2). Professional development on the effective use of the curriculum was provided to the teaching staff and is ongoing in PLCs.

Another key component of our model is social-emotional learning. Gateway Lab School continues to be a school-wide Responsive Classroom school. In the last two years, 22 teachers and paraprofessionals have attended a four-day workshop in the summer to learn and strengthen Responsive Classroom practices.

Other professional development that supports our teachers and leaders includes, the state mentoring program, Math Coach PD, curricular training, Trauma-informed training, technology training, mandatory online training, homeless education, suicide prevention, teen dating violence, bullying and child abuse training.s mentioned previously, our tuition-reimbursement program provides teachers with the opportunity to attain a Masters Degree in Special Education. Teachers who are enrolled in a DOE-approved program are eligible to receive \$2,500 annually from the school and in some cases they can receive additional tuition-reimbursement funds from the State.

---

### 3.8 Closure Requirements

a) Describe the school’s plan for procedures it will follow in the event of the closure or dissolution of the school. The plan should, at a minimum, address each of the following areas:

- Current balance of contingency reserve funds to be used to cover accrued expenses including summer pay obligations (identify estimated amount for the 2016-17 school year), final audit (identify estimated cost), and other expenses typically incurred by June but paid in July or thereafter.
- If the current contingency reserve balance is insufficient to cover the estimated costs identified above, discuss the school’s plan for ensuring the required funds are set aside, including the timeframe for meeting this requirement.
- Identification of the individuals responsible for handling the school’s final closeout activities after closure or dissolution (i.e., who will process any final payments, coordinate the final audit, etc.).

- 
- **Balance of Contingency Reserve at June 30, 2019—APPR 98079--\$1,309,801**
    - **To further safeguard these funds, they are excluded from the budget, but included as a note to the budget.**

• FY2019 Calculated and earned summer pay	\$476,745
• FY2020 incremental increase to earned summer pay	( 3,029)
• Final Audit Cost Estimate	<u>15,775</u>
○ Total	\$489,491

- **FY2020 Estimated Contingency Reserve**

○ <b>Summer Pay estimated</b>	<b>\$473,716</b>
○ <b>Strategic Plan Contingency estimated</b>	<u><b>683,282</b></u>
▪ <b>Total</b>	<b>\$1,156,998</b>

- Individuals responsible for handling the school’s final closeout activities:

- Audit:
  - Barbecane Thornton
  - Michelle Lambert
  - Dorcell Spence
  - Pamela Draper
- Document Processing
  - Michelle Lambert
  - Pamela Draper

## IV. FINANCIAL PERFORMANCE

### 4.1 Financial Performance

Note: Please utilize the hyperlink in this sentence for more information about the [Financial Performance Framework](#).

Financial Performance Framework Ratings	Near Term Indicators				Sustainability Indicators				Financial Management and Oversight	Overall Rating
	Current Ratio	Days Cash	Enrollment Variance	Default, Loan Covenants, & Debt Service Payments	Total Margin	Debt Asset Ratio	Cash Flow	Debt Service Coverage Ratio		
Year	1a	1b	1c	1d	2a	2b	2c	2d	3	
2015-2016	M	M	M	M	D	M	F	N/R	M	Meets Standard
2016-2017	M	M	M	M	M	M	M	N/R	M	Meets Standard
2017-2018	M	M	AS	M	M	M	M	N/R	M	Meets Standard
2018-2019	As Soon As Available	As Soon As Available	As Soon As Available	As Soon As Available	As Soon As Available	As Soon As Available	As Soon As Available	As Soon As Available	As Soon As Available	As Soon As Available

#### DOE Summary:

Gateway Lab Charter School has maintained an overall rating of meets standard for the past three years on the Financial Performance Framework. The school has met all measures as assessed by the Financial Performance Framework metrics excluding cash flow (2c) in SY 15/16.

#### a) School's financial performance over the current charter term

<b>School Comments 2017-2018</b>	<p>Gateway Lab School has received a rating of Meets Standard overall with a rating of Approaching Standard in 1c – Enrollment Variance. There are a number of measures that the current administration is taking to increase and steady enrollment:</p> <ul style="list-style-type: none"> <li>• Clearly define the school’s mission and core values internally and externally</li> <li>• Reinforce our school mission to staff and ensure that teachers, paras and specialists are provided with the ongoing professional development and assessment needed to implement our program with fidelity</li> <li>• Create marketing and communications that provides a clear understanding of our arts-integrated curriculum</li> </ul>
----------------------------------	--

	<ul style="list-style-type: none"> <li>• Share student success stories (past and present) along with student growth data to stakeholders and prospective families</li> <li>• Communicate with our families by classroom and school-wide on a consistent basis and evaluate parent/guardian satisfaction via a mid-year survey</li> </ul> <p>Engage internal and external stakeholders in our school-wide strategic planning taking place in SY2018/2019</p>
--	---

<b>School Comments 2016-2017</b>	GLS has met standards in all areas of Financial Performance.
--------------------------------------	--

**b) Financial practices that the school has implemented to improve the school's financial outcomes**

<b>School Comments 2017-2018</b>	Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school's strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.
--------------------------------------	---

<b>School Comments 2016-2017</b>	Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school's strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.
--------------------------------------	---

c) Indicator measure where school did not meet standard or is approaching standard

School Comments  
2017-2018

1. NEAR TERM INDICATORS

Measure 1c. Enrollment Variance:

*Actual Enrollment as of September 30 divided by Authorized Enrollment*

2017-2018

88%

The enrollment variance depicts actual versus authorized enrollment. A school budgets based on projected enrollment but is funded based on actual enrollment; therefore, a school that fails to meet its enrollment targets may not be able to meet its budgeted expenses. The preferred result is more than 95%.

School Response To Rating:

The Gateway Lab School Board and Administration is aware of the enrollment variance and is implementing practices internally and externally (as shared above) to bring our enrollment to >100% for the 2019-2020 school year. There was a further decline in enrollment for the current school year (2018-2019), due to administrative turnover and the reasons mentioned previously. We believe that the enrollment and retention strategy that we are implementing will be instrumental in increasing and retaining enrollment.

School Comments  
2016-2017

School comments for SY 16/17 can be found at:  
<https://www.doe.k12.de.us/Page/2654>

School Comments  
2015-2016

School comments for SY 15/16 can be found at:  
<https://www.doe.k12.de.us/Page/2654>

a. Describe the school's Financial performance over the current charter term (This section is for the school to address any overall rating where the school has not met standards. The school will be able to address individual metrics in the sections below.)

---

To be completed when the DOE additions to the template for SY2018-19, are added to the application.

---

**b. Identify changes to Financial practices that the school has implemented to improve the school's financial outcomes.**

---

Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. In 2018, Head of School, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. An Expansion Committee has been formed and the Board is preparing to purchase a property at the end of our current lease. An analysis provided by a local commercial lender projected that the school could save between 30-50% of our building operating costs by purchasing a facility versus leasing. The savings would be instrumental in helping us to make our teacher salaries more competitive and increase our retention rate. Gateway has continually maintained a healthy contingency. It has provided a reassuring cushion through times that we have had difficulty meeting our enrollment targets. We will continue to spend conservatively and continue the practice of building our contingency with the prior year's surplus funds.

---

**c. Address any measure where school did not meet standard or is approaching standard**

---

Achieving 100% student enrollment is our leading goal. As we mentioned in our 2017-18 response to Measure 1c. Enrollment Variance, school leaders continue to implement practices internally and externally to bring our enrollment in line with our approved enrollment. While our enrollment numbers are stagnant from 2018-2019 to 2019-2020, we saw considerably less student attrition in 2018-2019. Some grades produced waitlists (5 & 7) while we continue to be challenged in filling our 3<sup>rd</sup> grade seats. As a part of the school's strategic plan, we are seeking approval to expand to grades K-2 over the next five years. We feel strongly that the Gateway model will be appealing to parents of Primary students who are struggling and identified as needing additional support. Filling the lower elementary grades will help to create a natural progression of students that will be more likely to continue their education at GLS through 8<sup>th</sup> grade. We have expanded our marketing efforts to include theatre marketing, billboard marketing and direct mail and increasing our social media presence. The school holds weekly "drop-in" Open House tours every Wednesday from 10am-12pm in addition to our scheduled Open House days. We hear frequently that we are the "Best Kept Secret" in Delaware. Over the last school year and going forward we are meeting regularly with local legislators, and community advocates to educate them about Gateway Lab School and the work we do with children. In the coming months, we will be sharing stories from our Alumni students, many who have returned to tell us about the success they are experiencing in high school and college, which they attribute to their education and time at GLS.

---

## Performance Agreement

### Financial Performance Expectations

*Gateway Lab School's overall financial rating is Meets Standard. Each year, we will be on track to demonstrate economic viability and achieve our financial performance expectation. This progress will be monitored through our annual performance review.*

#### DOE Summary:

In SY17/18, Gateway Lab Charter School received an overall financial rating of Meets Standard.

#### School Comments 2017-2018

Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school's strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.

#### School Comments 2016-2017

To maintain our compliance with standards, we periodically undertake reviews of all contracted services and operational spending. In doing so, we are mindful that we must align staff skills and attributes with Gateway's high-needs population.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

### How the school developed and implemented a corrective action plan in response to audit findings (if applicable)

#### DOE Summary:

Not Applicable. There were no audit findings during our current charter term.

#### School Comments 2017-2018

N/A

<b>School Comments 2016-2017</b>	<p>As recommended by a recent specific audit of our P-card practices, we will undertake a periodic additional review of the Executive Director’s P-Card usage by one or more members of the GLS board on no less than a quarterly basis. This additional oversight will ensure a proper separation of duties and reporting lines for review of financial transactions. Our current P-card record-and-receipt-keeping practices were deemed adequate in the P-card audit.</p> <p>Our full financial audit was conducted by Barbacane Thornton and Company. The key findings of the audit were as follows:</p> <ul style="list-style-type: none"> <li>• GLS’ Net Position reflects an ending balance of \$427,503 - an increase over prior year;</li> <li>• GLS’ Governmental Funds reflect ending balance of \$877,223 - an increase over prior year;</li> <li>• GLS has no debt;</li> <li>• The auditor did not identify any material deficiencies in internal controls;</li> <li>• The GLS financial statements present its financial position fairly, in all material respects; and</li> <li>• The audit report was submitted to the State by the September 30, 2017 deadline.</li> </ul>
--------------------------------------	---

<b>School Comments 2015-2016</b>	
--------------------------------------	--

**d. Discuss the school’s financial performance based on its approved Performance Agreement.**

---

Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. In 2018, Head of School, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. An Expansion Committee has been formed and the Board is preparing to purchase a property at the end of our current lease. An analysis provided by a local commercial lender projected that the school could save between 30-50% of our building operating costs by purchasing a facility versus leasing. The savings would be instrumental in making our teacher salaries more competitive and increase our retention rate. Gateway has continually maintained a healthy contingency. It has provided a reassuring cushion through times that we have had difficulty meeting our enrollment targets. We will continue to spend conservatively and continue the practice of building our contingency with the prior year’s surplus funds.

---

**e. Describe how the school developed and implemented a corrective action plan in response to audit findings (if applicable).**

---

Not applicable

---

**f. As appendices, please provide the following documents:**

**Appendix 11** Summary of Findings from Independent Audits (if applicable)

**Appendix 12** Final Fiscal Year 2018 Revenue & Expenditure Budget Report in the prescribed Department format

**Appendix 13** Approved preliminary Fiscal Year 2019 Budget in the prescribed Department format

**Appendix 14** Fiscal Year 2018 Audited Financial Statements (if final report is not available, a draft version is acceptable until final version is completed)

**Appendix 15** Five-year budget projections sheets and budget narrative based on both 100% projected enrollment 80% projected enrollment. (Note: If the projected enrollment is increasing or decreasing by 5% or more over the term of the charter, please include a separate written justification for the modification request as well as budget documents reflecting the new enrollment figures.)

## V. INNOVATION

### School's innovative practice(s) that could be replicated at other schools in Delaware

<b>School Comments</b> <b>2017-2018</b>	The school did not provide a response
<b>School Comments</b> <b>2016-2017</b>	<p>At GLS we have an above-average percentage of students with developmental disabilities and learning differences. Examples include hearing impairment and disorders such as autism spectrum, attention deficit, oppositional defiant, bipolar and conduct. The composition of our student population calls on us to innovate in certain ways:</p> <ul style="list-style-type: none"> <li>• For example, we believe that a foundation of solid emotional growth is a precondition for strong academic growth and to this end we successfully blend the Responsive Classroom approach with Applied Behavior Analysis. This innovation facilitates significant emotional growth in our students. We believe this practice is replicable at other schools in Delaware.</li> <li>• Another innovation we have found to be very successful is our Wilson Reading program. We have a specifically trained staff member in the practice of Wilson Reading, and she is also trained to train our instructional staff in how to benefit from Wilson Reading. The innovation here is not only the use of the practice with students, but in the leverage gained through having a central expert act as a resource to all instruction staff. The data in Attachment-1 (MAP data) on the last side ("Wilson Data") illustrates the success of this innovation: 91% of the GLS student who participate in the Wilson Reading program have met their NWEA MAP growth targets. We believe this practice is replicable at other schools in Delaware.</li> </ul>
<b>School Comments</b> <b>2015-2016</b>	School comments for SY 15/16 can be found at: <a href="https://www.doe.k12.de.us/Page/2654">https://www.doe.k12.de.us/Page/2654</a>

**a. Describe the school's innovative practice(s) that could be replicated at other schools in Delaware. Please include the data that supports the success of these practice(s).**

Gateway Lab School is the only public school in Delaware using the Wilson Reading System (WRS). Wilson is traditionally offered in private school or through private tutors. Wilson Reading has been a part of our model since inception. The success that our Wilson students led us to invest in Wilson training and certification for one of our lead teachers. Over the last three years Wilson Reading has been offered to students school-wide who struggle with decoding. The results have consistently shown tremendous student growth in meeting and exceeding their grade-level reading goals.

Wilson Reading Growth Targets

The percentage of Wilson students who met their growth targets in SY 2017-18 was 83% (30/36).  
 The percentage of Wilson students who met their growth targets in SY 2018-2019 was 94% (33/35).

---

Additional strategies that are central to the Gateway model that can be replicated at other schools include:

- Arts-integration into core subjects
- Small Class Size
- Individualized instruction focused on how each student best learns
- Social/Emotional learning through Responsive Classroom
- Rigorous professional development provided to teachers and paraprofessionals on ways to teach and assist students with diverse needs
- School-wide Success Block – Success Block is a 45 minute period of time when all students receive RTI services.

Approximately 50% of our students have IEP's. Traditional testing methods don't present a complete picture of our student's educational success. In SY 2018-2019, we surveyed and met with GLS alumni students and their parents. They have reported that Gateway provided a safe and nurturing environment that allowed them to release their anxieties and fear of failure and develop a love of learning. The caring and support that our students receive from the teachers and staff has provided the foundation they need to gain confidence in their abilities and to advocate for themselves as the move on to high school and college.

---

## VI. Five-Year Planning

### 6.1 Projected Enrollment

- a. Provide a five-year enrollment chart by grade level, in the prescribed format below. Ensure that the chart allows for the natural progression of students from year-to-year.\*

**Note: This will become the school's authorized enrollment for the new charter term.**

Projected Enrollment						
	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024	2024-2025
K				16	16	16
Grade 1					16	16
Grade 2						16
Grade 3		17	17	17	17	17
Grade 4		30	30	30	30	30
Grade 5		34	34	34	34	34
Grade 6		45	45	45	45	45
Grade 7		45	45	45	45	45
Grade 8		45	45	45	45	45
Grade 9						
Grade 10						
Grade 11						
Grade 12						
<b>Total</b>		216	216	232	248	264

**Note:** An increase or decrease in enrollment exceeding 5%, but less than 15%, is considered a minor modification of the school's charter. 14 Del. Admin. C. § 275.9.9.1.4. An increase or decrease in enrollment exceeding 15% is considered a major modification of the school's charter, which requires a review by the Charter School Accountability Committee and the assent of the State Board of Education. See 14 Del. C. § 511(b)(2); 14 Del. Admin. C. § 275.9.8.1.3. As such, **if the projected enrollment is increasing or decreasing by 5% or more over the term of the charter, the school is required to submit a [Charter Modification Application](#) including budget sheets, and budget narrative reflecting the new enrollment figures.**

**\*Historically, Gateway Lab School's Enrollment does not follow a natural progression. The majority of our students enroll in middle school with lower enrollment numbers in the elementary grades. The addition of grades K-2 beginning in 2022 will allow for a natural progression and positively affect our total enrollment numbers.**

## **6.2 The school's plans for the next five years of the charter.**

*(Note: The school's responses to this 1.a, b, and c of this section will be used to populate the Academic Performance section of the school's new Performance Agreement.)*

1. Explain how the school's Board and School Leadership Team will measure and evaluate the academic progress of individual students, student cohorts, and the school as a whole throughout the school year, at the end of each academic year, and for the term of the charter contract.

---

The school will continue to use the NWEA Measure of Academic Progress (MAP) assessment that is a part of our approved Alternative Academic Framework. Students receive MAP assessments three times a year, Fall, Winter and Spring. MAP allows teachers to see where there are gaps in a student's learning throughout the school year and create a plan to fill in those gaps. The Smarter Balance Assessment also provides the school with information about how well our students are doing compared to similar schools and their neuro-typical peers.

As mentioned previously, the Gateway Board and School Leadership recently completed a 3-year strategic plan. The plan sets specific goals to measure and evaluate the academic progress of our students. GLS School Leadership will provide monthly update to the Board.

---

- a. Outline the clearly measurable annual performance status and growth goals that the school will : over the course of the next charter term in order to monitor and evaluate its progress accelerating ident achievement. Include information about proposed school's student performance goals and ę DSSF.

---

The following Academic Achievement and Operational goals were established by the Board of Directors and School at its recent Strategic Planning meeting:

Goal 1: To meet or exceed all of the standards set forth in the Alternative Academic Framework established by the State Board of Education by the end of 2021.

Objectives:

1. Achieve grade level proficiency in Math for students currently at “yellow” proficiency level.
2. Achieve grade level proficiency for ELA for students currently at “yellow” proficiency level.
3. Ten to fifteen-point increase in ELA as measured by MAP scores.
4. Ten to fifteen-point increase in Math as measured by MAP scores.
5. Ensure fidelity to ELA and Math curriculum annually.
6. Ensure fidelity to Responsive Classroom principles and practices annually; achieve 21-30 points.
7. Fidelity to instructional technique; achieve 21-30 points.

Goal 2: Become a “Best Place” school that attracts and retains high quality teachers and maximizes students’ potential.

Objectives:

1. Identify and acquire a building for the school by the end of SY 2021-2022.
2. Achieve a comparable salary schedule to a local district within 5% by 2022.
3. Achieve the targeted annual teacher retention rates through 2022.
4. Further define and refine the Gateway Culture (values, behaviors) and expand its impact to include teachers, students, administration and parents achieving identified ratings starting in SY 2020-21.
5. Create and launch a comprehensive marketing and communication plan in SY 2020-2021.
6. Create a technology plan which includes needs, costs, financing and implementation by SY 2020-21.

---

b. Describe the student performance standards for the school as a whole.

---

Please see the answer to letter a. above.

---

- c. In addition to the State's mandatory assessments, identify the primary interim assessments that the school will use to assess student learning needs and demonstrate academic progress throughout the year. Explain how these interim assessments align with the school's curriculum, performance goals, and Delaware Content Standards (Common Core State Standards in English Language Arts, Mathematics, and Next Generation Science Standards).

---

Gateway will continue to use the NWEA MAP testing three times annually, weekly curricular assessments as well as end of unit assessments. Dibels testing is also administered three times annually. The WIDA assessment is used for our ELL students and the Wilson WIST test for students that receive Wilson Reading.

---

2. Explain how the school will collect and analyze student academic achievement data, use the data to refine and improve instruction, and report the data to the school community. Identify the person(s), position(s), and/or entities that will be responsible and involved in the collection and analysis of assessment data.

---

The Principal is the chief instructional leader of the school. All faculty and staff collect data which is stored in ITracker and moved as needed into IEP Plus to be used in IEP meetings/conference with parents, specialists and faculty in attendance. The purpose of the IEP meetings is to review progress and set new and ongoing goals. Three report cards are distributed to parents, there is one mandatory conference in the first trimester. Additional conferences are available at parent or teacher request.

---

3. Describe the corrective actions the school will take, pursuant to 14 *Del. C. § 512(5)*, if it falls short of student academic achievement expectations or goals at the school-wide, classroom, or individual student level. Explain what would trigger such corrective actions and who would be responsible for implementing them.

---

We use the following:

SIT meetings  
PLC discussions  
IEP Reviews and Reevaluations  
Functional Behavior Analysis and Behavior Intervention Plans as needed  
Nurse communicates with physicians and parents regarding med related issues and concerns  
We encourage teachers to communicate frequently with parents to look for solutions

---

4. Describe how state data systems will be used and monitored to support informed decision-making in the areas of academic performance, organizational management, and financial viability. Include any coordinated professional development intended to sustain these processes.

---

We analyze data to establish needs. We schedule professional development as it is indicated by the data to support instruction. Data can also indicate success in the classroom so we can encourage teachers to maintain excellence in their instruction.

---

5. Describe how the School Leadership Team will oversee and monitor compliance with statutory requirements as measured by the Organizational Framework. Include any additional organizational goals and targets that the school will have. State the goals clearly in terms of the measures or assessments that the school plans to use.

---

The Leadership Team uses the areas outlined in the Organizational Framework for topics for professional development, discussion at Board meetings, faculty meetings, GFF PTO meetings and discussions with stakeholders. We monitor data and analyze needs based on the data to fulfill the schools Mission and Vision to maximize each student's academic ability and social growth. The Organizational Framework provides structure and focus to facilitate goal setting and high expectations. These are the key areas that will produce a school's excellence in performance if addressed with fidelity.

---

6. Provide detailed information on the school's plan for any changes or improvements to its facility for the five years of the next charter renewal term. The plan should include an adequate and detailed financial arrangement and timeline for the proposed facility improvements.

---

The Board of Directors has determined that the school will find a facility to accommodate the goals set forth in the Strategic Plan. It is advantageous for GLS to own its own facility as opposed to renting. A thoughtful and thorough search is currently underway.

---

7. Provide detailed information on the board's plan to assess its performance annually and hold itself accountable for achieving its goals and govern effectively.

---

Board of Directors uses self-evaluation, an annual faculty and staff evaluation an annual Parent Survey with questions included concerning Board leadership. The Board participates in annual professional development and leadership training.

---

## VII. Compliance certification statement

The Board of Directors of this charter school certifies that it will materially comply with all applicable laws, rules, regulations, and provisions of the charter relating to the education of all students enrolled at the school.

9/30/2019  
Date of Signature

Gateway Lab School  
Name of the Charter School

We have reviewed the Delaware Charter Law (14 Del. C. Ch. 5) and 14 DE Admin. Code § 275 in Department of Education regulations (Regulation 275), and have based the responses in this renewal application on the review of these documents.

  
President 9/30/2019

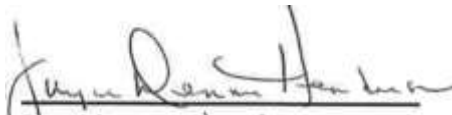

Signature of the Chairperson of the Board of Directors

Print/Type Name:	Joyce D. Henderson
Title (if designated):	Board President

## VIII. RENEWAL APPLICATION CERTIFICATION STATEMENT

<b>Name of School:</b>	Gateway Lab School
<b>Location:</b>	2501 Centerville Rd., Wilmington, DE 19808

I hereby certify that the information submitted in this application for renewal of a charter school is true to the best of my knowledge and belief; that this application has been approved by the school's Board of Directors; and that, if awarded a renewed charter, the school shall continue to be open to all students on a space available basis, and shall not discriminate on the basis of race, color, national origin, creed, sex, gender identity, ethnicity, sexual orientation, mental or physical disability, age, ancestry, athletic performance, special need, proficiency in the English language or a foreign language, or prior academic achievement. This is a true statement, made under the penalties of perjury.

  
 President 9/30/2019

Signature: Chairperson of Board of Directors (or designated signatory authority)

Date

<b>Print/Type Name:</b>	Joyce D. Henderson
<b>Title (if designated):</b>	President
<b>Date of approval by board of directors:</b>	The GLS Board of Directors will vote to approve the Renewal Application once the Financial Framework and application are finalized.

## IX. PERFORMANCE Agreement Template

To be completed by the school in conjunction with the Department of Education should the school be renewed by the Secretary with the assent of the State Board of Education.

### DELAWARE DEPARTMENT OF EDUCATION CHARTER SCHOOL PERFORMANCE AGREEMENT – Renewing Charter School Gateway Lab School

This Performance Agreement (“Agreement” is entered into this 30th day of September, 2020 by and between the Delaware Department of Education (hereinafter referred to as “DDOE”) and Gateway Lab School, a public charter school of the State of Delaware (hereinafter referred to as “School”), authorized by the Department of Education with the assent of the Delaware State Board of Education (hereinafter referred to as “DSBE”).

**1. Effective Date.** Notwithstanding the date set forth above this Agreement shall become effective on the date upon which the DSBE shall assent to the terms and conditions of this Agreement.

**2. Term of the Agreement.** This agreement shall continue in full force and effect during the term of the school’s charter and any subsequent renewal term thereof; provided, nevertheless, that in the sole discretion of the DDOE, with the assent of the DSBE, this agreement may be amended at such time as the school’s charter may be renewed under the provisions of 14 *Del. C.* §514A or subjected to review under 14 *Del. C.* §515 (b). This agreement may also be amended to comply with subsequent changes in state or federal law and/or regulations relating to charter schools or the Performance Framework (“Framework”) as deemed necessary by the DDOE, with the assent of the DSBE. This Agreement may also be modified:

(a) At anytime by mutual consent of the DDOE and the School, provided, nevertheless that the DSBE shall assent to such modification; or

(b) If the DDOE shall determine, with the assent of the DSBE, that it is necessary or appropriate to modify this Agreement to reflect subsequent changes in the Performance Framework.

**3. Obligations of School.** While this agreement remains in effect, the School shall:

(a) Comply with all state and federal laws and regulations imposed on Delaware public charter schools, and otherwise comply with the terms of the School’s charter, including any conditions now or subsequently imposed upon its charter by the DDOE with the assent of the DSBE; and

(b) Make satisfactory annual progress toward the indicators and performance targets in the Academic, Financial and Organizational Expectations set forth in this Agreement as measured by the Framework. An annual performance review will be conducted by the Department of Education Charter School Office using the Framework to evaluate such progress. The Framework is incorporated into and made a part of this agreement. If the DDOE finds that the school is not making satisfactory progress toward its performance targets, the DDOE may place the school’s charter on formal review pursuant to 14 *Del. C.* §515 (b).

**Background Information** (*Characteristics of school, current location, summary of student population and grades served by the school, etc.*)

Gateway Lab School serves students in grades 3-8 who might struggle to achieve academic success in a traditional classroom environment. The Gateway Lab School philosophy is based on the belief that children, who have struggled to achieve academic success in the traditional school environment and learn differently, have the capacity to achieve academic success and to realize individual learning potential.

The teachers and staff of Gateway Lab School are committed to developing a sense of inquiry and love of learning in each student. This is accomplished by focusing on providing interventions in the areas of reading, oral and written language, math and motor skills. Gateway provides a unique program that incorporates art, music, drama and hands-on learning experiences.

Our social skill/character development curriculum, Responsive Classroom equips students with the knowledge to build relationships and approach new situations with confidence. Students will learn to advocate for themselves by gaining an understanding of how they best learn.

***Mission Statement***

The mission of Gateway Lab School is to maximize each student's academic ability and social growth through innovative arts-based learning in a safe and nurturing environment.

***Vision Statement***

Gateway is an innovative school of excellence that prepares students for life.

## Academic Performance Expectations

Gateway Lab School's DSSF ratings are:

Metric Area/Metrics	Points	Point Earned	Percent Point
<i>Academic Achievement</i>			
<i>Academic Progress</i>			
<i>School Quality/Student Success</i>			
<i>Graduation Rate</i>			
<i>Progress toward English Language Proficiency</i>			
<i>Overall Percentage/Ratings</i>			

By September 2024, our expectation is to achieve an overall rating of “Meets” or “Exceeds” on the Delaware School Success Framework (DSSF). Each year, we will show growth within each metric area, putting us on track to achieve our academic performance expectations. This progress will be monitored through our annual performance review.

Mission Specific Goal(s):

{Insert your responses to section 6.2.1 a, b, and c here}

## Financial Performance Expectations

Gateway Lab School's overall financial rating is Meets Standard. By September 2024, our expectation is to achieve the overall rating of “Meets” standard as measured by the Financial Performance Framework. Each year, we will be on track to demonstrate economic viability and achieve our financial performance expectation. This progress will be monitored through our annual performance review.

## Organizational Performance Expectations

Gateway Lab School's overall organizational rating is Meets Standard. By September 2024, our expectation is to achieve the overall rating of “Meets,” as measured by the Organizational Performance Framework. Each year, we will be on track to demonstrate performance aligned with those organizational performance expectations. This progress will be monitored through our annual performance review.

## IV. FINANCIAL PERFORMANCE

### 4.1 Financial Performance

Note: Please utilize the hyperlink in this sentence for more information about the [Financial Performance Framework](#).

Financial Performance Framework Ratings	Near Term Indicators				Sustainability Indicators				Financial Management and Oversight	Overall Rating
	Current Ratio	Days Cash	Enrollment Variance	Default, Loan Covenants, & Debt Service Payments	Total Margin	Debt Asset Ratio	Cash Flow	Debt Service Coverage Ratio		
Year	1a	1b	1c	1d	2a	2b	2c	2d	3	
2015-2016	M	M	M	M	D	M	F	N/R	M	Meets Standard
2016-2017	M	M	M	M	M	M	M	N/R	M	Meets Standard
2017-2018	M	M	AS	M	M	M	M	N/R	M	Meets Standard
2018-2019	M	M	AS	M	M	M	M	N/R	M	Meets Standard

#### DOE Summary:

Gateway Lab Charter School has maintained an overall rating of meets standard for the past three years on the Financial Performance Framework. The school has met all measures as assessed by the Financial Performance Framework metrics excluding cash flow (2c) in SY 15/16.

#### a) School's financial performance over the current charter term

<b>School Comments 2017-2018</b>	<p>Gateway Lab School has received a rating of Meets Standard overall with a rating of Approaching Standard in 1c – Enrollment Variance. There are a number of measures that the current administration is taking to increase and steady enrollment:</p> <ul style="list-style-type: none"> <li>• Clearly define the school’s mission and core values internally and externally</li> <li>• Reinforce our school mission to staff and ensure that teachers, paras and specialists are provided with the ongoing professional development and assessment needed to implement our program with fidelity</li> <li>• Create marketing and communications that provides a clear understanding of our arts-integrated curriculum</li> </ul>
----------------------------------	--

	<ul style="list-style-type: none"> <li>• Share student success stories (past and present) along with student growth data to stakeholders and prospective families</li> <li>• Communicate with our families by classroom and school-wide on a consistent basis and evaluate parent/guardian satisfaction via a mid-year survey</li> </ul> <p>Engage internal and external stakeholders in our school-wide strategic planning taking place in SY201892019</p>
--	---

<b>School Comments 2016-2017</b>	GLS has met standards in all areas of Financial Performance.
--------------------------------------	--

**b) Financial practices that the school has implemented to improve the school's financial outcomes**

<b>School Comments 2017-2018</b>	Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school’s strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.
--------------------------------------	---

<b>School Comments 2016-2017</b>	Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school’s strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.
--------------------------------------	---

c) Indicator measure where school did not meet standard or is approaching standard

School Comments  
2017-2018

1. NEAR TERM INDICATORS

Measure 1c. Enrollment Variance:

*Actual Enrollment as of September 30 divided by Authorized Enrollment*

2017-2018

88%

The enrollment variance depicts actual versus authorized enrollment. A school budgets based on projected enrollment but is funded based on actual enrollment; therefore, a school that fails to meet its enrollment targets may not be able to meet its budgeted expenses. The preferred result is more than 95%.

School Response To Rating:

The Gateway Lab School Board and Administration is aware of the enrollment variance and is implementing practices internally and externally (as shared above) to bring our enrollment to >100% for the 2019-2020 school year. There was a further decline in enrollment for the current school year (2018-2019), due to administrative turnover and the reasons mentioned previously. We believe that the enrollment and retention strategy that we are implementing will be instrumental in increasing and retaining enrollment.

School Comments  
2016-2017

School Comments  
2015-2016

School comments for SY 15/16 can be found at:  
<https://www.doe.k12.de.us/Page/2654>

a. Describe the school's Financial performance over the current charter term (This section is for the school to address any overall rating where the school has not met standards. The school will be able to address individual metrics in the sections below.)

---

Gateway Lab School achieved an overall rating of Meets Standard for its Financial Performance Framework for SY 2018-2019. The school has maintained a Meets Standard rating over the current charter term due to vigilant oversight by the Administration and Board. The costs to keep our class sizes small and to ensure that our students have the appropriate support as mandated by their Needs Based classification is heavy, however necessary to provide our students with the resources they need for success and to meet federal and state requirements. The school has been able to meet the needs of our students while accumulating a healthy contingency of upwards of \$1 million dollars.

---

**b. Identify changes to Financial practices that the school has implemented to improve the school's financial outcomes.**

---

Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. In 2018, Head of School, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. An Expansion Committee has been formed and the Board is preparing to purchase a property or find a more affordable lease option at the end of our current lease. An analysis provided by a local commercial lender projected that the school could save between 30-50% of our building operating costs by purchasing a facility versus leasing. The savings would be instrumental in helping us to make our teacher salaries more competitive and increase our retention rate. Gateway has continually maintained a healthy contingency. It has provided a reassuring cushion through times that we have had difficulty meeting our enrollment targets. We will continue to spend conservatively and continue the practice of building our contingency with the prior year's surplus funds.

---

**c. Address any measure where school did not meet standard or is approaching standard**

---

Achieving 100% student enrollment is our leading goal. As we mentioned in our 2017-18 response to Measure 1c. Enrollment Variance, school leaders continue to implement practices internally and externally to bring our actual enrollment in line with our approved enrollment. While our enrollment numbers are stagnant from 2018-2019 to 2019-2020, we saw considerably less student attrition in 2018-2019. Some grades produced waitlists (5 & 7) while we continue to be challenged in filling our 3rd grade seats. As a part of the school's strategic plan, we are seeking approval to expand to grades K-2 over the next five years. We feel strongly that the Gateway model will be appealing to parents of Primary students who are struggling and identified as needing additional support. Filling the lower elementary grades will help to create a natural progression of students that will be more likely to continue their education at GLS through 8th grade. We have expanded our marketing efforts to include theatre marketing, billboard marketing and direct mail and increasing our social media presence. The school holds weekly "drop-in" Open House tours every Wednesday from 10am-12pm in addition to our scheduled Open House days. We hear frequently that we are the "Best Kept Secret" in Delaware. Over the last school year and going forward we are meeting regularly with local legislators, and community advocates to educate them about Gateway Lab School and the work we do with children. In the coming months, we will be sharing stories from our Alumni students, many who have returned to tell us about the success they are experiencing in high school and college, which they attribute to their education and time at GLS.

---

## Performance Agreement

### Financial Performance Expectations

*Gateway Lab School's overall financial rating is Meets Standard. Each year, we will be on track to demonstrate economic viability and achieve our financial performance expectation. This progress will be monitored through our annual performance review.*

#### DOE Summary:

In SY17/18, Gateway Lab Charter School received an overall financial rating of Meets Standard.

#### School Comments 2017-2018

Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. Acting HOS, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. The Board has re-established the Finance Committee this school year. The committee will be involved in review of the schools current financial practices to maximize efficiencies and to plan for sufficient funding of the school's strategic plan. Additionally, the Board has established a Building Search in anticipation of a move in the next couple of years with an eye toward finding an economical, long-term solution.

#### School Comments 2016-2017

To maintain our compliance with standards, we periodically undertake reviews of all contracted services and operational spending. In doing so, we are mindful that we must align staff skills and attributes with Gateway's high-needs population.

**Note:** This data element was included in SY 16/17 for direct school reporting. School information regarding the performance agreement for SY 14/15 and SY 15/16 can be found in their overall annual report at <https://www.doe.k12.de.us/Page/2654>

### How the school developed and implemented a corrective action plan in response to audit findings (if applicable)

#### DOE Summary:

Not Applicable.

#### School Comments 2017-2018

N/A

<b>School Comments 2016-2017</b>	<p>As recommended by a recent specific audit of our P-card practices, we will undertake a periodic additional review of the Executive Director's P-Card usage by one or more members of the GLS board on no less than a quarterly basis. This additional oversight will ensure a proper separation of duties and reporting lines for review of financial transactions. Our current P-card record-and-receipt-keeping practices were deemed adequate in the P-card audit.</p> <p>Our full financial audit was conducted by Barbacane Thornton and Company. The key findings of the audit were as follows:</p> <ul style="list-style-type: none"> <li>• GLS' Net Position reflects an ending balance of \$427,503 - an increase over prior year;</li> <li>• GLS' Governmental Funds reflect ending balance of \$877,223 - an increase over prior year;</li> <li>• GLS has no debt;</li> <li>• The auditor did not identify any material deficiencies in internal controls;</li> <li>• The GLS financial statements present its financial position fairly, in all material respects; and</li> <li>• The audit report was submitted to the State by the September 30, 2017 deadline.</li> </ul>
--------------------------------------	---

<b>School Comments 2015-2016</b>	
--------------------------------------	--

**d. Discuss the school's financial performance based on its approved Performance Agreement.**

---

Strong financial oversight has been a practice at GLS since its inception. We will continue with our current budget planning and process. In 2018, Head of School, Catherine Dolan negotiated a 15% reduction in our current lease agreement that will remain steady for two years. An Expansion Committee has been formed and the Board is preparing to purchase a property or find a more affordable lease option at the end of our current lease. An analysis provided by a local commercial lender projected that the school could save between 30-50% of our building operating costs by purchasing a facility versus leasing. The savings would be instrumental in making our teacher salaries more competitive and increase our retention rate. Gateway has continually maintained a healthy contingency. It has provided a reassuring cushion through times that we have had difficulty meeting our enrollment targets. We will continue to spend conservatively and continue the practice of building our contingency with the prior year's surplus funds.

---

e. Describe how the school developed and implemented a corrective action plan in response to audit findings (if applicable).

---

## APPENDIX 2

### Curriculum

## APPENDIX 2A

ELA Curriculum Documents

# RESOURCE OVERVIEW

# Wonders

Grades K-6

A young girl with dark hair in a ponytail is sitting on the grass, leaning against the trunk of a large tree. She is wearing a striped shirt and dark pants, and is reading a red book titled 'Wonders'. The scene is bathed in the warm, golden light of a sunset or sunrise, with a blurred field of green grass in the background.

Mc  
Graw  
Hill  
Education

Writing is the painting  
of the voice.

A chapter a day will  
light your way.

Reading is  
dreaming with  
open eyes.

# MAKE EVERY STUDENT A SUCCESS STORY

*Wonders* is designed to foster a love of reading in all children. Through exploration of texts and daily development of their skills as readers, writers, speakers, and active listeners, students experience the power of literacy. Our focus on teaching the whole child – and every child – prepares students to be lifelong learners and critical thinkers.

By providing a comprehensive set of connected resources for all learners in grades K-6, *Wonders* offers educators the ability to adapt instruction with confidence as students grow.

Combining the work of literacy experts with research on social emotional learning, *Wonders* helps you strengthen skills, bolster learning, and encourage independence, enhancing the important and inspiring work you do in your classroom, every day.

READING MAKES YOUR  
WORLD **BIG.**

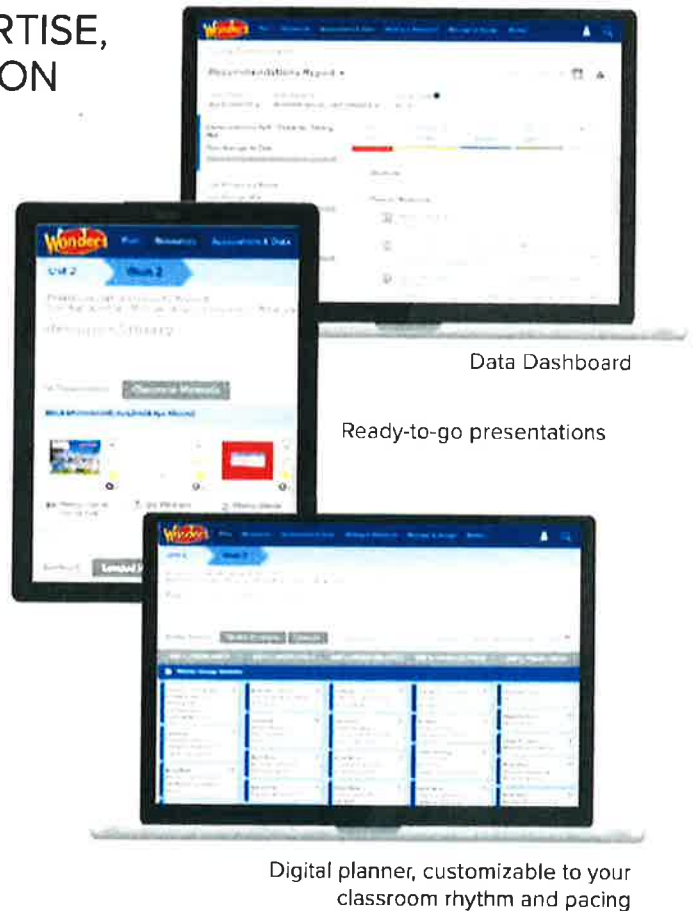

# TEACH IT YOUR WAY

## ACKNOWLEDGING YOUR EXPERTISE, SUPPORTING YOUR INSTRUCTION

Every teacher has a unique set of skills and a personal teaching style that reaches students in a way that no one else can. You know your students better than almost anyone, and you do everything you can to make learning an empowering experience that guides them on their educational pathways.

As a result, student and teacher choice are at the heart of *Wonders*. These resources were designed to support you and your entire classroom as you teach your way—whether you follow our recommended pathway of instruction or create your own workshop lessons using our resources.

## *Wonders:*

- Makes it easy to integrate your favorite resources or use our resources with your preferred approach or framework – including workshop-focused, blended learning, project-based learning, and authentic literature-focused.
- Focuses on student-centered learning, small-group teaching, and minilessons with embedded support for English Language Learners, gifted and talented students, and students in need of Tier 2 support.

## TAKING LEARNING BEYOND THE BOOK

*Wonders* brings the best in blended learning to your classroom. Every print resource is also available digitally, and your digital workspace includes thousands more readers, hundreds of games, interactive texts, videos, songs, a digital Writer's Notebook, research projects, and a myriad of optional resources to extend every lesson and respond to students' interests.

In grades 2-6, students can practice responsible use of social media, in a controlled setting focused on core academic content. This prepares them for *StudySync*, available for grades 6-12.

In short, you'll find just the right resources for every learner in your class.

- Helps you choose your pathway with resources for modeled reading, shared reading, guided reading, and independent practice and application in every new week or text set.
- Provides resources and tools that meet students where they are and take them

where they need to be, in both print and digital formats –100% print, 100% digital, or anywhere in between.

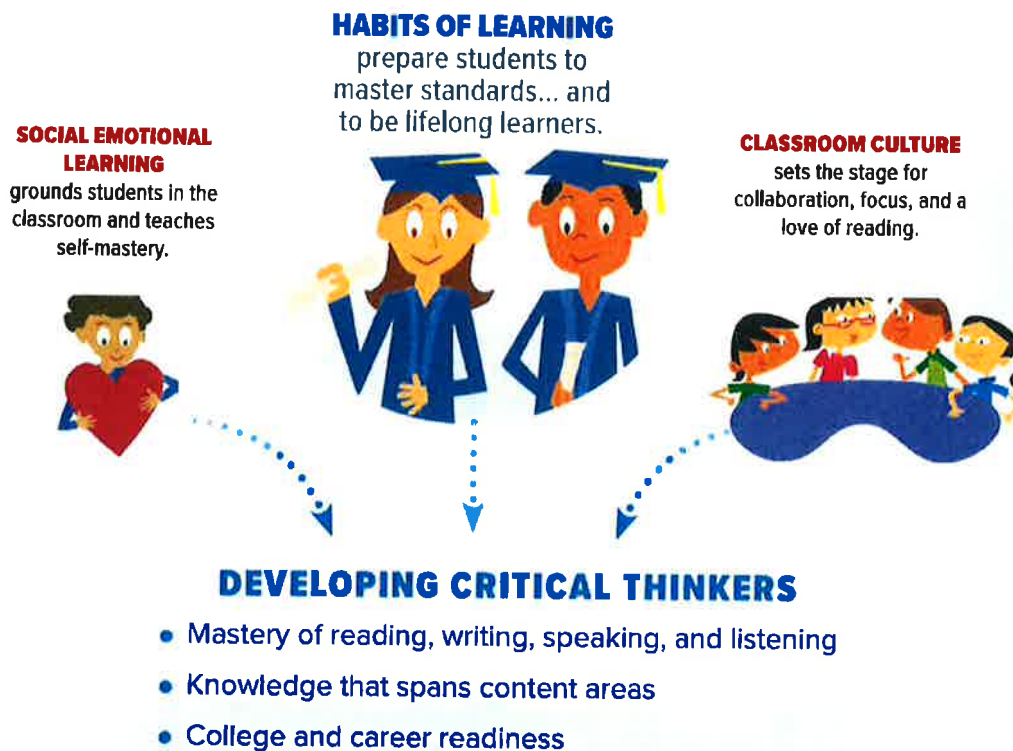

- Bases instruction on research—and is dedicated to putting best practices into the daily routines of your classroom.

# TEACHING THE **WHOLE CHILD**

## READING, WRITING, AND CRITICAL THINKING

Your students are learning so much more than reading in your classroom. They're learning how to learn, how to master new content areas, and how to handle themselves in and out of the classroom. Research shows that learning these skills leads to increased academic success. *Wonders* resources have been developed to support you in teaching the whole child, for success this school year – and throughout their lives.

*Wonders* is organized around three related focus areas to help students learn how to learn and become critical thinkers: social emotional learning, habits of learning, and classroom culture.

These six habits of learning were specifically designed to encourage curiosity and critical thinking, and are reinforced throughout the year and across the grades. They teach children how to learn, and to master the skills that will prepare them for the high-stakes assessments. Each unit of instruction focuses on one habit that will set students up for success.

I use a **variety of strategies to understand.**

- make predictions**
- take notes**
- think about how a piece is organized
- visualize**

I think **critically** about what I read.

- ask questions**
- look for text evidence
- think across domains**
- make inferences

I write **to communicate.**

- think about my message
- think about my audience
- talk with my peers**
- use rubrics

I am **part of a community of learners.**

- listen actively**
- build on others' thoughts
- share what I know**
- choose the right words
- gather information before I act or speak**

I believe **I can succeed.**

- challenge myself**
- stay on task

I am **a problem solver.**

- analyze the problem**
- try different ways

Classroom culture fosters the development of your community of learners. Your Teacher's Edition highlights opportunities to strengthen classroom relationships, such as collaboration, restating your community focus, and developing a love of reading.

The resources in **Wonders** are designed to help you build mastery of reading, writing, speaking, listening, and thinking – across content areas – giving students the tools they'll need for academic success in every subject and every grade.

# Social EMOTIONAL Learning

Positive social emotional learning (SEL) gives young learners the critical competencies to experience success in school and life with understanding, flexibility, support, and resiliency. Research shows that students' ability to regulate their own emotions and behaviors affects their ability to build and maintain relationships with others, which in turn has a direct impact on their academic success.

## The SEL Curriculum for Grades K and 1

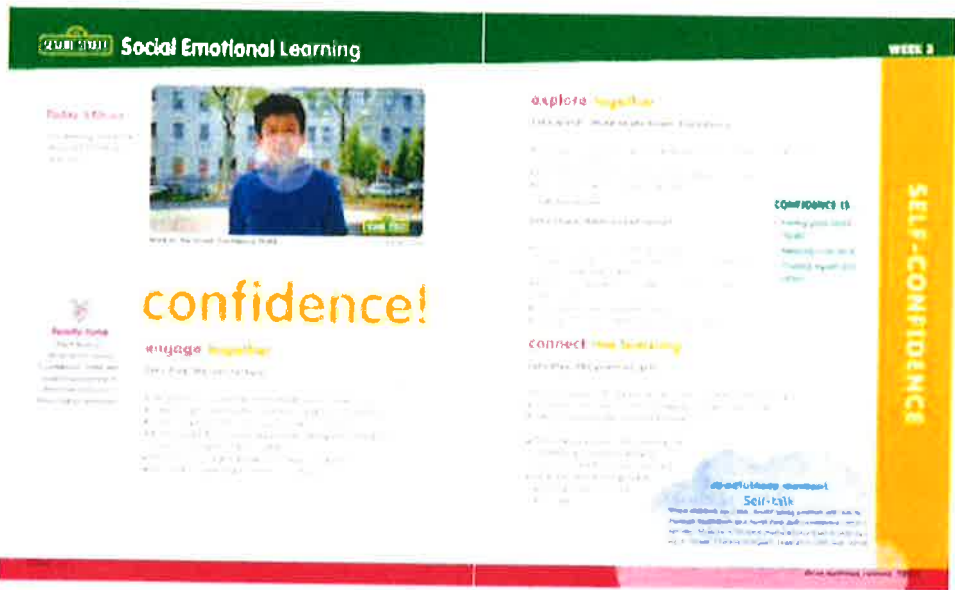

We are proud to partner with Sesame Workshop, the nonprofit educational organization, to provide an integrated approach to SEL skills within the *Wonders* curriculum. Key SEL foundations are sequenced through three interrelated strands: approaches to learning, social and emotional development, and executive function.

# The SEL Lesson Plan

Each SEL lesson is built on active engagement, carefully crafted to bolster each week’s targeted literacy skills.

 **Student-Centered Media** support a specific SEL competency. Additional resources help guide learning before and after co-viewing.

The screenshot shows a lesson plan for 'Social Emotional Learning' in 'Week 3'. The main theme is 'confidence!'. It includes sections for 'engage together', 'explore together', and 'connect the Learning'. A vertical yellow bar on the right side of the page is labeled 'SELF-CONFIDENCE'. The lesson plan includes a video of a young boy and various activities and resources.

**Engage Together** is an active learning experience that bridges students’ prior knowledge and skills to the SEL concept.

**Explore Together** is a “view and do” experience that combines a media-based investigation with collaborative learning.

**Connect the Learning** through language-rich interactions that transfer students’ understandings to everyday moments and learning at home.

## Family Time

**Research highlights a consistent relationship between family engagement and student achievement.**

We engage families in their children’s education and development through a powerful home-school partnership that strengthens SEL skills.

# TEACHING THROUGH **GENRE**

## GETTING ON THE PATH TO INDEPENDENT READING

*Wonders* is grounded throughout in a firm understanding of genre. Students read widely across connected text sets, notice and annotate, listen and speak about what they've noticed, and write in the genre using an expert model or mentor text. Along the way, they are learning the elements of each genre, looking at author's craft, and gaining the skills they need to read independently.

FOLKTALE

**Poetry**

Informational Text

Fantasy

By mastering the key features of each genre, students are better prepared to understand subject matter, read more broadly and deeply, and write about what they know. They'll be ready to approach any text – whether their interests and curiosities draw them to literature, biography, nonfiction, or drama – and communicate effectively, preparing them for futures in humanities, STEM, and careers we haven't even dreamed of.

**Argumentative Text**

**Realistic Fiction**

**Nonfiction**

**BIOGRAPHY**

**DRAMA**

# FOUNDATIONS OF RIGOR

## LITERACY BEGINS WITH FIRM FOUNDATIONS

*Wonders* offers a thorough grounding in foundational skills, from children's first steps in phonemic awareness and print concepts, through sophisticated academic vocabulary and advanced morphological analysis. All along the way, integrated Tier 2 lessons fill any gaps quickly.

As they enhance understanding, students are encouraged to listen before speaking, speak before writing, and think critically all along – asking questions, finding text evidence, and building a more advanced set of literacy tools. With integrated grammar, spelling, and handwriting instruction, students build their capabilities every day.

Every year, as students develop fluency, they are also increasing their knowledge of science and social studies topics to prepare for broader content area learning, integrating new ideas, and making deeper connections between texts. They're also diving into a world of rich authentic literature and stories that connect them to the world around them in new, inspiring ways.

### Content Area Learning

- Explain how individuals can participate voluntarily in civic affairs at state and local levels through activities such as holding public officials to their word

### Content Area Learning

- Explore, illustrate, and compare life cycles in living organisms

Workstation Activity Cards

Inquiry Space Performance Tasks

## Close Reading Routine

### Read DOK 1-2

- Identify key ideas and details about helping your community.
- Take notes and summarize.
- Use **ACT** prompts as needed.

### Reread DOK 2-3

- Analyze the text, craft, and structure.
- Use *Reading/Writing Companion*, pp. 14-16.

### Integrate DOK 4

- Integrate knowledge and ideas.
- Make text-to-text connections.
- Use the Integrate lesson.
- Inspire action.

Close Reading Routine

## ACT Access Complex Text

Literatu

### Specific Vocabulary

Review with students that authors often provide definitions or restatements in the surrounding sentences to clarify the meanings of unfamiliar words. Point out the word *elliptical* on page 202.

- *What does elliptical mean? (oval-shaped)* Have a volunteer read aloud the sentence that defines *elliptical*.

ACT: Access Complex Text

# DIFFERENTIATED FOR EVERY STUDENT

## A PATH FORWARD FOR EVERY LEARNER

*Wonders* provides you with a collection of resources and instruction to move students ahead as soon as they're ready. Differentiated instruction is built into the resources and lessons, providing all students with the scaffolding or extensions they need to be an active part of their classroom community of learners.

Your **STRUGGLING READERS** find targeted support including Tier 2 resources, to help them "level up."

**Gifted and Talented**

**Independent Study** Have students research the Gold Rush in California and, specifically, how immigrants were treated. Ask them to share what they learned with the class, and then discuss what it might have been like to be a Chinese immigrant during that time period.

### GIFTED AND TALENTED

students will find additional choices to extend their reading, research areas of interest, and write about everything they've learned.

### ENGLISH LANGUAGE LEARNERS

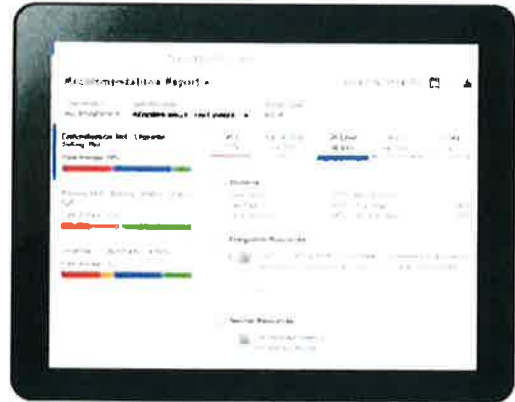

are supported with instruction directly integrated into your core **Wonders** curriculum, providing both academic and social language acquisition. Resources are built to ensure equity of access for all, from newcomers to those with advanced proficiency.

English Learner Benchmark Assessments also available online

Your digital Data Dashboard helps you keep track of growth and proficiency, providing instructional recommendations along the way, and offers you instructional flexibility with confidence—giving you more time to engage with students one-on-one as you teach your way.

# WRITING

## HELPING STUDENTS BECOME STRONG, CONFIDENT WRITERS

In *Wonders*, students engage in daily writing practice and learn to develop habits of writing that will equip them to communicate their thoughts and beliefs in writing – clearly and effectively. Students write about reading, building skills as they go, and follow the writing process, developing a strong routine that will impact their use of the written word throughout their lives.

The interactive student edition ensures that students read with pencil in hand, talk productively with partners, and write whenever they read. Students master the close reading routine, respond to the shared read, apply skills and strategies, talk, cite text evidence, and write.

**Share and Evaluate**

**Publish**

- Practice presenting your work with a partner. Use this checklist.
- Present your work.

**Review Your Work**

	Yes	No
<b>Writing</b>		
I wrote a fantasy story.	<input type="checkbox"/>	<input type="checkbox"/>
I used descriptive words.	<input type="checkbox"/>	<input type="checkbox"/>
<b>Speaking and Listening</b>		
I spoke clearly.	<input type="checkbox"/>	<input type="checkbox"/>
I listened carefully.	<input type="checkbox"/>	<input type="checkbox"/>
I asked questions.	<input type="checkbox"/>	<input type="checkbox"/>

**Reread | SHARED READ**

**Respond to Reading**

Circle the prompt below. Think about how the author organizes the information. Use your notes and graphic organizer.

How does the author organize the text to help you understand that there are different points of view and claims about genetically modified foods?

**Quick Tip**

Readings help you learn information. The more someone explains to you, the better you understand. The readings "Support for Superfoods" and "The Reading 'Why' have" for information about:

- "Why Long Term" has a lot.

**Common Connections**

Check that you have a highlighted and a proper name of someone. The names of someone, before a period, and someone's name to be highlighted such as: *Franklin D. Roosevelt*, and the *Declaration of Independence*. All answers are equally correct. From the first part of each word in a term. For example, *modified foods*, *the* *superfoods* *is* *the* *foods*.

**EXPOSITORY TEXT**

**FIND TEXT EVIDENCE**

Summarize what did Galileo study?

Circle text evidence.

Main Idea and Key Details

Underline details that describe what Galileo saw. What is the main idea of this section?

**Numbered**

How does the author help you see what an astronomer does?

**Telescopes: Looking Up**

Galileo did not use the telescope. However, 100 years ago he did build one that was strong enough to study the sky. When Galileo looked into space, he saw the rocky surface of the Moon. When he looked at the Sun, he discovered spots on its bright surface.

**EXPOSITORY TEXT**

**Peer Conferences**

Review a draft. Listen carefully as a partner reads his or her work aloud. Take notes about what you liked and what was difficult to follow. Begin by telling what you liked about the draft. Ask questions that will help the writer think more about the writing. Make suggestions you think will make the writing stronger. Use these sentence starters.

**The beginning of your essay needs**

One more supporting fact you might add is \_\_\_\_\_.

This part is unclear to me. Can you explain what \_\_\_\_\_?

**The conclusion can be made stronger by**

Partner Feedback - After your partner gives you feedback on your draft, write one of the suggestions that you will use in your revision. Refer to the table on page 85 as you plan feedback.

Read on my partner's feedback. I will \_\_\_\_\_.

After you finish giving each other feedback, reflect on the peer conference. What was helpful? What might you do differently next time?

Revision - As you revise your draft, use the Revision Checklist to help you figure out what text you may need to insert, elaborate on, or delete. Remember to use the table on page 85 to help with your revision.

**Scoring Checklist**

- Did I begin with an introduction that gives the main idea of the topic?
- Did each paragraph have a main idea and supporting details?
- Did I present information in an organized way?
- Did I use facts to make my argument stronger?
- Did I end with a strong conclusion?
- Did I have correct grammar and spelling, including correctly capitalized proper nouns?

Students work on extended writing in specific genres, carefully guided through the writing process from planning through presenting. Targeted minilessons and embedded opportunities for teacher and peer conferencing help students develop into effective writers.

The Writer's Notebook offers new blended learning options for writing instruction and independent practice. Students have a digital toolkit of writing and markup tools to use as they develop, rewrite, and publish their pieces. Teachers and parents may log in to check for progress, and you can provide feedback digitally, making it possible for students to work through the entire writing process online.

# PREPARE

with **PURPOSE**

## PROFESSIONAL DEVELOPMENT RESOURCES FOR GETTING STARTED IN YOUR CLASSROOM

In the same way that you want to prepare your students for success, we want to ensure that you have the resources and support you need to implement *Wonders* with success – and confidence.

In the first unit of every grade, the Start Smart pages of your Teacher's Edition provide an overview and explanation of the instructional lessons and routines.

Your online Professional Development resources are available 24/7, on-demand, so you get the support you need, whenever you need it. You'll find Quick Start courses that will help you make the most of the digital workspace, classroom videos, coach videos featuring our authors, and whitepapers, as well as the *Instructional Routine Handbook* and Research Base Alignment.

Point-of-use professional development

Point-of-use coaching videos

# College and Career Readiness Anchor Standards for READING

The K-5 standards on the following pages define what students should understand and be able to do by the end of each grade. They correspond to the College and Career Readiness (CCR) anchor standards below by number. The CCR and grade-specific standards are necessary complements—the former providing broad standards, the latter providing additional specificity—that together define the skills and understandings that all students must demonstrate.

## Key Ideas and Details

1. Read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text.
2. Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas.
3. Analyze how and why individuals, events, and ideas develop and interact over the course of a text.

## Craft and Structure

4. Interpret words and phrases as they are used in a text, including determining technical, connotative, and figurative meanings, and analyze how specific word choices shape meaning or tone.
5. Analyze the structure of texts, including how specific sentences, paragraphs, and larger portions of the text (e.g., a section, chapter, scene, or stanza) relate to each other and the whole.
6. Assess how point of view or purpose shapes the content and style of a text.

## Integration of Knowledge and Ideas

7. Integrate and evaluate content presented in diverse media and formats, including visually and quantitatively, as well as in words.
8. Delineate and evaluate the argument and specific claims in a text, including the validity of the reasoning as well as the relevance and sufficiency of the evidence.
9. Analyze how two or more texts address similar themes or topics in order to build knowledge or to compare the approaches the authors take.

## Range of Reading and Level of Text Complexity

10. Read and comprehend complex literary and informational texts independently and proficiently.

# Common Core State Standards English Language Arts

## Grade 3

Each standard is coded in the following manner:

Strand	Grade Level	Standard
RL	3	1

### Reading Standards for Literature

# College and Career Readiness Anchor Standards for LANGUAGE

The K-5 standards on the following pages define what students should understand and be able to do by the end of each grade. They correspond to the College and Career Readiness (CCR) anchor standards below by number. The CCR and grade-specific standards are necessary complements—the former providing broad standards, the latter providing additional specificity—that together define the skills and understandings that all students must demonstrate.

## Conventions of English

1. Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
2. Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.

## Knowledge of Language

3. Apply knowledge of language to understand how language functions in different contexts, to make effective choices for meaning or style, and to comprehend more fully when reading and listening.

## Vocabulary Acquisition and Use

4. Determine or clarify the meaning of unknown and multiple-meaning words and phrases by using context clues, analyzing meaningful word parts, and consulting general and specialized reference materials, as appropriate.
5. Demonstrate understanding of figurative language, word relationships, and nuances in word meanings.
6. Acquire and use accurately a range of general academic and domain-specific words and phrases sufficient for reading, writing, speaking, and listening at the college and career readiness level; demonstrate independence in gathering vocabulary knowledge when encountering an unknown term important to comprehension or expression.

# Common Core State Standards English Language Arts

## Grade 3

Each standard is coded in the following manner:

Strand	Grade Level	Standard
L	3	1

### Language Standards

#### Conventions of English

#### McGraw-Hill Wonders

<b>L.3.1</b>	Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.	
<b>L.3.1a</b>	Explain the function of nouns, pronouns, verbs, adjectives, and adverbs in general and their functions in particular sentences.	<p><b>READING/WRITING WORKSHOP:</b> Unit 1: 65, 80 Unit 2: I12-I13, 175 Unit 4: 270, 299 Unit 5: 343, 357, 399 Unit 6: 443 <b>Grammar Handbook:</b> 478-480, 481-486, 487-490, 491-492, 493-494</p> <p><b>TEACHER'S EDITION:</b> Unit 1: T151 Unit 2: T32, T65, T98, T99, T131, T177, T232 Unit 3: T34, T64, T100, T166, T197 Unit 4: T32, T68, T89D, T160, T190 Unit 5: T32, T33, T63, T97, T98, T160, T161, T190, T224, T225 Unit 6: T32, T33, T63, T96, T97, T160, T161, T191, T224, T225</p> <p><a href="http://www.connected.mcgraw-hill.com">www.connected.mcgraw-hill.com</a>: <b>RESOURCES</b></p> <p>Student Resources: Grammar Interactive Games and Activities</p>

# College and Career Readiness Anchor Standards for WRITING

The K-5 standards on the following pages define what students should understand and be able to do by the end of each grade. They correspond to the College and Career Readiness (CCR) anchor standards below by number. The CCR and grade-specific standards are necessary complements—the former providing broad standards, the latter providing additional specificity—that together define the skills and understandings that all students must demonstrate.

## Text Types and Purposes

1. Write arguments to support claims in an analysis of substantive topics or texts, using valid reasoning and relevant and sufficient evidence.
2. Write informative/explanatory texts to examine and convey complex ideas and information clearly and accurately through the effective selection, organization, and analysis of content.
3. Write narratives to develop real or imagined experiences or events using effective techniques, well-chosen details, and well-structured event sequences.

## Production and Distribution of Writing

4. Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience.
5. Develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach.
6. Use technology, including the Internet, to produce and publish writing and to interact and collaborate with others.

## Research to Build and Present Knowledge

7. Conduct short as well as more sustained research projects based on focused questions, demonstrating understanding of the subject under investigation.
8. Gather relevant information from multiple print and digital sources, assess the credibility and accuracy of each source, and integrate information while avoiding plagiarism.
9. Draw evidence from literary and/or informational texts to support analysis, reflection, and research.

## Range of Writing

10. Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of tasks, purposes, and audiences.

# Common Core State Standards English Language Arts

## Grade 3

Each standard is coded in the following manner:

Strand	Grade Level	Standard
W	3	1

### Writing Standards

#### Text Types and Purposes

#### McGraw-Hill Wonders

<b>W.3.1</b>	Write opinion pieces on topics or texts, supporting a point of view with reasons.	
<b>W.3.1a</b>	Introduce the topic or text they are writing about, state an opinion, and create an organizational structure that lists reasons.	<p>READING/WRITING WORKSHOP: Unit 1: 94 Unit 2: 128, 144 Unit 3: 254 Unit 4: 270, 284 Unit 5: 398 Unit 6: 414</p> <p>YOUR TURN PRACTICE BOOK: 239, 249</p> <p>WRITING WORKSTATION ACTIVITY CARDS: 13, 19</p> <p>TEACHER'S EDITION: Unit 1: T41, T293, T294, T295 Unit 2: T97, T99, T107, T163, T165, T173, T175, T183, T187, T193 Unit 3: T107, T239, T293, T295, T359 Unit 4: T29, T31, T38, T93, T103 Unit 5: T222, T223, T285, T287, T345, T347, T350 Unit 6: T29, T31, T103</p> <p><a href="http://www.connected.mcgraw-hill.com">www.connected.mcgraw-hill.com</a>: RESOURCES</p> <p>Student Resources: Writer's Workspace, Inquiry Space: Opinion Performance Task</p>

# College and Career Readiness Anchor Standards for SPEAKING AND LISTENING

The K-5 standards on the following pages define what students should understand and be able to do by the end of each grade. They correspond to the College and Career Readiness (CCR) anchor standards below by number. The CCR and grade-specific standards are necessary complements—the former providing broad standards, the latter providing additional specificity—that together define the skills and understandings that all students must demonstrate.

## Comprehension and Collaboration

1. Prepare for and participate effectively in a range of conversations and collaborations with diverse partners, building on others' ideas and expressing their own clearly and persuasively.
2. Integrate and evaluate information presented in diverse media and formats, including visually, quantitatively, and orally.
3. Evaluate a speaker's point of view, reasoning, and use of evidence and rhetoric.

## Presentation of Knowledge and Ideas

4. Present information, findings, and supporting evidence such that listeners can follow the line of reasoning and the organization, development, and style are appropriate to task, purpose, and audience.
5. Make strategic use of digital media and visual displays of data to express information and enhance understanding of presentations.
6. Adapt speech to a variety of contexts and communicative tasks, demonstrating command of formal English when indicated or appropriate.

# Common Core State Standards English Language Arts

## Grade 3

Each standard is coded in the following manner:

Strand	Grade Level	Standard
SL	3	1

### Speaking and Listening Standards

#### Comprehension and Collaboration

#### McGraw-Hill Wonders

<b>SL.3.1</b>	Engage effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with diverse partners on <i>grade 3 topics and texts</i> , building on others' ideas and expressing their own clearly.	
<b>SL.3.1a</b>	Come to discussions prepared, having read or studied required material; explicitly draw on that preparation and other information known about the topic to explore ideas under discussion.	<p><b>READING/WRITING WORKSHOP:</b> Unit 1: 28, 29, 44, 45, 60, 61, 76, 77, 90, 91            Unit 2: 108, 109, 124, 125, 140, 141, 156, 157            Unit 3: 188, 189, 204, 205, 220, 221, 236, 237, 250, 251            Unit 4: 166, 267, 280, 281, 294, 295, 308, 309            Unit 5: 338, 339, 352, 353, 366, 367, 380, 381, 394, 395            Unit 6: 410, 411, 424, 425, 438, 439, 452, 453</p> <p><b>CLOSE READING COMPANION:</b> I-198</p> <p><b>TEACHER'S EDITION:</b> Unit 1: T49, T53, T57, T117, T119, T123, T142, T214, T239            Unit 2: T117, T121, T127, T142, T220, T239, T241, T249, T253, T259            Unit 3: T172, T173, T175, T183, T187, T193, T208, T239, T241, T249, T253, T261            Unit 4: T39, T74, T82, T86, T102, T103, T167            Unit 5: T10, T39, T111, T115, T119, T167, T175, T179            Unit 6: T47, T51, T55, T103, T111, T115, T119, T175</p> <p><a href="http://www.connected.mcgraw-hill.com">www.connected.mcgraw-hill.com</a>: <b>RESOURCES</b>            Teacher Resources: Build Background Videos</p>
<b>SL.3.1b</b>	Follow agreed-upon rules for discussions (e.g., gaining the floor in respectful ways, listening to others with care, speaking one at a time about the topics and texts under discussion).	<p><b>READING WORKSTATION ACTIVITY CARDS:</b> 24</p> <p><b>TEACHER'S EDITION:</b> Unit 1: T10, T76, T239            Unit 2: T10, T76, T162, T222            Unit 3: T76, T106, T107, T172, T173, T208, T209, T238, T239            Unit 4: T10, T38, T39, T102, T103, T202, T230, T231            Unit 5: T74, T103, T166, T202, T203, T266            Unit 6: T74, T138, T266</p> <p><a href="http://www.connected.mcgraw-hill.com">www.connected.mcgraw-hill.com</a>: <b>RESOURCES</b>            Teacher Resources: Build Background Videos</p>

Support Language Development Skills to Meet English Language Proficiency Standards

# An English Language Development Program

- 1 Build language proficiency.
- 2 Collaborate through speaking, listening, reading and writing.
- 3 Ensure equity of access for all learners.

Grades K-6

FLU

*Wonders for English Learners connects with Wonders, providing fully-integrated support for English Language Development.*

- **Integration**

Content covers the same themes and topics as the core classroom, with scaffolding designed for English learners. Students encounter essential content multiple times to reinforce learning.

- **Level Up**

Customized scaffolding and support designed specifically for English learners helps students build communication skills and accelerate them through each of the proficiency levels, whether they are beginning to learn the language or are more advanced.

- **Support**

Flexible instruction fits a variety of implementation models, including push-in, pull-out, sheltered instruction, and self-contained classrooms. Lessons are available in 30-, 45-, and 60-minute periods.

Students progress from beginning to intermediate/advanced levels and level up to the core *Wonders* text.

This page is the beginning companion worktext for 'Animal Adaptations'. It features a central image of two caribou in a snowy landscape. The page is divided into several sections:

- Text Evidence (Left):** Includes a 'Talk About It' section with a 'Read' icon and a 'Write' section with a 'Write' icon. It asks students to look at the photograph and think about what they see, then write about it.
- Shared Read (Center):** The title 'Animal Adaptations' is prominently displayed. Below it, there is an 'Essential Question' box: 'What helps an animal survive? Read about ways different animals adapt to their environments.'
- Main Text (Right):** The text explains that animals have special ways to survive in their environments, called adaptations. It describes how caribou survive in the Arctic, Canada, Greenland, and Russia, mentioning their thick coats of fur and a thick layer of fat. It also mentions that the tip of the caribou's nose and mouth is called a muzzle, which is covered in short hair to keep them warm.
- Text Evidence (Far Right):** Includes a 'Comprehension' section with a 'Read' icon and a 'Write' section with a 'Write' icon. It asks students to find the second paragraph and underline the words 'muzzle' and 'muzzle'.

Beginning Companion Worktext

This page is the intermediate/advanced companion worktext for 'Animal Adaptations'. It features a central image of two caribou in a snowy landscape. The page is divided into several sections:

- Text Evidence (Left):** Includes a 'Talk About It' section with a 'Read' icon and a 'Write' section with a 'Write' icon. It asks students to look at the photograph and think about what they see, then write about it.
- Shared Read (Center):** The title 'Animal Adaptations' is prominently displayed. Below it, there is an 'Essential Question' box: 'What helps an animal survive? Read about ways different animals adapt to their environments.'
- Main Text (Right):** The text explains that animals have special ways to survive in their environments, called adaptations. It describes how caribou survive in the Arctic, Canada, Greenland, and Russia, mentioning their thick coats of fur and a thick layer of fat. It also mentions that the tip of the caribou's nose and mouth is called a muzzle, which is covered in short hair to keep them warm.
- Text Evidence (Far Right):** Includes a 'Specific Vocabulary' section with a 'Read' icon and a 'Write' section with a 'Write' icon. It asks students to find the word 'muzzle' in the text and write a sentence using it.

Intermediate/Advanced Companion Worktext

This page is the core Wonders text for 'Animal Adaptations'. It features a central image of two caribou in a snowy landscape. The page is divided into several sections:

- Shared Read (Center):** The title 'Animal Adaptations' is prominently displayed. Below it, there is an 'Essential Question' box: 'What helps an animal survive? Read about ways different animals adapt to their environments.'
- Main Text (Right):** The text explains that animals have special ways to survive in their environments, called adaptations. It describes how caribou survive in the Arctic, Canada, Greenland, and Russia, mentioning their thick coats of fur and a thick layer of fat. It also mentions that the tip of the caribou's nose and mouth is called a muzzle, which is covered in short hair to keep them warm.

Wonders Reading/Writing Workshop

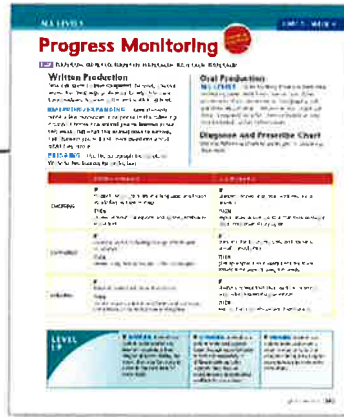

# Focused Student Assessment

## Monitor student progress.

### Weekly Progress Monitoring

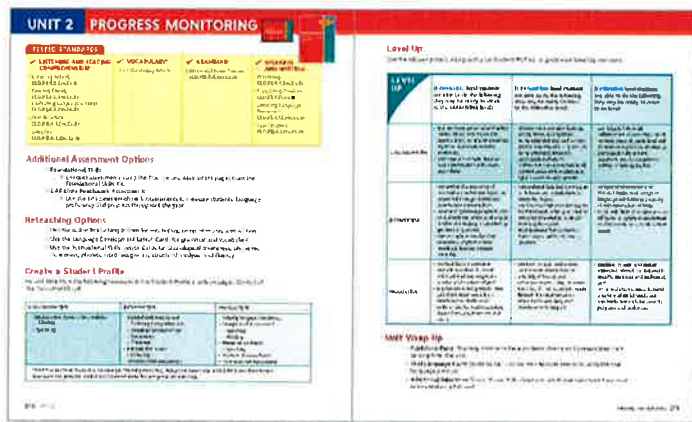

- Rubrics to assess written and oral production to inform instruction
- Level Up charts to determine when students are ready to move up to the next proficiency level

### Unit Progress Monitoring

Resources include:

- Unit Assessment
- Observational Rubrics
- Language Development Kit
- Foundational Skills Kit
- Adaptive Learning

### Unit Assessment and Rubrics

- Assess student language proficiency development in reading, writing, speaking, and listening skills taught in each respective unit.
- Unit assessments are leveled for Beginning, Intermediate and Advanced students.
- Answer keys, rubrics and writing anchor papers provide quick and easy scoring solutions for teachers.
- Online assessments can be accessed through ConnectED.

Available in print, digital  
and hybrid formats

## eBooks

- All texts are available as interactive eBooks.
- Audio support is available with synced reads.
- Textboxes allow for typed or written responses.
- Mark-up tools save students work for teacher review.

## Differentiated Texts

- Differentiated texts include Level Up instructional pathways and response to reading opportunities.

## Lesson Planner

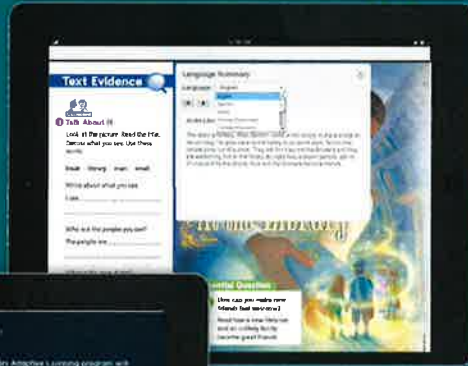

- Customizable planner includes differentiation for beginning, intermediate and advanced level students.
- Teachers can preview lessons and modify organization to suit their classroom needs.

### Lesson Planner

### eBooks with Audio Support

### Adaptive Learning

### Embedded Support

Instructional Coach Videos

Animated Simulations for  
Special Features

Model Lesson Videos

Professional Learning  
Community Support Videos

### Ongoing Professional Development

## READING

**ESSENTIAL QUESTION**  
*What can stories teach you?*

**Build Background**

**Vocabulary**  
L.3.6 *ached, concentrate, discovery, educated, effort, improved, inspired, satisfied*  
Synonyms

**Comprehension**  
RL.3.3 Strategy: Visualize  
Skill: Character, Setting, Plot: Character  
Genre: Fantasy

**Phonics**  
RF.3.3c Short Vowels *a* and *i*, Word Families

**Fluency**  
RF.3.4b Expression

**ESSENTIAL QUESTION**  
*What can traditions teach you about cultures?*

**Build Background**

**Vocabulary**  
L.3.6 *celebrate, courage, disappointment, precious, pride, remind, symbols, traditions*  
Context Clues

**Comprehension**  
RL.3.3 Strategy: Visualize  
Skill: Character, Setting, Plot: Sequence  
Genre: Realistic Fiction

**Phonics**  
RF.3.3c Short Vowels *e, o,* and *u*, Inflectional Endings

**Fluency**  
RF.3.4b Phrasing and Intonation

**ESSENTIAL QUESTION**  
*How do people from different cultures contribute to a community?*

**Build Background**

**Vocabulary**  
L.3.6 *admires, classmate, community, contribute, practicing, pronounce, scared, tumbled*  
Compound Words

**Comprehension**  
RI.3.8 Strategy: Ask and Answer Questions  
Skill: Text Structure: Sequence  
Genre: Narrative Nonfiction

**Phonics**  
RF.3.3c Final *e*, Inflectional Endings: Drop Final *e*

**Fluency**  
RF.3.4a Rate

## LANGUAGE ARTS

**Writing**

Administer Placement and Diagnostic Assessment

**GATEWAY LESSON PLAN TEMPLATE**

A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

**Weekly Lesson Plan Format**

Week of: 9/23/19

Teacher: Allison White

<b>1. Identify the standard(s)</b>		
<b>Content Area:</b>	<b>Subject: ELA</b>	<b>Grade: 3</b>
<p>a) List standards to be addressed</p>	<p>(RL.3.7) I can explain how the illustrations support the text.                      I can describe the characters in a story (their traits, motivations, feelings). (RL.3.3)                      I can describe how a character’s actions contribute to the events in the story. (RL.3.3)                      I can effectively participate in a conversation with my peers and adults. (SL.3.1)                      I can use what the sentence says to help me determine what a word or phrase means. (L.3.4)                      (W.3.3b) I can use dialogue and good descriptions to develop the characters and events in a story.                      (W.3.8) I can gather information, take notes, and categorize the information.                      (W.3.10) I can write over different time frames for various purposes and audiences.                      (W.4.9a)                      (SL.3.1b) I can follow the rules for discussions.                      (SL.3.2) I can tell the main idea.                      (L.4.1i)                      (L.3.4a) I can use context clues to help me understand an unfamiliar word or phrase.                      (L.3.4d) I can use glossaries and dictionaries to learn about unfamiliar words and phrases.                      (L.3.6) I can learn and use conversational, academic, and subject-specific vocabulary. I can use words that show time and place.                      (RF.3.3c) I can decode multisyllabic words.                      (RF.3.4a) I can read with purpose and understanding.                      (RF.3.4b) I can read aloud with accuracy, fluency, and expression.</p>	

<p><b>b) List activities currently implemented in the classroom and related skills</b></p>	<p>Interactive reading using the hard-bound text (Wonders: Reading/Writing Workshop Textbook)          Completion of assigned graphic organizers related to the text          Turn and talk interactions when applicable          Class discussion          Independent completion of assigned work (Your Turn Practice Book, Close Reading Companion)          Creation of anchor charts          Identifying and discussing/defining new lesson vocabulary</p>
--	--

**2. Define the learning outcomes**

Level of support →	Least support	Moderate support	Most support
<p><b>List the desired outcomes for students</b></p>	<p>Reading of directions with any necessary clarifying comments. Work completion is independent.            Comprehension of material is evident in discussion and graded work.</p>	<p>Directions read aloud with check for understanding with student. Periodic check-ins with student to assure understanding and progress. Seating is offered in best place for student to concentrate and get necessary help as needed. Assistance and redirection implemented as needed. Student demonstrates understanding of the content in discussions and work completed.</p>	<p>Directions read aloud and chunked as needed. Consistent check-ins are carried out. Student is seated in close proximity to the teacher or TA. Any text is read aloud to and with the student. Assigned items are discussed with the student and responses are created aloud before recording. Assistance is offered in writing if needed along with spelling support. Student is able to participate in class discussion adding their thoughts and ideas with support from the teacher. Work is completed with the necessary assistance and any supports/accommodations listed in IEP.</p>
<p><b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b></p>	<p>Monitoring of responses in class discussions.            Graded work completed.            Analysis of complete graphic organizers or other work samples.            Monitoring of post-it questions, comments, or responses.            Analysis of any drawings or other depictions of understanding/comprehension of taught material.            Oral responses to target questions.</p>		

	Listening to Turn-and-Talk/ small group discussions. Quizzes Teacher made tests		
--	--	--	--

**3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit**

<p>List the instructional activities planned for all students: *Arts infusion *Sensory based techniques</p>	<p>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</p>	<p>List supports that can be implemented to reduce barriers Note UDL's utilized in this lesson</p>
---	---	--

<p><b>Monday</b> - Introduce and read aloud "Wolf", stopping at indicated places to discuss genre, sentence structure, inferences, connections, dialog, answering text-based questions, character analysis, illustrations, word choice, synonyms, point of view, visualization, plot, text structure, and author's purpose. Connect discussion and thought towards the Essential Question- "What can stories teach you?" Place the Character chart on the board having students fill in each square using their knowledge from the story. Connect student knowledge and understanding to the essential question and then to real world experiences.</p> <p><b>Tuesday</b>- Complete spelling and Grammar work related to this lesson and Unit. Students will work in small groups with teacher support to complete the assigned work. The introduction and expectations will be introduced whole group.</p> <p><b>Wednesday</b>- Read aloud "Jennie and the Wolf". Encourage students to make connections to the essential question and then text to text with "Wolf". Separate into small groups to introduce guided reading texts. The group will be accessing the "Approaching" texts and the "On Level" texts. Group 1- distribute "Berries, Berries, Berries". Make predictions about the story and discuss the concept of</p>	<p>Text too difficult</p> <p>Inattention/unfocused</p> <p>Inappropriate behavior</p> <p>Inability to write independently</p> <p>Difficulty navigating text and finding key language and answers</p> <p>Length of lesson</p>	<p>Read aloud to student all text.</p> <p>Intermittent reminders/prompts to refocus</p> <p>Point chart</p> <p>Sensory items- fidget, pillow, Velcro, squish ball</p> <p>Assist students by allowing them to use a scribe from time to time.</p> <p>Model process being used and/or provide an example.</p> <p>Break lessons into chunks.</p> <p>Use highlighters to find key concepts and vocabulary in text.</p> <p>Change position and groupings within the room.</p>
---	---	---

<p>fantasy. Read the text as a group with “close reading format”, stopping to respond to specific questions related to the text. <b>The objectives of the small group lessons are 1) to describe characters in a story, 2) to use sentence-level context as a clue to the meaning of a word, 3) to use synonyms as clues to the meanings of words, and 4) to visualize difficult sections in a story to increase understanding.</b></p> <p>Group 2 will follow the same format with “Duck’s Discovery”.</p> <p>Students will swap groups and will work with the para, completing work in the “Close Reading Companion” workbook when not working with the teacher. This work is consistent with and supports the skills and concepts taught during the week’s lessons.</p> <p><b>Thursday-</b> The process from the previous days lesson will be repeated to complete the guided reading lessons as well as the work in the close reading companion. Objectives remain consistent.</p> <p><b>Friday-</b> Students will complete the Selection test related to the unit story. Students who are able will read the test questions independently. Questions will be read aloud along with associated answers to students who require support in reading. Any remaining work that is not completed from the week will be distributed to students and worked on until it is completed.</p>		
--	--	--

<p><b>4. How will you utilize your paraprofessional during the academic classes?</b></p>
<p>The para professional will support whole group instruction by participating as a group member and assisting in the monitoring of student behavior, participation, and understanding. The para will assist in helping students adhere to the procedures and expectations in the classroom. The para will conduct small group lessons as per the teacher’s lesson plans dictate, and will monitor bathroom, breaks, behavior, and participation as needed.</p>
<p><b>5. How will you utilize technology during the academic classes?</b></p>
<p>Technology will extend and enhance student learning by implementing the Wonders online components for reading, vocabulary, skill work, text read aloud, and skill based games and skill work.</p>
<p><b>6.</b></p>
<p></p>

**Essential Question: What can stories teach you?**

**Unit 1 Week 1**

**Story**

"Wolf!"

**Genre**

Fantasy

**Story**

"Jennie and the Wolf"

**Genre**

Fable

**Story**

"Bruno's New Home"

**Genre**

Fantasy

**Comprehension Strategy**

visualize

**Comprehension Skill**

character traits

**Vocabulary Strategy**

context clues: synonyms

**Writing Traits**

ideas: focus on an event

**Grammar**

sentences and fragments, capitalization and punctuation

**Other Skills**

word families

**Genre**

Fantasy

**SPELLING/  
PHONICS**

Short a

Short i

clap  
camp  
hand  
stamp  
snack  
rack  
grabs  
glad  
bill  
miss  
click  
pink  
sick  
grin  
lift  
cat  
bit  
man  
anthill  
cramp

**Vocabulary**

**ached**- hurt or felt sore

**concentrate**- think very carefully about what you are doing

**discovery**- something that was hidden or unknown is found

**educated**- has a great deal of knowledge

**effort**- work needed to finish a task

**improved**- became better at something

**inspired**- encouraged to do something good

**satisfied**- pleased with the way something happened

# SUMMATIVE ASSESSMENT

## TESTED SKILLS

### ✓ COMPREHENSION:

- Character, Setting, Plot: Character **RL.3.3**
- Character, Setting, Plot: Sequence **RL.3.3**
- Text Structure: Sequence **RI.3.8**
- Text Structure: Cause and Effect **RI.3.8**
- Main Idea and Key Details **RI.3.2**
- Text Evidence **RL.3.1, RI.3.1**

### ✓ VOCABULARY:

- Synonyms **L.3.4a**
- Sentence Clues **L.3.4a**
- Compound Words **L.2.4d**
- Multiple-Meaning Words **L.3.4a**
- Suffixes: -ful **L.3.4b**

### ✓ ENGLISH LANGUAGE CONVENTIONS:

- Sentences and Sentence Fragments **L.3.1i**
- Commands and Exclamations **L.3.1i**
- Subjects **L.3.1i**
- Predicates **L.3.1i**
- Simple and Compound Sentences **L.3.1i**

### ✓ WRITING:

- Writing About Text **W.3.8**
- Narrative Performance Task **W.3.3a-d**

## Elements of Summative Assessment

- ✓ Variety of Item Types
  - Selected Response
  - Multiple Selected Response
  - Evidence-Based Selected Response
  - Constructed Response
  - Tech-Enhanced Items
- ✓ Performance-Based Task

## Additional Assessment Options

### FLUENCY

Conduct assessments individually using the differentiated passages in *Fluency Assessment*. Students' expected fluency goal for this Unit is **61-81 WCPM** with an accuracy rate of 95% or higher.

### RUNNING RECORDS

Use the instructional reading level determined by the Running Record calculations for regrouping decisions. Students at Level 28 or below should be provided reteaching on specific Comprehension skills.

Unit Assessment Skills and Fluency	If . . .	Then . . .
<b>COMPREHENSION</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Comprehension Intervention online PDFs</i> .
<b>VOCABULARY</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Vocabulary Intervention online PDFs</i> .
<b>ENGLISH LANGUAGE CONVENTIONS</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Writing and Grammar Intervention online PDFs</i> .
<b>WRITING</b>	Students score less than "2" on short-response items and "3" on extended constructed response items . . .	. . . reteach tested skills using appropriate lessons from the Strategies and Skills and/or Write About Reading sections in the <i>Tier 2 Comprehension Intervention online PDFs</i> .
	Students score less than "12" on the performance task . . .	. . . reteach skills using the <i>Tier 2 Writing and Grammar Intervention online PDFs</i> .
<b>FLUENCY</b>	Students have a WCPM score of 0-60 . . .	. . . reteach tested skills using the <i>Tier 2 Fluency Intervention online PDFs</i> .

## Using Summative Data

Check online reports for this Unit Assessment as well as your data Dashboard. Use the data to assign small group instruction for students who are below the overall proficiency level for the tested skills.

Data-Driven Recommendations

## Response to Intervention

Use the appropriate sections of the *Placement and Diagnostic Assessment* as well as students' assessment results to designate students requiring:

**TIER 2** Intervention Online PDFs

**TIER 3** WonderWorks Intervention Program

# UNIT OVERVIEW

Text Complexity Range for Grades 4-5

**Week 1**

**CLEVER IDEAS**

**Week 2**

**THINK OF OTHERS**

**Week 3**

**TAKE ACTION**

**READING**

**ESSENTIAL QUESTION**

*Where do good ideas come from?*

**Build Background**

**CCSS Vocabulary**

L.4.6 *brainstorm, flattened, frantically, gracious, muttered, official, original, stale*

Context Clues: Synonyms

**CCSS Comprehension**

RL.4.3 Strategy: Make Predictions

Skill: Sequence

Genre: Fairy Tale

**CCSS Phonics**

RF.4.3a Short Vowels, Inflectional Endings

**CCSS Fluency**

RF.4.4b Intonation

**ESSENTIAL QUESTION**

*How do your actions affect others?*

**Build Background**

**CCSS Vocabulary**

L.4.6 *accountable, advise, desperately, hesitated, humiliated, inspiration, self-esteem, uncomfortably*

Idioms

**CCSS Comprehension**

RL.4.3 Strategy: Make Predictions

Skill: Problem and Solution

Genre: Realistic Fiction

**CCSS Phonics**

RF.4.3a Long a, Inflectional Endings

**CCSS Fluency**

RF.4.4b Expression and Rate

**ESSENTIAL QUESTION**

*How do people respond to natural disasters?*

**Build Background**

**CCSS Vocabulary**

L.4.6 *alter, collapse, crisis, destruction, hazard, severe, substantial, unpredictable*

Context Clues: Multiple-Meaning Words

**CCSS Comprehension**

RI.4.5 Strategy: Reread

Skill: Compare and Contrast

Genre: Expository Text

**CCSS Phonics**

RF.4.3a Long e, Plurals

**CCSS Fluency**

RF.4.4c Accuracy

**LANGUAGE ARTS**

**CCSS Writing**

W.4.3b Write to Sources: Narrative Text Trait: Ideas

**CCSS Grammar**

L.4.1F Sentences

**CCSS Spelling**

L.4.2D Short Vowels

**CCSS Vocabulary**

L.4.4a Build Vocabulary

**CCSS Writing**

W.4.3b Write to Sources: Narrative Text Trait: Ideas

**CCSS Grammar**

L.4.1F Subjects and Predicates

**CCSS Spelling**

L.4.2d Long a

**CCSS Vocabulary**

L.4.5b Build Vocabulary

**CCSS Writing**

W.4.2b Write to Sources: Informative Text Trait: Ideas

**CCSS Grammar**

L.4.2c Compound Sentences

**CCSS Spelling**

L.4.2d Long e

**CCSS Vocabulary**

L.4.5b Build Vocabulary

**Writing Process**

**Genre Writing: Narrative Friendly Letter T344-T349**

GATEWAY LESSON PLAN TEMPLATE

Adapted from DE Department of Education (ACCESS PROJECT)

A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

Weekly Lesson Plan Format

Week of: October 1<sup>st</sup>

1. Identify the standard(s)			
Content Area: ELA	Grade: 4	Unit: BOY Assessments	
a) List standards to be addressed	<p><b>CCSS.ELA-LITERACY.RL.4.10</b> I can read and comprehend literature, including stories, dramas, and poetry, in the grade 4 text complexity band proficiently, with scaffolding as needed.</p> <p><b>CCSS.ELA-LITERACY.SL4.1b</b> I can engage effectively in class discussions.</p> <p><b>CCSS.ELA-LITERACY.SL4.2</b> I can listen to and paraphrase texts.</p> <p><b>CCSS.ELA-LITERACY.RL.4.7</b> I can make connections between different texts when I read.</p>		
b) List activities currently implemented in the classroom and related skills	<p style="text-align: center;"><b>Reading – Grammar – Writing</b></p> <ul style="list-style-type: none"> <li>• Students will listen to Flocabulary videos about comprehension strategies.</li> <li>• Students will discuss why comprehension is an important skill for good readers.</li> <li>• Students will practice paraphrasing texts.</li> <li>• Students will compare two texts based on the essential question: Where do good ideas come from?</li> <li>• Students will analyze a picture and talk in groups to discuss their thoughts.</li> <li>• Students will understand the difference between sentences and fragments.</li> <li>• Students will write about a time when they had a good idea they had and illustrate it.</li> </ul>		
2. Define the learning outcomes			
Level of support →	Least support	Moderate support	Most support

<p><b>List the desired outcomes for students</b></p>	<p>Throughout the lessons, students will read and respond to curriculum and teacher-led questions. Students will be able to independently read a text and answer comprehension questions to show what they know. They will also be able to compare and contrast two texts.</p>	<p>Students will be able to read a text and answer comprehension questions to show what they know with some teacher supports. They may use a Venn Diagram to help them compare and contrast.</p>	<p>Students will be able to read/listen to a text and answer comprehension questions to show what they know with maximum teacher supports. Students may need the use of Venn Diagrams, sentence starters, and other graphic organizers.</p>
<p><b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b></p>	<p>After a review of comprehension strategies, paraphrasing, and comparing/contrasting texts, students will independently read a text and answer various comprehension questions based on the read text, participate in class discussions, and compare/contrast two texts read in class.</p>	<p>After a brief review and teacher modeling of comprehension strategies, paraphrasing, and comparing/contrasting, students will read a text and answer various comprehension questions (with some teacher support) based on the read text.</p>	<p>After a review and teacher modeling of comprehension strategies, paraphrasing, and comparing/contrasting, students will read a text and answer various comprehension questions (with maximum teacher support) based on the read text.</p>
<p><b>3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit</b></p>			
<p><b>List the instructional activities planned for all students:</b> *Arts infusion *Sensory based techniques</p>	<p><b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b></p>	<p><b>List supports that can be implemented to reduce barriers</b> Note UDL's utilized in this lesson</p>	
<p>Students will complete the following:</p> <ul style="list-style-type: none"> <li>• Review of comprehension strategies</li> <li>• Read varying levels of text and answer corresponding questions</li> <li>• Compare/contrast tests</li> <li>• Think-pair-share</li> <li>• Small group work</li> <li>• Whole group work</li> </ul>	<ul style="list-style-type: none"> <li>• Student behavior</li> <li>• Student anxiety</li> <li>• Varying reading skills</li> <li>• Technology functioning properly</li> <li>• Student attention and focus</li> </ul>	<ul style="list-style-type: none"> <li>• Small group instruction</li> <li>• Whole group instruction</li> <li>• Chunking material</li> <li>• Breaks</li> <li>• Teacher scribing as needed</li> <li>• Repeated directions</li> <li>• Visuals as needed</li> </ul>	

**Lesson is subject to change as per student needs.**

# Gateway Lesson Plan

## Weekly Plan Format

Week of: 23Sept2019

Teacher:

<b>1. Identify the standard(s)</b>			
<b>Content Area: ELA</b>	<b>Grade: 5</b>	<b>Unit 1: Eureka, I've got it, Week 1: Meeting a Need</b>	
<p><b>a) List standards to be addressed</b></p> <p>RL.3.3 – Describe characters in a story (e.g., their traits, motivations, or feelings) and explain how their actions contribute to the sequence of events</p> <p>L.3.1i - Produce simple, compound, and complex sentences.</p> <p>RL.5.1 - Quote accurately from a text when explaining what the text says explicitly and when drawing inferences from the text.</p> <p>RL.5.3 - Compare and contrast two or more characters, settings, or events in a story or drama, drawing on specific details in the text (e.g., how characters interact)</p> <p>RL.5.4 - Determine the meaning of words and phrases as they are used in a text, including figurative language such as metaphors and similes.</p> <p>RF.5.3a – Use combined knowledge of all letter-sound correspondences, syllabication patterns, and morphology (e.g., roots and affixes) to read accurately unfamiliar multisyllabic words in context and out of context.</p> <p>RF5.4b - Read grade-level prose and poetry orally with accuracy, appropriate rate, and expression on successive readings.</p> <p>RF.5.4c - Use context to confirm or self-correct word recognition and understanding, rereading as necessary.</p> <p>W.5.3d - Use concrete words and phrases and sensory details to convey experiences and events precisely.</p> <p>W.5.9a – Apply <i>grade 5 Reading standards</i> to literature (e.g., "Compare and contrast two or more characters, settings, or events in a story or a drama, drawing on specific details in the text [e.g., how characters interact]").</p> <p>W.5.10 - Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of discipline-specific tasks, purposes, and audiences.</p> <p>SL.5.1.b – Follow agreed-upon rules for discussions and carry out assigned roles.</p> <p>SL.5.1d – Review the key ideas expressed and draw conclusions in light of information and knowledge gained from the discussions.</p> <p>SL.5.2 – Summarize a written text read aloud or information presented in diverse media and formats, including visually, quantitatively, and orally.</p> <p>SL.5.3 – Summarize the points a speaker makes and explain how each claim is supported by reasons and evidence.</p> <p>L.5.2c – Use a comma to set off the words <i>yes</i> and <i>no</i> (e.g., <i>Yes, thank you</i>), to set off a tag question from the rest of the sentence (e.g., <i>It's true, isn't it?</i>), and to indicate direct address (e.g., <i>Is that you, Steve?</i>).</p> <p>L.5.4a – Use context (e.g., cause/effect relationships and comparisons in text) as a clue to the meaning of a word or phrase.</p> <p>L.5.6 – Acquire and use accurately grade-appropriate general academic and domain-specific words and phrases, including those that signal contrast, addition, and other logical relationships (e.g., <i>however, although, nevertheless, similarly, moreover, in addition</i>).</p>			
<p><b>b) List activities currently implemented in the classroom and related skills</b></p> <ul style="list-style-type: none"> <li>• Turn and talk interactions when applicable</li> <li>• Small group work</li> <li>• Class discussion</li> <li>• Independent practice and completion of assigned work (SIWBS)</li> </ul>			
<b>2. Define the learning outcomes</b>			
<b>Level of support</b>	<b>Least support</b>	<b>Moderate support</b>	<b>Most support</b>

<p><b>List the desired outcomes for students</b></p>	<ul style="list-style-type: none"> <li>- Reading of directions with needed clarification</li> <li>- Work completion is independent.</li> <li>- Comprehension of material is evident in discussion and graded work.</li> </ul>	<ul style="list-style-type: none"> <li>- Directions read aloud with check for understanding with student.</li> <li>- Periodic check-ins with student to assure understanding and progress.</li> <li>- Seating is offered in best place for student to concentrate and get necessary help as needed. - Assistance and redirection implemented as needed. - Student demonstrates understanding of the content in discussions and work completed.</li> </ul>	<ul style="list-style-type: none"> <li>- Directions read aloud and chunked as needed. Consistent check-ins are carried out.</li> <li>- Student is seated in close proximity to the teacher or TA.</li> <li>- Any text is read aloud to and with the student. - Assigned items are discussed with the student and responses are created aloud before recording.</li> <li>- Assistance is offered in writing if needed along with spelling support.</li> <li>- Student is able to participate in class discussion adding their thoughts and ideas with support from the teacher.</li> <li>- Work is completed with the necessary assistance and any supports/accommodations listed in IEP.</li> </ul>
<p><b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b></p>	<p>Monitoring of responses in class discussions. Graded work completed. Analysis of complete graphic organizers or other work samples. Monitoring of post-it questions, comments, or responses. Analysis of any drawings or other depictions of understanding/comprehension of taught material. Oral responses to target questions. Listening to Turn-and-Talk/ small group discussions. Quizzes Selection quiz</p>	<p>Selection quiz with limited multiple choice</p>	<p>Selection quiz with limited multiple choice</p>
<p><b>3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit</b></p>			
<p><b>List the instructional activities planned for all students:</b> *Arts infusion *Sensory based techniques</p>	<p><b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b></p>	<p><b>List supports that can be implemented to reduce barriers</b> Note UDL's utilized in this lesson</p>	
<ul style="list-style-type: none"> <li>- Spelling words (Fry words and text supplied words).</li> <li>- Close reading "One Hen" (T25A-25P)</li> <li>- "Banks: Their Business and Yours" close read (T25Q-25T)</li> <li>- Grammar - sentences(T32)</li> </ul>	<p>Student behavior and anxiety. Some students struggle with decoding, reading comprehension and writing. Text too difficult Inattention/unfocused</p>	<p>Read aloud to student all text. Intermittent reminders/prompts to refocus Point chart Sensory items Model process being used and/or provide an example.</p>	

**2019-2020**

	Difficulty navigating text and finding key language and answers Length of lesson	Break lessons into chunks. Use highlighters to find key concepts and vocabulary in text. Change position and groupings within the room.
<b>4. How will you utilize your paraprofessional during the academic class?</b>		
The paraprofessional will facilitate small group instruction. He will monitor & document behavior, assist students with following the procedures of the classroom expectations (bathroom, breaks, etc.) and assist individual students as needed.		
<b>5. How will you utilize technology during the academic class?</b>		
The ELMO will be utilized to review spelling and vocabulary words as well as display the electronic portions of the Wonders curriculum. Students will use their Chromebooks to complete assigned mini-games in Wonders.		
6.		

This Lesson Plan is subject to change.

**Essential Question: Where do good ideas come from?**

**Unit 1 Week 1**

**Story**

*The Princess and the Pizza*

**Genre**

Fairy Tale

**Story**

"Tomas and His Sons"

**Genre**

Fable

**Story**

"The Dragon Problem"

**Genre**

Fairy Tale

**Comprehension Strategy**

make predictions

**Comprehension Skill**

sequence

**Vocabulary Strategy**

context clues: synonyms

**Writing Traits**

ideas: descriptive details

**Grammar**

sentence types

**Other Skills**

inflectional endings, fluency: intonation

**Genre**

Fairy Tale

**SPELLING/  
PHONICS**

short vowels

flat  
cash  
band  
bell  
left  
shelf  
wealth  
grim  
mill  
hint  
plot  
dock  
blot  
odd  
sum  
plum  
bluff  
crunch  
build  
gym

**Vocabulary**

**brainstorm**- to attempt to solve a problem through a group discussion

**flattened**- made or became flat

**frantically**- with strong emotions because of worries or fear

**muttered**- spoke in a clear, unclear way

**official**- approved by authority

**original**- new; done for the first time

**stale**- not fresh

**gracious**- showing kindness and good manners

# SUMMATIVE ASSESSMENT

## TESTED SKILLS

### ✓ COMPREHENSION:

- Character, Setting, Plot: Sequence **RL.4.3**
- Character, Setting, Plot: Problem and Solution **RL.4.3**
- Text Structure: Cause and Effect **RI.4.5**
- Main Idea and Key Details **RI.4.2**
- Text Features: Heads and Subheads **RI.4.7**
- Text Evidence **RL.4.1, RI.4.1**

### ✓ VOCABULARY:

- Context Clues: Synonyms **L.4.5c**
- Figurative Language: Idioms **L.4.5b**
- Context Clues: Multiple-Meaning Words **L.4.4a**
- Context Clues: Definitions and Restatements **L.4.4a**
- Suffixes **L.3.4b**

### ✓ ENGLISH LANGUAGE CONVENTIONS:

- Sentences **L.4.1f**
- Subjects and Predicates **L.4.1f**
- Compound Sentences **L.4.2c**
- Clauses and Complex Sentences **L.4.1a, L.4.2c**
- Run-On Sentences **L.4.1f**

### ✓ WRITING:

- Writing About Text **W.4.9b**
- Narrative Performance Task **W.4.3a-e**

## Elements of Summative Assessment

- ✓ Variety of Item Types
  - Selected Response
  - Multiple Selected Response
  - Evidence-Based Selected Response
  - Constructed Response
  - Tech-Enhanced Items
- ✓ Performance-Based Task

## Additional Assessment Options

### FLUENCY

Conduct assessments individually using the differentiated passages in *Fluency Assessment*. Students' expected fluency goal for this Unit is **84–104 WCPM** with an accuracy rate of 95% or higher.

### RUNNING RECORDS

Use the instructional reading level determined by the Running Record calculations for regrouping decisions. Students at Level 38 or below should be provided reteaching on specific Comprehension skills.

Unit Assessment Skills and Fluency	If . . .	Then . . .
<b>COMPREHENSION</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Comprehension Intervention online PDFs</i> .
<b>VOCABULARY</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Vocabulary Intervention online PDFs</i> .
<b>ENGLISH LANGUAGE CONVENTIONS</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Writing and Grammar Intervention online PDFs</i> .
<b>WRITING</b>	Students score less than "2" on short-response items and "3" on extended constructed response items . . .	. . . reteach tested skills using appropriate lessons from the Strategies and Skills and/or Write About Reading sections in the <i>Tier 2 Comprehension Intervention online PDFs</i> .
	Students score less than "12" on the performance task . . .	. . . reteach skills using the <i>Tier 2 Writing and Grammar Intervention online PDFs</i> .
<b>FLUENCY</b>	Students have a WCPM score of 0-83 . . .	. . . reteach tested skills using the <i>Tier 2 Fluency Intervention online PDFs</i> .

## Using Summative Data

Check online reports for this Unit Assessment as well as your data dashboard. Use the data to assign small group instruction for students who are below the overall proficiency level for the tested skills.

Data-Driven Recommendations

## Response to Intervention

Use the appropriate sections of the *Placement and Diagnostic Assessment* as well as students' assessment results to designate students requiring:

**TIER 2** Intervention Online PDFs

**TIER 3** WonderWorks Intervention Program

Text Complexity Range for Grades 4-5

## Week 1

## Week 2

## Week 3

### REACHING A COMPROMISE

### SEEKING THE ANSWER

### INVESTIGATIONS

## READING

#### ESSENTIAL QUESTION

*What do good problem solvers do?*

#### Build Background

##### **CCSS** Vocabulary

L.5.6 *committees, convention, debate, proposal, representatives, resolve, situation, union*

#### Context Clues

##### **CCSS** Comprehension

RI.5.3 Strategy: Reread

Skill: Text Structure: Problem and Solution

Genre: Expository Text

##### **CCSS** Phonics

RF.5.3a Variant Vowel /ô/; Diphthongs /oi/, /ou/

##### **CCSS** Fluency

RF.5.4c Rate and Accuracy

#### ESSENTIAL QUESTION

*What can you do to get the information you need?*

#### Build Background

##### **CCSS** Vocabulary

L.5.6 *circumstances, consideration, consults, destiny, expectations, presence, reveal, unsure*

#### Simile and Metaphor

##### **CCSS** Comprehension

RI.5.1 Strategy: Make Predictions

Skill: Character, Setting, Plot: Compare and Contrast

Genre: Fairy Tale

##### **CCSS** Phonics

RF.5.3a Plurals

##### **CCSS** Fluency

RF.5.4c Expression and Accuracy

#### ESSENTIAL QUESTION

*How do we investigate questions about nature?*

#### Build Background

##### **CCSS** Vocabulary

L.5.6 *behaviors, disappearance, energetic, flurry, migrate, observation, theory, transformed*

#### Greek and Latin Suffixes

##### **CCSS** Comprehension

RI.5.5 Strategy: Reread

Skill: Text Structure: Sequence

Genre: Biography

##### **CCSS** Word Study

RF.5.3a Inflectional Endings

##### **CCSS** Fluency

RF.5.4b Expression and Phrasing

## Inquiry Space

### Informative Performance Task

Investigate: Solar Emery T39-T39, T102-T103, T166-T167

## LANGUAGE ARTS

##### **CCSS** Writing

# Gateway Lesson Plan

## Weekly Plan Format

Week of: 23Sept2019

Teacher:

<b>1. Identify the standard(s)</b>			
<b>Content Area: ELA</b>	<b>Grade: 5</b>	<b>Unit 1: Eureka, I've got it, Week 1: Meeting a Need</b>	
<p><b>a) List standards to be addressed</b></p> <p>RL.3.3 – Describe characters in a story (e.g., their traits, motivations, or feelings) and explain how their actions contribute to the sequence of events</p> <p>L.3.1i - Produce simple, compound, and complex sentences.</p> <p>RL.5.1 - Quote accurately from a text when explaining what the text says explicitly and when drawing inferences from the text.</p> <p>RL.5.3 - Compare and contrast two or more characters, settings, or events in a story or drama, drawing on specific details in the text (e.g., how characters interact)</p> <p>RL.5.4 - Determine the meaning of words and phrases as they are used in a text, including figurative language such as metaphors and similes.</p> <p>RF.5.3a – Use combined knowledge of all letter-sound correspondences, syllabication patterns, and morphology (e.g., roots and affixes) to read accurately unfamiliar multisyllabic words in context and out of context.</p> <p>RF5.4b - Read grade-level prose and poetry orally with accuracy, appropriate rate, and expression on successive readings.</p> <p>RF.5.4c - Use context to confirm or self-correct word recognition and understanding, rereading as necessary.</p> <p>W.5.3d - Use concrete words and phrases and sensory details to convey experiences and events precisely.</p> <p>W.5.9a – Apply <i>grade 5 Reading standards</i> to literature (e.g., "Compare and contrast two or more characters, settings, or events in a story or a drama, drawing on specific details in the text [e.g., how characters interact]").</p> <p>W.5.10 - Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of discipline-specific tasks, purposes, and audiences.</p> <p>SL.5.1.b – Follow agreed-upon rules for discussions and carry out assigned roles.</p> <p>SL.5.1d – Review the key ideas expressed and draw conclusions in light of information and knowledge gained from the discussions.</p> <p>SL.5.2 – Summarize a written text read aloud or information presented in diverse media and formats, including visually, quantitatively, and orally.</p> <p>SL.5.3 – Summarize the points a speaker makes and explain how each claim is supported by reasons and evidence.</p> <p>L.5.2c – Use a comma to set off the words <i>yes</i> and <i>no</i> (e.g., <i>Yes, thank you</i>), to set off a tag question from the rest of the sentence (e.g., <i>It's true, isn't it?</i>), and to indicate direct address (e.g., <i>Is that you, Steve?</i>).</p> <p>L.5.4a – Use context (e.g., cause/effect relationships and comparisons in text) as a clue to the meaning of a word or phrase.</p> <p>L.5.6 – Acquire and use accurately grade-appropriate general academic and domain-specific words and phrases, including those that signal contrast, addition, and other logical relationships (e.g., <i>however, although, nevertheless, similarly, moreover, in addition</i>).</p>			
<p><b>b) List activities currently implemented in the classroom and related skills</b></p> <ul style="list-style-type: none"> <li>• Turn and talk interactions when applicable</li> <li>• Small group work</li> <li>• Class discussion</li> <li>• Independent practice and completion of assigned work (SIWBS)</li> </ul>			
<b>2. Define the learning outcomes</b>			
<b>Level of support</b>	<b>Least support</b>	<b>Moderate support</b>	<b>Most support</b>

**2019-2020**

<p><b>List the desired outcomes for students</b></p>	<ul style="list-style-type: none"> <li>- Reading of directions with needed clarification</li> <li>- Work completion is independent.</li> <li>- Comprehension of material is evident in discussion and graded work.</li> </ul>	<ul style="list-style-type: none"> <li>- Directions read aloud with check for understanding with student.</li> <li>- Periodic check-ins with student to assure understanding and progress.</li> <li>- Seating is offered in best place for student to concentrate and get necessary help as needed.</li> <li>- Assistance and redirection implemented as needed.</li> <li>- Student demonstrates understanding of the content in discussions and work completed.</li> </ul>	<ul style="list-style-type: none"> <li>- Directions read aloud and chunked as needed.</li> <li>Consistent check-ins are carried out.</li> <li>- Student is seated in close proximity to the teacher or TA.</li> <li>- Any text is read aloud to and with the student.</li> <li>- Assigned items are discussed with the student and responses are created aloud before recording.</li> <li>- Assistance is offered in writing if needed along with spelling support.</li> <li>- Student is able to participate in class discussion adding their thoughts and ideas with support from the teacher.</li> <li>- Work is completed with the necessary assistance and any supports/accommodations listed in IEP.</li> </ul>
<p><b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b></p>	<p>Monitoring of responses in class discussions. Graded work completed. Analysis of complete graphic organizers or other work samples. Monitoring of post-it questions, comments, or responses. Analysis of any drawings or other depictions of understanding/comprehension of taught material. Oral responses to target questions. Listening to Turn-and-Talk/ small group discussions. Quizzes Selection quiz</p>	<p>Selection quiz with limited multiple choice</p>	<p>Selection quiz with limited multiple choice</p>
<p><b>3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit</b></p>			
<p><b>List the instructional activities planned for all students:</b> *Arts infusion *Sensory based techniques</p>	<p><b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b></p>	<p><b>List supports that can be implemented to reduce barriers</b> Note UDL's utilized in this lesson</p>	
<ul style="list-style-type: none"> <li>- Spelling words (Fry words and text supplied words).</li> <li>- Close reading "One Hen" (T25A-25P)</li> <li>- "Banks: Their Business and Yours" close read (T25Q-25T)</li> <li>- Grammar - sentences(T32)</li> </ul>	<p>Student behavior and anxiety. Some students struggle with decoding, reading comprehension and writing. Text too difficult Inattention/unfocused</p>	<p>Read aloud to student all text. Intermittent reminders/prompts to refocus Point chart Sensory items Model process being used and/or provide an example.</p>	

**2019-2020**

	Difficulty navigating text and finding key language and answers Length of lesson	Break lessons into chunks. Use highlighters to find key concepts and vocabulary in text. Change position and groupings within the room.
<b>4. How will you utilize your paraprofessional during the academic class?</b>		
The paraprofessional will facilitate small group instruction. He will monitor & document behavior, assist students with following the procedures of the classroom expectations (bathroom, breaks, etc.) and assist individual students as needed.		
<b>5. How will you utilize technology during the academic class?</b>		
The ELMO will be utilized to review spelling and vocabulary words as well as display the electronic portions of the Wonders curriculum. Students will use their Chromebooks to complete assigned mini-games in Wonders.		
6.		

This Lesson Plan is subject to change.

**Essential Question: How do we get the things we need?**

**Unit 1 Week 1**

**Story**

*One Hen*

**Genre**

Realistic Fiction

**Story**

"Banks: Their Business and Yours"

**Genre**

# GATEWAY LESSON PLAN TEMPLATE

Adapted from DE Department of Education (ACCESS PROJECT)

## A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

### Weekly Lesson Plan Format

Week of: 4-29-19 to 5-3-19

1. Identify the standard(s)		
Content Area: ELA	Grade: 6	Unit: Module 1: Unit 2 Lesson 4
a) List standards to be addressed	<b>Literature Text:</b>	
	<b>Key Ideas and Details:</b>	
	<u>CCSS.ELA-LITERACY.RL.6.1</u> Cite textual evidence to support analysis of what the text says explicitly as well as inferences drawn from the text.	
	<u>CCSS.ELA-LITERACY.RL.6.2</u> Determine a theme or central idea of a text and how it is conveyed through particular details; provide a summary of the text distinct from personal opinions or judgments.	
	<u>CCSS.ELA-LITERACY.RL.6.3</u> Describe how a particular story's or drama's plot unfolds in a series of episodes as well as how the characters respond or change as the plot moves toward a resolution.	
<b>Craft and Structure:</b>		
<u>CCSS.ELA-LITERACY.RL.6.4</u> Determine the meaning of words and phrases as they are used in a text, including figurative and connotative meanings; analyze the impact of a specific word choice on meaning and tone		
<u>CCSS.ELA-LITERACY.RL.6.5</u> Analyze how a particular sentence, chapter, scene, or stanza fit into the overall structure of a text and contributes to the development of the theme, setting, or plot.		
<u>CCSS.ELA-LITERACY.RL.6.6</u> Explain how an author develops the point of view of the narrator or speaker in a text.		
<b>Integration of Knowledge and Ideas:</b>		
<u>CCSS.ELA-LITERACY.RL.6.7</u> Compare and contrast the experience of reading a story, drama, or poem to listening to or viewing an audio, video, or live version of the text, including		

contrasting what they "see" and "hear" when reading the text to what they perceive when they listen or watch.

CCSS.ELA-LITERACY.RL.6.8

(RL.6.8 not applicable to literature)

CCSS.ELA-LITERACY.RL.6.9

Compare and contrast texts in different forms or genres (e.g., stories and poems; historical novels and fantasy stories) in terms of their approaches to similar themes and topics.

**Range of Reading and Level of Text Complexity:**

CCSS.ELA-LITERACY.RL.6.10

By the end of the year, read and comprehend literature, including stories, dramas, and poems, in the grades 6-8 text complexity band proficiently, with scaffolding as needed at the high end of the range.

**Informational Text:**

**Key Ideas and Details:**

CCSS.ELA-LITERACY.RI.6.1

Cite textual evidence to support analysis of what the text says explicitly as well as inferences drawn from the text.

CCSS.ELA-LITERACY.RI.6.2

Determine a central idea of a text and how it is conveyed through particular details; provide a summary of the text distinct from personal opinions or judgments.

CCSS.ELA-LITERACY.RI.6.3

Analyze in detail how a key individual, event, or idea is introduced, illustrated, and elaborated in a text (e.g., through examples or anecdotes).

**Craft and Structure:**

CCSS.ELA-LITERACY.RI.6.4

Determine the meaning of words and phrases as they are used in a text, including figurative, connotative, and technical meanings.

CCSS.ELA-LITERACY.RI.6.5

Analyze how a particular sentence, paragraph, chapter, or section fits into the overall structure of a text and contributes to the development of the ideas.

CCSS.ELA-LITERACY.RI.6.6

Determine an author's point of view or purpose in a text and explain how it is conveyed in the text.

**Integration of Knowledge and Ideas:**

CCSS.ELA-LITERACY.RI.6.7

Integrate information presented in different media or formats (e.g., visually, quantitatively) as well as in words to develop a coherent understanding of a topic or issue.

CCSS.ELA-LITERACY.RI.6.8

Trace and evaluate the argument and specific claims in a text, distinguishing claims that are supported by reasons and evidence from claims that are not.

CCSS.ELA-LITERACY.RI.6.9

Compare and contrast one author's presentation of events with that of another (e.g., a memoir written by and a biography on the same person).

**Range of Reading and Level of Text Complexity:**

CCSS.ELA-LITERACY.RI.6.10

By the end of the year, read and comprehend literary nonfiction in the grades 6-8 text complexity band proficiently, with scaffolding as needed at the high end of the range.

**Writing:**

**Text Types and Purposes:**

CCSS.ELA-LITERACY.W.6.1

Write arguments to support claims with clear reasons and relevant evidence.

CCSS.ELA-LITERACY.W.6.1.A

Introduce claim(s) and organize the reasons and evidence clearly.

CCSS.ELA-LITERACY.W.6.1.B

Support claim(s) with clear reasons and relevant evidence, using credible sources and demonstrating an understanding of the topic or text.

CCSS.ELA-LITERACY.W.6.1.C

Use words, phrases, and clauses to clarify the relationships among claim(s) and reasons.

CCSS.ELA-LITERACY.W.6.1.D

Establish and maintain a formal style.

CCSS.ELA-LITERACY.W.6.1.E

Provide a concluding statement or section that follows from the argument presented.

CCSS.ELA-LITERACY.W.6.2

Write informative/explanatory texts to examine a topic and convey ideas, concepts, and information through the selection, organization, and analysis of relevant content.

CCSS.ELA-LITERACY.W.6.2.A

Introduce a topic; organize ideas, concepts, and information, using strategies such as definition, classification, comparison/contrast, and cause/effect; include formatting (e.g., headings), graphics (e.g., charts, tables), and multimedia when useful to aiding comprehension.

CCSS.ELA-LITERACY.W.6.2.B

Develop the topic with relevant facts, definitions, concrete details, quotations, or other information and examples.

CCSS.ELA-LITERACY.W.6.2.C

Use appropriate transitions to clarify the relationships among ideas and concepts.

CCSS.ELA-LITERACY.W.6.2.D

Use precise language and domain-specific vocabulary to inform about or explain the topic.

CCSS.ELA-LITERACY.W.6.2.E

Establish and maintain a formal style.

CCSS.ELA-LITERACY.W.6.2.F

Provide a concluding statement or section that follows from the information or explanation presented.

CCSS.ELA-LITERACY.W.6.3

Write narratives to develop real or imagined experiences or events using effective technique, relevant descriptive details, and well-structured event sequences.

CCSS.ELA-LITERACY.W.6.3.A

Engage and orient the reader by establishing a context and introducing a narrator and/or characters; organize an event sequence that unfolds naturally and logically.

CCSS.ELA-LITERACY.W.6.3.B

Use narrative techniques, such as dialogue, pacing, and description, to develop experiences, events, and/or characters.

CCSS.ELA-LITERACY.W.6.3.C

Use a variety of transition words, phrases, and clauses to convey sequence and signal shifts from one time frame or setting to another.

CCSS.ELA-LITERACY.W.6.3.D

Use precise words and phrases, relevant descriptive details, and sensory language to convey experiences and events.

CCSS.ELA-LITERACY.W.6.3.E

Provide a conclusion that follows from the narrated experiences or events.

**Production and Distribution of Writing:**

CCSS.ELA-LITERACY.W.6.4

Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience. (Grade-specific expectations for writing types are defined in standards 1-3 above.)

CCSS.ELA-LITERACY.W.6.5

With some guidance and support from peers and adults, develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach. (Editing for conventions should demonstrate command of Language standards 1-3 up to and including grade 6 [here](#).)

CCSS.ELA-LITERACY.W.6.6

Use technology, including the Internet, to produce and publish writing as well as to interact and collaborate with others; demonstrate sufficient command of keyboarding skills to type a minimum of three pages in a single sitting.

**Research to Build and Present Knowledge:**

CCSS.ELA-LITERACY.W.6.7

Conduct short research projects to answer a question, drawing on several sources and refocusing the inquiry when appropriate.

CCSS.ELA-LITERACY.W.6.8

Gather relevant information from multiple print and digital sources; assess the credibility of each source; and quote or paraphrase the data and conclusions of others while avoiding plagiarism and providing basic bibliographic information for sources.

CCSS.ELA-LITERACY.W.6.9

Draw evidence from literary or informational texts to support analysis, reflection, and research.

CCSS.ELA-LITERACY.W.6.9.A

Apply *grade 6 Reading standards* to literature (e.g., "Compare and contrast texts in different forms or genres [e.g., stories and poems; historical novels and fantasy stories] in terms of their approaches to similar themes and topics").

CCSS.ELA-LITERACY.W.6.9.B

Apply *grade 6 Reading standards* to literary nonfiction (e.g., "Trace and evaluate the argument and specific claims in a text, distinguishing claims that are supported by reasons and evidence from claims that are not").

**Range of Writing:**CCSS.ELA-LITERACY.W.6.10

Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of discipline-specific tasks, purposes, and audiences.

**Speaking and Listening:****Comprehension and Collaboration:**CCSS.ELA-LITERACY.SL.6.1

Engage effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with diverse partners on grade 6 topics, texts, and issues, building on others' ideas and expressing their own clearly.

CCSS.ELA-LITERACY.SL.6.1.A

Come to discussions prepared, having read or studied required material; explicitly draw on that preparation by referring to evidence on the topic, text, or issue to probe and reflect on ideas under discussion.

CCSS.ELA-LITERACY.SL.6.1.B

Follow rules for collegial discussions, set specific goals and deadlines, and define individual roles as needed.

CCSS.ELA-LITERACY.SL.6.1.C

Pose and respond to specific questions with elaboration and detail by making comments that contribute to the topic, text, or issue under discussion.

CCSS.ELA-LITERACY.SL.6.1.D

Review the key ideas expressed and demonstrate understanding of multiple perspectives through reflection and paraphrasing.

CCSS.ELA-LITERACY.SL.6.2

Interpret information presented in diverse media and formats (e.g., visually, quantitatively, orally) and explain how it contributes to a topic, text, or issue under study.

CCSS.ELA-LITERACY.SL.6.3

Delineate a speaker's argument and specific claims, distinguishing claims that are supported by reasons and evidence from claims that are not.

**Presentation of Knowledge and Ideas:**CCSS.ELA-LITERACY.SL.6.4

Present claims and findings, sequencing ideas logically and using pertinent descriptions, facts, and details to accentuate main ideas or themes; use appropriate eye contact, adequate volume, and clear pronunciation.

CCSS.ELA-LITERACY.SL.6.5

Include multimedia components (e.g., graphics, images, music, and sound) and visual displays in presentations to clarify information.

CCSS.ELA-LITERACY.SL.6.6

Adapt speech to a variety of contexts and tasks, demonstrating command of formal English when indicated or appropriate. (See grade 6 Language standards 1 and 3 for specific expectations.)

**Language:****Conventions of Standard English:**

CCSS.ELA-LITERACY.L.6.1

Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.

CCSS.ELA-LITERACY.L.6.1.A

Ensure that pronouns are in the proper case (subjective, objective, possessive).

CCSS.ELA-LITERACY.L.6.1.B

Use intensive pronouns (e.g., *myself*, *ourselves*).

CCSS.ELA-LITERACY.L.6.1.C

Recognize and correct inappropriate shifts in pronoun number and person.\*

CCSS.ELA-LITERACY.L.6.1.D

Recognize and correct vague pronouns (i.e., ones with unclear or ambiguous antecedents).

CCSS.ELA-LITERACY.L.6.1.E

Recognize variations from standard English in their own and others' writing and speaking, and identify and use strategies to improve expression in conventional language.\*

CCSS.ELA-LITERACY.L.6.2

Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.

CCSS.ELA-LITERACY.L.6.2.A

Use punctuation (commas, parentheses, dashes) to set off nonrestrictive/parenthetical elements.\*

CCSS.ELA-LITERACY.L.6.2.B

Spell correctly.

**Knowledge of Language:**

CCSS.ELA-LITERACY.L.6.3

Use knowledge of language and its conventions when writing, speaking, reading, or listening.

CCSS.ELA-LITERACY.L.6.3.A

Vary sentence patterns for meaning, reader/listener interest, and style.\*

CCSS.ELA-LITERACY.L.6.3.B

Maintain consistency in style and tone.

**Vocabulary Acquisition and Use:**

CCSS.ELA-LITERACY.L.6.4

Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 6 reading and content, choosing flexibly from a range of strategies.

CCSS.ELA-LITERACY.L.6.4.A

Use context (e.g., the overall meaning of a sentence or paragraph; a word's position or function in a sentence) as a clue to the meaning of a word or phrase.

CCSS.ELA-LITERACY.L.6.4.B

Use common, grade-appropriate Greek or Latin affixes and roots as clues to the meaning of a word (e.g., *audience*, *auditory*, *audible*).

CCSS.ELA-LITERACY.L.6.4.C

Consult reference materials (e.g., dictionaries, glossaries, thesauruses), both print and digital, to find the pronunciation of a word or determine or clarify its precise meaning or its part of speech.

			Accommodations listed in IEP.
<b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b>	Monitoring of responses in class discussions. Graded work completed. Analysis of complete graphic organizers or other work samples. Monitoring of post-it questions, comments, or responses. Analysis of any drawings, writings or other depictions of understanding/comprehension of taught material. Oral responses to target questions. Listening to Turn-and-Talk/ small group discussions. Quizzes Teacher made tests		

**3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit**

<b>List the instructional activities planned for all students: *Arts infusion</b>	<b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b>	<b>List supports that can be implemented to reduce barriers Note UDL's utilized in this lesson</b>
<p><u>Monday-Unit 2 Week 4- Essential Question: What influences the development of a culture?</u></p> <p><u>Monday</u> <u>Review classroom community culture and expectations</u></p> <p>Classroom Introduction- Define the concept of culture and tradition Develop Classroom set up awareness (i.e. What is culture? What is a tradition? And ask students to give examples of their culture and/or tradition)</p> <p>Introduce and discuss the essential question "What influences the development of a culture on pg. 132 RWW (Reading/Writing workshop).</p> <p>Discuss and define the concept of Cultural Legacies. Exam how the legacy of terrace farming of the Yao people began 700 hundred years ago and how that legacy was passed down and still used in the Longji Mountains of China.</p>	<p>Text too difficult</p> <p>Inattention/unfocused</p> <p>Inappropriate behavior</p> <p>Inability to write independently</p> <p>Varied reading levels</p> <p>Difficulty navigating text and finding key language and answers</p> <p>Length of lesson</p> <p>Student behavior and anxiety</p> <p>Some students struggle with following directions even with teacher modeling.</p>	<p>Read aloud to student all text.</p> <p>Intermittent reminders/prompts to refocus</p> <p>Point chart Sensory items- fidget, pillow, Velcro, squish ball</p> <p>Assist students by allowing them to use a scribe from time to time.</p> <p>Model process being used and/or provide an example.</p> <p>Break lessons into chunks.</p>

<p><b>Watch the Go Digital video</b> about how the culture on the Yao people is affected by living on the Longji Mountains. Also review for comprehension how the agricultural expertise the Yao people learned ensure the food supply of a region that was not suited for farming</p> <p><b>Tuesday-</b> Introduce the vocabulary for the lesson discussing each word. Use vocabulary routine to interact with each word. (RWWpg134-135)</p> <p>Have students pick three vocabulary words and write one sentence for each</p> <p>Review essential question and genre of “Cusi’s Secret”</p> <p>Analyze the text, craft and structure. Use the visualization strategy in the comprehension process.</p> <p>Integrate current knowledge and ideas making text to text connections while students scan text and make predictions</p> <p>Review and record Predictions made about Character, Setting, and Plot about the story to peak interest and gauge current knowledge of content</p> <p>Introduce the Grammar: Form and use of possessives.</p> <p>Read story “Cusi’s Secret”</p> <p><b>Wednesday-</b></p> <p>Review classroom community culture and expectations</p> <p>Re-Read “Cusi’s secret”. Review the comprehension strategies of Read, Reread, and Integrate, and visualization.</p> <p>Complete Comprehension Skill activities focusing on Point of View. Highlighting the genre Historical fiction, how to determine the point of view in the story by the use of certain pronouns</p> <p>Use vocabulary strategy of “Synonyms” to interact with lesson vocabulary words -Frayer model activity</p> <p>Complete Language Arts activities. Write About the Text-Model note taking and writing to a prompt. Review Grammar: Build Vocabulary</p> <p><b>Thursday-</b> Review classroom community culture and expectations again</p>	<p>Some students may rush through work to “be done”.</p> <p>Lack of motivations for some students</p>	<p>Use highlighters to find key concepts and vocabulary in text.</p> <p>Change position and groupings within the room.</p> <p>Brain breaks activities</p>
---	---	---

Introduce the main selection for the lesson "A Single Shard"  
Read the story as a group stopping to complete the designed "close reading" strategy discussions.

Complete daily language activity and several of the grammar practice reproducible with vocabulary review

**Friday-**

Review classroom community culture and expectations again

Reread aloud "Cusi's Secret". Have students compare and contrast ancient traditions and current cultural traditions with the story "A Single Shard".

Explain the writing prompt for the lesson. Encourage students to try their best to include details they recall from each story. Have all students complete selection test

Take vocabulary test

**This Lesson Plan is subject to change**

### ✓ WRITING:

- Writing About Text **W.6.3a-e**
- Explanatory Performance Task **W.6.2a-f**

## Elements of Summative Assessment

- ✓ Variety of Item Types
  - Selected Response
  - Multiple Selected Response
  - Evidence-Based Selected Response
  - Constructed Response
  - Tech-Enhanced Items
- ✓ Performance-Based Task

## Additional Assessment Options

### FLUENCY

Conduct assessments individually using the differentiated passages in *Fluency Assessment*. Students' expected fluency goal for this Unit is **117–137 WCPM** with an accuracy rate of 95% or higher.

### RUNNING RECORDS

Use the instructional reading level determined by the Running Record calculations for regrouping decisions. Students at Level 50 or below should be provided reteaching on specific Comprehension skills.

Unit Assessment Skills and Fluency	If . . .	Then . . .
<b>COMPREHENSION</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Comprehension Intervention online PDFs</i> .
<b>VOCABULARY</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Vocabulary Intervention online PDFs</i> .
<b>ENGLISH LANGUAGE CONVENTIONS</b>	Students score below 70% . . .	. . . reteach tested skills using the <i>Tier 2 Writing and Grammar Intervention online PDFs</i> .
<b>WRITING</b>	Students score less than “2” on short-response items and “3” on extended constructed response items . . .	. . . reteach tested skills using appropriate lessons from the Strategies and Skills and/or Write About Reading sections in the <i>Tier 2 Comprehension Intervention online PDFs</i> .
	Students score less than “12” on the performance task . . .	. . . reteach skills using the <i>Tier 2 Writing and Grammar Intervention online PDFs</i> .
<b>FLUENCY</b>	Students have a WCPM score of 0–83 . . .	. . . reteach tested skills using the <i>Tier 2 Fluency Intervention online PDFs</i> .

## Using Summative Data

Check online reports for this Unit Assessment as well as your data dashboard. Use the data to assign small group instruction for students who are below the overall proficiency level for the tested skills.

Data-Driven Recommendations

## Response to Intervention

Use the appropriate sections of the *Placement and Diagnostic Assessment* as well as students’ assessment results to designate students requiring:

**TIER 2** Intervention Online PDFs

**TIER 3** WonderWorks Intervention Program

ELA Scope and Sequence: Grade 7  
Based on the Collections Series

Unit Number & Title	Time Frame (in months or weeks)	Standards Addressed	Anchor Text	Summative Performance Task (**indicates a Common Assessment)
		<b>RL 10</b>	<b>Independent Swimming to Antarctica</b> by Lynne Cox (Lexile 940)	<p><b>Novel Study</b></p> <p>Students will respond in their "Reading Response Journal" based on various prompts throughout the novel.</p>
<p><b>Unit 1: Collection 1 Bold Actions</b></p>	<p><b>September- October</b></p>	<p>RL 1, RL 3, RL 4, <b>SL 4</b>, <b>W 3</b>, L 1b, L4a, L4b, L 4c</p>	<p><b>Rogue Wave</b> <b>Short Story by Theodore Taylor (Lexile 980L)</b></p>	<p><b>*Diagnostic Test</b></p> <p><b>Writing Activity: Movie Activity(W 3, SL 4):</b></p> <p>Think about "Rogue Wave" could be adapted as an action movie. Write a four paragraph movie outline showing how it could be done. Use your completed outline to "pitch" -or present persuasively-your movie idea to a partner or group. In your outline, be sure to include:</p> <ul style="list-style-type: none"> <li>● a description of the opening scene that establishes the characters, setting, and conflict.</li> <li>● a description of each important scene in the plot.</li> <li>● suggestions for how to shoot each scene to convey the suspense.</li> </ul>

				<ul style="list-style-type: none"> <li>• cite several pieces of textual evidence</li> <li>• make inferences drawn from the text</li> <li>• analyze how particular elements of a story interact</li> <li>• analyze how setting shapes the characters or plot</li> </ul>
			<p><b>Close Reader</b>  <b>Short story by Eleanora Tate</b>  <b>“Big Things Come in Small Packages”</b>  <b>(Lexile 900)</b></p>	<p><b>Media Activity: Blog (RI 2, RI 3, RI 5, RI 6, RI 8, RI 9, SL 2, W 6)</b></p> <p>With your classmates, create a class blog to discuss what you think would be an appropriate age to pursue such an undertaking.</p> <ul style="list-style-type: none"> <li>• To build the blog, map out your homepage and plan one or more discussion threads.</li> <li>• Begin the blog by writing your own opinion of Abby’s solo adventure. Was it foolish or wise for someone her age to attempt such a trip alone?</li> <li>• Refer to any of the three news pieces for evidence. Encourage classmates to post to the blog.</li> </ul>
		<p>RI 1, RI 2, RI 3, RI 5, RI 6, RI 8, RI 9, SL 2, W1, W 4, W 6</p>	<p><b>Online News Article by Paul Harris</b>  <b>“Parents of Rescued Teenage Sailor Abby Sunderland Accused of Risking Her Life” (Lexile 1110)</b></p> <p><b>Editorial by Joanna Weiss</b>  <b>“Ship of Fools”</b></p>	

	<p><b>(Lexile 1120)</b></p> <p><b>TV News Interview by CBS News “Was Abby Too Young to Sail?”</b></p>		
<ul style="list-style-type: none"> <li>• cite several pieces of textual evidence</li> <li>• determine two or more central (or main) ideas in a text</li> <li>• trace and evaluate an argument</li> <li>• assess claims, reasoning, and evidence in a text</li> </ul>	<p><b>Close Reader: Essay by Robert Medina “Finding Your Everest”</b></p> <p><b>(Lexile 1160)</b></p>		
<p><b>Writing Activity: Graphic Comic ( W3, W5, W7):</b></p> <p>“The Flight of Icarus” begins with references to Theseus and his escape from the labyrinth built by Daedalus. Retell your own version of the myth in the form of a graphic comic. In this kind of text, both verbal and visual elements work together.</p> <ul style="list-style-type: none"> <li>• Research retellings of the myth of Theseus and the Minotaur.</li> <li>• Redo the text of the myth in your own words. Try to keep any character</li> </ul>	<p><b>Greek Myth “The Flight of Icarus”</b></p> <p><b>retold by Sally Benson (1110L)</b></p>	<p>RL 1, RL 2, RL 3, RL 4, W3, W5, W7, L2a, L4c</p>	

			<p>speeches or descriptions as brief as possible.</p> <ul style="list-style-type: none"> <li>• Make sure that the words don't crowd the art space.</li> <li>• Plan how your characters will look. Use any descriptions you find in the text version of the myth to help you.</li> <li>• Do a rough sketch of your ideas before creating finished pages.</li> </ul>
		<p><b>Close Reader:</b>  <b>Greek Myth Retold by Olivia Coolidge "Arachne" (Lexile 1250)</b></p>	<ul style="list-style-type: none"> <li>• cite several pieces of textual evidence</li> <li>• determine a theme and analyze its development over the course of a text</li> <li>• analyze how particular elements of a story interact</li> </ul>
		<p><b>Poem by Stephen Dobyns "Icarus Flight"</b></p>	<p><b>Speaking Activity: Response to Literature (W 2, SL 4)</b></p> <p>The poet asks a number of questions throughout the poem, as if speaking directly to readers. What is the purpose of these questions? Do they cause you to consider Icarus's actions in a new light? Share your views in an oral response.</p> <ul style="list-style-type: none"> <li>• Think about the questions and views the poet presents.</li> </ul>

				<ul style="list-style-type: none"> <li>• Identify evidence from the poem to support your views.</li> <li>• Make sure your points are clear and convincing. Use verbal and nonverbal techniques to enhance your points.</li> </ul>
			<p><b>Informational Text by Patricia and Fredrick McKissack "Women in Aviation" (Lexile 1150)</b></p>	<p><b>Writing Activity: Informative Report (W 2, W 6, W 8, W 10)</b></p> <p>Do further research on one of the figures from "Women in Aviation." Then present your research in the form of a report.</p> <ul style="list-style-type: none"> <li>• Use text, online, and digital resources such as encyclopedias, web searches, and other texts to find facts and details.</li> <li>• Include details about the pilot s achievements and their importance.</li> <li>• Be sure to include additional quotes either directly from or about the aviator you chose.</li> </ul>
		<p>RI 1, RI 2, RI 3, RI 5, RI 6, RI 8, RI 9 SL 2, W1, W4, W6</p>		<p><b>Unit Assessment(s):</b></p> <p><b>Option A: Write a Fictional Narrative (W3a-e, W4, W5, W10):</b></p> <p>Use the texts in the collection as models for writing your own story in which the characters</p>

				<p>take bold actions in the face of a seemingly overwhelming challenge.</p> <ul style="list-style-type: none"> <li>• See how the example from "The Rogue Wave" uses descriptive setting and introduces characters.</li> </ul> <p><b>Option B: Present an Argument (W1a-e, W5, W8, W9, W10, SL4, SL5, SL6, L3):</b></p> <p>This collection depicts the bold actions of daring individuals. The myth "The Flight of Icarus" presents a clear message about the risks and rewards of taking those actions. In the following activity, you will draw from "The Flight of Icarus" and other texts in the collection to prepare and present an argument, either for taking bold actions or for avoiding them.</p> <p><b>Collection 1 Test</b></p>
		RL 10	<p><b>Independent reading</b>  <b>The Cay by Theodore Taylor</b>  <b>(Lexile 860)</b></p>	<p><b>Novel Study</b></p> <p>Students will respond in their "Reading Response Journal" based on various prompts throughout the novel.</p>

<p><b>Unit 2: Collection 2 Perception and Reality</b></p>	<p><b>November- December</b></p>	<p>RL 1, RL 2, RL 3 RL 4, RL 10, W 7. W 9, SL 6, SL 4b, SL 4d</p>	<p><b>Folk Tale retold by Virginia Hamilton “The People Could Fly: (Lexile 430</b></p>	<p><b>Speaking Activity: Dramatic Reading RL10, SL 6</b></p> <p>With a small group, do a dramatic reading of “The People Could Fly,” using the text of the folk tale as a script. Follow these tips for preparing and performing:</p> <ul style="list-style-type: none"> <li>• Rehearse the reading several times.</li> <li>• Make sure your voices fit the personalities of the characters you portray.</li> <li>• Deliver lines with the appropriate emotion.</li> <li>• Keep in mind how the tale begins somberly but builds in intensity</li> </ul>
			<p><b>Close Reader: Short Story by “Heartbeat” (Lexile 840)</b></p>	<ul style="list-style-type: none"> <li>• cite several pieces of textual evidence</li> <li>• determine the theme or central idea in a text</li> <li>• provide an objective summary of a text</li> <li>• analyze how particular elements of a story interact</li> </ul>
		<p>RL 1, RL 2, RL 4, RL 5, SL 1, SL 4, SL 6</p>	<p><b>Poem by W.B. Yeats “The Song of Wandering Aengus”  Poem by William</b></p>	<p><b>Speaking Activity: Discussion With a small group</b> SL 1a-d, SL 4, SL 6</p> <p>Discuss which speaker of these two poems seems more affected by what he perceives. To prepare for your discussion:</p> <ul style="list-style-type: none"> <li>• Consider what each speaker is longing for.</li> <li>• Think about the words used to express the speaker’s longing in each poem.</li> </ul>

			<p><b>Shakespeare "Sonnet 43"</b></p>	<ul style="list-style-type: none"> <li>● Create a Venn Diagram to compare and contrast the two poems.</li> </ul>
			<p><b>Magazine Article by Susana Martinez- Conde and Stephen L Macknick "Magic and the Brain" (Lexile 1340)</b></p>	<p><b>Speaking Activity: Demonstration W 7, SL 4, L 6</b></p> <p>Do research to find an easily performed "magic trick" that is based on a science principle. Follow the step-by-step directions for the trick and practice performing it. Determine the principle that makes the trick work. Then demonstrate the trick in a performance for your classmates. Follow these suggestions during the demonstration:</p> <ul style="list-style-type: none"> <li>● If necessary, perform the trick a second time, but more slowly, indicating whatever you're doing to distract their attention.</li> <li>● At the end of the performance, explain the principle at work in the trick and how it relates to the article "Magic and the Brain."</li> <li>● Invite feedback. Discuss with your classmates whether the demonstration increases their understanding of neuromagic.</li> </ul>
			<p><b>Close Reading:</b></p>	<ul style="list-style-type: none"> <li>● cite several pieces of textual evidence</li> </ul>

			<p><b>Science Writing by Reynaldo Vasquez “Saving the Lost” (Lexile 920)</b></p>	<ul style="list-style-type: none"> <li>determine the theme or central idea in a text</li> <li>provide an objective summary of a text</li> <li>analyze how particular elements of a story interact</li> </ul>
	<p>SL 2, SL 5, W 6</p>	<p><b>Public Art by Julian Beever Pavement Chalk Art</b></p>	<p><b>Media Activity: Poster</b> SL 5, W 6</p> <p>Working in small groups, create a poster or a flyer that announces an exhibit of Beever’s art in a city. Use your favorite design software program to lay out your work, including images and text.</p> <ul style="list-style-type: none"> <li>Highlight the effectiveness of Beever’s drawings as public art.</li> <li>Promote the advantages of having sidewalk art in a city.</li> <li>Present your completed flyer or poster to the other groups, explaining what you intend to communicate with it and how you accomplished that goal.</li> </ul>	
	<p>RL 1, RL 2, RL 3, RL 4, RL 5, W 9a, L 4a, L 4c, L 5b, L 6</p>	<p><b>Short Story by Cory Doctorow “Another Place, Another Time” (Lexile 1060)</b></p>	<p><b>Writing Activity: Character Analysis</b> RL 1, RL 2, W 9a</p> <p>With a partner, find and record references to the passage of time that connect to key experiences for Gilbert. For each important reference, also note what is happening to Gilbert. Together, write a</p>	

				<p>one-page character profile of Gilbert, including details that answer these questions:</p> <ul style="list-style-type: none"> <li>• What are Gilbert's personal traits?</li> <li>• What motivates Gilbert's actions?</li> <li>• What life-changing events occur in his life?</li> <li>• When and where is he at the start of the story? At the end?</li> <li>• How has he changed by the end of the story?</li> </ul>
		<p>RL, RL2,  <b>RL3</b>, RL4,  RL5, RL7,  RL10, W2,  <b>W4</b>, <b>W9a</b>,  <b>W10</b>, L4a,  L4c, SL2</p>	<p><b>Sorry, Wrong Number</b>  <b>Drama by Lucille Fletcher (Lexile N)</b></p>	<p><b>Writing Activity: Character Analysis (W2, W4, W9a, W10):</b></p> <p>Write a three-paragraph character analysis of Mrs. Stevenson. Support your analysis with examples of her actions, expressed in the dialogue and stage directions. Try to answer these questions.</p> <ul style="list-style-type: none"> <li>• How does she perceive herself?</li> <li>• How does she perceive other people such as the operators, police sergeant, and hospital workers?</li> <li>• What parts of her personality might have been misunderstood or allow her to be misunderstood by others?</li> <li>• How do her actions affect the drama's?</li> </ul>

**Unit Assessment(s):**

**Option A: Write an Argument ( W1a-e, W4, W5, W9, W10):**

Folktales like "The People Could Fly" often make readers reflect on the ways we perceive our world. Consider the common saying "seeing is believing" and its meaning. After reading the texts in this collection, do you believe this saying is true? You will draw from "The People Could Fly" and other texts in the collection to write an argument that states and supports your position.

**Option B: Give a Summary Presentation (W 2a-f, W4, W5, W6, W10, SL4):**

*Sorry, Wrong Number* is a drama chockful of actions and shifting perceptions. In the following activity, you will draw from *Sorry, Wrong Number* to deliver a summary presentation.

**Collection 2 Test**

		<p style="text-align: center;"><b>RL 10</b></p>	<p style="text-align: center;"><b>Independent Reading</b>  <b>Call of the Wild</b>  <b>by Jack London</b>  <b>(Lexile 1170)</b></p>	<p style="text-align: center;"><b>Novel Study</b></p> <p>Students will respond in their "Reading Response Journal" based on various prompts throughout the novel.</p>
<p style="text-align: center;"><b>Unit 3</b>  <b>Collection 3</b>  <b>Nature at Work</b></p>	<p style="text-align: center;"><b>January-February</b></p>	<p style="text-align: center;">RI 1, RI 2,  RI 3, <b>RI 4</b>,  <b>W 9</b>, L3a,  L5a</p>	<p style="text-align: center;"><i>Mississippi Solo Memoir</i>  <b>by Eddy Harris</b>  <b>(Lexile 830L)</b></p>	<p><b>Writing Activity: Analysis (RI 4, W 9):</b></p> <p>Look back through the memoir to list examples of how the author uses similes and personifies the river. Focusing on examples from the list, write a two to four paragraph literary analysis that explains how the author uses figurative language in this memoir.</p> <ul style="list-style-type: none"> <li>● Support your main points by using quotes from the text as examples.</li> <li>● Explain the meanings of the examples and how they contribute to important ideas of the memoir.</li> <li>● Discuss what impressions you have about the author's writing style, based on his use of figurative language.</li> </ul>
			<p style="text-align: center;"><b>Close Reader:</b>  <b>Memoir by Helen Thayer</b></p>	<ul style="list-style-type: none"> <li>● cite multiple pieces of textual evidence</li> <li>● analyze interactions between elements of an informational text</li> </ul>

			<p><b>from <i>Polar Dream</i> (Lexile 1070)</b></p>	<ul style="list-style-type: none"> <li>determine the meaning of words and phrases, including figurative language, and analyze the impact of specific word choice on meaning and tone</li> <li>determine an author’s point of view or purpose in a text</li> </ul>
			<p><b>Soliloquy by William Shakespeare from <i>The Tempest</i></b></p>	<p><b>Speaking Activity: Dramatic Reading</b>  <b>SL 1, SL 6</b></p> <p>Divide the lines of this soliloquy among the members of a small group so that each participant has several lines that express one idea or related ideas.</p> <ul style="list-style-type: none"> <li>Together, discuss and analyze the Shakespearean vocabulary and sentence structure.</li> <li>Use your analysis to rewrite Prospero’s soliloquy in your own words.</li> <li>Then, as a group, deliver your version of the soliloquy to the class.</li> </ul>
		<p>RL 1, RL 2, RL 3, RL 4, RL 6, W1, W 4, W 10, SL 1, L 1b, L 4c</p>	<p><b>Short Story by Naomi Shihab Nye “Allied with Green” (Lexile 900)</b></p>	<p><b>Writing Activity: Argument</b>  <b>W 1, W 4, W 10, SL 1</b></p> <p>Look back through “Allied with Green” to take notes on the points Lucy makes in favor of green. Adapt those ideas to develop a three- to four-paragraph argument in support of or against her position.</p>

<ul style="list-style-type: none"> <li>• Introduce your opinion.</li> <li>• Specify support for your opinion with reasons and examples.</li> <li>• Acknowledge a possible argument from an opponent and refute it.</li> <li>• Conclude with a statement that summarizes your opinion and ties your ideas together.</li> </ul>				
<p><b>Speaking Activity: Summary Presentation</b> <b>W 7, SL 4</b></p> <p>Choose a concept or term about geology from “Big Rock’s Balancing Acts” (for example: earthquake tremors, granite, bedrock, accelerator-mass spectrometer, erosion, Ice Age, or geology itself ). Think of a question related to that term to explore, such as “How many ice ages have taken place on Earth?” Research your topic and present a brief summary of the information you find.</p> <ul style="list-style-type: none"> <li>• Find at least two informational print or online articles on the topic. Make sure these sources are credible and believable.</li> <li>• List the most important ideas you want to present.</li> </ul>	<p><b>Expository Essay by Douglas Fox “Big Rocks’ Balancing Act” (Lexile 1060)</b></p>	<p>RI 1, RI2, RI 3, RI 4, RI 5, RI 6, W 7, SL 4, L 1a, L 4B, L 6</p>		

				<ul style="list-style-type: none"> <li>• Begin your summary with an introduction that specifies your topic clearly, establishes your central idea, and hooks listeners into listening further.</li> <li>• Explain the central idea or ideas from your research.</li> </ul>
			<p><b>Close Reader: Informational Text by James Vlahos “The Hidden Southwest: The Arch Hunters” (Lexile 1060)</b></p>	<ul style="list-style-type: none"> <li>• cite several pieces of textual evidence</li> <li>• determine two or more central ideas in a text</li> <li>• analyze the interactions among individuals, events, or ideas in a text</li> <li>• analyze the structure an author uses to organize a text</li> </ul>
		<p>RL 1, RL 2, RL 4, RL 5, RL 6, W2, W10, SL1</p>	<p><b>“Ode to Enchanted Light” poem by Pablo Neruda (Lexile N/A)</b> <b>“Sleeping in the Forest” poem by Mary Oliver (Lexile N/A)</b></p>	<p><b>Writing Activity: Poem (W 3, W 10):</b></p> <p>Write a four-stanza poem to describe an experience with nature.</p> <ul style="list-style-type: none"> <li>• Base the poem on your own experiences or on an imagined one. Experiment with figurative language.</li> <li>• Consider expressing a theme or message about nature.</li> <li>• As you create your poem, try reading it aloud to help you refine your choices of words or effects.</li> </ul>

				<p><b>Close Reader:</b>  <b>Poems by Leslie Marmon Silko, Victor Hernandez Cruz, and Gwendolyn Brooks from <i>Poems About Nature</i></b></p>	<ul style="list-style-type: none"> <li>● cite evidence from the text</li> <li>● determine the meaning of words and phrases, including figurative language</li> <li>● analyze how a poem's form contributes to its meaning</li> </ul>
				<p><b>Independent Reading</b>  <b>Tuck Everlasting by Natalie Babbitt (Lexile 770)</b></p>	<p><b>Novel Study</b>  Students will respond in their "Reading Response Journal" based on various prompts throughout the novel.</p>
<p><b>Unit 4</b>  <b>Collection 4</b>  <b>Risk and Exploration</b></p>	<p><b>February-March</b></p>	<p><b>RL 10</b></p>	<p>RI 1, RI 4, RI 5, RI 6, RI 7, RI 8, SL 1, SL 3, <b>W 2, W 7, W 8,</b> L 4, L 4a,</p>	<p><b>Remarks at the Dedication of the Aerospace Medical Center Speech by John F. Kennedy (Lexile 1380L)</b></p>	<p><b>Writing Activity: Research Report (W2, W7, W8):</b>  Research a recent or planned space mission for medical research by NASA (National Aeronautics and Space Administration).</p> <ul style="list-style-type: none"> <li>● Identify one mission and write a brief description of its purpose and outcome.</li> </ul>

		L 4c, L 4d		<ul style="list-style-type: none"> <li>● Explain whether or not it is in keeping with Kennedy's views about space research.</li> <li>● Share your findings with the class.</li> </ul>
			<p><b>Close Reader:</b>  <b>Online Essay</b>  <b>by Joan Vernikos "Why Exploring the Ocean is Mankind's Next Giant Leap"</b>  <b>(Lexile 1130)</b></p>	<ul style="list-style-type: none"> <li>● cite several pieces of textual evidence</li> <li>● determine central ideas in a text</li> <li>● trace and evaluate an argument</li> <li>● assess an author's claims and reasoning</li> </ul>
		<p>RI 1, RI 2,  RI 4, RI 5,  RI 6, RI 8,  <b>W 7,</b>  <b>W 8, SL 1,</b>  <b>SL 3, SL 4,</b>  L 1a, L4b,  L 6</p>	<p><b>Why Exploring the Ocean is Mankind's Next Giant Leap</b>  <b>(Commentary by Philippe Cousteau</b>  <b>(Lexile 1360L)</b></p>	<p><b>Speaking Activity: Informal Debate</b>  <b>(W7, W8, SL 1, SL 4):</b></p> <p>Philippe Cousteau begins by mentioning the 1960 exploration of the Mariana Trench. Would further exploration of this deep-sea region be worthwhile? Divide your group into two teams to informally debate that question.</p>

		<p>RI 1, RI 2, RI 3, RI 4, RI 5, RI 6, <b>W 1,</b> <b>W 4, W 8,</b> <b>W 10,</b> L 1a, L 4a, L 4b, L 4c, L 6</p>	<p style="text-align: center;"><b>Living in the Dark Science Article by Cheryl Bardoe (Lexile 1200)</b></p>	<p><b>Writing Activity: Persuasive Essay (W1, W4, W8, W10):</b></p> <p>Think about Santiago Herrara’s statement at the end of the excerpt from “Living in the Dark.” Why does he have that opinion? Why might someone else have a different opinion? Do you agree with Herrara’s statements? Use your answers to those questions to write a one-to-three paragraph persuasive essay.</p>
			<p><b>Science Article by Elisabeth Rosenthal “Stinging Tentacles Offer Hint to Oceans’ Decline” (Lexile 1370)</b></p>	<p><b>Writing Activity: Research Report (W 2, W 7, W 8)</b></p> <p>Research a recent or planned space mission for medical research by NASA (National Aeronautics and Space Administration).</p> <ul style="list-style-type: none"> <li>• Identify one mission and write a brief description of its purpose and outcome.</li> <li>• Explain whether or not it is in keeping with Kennedy’s views about space research.</li> <li>• Share your findings with the class.</li> </ul>

		<p>RL 1, RL 2, RL 4, W 2, W 9a</p>	<p><b>Your World Poem by Georgia Douglas Johnson (Lexile N/A)</b></p>	<p><b>Writing Activity: Analysis (W2, W9a):</b></p> <p>Think about the extended metaphor in this poem. Write at least one paragraph analyzing the extended metaphor.</p> <p>These questions may help you organize your thoughts and writing:</p> <ul style="list-style-type: none"> <li>• What words and phrases show the comparison throughout the poem?</li> <li>• Why might the poet have chosen this comparison?</li> <li>• What feelings are suggested by the comparison?</li> </ul>
				<p><b>Unit Assessment(s):</b></p> <p><b>Speaking Activity: Persuasive Speech (W1a-e, W4, W5, W7, W8, SL4, SL5, SL6):</b></p> <p>Persuasive speeches such as John F. Kennedy's "Remarks at the Dedication of the Aerospace Medical Health Center" can inspire listeners to rise to great challenges. In the following activity, you will draw from Kennedy's speech and other texts in the collection to prepare and give a persuasive speech. You will try to</p>

					persuade others whether major exploration is worth the risk.  <b>Collection 4 Test</b>
					<b>Novel Study</b> Students will respond in their "Reading Response Journal" based on various prompts throughout the novel.
					<b>Writing Activity: Essay (W 1b, W 7):</b> You've just read that a number of different types of televisions have been available through the years. Find out a new development in TV technology and write about it in a brief informational essay. <ul style="list-style-type: none"> <li>• Use digital or print sources about the consumer electronics to research your topic.</li> <li>• Take notes as you try to answer questions like: Who invented this technology and when? How does it work? How could it change how people watch T.V.s? Why would consumers want to purchase it?</li> </ul>

\* as appropriate for grade level (see progression chart on page 56, of the CCSS, for progressive skills)

Adapted from the Smarter Balanced – Conventions Chart – April, 2014  
\* Students are expected to demonstrate grade-level skills in conventions as specified in the CCSS as well as those specified for earlier grades.

Collection 1- Bold Actions Unit Planning

**Performance Task Unpacked: Option A- Write a short story W 3a-e, W 4, W 5, W 10**

**Write a Fictional Narrative with a main character who boldly attempts to overcome a tremendous challenge.**

1. Write a fictional narrative
2. Include elements of plot
3. Include character that takes bold action in an overwhelming challenge

**Skills necessary for Performance Task: Option A**

1. introduces and develops characters and a setting
2. contains a plot with a well-structured and logical sequence
3. establishes, develops, and resolves a conflict
4. uses dialogue, pacing, and relevant descriptive details
5. utilizes transitions to convey sequence
6. provides a conclusion that reflects a message about life

**Performance Task Unpacked: Option B- Present an Oral Commentary W 1a-e, W 8, W 0, W 10, SL 4, SL 5, SI 6, L 3**

This collection depicts the bold actions of daring individuals.

1. The myth “The Flight of Icarus” presents a clear message about the risks and rewards of taking those actions.
2. In the following activity, you will draw from “The Flight of Icarus” and other texts in the collection
3. to prepare and present an argument,
4. either for taking bold actions or for avoiding them

**Skills necessary for Performance Task: Option A**

1. provides an introduction that clearly states your claim—the point your argument is making
2. includes quotations or examples from the texts to support or illustrate central ideas
3. uses good eye contact, volume, and pronunciation
4. includes visuals to emphasize salient points
5. concludes by restating the claim

## Collection 1- Bold Actions Unit Planning

- -Model annotation strategies:Have students use reading tools in the online textbook (ie; highlighter) to highlight important parts of the text (text evidence). Have students highlight in different colors using their annotating tools. Categorize highlights by concept/skill set in the student notes section.
- -Model/Practice effective discussions using Close Read Screencasts in class. Students use notes during discussions.
- - Preview vocabulary/Remind students they will encounter the vocabulary through the unit.
- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

Collection Essential Question:

What does it mean to face challenges fearlessly , even if it means failing in the attempt?

# Collection   2   Unit Planning

## Unit Plan: Perception and Reality: Collection 2

### 7th Grade

#### Performance Task Unpacked: Option A RL 1, W 1a-e, W 4, W 5, W 9, W 10

##### Write an Argument

Folk tales like “The People Could Fly” often make readers reflect on the ways we perceive our world. Consider the common saying “seeing is believing” and its meaning.

1. After reading the texts in this collection, do you believe this saying is true?
2. You will draw from “The People Could Fly” and other texts in the collection to
3. write an argument that states and supports your position.

#### Skills necessary for Performance Task: Option A

- contains an engaging introduction that clearly states the claim, or opinion
- supports the opinion with logical reasoning and relevant evidence
- presents and refutes opposing claims, or viewpoints
- uses language that effectively conveys ideas and adds interest
- concludes with a restatement of the claim

#### Performance Task Unpacked: Option B

##### Give a Summary Presentation

Sorry, Wrong Number is a drama chockful of actions and shifting perceptions. In the following activity, you will draw from Sorry, Wrong Number to deliver a summary presentation.

#### Skills necessary for Performance Task: Option B W 2a-f, W 4, W 5, W 6, W 10

- includes the title and author of the work being summarized
- restates in your own words the theme, or main idea, and its supporting details
- shows a comprehensive understanding of the source
- interests listeners through the use of effective verbal and nonverbal techniques

#### Texts to be used in Collections:

1. The People Could Fly: Folk Tale *L430*
2. The Song of Wandering Aengus: Poem  
Sonnet 43: Poem
3. Magic and the Brain: Magazine Article  
*L1340*
4. Pavement Chalk Art: Public Art
5. Another Place, Another Time: Short Story  
*L1060*
6. Sorry, Wrong Number: Drama

#### Key Learning Objective

1. Identify element of a folktale and summarize the story
2. Learn how to analyze a poem's form as well as the use of figurative language and sound devices to understand their effect on on meaning
3. Analyze how text features contribute to a text and to summarize text objectively.
4. Analyze the purpose of public art and the techniques Beaver uses to create the illusion of 3-dimensionality.
5. Identify and analyze how setting affects character traits, motivations, and actions.
6. Analyze the elements of a drama and make comparisons between a script and a performance.

## Collection \_\_2\_\_ Unit Planning

<p>7. Close Readers:</p> <ol style="list-style-type: none"> <li>a. Heartbeat: Short Story <i>L840</i></li> <li>b. Saving the Lost: Science Writing <i>L920</i></li> <li>c. ## Collection \_\_2\_\_\_\_ Unit Planning

student notes section.

- -Model/Practice effective discussions using Close Read Screencasts in class. Students use notes during discussions.
- - Preview vocabulary/Remind students they will encounter the vocabulary through the unit.
- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

Collection Essential Question: How are things in life not always how we perceive them to be?

# Collection     3     Unit Planning

**Grade 7    Unit Plan            Nature at Work            Collection 3**

**Performance Task Unpacked: Option A**

**Write a Personal Narrative W 3a-e, W 4, W 5, W 10**

In this collection, you read about the strong and emotional connections that people have with different elements of nature.

1. In particular, consider the experience that Eddy Harris recounts in the excerpt from his memoir, *Mississippi Solo*.
2. Then think about your own interactions with nature.
3. Write a personal narrative about a natural setting that is meaningful to you.

**Skills necessary for Performance Task: Option A**

- begins with a captivating lead that clearly establishes the situation
- contains a well-structured event sequence that unfolds naturally and logically
- uses descriptive details that offer insight on significant events and feelings
- creates vivid images in the reader’s mind through the use of sensory language
- provides a conclusion that follows from and reflects on the narrated experiences and events

**Performance Task Unpacked: Option B**

**Write a Poetry Analysis W 2a–f, W 4, W 5, W 6, W 9a, W 10, SL 4**

“Ode to enchanted light” and “Sleeping in the Forest” are lyric poems that convey an appreciation of nature. In this activity,

1. you will analyze each poet’s style by comparing and contrasting elements such as form, structure, and use of figurative language.

**Skills necessary for Performance Task: Option B**

- begins with clear thesis statement
- uses an effective organizational structure and transitions
- analyzes ideas and elements of the text and provides supporting textual evidence
- clearly explains how the poets use figurative language
- provides a conclusion that summarizes main points

**Texts to be used in Collections:**

1. *Mississippi Solo*: Memoir *L830*
2. *The Tempest*: Soliloquy
3. *Allied with Green*: Short Story *L900*
4. *Big Rocks’ Balancing Act*: Expository Essay *L1060*
5. *Ode to Enchanted Light*: poem  
*Sleeping in the Forest*
6. *Close Readers*:
  - a. *Polar Dream*:Memoir *L1070*
  - b. *The Hidden Southwest*: The Arch

**Key Learning Objective**

1. Identify features of a memoir and analyze the author's style.
2. Identify elements of Shakespearean language interpret meaning and analyze a soliloquy.
3. Determine the theme of a short story and to analyze word choice and style.
4. Analyze elements of an expository essay and its structure
5. Analyze poetic form and learn how poets use figurative language to express feelings and ideas

## Collection      3      Unit Planning

<p style="text-align: center;">Hunters: Informational Text <i>L1060</i> c. Poems about Nature: Poems</p> <p><b>Independent Reading</b></p> <ul style="list-style-type: none"> <li>● <b>Sea Fever</b> <ul style="list-style-type: none"> <li>○ John Masefield</li> </ul> </li> <li>● <b>Is the Moon Tired?</b> <ul style="list-style-type: none"> <li>○ Christina Rossetti</li> </ul> </li> <li>● <b>On the Grasshopper and Cricket</b> <ul style="list-style-type: none"> <li>○ John Keats</li> </ul> </li> <li>● <b>The Lake</b> <ul style="list-style-type: none"> <li>○ Edgar Allan Poe</li> </ul> </li> <li>● <b>I Wandered Lonely as a Cloud</b> <ul style="list-style-type: none"> <li>○ William Wordsworth</li> </ul> </li> <li>● <b>The First Snowfall</b> <ul style="list-style-type: none"> <li>○ James Russell Lowell</li> </ul> </li> </ul>

## Collection \_\_\_\_\_3\_\_\_ Unit Planning

through the unit.

- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

Collection Essential Question: What is the beauty, power and mystery of nature?

Collection 4 Unit Planning

Grade 7 Unit Plan

Risk and Exploration

Collection 4

**Performance Task Unpacked:**

**Present an Argument W 1a–e, W 4, W 5, W 7, W 8, SL 4, SL 5, SL 6**

Persuasive speeches such as John F. Kennedy’s “Remarks at the Dedication of the Aerospace Medical Health Center” can have powerful effects.

1. In the following activity, you will draw from Kennedy’s speech and other texts to prepare and present an argument.
2. You will try to persuade others whether major exploration is worth the risk.

**Skills necessary for Performance Task**

- contains an engaging introduction that establishes the claim
- supports key points with reasoning and relevant evidence pulled from a variety of solid, credible sources
- uses language that effectively conveys ideas and adds interest
- concludes by forcefully summing up the claim

**Texts to be used in Collections:**

1. Remarks at the Dedication of the Aerospace Medical Health Center: Speech *L1380*
2. Why Exploring the Ocean is Mankind’s Next Giant Leap: Commentary *L1360*
3. Living in the Dark: Science Article *L1200*
4. Your World: Poem
5. Close Readers:
  - a. Is Space Exploration Worth the Cost: Online Essay *L1130*
  - b. Stinging Tentacles Offer Hint to Oceans’ Decline: Science Article *L1370*

**Independent Reading**

- From *Gulliver’s Travels* *L 1330*
  - Jonathan Swift

**Key Learning Objective**

1. Trace and evaluate an argument.
2. Identify tone and evaluate the reasoning used to support a claim.
3. Analyze the structure of the informational text and paraphrase central ideas and details.
4. Identify and analyze how imagery and extended metaphor can express a particular message or idea

**Language and Style**

- Capitalization
- Adjective Clauses
- Verbal Phrases

**Vocabulary Strategy**

- Using context clues
- Prefixes
- greek roots

**Instructional Support**

**Differentiated Instruction**

## Collection 4 Unit Planning

- -Take notes on historical events as they present themselves throughout the unit in order to reflect back.
- -Paraphrase/reword large paragraphs from the texts in order to support comprehension.
- -Create graphic organizer/outline to organize timelines, cause/effect relationships, compare/contrast characters.
- -Model annotation strategies: Have students use reading tools in the online textbook (ie; highlighter) to highlight important parts of the text (text evidence). Have students highlight in different colors using their annotating tools. Categorize highlights by concept/skill set in the student notes section.
- -Model/Practice effective discussions using Close Read Screencasts in class. Students use notes during discussions.
- - Preview vocabulary/Remind students they will encounter the vocabulary through the unit.
- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

### **Reteach**

- Analyze language
- trace an argument
- Track causes and effects
- Determine meanings

### **Extend**

- Analyzing and Evaluating Presentations
- Compare two arguments
- Make connections
- Form in poetry

Collection Essential Question: How far is too far?

# Collection   5   Unit Planning

**Unit Plan: 7th Grade**

**The Stuff of Consumer Culture**

**Collection 5**

**Performance Task Unpacked: Create a Multimedia Presentation**

This collection focuses on the proliferation of consumerism and how it has affected American culture and our environment.

1. In this activity, you will research a topic related to consumerism.
2. You will draw from *Life at Home in the Twenty-First Century*, other texts in the collection, and your research findings to write an informative essay about the topic you chose.
3. Then you will prepare and give a multimedia presentation on that topic.

**Skills necessary for Performance Task:**

1. uses technology to share information through text, graphics, video, music, and/or sound
2. organizes ideas logically in a way that is interesting and appropriate to purpose and audience
3. presents findings in a focused manner, with relevant facts, definitions, and examples
4. emphasizes salient points from a variety of sources and media
5. concludes with a section that summarizes the findings presented

**Texts to be used in Collections:**

1. *Life at Home in the Twenty - First Century: Informational Text L1640*
2. *Always Wanting More: Informational Text L1240*
3. *Dump: Poem*  
*How Things Work: Poem*
4. *Earth ( A Gift Shop)*
5. **Close Reader:**
  - a. *Teenagers and New Technology: Essay L1040*
  - b. *Labels and Illusions: Essay L 1030*
  - c. *He-y Come on Ou-t!: Short Story L860*

**Independent Reading**

- **The World is Too Much with Us**
  - William Wordsworth

**Key Learning Objective**

1. Identify Cause- and Effect patterns of organization in an informational text and draw conclusions from text and graphs
2. Identify features of an author’s style and make inference using textual details and their own knowledge
3. analyze a poem’s form and identify theme and irony
4. Identify elements of science fiction and analyze a story to determine its theme.

**Language and Style**

- eliminate redundancy
- noun clauses
- spelling

**Vocabulary Strategy**

- domain-specific words
- synonyms and antonyms
- verifying meaning

**Instructional Support**

**Differentiated Instruction**

## Collection   5   Unit Planning

- -Take notes on historical events as they present themselves throughout the unit in order to reflect back.
- -Paraphrase/reword large paragraphs from the texts in order to support comprehension.
- -Create graphic organizer/outline to organize timelines, cause/effect relationships, compare/contrast characters.
- -Model annotation strategies: Have students use reading tools in the online textbook (ie; highlighter) to highlight important parts of the text (text evidence). Have students highlight in different colors using their annotating tools. Categorize highlights by concept/skill set in the student notes section.
- -Model/Practice effective discussions using Close Read Screencasts in class. Students use notes during discussions.
- - Preview vocabulary/Remind students they will encounter the vocabulary through the unit.
- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

### **Reteach**

- conclusions and statistics
- determine meaning
- Analyze structure and form
- Informal Debate

### **Extend**

- Group Discussion: TV's impact of family
- Determine central ideas and details
- analyze setting

Collection Essential Question: With our Consumer Culture, How much is enough?

# Collection   6   Unit Planning

**Unit Plan: 7th Grade**

**Blinded by a Cause**

**Collection 6**

**Performance Task Upacked: Option A      Write an Informative Essay**

This collection focuses on important social causes. In the selections about the Triangle Factory Fire, you learned how a great tragedy led to public outcry to improve workplace conditions.

1. In this activity, you will do additional research about a topic or person related to this fire.
2. You will draw from the texts in the collection and your research findings to
3. write an informative essay.

**Skills necessary for Performance Task: Option A**

- clearly states the topic in a strong thesis statement
- organizes ideas and concepts logically
- supports central ideas with details from credible sources
- uses appropriate transitions to link ideas
- establishes and maintains a formal style
- provides a conclusion that follows from and supports the information presented

**Performance Task Upacked: Option B      Participate in a Panel Discussion**

In this collection, you read about problems in the world that inspire people to take action to solve those problems.

1. In this activity, you will draw from the selections you read to take part in a panel discussion about what commitment to a cause can mean.

**Skills necessary for Performance Task: Option B**

- makes a clear, logical generalization about the value of committing to a cause
- uses quotations and specific examples to illustrate ideas
- responds politely to the moderator and other group members
- evaluates other group members' contributions
- summarizes the discussion by synthesizing ideas

**Texts to be used in Collections:**

1. *Flesh & Blood So Cheap: The Triangle Factory Fire and Its Legacy - History writing L 900*  
*The Story of the Triangle Factory Fire: History writing L 1110*
2. *Uprising: Excerpt from Historical Novel L800*
3. *Craig Kielburger Reflects of Working Toward Peace: Personal Essay L 1080*
4. *It Takes a Child : Documentary*

**Key Learning Objective**

1. Determine central ideas and details, analyze chronological order, and analyze authors' writings on the same topic
2. Analyze points of view in a text and compare and contrast different genres
3. Identify and analyze elements of a personal essay determine an author's point of view.
4. Analyze the purpose of a documentary and

<p><b>Instructional Support</b></p> <ul style="list-style-type: none"> <li>● -Take notes on historical events as they present themselves throughout the unit in order to reflect back.</li> <li>● -Paraphrase/reword large paragraphs from the texts in order to support comprehension.</li> <li>● -Create graphic organizer/outline to organize timelines, cause/effect relationships, compare/contrast characters.</li> <li>● -Model annotation strategies: Have students use reading tools in the online textbook (ie; highlighter) to highlight important parts of the text (text evidence). Have students highlight in different colors using their annotating tools. Categorize highlights by concept/skill set in the student notes section.</li> <li>● -Model/Practice effective discussions using Close Read Screencasts in class. Students use notes during discussions.</li> <li>● - Preview vocabulary/Remind students</li> </ul>	<p><b>Differentiated Instruction</b></p> <p><b>Reteach</b></p> <ul style="list-style-type: none"> <li>● Restate main ideas</li> <li>● track causes and effects, obstacles in plot</li> <li>● track elements of personal essay</li> <li>● language support</li> <li>● determine meaning style</li> <li>● characterization</li> </ul> <p><b>Extend</b></p> <ul style="list-style-type: none"> <li>● Primary and secondary sources</li> <li>● discuss the role of women</li> <li>● elements of an argument</li> <li>● camera shots and shot selection</li> <li>● determining the meaning of words and phrases</li> <li>● character's point of view</li> </ul>

## Collection 6 Unit Planning

they will encounter the vocabulary through the unit.

- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

**Collection Essential Question:** What inspires people to take action to improve their world?

## GATEWAY LESSON PLAN

A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

### Weekly Lesson Plan

Week of: September 23<sup>rd</sup> -September 27, 2019

Teacher:

<b>1. Identify the standard(s)</b>	
Content Area: ELA	Grade: 7
<p>a) List standards to be addressed</p>	<p><b>Unit: HMH Collections- Interactive Lesson –Participation in Collaborative Discussions</b></p> <p><b>Essential Question and Key Learning Objective</b></p> <p>What elements, skills, and knowledge are necessary for participating effectively in collaborative discussions, contributing ideas and building on the ideas of others?</p> <ul style="list-style-type: none"> <li>• <b>SL 1: Engage effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with diverse partners on grad 7 topics, texts, and issues, building on others’ ideas and expressing their own clearly.</b> <ul style="list-style-type: none"> <li><b>A. Come to discussions prepared, having read or researched material under study; explicitly draw on that preparation by referring to evidence on the topic, text, or issue to probe and reflect on ideas under discussion.</b></li> <li><b>B. Follow rules for collegial discussions, track progress toward specific goals and deadlines, and define individual roles as needed.</b></li> <li><b>C. Pose questions that elicit elaboration and respond to others’ questions and comments with relevant observations and ideas that bring the discussion back on topic as needed.</b></li> <li><b>D. Acknowledge new information expressed by others and, when warranted, modify their own views.</b></li> </ul> </li> <li>• <b>SL 6: Adapt speech to a variety of contexts and tasks, demonstrative command of formal English when indicated or appropriate.</b></li> </ul>

procedure, speaking and listening, preparing for an action plan to present.

**3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit**

List the instructional activities planned for all students:

- \*Arts infusion
- \*Sensory based techniques

List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning

List supports that can be implemented to reduce barriers  
Note UDL's utilized in this lesson

**Monday, 9/23: Introduction: Collaborative Discussions (Start with Collaborative (adjective) describes an activity in which people cooperate as they work together. Examples of activities which are not collaborative discussions.**

**Learning Objective**

- Identify the characteristics of a strong discussion.

**Standards: SL 1, SL 6**

**Pre-Assessment: What makes a strong discussion? Examples of collaborative discussions.**

**\*Notetaking Organizer for: definitions of one-on-one, group, and teacher-led collaborative discussions. Tips for participation in collaborative discussions.**

**\*\*Lesson: Interactive/Video**  
Introduction to collaborative discussions: different types, what collaboration sounds like, comparing collaboration and shouting matches.

**Lesson Extension/Class Discussion**

- Listen/View collaboration discussion. 1. **Paired discussion:** Answers to questions from the video. Class discussion: Share out.

- Inequitable instruction time
- Unfamiliarity of collaborative discussion
- Unfamiliarity of vocabulary
- Inattention/Unfocused
- Inappropriate behavior
- Difficulty with task initiation
- Inability to write independently
- Inability to collaborate with partner discussion.
- Difficulty navigating text and finding key words and answers
- Difficulty accessing Tutorials on Collections website
- Difficulty Logging into Collections website for interactive learning.

- Read text aloud to all students
- Break lessons into chunks
- Break out into small groups for think-pair-share with direct teacher/staff supervision
- Intermittent reminders/prompts to refocus
- Note-taking graphic organizers
- PowerPoint Presentations with video examples (embedded)
- Level up tutoring (Collections text online tool)

**Pre-Assessment: What's the difference between synthesizing and reflecting?**  
For students who do not know, define both.

**\*Journals for definitions and observation.**

**\*\*Lesson:** Interactive audio clip/class observation of challenges in collaboration. PowerPoint: Steps for preparing for a discussion.

**Lesson extension/Class Discussion**

- Discussion of how Karen's contribution affects the discussion.  
Discussion of how Ben's failure to do research cause a problem.

**Group Work/Assessment:** Small groups will pick a topic for discussion and decide which initial steps they will take to prepare for a discussion.

**For 90 minute class: Tuesday, 9/24: Establishing and Following Procedure**

**Learning Objective**

- Identify procedures for conducting successful discussions.

**Standards: SL 1b**

**\*ELA Journals for definitions of roles in collaborative groups:** moderator, facilitator, participant, recorder, secretary, minutes, time keeper.

**\*\*Lesson:** PowerPoint on Establishing and Following procedure in collaboration.

**Lesson extension/Class Discussion**

- Group share: Specific examples of

be mentioned in this discussion). Have students describe which of the procedures covered in this lesson were followed by their group.

- Teacher will point out that the size and make-up of a group may influence the choice of procedures.
- Ask students when it might make sense to hold a formal vote even if the group seems to agree on a point.

**Group Work/Assessment:** Small groups established will decide on the rules and procedures they will follow in their discussion

**Wednesday, 9/25, 90 minute**

**period: Speaking**

**Constructively/Listening and Responding**

**This will extend to 9/26, depending on pacing and prior knowledge**

**Learning Objectives**

- Establish and maintain a formal style of discussion
- Use evidence to persuade
- Clarify ideas and conclusions
- Maintain focus on the topic of discussion
- Pose and respond to questions in discussions
- Acknowledge new evidence and reasoning expressed by others

**Standards: SL 1c, SL 6**

**Pre-assessment: Understanding the distinction between paraphrasing and empathizing.**

**Lesson: PowerPoints on Speaking constructively and Listening and**

recorder, secretary, minutes, time keeper.

**\*\*Lesson:** PowerPoint on Establishing and Following procedure in collaboration.

**Lesson extension/Class**

**Discussion**

- Group share: Specific examples of participating in group discussions (no names of group members can be mentioned in this discussion). Have students describe which of the procedures covered in this lesson were followed by their group.
- Teacher will point out that the size and make-up of a group may influence the choice of procedures.
- Ask students when it might make sense to hold a formal vote even if the group seems to agree on a point.

**Group Work/Assessment:** Small groups established will decide on the rules and procedures they will follow in their discussion. Posters will be used.

**Thursday, 9/26: Speaking Constructively/Listening and Responding**

**This may very well extend to 9/27, depending on pacing and prior knowledge**

**Learning Objectives**

- Establish and maintain a formal style of discussion
- Use evidence to persuade
- Clarify ideas and conclusions
- Maintain focus on the topic of discussion

**Friday, 9/27: Wrapping up Your**

**Discussion:**

**Depending on pacing and prior knowledge, this lesson/activity will extend into 10/1**

**Learning Objectives:**

- Paraphrase ideas and information to acknowledge the contributions of others
- Create an action plan resulting from a discussion

**Lesson and Discussion:** How to take notes during the discussion, paraphrasing statements from other participants to acknowledge the ideas and information that they contribute. Demonstrate the difference between a paraphrase and a summary. Main Point: paraphrasing statements in their notes lays the groundwork for a summary of the discussion.

**Group Work/Assessment:** Groups will paraphrase the key points of their discussions and prepare for the action plan stage of their group project, which will be to plan a festival to celebrate their school community (incorporating the details –activities, locations- and roles of each group member in executing the action plan.

**4. How will you utilize your paraprofessional during the academic classes?**

My para will facilitate small group instruction for RTI and ELA. The para will also work with those who need direct staff instruction in group discussions, developing procedures, and selecting a topic. She will also monitor and document behavior, utilizing the behavioral tracking sheet. She will assist in the procedures of the classroom operations. (Bathroom, breaks, specials, recess, organizing completed work for filing). Secondary support will pull students assigned to him for structured breaks and one-on-one support.

**5. How will you utilize technology during the academic classes?**

Each lesson will have PowerPoint presentations, video/audio, and assessments available. In addition, the students will be able to access the presentations at home with their individual usernames and passwords. Students may use PowerPoint in creating the final action plan in the upcoming weeks.

ELA Scope and Sequence: Grade 8  
Based on the Collections Series

Unit Number & Title	Time Frame (in months or weeks)	Standards Addressed	Anchor Text	Summative Performance Task (**indicates a Common Assessment)
<p><b>Unit 1: Collection 1</b> <b>Culture and Belonging</b></p>	<p>September-October</p>	<p>RL 1, RL 2, RL 3, RL 4, W 2, W 4, W 9a, W 10, L1c, L4a, L4d</p>	<p><b>My Favorite Chaperone</b> <b>Short Story by Jean Davies Okimoto</b> <b>(Lexile 790L)</b></p>	<p style="text-align: center;"><b>Summative Performance Task</b> <b>(**indicates a Common Assessment)</b></p> <p style="text-align: center;"><b>Novel Study</b></p> <p>Students will respond in their "Reading Response Journal" based on various prompts throughout the novel.</p> <p><b>*Diagnostic Test</b></p> <p><b>Writing Activity: Summary (RL 2, W 2, W 4, W 9, W 10):</b></p> <p>Write a summary of "My Favorite Chaperone." To summarize briefly retell the plot of the story in your own words.</p> <ul style="list-style-type: none"> <li>● Introduce the major characters and state the conflict.</li> <li>● Summarize the major events in the rising action of the story.</li> <li>● Identify and describe the climax of the story.</li> <li>● Describe how the conflict is resolved.</li> </ul>

			<p><b>Close Reader: Short Story by Alma Luz Villanueva "Golden Glass" (Lexile 1010)</b></p>	<ul style="list-style-type: none"> <li>• cite textual evidence</li> <li>• draw inferences about characters' traits and motivations based on clues in the text</li> <li>• analyze how dialogue or story incidents reveal aspects of a character</li> </ul>
		<p>RI 1, RI 2, RI 3, RI 4, RI 5, RI6, SL 1a, W 7, L 1a, L 4c</p>	<p><b>Personal Essay by Jean-Pierre Benoit "Bonne Ammee" (Lexile 700L)</b></p>	<p><b>Speaking Activity: Narrative (W 3, W 7, SL 4)</b></p> <p>Present a story about a real-world event in the news that affected your life.</p> <ul style="list-style-type: none"> <li>• Research the event.</li> <li>• Explain the event and identify key people or places involved in it.</li> <li>• Describe how you are connected to the people or places involved in the event.</li> <li>• Explain how the event changed some part of your life.</li> </ul> <p>Have students work independently to draft their narratives. When students have completed their drafts, have them exchange narratives with a partner and give each other constructive feedback. Students may present their narratives in small groups and discuss the elements that made the narrative especially interesting and realistic.</p>

	<p>RI 1, RI 2, RI 4, RI 6, W 7, W 8, L4b, L6</p>	<p><b>A Place to Call Home: What Immigrants Say Now</b> <b>About Life in America</b> <b>Research Study by Scott Bittle (Lexile 1220L)</b></p>	<p><b>Research Activity:Explanation (W7, W8):</b></p> <p>Do research to discover where recent immigrants to the United States came from.</p> <ul style="list-style-type: none"> <li>● Choose one or more years to research.</li> <li>● Identify the number of immigrants who settled in the United States as well as birth countries.</li> <li>● Compare the number of immigrants who came from various countries.</li> <li>● Create a bar graph or circle graph to show your findings.</li> <li>● Explain why you chose to use the graphic aid you did.</li> </ul>
	<p>RL 4, RI 1, RI 2, RI 3, RI 4, RI 5, RI 8, W2, W7, W8, L1b, L3a, L4b, L4d, L6</p>	<p><b>Close Reader Essay by Naisha Jackson</b> <b>“What to Bring” (Lexile 1010)</b></p>	<ul style="list-style-type: none"> <li>● cite strong and thorough textual evidence</li> <li>● draw inferences from the text</li> <li>● analyze how a text makes connections among and distinctions between individuals, ideas, or events</li> </ul>
	<p>RL 4, RI 1, RI 2, RI 3, RI 4, RI 5, RI 8, W2, W7, W8, L1b, L3a, L4b, L4d, L6</p>	<p><b>from The Latecomer</b> <b>Memoir by Kao Kalia</b></p>	<p><b>Writing Activity:Informative Report (W2, W7, W8):</b></p> <p>Research the Laotian Hmong’s involvement in the Vietnam War, and explain how the</p>

				<p>immigration story, or it could be a story about another important event in your life. Write down a few notes or an outline of your story. Use it as a guide in your interview.</p> <ul style="list-style-type: none"> <li>• Choose a "buddy" in the group to interview. Prepare a list of questions from to ask your buddy. Use the types of interview questions from New Immigrants Share Their Stories to guide you in writing your questions. Remember to keep them general and open-minded.</li> <li>• Record the interviews, modeling techniques you saw in the film.</li> </ul>
		<p>RL 1, RL 4, RL 9 W 7, W 9,</p>	<p><b>Poem by Sherman Alexie</b> <b>"Powwow at the End of the World"</b> <b>(Lexile N/A)</b></p>	<p><b>Speaking Activity: Discussion</b></p> <p>The speaker in the poem makes allusions to stories about salmon. Do research to locate a retelling of a salmon myth originating among the Native Americans of the Northwest Coast.</p> <ul style="list-style-type: none"> <li>• Find a retelling of a myth such as "Salmon Boy," "The Legend of the Lost Salmon," or "How Salmon Came to the Squamish."</li> <li>• After reading the myth, compare and contrast its ideas about the significance of salmon with those mentioned in the poem. How does the poem reflect traditional ideas in a new way?</li> </ul>

				<ul style="list-style-type: none"> <li>• Discuss your conclusions with your classmates.</li> </ul>
				<p style="text-align: center;"><b>Unit Assessment(s):</b></p> <p><b>Option A: Write an Informative Essay (W2a-f, W4, W5, W8):</b></p> <p>This collection focuses on immigration and its impact. You read texts about adjusting to a new culture. In this activity, you will research and write a short informative essay on the best ways for people from other countries to adjust to living in the United States.</p> <p><b>Option B: Write a Personal Narrative (W3a-e, W4, W5, W10):</b></p> <p>Like the characters in "My Favorite Chaparone," and "The Latehomcomer, many people struggle to adjust to new situations or to fit in with different groups. Think about a time when you faced that type of challenge and write a personal narrative about your own experience.</p> <p><b>**Collection Test 1</b></p>

		RL 10	The Monsters of Morely Manor (Lexile 770)	<p style="text-align: center;"><b>Novel Study</b></p> <p>Students will respond in their "Reading Response Journal" based on various prompts throughout the novel.</p> <p><b>Writing Activity: Narrative (W 3, W 9a):</b></p> <p>Criminals sometimes undergo a psychiatric evaluation during which their mental health is reviewed by a psychologist. Based on the details from the story, write a narrative about the evaluation of the narrator by a mental health expert. Consider the following questions:</p> <ul style="list-style-type: none"> <li>• What crime did the narrator commit?</li> <li>• What was his motive? Was he insane, enraged, seeking revenge, or something else?</li> <li>• Would the narrator take responsibility for his crimes?</li> <li>• Why or Why not?</li> <li>• What might a mental health expert say about the narrator's state of mind?</li> </ul>
Unit 2 Collection 2 The Thrill of Horror	November-December	RL 1, RL 3, RL 4, RL 6, SL 1a, SL 4, SL 6, W 3, W 4, W 9a, W 10, L2a, L4c	The Tell-Tale Heart A short story by Edgar Allan Poe (Lexile 850L)	<p><b>Close Reader:</b></p> <p>"The Outsider" Short Story by J.P. Lovecraft</p> <ul style="list-style-type: none"> <li>• cite strong textual evidence</li> <li>• determine the meaning of words and phrases as they are used in the text</li> </ul>

				<ul style="list-style-type: none"> <li>analyze how differences in points of view of the characters and the reader create suspense</li> <li>read and comprehend stories</li> </ul>
		RI 1, RI 2, RI 3, RI 4, RI 6, SL 1, SL 1a, SL 1c, SL 3, SL 4, L 1	<b>Scary Tales</b> Essay by Jackie Torrence (Lexile 730L)	<p>Is it a good idea for middle school students to hear scary stories? Have a debate about this topic.</p> <ul style="list-style-type: none"> <li>Working with a partner, decide which viewpoint you will argue. Is it a good idea for young people to hear scary stories, or is it a bad idea?</li> <li>List reasons that support your viewpoint. Include evidence from "Scary Tales."</li> <li>Prepare for counterarguments.</li> <li>Practice your arguments orally. Then debate another pair of students who have chosen the opposite position.</li> </ul>
		RL 1, RL 2, RL 4, RL 6, RL 9, W 2b, W 7, W 8, W 9a, L 1c, L 3a, L 4b, L 4c, L 4d	<b>The Monkey's Paw Short Story</b> by W.W. Jacobs (Lexile 920L)	<p><b>Speaking Activity: Debate (SL 1a, SL 1c, SL 3, SL 4):</b></p> <p>Is it a good idea for middle school students to hear scary stories? Have a debate about this topic.</p> <ul style="list-style-type: none"> <li>Working with a partner, decide which viewpoint you will argue. Is it a good idea for young people to hear scary stories, or is it a bad idea?</li> <li>List reasons that support your viewpoint. Include evidence from "Scary Tales."</li> <li>Prepare for counterarguments.</li> <li>Practice your arguments orally. Then debate another pair of students who have chosen the opposite position.</li> </ul> <p><b>Writing Activity: Report (W 2b, W 7, W 8, W 9a):</b></p> <p>Review lines 39-56. What ideas and attitudes about India are expressed here? Do research to learn about the historical relationship between Britain and India. Write a short report in which you:</p>

				<ul style="list-style-type: none"> <li>● explain how Britain came to rule India, including the role of the British East India Company.</li> <li>● describe the attitudes the two peoples had toward one another during the British rule.</li> </ul> <p>Then share your findings with the class. Be prepared to discuss the ways the attitudes in the story reflect the historical context.</p>
			<p><b>Poem by Edward Field</b> "Frankenstein"</p>	<ul style="list-style-type: none"> <li>● cite textual evidence</li> <li>● determine the theme in a work of literature and</li> <li>● analyze its development over the course of a text</li> </ul>
		<p>RL 2, RI 7, RI 7, SL 2, SL 4, SL 5</p>	<p><b>Film by Ricky Lewis Jr.</b> "The Monkey's Paw"</p>	<p><b>Media Activity: Storyboard</b> Work with a partner to create a storyboard for your own film retelling of a scene from "The Monkey's Paw." A storyboard is a device filmmakers use to plan the shooting of a movie. It serves as a map that includes images and descriptions.</p>

				<ul style="list-style-type: none"> <li>• Decide whether you will stay faithful to the short story or depart from the text.</li> <li>• Draw a series of at least 12 separate frames. Sketch the characters and scene for each frame.</li> <li>• Underneath each frame, write descriptions of shots—such as close-up, medium, or distance shots—and write a line of dialogue or describe what characters will say.</li> <li>• Consider what kind of music you will add and write where you'll include it.</li> </ul>
		RI 1, RI 2, RI 3, RI 4, <b>SL 1a, SL 4,</b> L 2a, L 4b	<p><b>What Is the Horror Genre?</b>  <b>Literary Criticism by Sharon A. Russell (Lexile 1030L)</b></p>	<p><b>Speaking Activity: Discussion (SL 1a, SL 4):</b></p> <p>Use the characteristics of the horror genre descri in the essay to categorize the horror stories you have read and the horror films you have seen.</p> <ul style="list-style-type: none"> <li>• Work with a small group to create a list of stories and films.</li> <li>• Review the characters, setting, events, structure, and organization of the stories and films.</li> <li>• Decide how to categorize the stories and films. What creates the suspense in each one? Do they have similar themes or</li> </ul>

				<p>settings? Are the sources of horror alike in some way?</p> <ul style="list-style-type: none"> <li>● Be prepared to explain your categories as you share your final list with the class or a small group.</li> </ul>
			<p><b>Close Reader</b>  <b>Essay by</b>  <b>Daniel Cohen</b>  <b>“Man-Made</b>  <b>Monsters”</b>  <b>(Lexile 1210)</b></p>	<ul style="list-style-type: none"> <li>● cite strong textual evidence</li> <li>● determine a central idea and analyze its development</li> <li>● provide an objective summary</li> <li>● analyze how a text makes connections among ideas</li> </ul>
				<p><b>Assessment(s):</b></p> <p><b>Option A: Present an Argument (W1a-e, W 4, W 5, W 8, SL 4, SL 5, SL 6):</b></p> <p>The horror genre is intended to inspire terror. In this activity, you will give a speech arguing whether a classic of the horror genre, “The Tell-Tale Heart,” is appropriate for your age group to read.</p> <p><b>Option B: Write a Literary Analysis (W2a-f, W 5, W 9, W 9a, W 10):</b></p>

				<p>In this activity, you will write a literary analysis of one or both of the fictional horror stories in this collection. Use the criteria for horror explained in “What is the Horror Genre?” by Sharon A. Russell to support your analysis. Think about the structure of horror fiction and the tools its authors use, such as suspense and plot. As you analyze the story or stories, pay attention to setting, events, and details that make the work both believable and entertaining.</p> <p><b>**Collection 2 Test</b></p>
		<b>RL 10</b>	<b>Behind Enemy Lines (Lexile 830)</b>	<p style="text-align: center;"><b>Novel Study</b></p> <p>Students will respond in their “Reading Response Journal” based on various prompts throughout the novel.</p>
<b>Unit 3 Collection 3 The Move Toward Freedom</b>	<b>January-February</b>	RI 1, RI 3, RI 4, RI 5, RI 6, <b>W 2b</b> , <b>W 9b</b> , SL 1a, SL 1b, SL 1c, SL 1d, SL 4, L 4a, L 4d	<b>from Narrative of the Life of Frederick Douglass, an American Slave</b>	<p><b>Writing Activity: Literary Analysis (W 2b, W 9b):</b></p> <p>How does the tone of Douglass’s autobiography help him to achieve his purpose? Write a short literary analysis.</p> <ul style="list-style-type: none"> <li>• With a partner, discuss the author’s purpose for writing. Identify the tone of</li> </ul>

			<p><b>Autobiography by Frederick Douglass (Lexile 1010L)</b></p>	<p>the piece, or the writer's attitude toward his subject.</p> <ul style="list-style-type: none"> <li>• Next, find examples where Douglass's choice of words helps establish the tone.</li> <li>• When you write, begin by stating your view. Then, support that view with evidence from the text.</li> </ul>
			<p><b>Close Reader: Historical Writing by Russell Freedman "My Friend Douglass" (Lexile 1180)</b></p>	<ul style="list-style-type: none"> <li>• cite strong textual evidence</li> <li>• determine a central idea of a text</li> <li>• analyze how a text makes connections between individuals</li> <li>• determine the meaning of words</li> <li>• analyze the structure of paragraphs in a text</li> <li>• determine an author's point of view</li> </ul>
		<p>RI 1, RI 3, RI 4, RI 5, W7, W 9b, SL 1a, SL 4, L 1c, L 3a, L5b, L 6</p>	<p>from Harriet Tubman: Conductor on the Underground Railroad Biography by Ann Petry (Lexile 1010L)</p>	<p><b>Speaking Activity: Speech(W7, W 9b, SL 1a, SL 4):</b></p> <p>Imagine that Harriet Tubman will be honored at a "Hall of Fame" for those who fought slavery. Prepare and give a speech explaining why she is a heroic figure. Consult sources in addition to the selection. Consider the following:</p> <ul style="list-style-type: none"> <li>• What kind of person was Harriet Tubman?</li> </ul>

				<ul style="list-style-type: none"> <li>● What was Tubman's motivation for bringing enslaved people to freedom?</li> <li>● What examples demonstrate Tubman's heroism?</li> <li>● How do historians judge Tubman's impact on the quest for freedom prior to the Civil War?</li> </ul>
		<p>RL 1, RL 2, RL 3, RL 4, SL 1, SL 2, SL 4, L1c, L4a, L 5a, L6, W7, W8</p>	<p><b>The Drummer Boy of Shiloh</b>  <b>Historical Fiction by Ray Bradbury</b>  <b>(Lexile 930L)</b></p>	<p><b>Speaking Activity: Informative Report(W 7, W 8, SL 4):</b></p> <p>Research the Battle of Shiloh, including the legend of the drummer boy. Find out how many people died and how the significance of the battle is viewed today. Discuss whether your reaction to the following parts of the story has changed as a result of your research:</p> <ul style="list-style-type: none"> <li>● lines 98-101</li> <li>● lines 106-124</li> <li>● lines 151-157</li> <li>● lines 181-190</li> </ul>

			<p><b>Close Reader:</b>  <b>Short Story by Stephen Crane</b>  <b>“A Mystery of Heroism”</b>  <b>(Lexile 1010)</b></p>	<ul style="list-style-type: none"> <li>• cite strong textual evidence</li> <li>• determine a theme of a text and analyze its relationship to a character</li> <li>• analyze how incidents in a story reveal aspects of a character</li> <li>• determine the meaning of words and phrases as they are used in a text</li> </ul>
		<p>RI 1, RI 3,  RI 4, RI 5,  RI 6, W 2,  W 7, W 8,  W 9b, L 1a,  L 4a, L 4d,  L 5c</p>	<p><b>History</b>  <b>Writing by</b>  <b>Jame L</b>  <b>Swanson</b>  <b>from <i>Bloody Times: The</i></b>  <b><i>Funeral of</i></b>  <b><i>Abraham</i></b>  <b><i>Lincoln and</i></b>  <b><i>the Manhunt</i></b>  <b><i>for Jefferson</i></b>  <b><i>Davis</i></b>  <b><i>(Lexile 980)</i></b></p>	<p><b>Writing Activity: Informative Essay</b>  Create a poster that compares and contrasts Abraham Lincoln and Jefferson Davis.</p> <ul style="list-style-type: none"> <li>• First, draw a Venn diagram on your poster. Label each side of the diagram with one man’s name and include an image to represent him.</li> <li>• Next, revisit the text of <i>Bloody Times</i> to identify character traits of these two leaders. Write the traits in the appropriate sections of your Venn diagram.</li> <li>• Finally, use the traits you identified to write a brief character sketch of each man below the corresponding parts of the diagram.</li> </ul>
			<p><b>Close Reader</b>  <b>Journal</b>  <b>Entries by</b></p>	<ul style="list-style-type: none"> <li>• cite strong textual evidence</li> <li>• analyze how a text makes distinctions between ideas and events</li> </ul>

		<p>Louisa May Alcott "Civil War Journal" (Lexile 1480)</p>	<ul style="list-style-type: none"> <li>● determine the meaning of words and phrases as they are used in a text</li> <li>● analyze the structure of a specific paragraph in a text</li> </ul> <p><b>Speaking Activity: Respond by Speaking (SL 1, SL 6):</b></p> <p>Work with a small group to present a choral reading of "O Captain! My Captain!"</p> <ul style="list-style-type: none"> <li>● Begin by reading the poem carefully. As a group, decide how each line should be read based on its message. Are the words expressing sorrow? praise? comfort?</li> <li>● Next, decide who will read each line or part of a line. Should some words be read by one speaker? by two speakers? by your entire group?</li> <li>● The choices you make about how the lines will be spoken should reflect your analysis of the poem. Be prepared to explain your choices.</li> </ul>
	<p>RL 1, RL 4, RL 5, SL 1, SL 6</p>	<p><b>O Captain! My Captain Poem by Walt Whitman (Lexile N/A)</b></p>	

				<p style="text-align: center;"><b>Assessment(s):</b></p> <p><b>Option A: Participate in a Collaborative Discussion (W 1, W 7, W 9, SL 1a-d, SL 4):</b></p> <p>This collection focuses on slavery and the Civil War. Look back at the excerpt from Narrative of the Life of Frederick Douglass, and at the other texts you read. Prepare a response to the literature by making a generalization about the ways in which people respond to the Civil War or to the struggle for freedom. Then make your case in a collaborative discussion, citing evidence from other texts to support the points in your response.</p> <p><b>Option B: Write a Literary Analysis (W2a-f, W 5, W 7, W9a-b, SL 1a, L 1, L 2):</b></p> <p>Ray Bradbury's "The Drummer Boy of Shiloh" invites readers to experience the night before the Civil War battle through the eyes of a young boy. In this activity, you will conduct research to learn how the historical details of the Battle of Shiloh are relevant to the story. Following a small-group discussion about your fresh insight into the story, you will write a literary analysis</p>
--	--	--	--	---

				in which you offer an interpretation of the story's symbolism. <b>**Collection Test 3</b>
<b>Novel Study</b>				
		RL 10	Whale Rider (Lexile 810)	Students will respond in their "Reading Response Journal" based on various prompts throughout the novel.
Unit 4 Collection 4 Approaching Adulthood	February- March	RL 1, RL 2, RL 3, RL 4 W 2, W 4, W 9a, W 10, L1a, L4b, L4d, L6	Marrigolds Short Story by Eugenia Collier (Lexile 1140L)	<b>Writing Activity: Literary Analysis (W 2, W 4, W 9a, W 10):</b> Write a short essay in which you analyze how Elizabeth changes over the course of "Marrigolds." Be sure to support your ideas with sufficient evidence from the text. Consider the following questions before you write: <ul style="list-style-type: none"> <li>• How aware is Elizabeth of her own surroundings and the wider world?</li> <li>• What does Elizabeth's reflection at the end of the story suggest about her feelings toward the move into adulthood?</li> </ul>

			<p><b>Close Reader Short Story by Anne Esteyvis "The Whistle" (Lexile 800)</b></p>	<ul style="list-style-type: none"> <li>● cite textual evidence to support inferences drawn from the text</li> <li>● determine a theme or central idea and summarize events</li> <li>● analyze how dialogue or incidents in a story propel the action and reveal character</li> </ul>
		<p>RL 1, RL 2, RL 4, RL 5 W4, W9a, W10, SL 1a, SL 6, L2c</p>	<p><b>Hanging Fire Poem by Audre Lorde (Lexile N/A)</b></p> <p><b>Teenagers Poem by Pat Mora (Lexile N/A)</b></p>	<p><b>Speaking Activity: Response to Literature (W 9a, SL 1a, SL 4, SL 6):</b></p> <p>Compare and contrast the two poems.</p> <ul style="list-style-type: none"> <li>● In a small group, work together to create Venn diagrams that show the similarities and differences between the poems' speakers, themes, and point of view.</li> <li>● Then each group member should deliver a short speech in which she or he reflects on the advice the speaker in each poem might give to the other. Include text evidence from the poems to support your thoughts.</li> </ul>

Collection 1- Bold Actions Unit Planning

Grade 8 Collection 1 Culture and Belonging

**Performance Task Unpacked:**

**Option A: Write an Informative Essay**

(W2a-f, W4, W5, W8):

This collection focuses on immigration and its impact. You read texts about adjusting to a new culture. In this activity, research and write a short informative essay on the best ways for people from other countries to adjust to living in the United States.

1. provide an introduction that catches the reader's attention and clearly state the topic.
2. develop the topic using facts, definitions, examples, and quotations
3. logically organize main ideas and supporting details
4. use appropriate transitions to connect ideas
5. provide a conclusion that summarizes and supports the topic

**Option B: Write a Personal Narrative(W3a-e, W4, W5, W10):**

Like the characters in "My Favorite Chaperone," and "The Latehomecomer, many people struggle to adjust to new situations or to fit in with different groups. think about a time when you faced that type of challenge and write a personal narrative about your own experience.

1. establish a situation and introduce a narrator and characters
2. organize a well-structured event sequence that unfolds naturally and logically
3. use narrative techniques such as dialogue, pacing, relevant descriptive details, and reflection to develop experiences
4. provide a conclusion that follows from and reflects on the narrated experiences and events

**Skills necessary for Performance Task:**

**Option A: Informative Essay**

- identify and understand issues that seem common to the characters and people in the collection's texts.
  - How are lives different for immigrants; cost of living or maintaining ties to the country of origin, cultural differences?
- identify in research answers to relevant questions such as
  - Where can people go to find tips for adjusting to life in the United States?
  - What are some of the biggest obstacles to adjusting to life in a new country?
  - What sources are available to immigrants when they first arrive
- identify relevant and credible resources
- understanding purpose and audience

**Option B: Write a Personal Narrative(W3a-e, W4, W5, W10):**

- Establish the situation
  - Have you faced a situation in which you need to fit in or adjust to something new? How did you deal with it?

## Collection 1- Bold Actions Unit Planning

- How were the strategies you used similar to or different from the strategies that the characters in the selections used?
- What contribute to making the event significant for you?
- Identify point of view; first person or third
- Sequencing of events in an order that make sense to the reader
  - use of graphic organizer
- Use of sensory details
- Consideration of purpose and audience

### **Texts to be used in Collections:**

1. My Favorite Chaperone (L790)
2. Bonne Ammee (L700)
3. A Place to Call Home (L1220)
4. The Latecomer (L940)
5. New Immigrants Share Their Stories
6. Powwow at the End of the World
7. **Close Reader**
  - Golden Glass *L1010*
  - What to Bring *L1010*
  - Museum Indians *L850*

### **Independent Reading Selections:**

- Jaw of Life *L910*
  - Jack London

### **Key Learning Objective**

1. Recognize and analyze the elements of a story's plot and the author's methods of characterizations
2. Analyze elements of a personal essay, including its purpose, structure, central idea, and supporting details
3. Use text features and graphic aids to analyze and understand a nonfiction text
4. Analyze imagery and figurative language to better understand a memoir.
5. Recognize elements used in a documentary and understand and evaluate the purpose of each one
6. Use imagery and allusion to make inferences about the deeper meaning of a poem.

### **Language and Style**

- Imperative Mood
- Participles
- Active and Passive Voice

### **Vocabulary Strategy**

1. Context Clues
2. Using a Glossary
3. Using Greek Prefixes
4. Using Latin Prefixes

### **Instructional Support**

- -Take notes on historical events as they present themselves throughout the unit in order to reflect back.
- -Paraphrase/reword large paragraphs from

### **Differentiated Instruction**

#### **Reteach**

1. Use graphic organizer to keep track of story events
2. Use an idea support map to keep track of central ideas and supporting details

## Collection 1- Bold Actions Unit Planning

the texts in order to support comprehension.

- -Create graphic organizer/outline to organize timelines, cause/effect relationships, compare/contrast characters.
- -Model annotation strategies: Have students use reading tools in the online textbook (ie; highlighter) to highlight important parts of the text (text evidence). Have students highlight in different colors using their annotating tools. Categorize highlights by concept/skill set in the student notes section.
- -Model/Practice effective discussions using Close Read Screencasts in class. Students use notes during discussions.
- - Preview vocabulary/Remind students they will encounter the vocabulary through the unit.
- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

3. Use an idea support map to keep track of central ideas and supporting details. As they continue reading, repeat with subheading for Part 2.
4. Use the cause and effect graphic organizer to help students keep track of the new law's effect on Yang and her family.
5. Review the term *motive* with students and discuss different motives that filmmakers might have when they make a documentary. Use this graphic to evaluate this documentary.
6. Analyze Modern fiction - interactive whiteboard lesson

### Extend

1. Analyze character choices
2. Determine Author's Purpose
3. Collaborative discussion: Have students discuss the responses of the immigrants surveyed and compare them to their own attitudes about life in the United States.
4. Create examples of imagery, similes, and metaphors
5. Create your own documentary dealing with an issue at this school.
6. Determine meaning of words and phrases: allusion

### Collection Essential Question:

What does it mean to face challenges fearlessly , even if it means failing in the attempt?

# Collection     2     Unit Planning

## Grade 8      Collection 2      The Thrill of Horror

**Option A:**

**Performance Task Unpacked: Present an Argument (W 1a-e, W 4, W 5, W 8, SL 4, SL 5, SL 6)**

The horror genre is intended to inspire terror. In this activity,

1. you will give a speech
2. **arguing**
3. whether a classic of the horror genre, "The Tell-Tale Heart," is appropriate for your age group to read.

**Skills necessary for Performance Task: Option A**

1. contains an engaging introduction that establish the claim
2. support the claim with reason and relevant evidence from a variety of credible sources
3. emphasizes key points in focused coherent manner
4. uses language that effectively conveys ideas and adds interest
5. concludes by leaving the audience with a lasting impression

**Option B:**

**Performance Task Unpacked: Write a Literary Analysis**

In this activity, you will

1. write a literary analysis of one or both of the fictional horror stories in this collection.
2. Use the criteria for horror explained in "What Is the Horror Genre?" by Sharon A. Russell to support your analysis.
3. Think about the structure of horror fiction and the tools its authors use, such as suspense and plot.
4. As you analyze the story or stories, pay attention to setting, events, and details that make the work both believable and entertaining.

**Skills necessary for Performance Task: Option B**

- provides an introduction that captures the reader's attention and clearly states the topic
- cites textual evidence that strongly supports the writer's ideas
- clearly organizes ideas and concepts
- conveys key points through the analysis of relevant content
- provides a strong conclusion that summarizes the analysis

**Texts to be used in Collections:**

1. The Tell Tale Heart: short story (Lexile 850)
2. Scary Tales: essay (Lexile 920)
3. The Monkey's Paw: short story (Lexile 920)
4. The Monkey's Paw: film

**Key Learning Objective**

1. Determine the point of view from which a story is told, evaluate the credibility of a narrator and identify techniques used to create suspense in a fictional account
2. analyze an essay to determine the author's viewpoint, counterarguments, and elements of language that contribute to the author's style.
3. Determine and analyze a universal theme and analyze foreshadowing in a short story.
4. analyze the choices a filmmaker makes when he

Close Read Screencasts in class. Students use notes during discussions.

- - Preview vocabulary/Remind students they will encounter the vocabulary through the unit.
- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

Collection Essential Question: Why does the Horror Genre both terrify and fascinate?

# Collection   3   Unit Planning

## Grade 8      Collection 3      The Move Towards Freedom

**Performance Task Unpacked:** Write a literary analysis in which you consider the symbolism in a story in light of its historical context.

1. Use the text “ The Drummer Boy of Shiloh”
2. Conduct Research to learn how the historical details of the Battle of Shiloh are relevant to the story.
3. participate in a small group discussion about your insight into “ The Drummer Boy of Shiloh”
4. Write a literary analysis in which you offer an interpretation of the story’s symbolism

**Skills necessary for Performance Task:**

1. cites evidence from the text that strongly supports idea and analysis
2. Is organized in a way that is appropriate to purpose and audience
3. conveys ideas through the selection organization, and analysis of relevant content

**Texts to be used in Collections:**

1. Narrative of the Life of Frederick Douglass, an American Slave. Autobiography (L1010)
2. Harriet Tubman: Conductor on the Underground Railroad: Biography (L1010)
3. The Drummer Boy of Shiloh: Historical Fiction (L980)
4. O Captain! My Captain! : Poem
5. Close Reader
  - a. My Friend Douglass: Historical Writing (L1180)
  - b. A Mystery of Heroism: Short Story (L1010)
  - c. Civil War Journal: Journal Entries (L1480)

**Independent Reading Selections:**

- Letter to Harriet Tubman
  - Frederick Douglass
- To Althea, from Prison
  - Richard Lovelace
- Do not weep, maiden, for war is Kind
  - Stephen Crane

**Key Learning Objective**

1. Analyze an autobiography and explain the author's purpose.
2. Identify methods of characterization in a biography and analyze the author's craft.
3. Identify and analyze the key elements of historical fiction and examine how authors create mood in a story.
4. Identify and analyze a compare and contrast organizational pattern in a text and understand the impact of a word’s connotation on meaning.
5. Recognize elegy as a poetic form and understand how extended metaphors can be used to express feelings and ideas

**Language and Style**

- 1.
2. Conditional Mood
3. Indicative Mood
4. Gerunds

**Vocabulary Strategy**

1. Use Context Clues
2. Use word relationships
3. Interpret figures of speech
4. Use context clues

## Collection    3    Unit Planning

<p>Collection Essential Question: How did the quest for freedom led to the American Civil War?</p>	

Collection \_\_\_\_3\_\_\_\_ Unit Planning

--

## Collection \_\_\_\_4\_\_\_\_ Unit Planning

**Performance Task Unpacked:** Create a campaign to recognize a certain life event- such as voting, getting a driver's license, or living independently - as the start of adulthood.

1. Create a multimedia campaign to present your response to "When do Kids become Adults?"
2. Include an Editorial
3. A message in one or two other mediums

**Skills necessary for Performance Task:**

1. presents an argument that supports claims with clear reasons and relevant evidence
2. draws evidence from informational texts and from print and digital research
3. integrates multimedia and visual displays to strengthen claims and to add interest

**Texts to be used in Collections:**

1. Marigolds *L1140*
2. Hanging Fire/ Teenagers
3. Room for Debate/When Do Kids Become Adults? *L1440*
4. Is 16 Too Young To Drive a Car?/ Fatal Car Crashes Drop for 16- Year Olds, Rise For Older Teens *L1150/L1070*
5. Your Phone Can Wait/ Driving Distracted
6. Close Reader Collection:
  - a. The Whistle *L800*
  - b. Identity/Hard on Gas
  - c. Much Too Young to Work So Hard *L1050*

**Independent Reading Collection:**

- The Song of Hiawatha
  - Henry Wadsworth Longfellow
- The Seven Ages of Man
  - William Shakespeare
- From Poor Richard's Almanack
  - Benjamin Franklin
- Epigrams
  - Mark Twain

**Key Learning Objective**

1. Identify the motivations of characters in a story and determine the factors that help them understand the theme of the story.
2. Make inference and determine the theme of a poem
3. Trace and evaluate arguments and evaluate supporting evidence to determine whether it is relevant or irrelevant.
4. Determine central ideas and details while analyzing relationships between ideas
5. Analyze the purpose of a public service announcement and understand the elements used in it.

## Collection    4    Unit Planning

## Collection \_\_\_\_4\_\_\_\_ Unit Planning

Collection Essential Question: What is the passage from childhood to adulthood?	

# Collection   5   Unit Planning

**Grade 8      Collection 5      Anne Frank's Legacy**

**Performance Task Unpacked:** Research and write an informative essay comparing the experience of Anne Frank and her family to those of other Jews hiding during World War II.

1. Answer what was life like for other Jews and the people hiding them.
2. Research and Write an informative essay comparing Anne Frank's experiences to those of others during the Holocaust.

**Skills necessary for Performance Task:**

1. provides an engaging introduction that clearly states the topic
2. clearly organizes ideas and concepts to make connections
3. includes facts, definitions and examples that support ideas
4. uses transitions to clarify relationships among ideas
5. provides a conclusion that supports the central idea

**Texts to be used in Collections:**

1. the Diary of Anne Frank- Drama
2. The Diary of Anne Frank- Diary L1020
3. After Auschwitz - Speech L1410
4. There but for the Grace: Poem
5. Close Reader:
  - a. The Diary of Anne Frank: Act I Scene 1 and 2.

**Independent/Additional Reading Collection:**

- Holy Sonnet
  - John Donne
- Meditation 17
  - John Donne

**Key Learning Objective**

1. Analyze the key elements of a drama including its structure Characters, dialogue and events.
2. analyze the elements of a diary entry, and make and support inferences about the text.
3. Identify persuasive techniques and rhetorical devices in a speech
4. Analyze the use of sound devices in a poem to understand how they impact meaning

**Language and Style**

- Use ellipses

**Vocabulary Strategy**

- Connotation and denotation
- Latin suffixes

**Instructional Support**

- -Take notes on historical events as they present themselves throughout the unit in order to reflect back.
- -Paraphrase/reword large paragraphs from the texts in order to support comprehension.

**Differentiated Instruction**

**Reteach**

1. Analyze setting details, track sequence of events, analyze relationships
2. Analyze figurative language
3. Track differing views
4. Analyze imagery
5. Track opposites

## Collection \_\_\_5\_\_\_ Unit Planning

- -Create graphic organizer/outline to organize timelines, cause/effect relationships, compare/contrast characters.
- -Model annotation strategies:Have students use reading tools in the online textbook (ie; highlighter) to highlight important parts of the text (text evidence). Have students highlight in different colors using their annotating tools. Categorize highlights by concept/skill set in the student notes section.
- -Model/Practice effective discussions using Close Read Screencasts in class. Students use notes during discussions.
- - Preview vocabulary/Remind students they will encounter the vocabulary through the unit.
- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

### Extend

1. Analyze motivation, analyze the impact of perspective, debate issues
2. Analyze Diary's effect
3. Analyze voice
4. Analyze the speaker
5. Analyze sound devices

Collection Essential Question: What is the lasting Impact of a young girl and her diary?

# Collection   5   Unit Planning

Grade 8      Collection 6      The Value of Work

## Performance Task Unpacked: Option A

### Present a Narrative

This collection includes narratives that explore the value of work.

- The excerpt from *The Adventures of Tom Sawyer* and “One Last Time,” for example, relate tales of how two children—one fictional and one real—respond to the idea of work.
- In the following activity, you will script and
- present a narrative
- that reveals a lesson learned through an experience with work.

### Skills necessary for Performance Task: Option A

1. establishes context, appropriate register, and point of view
2. presents a logical sequence of events
3. uses a variety of connecting and transitional words or phrases to link ideas and events
4. employs narrative techniques to bring the story to life
5. provides a conclusion that reflects on the experience

## Performance Task Unpacked: Option B

### Write an Argument

- Write an argument
- that justifies your views about
- whether teenagers should gain work experience during their school years.
- Use evidence from the texts in the collection to support your position.

### Skills necessary for Performance Task: Option B

- contains an engaging introduction that establishes the claim
- supports the claim with credible reasons and evidence
- establishes and maintains a formal style
- includes a conclusion that follows from the argument

### Texts to be used in Collections:

1. *The Adventures of Tom Sawyer*: Novel Excerpt *L1040*
2. *One Last Time*: Memoir *L1140*
3. *Tweens Need Jobs, Not Just Cash*: Argument  
*Teens at Work*: Argument *L1310*

### Key Learning Objective

1. Recognize the characteristics of a story told by an omniscient, third person narrator, how a third-person point of view creates dramatic irony, and how elements of a writer’s style contribute to a humorous tone
2. cite evidence to draw conclusions about a text and analyze imagery and sensory details
3. Analyze an argument and determine whether its claims are sufficiently supported
4. analyze a poem’s form to understand how the

## Collection \_\_\_\_ 5 \_\_\_\_ Unit Planning

- -Model annotation strategies:Have students use reading tools in the online textbook (ie; highlighter) to highlight important parts of the text (text evidence). Have students highlight in different colors using their annotating tools. Categorize highlights by concept/skill set in the student notes section.
- -Model/Practice effective discussions using Close Read Screencasts in class. Students use notes during discussions.
- - Preview vocabulary/Remind students they will encounter the vocabulary through the unit.
- -Model utilizing key vocabulary in class discussions. Encourage students to use vocabulary in pairs and in whole group. Write paragraphs demonstrating knowledge of key vocabulary.
- -Students highlight key vocabulary as they encounter it and highlight context clues that helped them define the word.

Collection Essential Question: What are the benefits and challenges that are part of being a worker?

**Lesson Plan**

**Gateway Lab**

**Teacher**

**Lesson Duration: 1 week**

**September 9-13, 2019**

**Subject: ELA/ 8thgrade**

**Special Education**

**ESSENIAL QUESTION:** What background information do you learn about The Landlady in the first paragraph?

**STANDARDS ADDRESSED:** Cite several pieces of textual evidence to support what the text says explicitly.

Demonstrate command of the conventions of standard English grammar and usage when writing.

**LEARNING OBJECTIVES:** The student will be able to:

1. Identify the setting.
2. Analyze how particular elements of a story interact.
3. Understand the characters in the story.
4. Identify plots stages.
5. Write a story using correct grammar.
6. Compare and Contrast.
7. Use the common, grade appropriate pronoun ending self

**Orienting Activity:**

**Monday-** *Do Now, Map Testing (The Golden /Short Story)*

*Vocabulary Practice, Close Reader Making your own story, Follow Up; Worksheet, Homework, Exit ticket*

**Tuesday-** *Do now, Cont.. The Golden after reading 3 paragraphs, Comprehension questions 3, graphic organize Follow Up, Exit Ticket Homework*

**Wednesday-** *, Do Now, Reading- Writing Connection, Increase your understanding of the The Golden (short story) Plot Diagram, Follow up- Worksheet, Exit Ticket. Homework,*

**Thursday-** *Do Now, Writing Prompt, Exploring foreshadowing*

	<p><u>CCSS.ELA-LITERACY.L.6.4.D</u> Verify the preliminary determination of the meaning of a word or phrase (e.g., by checking the inferred meaning in context or in a dictionary).</p> <p><u>CCSS.ELA-LITERACY.L.6.5</u> Demonstrate understanding of figurative language, word relationships, and nuances in word meanings.</p> <p><u>CCSS.ELA-LITERACY.L.6.5.A</u> Interpret figures of speech (e.g., personification) in context.</p> <p><u>CCSS.ELA-LITERACY.L.6.5.B</u> Use the relationship between particular words (e.g., cause/effect, part/whole, item/category) to better understand each of the words.</p> <p><u>CCSS.ELA-LITERACY.L.6.5.C</u> Distinguish among the connotations (associations) of words with similar denotations (definitions) (e.g., <i>stingy</i>, <i>scrimping</i>, <i>economical</i>, <i>untasteful</i>, <i>thrifty</i>).</p> <p><u>CCSS.ELA-LITERACY.L.6.6</u> Acquire and use accurately grade-appropriate general academic and domain-specific words and phrases; gather vocabulary knowledge when considering a word or phrase important to comprehension or expression.</p>
<p><b>b) List activities currently implemented in the classroom and related skills</b></p>	<p>Interactive reading using the hard-bound text (Wonders) Completion of assigned graphic organizers related to the text Turn and talk interactions when applicable Class discussion Independent completion of assigned work (SIWBS) Identifying discussing/defining new lesson vocabulary</p>

**2. Define the learning outcomes**

Level of support →	Least support	Moderate support	Most support
<p><b>List the desired outcomes for students</b></p>	<p>Reading of directions without any necessary clarifying comments. Work completion is independent. Comprehension of material is evident in discussion and graded work.</p>	<p>Directions read aloud with check for understanding for student. Periodic check-ins with student to assure understanding and progress. Seating is offered in best place for student to concentrate and get necessary help as needed. Assistance and redirection implemented as needed. Student demonstrates understanding of the content in discussions and work completed.</p>	<p>Directions read aloud and chunked as needed. Consistent check-ins are carried out. Student is seated in close proximity to the teacher or TA. Any text is read aloud to and with the student. Assigned items are discussed with the student and responses are created aloud before recording. Assistance is offered in writing when needed along with spelling support. Student is able to participate in class discussion adding their thoughts and ideas with support from the teacher. Work is completed with the necessary assistance and any supports/</p>

Grade 3

Grade 4

Grade 5

**Data Analysis (continued)****Collect and Organize Data****Represent Data****Interpret/  
Analyze Data**

Interpret picture and bar graphs with scales.

Interpret tally charts, bar graphs, picture graphs, tables, and line graphs.

Analyze data in a double bar graph.

Use frequency tables, bar graphs, picture graphs, and line plots to solve real-world problems.

Find the mean (average), median, mode, and range of a data set.

**Probability****Outcomes**

Decide whether an outcome is certain, more likely, equally likely, less likely, or impossible.

Determine experimental probability of an outcome.

**Expressing Probability**

Express the probability of an event as a fraction.

Compare the results of an experiment with theoretical probability.

Find all possible combinations by listing, making a tree diagram, and multiplying.

**Problem Solving****Build Skills Through Problem Solving**

Build skills in addition, subtraction, multiplication, division, and measurement through problem solving.

Build skills in multiplication, division, fraction concepts, data analysis, and measurement through problem solving.

Build skills in multiplication; division; fraction concepts, decimals, ratios, and percents; data analysis; and measurement through problem solving.

Kindergarten

Grade 1

Grade 2

**Problem Solving (continued)**

**Solve Real-World Problems**

Solve real-world problems involving addition and subtraction.

Solve real-world problems involving addition and subtraction.

Solve real-world problems involving addition, subtraction, multiplication, division, and measurement.

**Use Appropriate Strategies and Thinking Skills to Solve Problems**

Apply problem solving strategies in Put on Your Thinking Cap! and Problem Solving activities.

Apply problem solving strategies in Put on Your Thinking Cap! and Problem Solving activities.

**Apply and Explain Problem Solving**

Solve real-world problems.

Apply and explain problem solving processes in Put on Your Thinking Cap! and other activities.

Apply and explain problem solving processes in Put on Your Thinking Cap! and other activities.

**Explore Concepts**

Use models to explain reasoning.

Explore concepts more deeply and justify reasoning in Let's Explore and Hands-On activities.

Explore concepts more deeply and justify reasoning in Let's Explore and Hands-On activities.

Apply Thinking Skills, Put on Your Thinking Cap!, Challenging Practice, and Problem Solving activities.

Apply Thinking Skills, Put on Your Thinking Cap!, Challenging Practice, and Problem Solving activities.

**Investigate Mathematical Ideas**

Investigate ideas with two-dimensional shapes.

Further investigate mathematical ideas by completing critical thinking skills activities.

Further investigate mathematical ideas by completing critical thinking skills activities.

**Identify, Demonstrate, and Explain Mathematical Proof**

Demonstrate that only a few big things fit into small spaces and many small things fit into big spaces.

Explore transitivity by comparing lengths and weights of three different objects.

Demonstrate the inverse relationship between the size of a unit and the number of units.

Describe, sort, and classify two- and three-dimensional shapes.

Identify and describe attributes and properties of two- and three-dimensional shapes.

Identify, describe, sort, and classify two- and three-dimensional shapes.

<b>Identify, Demonstrate, and Explain Mathematical Proof</b>	Demonstrate that figures and their flip, slide, and turn images are congruent.  Identify pairs of shapes that show a flip, slide, and turn.	Show that some figures can be turned and not change shape or size (rotational symmetry).  Use properties of squares and rectangles to solve problems.	Apply the idea that the sum of angles on a straight line is $180^\circ$ .  Apply the idea that the sum of angles at a point is $360^\circ$ .  Explain the relationships among area formulas of different polygons.

Kindergarten

Grade 1

Grade 2

**Problem Solving (continued)**

**Identify, Demonstrate, and Explain Mathematical Proof (continued)**

Interpret data in tally charts and pictographs.

Interpret picture graphs, tally charts, and bar graphs.

Interpret picture graphs with scales.

Identify and extend repeating shape patterns.

Identify and extend growing number patterns and repeating shape patterns.

Identify rules for number patterns.

**Use a Variety of Reasoning Skills**

Sort and classify using attributes.

Recognize shapes from different perspectives.

Identify surfaces that slide, stack, and roll.

Identify similarities and differences.

Use the Commutative and Associative properties, and 10s and 1s to solve two-digit addition and subtraction problems.

Explore the inverse relationship between addition and subtraction.

**Communication**

**Consolidate Mathematical Thinking**

Consolidate thinking in independent activities.

Present mathematical thinking through Math Journal activities.

Present mathematical thinking through Math Journal activities.

**Communicate with Peers, Teachers, and Others**

Discuss mathematical ideas in paired and small-group activities.

Discuss mathematical ideas in Let's Explore activities.

Discuss mathematical ideas in Let's Explore activities.

Work together in pairs or groups in Let's Explore, Games, and other activities.

Work together in pairs or groups in Let's Explore, Games, and other activities.

**Share Mathematical Thinking**

Share mathematical ideas in paired and small-group activities.

Share mathematical ideas with others during Let's Explore and Hands-On activities.

Share mathematical ideas with others during Let's Explore and Hands-On activities.

## Grade 3

## Grade 4

## Grade 5

## Problem Solving (continued)

**Identify, Demonstrate, and Explain Mathematical Proof (continued)**

Interpret bar graphs with scales.

Analyze a data set by finding its mean, median, mode, and range.

Compare the results of an experiment to validate the use of theoretical probability.

Create and analyze multiplication and division patterns.

Identify, describe, and extend numeric and non-numeric patterns.

Identify, describe, and extend numeric patterns involving all operations.

**Use a Variety of Reasoning Skills**

Model, define, and explain properties of multiplication.

Use properties of squares and rectangles to solve problems about area and perimeter.

Explore the relationship among lists, tree diagrams, and multiplication to calculate combinations.

Explore the inverse relationship between multiplication and division.

Use properties of multiplication (including the Distributive Property) in estimation and mental math.

Use estimation to check reasonableness.

Use estimation to check reasonableness (whole-number addition, subtraction, multiplication and division).

## Communication

**Consolidate Mathematical Thinking**

Present mathematical thinking through Math Journal activities.

Present mathematical thinking through Math Journal activities.

Present mathematical thinking through Math Journal activities.

**Communicate with Peers, Teachers, and Others**

Discuss mathematical ideas in Let's Explore activities.

Discuss mathematical ideas in Let's Explore activities.

Discuss mathematical ideas in Let's Explore activities.

Work together in pairs or groups in Let's Explore, Games, and other activities.

Work together in pairs or groups in Let's Explore, Games, and other activities.

Work together in pairs or groups in Let's Explore, Games, and other activities.

**Share Mathematical Thinking**

Share mathematical ideas with others during Let's Explore and Hands-On activities.

Share mathematical ideas with others during Let's Explore and Hands-On activities.

Share mathematical ideas with others during Let's Explore and Hands-On activities.

Kindergarten

Grade 1

Grade 2

Communication (continued)

**Express Mathematical Ideas**

Express ideas in paired and small group activities.

Express ideas in Math Journal activities, using lesson vocabulary.

Express ideas in Math Journal activities, using lesson vocabulary.

Use chapter and lesson vocabulary correctly.

Use chapter and lesson vocabulary correctly.

Connections

**Recognize Connections in Mathematical Ideas**

Understand the connection between quantities and written numerals.

Understand the relationship between counting and addition and subtraction.

Examine and apply the inverse relationship between addition and subtraction.

Understand the relationships among the numbers in fact families.

Connect geometric concepts with unit fractions.

Connect addition and multiplication (repeated addition).

Connect subtraction and division (repeated subtraction).

Recognize and apply different strategies for adding and subtracting one- and two-digit numbers.

Recognize and apply different strategies for multiplication and division facts.

**Understand How Concepts Build on One Another**

Explore relationships among counting, ordering, and ordinal numbers.

Learn how place value concepts apply to regrouping in addition and subtraction.

Understand how patterns can be described using numbers, operations, and data displays.

Recognize the relationship between bar models, number sentences, and number patterns.

## Grade 3

## Grade 4

## Grade 5

## Communication (continued)

**Express Mathematical Ideas**

Express ideas in Math Journal activities, using lesson vocabulary.

Use chapter and lesson vocabulary correctly.

Express ideas in Math Journal activities, using lesson vocabulary.

Use chapter and lesson vocabulary correctly.

Express ideas in Math Journal activities, using lesson vocabulary.

Use chapter and lesson vocabulary correctly.

## Connections

**Recognize Connections in Mathematical Ideas**

Apply the inverse relationship between multiplication and division.

Understand that the size of a fractional part is relative to the size of the whole.

Connect the units of customary capacity to one another.

Understand the relationships between the numbers in multiplication-division fact families.

Demonstrate that decimal notation is an extension of the base-ten system.

Examine the relationship between fractions and decimals.

Make connections among multiplication, division, factors, and multiples.

Convert among mixed numbers and improper fractions.

Relate fractions and division.

Understand the connection among fractions, decimals, ratios, and percents as ways to represent parts of a whole.

Examine the relationships between three-dimensional figures and the two-dimensional figures that form them.

Relate fractions and division.

**Understand How Concepts Build on One Another**

Understand the meanings and uses of fractions including fraction of a set.

Use addition, subtraction, multiplication, and division to construct and analyze graphs, frequency tables, and line plots.

Describe number relationships in context.

Connect equivalent fractions and decimals.

Make connections among the greatest common factor, least common multiple, and operations with fractions.

Explain the relationships among area formulas of different polygons.

Connect equivalent fractions, decimals, and percents.

Kindergarten

Grade 1

Grade 2

Connections (continued)

**Solve Real-World Problems in Contexts Outside of Mathematics**

Solve real-world problems involving more and less.

Solve real-world problems involving addition, subtraction, and measurement.

Solve real-world problems involving addition, subtraction, multiplication, division, measurement, and data analysis.

Representation

**Use Representations to Model, Organize, and Record**

Use concrete models to create a set with a given number of objects (up to 20).

Use concrete and pictorial models to create a set with a given number of objects (up to 100).

Use concrete and pictorial models to create a set with a given number of objects (up to 1,000).

Use numbers and numerals to represent quantities up to 20.

Represent numbers to 100 on a number line.

Represent numbers to 1,000 on a number line.

Use picture cards to communicate understanding of comparisons (bigger and smaller).

Use number bonds to represent numbers.

Understand the meaning of the = sign in number sentences.

Understand equality and inequality.

Use symbolic notation (< and >) to compare numbers.

Model addition and subtraction stories with addition and subtraction number sentences.

Use the +, -, and = symbols to represent real-world addition and subtraction situations.

Use bar models to represent addition and subtraction situations.

Represent addition and subtraction stories.

Represent numerical data using picture graphs, tally charts, and bar graphs.

Represent numerical data using picture graphs with scales, tally charts, and bar graphs.

Represent sharing equally and making equal groups.

Use the  $\times$ ,  $\div$ , and = symbols to represent multiplication and division situations.

## Grade 3

## Grade 4

## Grade 5

## Connections (continued)

**Solve Real-World Problems in Contexts Outside of Mathematics**

Solve real-world problems involving addition, subtraction, multiplication, division, and measurement.

Solve real-world problems related to money.

Solve real-world problems involving multiplication, division, fraction concepts, data analysis, and measurement.

Solve real-world problems involving multiplication; division; fraction, decimal, ratio, and percent concepts; data analysis; and measurement.

Compare experimental results and theoretical probability.

## Representation

**Use Representations to Model, Organize, and Record**

Use place value models to read, write, and represent numbers to 10,000.

Represent numbers in different equivalent forms.

Use the dollar sign and decimal point in money amounts.

Solve addition and subtraction problems with greater numbers by using a bar model

Represent multiplication and division in different ways.

Use a variety of representations for multiplication and division, such as arrays, area models, number lines, grouping, and sharing.

Represent numbers to 100,000 in various contexts.

Express numbers to 100,000 in standard, expanded, and word forms.

Model decimals to tenths and hundredths.

Write addition and subtraction number sentences for real-world problems with fractions and decimals.

Use models to show relationships between improper fractions and mixed numbers.

Apply understanding of models for multiplication and division.

Explore negative numbers in context.

Express numbers to 10,000,000 in various forms.

Find equivalent ratios.

Explore the use of letters as variables in expressions and inequalities.

Convert fractions and decimals to percents.

Represent combinations with lists, tree diagrams, and multiplication.

Kindergarten

Grade 1

Grade 2

Representation (continued)

**Use Representations to Model, Organize, and Record (continued)**

Describe and extend shape patterns.

Describe a rule for sorting objects.

Identify, describe, and extend two- and three-dimensional shape patterns.

Identify a rule for sorting objects.

Identify and extend growing and repeating patterns.

Represent multiplication with skip counting, dot paper arrays, and bar models.

Represent division as repeated subtraction sentences.

Describe, extend, and create two-dimensional shape patterns.

Identify rules for number patterns.

**Select and Apply Representations to Model Problems**

Represent quantities with objects, number cubes, and numerals.

Use number bonds to represent number combinations.

Use a variety of concrete, pictorial, and symbolic models for addition and subtraction.

Use place value models to create equivalent representations of numbers.

Use a variety of concrete, pictorial, and symbolic models for addition, subtraction, multiplication, and division.

Represent multiplication with skip counting and arrays.

**Interpret Phenomena through Representations**

Show understanding of big, middle-sized, small, and same size.

Describe and compare objects by position.

Measure and compare lengths and weights using non-standard units.

Use positional words to describe location.

Use metric and customary units to measure length, volume (capacity), weight, and mass.

## Grade 3

## Grade 4

## Grade 5

## Representation (continued)

**Use Representations to Model, Organize, and Record (continued)**

Determine the missing parts (quantities or symbols) in number sentences.

Write addition and subtraction number sentences for real-world problems with fractions and decimals.

Write and solve equations.

Create and analyze multiplication and division patterns.

Identify a rule for number and counting patterns.

Use a rule to describe a sequence of numbers or objects.

Find rules to complete number patterns.

**Select and Apply Representations to Model Problems**

Use a variety of models to represent fractions and equivalent fractions.

Translate between equivalent improper fractions and mixed numbers.

Translate between fractions and percents.

Use a variety of concrete, pictorial, and symbolic models for multi-digit addition, subtraction, multiplication, and division.

Use a variety of models for multi-digit multiplication and division of whole numbers.

Select the most useful form of the quotient.

Use customary units (including fractions) to measure length, weight, and capacity.

Use a variety of models for addition and subtraction of fractions and decimals.

Use a net to find the surface area of a prism.

**Interpret Phenomena through Representations**

Use referents to estimate length, capacity, and weight.

Measure perimeter and area in customary and metric units.

Measure volume of a rectangular prism.

Kindergarten

Grade 1

Grade 2

Representation (continued)

**Interpret Phenomena through Representations (continued)**

Name flat shapes that make up real-world objects.

Identify real-world two- and three-dimensional shapes.

Represent measurements and data in picture graphs and bar graphs.

Represent data in picture graphs.

Represent data in bar graphs and picture graphs.

Order a number of objects according to length, height, or weight.

Solve problems about sharing equally and making equal groups.

Solve real-world problems about social phenomena.

Use one-to-one correspondence.

Use a variety of models for adding and subtracting.

Use bar models to represent addition, subtraction, multiplication, and division situations.

Use technology (virtual manipulatives and computers) to model and draw.

Use technology (virtual manipulatives and computers) to model and draw.

## Grade 3

## Grade 4

## Grade 5

## Representation (continued)

**Interpret  
Phenomena  
through  
Representations  
(continued)**

Use frequency tables, bar graphs, picture graphs, and line plots to solve problems.

Collect data and organize it in a table.

Represent data in a double bar graph.

Create a line graph from data in a table.

Represent an equation as a graphed line.

Solve real-world problems involving social situations.

Use measures of central tendency to describe typical values of data sets (social).

Solve real-world problems related to money.

Solve real-world problems involving multiplication, division, fraction concepts, data analysis, and measurement.

Solve real-world problems involving social situations.

Use technology (virtual manipulatives and computers) to model and draw.

Use technology (virtual manipulatives and computers) to model and draw.

Use technology (virtual manipulatives and computers) to model and draw.

Use a calculator to model, compute, and solve problems.

# Aligned with National and International Research Recommendations

## ► Focus and Depth

### National Council of Teachers of Mathematics

“A curriculum is more than a collection of activities: it must be coherent, focused on important mathematics, and well articulated across the grades.”

—Curriculum Focal Points for Prekindergarten through Grade 8 Mathematics, 2006

### Math in Focus

addresses fewer topics in greater depth at each level.

- Knowledge is built carefully and thoroughly with both *multi-page* lessons and *multi-day* lessons.
- Time is built into the program to develop understanding with *hands-on* activities with manipulatives, as well as *extensive skills practice*.

#### 1 Ways to Add ..... 42

**Learn** Add by counting on • Count to find how many more • Add using number bonds

**Hands-On Activities** Count on to add using connecting cubes • Use ten frames to add (Commutative Property)

**Game** Card Fun!

**Let's Practice and Practice and Apply**  
Workbook A: Practice 1 ..... 46–47

**Let's Practice and Practice and Apply**  
Workbook A: Practice 2 ..... 50–51

Grade 1, Chapter 3, Lesson 1

## ► Interlocking Concepts and Skills

### National Math Advisory Panel

“Use should be made of what is clearly known from rigorous research about how children learn, especially by recognizing the mutually-reinforcing benefits of conceptual understanding, procedural fluency, and automatic (i.e., quick and effortless) recall of facts.”

—Foundations for Success, 2008

### Math in Focus

develops concepts and skills in tandem.

- Manipulatives and visual representations provide a conceptual backbone.
- *Skills are connected to concepts* through visual representations.
- Extensive problem solving *merges conceptual understanding with computational skills*.

## ► Clear Visuals and Use of Models

### National Research Council

“Opportunities should involve connecting symbolic representations and operations with physical or pictorial representations, as well as translating between various symbolic representations.”

—*Adding It Up: Helping Children Learn Mathematics*, 2001

### Math in Focus

uses clear and engaging visuals that present concepts and model solutions.

- *Minimal text* and simple, direct visuals allow all students, regardless of language skills, to focus on the math lesson.
- The use of *model drawings* offer a visual representation of word problems, leading to symbolic solutions of rich and complex problems.
- Consistent use of the *concrete–pictorial–abstract pedagogy* repeatedly “models” the model-drawing problem solving strategy.

**Number Bonds:** a visual for composing and decomposing numbers (Grade 1)

## ► Emphasis on Problem Solving

### Singapore Ministry of Education

“Mathematical problem solving is central to mathematics learning. It involves the acquisition and application of mathematics concepts and skills in a wide range of situations, including non-routine, open-ended, and real-world problems.”

—*Mathematics Syllabus: Primary*, 2006

### Math in Focus

uses a scaffolded approach to solving word problems, focusing on model drawing to build success and confidence.

- The visual representation of word problems leads to symbolic solutions of *rich and complex problems*.
- Students draw on prior knowledge, as well as recently acquired concepts and skills, as they combine *problem solving strategies with critical thinking skills*.

**Bar Model:** a visual representation of a word problem (Grade 2)

# Math in Focus

## Singapore Math

by Marshall Cavendish

*Math in Focus: Singapore Math by Marshall Cavendish* is the U.S. edition of *My Pals are Here! Maths*, the world-class program most widely used in Singapore classrooms today. Marshall Cavendish math programs have contributed to Singapore's consistent top performance in international studies since 1995.

Grade 5

***Math in Focus<sup>®</sup>: Singapore Math by Marshall Cavendish is the U.S. Edition of Singapore's most widely used program.***

## Key Differences and Distinguishing Characteristics

### Articulated Sequence

*Math in Focus* answers the call for a coherent sequence of topics giving students time to master foundational topics, so that little repetition is required the next year. Thus, each grade level covers fewer topics but in more depth, and you won't find all topics in every grade level.

- **“Missing topics”** When a topic appears to be “missing,” you can be assured that it is found in either an earlier or later grade level. For example you will find calendar concepts in Grades K and 1, but not repeated in Grade 2.
- **More advanced** As a result of not repeating topics year after year, students who use *Math in Focus* will advance faster than students in other programs. As a result, you may find topics that seem to be “too advanced.” However, you will find your students easily able to handle the challenge as long as they have had the appropriate preliminary instruction.

### Preparation for Algebra

*Math in Focus* answers the call to prepare students for algebra. As recommended by the National Math Panel, the *Math in Focus* sequence of topics emphasizes:

- **Number sense, basic facts, and computation** An early understanding of composition and decomposition of numbers is developed in tandem with mastery of basic facts and computation algorithms in Grades K–2.
- **Fractions and proportional reasoning** Significant time is allocated for in-depth work with fractions in Grades 3–5.
- **Problem solving** Challenging problem solving is built into each chapter in every grade level.

### Developmental Continuum

Kindergarten

Grades 1–2

Grades 3–5

Foundational concepts through songs, rhymes, and hands-on activities

Concept and skill development through hands-on instruction and practice

- basic facts
- place value
- mental math
- geometry concepts

Emphasis on problem solving, skill consolidation, and a deep understanding in preparation for algebra

- fractions
- decimals
- ratios
- model drawing
- expressions, equations, and inequalities

Kindergarten

Grade 1

Grade 2

Number and Operations

**Sets and Numbers**

Use concrete models to create a set with a given number of objects (up to 20).

Use cardinal and ordinal numbers.

Use concrete and pictorial models to create a set with a given number of objects (up to 100).

Group objects and numbers up to 100 in tens and ones.

Use cardinal numbers up to 100 and ordinal numbers up to 10<sup>th</sup>.

Use concrete and pictorial models to create a set with a given number of objects (up to 1,000).

Group objects and numbers up to 1,000 into hundreds, tens, and ones.

Group objects into equal sized groups.

**Number Representation**

Use numbers to represent quantities up to 20.

Use number bonds to represent number combinations.

Represent numbers to 100 on a number line.

Use place value models to create equivalent representations of numbers.

Represent numbers to 1,000 on a number line.

**Count**

Count up to 20 objects in a set.

Count on and back to 20.

Count in 2s and 5s up to 20.

Count to 100.

Count by 1s, 2s, 5s, and 10s forward and backward to 100.

Count to 1,000.

Count by multiples of ones, tens, and hundreds.

**Compare and Order**

Compare and order sets and numbers up to 20.

Compare and order using the terms *fewer*, *more*, and *less*.

Compare and order whole numbers to 100.

Compare and order using the terms *same*, *more*, *fewer*, *greater than*, *less than*, *equal to*, *greatest*, and *least*.

Compare and order whole numbers to 1,000.

Use  $<$ ,  $>$ , and  $=$  to compare whole numbers.

**Place Value**

Use place value models and place value charts to represent numbers to 100.

Use base-ten models and place value charts to represent numbers to 1,000.

Grade 3

Grade 4

Grade 5

## Number and Operations

## Sets and Numbers

Explore negative numbers in context.

## Number Representation

Represent numbers to 10,000 in different equivalent forms.

Represent numbers to 100,000 in various contexts.

Understand place value concepts through millions.

## Count

Count to 10,000.

Count by hundreds and thousands.

Count by thousands and ten thousands.

Count by hundred thousands and millions.

## Compare and Order

Compare and order whole numbers to 10,000.

Compare and order whole numbers to 100,000.

Compare and order whole numbers to 10,000,000.

## Place Value

Use place value models to read, write, and represent numbers to 10,000.

Express numbers to 100,000 in standard, expanded, and word forms.

Express numbers to 10,000,000 in various forms.

Kindergarten

Grade 1

Grade 2

## Number and Operations (continued)

Place Value  
(continued)Express numbers to 100 in  
standard and word forms.Express numbers to 1,000  
in terms of place value.Compose and decompose  
multi-digit numbers (including  
expanded form).Fraction  
ConceptsConnect geometric concepts  
with unit fractions—halves,  
thirds, and fourths.Understand the relationship  
between a fraction and a whole.Compare and order halves,  
thirds, and fourths using  
bar models.

## Money

Identify and relate coin values  
(penny, nickel, dime, quarter).Count and make  
coin combinations.Identify and relate coin values  
(penny, nickel, dime, quarter).Count and make  
coin combinations.Identify \$1, \$5, \$10, and  
\$20 bills.Count and make combinations  
of coins and bills.

Compare money amounts.

Decimal  
ConceptsUse the dollar sign and  
decimal point.

Grade 3

Grade 4

Grade 5

## Number and Operations (continued)

Place Value  
(continued)Fraction  
Concepts

Understand the meanings and uses of fractions including fraction of a set.

Recognize, write, name, and illustrate mixed numbers and improper fractions.

Convert fractions to decimals.

Understand that the size of a fractional part is relative to the size of the whole.

Find a fraction of a set.

Relate fractions and division expressions.

Compare fractions using models and number lines.

Generate equivalent fractions.

Identify equivalent fractions through the use of models, multiplication, division, and number lines.

Convert among mixed numbers and improper fractions.

Add and subtract like fractions.

## Money

Add and subtract money.

Solve real-world problems involving addition and subtraction of money.

Decimal  
Concepts

Use the dollar sign and decimal point in money amounts.

Model decimals using tenths and hundredths.

Model decimals using thousandths.

Kindergarten

Grade 1

Grade 2

**Number and Operations (continued)**

**Decimal Concepts (continued)**

**Ratio, Proportion, and Percent**

**Whole Number Computation: Addition and Subtraction**

Model joining and separating sets.

Use +, -, and = to write number sentences for addition and subtraction stories.

Model addition and subtraction situations.

Use models, numbers, and symbols for addition and subtraction facts to 20.

Use the order, grouping, and zero properties to develop addition and subtraction fact strategies.

Add and subtract up to 2-digit numbers with and without regrouping

Model addition and subtraction with place value.

Recall addition and subtraction facts.

Use different methods to develop fluency in adding and subtracting multi-digit numbers.

Add and subtract whole numbers to 1,000.

Grade 3

Grade 4

Grade 5

**Number and Operations (continued)**

**Decimal Concepts (continued)**

Understand decimal notation through hundredths as an extension of the base-ten system.

Read and write decimals that are greater than or less than 1.

Compare and order decimals.

Identify equivalent decimals.

Connect equivalent fractions and decimals.

Understand place value concepts through thousandths.

Convert decimals to fractions.

**Ratio, Proportion, and Percent**

Use ratios to solve problems.

Find equivalent ratios.

Solve problems with percent.

Convert fractions to percents.

Find a percent of a number.

**Whole Number Computation: Addition and Subtraction**

Model regrouping in addition and subtraction with place value.

Add and subtract whole numbers to 10,000.

Kindergarten

Grade 1

Grade 2

Number and Operations (continued)

**Whole Number Computation: Addition and Subtraction Real-World Problems**

Represent addition and subtraction stories.

Formulate addition and subtraction stories.

Solve addition and subtraction problems using basic facts.

Solve multi-digit addition and subtraction problems by using a bar model.

**Whole Number Computation: Multiplication and Division Concepts**

Count by 2s and 5s up to 20.

Count by 2s, 5s, and 10s.

Multiply and divide with 2, 3, 4, 5, and 10.

Adding the same number to multiply.

Represent multiplication as repeated addition.

Represent sharing equally and making equal groups.

Represent division as repeated subtraction.

Use the  $\times$ ,  $\div$ , and  $=$  symbols to represent multiplication and division situations.

**Whole Number Computation: Multiplication and Division Algorithms**

Grade 3

Grade 4

Grade 5

**Number and Operations (continued)**
**Whole Number Computation: Addition and Subtraction Real-World Problems**

Solve addition and subtraction problems with greater numbers by using a bar model.

**Whole Number Computation: Multiplication and Division Concepts**

Multiply and divide with 6, 7, 8, and 9.

Represent multiplication in different ways.

Apply understanding of models for multiplication and division.

Represent division in different ways.

Recall multiplication facts and related division facts.

**Whole Number Computation: Multiplication and Division Algorithms**

Multiply 1s, 10s, and 100s with and without regrouping.

Develop fluency in multiplying multi-digit numbers.

Multiply multi-digit numbers.

Use addition and multiplication properties to multiply.

Divide 10s and 1s with and without regrouping, no remainder.

Divide by a 1-digit number, with a remainder.

Find quotients involving multi-digit dividends.

Kindergarten

Grade 1

Grade 2

**Number and Operations (continued)**

**Whole Number  
Computation:  
Multiplication  
and Division  
Real-World  
Problems**

Use bar models to represent multiplication and division situations.

Solve multiplication and division fact problems.

**Fraction  
Computation**

Add and subtract like fractions (halves, thirds, fourths).

**Decimal  
Computation**

Add and subtract money.

Solve addition and subtraction money problems.

**Estimation and  
Mental Math**

Use mental math strategies to add and subtract.

Use mental math strategies to add and subtract.

Grade 3

Grade 4

Grade 5

**Number and Operations (continued)**
**Whole Number Computation: Multiplication and Division Real-World Problems**

Use bar models to represent multiplication and division situations.

Solve one- and two-step multiplication and division problems.

Solve multi-digit multiplication and division problems.

Solve multiplication and division problems.

Select the most useful form of the quotient and interpret the remainder.

**Fraction Computation**

Add and subtract like fractions.

Add and subtract unlike fractions.

Add and subtract unlike fractions and mixed numbers.

Multiply proper fractions, improper fractions, mixed numbers, and whole numbers.

Divide fractions by whole numbers.

Solve word problems with addition, subtraction, multiplication, and division of fractions.

**Decimal Computation**

Add and subtract money amounts.

Add and subtract decimals.

Add and subtract decimals.

Solve problems with addition and subtraction of decimals.

Multiply and divide decimals by whole numbers.

Solve problems with multiplication and division of decimals.

**Estimation and Mental Math**

Use mental math strategies to add, subtract, multiply, and divide.

Use mental math and estimation strategies to find sums, differences, products, and quotients.

Use estimation and mental math to estimate sums, differences, products, and quotients.

Kindergarten

Grade 1

Grade 2

## Number and Operations (continued)

Estimation and  
Mental Math  
(continued)

Estimate quantity by using referents.

Round to the nearest ten to estimate sums and differences.

## Algebra

## Patterns

Describe and extend repeating shape patterns.

Identify, describe, and extend two- and three-dimensional shape patterns.

Describe, extend, and create two-dimensional shape patterns.

Count by 2s and 5s.

Skip count by 2s, 5s, and 10s.

Skip count by 2s, 3s, 4s, 5s, and 10s.

Describe a rule for sorting objects.

Identify a rule for sorting objects.

Find missing terms in repeating patterns.

Identify and extend growing and repeating patterns.

Identify rules for number patterns.

Find missing terms in growing and repeating patterns.

Find missing terms in table patterns.

## Properties

Identify 0 as the identity element for addition and subtraction.

Understand that addition and subtraction are inverse operations.

Use the Associative and Commutative Properties of Addition.

Apply properties of addition.

Use the Distributive Property as a multiplication strategy.

Number  
Theory

Identify odd and even numbers.

## Grade 3

## Grade 4

## Grade 5

## Number and Operations (continued)

Estimation and  
Mental Math  
(continued)

Use front-end estimation and rounding to estimate sums and differences.

Decide whether an estimate or exact answer is needed.

Use estimation in determining relative sizes of amounts or distances.

Estimate sums and differences with fractions and decimals.

Round and estimate with decimals.

Estimate products and quotients with decimals.

## Algebra

## Patterns

Create and analyze multiplication and division patterns.

Skip count by 6s, 7s, 8s, and 9s.

Analyze number and counting patterns.

Identify, describe, and extend numeric and non-numeric patterns.

Use a rule to describe a sequence of numbers or objects.

Identify, describe, and extend numeric patterns involving all operations.

Find rules to complete number patterns.

## Properties

Understand that multiplication and division are related.

Create and analyze multiplication and division patterns.

Model, define, and explain properties of multiplication.

Represent division as the inverse of multiplication.

Number  
Theory

Identify odd and even numbers.

Find the greatest common factor and least common multiple.

Identify prime and composite numbers.

Kindergarten

Grade 1

Grade 2

**Algebra (continued)**

**Functional Relationships**

Understand the relationships between the numbers in fact families.

Recognize how bar models show relationships between numbers and unknowns in number sentences.

**Expressions/ Models**

Use a variety of concrete, pictorial, and symbolic models for addition and subtraction.

Use a variety of concrete, pictorial, and symbolic models for addition, subtraction, multiplication, and division.

**Number Sentences and Equations**

Model addition and subtraction stories with addition and subtraction number sentences.

Model addition and subtraction situations by writing addition and subtraction number sentences.

Model multiplication and division situations by writing multiplication and division number sentences.

Use bar models and number sentences to represent real-world problems.

Determine the value of missing quantities in number sentences.

**Equality and Inequality**

Understand the meaning of the = sign in number sentences.

Understand the difference between equality and inequality.

Use and create models that demonstrate equality or inequality.

Use  $<$ ,  $>$ , and  $=$  to write number sentences.

**Geometry**

**Size and Position**

Understand big, middle-sized, and small.

Describe position with left and right.

## Grade 3

## Grade 4

## Grade 5

## Algebra (continued)

**Functional Relationships**

Understand the relationships between the numbers in multiplication and division fact families.

Describe number relationships in context.

Understand the relationships between the numbers and symbols in formulas for area and perimeter.

Describe number relationships in context.

Understand the relationships between the numbers and symbols in formulas for surface area and volume.

Describe number relationships in context.

**Expressions/Models**

Use a variety of concrete, pictorial, and symbolic models for multi-digit addition, subtraction, multiplication, and division.

Use a variety of concrete, pictorial, and symbolic models for multiplication and division; and addition and subtraction with fractions and decimals.

Use letters as variables.

Simplify algebraic expressions.

Use the order of operations in numeric expressions with two or more operations.

**Number Sentences and Equations**

Write multiplication and division number sentences.

Write and solve number sentences for one- and two-step real-world problems.

Determine the missing parts (quantities or symbols) in number sentences.

Write and solve number sentences for one-, two-, and three-step real-world problems.

Use bar models and number sentences for one-, two-, and three-step real-world problems.

Determine the missing parts (quantities or symbols) in number sentences.

Write and solve number sentences and equations for one- and two-step real-world problems.

Write and solve equations.

Graph linear equations.

**Equality and Inequality**

Understand equality and inequality.

Write and solve inequalities.

Understand equality and inequality.

Understand equality and inequality.

## Geometry

**Size and Position**

Kindergarten

Grade 1

Grade 2

**Geometry (continued)**

**Size and Position (continued)**

Describe and compare objects by position.

Use positional words to describe location.

**Lines and Angles**

Identify parts of lines and curves.

**Two-Dimensional Shapes**

Identify similarities and differences.

Name flat shapes that make up real-world objects.

Identify real-world two-dimensional shapes.

Identify, describe, sort, and classify two-dimensional shapes.

Identify and describe attributes and properties of two-dimensional shapes.

Identify, describe, sort, and classify two-dimensional shapes.

Sort and classify two-dimensional shapes.

Identify parts of lines and curves.

Make flat shape pictures.

Compose and decompose two-dimensional shapes.

Compose and decompose two-dimensional shapes.

Compare areas using non-standard units.

Develop foundations for understanding area.

**Three-Dimensional Shapes**

Name and sort solid shapes.

Identify real-world three-dimensional shapes.

Understand that three-dimensional shapes are made up of two-dimensional shapes.

Identify two-dimensional shapes in three-dimensional shapes.

Identify, describe, sort, and classify three-dimensional shapes.

## Grade 3

## Grade 4

## Grade 5

## Geometry (continued)

## Size and Position (continued)

## Lines and Angles

Identify perpendicular and parallel lines.

Draw perpendicular and parallel lines.

Work with angles on a straight line.

Identify right angles and compare angles to right angles.

Construct and measure angles.

Work with angles at a point.

## Two-Dimensional Shapes

Describe, analyze, compare, and classify two-dimensional shapes by their sides and angles.

Apply the properties of squares and rectangles.

Apply the properties of right, isosceles, and equilateral triangles.

Classify and sort polygons and quadrilaterals by attributes and properties.

Find unknown angle measures and side lengths of squares and rectangles.

Apply the sum of the angle measures of a triangle.

Investigate composing and decomposing two-dimensional shapes.

Identify figures that form tessellations.

Apply the properties of a parallelogram, rhombus, and trapezoid.

Use attributes and properties to solve problems.

Demonstrate that the sum of any two side lengths of a triangle is greater than the length of the third side.

Find and compare the area of plane figures in different square units.

Understand the relationships between the numbers and symbols in formulas for area and perimeter.

Find the area of a triangle.

## Three-Dimensional Shapes

Identify and classify prisms and pyramids.

Identify the solid that can be made from a net.

Kindergarten

Grade 1

Grade 2

### Geometry (continued)

#### Three-Dimensional Shapes (continued)

Sort and classify three-dimensional shapes.

Identify surfaces that slide, stack, and roll.

Recognize shapes from different perspectives.

Compose and decompose three-dimensional shapes.

#### Congruence and Symmetry

Develop initial understanding of congruence and symmetry.

#### Transformations

#### Coordinate Geometry

### Measurement

#### Length and Distance

Compare lengths and heights using non-standard units.

Compare two lengths by comparing each with a third length (transitivity).

Demonstrate linear measure as an iteration of units.

Compare and order lengths (long, short, longest, shortest).

Use a start line to measure length.

Use rulers to measure length.

Develop a background for measurement using non-standard units.

Measure lengths, using non-standard units.

Measure lengths in meters, centimeters, feet, and inches.

Explain the need for equal-length units to measure.

Grade 3

Grade 4

Grade 5

### Geometry (continued)

#### Three-Dimensional Shapes (continued)

Identify cylinders, spheres, and cones.

Describe cylinders, spheres, and cones by the number of and types of faces, and the number of edges and vertices.

Build solids using unit cubes.

#### Congruence and Symmetry

Identify symmetrical figures and one line of symmetry.

Solve problems involving congruency.

Identify line and rotational symmetry.

Relate rotational symmetry to turns and congruency.

#### Transformations

Identify pairs of shapes that show a flip, slide, and turn.

Demonstrate that figures and their flip, slide, and turn images are congruent.

Use transformations to form tessellations.

#### Coordinate Geometry

Develop coordinate readiness with tables and line graphs.

Plot points on a coordinate grid.

### Measurement

#### Length and Distance

Select appropriate units and tools to estimate and measure length.

Use meter sticks, 12-inch rulers, and yardsticks to measure length.

Measure length to the nearest half inch and inch.

Use referents to estimate distance.

Kindergarten

Grade 1

Grade 2

**Measurement (continued)**

**Length and Distance (continued)**

Explain the need for equal-length units to measure.

Count length units in groups of 10s and 1s.

Compare measurements made using different units.

Understand the inverse relationship between the size of a unit and the number of units.

Compare and measure lengths using customary and metric units.

Demonstrate partitioning and transitivity in relation to length.

Solve problems involving estimating, measuring, and computing length.

**Weight/Mass**

Order objects by weight.

Compare weights using non-standard units.

Compare and measure weights using non-standard units.

Compare two masses by comparing each with a third mass (transitivity).

Solve weight problems.

Compare and measure masses.

Solve mass problems.

**Capacity/Volume**

Compare capacities using non-standard units.

Measure volume (capacity) in liters.

Solve volume problems.

Grade 3

Grade 4

Grade 5

**Measurement (continued)**

**Length and Distance (continued)**

Estimate and measure length, distance, and height in meters, centimeters, and kilometers.

Convert among metric units of length.

Solve one- and two-step real-world problems in measurement.

**Weight/Mass**

Select appropriate units and tools to estimate and measure weight.

Use referents to estimate weight.

Estimate and find masses of objects.

Convert among units of mass.

**Capacity/Volume**

Select appropriate tools and units to estimate and measure volume and capacity.

Determine the volume and capacity of a container.

Relate the units of customary capacity to one another.

Use referents to estimate capacity.

Kindergarten

Grade 1

Grade 2

## Measurement (continued)

Capacity/  
Volume  
(continued)

## Time

Name and order the days of the week and the months of the year.

Read a calendar to identify the days of the week, months, and seasons of the year.

Recognize the correct way to write the date.

Tell time to the hour and half hour.

Compare durations of events.

Use A.M. and P.M. to write time.

Tell time to five minutes.

Find elapsed time.

## Temperature

## Angles

## Perimeter

Grade 3

Grade 4

Grade 5

## Measurement (continued)

**Capacity/  
Volume  
(continued)**

Estimate and measure capacity  
in liters and milliliters.

Convert among metric units of  
capacity.

**Time**

Read time on a digital clock.

Convert between hours and  
minutes.

Determine elapsed time.

Add and subtract units of time.

**Temperature**

Read a Fahrenheit  
thermometer.

Choose the appropriate  
tool and unit to measure  
temperature.

Use referents to estimate  
temperature.

**Angles**

Compare angles to right  
angles.

Estimate and measure angles  
with a protractor.

Classify angles by angle  
measure.

Relate  $\frac{1}{4}$ -,  $\frac{1}{2}$ -,  $\frac{3}{4}$ -, and full  
turns to the number of right  
angles.

Apply the idea that the sum of  
angles on a straight line  
is  $180^\circ$ .

Apply the idea that vertical  
angles are equal in measure.

Apply the idea that the sum of  
angles at a point is  $360^\circ$ .

**Perimeter**

Measure perimeter of plane  
figures.

Find the perimeter of  
composite figures.

Kindergarten

Grade 1

Grade 2

Measurement (continued)

Perimeter (continued)

Area

Compare areas using non-standard units.

Compose and decompose two-dimensional shapes (foundation for understanding area).

Develop foundations for understanding area.

Surface Area and Volume

Data Analysis

Classifying and Sorting

Understanding similarities and differences in objects and shapes.

Sorting and classifying objects using one or two attributes.

Sort and classify geometric shapes.

Sorting and classifying data in order to make graphs.

Sort and classify two- and three-dimensional shapes by properties.

Collect and organize data in picture graphs.

## Grade 3

## Grade 4

## Grade 5

## Measurement (continued)

**Perimeter (continued)**

Choose the appropriate tool, unit, and strategy to measure perimeter.

Solve problems involving the perimeter of squares, rectangles, and composite figures.

Estimate the perimeter of surfaces and objects.

**Area**

Find and compare the area of plane figures in different square units.

Explain area as an attribute of two-dimensional figures.

Make different plane figures with the same area.

Connect area measure to the area model for multiplication; use it to justify the formula for the area of a rectangle.

Find the area of triangles.

Estimate area of small and large surfaces.

Estimate and measure area in square units.

Compare the area and perimeter of two plane figures.

Select appropriate units, strategies, and tools to solve area problems.

Find the area of rectangles and composite figures.

Explain the relationships among area formulas of different polygons.

**Surface Area and Volume**

Decompose solid figures to find the surface area.

Estimate and measure volume in cubic units.

## Data Analysis

**Classifying and Sorting**

Classify and sort polygons and quadrilaterals by attributes and properties.

Collect and organize data in bar graphs and line plots.

Construct line plots, stem-and-leaf plots, tables, and line graphs.

Represent data in a double bar graph.

Kindergarten

Grade 1

Grade 2

**Data Analysis (continued)**

**Collect and Organize Data**

Organize data for a picture graph.

Collect and organize data in different ways.

Collect and organize data in different ways.

**Represent Data**

Represent data in pictographs.

Represent measurements and data in picture graphs, tally charts, and bar graphs.

Represent data in picture graphs.

**Interpret/ Analyze Data**

Interpret data in tally charts and pictographs.

Interpret data in picture graphs, tally charts, and bar graphs.

Interpret picture graphs with scales.

Read bar graphs with scales.

Solve problems involving data.

Solve real-world problems using picture graphs.

**Probability**

**Outcomes**

**Expressing Probability**

**Problem Solving**

**Build Skills Through Problem Solving**

Build skills in addition and subtraction through problem solving.

Build skills in addition, subtraction, and measurement through problem solving.

Build skills in addition, subtraction, multiplication, division, and measurement through problem solving.

**Houghton Mifflin Harcourt  
Math in Focus, Grade 3 ©2020**

<b>Multiply and divide within 100.</b>		
3.OA.7	Fluently multiply and divide within 100, using strategies such as the relationship between multiplication and division (e.g., knowing that $8 \times 5 = 40$ , one knows $40 \div 5 = 8$ ) or properties of operations. By the end of Grade 3, know from memory all products of two one-digit numbers.	<b>SE/TE 3A:</b> 221–222, 223–230, 231–234, 235–242, 243–246, 247–252, 253–256, 257–262, 263–266, 267–270, 271–272, 273–276, 277–278, 289–293, 294, 295–296, 300, 301–304, 305–306, 301–312
<b>Solve problems involving the four operations, and identify and explain patterns in arithmetic.</b>		
3.OA.8	Solve two-step word problems using the four operations. Represent these problems using equations with a letter standing for the unknown quantity. Assess the reasonableness of answers using mental computation and estimation strategies including rounding	<b>SE/TE 3A:</b> 121–128, 131–132, 136, 140–142, 143–145, 187–199, 201–202, 206, 208–212, 215, 366, 385–396, 397–400, 401, 402–403, 404, 405–408, 410–411
3.OA.9	Identify arithmetic patterns (including patterns in the addition table or multiplication table) and explain them using properties of operations.	<b>SE/TE 3A:</b> 77–84, 85–86, 136, 137, 279–284, 285–286, 300, 304

Standards	Descriptor	Citations
<b>3.NBT</b>	<b>Number and Operations in Base Ten</b>	
	<b>Use place value understanding and properties of operations to perform multi-digit arithmetic.</b>	
3.NBT.1	Use place value understanding to round whole numbers to the nearest 10 or 100.	<b>SE/TE 3A:</b> 41-44, 45-46, 47-52, 53-54, 57, 58, 62, 64, 65-66, 72-73, 105-106, 108, 115-117, 119-120, 122-123, 125-126, 131-132, 140, 180, 182, 189-190, 194, 198-199, 201-202, 208-209, 212
3.NBT.2	Fluently add and subtract within 1,000 using strategies and algorithms based on place value, properties of operations, and/or the relationship between addition and subtraction.	<b>SE/TE 3A:</b> 97-100, 101-102, 138-139, 141, 161-164, 165-166, 207-208, 213-214 <b>SE/TE 3B:</b> 4-14, 15-23, 24-26, 63-68, 69-74, 374-383
3.NBT.3	Multiply one-digit whole numbers by multiples of 10 in the range 10-90 (e.g., $9 \times 80$ , $5 \times 60$ ) using strategies based on place value and properties of operations.	<b>SE/TE 3A:</b> 323-324, 356
<b>3.NF</b>	<b>Number and Operations - Fractions</b>	
	<b>Develop understanding of fractions as numbers.</b>	
3.NF.1	Understand a fraction $1/b$ as the quantity formed by 1 part when a whole is partitioned into $b$ equal parts; understand a fraction $a/b$ as the quantity formed by $a$ parts of size $1/b$ .	<b>SE/TE 3B:</b> 5-10, 11-12, 13-17, 20, 21-23, 51, 52, 53-55, 57-58, 59-60
3.NF.2	Understand a fraction as a number on the number line; represent fractions on a number line diagram.	
3.NF.2.a	Represent a fraction $1/b$ on a number line diagram by defining the interval from 0 to 1 as the whole and partitioning it into $b$ equal parts. Recognize that each part has size $1/b$ and that the endpoint of the part based at 0 locates the number $1/b$ on the number line.	<b>SE/TE 3B:</b> 16-17, 23, 52, 56, 58
3.NF.2.b	Represent a fraction $a/b$ on a number line diagram by marking off a length $1/b$ from 0. Recognize that the resulting interval has size $a/b$ and that its endpoint locates the number $a/b$ on the number line.	<b>SE/TE 3B:</b> 16-17, 23, 52, 56, 58

Houghton Mifflin Harcourt *Math in Focus, Grade 3* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 3

Standards	Descriptor	Citations
3.NF.3	Explain equivalence of fractions in special cases, and compare fractions by reasoning about their size.	
3.NF.3.a	Understand two fractions as equivalent (equal) if they are the same size, or the same point on a number line.	<b>SE/TE 3B:</b> 35–38, 39–40, 52, 55–56, 61
3.NF.3.b	Recognize and generate simple equivalent fractions, e.g., $1/2 = 2/4$ , $4/6 = 2/3$ . Explain why the fractions are equivalent, e.g., by using a visual fraction model.	<b>SE/TE 3B:</b> 35–38, 39–40, 52, 55–56, 61
3.NF.3.c	Express whole numbers as fractions, and recognize fractions that are equivalent to whole numbers.	<b>SE/TE 3B:</b> 18–19, 24, 55
3.NF.3.d	Compare two fractions with the same numerator or the same denominator by reasoning about their size. Recognize that comparisons are valid only when the two fractions refer to the same whole. Record the results of comparisons with the symbols $>$ , $=$ , or $<$ , and justify the conclusions, e.g., by using a visual fraction model.	<b>SE/TE 3B:</b> 41–44, 45, 46, 47–48, 52, 57–58, 62
<b>3.MD Measurement and Data</b>		
<b>Solve problems involving measurement and estimation of intervals of time, liquid volumes, and masses of objects.</b>		
3.MD.1	Tell and write time to the nearest minute and measure time intervals in minutes. Solve word problems involving addition and subtraction of time intervals in minutes, e.g., by representing the problem on a number line diagram.	<b>SE/TE 3B:</b> 215–221, 222, 223–224, 232, 235, 240–246, 250, 254, 256–258, 260
3.MD.2	Measure and estimate liquid volumes and masses of objects using standard units of grams (g), kilograms (kg), and liters (L). Add, subtract, multiply, or divide to solve one-step word problems involving masses or volumes that are given in the same units, e.g., by using drawings (such as a beaker with a measurement scale) to represent the problem.	<b>SE/TE 3B:</b> 69–74, 75–76, 77–86, 87–88, 89–93, 94, 95–98, 99, 100, 102, 103–160, 107–109

Houghton Mifflin Harcourt *Math in Focus, Grade 3* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 3

Standards	Descriptor	Citations
<b>Represent and interpret data.</b>		
3.MD.3	Draw a scaled picture graph and a scaled bar graph to represent a data set with several categories. Solve one- and two-step “how many more” and “how many less” problems using information presented in scaled bar graphs.	<b>SE/TE 3B:</b> 269–278, 279–282, 283–288, 289–296, 297–300, 301–306, 317–319, 320, 321–323, 326–327, 330–331
3.MD.4	Generate measurement data by measuring lengths using rulers marked with halves and fourths of an inch. Show the data by making a line plot, where the horizontal scale is marked off in appropriate units— whole numbers, halves, or quarters.	<b>SE/TE 3B:</b> 307–312, 313–314, 315–316, 320, 324–325, 328, 332
<b>Geometric Measurement: understand concepts of area and relate area to multiplication and to addition.</b>		
3.MD.5	Recognize area as an attribute of plane figures and understand concepts of area measurement.	
3.MD.5.a	A square with side length 1 unit, called “a unit square,” is said to have “one square unit” of area, and can be used to measure area.	<b>SE/TE 3B:</b> 119–126, 127–130, 194, 195
3.MD.5.b	A plane figure which can be covered without gaps or overlaps by $n$ unit squares is said to have an area of $n$ square units.	<b>SE/TE 3B:</b> 119–126, 127–130, 194, 195
3.MD.6	Measure areas by counting unit squares (square cm, square m, square in., square ft, and improvised units).	<b>SE/TE 3B:</b> 131–138, 139–142, 143–150, 151–154, 156–159, 167–169, 192, 194, 196–198, 201, 207–208
3.MD.7	Relate area to the operations of multiplication and addition.	
3.MD.7.a	Find the area of a rectangle with whole-number side lengths by tiling it, and show that the area is the same as would be found by multiplying the side lengths.	<b>SE/TE 3B:</b> 160–162, 170, 198, 206
3.MD.7.b	Multiply side lengths to find areas of rectangles with whole-number side lengths in the context of solving real world and mathematical problems, and represent whole-number products as rectangular areas in mathematical reasoning.	<b>SE/TE 3B:</b> 160–162, 170, 204, 206

Houghton Mifflin Harcourt *Math in Focus, Grade 3* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 3

Standards	Descriptor	Citations
3.MD.7.c	Use tiling to show in a concrete case that the area of a rectangle with whole-number side lengths $a$ and $b + c$ is the sum of $a \times b$ and $a \times c$ . Use area models to represent the distributive property in mathematical reasoning.	SE/TE 3B: 160–161, 170, 198
3.MD.7.d	Recognize area as additive. Find areas of rectilinear figures by decomposing them into non-overlapping rectangles and adding the areas of the non-overlapping parts, applying this technique to solve real world problems.	SE/TE 3B: 163–166, 171–172, 194, 205–206
<b>Geometric measurement: recognize perimeter as an attribute of plane figures and distinguish between linear and area measures.</b>		
3.MD.8	Solve real world and mathematical problems involving perimeters of polygons, including finding the perimeter given the side lengths, finding an unknown side length, and exhibiting rectangles with the same perimeter and different areas, or with the same area and different perimeters.	SE/TE 3B: 157–159, 167–169, 173–181, 183–190, 191, 193, 194, 198–204, 209
<b>3.G</b>		
<b>Reason with shapes and their attributes.</b>		
3.G.1	Understand that shapes in different categories (e.g., rhombuses, rectangles, and others) may share attributes (e.g., having four sides), and that the shared attributes can define a larger category (e.g., quadrilaterals). Recognize rhombuses, rectangles, and squares as examples of quadrilaterals, and draw examples of quadrilaterals that do not belong to any of these subcategories.	SE/TE 3B: 377–389, 390, 391–394, 395, 396, 398, 400–401, 403–404
3.G.2	Partition shapes into parts with equal areas. Express the area of each part as a unit fraction of the whole.	SE/TE 3B: 5–10, 11–12, 13–15, 20, 21–22, 52, 53–53, 57, 59–60

## Math Journal, Put On Your Thinking Cap!

Pages 55 – 57   
Pacing: 1 day

### DAY 10 of 12

#### Heuristics

- Solve part of the problem
- Look for patterns

- **Student Edition 3A**, pp. 55 – 57 
- **Extra Practice and Homework 3A**, Put On Your Thinking Cap! 
- **Enrichment 3**, Put On Your Thinking Cap! 

- 2 Use mathematical reasoning
- 6 Use precise mathematical language
- 8 Look for patterns

Writing about Math, p. 9

## Chapter Wrap-Up, Chapter Review, Performance Task, Project Work

Pages 58 – 70   
Pacing: 2 days

### DAYS 11 – 12 of 12

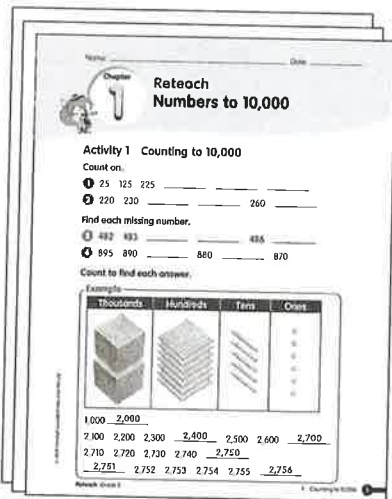

- Reinforce and consolidate chapter skills and concepts.

- **Student Edition 3A**, pp. 58 – 70 
- **Chapter Review** 
- **Assessment Guide 3**, Chapter Test 1

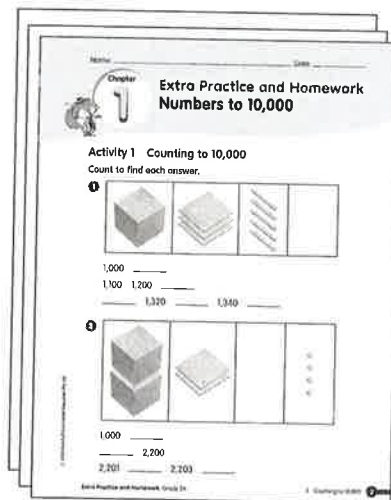

- 2 Use mathematical reasoning
- 7 Make use of structure

Extra Practice and Homework

Enrichment

## For Language Development

Select activities that reinforce the chapter vocabulary and the connections among these words, such as having students

- create a student-made dictionary that includes terms, definitions, and examples organized by chapter
- have a vocabulary bee by giving a definition and having students identify the term defined
- make flash cards for terms and examples, then mix and match
- discuss the Chapter Wrap-Up, encouraging students to use the chapter vocabulary

## For Advanced Learners

To provide additional challenges, have students work on

- Enrichment activities
- Put On Your Thinking Cap! questions in **Student Edition** and **Extra Practice and Homework**

## GATEWAY LESSON PLAN TEMPLATE

A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

### Weekly Lesson Plan Format

Week of: 9-23-19

Teacher:

<b>1. Identify the standard(s)</b>			
<b>Content Area:</b> <b>Subject: Math</b>			
<b>Grade: 3</b>			
<p>a) List standards to be addressed</p>	<p><b>3.NBT.1 Round whole numbers to the nearest 10 or 100.</b></p>		
<p>b) List activities currently implemented in the classroom and related skills</p>	<p>Mini-morning meeting to set culture in our small group.                      Use of manipulatives to introduce concept                      Use of white boards to practice concepts                      Student Workbook A                      Technology- class presentation power point slides                      Class conversations and content discussions                      Accessing Prior knowledge                      Individual and small group student check-ins                      Concrete-Pictorial-Abstract progression format                      Extra practice and homework activities                      Reteach and enrichment activities                      Lesson Homework</p>		
<b>2. Define the learning outcomes</b>			
<b>Level of support</b>	<b>Least support</b>	<b>Moderate support</b>	<b>Most support</b>
<p><b>List the desired outcomes for students</b></p>	<p>Reading directions with any lesson clarification necessary.</p> <p>Work completion is independent with minimal teacher support.</p>	<p>Directions read aloud with check for understanding with student.</p> <p>Periodic check-ins with student to assure</p>	<p>Directions read aloud and chunked as needed.</p> <p>Consistent check-ins are carried out.</p>

		<p>understanding and progress.          Preferential seating for quick teacher support.</p> <p>Assistance and redirection implemented as needed.</p> <p>Use of manipulations to aid in understanding.</p> <p>Modeling and examples for strategies used for lesson.</p>	<p>Student is seated in close proximity to the teacher or TA.</p> <p>All text is read aloud to student.</p> <p>Assigned items are discussed with student and responses are created aloud before the recording process begins.</p> <p>Strategies are suggested and modeled as necessary.</p> <p>Manipulatives are available at all times.</p> <p>Number of items required on assignment is altered as needed.</p> <p>Work is completed according to the IEP goals and objectives taking into account the accommodations housed in the IEP document.</p>
<p><b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b></p>	<p>Review of prior concepts-student led to check for understanding.</p> <p>Completed work graded.</p> <p>Analysis of work completed.</p> <p>Monitoring of student abilities to discuss their understanding of concepts and use of strategies.</p> <p>Math Unit assessments</p>		
<p><b>3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit</b></p>			
<p><b>List the instructional activities planned for all students:</b>          *Arts infusion          *Sensory based techniques</p>	<p><b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b></p>	<p><b>List supports that can be implemented to reduce barriers</b>          Note UDL's utilized in this lesson</p>	

<p><b>Monday-</b> Review concepts taught and practiced on the previous lesson related to number lines. Assign “Try” problems 1-3 to be completed in small group setting with teacher support and check-ins. Regroup with the whole class to go over and discuss the “engage” &amp; “learn” problems presented in student workbook pgs. 34-36. Students will independently complete the student pgs. 37 &amp; 38 with teacher support before completing the “Independent Practice work on 39 &amp; 40. Both teacher and para will rotate around the room to provide support and encouragement to students.</p> <p><b>Tuesday-</b> Review concepts taught having students provide new vocabulary, and strategies they have learned during this lesson. Break into small groups to complete “Extra Practice and Homework” pgs. with reteaching and support provided within the small group.</p> <p><b>Wednesday-</b> Unit 1, Lesson 4 Learning Objectives: <b>Use number lines and place values to round numbers to the nearest ten.</b> <b>Mathematical Habits: Use mathematical Habits</b> <b>Make use of Structure</b> <b>Lesson Vocabulary: round, estimate</b> Review and discuss learning objectives for this lesson. Have students solve “Think” problem with a partner and sharing their work with the class. Follow with lesson “Engage” and Learn” components (pgs. 41, 42 &amp; 43).</p> <p><b>Thursday-</b> Review concepts taught having students provide new vocabulary, and strategies they have learned during this lesson. ---	--	--

Value). Closely monitor student focus and success as they complete activities at their assigned level.		
<b>4. How will you utilize your paraprofessional during the academic classes?</b>		
The para professional will support whole group instruction by participating as a group member and assisting in the monitoring of student behavior, participation, and understanding. The para will assist in helping students adhere to the procedures and expectations in the classroom. The para will conduct small group lessons as per the teacher's lesson plans dictate, and will monitor bathroom, breaks, behavior, and participation as needed.		
<b>5. How will you utilize technology during the academic classes?</b>		
Technology will extend and enhance student learning by implementing the "Focus on Math online components for learning skills, solving problems, implementing new strategies, and learning skill based games and skill work.		
<b>6.</b>		

CHAPTER 1	NUMBERS TO 10,000
<b>What are the different ways you can represent a 4-digit number?</b>	
SECTION 1.1 Counting to 10,000	
Pages 7–16	Pacing: 1 day

**Learning Objectives**

Use base-ten blocks to count, read, and write numbers to 10,000.  
Count by 1s, 10s, 100s, and 1,000s to 10,000.

**Mathematical Habit**

Use mathematical reasoning

**New Vocabulary**

ten thousand

**Materials**

- 1 set of base-ten blocks per pair
- 1 copy of Place-Value Charts (Thousands, Hundreds, Tens, and Ones) (TR02) per pair

**Online Tool**

Virtual Manipulative: Represent Numbers to 9,999 Using Base-Ten blocks

**Standards**

CCSS.Math.Content.3.NBT.A.1
Use place value understanding to round whole numbers to the nearest 10 or 100.

# Assessment Guide

## Numbers to 10,000

25

Suggested Time:

30 min

### Section A Multiple-Choice Questions

(5 × 2 = 10 points)

1 Look at the number 2,078. Which place is the digit 7 in?

- (A) ones
- (B) tens
- (C) hundreds
- (D) thousands

2 Look for a pattern. What is the missing number?

1,239 1,339 1,439 1,539 \_\_\_\_\_

- (A) 1,639
- (B) 1,739
- (C) 1,839
- (D) 2,639

3 What is the expanded form of 8,014?

- (A)  $80 + 1 + 4$
- (B)  $800 + 1 + 40$
- (C)  $8,000 + 10 + 4$
- (D)  $8,000 + 100 + 40$

## Section B Short Answer Questions

(6 to 8 Part A, 8 Part B,  
8 Part C: 2 points each)

- 6 The trash machine will sound an alarm every 100 kilograms of trash loaded. The amount of trash in the machine now is 4,300 kilograms. What will be the next two weights for the machine to sound its alarm?

Show your work and write your answer in the space below.

8 This question has three parts.

**Part A**

Sara needed supplies for her new business. She bought a copy machine for \$667. How much did the copy machine cost, rounded to the nearest ten dollars?

Write your answer in the answer grid.

\$

⊙	⊙	⊙	⊙	⊙	⊙
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

**Part B**

Sara paid \$1,125 for a computer. How much did the computer cost, rounded to the nearest hundred dollars?

Write your answer in the answer grid.

\$

⊙	⊙	⊙	⊙	⊙	⊙
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

## Section C Constructed Response

(9): 3 points; (10): 2 points)

9 Daniel draws the number cards 4, 6, and 5 to make a 3-digit number. He says that 546 is the greatest number he can make because the 6 is in the place with the greatest value.

- Explain Daniel's mistake.
- What is the greatest number Daniel can make using the number cards?
- Explain how you arrived at your answer.

Write your answer and your work or explanation in the space below.

Common Core State Standards for Mathematics, Grade 4

Standards	Descriptor	Citations
4.NBT.3	Use place value understanding to round multi-digit whole numbers to any place.	SE/TE 4A: 6, 49–60, 79, 82–83, 98, 115–118, 120, 345
<b>Use place value understanding and properties of operations to perform multi-digit arithmetic.</b>		
4.NBT.4	Fluently add and subtract multi-digit whole numbers using the standard algorithm.	SE/TE 4A: 7–8, 41–48, 82–83, 98
4.NBT.5	Multiply a whole number of up to four digits by a one-digit whole number, and multiply two two-digit numbers, using strategies based on place value and the properties of operations. Illustrate and explain the calculation by using equations, rectangular arrays, and/or area models.	SE/TE 4A: 92–95, 101–120, 211, 215
4.NBT.6	Find whole-number quotients and remainders with up to four-digit dividends and one-digit divisors, using strategies based on place value, the properties of operations, and/or the relationship between multiplication and division. Illustrate and explain the calculation by using equations, rectangular arrays, and/or area models.	SE/TE 4A: 121–124, 125–152, 212, 215
<b>4.NF</b>		
<b>Number and Operations – Fractions</b>		
<b>Extend understanding of fraction equivalence and ordering.</b>		
4.NF.1	Explain why a fraction $a/b$ is equivalent to a fraction $(n \times a)/(n \times b)$ by using visual fraction models, with attention to how the number and size of the parts differ even though the two fractions themselves are the same size. Use this principle to recognize and generate equivalent fractions.	SE/TE 4A: 228, 231–235, 237–238, 327, 333, 335, 344

Houghton Mifflin Harcourt *Math in Focus, Grade 4* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 4

Standards	Descriptor	Citations
4.NF.2	Compare two fractions with different numerators and different denominators, e.g., by creating common denominators or numerators, or by comparing to a benchmark fraction such as $\frac{1}{2}$ . Recognize that comparisons are valid only when the two fractions refer to the same whole. Record the results of comparisons with symbols $>$ , $=$ , or $<$ , and justify the conclusions, e.g., by using a visual fraction model.	SE/TE 4A: 239–252, 327–328, 334, 336–337
<b>Build fractions from unit fractions by applying and extending previous understandings of operations on whole numbers.</b>		
4.NF.3	Understand a fraction $\frac{a}{b}$ with $a > 1$ as a sum of fractions $\frac{1}{b}$ .	
4.NF.3.a	Understand addition and subtraction of fractions as joining and separating parts referring to the same whole.	SE/TE 4A: 253–260, 328, 346
4.NF.3.b	Decompose a fraction into a sum of fractions with the same denominator in more than one way, recording each decomposition by an equation. Justify decompositions, e.g., by using a visual fraction model.	SE/TE 4A: 267–274, 275–281, 283–284, 328–329
4.NF.3.c	Add and subtract mixed numbers with like denominators, e.g., by replacing each mixed number with an equivalent fraction, and/or by using properties of operations and the relationship between addition and subtraction.	SE/TE 4A: 285–294, 329
4.NF.3.d	Solve word problems involving addition and subtraction of fractions referring to the same whole and having like denominators, e.g., by using visual fraction models and equations to represent the problem.	SE/TE 4A: 303–308, 315–316, 331, 336

Houghton Mifflin Harcourt *Math in Focus, Grade 4* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 4

Standards	Descriptor	Citations
4.NF.4	Apply and extend previous understandings of multiplication to multiply a fraction by a whole number.	
4.NF.4.a	Understand a fraction $a/b$ as a multiple of $1/b$ .	<b>SE/TE 4A:</b> 267–274, 275–281, 283–284, 296, 301, 330
4.NF.4.b	Understand a multiple of $a/b$ as a multiple of $1/b$ , and use this understanding to multiply a fraction by a whole number.	<b>SE/TE 4A:</b> 267–274, 275–281, 283–284, 295–299, 301–302, 324, 328–330
4.NF.4.c	Solve word problems involving multiplication of a fraction by a whole number, e.g., by using visual fraction models and equations to represent the problem.	<b>SE/TE 4A:</b> 311–314, 318–320, 321, 330–332, 333
<b>Understand decimal notation for fractions, and compare decimal fractions.</b>		
4.NF.5	Express a fraction with denominator 10 as an equivalent fraction with denominator 100, and use this technique to add two fractions with respective denominators 10 and 100.	<b>SE/TE 4A:</b> 387–388, 392, 399, 402
4.NF.6	Use decimal notation for fractions with denominators 10 or 100.	<b>SE/TE 4A:</b> 342–343, 347–354, 355–364, 383–388, 391–392, 394, 397, 399–400, 401–402
4.NF.7	Compare two decimals to hundredths by reasoning about their size. Recognize that comparisons are valid only when the two decimals refer to the same whole. Record the results of comparisons with the symbols $>$ , $=$ , or $<$ , and justify the conclusions, e.g., by using a visual model.	<b>SE/TE 4A:</b> 365–368, 373, 393, 395, 397–398, 400, 401–403

## DAYS 4–5 of 17

- Read and write numbers to 1,000,000 in standard form, word form, and expanded form.
- State the place and value of each digit in a 6-digit number.

million, period

- 1 set of place-value chips per pair
- 1 set of place-value strips per pair
- Base-ten thousand-cube
- 1 copy of Place-Value Chart (TR01) per student
- 1 copy of Find the Value Recording Sheet (TR02) per student

- **Student Edition 4A**, pp. 19 – 26 
- **Extra Practice and Homework 4A**, Activity 2 
- **Reteach 4**, Activity 2 
- **Enrichment 4**, Activity 2 

- Use mathematical models

- **4.NBT.1** Recognize that in a multi-digit whole number, a digit in one place represents 10 times what it represents in the place to its right.
- **4.NBT.2** Read and write multi-digit whole numbers. Compare two multi-digit numbers. Use  $>$ ,  $=$ , and  $<$  symbols.

Fact Strategy Practice, pp. 2 – 3

## DAY 6 of 17

- Compare and order numbers to 1,000,000.

- 1 set of place-value chips per pair
- 1 set of place-value strips per pair
- 1 copy of Place-Value Chart (TR01) per student
- 1 copy of Number Cards 0 – 9 (TR03) per pair

- **Student Edition 4A**, pp. 27 – 31 
- **Extra Practice and Homework 4A**, Activity 3 
- **Reteach 4**, Activity 3 
- **Enrichment 4**, Activity 3 

- Use precise mathematical language

- **4.NBT.2** Read and write multi-digit whole numbers. Compare two multi-digit numbers. Use  $>$ ,  $=$ , and  $<$  symbols.

Fact Strategy Practice, p. 3

Pages 80 – 88   
Pacing: 1 day

### DAY 16 of 17

#### Heuristics

- Make a systematic list
- Work backwards
- Solve part of the problem

### DAY 17 of 17

- Reinforce and consolidate chapter skills and concepts.

- **Student Edition 4A**, pp. 77 – 79 
- **Extra Practice and Homework 4A**, Put On Your Thinking Cap! 
- **Enrichment 4**, Put On Your Thinking Cap! 

- **Student Edition 4A**, pp. 80 – 88 
- **Chapter Review** 
- **Assessment Guide 4**, Chapter Test 1

- Persevere in solving problems
- Use mathematical reasoning
- Use precise mathematical language
- Look for patterns

- Persevere in solving problems

Extra Practice and Homework

Enrichment

## For Language Development

Select activities that reinforce the chapter vocabulary and the connections among these words, such as having students

- create a student-made dictionary that includes terms, definitions, and examples organized by chapter
- have a vocabulary bee by giving a definition and having students identify the term defined
- make flash cards for terms and examples, then mix and match
- discuss the Chapter Wrap-Up, encouraging students to use the chapter vocabulary

## For Advanced Learners

To provide additional challenges, have students work on

- Enrichment activities
- Put On Your Thinking Cap! questions in **Student Edition** and **Extra Practice and Homework**

CHAPTER 1	WORKING WITH WHOLE NUMBERS
<b>What are three different ways that you can read and write whole numbers?</b>	
SECTION 1.3 Comparing and Ordering Numbers	
Pages 27–40	Pacing: 3 days

**Learning Objectives**

- Compare and order numbers to 1,000,000.
- Identify how much more or less one number is than another.
- Find the rule to complete a number pattern.
- Create number patterns.

**Mathematical Habits**

- Use precise mathematical language
- Make use of structure
- Look for patterns

**Materials**

- 1 set of place-value chips per pair
- 1 set of place-value strips per pair
- 1 copy of Place-Value Chart (TR01) per student
- 1 copy of Number Cards 0–9 (TR03) per pair
- 1 number cube (6-sided die) per pair
- 1 decahedra dice per pair

**Online Tool**

Learn Video: Ordering Numbers to 100,00 Using a Place-Value Chart

**Standards**

<p>CCSS.Math.Content.4.OA.C.5 Generate a number or shape pattern that follows a given rule. Identify apparent features of the pattern that were not explicit in the rule itself.</p> <p>CCSS.Math.Content.4.NBT.A.2 Read and write multi-digit whole numbers using base-ten numerals, number names, and expanded form. Compare two multi-digit numbers based on meanings of the digits in each place, using <math>&gt;</math>, <math>=</math>, and <math>&lt;</math> symbols to record the results of comparisons.</p> <p>Open</p> <p>Add to Plan</p>

# Assessment Guide

## Working with Whole Numbers

25

Suggested Time:

30 min

### Section A Multiple-Choice Questions

(5 × 2 = 10 points)

- 1 Read the numbers.

89,724 89,427 89,247 92,478

Which is the least?

- (A) 92,478  
(B) 89,724  
(C) 89,427  
(D) 89,247
- 2 What is 273,629 when rounded to the nearest thousand?
- (A) 273,000  
(B) 273,600  
(C) 273,630  
(D) 274,000
- 3 What are the missing numbers?

 $60,702 = \underline{\hspace{2cm}} + 700 + \underline{\hspace{2cm}}$ 

- (A) 6,000 and 2  
(B) 6,000 and 20  
(C) 60,000 and 2  
(D) 60,000 and 20

- 4 Look for a pattern. What is the missing number?

26,783 25,783 24,783 23,783 \_\_\_\_\_

(A) 21,783

(B) 22,783

(C) 23,683

(D) 23,883

- 5 What is the sum of the value of 4 in 549,763 and the value of 9 in 387,962?

(A) 130,000

(B) 40,900

(C) 49,000

(D) 90,400

## Section B Short Answer Questions

(5 × 2 = 10 points)

6  $204,803 + 50,716 =$

Write your answer in the answer grid.

⊙	⊙	⊙	⊙	⊙	⊙
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

- 7 The cost of a television set is \$1,298. The cost of a refrigerator is \$2,501. About how much do both items cost in all?

Show your work and write your answer in the space below.

- 8 Store A earns \$10,347. Store A earns \$1,255 more than Store B. How much do the two stores earn in all?

Show your work and write your answer in the space below.

- 9 Tyler creates a number pattern for Ana to complete. Ana writes her answer in the blank.

8 7 10 9 12 11 14 13 16

Is Ana correct? Explain how you arrived at your answer.

Show your work and write your answer in the space below.

- 10 An amusement park had 5,985 visitors in March. There were 1,070 more visitors in March than in April. In May, there were 524 more visitors than the total number of visitors in March and April. How many visitors were there in May?

Show your work and write your answer in the space below.

## Section C Constructed Response

(11): 3 points; (12): 2 points)

11 Sara finds the difference between 37,519 and 25,378. She gets the answer 12,261.

- Explain Sara's mistake.
- What should the correct answer be?
- Explain how you arrived at your answer.

Write your answer and your work or explanation in the space below.

12 Amanda is thinking of a 5-digit number.

- The digit in the hundreds place is 7.
- The digit in the thousands place is the greatest possible digit.
- The digit in the ones place is double the digit in the ten thousands place.
- The digits in the thousands place and ones place add up to 17.
- The digits in the tens and ten thousands place add up to the digit in the hundreds place.

What number is Amanda thinking of?

Write your answer and your work or explanation in the space below.

Standards	Descriptor	Page Citations
SMP.5	Use appropriate tools strategically.	<p><b>For example:</b>  <b>SE/TE 5A:</b> 107F–107G, 107–112, 129–138</p> <p><b>SE/TE 5B:</b> 103, 135, 259</p>
SMP.6	Attend to precision.	<p><b>For example:</b>  <b>SE/TE 5A:</b> 1I, 45–62, 331L–331M, 375–388, 403–412</p> <p><b>SE/TE 5B:</b> 49, 123, 136, 137</p>
SMP.7	Look for and make use of structure.	<p><b>For example:</b>  <b>SE/TE 5A:</b> 1G, 1I–1K, 27–32, 45–74, 91–93, 107J, 163–165, 181L, 181P, 222–232, 269–286, 331P, 439–452</p> <p><b>SE/TE 5B:</b> 20, 126</p>
SMP.8	Look for and express regularity in repeated reasoning.	<p><b>For example:</b>  <b>SE/TE 5A:</b> 1G–1H, 1K, 19–44, 91–93, 181P, 269–286, 331K–331L, 331P, 363–378, 389–394, 439–452</p> <p><b>SE/TE 5B:</b> 22, 167</p>
<b>Standards for Mathematical Content</b>		
<b>5.OA Operations and Algebraic Thinking</b>		
<b>Write and interpret numerical expressions.</b>		
5.OA.1	Use parentheses, brackets, or braces in numerical expressions, and evaluate expressions with these symbols.	<p><b>SE/TE 5A:</b> 22, 27–28, 30, 31–32, 35–36, 40–42, 43–44, 55, 58, 62, 66, 68, 70–72, 74, 93, 96, 101, 186, 224, 228, 231–232, 238, 277</p> <p><b>SE/TE 5B:</b> 73–78</p>
5.OA.2	Write simple expressions that record calculations with numbers, and interpret numerical expressions without evaluating them.	<p><b>SE/TE 5A:</b> 63–66, 72, 78, 92, 101</p>

Houghton Mifflin Harcourt *Math in Focus, Grade 5* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 5

Standards	Descriptor	Page Citations
<b>Analyze patterns and relationships.</b>		
5.OA.3	Generate two numerical patterns using two given rules. Identify apparent relationships between corresponding terms. Form ordered pairs consisting of corresponding terms from the two patterns, and graph the ordered pairs on a coordinate plane.	SE/TE 5B: 91–102, 111–113
<b>5.NBT</b>		
<b>Number and Operations in Base Ten</b>		
<b>Understand the place value system.</b>		
5.NBT.1	Recognize that in a multi-digit number, a digit in one place represents 10 times as much as it represents in the place to its right and 1/10 of what it represents in the place to its left.	SE/TE 5A: 288–291, 293–300, 301–306, 309–310, 311–312, 315–316, 317, 318–319, 321–324, 325–328, 332–335, 339–346, 347–356, 357–362, 363–378, 379–388, 389–402, 413–420, 435, 436–438, 441–448
5.NBT.2	Explain patterns in the number of zeros of the product when multiplying a number by powers of 10, and explain patterns in the placement of the decimal point when a decimal is multiplied or divided by a power of 10. Use whole-number exponents to denote powers of 10.	SE/TE 5A: 19–32, 33–44, 92, 95–96, 102, 335, 363–378, 389–402
<b>5.NBT.3</b>		
Read, write, and compare decimals to thousandths.		
5.NBT.3.a	Read and write decimals to thousandths using base-ten numerals, number names, and expanded form, e.g., $347.392 = 3 \times 100 + 4 \times 10 + 7 \times 1 + 3 \times (1/10) + 9 \times (1/100) + 2 \times (1/1000)$ .	SE/TE 5A: 288–290, 293–300, 321, 324
5.NBT.3.b	Compare two decimals to thousandths based on meanings of the digits in each place, using $>$ , $=$ , and $<$ symbols to record the results of comparisons.	SE/TE 5A: 290, 301–306, 309–310, 319, 322, 325, 328
5.NBT.4	Use place value understanding to round decimals to any place.	SE/TE 5A: 292, 307–308, 310, 318–319, 322, 324, 326–327

Houghton Mifflin Harcourt *Math in Focus, Grade 5* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 5

Standards	Descriptor	Page Citations
<b>Perform operations with multi-digit whole numbers and with decimals to hundredths.</b>		
5.NBT.5	Fluently multiply multi-digit whole numbers using the standard algorithm.	<b>SE/TE 5A:</b> 3–6, 45–49, 59–60, 69–71, 73–74, 85, 87, 97, 100, 104  <b>SE/TE 5B:</b> 21–22, 26, 37–42, 43–48, 55–62, 63–64
5.NBT.6	Find whole-number quotients of whole numbers with up to four-digit dividends and two-digit divisors, using strategies based on place value, the properties of operations, and/or the relationship between multiplication and division. Illustrate and explain the calculation by using equations, rectangular arrays, and/or area models.	<b>SE/TE 5A:</b> 6–8, 33–44, 50–58, 61–62, 69–71, 73–74, 75–83, 85–90, 95–102, 103, 336–337  <b>SE/TE 5B:</b> 64
5.NBT.7	Add, subtract, multiply, and divide decimals to hundredths, using concrete models or drawings and strategies based on place value, properties of operations, and/or the relationship between addition and subtraction; relate the strategy to a written method and explain the reasoning used.	<b>SE/TE 5A:</b> 332–338, 339–346, 347–356, 357–362, 363–378, 379–388, 389–402, 403–412, 413–420, 421–434, 435, 436–438, 441–448, 449–451  <b>SE/TE 5B:</b> 245–258, 266–269, 270–273
<b>5.NF</b>		
<b>Number and Operations - Fractions</b>		
<b>Use equivalent fractions as a strategy to add and subtract fractions.</b>		
5.NF.1	Add and subtract fractions with unlike denominators (including mixed numbers) by replacing given fractions with equivalent fractions in such a way as to produce an equivalent sum or difference of fractions with like denominators.	<b>SE/TE 5A:</b> 123–138, 139–152, 153–162, 163, 164–165, 167–174, 175–178, 224, 228, 231–232, 251–268, 278–282, 283–285  <b>SE/TE 5B:</b> 68, 72, 73–78, 107–108, 115
5.NF.2	Solve word problems involving addition and subtraction of fractions referring to the same whole, including cases of unlike denominators, e.g., by using visual fraction models or equations to represent the problem. Use benchmark fractions and number sense of fractions to estimate mentally and assess the reasonableness of answers.	<b>SE/TE 5A:</b> 123–124, 127–128, 133–134, 137–138, 139–140, 143–144, 148, 150, 152, 168–169, 170, 173–174, 175, 185, 201–212, 251–268, 278, 280, 283–285

Houghton Mifflin Harcourt *Math in Focus, Grade 5* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 5

Standards	Descriptor	Page Citations
<b>Apply and extend previous understandings of multiplication and division to multiply and divide fractions.</b>		
5.NF.3	Interpret a fraction as division of the numerator by the denominator ( $a/b = a \div b$ ). Solve word problems involving division of whole numbers leading to answers in the form of fractions or mixed numbers, e.g., by using visual fraction models or equations to represent the problem.	<b>SE/TE 5A:</b> 113–122, 167, 170–171
5.NF.4	Apply and extend previous understandings of multiplication to multiply a fraction or whole number by a fraction.	
5.NF.4.a	Interpret the product $(a/b) \times q$ as $a$ parts of a partition of $q$ into $b$ equal parts; equivalently, as the result of a sequence of operations $a \times q \div b$ .	<b>SE/TE 5A:</b> 187–192, 193, 200, 201–212, 213–218, 219–232, 233–240, 241–250, 251–268, 269, 275–282, 283–285 <b>SE/TE 5B:</b> 241–244, 245–258, 261–263, 265–269, 270–273
5.NF.4.b	Find the area of a rectangle with fractional side lengths by tiling it with unit squares of the appropriate unit fraction side lengths, and show that the area is the same as would be found by multiplying the side lengths. Multiply fractional side lengths to find areas of rectangles, and represent fraction products as rectangular areas.	<b>SE/TE 5A:</b> 222–224, 227–228, 230–232, 277
<b>Perform operations with multi-digit whole numbers and with decimals to hundredths.</b>		
5.NF.5	Interpret multiplication as scaling (resizing), by:	
5.NF.5.a	Comparing the size of a product to the size of one factor on the basis of the size of the other factor, without performing the indicated multiplication.	<b>SE/TE 5A:</b> 193–197, 199, 213–214, 219–232, 277, 281
5.NF.5.b	Explaining why multiplying a given number by a fraction greater than 1 results in a product greater than the given number (recognizing multiplication by whole numbers greater than 1 as a familiar case); explaining why multiplying a given number by a fraction less than 1 results in a product smaller than the given number; and relating the principle of fraction equivalence $a/b = (n \times a)/(n \times b)$ to the effect of multiplying $a/b$ by 1.	<b>SE/TE 5A:</b> 225–226, 281

Houghton Mifflin Harcourt *Math in Focus, Grade 5* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 5

Standards	Descriptor	Page Citations
5.NF.6	Solve real world problems involving multiplication of fractions and mixed numbers, e.g., by using visual fraction models or equations to represent the problem.	<p><b>SE/TE 5A:</b> 187, 189, 192, 193–194, 201–212, 219–220, 222, 233–240, 251–268, 271, 278–282, 283–285</p> <p><b>SE/TE 5B:</b> 35–38, 42, 60, 73–78, 107–108, 115, 245–258</p>
5.NF.7	Apply and extend previous understandings of division to divide unit fractions by whole numbers and whole numbers by unit fractions.	
5.NF.7.a	Interpret division of a unit fraction by a non-zero whole number, and compute such quotients.	<b>SE/TE 5A:</b> 241–244, 249, 259–260, 262–263, 269, 278
5.NF.7.b	Interpret division of a whole number by a unit fraction, and compute such quotients.	<b>SE/TE 5A:</b> 247–248, 250, 261–263, 268, 278
5.NF.7.c	Solve real world problems involving division of unit fractions by non-zero whole numbers and division of whole numbers by unit fractions, e.g., by using visual fraction models and equations to represent the problem.	<b>SE/TE 5A:</b> 259–262, 268
<b>5.MD Measurement and Data</b>		
<b>Convert like measurement units within a given measurement system.</b>		
5.MD.1	Convert among different-sized standard measurement units within a given measurement system (e.g., convert 5 cm to 0.05 m), and use these conversions in solving multi-step, real world problems.	<p><b>SE/TE 5A:</b> 413–420, 437, 449–451</p> <p><b>SE/TE 5B:</b> 27–42, 57, 55–62, 63–64</p>
<b>Represent and interpret data.</b>		
5.MD.2	Make a line plot to display a data set of measurements in fractions of a unit ( $\frac{1}{2}$ , $\frac{1}{4}$ , $\frac{1}{8}$ ). Use operations on fractions for this grade to solve problems involving information presented in line plots.	<b>SE/TE 5B:</b> 68–69, 73–78, 103, 107–108, 115–117

Houghton Mifflin Harcourt *Math in Focus, Grade 5* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 5

Standards	Descriptor	Page Citations
<b>Geometric measurement: understand concepts of volume and relate volume to multiplication and to addition.</b>		
5.MD.3	Recognize volume as an attribute of solid figures and understand concepts of volume measurement.	<b>SE/TE 5B:</b> 7–9, 10
5.MD.3.a	A cube with side length 1 unit, called a “unit cube,” is said to have “one cubic unit” of volume, and can be used to measure volume.	<b>SE/TE 5B:</b> 5–10, 51–53
5.MD.3.b	A solid figure which can be packed without gaps or overlaps using $n$ unit cubes is said to have a volume of $n$ cubic units.	<b>SE/TE 5B:</b> 11–14, 23, 55, 61
5.MD.4	Measure volumes by counting unit cubes, using cubic cm, cubic in, cubic ft, and improvised units.	<b>SE/TE 5B:</b> 11–26, 50–53, 55, 61, 63–64
5.MD.5	Relate volume to the operations of multiplication and addition and solve real world and mathematical problems involving volume.	
5.MD.5.a	Find the volume of a right rectangular prism with whole-number side lengths by packing it with unit cubes, and show that the volume is the same as would be found by multiplying the edge lengths, equivalently by multiplying the height by the area of the base. Represent threefold whole-number products as volumes, e.g., to represent the associative property of multiplication.	<b>SE/TE 5B:</b> 11–26, 50–53, 61
5.MD.5.b	Apply the formulas $V = l \times w \times h$ and $V = b \times h$ for rectangular prisms to find volumes of right rectangular prisms with whole-number edge lengths in the context of solving real world and mathematical problems.	<b>SE/TE 5B:</b> 18–22, 25–26, 27–42, 43–48, 49, 50–53, 56–62, 63–64

Houghton Mifflin Harcourt *Math in Focus, Grade 5* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 5

Standards	Descriptor	Page Citations
5.MD.5.c	Recognize volume as additive. Find volumes of solid figures composed of two non-overlapping right rectangular prisms by adding the volumes of the non-overlapping parts, applying this technique to solve real world problems.	SE/TE 5B: 43–48, 61
<b>5.G Geometry</b>		
<b>Graph points on the coordinate plane to solve real-world and mathematical problems.</b>		
5.G.1	Use a pair of perpendicular number lines, called axes, to define a coordinate system, with the intersection of the lines (the origin) arranged to coincide with the 0 on each line and a given point in the plane located by using an ordered pair of numbers, called its coordinates. Understand that the first number indicates how far to travel from the origin in the direction of one axis, and the second number indicates how far to travel in the direction of the second axis, with the convention that the names of the two axes and the coordinates correspond (e.g., x-axis and x-coordinate, y-axis and y-coordinate).	SE/TE 5B: 70–71, 79–87, 89–90, 94–102, 109–114, 115–117
5.G.2	Represent real world and mathematical problems by graphing points in the first quadrant of the coordinate plane, and interpret coordinate values of points in the context of the situation.	SE/TE 5B: 70–71, 79–87, 89–90, 94–102, 109–114, 115–117
<b>Classify two-dimensional figures into categories based on their properties.</b>		
5.G.3	Understand that attributes belonging to a category of two-dimensional figures also belong to all subcategories of that category.	SE/TE 5B: 129–134, 135, 136–137, 139–140, 141–142
5.G.4	Classify two-dimensional figures in a hierarchy based on properties.	SE/TE 5B: 129–134, 135, 136–137, 139–140, 141–142

Reteach

Extra Practice and Homework

Enrichment

## For Language Development

Select activities that reinforce the chapter vocabulary and the connections among these words, such as having students

- create a student-made dictionary that includes terms, definitions, and examples organized by chapter
- have vocabulary bee by giving a definition and having students identify the term defined
- make flash cards for terms and examples, then mix and match
- discuss the Chapter Wrap-Up, encouraging students to use the chapter vocabulary

## For Advanced Learners

To provide additional challenges, have students work on

- Enrichment practices
- Put On Your Thinking Cap! questions in **Student Edition** and **Extra Practice and Homework**

Weekly Plan Format

Week of: 23Sept2019

Teacher:

1. Identify the standard(s)			
<b>Content Area: Math</b>	<b>Grade: 5</b>	<b>Chapter 1: Whole numbers and the 4 operations, Session 1: Numbers to 10,000,000</b>	
<p>a) List standards to be addressed</p> <p>5.NBT.1 – Read and write numbers to 10,000,000 in expanded, standard and word form.</p>			
<p>b) List activities currently implemented in the classroom and related skills</p> <ul style="list-style-type: none"> <li>• Turn and talk interactions when applicable</li> <li>• Small group work</li> <li>• Class discussion</li> <li>• Independent practice and completion of assigned work (SIWBS)</li> </ul>			
2. Define the learning outcomes			
Level of support	Least support	Moderate support	Most support
<p>List the desired outcomes for students</p>	<ul style="list-style-type: none"> <li>- Reading of directions with needed clarification</li> <li>- Work completion is independent.</li> <li>- Comprehension of material is evident in discussion and graded work.</li> </ul>	<ul style="list-style-type: none"> <li>- Directions read aloud with check for understanding with student.</li> <li>- Periodic check-ins with student to assure understanding and progress.</li> <li>- Seating is offered in best place for student to concentrate and get necessary help as needed.</li> <li>- Assistance and redirection implemented as needed.</li> <li>- Student demonstrates understanding of the content in discussions and work completed.</li> </ul>	<ul style="list-style-type: none"> <li>- Directions read aloud and chunked as needed. Consistent check-ins are carried out.</li> <li>- Student is seated in close proximity to the teacher or TA.</li> <li>- Any text is read aloud to and with the student.</li> <li>- Assigned items are discussed with the student and responses are created aloud before recording.</li> <li>- Assistance is offered with spelling support.</li> <li>- Student is able to participate in class discussion adding their thoughts and ideas with support from the teacher.</li> <li>- Work is completed with the necessary assistance and any supports/accommodations listed in IEP.</li> </ul>
<p>List the formative assessments (Be sure to include multiple ways for students to show what they know).</p>	<ul style="list-style-type: none"> <li>- Monitoring of responses in class discussions.</li> <li>- Graded work completed.</li> <li>- Analysis of work samples.</li> <li>- Monitoring of post-it questions, comments, or responses.</li> <li>- Analysis of any drawings or other depictions of</li> </ul>		

2019-2020

	<p>understanding/comprehension of taught material.</p> <ul style="list-style-type: none"> <li>- Oral responses to target questions.</li> <li>- Listening to Turn-and-Talk/ small group discussions.</li> <li>- Quizzes</li> <li>- Teacher made tests</li> </ul>		
<p><b>3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit</b></p>			
<p><b>List the instructional activities planned for all students:</b></p> <ul style="list-style-type: none"> <li>*Arts infusion</li> <li>*Sensory based techniques</li> </ul>	<p><b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b></p>	<p><b>List supports that can be implemented to reduce barriers</b>  <b>Note UDL's utilized in this lesson</b></p>	
<ul style="list-style-type: none"> <li>- Math sprints on basic skills.</li> <li>- Think (p11)</li> <li>- Workbook pages 11-16</li> </ul>	<ul style="list-style-type: none"> <li>- Student behavior and anxiety.</li> <li>- Some students struggle with basic math operations, fluency.</li> <li>- inappropriate use of materials</li> <li>- Inattention/unfocused</li> <li>- Difficulty with decoding and reading comprehension</li> <li>- Math vocabulary</li> <li>- Length of lesson</li> </ul>	<ul style="list-style-type: none"> <li>- Read aloud to student all text.</li> <li>- Intermittent reminders/prompts to refocus</li> <li>- Point chart</li> <li>- Sensory items</li> <li>- Model process being used and/or provide an example.</li> <li>- Break lessons into chunks.</li> <li>- Use highlighters to find key numbers, words and vocabulary in text.</li> <li>- Change position and groupings within the room.</li> </ul>	
<p><b>4. How will you utilize your paraprofessional during the academic class?</b></p>			
<p>The paraprofessional will facilitate small group instruction. He will monitor &amp; document behavior, assist students with following the procedures of the classroom expectations (bathroom, breaks, etc.) and assist individual students as needed.</p>			
<p><b>5. How will you utilize technology during the academic class?</b></p>			
<p>The ELMO will be utilized to present/review pages in the student workbook as well as display the electronic portions of the Math in Focus curriculum. Students will use assigned needed skills review and practice in Study Island, ixl and Math in Focus platform.</p>			
<p>6.</p>			

This Lesson Plan is subject to change.

CHAPTER 1	WHOLE NUMBERS AND THE FOUR OPERATIONS
<p><b>When do we use 7-digit numbers in real-world situations? Why are the four operations of whole numbers important in everyday life?</b></p>	
SECTION 1.2 Multiplying by Tens, Hundreds, Thousands, and Powers of Tens Pages 19–32	Pacing: 3 days

**Learning Objectives**

Use patterns to multiply numbers by 10, 100, and 1,000.  
Use multiples or powers of 10 to multiply.

**Mathematical Habits**

Make use of structure  
Look for patterns

**New Vocabulary**

base  
exponent  
power  
square  
cube

**Materials**

1 set of place-value chips per student  
1 set of place-value strips per student  
1 copy of Place-Value Chart (TR01) per student

**Online Tool**

Learn Video: Using Whole-Number Exponents to Denote Powers of 10

**Standards**

CCSS.Math.Content.5.NBT.A.2
<p>Explain patterns in the number of zeros of the product when multiplying a number by powers of 10, and explain patterns in the placement of the decimal point when a decimal is multiplied or divided by a power of 10. Use whole-number exponents to denote powers of 10.</p>

<b>Day 4 of 18</b>	Pages 19–22	Date:
--------------------	-------------	-------

**Think** (page 19)

(

**Engage** (page 19)

**Learn** (pages 19 to 20) Multiply by 10

**Hands-on Activity** (page 20) Multiplying by 10

**Try** (page 21)

**Math Talk** (page 21)

**Day 4 Wrap Up**

<b>Day 5 of 18</b>	Pages 22–27	Date:
--------------------	-------------	-------

**Engage** (page 22)

**Learn** (page 22) Multiply whole numbers by tens

**Try** (page 22)

(

**Engage** (page 23)

**Learn** (pages 23 to 24) Multiply by 100 and 1,000

**Hands-on Activity** (page 25) Multiplying by 100 and 1,000

**Try** (page 26)

**Math Talk** (page 26)

**Day 5 Wrap Up**

<b>Day 6 of 18</b>	Pages 27–30	Date:
--------------------	-------------	-------

**Engage** (page 27)

**Learn** (page 27) Multiply by hundreds and thousands

**Try** (page 28)

(

**Engage** (page 29)

**Learn** (pages 29 to 30) Multiply by powers of 10

**Try** (pages 30)

**Day 6 Wrap Up**

## **Practice, Differentiation, and Fact Fluency**

**Independent Practice** pp. 31–32 and on Ed: Your Friend in Learning

**Extra Support** TE p. 32A; Reteach 1.2

**On-Level** TE p. 32A; Extra Practice & Homework 1.2

**Advanced** TE p. 32A; Enrichment 1.2

**Fact Fluency** Fact Builder, p. 2; Fact Strategy Practice, p. 3; Fact Builder, p. 4

# Assessment Guide

## Whole Numbers and the Four Operations

### Section A Multiple-Choice Questions

(5 × 2 = 10 points)

- 1 What is the missing number?  
 $3,000,000 + 20,000 + 300 + 50 = \underline{\hspace{2cm}}$
- (A) 3,020,350  
(B) 3,023,050  
(C) 3,303,050  
(D) 3,230,050
- 2 What is nine million, fifty-nine thousand, twenty-one in standard form?
- (A) 959,021  
(B) 9,059,021  
(C) 9,059,201  
(D) 9,590,021
- 3 What is the value of  $300 \times 10^3$ ?
- (A) 3,000  
(B) 30,000  
(C) 300,000  
(D) 3,000,000

- 4 There are 2,700 chairs in a hall. There are 90 chairs in each row. How many rows are there?
- (A) 27
  - (B) 30
  - (C) 270
  - (D) 300
- 5 Every month, a restaurant owner buys 1,045 cartons of rice. Each carton holds 40 packets of rice. How many packets of rice does the restaurant owner buy in 10 months?
- (A) 4,180
  - (B) 41,800
  - (C) 418,000
  - (D) 4,180,000

## Section B Short-Answer Questions

(5 × 2 = 10 points)

6 Write 4,375,612 in word form.

7  $6,452 \times 35 =$

Write your answer in the answer grid.

⊙	⊙	⊙	⊙	⊙	⊙
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

8 Divide 2,673 by 37.

Show your work and write your answer in the space below.

- 9 What is the value of  $23 - 5 \times (7 - 3)$ ?

Show your work and write your answer in the space below.

- 10 A load of wheat weighs 125 pounds. The wheat is packed into 20-pound bags. How many 20-pound bags of wheat are there?

Show your work and write your answer in the space below.

## Section C Constructed Response

(11): 3 points; (12): 2 points)

11 What is the 7-digit secret code?

Use the following clues to solve the secret code.

- All seven digits are different.
- The digit in the ten thousands place is 8.
- The digit in the thousands place is twice the digit in the hundred thousands place.
- The digit in the ones place is 4 more than the digit in the millions place.
- The digit in the millions place is 8 less than the digit in the hundreds place.
- The digit in the tens place is 2 more than the digit in the millions place.

Write your answer and your work or explanation in the space below.

# Scope and Sequence by Common Core Domain GRADES 6-8

Ratios and Proportional Relationships		Course 1	Course 2	Course 3
<b>Ratios</b>	Understand the concept of ratio and use ratio language to describe proportional relationships.	Compute unit rates where the terms are given in fractional units.	Define the slope of a line as the ratio of the vertical change to the horizontal change of the line.	
	Find the missing term in a pair of equivalent ratios or in a rate table.	Explore the relationship between two quantities that vary directly or inversely.		
<b>Representing Ratios</b>	Plot pairs of equivalent rates in the coordinate plane.	Solve problems involving scale drawings.		
	Use tables to compare ratios.	Use proportional reasoning to solve multi-step ratio and percent problems.		
<b>Ratios and Proportional Relationships</b>	Solve multi-step real-world problems involving ratios using bar models.			
<b>Representing Ratios</b>	Use multiplication or division to write equivalent ratios.	Represent quantities that vary directly or indirectly using equations or graphs from verbal descriptions.	Graph proportional relationships, interpreting the unit rate as the slope of the graph.	
	Make tables of equivalent ratios, including whole number measurements.	Find the constant of proportionality for quantities that vary directly or inversely from tables, graphs, verbal descriptions, or diagrams, such as scale drawings.	Compare two different proportional relationships represented in different ways.	
	Use bar models to solve problems involving ratios of three quantities.	Explain what the points $(x, y)$ , $(0, 0)$ , and $(1, c)$ mean in the graph of a given proportional context.	Establish the constant of proportionality in similar figures.	
			Use scales and scale factors to solve problems related to scale drawings and scale models.	

Ratios and Proportional Relationships	Rates	Percents
	Understand the concept of a ratio and use ratio language to describe proportional relationships. Find the missing term in a pair of equivalent ratios or in a rate table.	Solve problems involving percent increases and decreases.
	Plot pairs of equivalent rates in the coordinate plane. Use tables to compare ratios.	Solve problems involving percent increases and decreases.
	Solve multi-step real-world problems involving ratios using bar models.	Solve problems involving percent increases and decreases.

# Scope and Sequence by Common Core Domain GRADES 6-8

The Number System (c)		Course 1	Course 2	Course 3
Sets and Numbers	Understand that positive and negative numbers can be used to describe quantities having opposite directions or values. Use positive and negative numbers to represent quantities in real-world contexts. Understand rational numbers as points on the number line. Extend number lines to represent points with negative coordinates; locate negative integers on a horizontal or vertical number line. Use negative numbers to identify and locate points in all four quadrants of the coordinate plane. Understand that the absolute value of a number is its distance from 0 on the number line. Interpret the absolute value of a rational number as magnitude for a positive or negative quantity in a given context.	Know that the set of positive and negative fractions, along with 0, make up the rational number system. Understand that some numbers, such as pi or the square root of 2, are irrational. Know that the set of real numbers is composed of the two distinct sets: rational numbers and irrational numbers. Understand that every rational number has a terminating or repeating decimal expansion.	Know that numbers that are not rational are called irrational.	
		Understand that positive and negative numbers can be used to describe quantities having opposite directions or values. Use positive and negative numbers to represent quantities in real-world contexts. Understand rational numbers as points on the number line. Extend number lines to represent points with negative coordinates; locate negative integers on a horizontal or vertical number line. Use negative numbers to identify and locate points in all four quadrants of the coordinate plane. Understand that the absolute value of a number is its distance from 0 on the number line. Interpret the absolute value of a rational number as magnitude for a positive or negative quantity in a given context.		
Number Representations	Represent decimals as a number. Relate whole of a square of a number of a number of a cube of a number to 1500.			
Compare and Order	Write, explain order of integers. Interpret inequalities about two numbers.

# Scope and Sequence by Common Core Domain GRADES 6-8

## Course 1

### Expressions and Equations (continued)

#### Functional Relationships

Use variables to write equations representing two real-world quantities that change in relation to one another.

Analyze the relationship between an independent and dependent variable using graphs, tables, and equations.

## Course 2

Create function tables using a spreadsheet.

Represent a direct proportion as a function table, an equation, and a graph.

Represent an inverse proportion using a function table (with an appropriate range), an equation, and a graph.

## Course 3

Understand that a function is a rule that assigns to each input exactly one output.

Represent functions algebraically, in tables, and in graphs.

Know that the graph of a function is the set of ordered pairs consisting on an input and its corresponding output.

Compare properties of two functions each represented in a different way (algebraically, graphically, numerically in tables, or by verbal descriptions).

Interpret the equation  $y = mx + b$  as defining a linear function.

Determine and interpret the rate of change and initial value of a function from the context or data.

Give examples of functions that are not linear.

Construct a function to model a linear relationship between two quantities.

### Expressions and Equations

#### Expressions/Models

Write numerical expressions involving exponents.

Write algebraic expressions using operations.

Identify expressions such as products.

Use the distributive property to write expressions.

Factor expressions from a product.

Identify expressions and use the distributive property to write expressions.

Solve linear equations with one variable.

# Scope and Sequence by Common Core Domain GRADES 6-8

## Course 1

## Course 2

## Course 3

### Expressions and Equations (continued)

#### Number Sentences, Equations and Inequalities

Use substitution to identify value(s) that make an equation or inequality true. Write and solve addition and multiplication equations to solve real-world problems. Write and evaluate an inequality of the form  $x < c$  or  $x > c$  to represent a real-world situation. Recognize that an inequality of the form  $x < c$  or  $x > c$  has an infinite number of solutions and represent the solutions on a number line.

Identify equivalent equations. Write equivalent equations using properties of equality. Solve two-step equations of the form  $ax + b = c$  and  $a(x + b) = c$ . Solve equations with the variable on both sides of the equation. Solve one-step inequalities using addition, subtraction, multiplication, or division. Solve word problems that lead to inequalities of the form  $ax + b > c$  or  $ax + b < c$ . Graph the solution set of an inequality in one variable on a number line and interpret it in the context of a real-world problem.

Use square root and cube root radicals to represent solutions to equations. Give examples of linear equations in one variable with one solution, infinitely many solutions, or no solution. Solve linear equations with rational coefficients, including equations that require expanding and collecting like terms. Identify the slope, x-intercept, and y-intercept of a linear equation. Sketch the graph of a linear equation and write a linear equation from a graph or set of data. Know that the solutions to a system of linear equations in two variables correspond to points of intersection of their graphs. Solve systems of two linear equations in two variables algebraically. Estimate the solution of a system of two linear equations in two variables

### Expressions and Equations

#### The Coordinate Plane

Use nested radicals to represent solutions to equations. Give examples of linear equations in one variable with one solution, infinitely many solutions, or no solution. Solve linear equations with rational coefficients, including equations that require expanding and collecting like terms. Identify the slope, x-intercept, and y-intercept of a linear equation. Sketch the graph of a linear equation and write a linear equation from a graph or set of data. Know that the solutions to a system of linear equations in two variables correspond to points of intersection of their graphs. Solve systems of two linear equations in two variables algebraically. Estimate the solution of a system of two linear equations in two variables

Congruence and Similarity

# Scope and Sequence by Common Core Domain GRADES 6-8

Geometry (continued)		Course 1	Course 2	Course 3
Perimeter and Circumference	Understand the formulas for circumference and derive them. Use area to find the circumference of circles and quarter circles. Solve problems involving the circumference of circles.			Verify experimentally that rotations, reflections, and translations preserve lengths, angle measures, parallelism, and perpendicularity. Find the image of a figure in the coordinate plane under a translation, rotation, reflection, or dilation. Understand that two figures are congruent if one can be moved onto the other by a series of translations, reflections, and rotations. Understand that two figures are similar if one can be moved onto the other by a series of translations, reflections, rotations, and dilations. Given two congruent or similar figures in a plane, find a sequence of transformations that moves one onto the other.
		Area		Know that arcs of circles can be used to mark off equal distances on a line
Area	Find the area of parallelograms and rectangles by decomposing them into triangles and squares. Find the area of a polygon by decomposing it into triangles and rectangles. Understand that the area of a circle is the limit of the area of inscribed polygons. Understand that the area of a circle is the limit of the area of circumscribed polygons. Use the area of a circle to solve problems involving circles.	Identify the center, radius, diameter, and circumference of a circle.	Apply the formula for the area of a circle to develop the surface area of a cylinder.	
Circles

## STANDARDS FOR MATHEMATICAL PRACTICE

	Course 1	Course 2	Course 3
<b>4. Model with mathematics</b> <b>Interpret phenomena through representations.</b>	Use exponents to represent repeated multiplication. Represent negative numbers on a number line and in the coordinate plane. Represent solutions of inequalities on a number line. Understand absolute value of a rational number as its distance from 0 on a number line. Find equivalent ratios and rates.	Introduce integers and rational numbers and their definitions. Introduce irrational numbers and illustrate with examples such as $\sqrt{2}$ and $\pi$ . Map rational and irrational numbers on the number line. Understand subtraction of rational numbers as adding the additive inverse. Use the laws of equality to write equivalent equations.	Write numbers in exponential notation. Interpret numbers in scientific notation that have been generated by technology. Apply properties of real numbers to manipulate variables when solving linear equations in two variables. Give examples of linear equations in one variable with one solution, infinitely many solutions, or no solution. Represent functions algebraically, in tables, and in graphs. Construct a function to model a linear relationship between two quantities.
	Use exponents to represent repeated multiplication. Represent negative numbers on a number line and in the coordinate plane. Represent solutions of inequalities on a number line. Understand absolute value of a rational number as its distance from 0 on a number line. Find equivalent ratios and rates.	Introduce integers and rational numbers and their definitions. Introduce irrational numbers and illustrate with examples such as $\sqrt{2}$ and $\pi$ . Map rational and irrational numbers on the number line. Understand subtraction of rational numbers as adding the additive inverse. Use the laws of equality to write equivalent equations.	Write numbers in exponential notation. Interpret numbers in scientific notation that have been generated by technology. Apply properties of real numbers to manipulate variables when solving linear equations in two variables. Give examples of linear equations in one variable with one solution, infinitely many solutions, or no solution. Represent functions algebraically, in tables, and in graphs. Construct a function to model a linear relationship between two quantities.
<b>Use representations to model, organize, and record quantities.</b>	Translate between fractions, decimals, ratios, and percents. Select the most useful form (fraction or decimal) for solving problems involving percents.	Translate among the various forms for rational numbers. Select the most useful form of a rational number to solve real-world and mathematical problems.	Know and apply the properties of integer exponents to write equivalent expressions. Use square root and cube root radicals to represent solutions to equations.

### 4. Model with mathematics

Use representations to model, organize, and record quantities (continued).

Use appropriate representations to model, organize, and record quantities (continued).

# Scope and Sequence by Common Core Domain GRADES 6-8

## STANDARDS FOR MATHEMATICAL PRACTICE

		Course 1	Course 2	Course 3
5. Use appropriate tools.	Choose among tools: pencil and paper, concrete models, or technology in developing skills.			
	Use appropriate tools: pencil and paper, concrete models, or technology in developing skills.			
4. Model with mathematics (continued)	Use variables and coordinate grids to represent and model.	Understand that a variable can represent an unknown number, or, depending on the purpose at hand, any number in a specified set.	Extend the use of variables to write and solve simple equations for an unknown angle in a figure.	Use number patterns as a context for generating equations in two variables.
	Use letters as variables in algebraic expressions, equations, inequalities, and formulas.	Use letters as variables in algebraic expressions, equations, inequalities, and formulas.	Understand that rewriting a variable expression in different forms can shed light on how the quantities in a problem are related.	Apply properties of real numbers to manipulate variables when solving linear equations in two variables.
	Represent equivalent ratios and rates in tape diagrams, double number line diagrams, equations, or coordinate graphs.	Identify the constant of proportionality in tables, graphs, and equations.	Know that the graph of a function is the set of ordered pairs consisting of an input and its corresponding output.	Represent functions algebraically, in tables, and in graphs.
	Use a coordinate grid to represent polygons and equations.	Use a coordinate grid to represent direct and inverse variation.	Compare properties of two functions each represented in a different way (algebraically, graphically, numerically in tables, or by verbal descriptions).	Use technology to solve problems involving area, perimeter, and volume.
			Sketch the graph of a linear equation and write a linear equation from a graph or set of data.	Use technology to solve problems involving area, perimeter, and volume.
			Represent systems of linear equations algebraically and graphically.	Use technology to solve problems involving area, perimeter, and volume.
			Graph proportional relationships, interpreting	Use technology to solve problems involving area, perimeter, and volume.

## STANDARDS FOR MATHEMATICAL PRACTICE

6. Attend to precision		Course 1	Course 2	Course 3
Communicate precisely by using mathematical language and symbols clearly in discussion with others.	Understand and use the lesson vocabulary to explain reasoning.	Understand and use the lesson vocabulary to explain reasoning.	Understand and use the lesson vocabulary to explain reasoning.	Use the lesson vocabulary to explain reasoning.
	Interpret symbols of relation in comparing positive and negative numbers, as well as absolute values.	Interpret symbols of relation in comparing positive and negative numbers, as well as absolute values.	Interpret symbols of relation in comparing real numbers.	Know that numbers that are not rational are irrational.
Recognize connections in mathematical ideas.	Recognize opposite signs of numbers as indicating locations on opposite sides of 0 on the number line or in the coordinate plane.	Recognize opposite signs of numbers as indicating locations on opposite sides of 0 on the number line or in the coordinate plane.	Show that all rational numbers can be written as either terminating or repeating decimals.	Interpret symbols of relation in comparing real numbers and the relative sizes of two measurements expressed in scientific notation.
	Draw and label bar models, identifying parts and units.	Draw and label bar models, identifying parts and units.	Understand that rewriting an expression in different forms can shed light on how the quantities in a problem are related.	Use square root and cube root radicals to represent solutions to equations.
Relate and reason about mathematical ideas.	Identify parts of an algebraic expression using mathematical terms (sum, term, product, factor, quotient, coefficient).	Identify parts of an algebraic expression using mathematical terms (sum, term, product, factor, quotient, coefficient).	Identify and label parts of cylinders, cones, and spheres.	Identify and interpret the slope, x-intercept, and y-intercept of a linear equation.
	Understand that pi represents the relationship between the circumference and diameter of a circle.	Understand that pi represents the relationship between the circumference and diameter of a circle.	Understand that pi is an irrational number.	Understand that a function is a rule that assigns to each input exactly one output.
Apply operations and algebraic expressions.	Express surface area in square units and volume in cubic units.	Express surface area in square units and volume in cubic units.	Express surface area in square units and volume in cubic units.	Interpret the equation $y = mx + b$ as defining a linear function.
	Use estimation to check the reasonableness of multi-digit computations with decimals and percents.	Use estimation to check the reasonableness of multi-digit computations with decimals and percents.	Use estimation strategies to check the reasonableness of rational and irrational numbers.	Identify inconsistent and dependent systems of equations.
Examine two- and three-dimensional figures.		Write numbers to a specific number of significant digits.	Write numbers to a specific number of significant digits.	Describe the effect of dilations, translations, rotations, and reflections on two-dimensional figures in the plane.

### 7. Look for and make use of structure

Consolidate mathematical thinking.

Present mathematical thinking in journals and class discussions.

Recognize connections in mathematical ideas.

Relate and reason about mathematical ideas.

Understand and use the lesson vocabulary to explain reasoning.

Interpret symbols of relation in comparing positive and negative numbers, as well as absolute values.

Recognize opposite signs of numbers as indicating locations on opposite sides of 0 on the number line or in the coordinate plane.

Draw and label bar models, identifying parts and units.

Identify parts of an algebraic expression using mathematical terms (sum, term, product, factor, quotient, coefficient).

Understand that pi represents the relationship between the circumference and diameter of a circle.

Express surface area in square units and volume in cubic units.

Use estimation to check the reasonableness of multi-digit computations with decimals and percents.

Examine two- and three-dimensional figures.

Describe the effect of dilations, translations, rotations, and reflections on two-dimensional figures in the plane.

6.EE.3	Apply the properties of operations to generate equivalent expressions.	SE/TE: Course 1B: 23–24, 55
6.EE.4	Identify when two expressions are equivalent (i.e., when the two expressions name the same number regardless of which value is substituted into them).	SE/TE: Course 1B: 20, 24, 27–30, 32–34, 44, 48
<b>Reason about and solve one-variable equations and inequalities.</b>		
6.EE.5	Understand solving an equation or inequality as a process of answering a question: which values from a specified set, if any, make the equation or inequality true? Use substitution to determine whether a given number in a specified set makes an equation or inequality true.	SE/TE: Course 1B: 57–66, 83–97, 101–102, 104–106, 108
6.EE.6	Use variables to represent numbers and write expressions when solving a real-world or mathematical problem; understand that a variable can represent an unknown number, or, depending on the purpose at hand, any number in a specified set.	SE/TE: Course 1B: 5–9, 11–14, 16–20, 23, 25–26, 34–41, 43–50, 67–76, 77–82
6.EE.7	Solve real-world and mathematical problems by writing and solving equations of the form $x + p = q$ and $px = q$ for cases in which $p$ , $q$ and $x$ are all nonnegative rational numbers.	SE/TE: Course 1B: 57–66, 77–82, 97, 108
6.EE.8	Write an inequality of the form $x > c$ or $x < c$ to represent a constraint or condition in a real-world or mathematical problem. Recognize that inequalities of the form $x > c$ or $x < c$ have infinitely many solutions; represent solutions of such inequalities on number line diagrams.	SE/TE: Course 1B: 83–96

<b>Represent and analyze quantitative relationships between dependent and independent variables.</b>		
6.EE.9	Use variables to represent two quantities in a real-world problem that change in relationship to one another; write an equation to express one quantity, thought of as the dependent variable, in terms of the other quantity, thought of as the independent variable. Analyze the relationship between the dependent and independent variables using graphs and tables, and relate these to the equation.	SE/TE: Course 1B: 67–76, 107, 109
<b>6.G</b>		
<b>Geometry</b>		
<b>Solve real-world and mathematical problems involving area, surface area, and volume.</b>		
6.G.1	Find the area of right triangles, other triangles, special quadrilaterals, and polygons by composing into rectangles or decomposing into triangles and other shapes; apply these techniques in the context of solving real-world and mathematical problems.	SE/TE: Course 1B: 114, 159–172, 173–190, 191–200, 201, 202–203, 205–212
6.G.2	Find the volume of a right rectangular prism with fractional edge lengths by packing it with unit cubes of the appropriate unit fraction edge lengths, and show that the volume is the same as would be found by multiplying the edge lengths of the prism. Apply the formulas $V=lwh$ and $V=bh$ to find volumes of right rectangular prisms with fractional edge lengths in the context of solving real-world and mathematical problems.	SE/TE: Course 1B: 237–246, 249, 258, 260–264
6.G.3	Draw polygons in the coordinate plane given coordinates for the vertices; use coordinates to find the length of a side joining points with the same first coordinate or the same second coordinate. Apply these techniques in the context of solving real-world and mathematical problems.	SE/TE: Course 1B: 119–120, 122, 129–132, 134–136
6.G.4	Represent three-dimensional figures using nets made up of rectangles and triangles, and use the nets to find the surface area of these figures. Apply these techniques in the context of solving real-world and mathematical problems.	SE/TE: Course 1B: 217–236, 250, 255–257

Extra Practice and Homework

Enrichment

## For Language Development

- Select activities that reinforce the chapter vocabulary and the connections among these words, such as having students
- create a student-made dictionary that includes terms, definitions, and examples organized by chapter
  - have a vocabulary bee by giving a definition and having students identify the term defined
  - make flash cards for terms and examples, then mix and match
  - discuss the Chapter Wrap-Up, encouraging students to use the chapter vocabulary

## For Advanced Learners

- To provide additional challenges, have students work on
- Enrichment activities
  - Put On Your Thinking Cap! questions in **Student Edition** and **Extra Practice and Homework**

**GATEWAY LESSON PLAN TEMPLATE**

A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

**Weekly Lesson Plan Format**

Week of: 9/23  
Teacher:

<b>1. Identify the standard(s)</b>			
<b>Content Area:</b> 6th	<b>Subject</b> Math	<b>Grade:</b> 6 <sup>th</sup>	
<b>a) List standards to be addressed</b>	<p><b>CCSS.Math.Content.6.NS.B.4</b> Find the greatest common factor of two whole numbers less than or equal to 100 and the least common multiple of two whole numbers less than or equal to 12. Use the distributive property to express a sum of two whole numbers 1–100 with a common factor as a multiple of a sum of two whole numbers with no common factor.</p> <p><b>CCSS.Math.Content.6.EE.A.1</b> Write and evaluate numerical expressions involving whole-number exponents.</p>		
<b>b) List activities currently implemented in the classroom and related skills</b>	IXL, Math computation, and Math word problems that incorporate other mathematical concepts.		
<b>2. Define the learning outcomes</b>			
<b>Level of support</b> →	<b>Least support</b>	<b>Moderate support</b>	<b>Most support</b>
<b>List the desired outcomes for students</b>	Students will be able to find the least common multiple and the greatest common factor	Students will be able to find the factor and multiples of at least 2 numbers. They may have difficulty with remembering and recalling how to find LCM and GCF	Students will still struggle the difference from multiples and factors.

<p><b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b></p>	<p>These students will be able to explain to their peers these concepts. They also will receive enrichment work that will incorporate high order thinking Students will also receive homework</p>	<p>These students will be chosen throughout the lesson to explain their answers to their peers as well but in a smaller setting. Students will Students will also receive homework</p>	<p>Students will have a work that will reteach the concepts and also strengthen their understanding. Students will also receive homework</p>
<p><b>3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit</b></p>			
<p><b>List the instructional activities planned for all students:</b> *Arts infusion *Sensory based techniques</p>	<p><b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b></p>	<p><b>List supports that can be implemented to reduce barriers</b> Note UDL's utilized in this lesson</p>	
<p>Cartesian Diver experiment(hands on)</p>	<p>Some students struggle with partner/group work and will refuse to do so. Students will not have the confidence and be unsure of the answer or the process which will lead to some giving up or acting up</p>		
<p><b>4. How will you utilize your paraprofessional during the academic classes? My para will be circulating throughout the room. He will be helping students with organizing of thoughts allowing them to come to the solution. If need be he pull a small group chosen by the teaching and working with them.</b></p>			
<p><b>5. How will you utilize technology during the academic classes? Students will be IXL for extra practice of this concept. This will be used for earlier finishers along with students who struggle and need extra practice.</b></p>			
<p><b>6.</b></p>			

CHAPTER 1	WHOLE NUMBERS, PRIME NUMBERS, AND PRIME FACTORIZATION
<b>How do you express a whole number as a product of its factors?</b>	
SECTION 1.1 Prime Factorization	
Pages 5–10	Pacing: 1 day

**Learning Objective**

Express a composite number as a product of its prime factors.

**Mathematical Habits**

Use tools strategically

Use precise mathematical language

**New Vocabulary**

prime factor

prime factorization

**Materials**

24 counters per pair

2 to 8 plates per pair

**Online Tools**

Virtual Manipulative: Express a Composite Number as a Product of its Prime Factors Using a Factor Ladder; Express a Composite Number as a Product of its Prime Factors Using a Factor Tree

**Standards**

CCSS.Math.Content.6.NS.B.4
Find the greatest common factor of two whole numbers less than or equal to 100 and the least common multiple of two whole numbers less than or equal to 12. Use the distributive property to express a sum of two whole numbers 1–100 with a common factor as a multiple of a sum of two whole numbers with no common factor.

<b>Day 2 of 8</b>	Pages 5–8	Date:
-------------------	-----------	-------

**Think** (page 5)

(

**Engage** (page 5)

**Learn** (pages 5 to 7) Write a composite number as a product of its prime factors

**Activity** (page 5) Classifying whole numbers greater than 0 based on their number of factors

**Math Talk** (page 6)

**Math Talk** (page 7)

**Try** (page 8)

**Day 2 Wrap Up**

<b>Practice, Differentiation, and Fact Fluency</b>
--

**Independent Practice** pp. 9–10 and on Ed: Your Friend in Learning

**Extra Support** TE p. 10A; Reteach 1.1

**On-Level** TE p. 10A; Extra Practice & Homework 1.1

**Advanced** TE p. 10A; Enrichment 1.1

**Fact Fluency** Fact Strategy Practice, p. 1

# Assessment Guide

## Whole Numbers, Prime Numbers, and Prime Factorization

### Section A Multiple-Choice Questions

(5 × 2 = 10 points)

- 1 Which expression represents 76 as a product of its prime factors?
- (A)  $2 \times 19$   
(B)  $4 \times 19$   
(C)  $2 \times 2 \times 19$   
(D)  $2 \times 2 \times 10 \times 9$
- 2 Which numbers are the common factors of 32 and 48?  
Choose **all** that apply.
- (A) 3  
(B) 4  
(C) 8  
(D) 12  
(E) 16  
(F) 24
- 3 Which expression represents the difference between the square of 8 and the cube of 4?
- (A)  $8^2 + 4^3$   
(B)  $8^2 - 4^3$   
(C)  $8^3 + 4^2$   
(D)  $8^3 - 4^2$

4 What is the cube of 9?

- (A) 12
- (B) 27
- (C) 81
- (D) 729

5 What is the value of  $5^3 + 7^2 - 8^2$ ?

- (A) 404
- (B) 110
- (C) 13
- (D) 6

## Section B Short Answer Questions

(6 to 10): 2 points each)

- 6 The number 192 is  $2 \times 2 \times 2 \times 2 \times 2 \times 3$  when written as a product of its prime factors.  
What is the number 1,920 written as a product of its prime factors?

Explain how you worked out the answer in the space below.

- 7 What is the greatest common factor of 56, 72, and 100?

Write your answer in the answer grid.

⊖					
•	•	•	•	•	•
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

- 8 What is the least common multiple of 7 and 12?

Write your answer in the answer grid.

⊖					
•	•	•	•	•	•
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

- 9 What is the value of  $41^2$ ?

Write your answer in the answer grid.

⊖					
•	•	•	•	•	•
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

- 10 What is the value of  $12^3 - 4^2 \times 9^2$ ?

Explain the steps you used to work out the answer in the space below.

## Section C Constructed Response

(11): 3 points; (12): 2 points)

- 11 Ann says the square root of  $15^2 + 6^3 \times 2^2$  is 42. She explains that to find the answer, she first adds  $15^2$  and  $6^3$ . Then, she multiplies the sum by  $2^2$ . Finally, she finds the square root of the product.
- Explain why Ann's reasoning is incorrect.
  - Determine the square root of  $15^2 + 6^3 \times 2^2$ .

Write your explanation, answer, and work in the space below.

- 12 Mike needs to buy some items for a party. Paper plates are sold in packs of 10. Paper cups are sold in packs of 8. Mike wants the same number of each item. What is the least number of packs of each item that he must buy?

Write your answer and your work or explanation in the space below.

Standard	Descriptor	Citations
7.RP.3	Use proportional relationships to solve multistep ratio and percent problems.	<p><b>SE/TE Course 2A:</b> 307–312, 313–316, 345–352, 353–356, 357, 358–359, 364–368, 369–370</p> <p><b>SE/TE Course 2B:</b> 78, 91–98, 99–102, 103–108, 109–110, 111, 112, 115–118, 119–120, 157–158, 160</p>
<b>7.NS</b> <b>The Number System</b>		
<b>Apply and extend previous understandings of operations with fractions to add, subtract, multiply, and divide rational numbers</b>		
7.NS.1	Apply and extend previous understandings of addition and subtraction to add and subtract rational numbers; represent addition and subtraction on a horizontal or vertical number line diagram.	<b>SE/TE Course 2A:</b> 2–6, 32, 34–36, 39–41, 43, 45–46, 50–51, 55–58, 59–62, 79–85, 97–100, 116, 118, 120, 121–122
7.NS.1a	Describe situations in which opposite quantities combine to make 0.	<b>SE/TE Course 2A:</b> 35–38, 47–50
7.NS.1b	Understand $p + q$ as the number located a distance $ q $ from $p$ , in the positive or negative direction depending on whether $q$ is positive or negative. Show that a number and its opposite have a sum of 0 (are additive inverses). Interpret sums of rational numbers by describing real-world contexts.	<b>SE/TE Course 2A:</b> 32, 34–44, 45–46, 59, 97–100, 116
7.NS.1c	Understand subtraction of rational numbers as adding the additive inverse, $p - q = p + (-q)$ . Show that the distance between two rational numbers on the number line is the absolute value of their difference, and apply this principle in real-world contexts.	<b>SE/TE Course 2A:</b> 47–58, 59–62, 74–76, 83–85
7.NS.1d	Apply properties of operations as strategies to add and subtract rational numbers.	<b>SE/TE Course 2A:</b> 31–44, 45–46, 47–54, 73–76, 79–85, 91–92, 97–100, 107–108, 116–120

Common Core State Standards for Mathematics, Grade 7

Standard	Descriptor	Citations
7.NS.2	Apply and extend previous understandings of multiplication and division and of fractions to multiply and divide rational numbers	SE/TE Course 2A: 63–70, 71–72, 85–90, 93–94, 96, 100–103, 107–110, 111, 121–122
7.NS.2a	Understand that multiplication is extended from fractions to rational numbers by requiring that operations continue to satisfy the properties of operations, particularly the distributive property, leading to products such as $(-1)(-1) = 1$ and the rules for multiplying signed numbers. Interpret products of rational numbers by describing real-world contexts.	SE/TE Course 2A: 63–68, 71
7.NS.2b	Understand that integers can be divided, provided that the divisor is not zero, and every quotient of integers (with non-zero divisor) is a rational number. If $p$ and $q$ are integers, then $-(p/q) = (-p)/q = p/(-q)$ . Interpret quotients of rational numbers by describing real world contexts	SE/TE Course 2A: 68–70, 71–72, 88–92, 94
7.NS.2c	Apply properties of operations as strategies to multiply and divide rational numbers.	SE/TE Course 2A: 86–90, 93–94, 96, 100–103, 111
7.NS.2d	Convert a rational number to a decimal using long division; know that the decimal form of a rational number terminates in 0s or eventually repeats	SE/TE Course 2A: 21–25, 29–30
7.NS.3	Solve real-world and mathematical problems involving the four operations with rational numbers	SE/TE Course 2A: 73–76, 77–78, 79–92, 93–96, 111, 112, 121–122

<b>7.EE Expressions and Equations</b>		
<b>Use properties of operations to generate equivalent expressions</b>		
7.EE.1	Apply properties of operations as strategies to add, subtract, factor, and expand linear expressions with rational coefficients.	<b>SE/TE Course 2A:</b> 126–128, 129–134, 135–138, 139–142, 143–144, 145–150, 151–152, 153–160, 161–164, 165–168, 169–170, 201, 204, 210, 213–218, 219–220, 271, 274
7.EE.2	Understand that rewriting an expression in different forms in a problem context can shed light on the problem and how the quantities in it are related.	<b>SE/TE Course 2A:</b> 171–182, 183–186, 202–204, 205–206
<b>Solve real-life and mathematical problems using numerical and algebraic expressions and equations</b>		
7.EE.3	Solve multi-step real-life and mathematical problems posed with positive and negative rational numbers in any form (whole numbers, fractions, and decimals), using tools strategically. Apply properties of operations to calculate with numbers in any form; convert between forms as appropriate; and assess the reasonableness of answers using mental computation and estimation strategies.	<b>SE/TE Course 2A:</b> 73–76, 77–78, 79–92, 93–96, 104–106, 108–110, 111, 112, 117–120, 121–122, 187–192, 193–196, 197, 198–199
7.EE.4	Use variables to represent quantities in a real-world or mathematical problem, and construct simple equations and inequalities to solve problems by reasoning about the quantities.	<b>SE/TE Course 2A:</b> 187–192, 193–196, 197, 198–199, 202–204, 212, 221–228, 229–230, 231–238, 239–242, 243–254, 255–258, 268–269
7.EE.4a	Solve word problems leading to equations of the form $px + q = r$ and $p(x + q) = r$ , where $p$ , $q$ , and $r$ are specific rational numbers. Solve equations of these forms fluently. Compare an algebraic solution to an arithmetic solution, identifying the sequence of the operations used in each approach.	<b>SE/TE Course 2A:</b> 231–238, 239–242, 268, 272, 274, 275–276
7.EE.4b	Solve word problems leading to inequalities of the form $px + q > r$ or $px + q < r$ , where $p$ , $q$ , and $r$ are specific rational numbers. Graph the solution set of the inequality and interpret it in the context of the problem.	<b>SE/TE Course 2A:</b> 259–262, 263–266, 268–269, 273

<b>7.G Geometry</b>		
<b>Draw, construct, and describe geometrical figures and describe the relationships between them</b>		
7.G.1	Solve problems involving scale drawings of geometric figures, including computing actual lengths and areas from a scale drawing and reproducing a scale drawing at a different scale.	<b>SE/TE Course 2B:</b> 91–98, 99–102, 103–108, 109–110, 111, 112, 115–118, 119–120
7.G.2	Draw (freehand, with ruler and protractor, and with technology) geometric shapes with given conditions. Focus on constructing triangles from three measures of angles or sides, noticing when the conditions determine a unique triangle, more than one triangle, or no triangle.	<b>SE/TE Course 2B:</b> 61, 79–88, 89–90
7.G.3	Describe the two-dimensional figures that result from slicing three-dimensional figures, as in plane sections of right rectangular prisms and right rectangular pyramids.	<b>SE/TE Course 2B:</b> 173–176, 179, 200
<b>Solve real-life and mathematical problems involving angle measure, area, surface area, and volume</b>		
7.G.4	Know the formulas for the area and circumference of a circle and use them to solve problems; give an informal derivation of the relationship between the circumference and area of a circle.	<b>SE/TE Course 2B:</b> 127–138, 139–142, 143–148, 149–150, 151–158, 159–160, 161–168, 169–172, 193–198, 200, 201–204
7.G.5	Use facts about supplementary, complementary, vertical, and adjacent angles in a multi-step problem to write and solve simple equations for an unknown angle in a figure.	<b>SE/TE Course 2B:</b> 5–14, 15–18, 19–28, 29–34, 35–40, 41–46, 47–54, 55–58, 59, 60, 65–70, 71–72
7.G.6	Solve real-world and mathematical problems involving area, volume and surface area of two- and three-dimensional objects composed of triangles, quadrilaterals, polygons, cubes, and right prisms.	<b>SE/TE Course 2B:</b> 122–126, 154–157, 159–160, 161–168, 169–172, 176–178, 180, 181–186, 187–188, 189, 190–191, 198–200

Standard	Descriptor	Citations
7.SP	<b>Statistics and Probability</b>	
	<b>Use random sampling to draw inferences about a population.</b>	
7.SP.1	Understand that statistics can be used to gain information about a population by examining a sample of the population; generalizations about a population from a sample are valid only if the sample is representative of that population. Understand that random sampling tends to produce representative samples and support valid inferences.	SE/TE Course 2B: 213–218, 219–220, 291
7.SP.2	Use data from a random sample to draw inferences about a population with an unknown characteristic of interest. Generate multiple samples (or simulated samples) of the same size to gauge the variation in estimates or predictions.	SE/TE Course 2B: 221–230, 231–234
	<b>Draw informal comparative inferences about two populations</b>	
7.SP.3	Informally assess the degree of visual overlap of two numerical data distributions with similar variabilities, measuring the difference between the centers by expressing it as a multiple of a measure of variability.	SE/TE Course 2B: 226–230, 232
7.SP.4	Use measures of center and measures of variability for numerical data from random samples to draw informal comparative inferences about two populations.	SE/TE Course 2B: 226–230, 232–234, 297–299
	<b>Investigate chance processes and develop, use, and evaluate probability models</b>	
7.SP.5	Understand that the probability of a chance event is a number between 0 and 1 that expresses the likelihood of the event occurring. Larger numbers indicate greater likelihood. A probability near 0 indicates an unlikely event, a probability around 1/2 indicates an event that is neither unlikely nor likely, and a probability near 1 indicates a likely event.	SE/TE Course 2B: 243–246, 257, 312

Houghton Mifflin Harcourt *Math in Focus, Course 2* ©2020 correlated to the  
Common Core State Standards for Mathematics, Grade 7

Standard	Descriptor	Citations
7.SP.6	Approximate the probability of a chance event by collecting data on the chance process that produces it and observing its long-run relative frequency, and predict the approximate relative frequency given the probability.	<b>SE/TE Course 2B:</b> 261–270, 271–276, 303–306
7.SP.7	Develop a probability model and use it to find probabilities of events. Compare probabilities from a model to observed frequencies; if the agreement is not good, explain possible sources of the discrepancy.	<b>SE/TE Course 2B:</b> 277–286, 287–290, 300–305, 307–309, 314, 338–343, 367–374, 375–378
7.SP.7a	Develop a uniform probability model by assigning equal probability to all outcomes, and use the model to determine probabilities of events.	<b>SE/TE Course 2B:</b> 245–246, 257, 277–286, 287–290, 299–302
7.SP.7b	Develop a probability model (which may not be uniform) by observing frequencies in data generated from a chance process.	<b>SE/TE Course 2B:</b> 277–286, 287–290, 291, 314
7.SP.8	Find probabilities of compound events using organized lists, tables, tree diagrams, and simulation.	<b>SE/TE Course 2B:</b> 327–332, 333–336, 337–342, 344–348, 349–352, 353–358, 360–362, 364–365, 368–374, 375–378
7.SP.8a	Understand that, just as with simple events, the probability of a compound event is the fraction of outcomes in the sample space for which the compound event occurs.	<b>SE/TE Course 2B:</b> 315–322, 323–324, 327–332, 333–336, 337–342, 344–348, 349–352, 353–358, 360–362, 364–365, 368–374, 375–378
7.SP.8b	Represent sample spaces for compound events using methods such as organized lists, tables and tree diagrams. For an event described in everyday language (e.g., “rolling double sixes”), identify the outcomes in the sample space which compose the event.	<b>SE/TE Course 2B:</b> 247–256, 258–260, 291, 313–314, 315–322, 323–326, 327–332, 333–336, 337–342, 344–348, 349–351, 354–358, 359–362, 364–365, 367–374, 375–378
7.SP.8c	Design and use a simulation to generate frequencies for compound events.	<b>SE/TE Course 2B:</b> 342–343

## Math Journal, Put On Your Thinking Cap!

Pages 59 – 61   
Pacing: 1 day

## Chapter Wrap-Up, Chapter Review, Performance Task, Project Work

Pages 62 – 74   
Pacing: 2 days

### DAY 10 of 12

#### Heuristics

- Solve part of the problem
- Consider special cases

### DAYS 11 – 12 of 12

- Reinforce and consolidate chapter skills and concepts.

- **Student Edition 2B**, pp. 59 – 61 
- **Extra Practice and Homework 2B**, Put On Your Thinking Cap! 
- **Enrichment 2**, Put On Your Thinking Cap! 

- **Student Edition 2B**, pp. 62 – 74 
- **Chapter Review** 
- **Assessment Guide 2**, Chapter Test 5

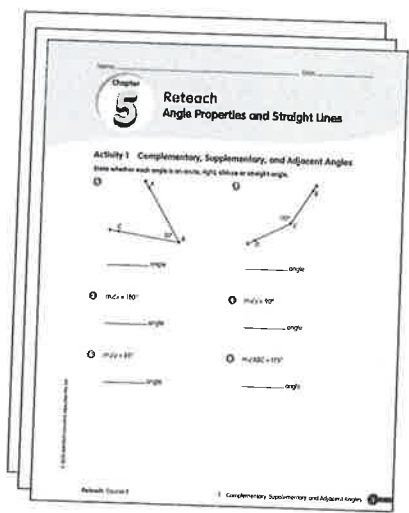

- 1 Persevere in solving problems
- 3 Construct viable arguments
- 6 Use precise mathematical language

- 3 Construct viable arguments
- 4 Use mathematical models
- 6 Use precise mathematical language

Reteach

Extra Practice and Homework

Enrichment

## For Language Development

- Select activities that reinforce the chapter vocabulary and the connections among these words, such as having students
- create a student-made dictionary that includes terms, definitions, and examples organized by chapter
  - have a vocabulary bee by giving a definition and having students identify the term defined
  - make flash cards for terms and examples, then mix and match
  - discuss the Chapter Wrap-Up, encouraging students to use the chapter vocabulary

## For Advanced Learners

- To provide additional challenges, have students work on
- Enrichment activities
  - Put On Your Thinking Cap! questions in **Student Edition** and **Extra Practice and Homework**

GATEWAY LESSON PLAN TEMPLATE

A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

Weekly Lesson Plan Format

Week of: 9/23 – 9/27

Teacher:

1. Identify the standard(s)			
Content Area: Math	Grade: 7	Classroom Intro -Chapter 1 – Quick Check	
a) List standards to be addressed	<p><b>CCSS.Math.Content.7.NS.A.2.d</b></p> <p>Convert a rational number to a decimal using long division; know that the decimal form of a rational number terminates in 0s or eventually repeats.</p>		
	<p><b>CCSS.Math.Content.7.NS.A.1.c</b></p> <p>Understand subtraction of rational numbers as adding the additive inverse, <math>p - q = p + (-q)</math>. Show that the distance between two rational numbers on the number line is the absolute value of their difference, and apply this principle in real-world contexts.</p>		
b) List activities currently implemented in the classroom and related skills	<p>Structures for mathematical instruction.                      Knowledge of real numbers on a number line.                      Study of fractions, decimals and conversions.                      Introduction to online resources.</p>		
2. Define the learning outcomes			
Level of support →	Least support	Moderate support	Most support
List the desired outcomes for students	Fluently utilize long division to convert fractions in to decimal notation. Order numbers on a number line by converting between number forms. Rotate through stations with limited prompting. During rotation with teacher, become a peer leader and share approaches to	Using a long division prompting card, convert fraction to decimal notation. Recall of basic facts sufficient when prompted. When working with the teacher in a station ask essential questions to gain understanding. When aided by teacher in small	Students are seated to ensure full view of board. Access to step by step white-board sleeves for long division as well as a prompting card. Students work in small group with teacher to collaborate and work through problems to discover gaps in learning. Teacher lead grouping to

	understanding. Completion of all station work	group instruction, develop an understanding of decimal notations. Complete majority of station work. By the end of the week, complete the Online independent practice with limited prompting.	ensure understanding and identify misconceptions. If fact fluency is low, student will receive a calculator to check their facts in order to complete the problem. Work for each station is initiated with the necessary assistance and any supports/accommodations listed in IEP.
<b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b>	-“Try” – page 22, 25, 28 -Engagement in Think and Engage -Group Discussion -Station Participation and Completion -Homework -Online Independent Practice - Small group pg. 29-30 to check for understanding		

**3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit**

<b>List the instructional activities planned for all students: *Arts infusion *Sensory based techniques</b>	<b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b>	<b>List supports that can be implemented to reduce barriers Note UDL’s utilized in this lesson</b>
<p><b>Monday</b> -Think page 21 - Engage page 21 - Math centers (Technology 1.1 Independent Practice, Long Division Worksheet, Teacher Lead pg. 22, Math Game) <u>Homework: Finish Long Division Worksheet</u></p> <p><b>Tuesday</b> - Engage page 23 - Direct Instruction – pg. 23-25 - Math centers (Technology 7<sup>th</sup> F.3, Factors Worksheet, Teacher Lead pg. 25, Math Game)</p> <p><b>Wednesday</b> - Engage page 26 - Direct Instruction – pg. 26-27 - Math centers</p>	<p>Transitioning between stations for the first time.</p> <p>Controlled volume levels</p> <p>Attention to Task</p> <p>Low Fact Fluency</p> <p>Exposure to Vocabulary</p>	<p>Mr. Menna and Mr. Willis will be in the room for support and redirection</p> <p>Multiplication Charts available</p> <p>Key Terms defined in Direct instruction</p>

<p>(Technology 7<sup>th</sup> D.2, Decimals on a Number line , Teacher Lead pg. 28, Math Game)  <u>Homework: Pg. 2-3 Reteach</u>  <b>Thursday</b>          -Independent practice Ed: Online 1.2          - Small group Extra Practice  <b>Friday</b>          - Math Games – SWAT, Remainder Raccoon          - Independent practice Ed: Online 1.2          - Small group Extra Practice  <u>Homework: Pg. 4-6 Reteach</u></p>	<p>Computer Challenges</p> <ul style="list-style-type: none"> <li>-forgotten computers</li> <li>- utilizing other websites</li> </ul>	<p>Physical copy of independent practice provided in Textbook.</p> <p>Circulate and spot check for on task behaviors.</p>
---	---	---

<p><b>4. How will you utilize your paraprofessional during the academic classes?</b></p>
<p>Mr. Willis will work with the station that is participating in the math game. As a team we will ensure on task behavior, redirect misbehavior and work with small group.</p>
<p><b>5. How will you utilize technology during the academic classes?</b></p>
<p>TV used to project “Learns” and “Engages” Online manipulative number line, IXL for technology station</p>

CHAPTER 1	RATIONAL NUMBERS
<p><b>How is adding, subtracting, multiplying, and dividing rational numbers similar to performing operations with whole numbers?</b></p> <p>SECTION 1.3 Adding Integers</p> <p>Pages 31–46   Pacing: 5 days</p>	

**Learning Objectives**

- Add integers with the same sign.
- Add integers to their opposites.
- Add integers with different signs.

**Mathematical Habits**

- Use mathematical reasoning
- Construct viable arguments
- Use mathematical models
- Use tools strategically
- Make use of structure

**New Vocabulary**

- zero pair
- additive inverse

**Materials**

- 1 set of counters (yellow and red) per pair
- 1 copy of Number Lines (TR01) per student

**Online Tools**

Virtual Manipulative: Add Integers Using Counters; Add Integers Using a Number Line

**Standards**

<p>CCSS.Math.Content.7.NS.A.1.a</p> <p>Describe situations in which opposite quantities combine to make 0.</p>
<p>CCSS.Math.Content.7.NS.A.1.b</p> <p>Understand <math>p + q</math> as the number located a distance <math> q </math> from <math>p</math>, in the positive or negative direction depending on whether <math>q</math> is positive or negative. Show that a number and its opposite have a sum of 0 (are additive inverses). Interpret sums of rational numbers by describing real-world contexts.</p>
<p>CCSS.Math.Content.7.NS.A.1.d</p> <p>Apply properties of operations as strategies to add and subtract rational numbers.</p>

# Assessment Guide

## Rational Numbers

### Section A Multiple-Choice Questions

(5 × 2 = 10 points)

1 Which is the absolute value of  $-\frac{26}{91}$  in simplest form?

(A)  $-\frac{26}{91}$

(B)  $\frac{26}{91}$

(C)  $\frac{2}{7}$

(D)  $\frac{4}{13}$

2 Which decimals are equivalent to  $\frac{2}{11}$ ?

Choose **all** that apply.

(A) 0.18

(B) 0.182

(C) 0.18181...

(D)  $0.\overline{18}$

(E)  $0.\overline{181}$

- 3 Three values on the number line are labeled  $p$ ,  $q$ , and  $r$ .

Which statements about  $p$ ,  $q$ , and  $r$  are correct?

Choose **all** that apply.

- (A)  $p = -6.5$  and  $p$  is the smallest value.
- (B)  $q = -5\frac{3}{4}$  and  $q > p$ .
- (C)  $r = -4\frac{3}{8}$  and  $r$  is the greatest value.
- (D)  $p = -5\frac{1}{2}$  and  $p < r$ .
- (E)  $r = -5.625$  and  $r > q$ .
- 4 Which pairs of integers are 5 units apart on a number line?
- Choose **all** that apply.
- (A) 3 and  $-8$
- (B)  $-10$  and  $-5$
- (C)  $-15$  and  $10$
- (D)  $13$  and  $8$
- (E)  $-18$  and  $-13$
- 5 Which expressions have answers that are negative?
- Choose **all** that apply.

- (A)  $48 \div (-12) \times 2$
- (B)  $-48 \div 12 \times (-2)$
- (C)  $-48 \div (-12) \times 2$
- (D)  $-(-48 \div 12 \times 2)$
- (E)  $48 \div (-12 \times 2)$

## Section B Short Answer Questions

(6 to 10): 2 points each)

- 6 Evaluate each expression.

Write each answer in the table.

Expression	Value
$-11 + 11$	
$-13 + (-3)$	
$(-5) - (-12)$	
$-10 + 30 \div (-5)$	

- 7 A rope was  $5\frac{2}{3}$  feet long. Diego cut off  $1\frac{5}{8}$  feet of the rope. How long is the rope now?

Write your answer as  $\frac{m}{n}$  in simplest form, where  $m$  and  $n$  are integers, in the space below.

- 8 Evaluate  $(-1\frac{1}{2}) \cdot (-\frac{4}{15})$ .

Write your answer in the space below.

- 9 At 6 P.M., the temperature was  $2.5^{\circ}\text{F}$ . By midnight, it had dropped by  $6.8^{\circ}\text{F}$ . By 6 A.M. the next day, it had risen by  $3.4^{\circ}\text{F}$ . What was the final temperature in  $^{\circ}\text{F}$ ?

Write your answer in the answer grid.

-					
	•	•	•	•	•
	0	0	0	0	0
	1	1	1	1	1
	2	2	2	2	2
	3	3	3	3	3
	4	4	4	4	4
	5	5	5	5	5
	6	6	6	6	6
	7	7	7	7	7
	8	8	8	8	8
	9	9	9	9	9

- 10 James paid \$13.20 for 12 mangoes. For every 5 mangoes that he bought, he got 1 mango free. Mary wants to buy 4 mangoes from the same shop. She has only \$5.10. How much does she still need?

Explain the steps used to compute the amount of money that Mary still needs.  
Write your answer and explanation in the space below.

## Section C Constructed Response

(11): 3 points; (12): 2 points)

- 11 Charles says the sum of  $-28 + 52$  is  $-80$ . He explains that to find the answer, he first adds 28 and 52. Then, he multiplies the sum by  $-1$ .
- Explain why Charles' reasoning is incorrect.
  - Evaluate  $-28 + 52$ .
  - Explain how you found the answer.

Write your answer and explanations in the space below.

- 12 Benjamin wants to buy 10 items from a supermarket. 5 of the items cost \$7.25 each, 1 of them costs \$12.55, and the rest cost \$4.60 each. Benjamin has only \$50. How much does Benjamin still need?

Write your answer and your work or explanation in the space below.

<b>Standards for Mathematical Content</b>		
<b>8.NS</b> <b>The Number System</b>		
<b>Know that there are numbers that are not rational, and approximate them by rational numbers.</b>		
8.NS.1	Understand informally that every number has a decimal expansion; the rational numbers are those with decimal expansions that terminate in 0s or eventually repeat. Know that other numbers are called irrational.	<b>SE/TE Course 3A:</b> 3–5, 15–16, 29, 30
8.NS.2	Use rational approximations of irrational numbers to compare the size of irrational numbers, locate them approximately on a number line diagram, and estimate the value of expressions (e.g., $\pi^2$ ).	<b>SE/TE Course 3A:</b> 7–12, 13–14, 30–31, 37–38
<b>8.EE</b> <b>Expressions and Equations</b>		
<b>Work with radicals and integer exponents.</b>		
8.EE.1	Know and apply the properties of integer exponents to generate equivalent numerical expressions.	<b>SE/TE Course 3A:</b> 45–52, 53–60, 61–70, 71–78, 79–88
8.EE.2	Use square root and cube root symbols to represent solutions to equations of the form $x^2 = p$ and $x^3 = p$ , where $p$ is a positive rational number. Evaluate square roots of small perfect squares and cube roots of small perfect cubes. Know that $\sqrt{2}$ is irrational.	<b>SE/TE Course 3A:</b> 89–96, 101–106
8.EE.3	Use numbers expressed in the form of a single digit times an integer power of 10 to estimate very large or very small quantities, and to express how many times as much one is than the other.	<b>SE/TE Course 3A:</b> 113–122, 135–142, 147–152

Houghton Mifflin Harcourt *Math in Focus, Course 3* ©2020 correlated to the  
Common Core State Standards for Mathematics, Grade 8

Standard	Descriptor	Citations
8.EE.4	Perform operations with numbers expressed in scientific notation, including problems where both decimal and scientific notation are used. Use scientific notation and choose units of appropriate size for measurements of very large or very small quantities (e.g., use millimeters per year for seafloor spreading). Interpret scientific notation that has been generated by technology.	SE/TE Course 3A: 123–134, 147–152
<b>Understand the connections between proportional relationships, lines, and linear equations.</b>		
8.EE.5	Graph proportional relationships, interpreting the unit rate as the slope of the graph. Compare two different proportional relationships represented in different ways	SE/TE Course 3A: 279–292, 304–306
8.EE.6	Use similar triangles to explain why the slope $m$ is the same between any two distinct points on a non-vertical line in the coordinate plane; derive the equation $y = mx$ for a line through the origin and the equation $y = mx + b$ for a line intercepting the vertical axis at $b$ .	SE/TE Course 3A: 221–244, 245–254, 255–270, 271–278, 299–306 SE/TE Course 3B: 128
<b>Analyze and solve linear equations and pairs of simultaneous linear equations.</b>		
8.EE.7	Solve linear equations in one variable.	SE/TE Course 3A: 163–170, 209
8.EE.7a	Give examples of linear equations in one variable with one solution, infinitely many solutions, or no solutions. Show which of these possibilities is the case by successively transforming the given equation into simpler forms, until an equivalent equation of the form $x = a$ , $a = a$ , or $a = b$ results (where $a$ and $b$ are different numbers).	SE/TE Course 3A: 171–178, 210
8.EE.7b	Solve linear equations with rational number coefficients, including equations whose solutions require expanding expressions using the distributive property and collecting like terms.	SE/TE Course 3A: 179–190, 191–198, 211

Houghton Mifflin Harcourt *Math in Focus, Course 3* ©2020 correlated to the  
Common Core State Standards for Mathematics, Grade 8

Standard	Descriptor	Citations
8.EE.8	Analyze and solve pairs of simultaneous linear equations.	SE/TE Course 3A: 315–320, 375
8.EE.8a	Understand that solutions to a system of two linear equations in two variables correspond to points of intersection of their graphs, because points of intersection satisfy both equations simultaneously.	SE/TE Course 3A: 349–356
8.EE.8b	Solve systems of two linear equations in two variables algebraically, and estimate solutions by graphing the equations. Solve simple cases by inspection.	SE/TE Course 3A: 210, 321–338, 357–370, 375–382
8.EE.8c	Solve real-world and mathematical problems leading to two linear equations in two variables.	SE/TE Course 3A: 212–214, 339–348, 378–380
<b>8.F</b>	<b>Functions</b>	
<b>Define, evaluate, and compare functions.</b>		
8.F.1	Understand that a function is a rule that assigns to each input exactly one output. The graph of a function is the set of ordered pairs consisting of an input and the corresponding output	SE/TE Course 3A: 240C–240D, 243–254, 259–264
8.F.2	Compare properties of two functions each represented in a different way (algebraically, graphically, numerically in tables, or by verbal descriptions).	SE/TE Course 3A: 278–285
8.F.3	Interpret the equation $y = mx + b$ as defining a linear function, whose graph is a straight line; give examples of functions that are not linear.	SE/TE Course 3A: 259–264 SE/TE Course 3B: 190–195

Houghton Mifflin Harcourt *Math in Focus, Course 3* ©2020 correlated to the  
Common Core State Standards for Mathematics, Grade 8

Standard	Descriptor	Citations
<b>Use functions to model relationships between quantities.</b>		
8.F.4	Construct a function to model a linear relationship between two quantities. Determine the rate of change and initial value of the function from a description of a relationship or from two $(x, y)$ values, including reading these from a table or from a graph. Interpret the rate of change and initial value of a linear function in terms of the situation it models, and in terms of its graph or a table of values.	<p><b>SE/TE Course 3A:</b> 240C–240D, 259–264, 266–269, 272–275</p> <p><b>SE/TE Course 3B:</b> 190–195</p>
8.F.5	Describe qualitatively the functional relationship between two quantities by analyzing a graph (e.g., where the function is increasing or decreasing, linear or nonlinear). Sketch a graph that exhibits the qualitative features of a function that has been described verbally.	<p><b>SE/TE Course 3A:</b> 259–264, 266–269, 272–275</p> <p><b>SE/TE Course 3B:</b> 190–195</p>
<b>8.G Geometry</b>		
<b>Understand congruence and similarity using physical models, transparencies, or geometry software.</b>		
8.G.1	Verify experimentally the properties of rotations, reflections, and translations.	<b>SE/TE Course 3B:</b> 193–200
8.G.1a	Lines are taken to lines, and line segments to line segments of the same length.	<b>SE/TE Course 3B:</b> 54–58, 64–68, 76–77
8.G.1b	Angles are taken to angles of the same measure.	<b>SE/TE Course 3B:</b> 54–58, 64–68, 77–79
8.G.1c	Parallel lines are taken to parallel lines.	<b>SE/TE Course 3B:</b> 55–58, 64–68, 77–79
8.G.2	Understand that a two-dimensional figure is congruent to another if the second can be obtained from the first by a sequence of rotations, reflections, and translations; given two congruent figures, describe a sequence that exhibits the congruence between them.	<b>SE/TE Course 3B:</b> 251–266, 271–278

Houghton Mifflin Harcourt *Math in Focus, Course 3* ©2020 correlated to the  
Common Core State Standards for Mathematics, Grade 8

Standard	Descriptor	Citations
8.G.3	Describe the effect of dilations, translations, rotations, and reflections on two-dimensional figures using coordinates.	SE/TE Course 3B: 129–144, 145–158, 159–176, 177–192
8.G.4	Understand that a two-dimensional figure is similar to another if the second can be obtained from the first by a sequence of rotations, reflections, translations, and dilations; given two similar two-dimensional figures, describe a sequence that exhibits the similarity between them.	SE/TE Course 3B: 251–266, 278
8.G.5	Use informal arguments to establish facts about the angle sum and exterior angle of triangles, about the angles created when parallel lines are cut by a transversal, and the angle-angle criterion for similarity of triangles.	SE/TE Course 3B: 233–250, 271–278
<b>Understand and apply the Pythagorean Theorem.</b>		
8.G.6	Explain a proof of the Pythagorean Theorem and its converse.	SE/TE Course 3B: 2C–2D, 6–15
8.G.7	Apply the Pythagorean Theorem to determine unknown side lengths in right triangles in real-world and mathematical problems in two and three dimensions.	SE/TE Course 3B: 81–96, 107–112, 286
8.G.8	Apply the Pythagorean Theorem to find the distance between two points in a coordinate system.	SE/TE Course 3B: 97–106
<b>Solve real-world and mathematical problems involving volume of cylinders, cones, and spheres.</b>		
8.G.9	Know the formulas for the volumes of cones, cylinders, and spheres and use them to solve real-world and mathematical problems.	SE/TE Course 3B: 287–292, 293–300, 301–312, 313–320, 321–330, 335–342

Houghton Mifflin Harcourt *Math in Focus, Course 3* ©2020 correlated to the Common Core State Standards for Mathematics, Grade 8

Standard	Descriptor	Citations
8.SP	Statistics and Probability	
Investigate patterns of association in bivariate data.		
8.SP.1	Construct and interpret scatter plots for bivariate measurement data to investigate patterns of association between two quantities. Describe patterns such as clustering, outliers, positive or negative association, linear association, and nonlinear association.	SE/TE Course 3B: 347–362
8.SP.2	Know that straight lines are widely used to model relationships between two quantitative variables. For scatter plots that suggest a linear association, informally fit a straight line, and informally assess the model fit by judging the closeness of the data points to the line.	SE/TE Course 3B: 363–376
8.SP.3	Use the equation of a linear model to solve problems in the context of bivariate measurement data, interpreting the slope and intercept.	SE/TE Course 3B: 186–195
8.SP.4	Understand that patterns of association can also be seen in bivariate categorical data by displaying frequencies and relative frequencies in a two-way table. Construct and interpret a two-way table summarizing data on two categorical variables collected from the same subjects. Use relative frequencies calculated for rows or columns to describe possible association between the two variables.	SE/TE Course 3B: 377–390

### DAY 7 of 9

#### Heuristics

- Draw a diagram
- Use a formula

- **Student Edition 3A**, pp. 29 – 31 
- **Extra Practice and Homework 3A**, Put On Your Thinking Cap! 
- **Enrichment 3**, Put On Your Thinking Cap! 

- 1 Persevere in solving problems
- 6 Use precise mathematical language
- 7 Make use of structure

### DAYS 8 – 9 of 9

- Reinforce and consolidate chapter skills and concepts.

- **Student Edition 3A**, pp. 32 – 40 
- **Chapter Review** 
- **Assessment Guide 3**, Chapter Test 1

- 1 Persevere in solving problems
- 2 Use mathematical reasoning
- 8 Look for patterns

**GATEWAY LESSON PLAN TEMPLATE**

A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

**Weekly Lesson Plan Format**

Week of: September 23, 2019

Teacher:

1. Identify the standard(s)			
<b>Content Area:</b>	<b>Subject</b> <i>Math</i>	<b>Grade:</b> <i>8</i>	
<b>a) List standards to be addressed</b>	<b>CCSS.Math.Content.8.EE.C.7.b</b> Solve linear equations with rational number coefficients, including equations whose solutions require expanding expressions using the distributive property and collecting like terms.		
<b>b) List activities currently implemented in the classroom and related skills</b>	Class discussions Think-Pair-Share Independent skill practice		
2. Define the learning outcomes			
<b>Level of support</b> →	<b>Least support</b>	<b>Moderate support</b>	<b>Most support</b>
<b>List the desired outcomes for students</b>	Independent completion of work. Mastery of skills/concept as demonstrated through class discussions and graded work	Periodic check-ins for understanding. Completion of work with moderate assistance. Understanding of skills/concept is demonstrated through class discussions and independent work.	Check-in for understanding of directions in addition to skills/concept. Seated in close proximity with teacher or para. Completion of work with accommodations as outlined in IEP. Understanding of skills/concept is demonstrated through classroom discussions, verbal dialog with teacher or para, work completion.

<p><b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b></p>	<p>Monitoring of class discussions and partner talk. Oral responses to questions. Graded work.</p>		
--	--	--	--

**3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit**

<p>List the instructional activities planned for all students: *Arts infusion *Sensory based techniques</p>	<p>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</p>	<p>List supports that can be implemented to reduce barriers Note UDL's utilized in this lesson</p>
<p><b>Objectives</b></p> <ul style="list-style-type: none"> <li>Solve linear equations with one variable.</li> <li>Solve real-world problems involving linear equations with one variable.</li> </ul> <p><b>Monday -</b> Background skills practice – adding and subtracting integers.</p> <p><b>Tuesday and Wednesday</b> Background skills practice – adding/subtracting and simplifying linear expressions.</p> <p><b>Thursday &amp; Friday -</b> Math in Focus Chapter 4.1 Solve linear equations with one variable on both sides of the equation. Pg 163-165 Complete Independent Practice pg 169 Convert repeating decimals to fraction.pg 165-166 Complete Independent Practice Pg 170 #7 &amp; #8</p>	<p>Lack of prior knowledge</p> <p>Distractions/Lack of focus</p> <p>Difficulty in thinking abstractly</p>	<p>Chunking the work</p> <p>Model the skill</p> <p>Allow for brakes</p>

**4. How will you utilize your paraprofessional during the academic classes?**

My para will work with one a small group while I work with another small group to assist and check for understanding during the background skills practice work. Also, she will work alongside identified students during direct instruction to assist with comprehension.

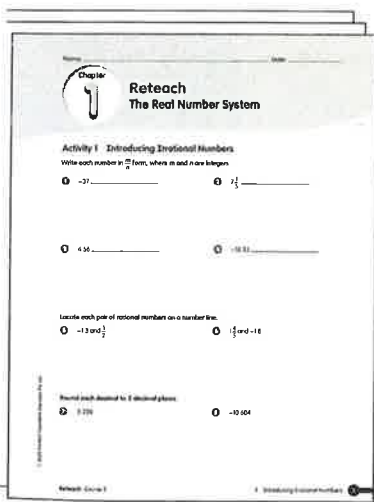

**5. How will you utilize technology during the academic classes?**

I will use the Powerpoint presentation of the lesson. Students will use calculators during certain parts of the lesson. Students who have mastered the skill will be challenged by going on iXL W13 Solve Equations Complete the Solution.

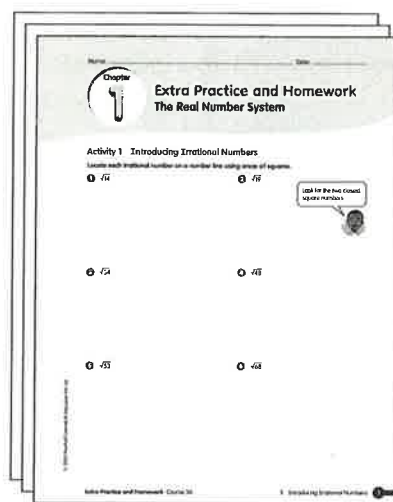

6.

## For Language Development

- Select activities that reinforce the chapter vocabulary and the connections among these words, such as having students
- create a student-made dictionary that includes terms, definitions, and examples organized by chapter
  - have a vocabulary bee by giving a definition and having students identify the term defined
  - make flash cards for terms and examples, then mix and match
  - discuss the Chapter Wrap-Up, encouraging students to use the chapter vocabulary

## For Advanced Learners

To provide additional challenges, have students work on

- Enrichment practices
- Put On Your Thinking Cap! questions in **Student Edition** and **Extra Practice and Homework**

CHAPTER 1	THE REAL NUMBER SYSTEM
<b>What numbers make up the set of real numbers?</b>	
CHAPTER BEGINNING THE REAL NUMBER SYSTEM	
Pages 1–6	Pacing: 1 day

**Learning Objective**

To discover and describe the difference between rational and irrational numbers and compare their relative quantities by ordering them using a number line.

**Mathematical Habit**

Use mathematical models

**Standards**

CCSS.Math.Content.8.NS.A.1 Know that numbers that are not rational are called irrational. Understand informally that every number has a decimal expansion; for rational numbers show that the decimal expansion repeats eventually, and convert a decimal expansion which repeats eventually into a rational number.
CCSS.Math.Content.8.NS.A.2 Use rational approximations of irrational numbers to compare the size of irrational numbers, locate them approximately on a number line diagram, and estimate the value of expressions (e.g., $\pi^2$ ).

<b>Day 1 of 9</b>	Pages 1–6	Date:
-------------------	-----------	-------

**Chapter Opener** (page 1)

**Essential Question** (page 1)

**Recall Prior Knowledge** (pages 2 to 6)

**Notes**

Chapter Overview Concrete Pictorial Abstract Students will start off by using the number line as a pictorial representation of the irrational numbers, and subsequently real numbers as a whole. Finally, students will move on to the abstract

Teacher's Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

representations while learning about significant digits.

# Assessment Guide

## The Real Number System

### Section A Multiple-Choice Questions

(5 × 2 = 10 points)

- 1 Which statement describes the value of  $\sqrt{32}$ ?
- (A) The value of  $\sqrt{32}$  is between 4 and 4.5.
  - (B) The value of  $\sqrt{32}$  is between 4.5 and 5.
  - (C) The value of  $\sqrt{32}$  is between 5 and 5.5.
  - (D) The value of  $\sqrt{32}$  is between 5.5 and 6.
- 2 The length of the diagonal of a rectangle is  $\sqrt{107}$  centimeters.

Which statement describes the length of the diagonal?

- (A) The length is between 10 and 11 centimeters.
- (B) The length is between 11 and 12 centimeters.
- (C) The length is between 12 and 13 centimeters.
- (D) The length is between 13 and 14 centimeters.

- 3 Compare the numbers below.

$$1.\overline{23}, \frac{9}{7}, -\sqrt{2}, -\sqrt[3]{3}, -2.3, 0.2\pi$$

Which statements are true?

Choose **all** that apply.

- (A)  $0.2\pi$  is between  $-\sqrt{2}$  and  $1.\overline{23}$ .
- (B)  $-\sqrt{2}$  is between  $-2.3$  and  $-\sqrt[3]{3}$ .
- (C)  $\frac{9}{7}$  is the greatest number.
- (D)  $-2.3$  is the least number.
- (E) Both  $-\sqrt{2}$  and  $-\sqrt[3]{3}$  are between  $-1.5$  and  $-1$ .

- 4 Which statements are true?

Choose **all** that apply.

- (A) The number 123.0 has 3 significant digits.
- (B) The number 30.0012 has 6 significant digits.
- (C) The number 0.0010 has 1 significant digit.
- (D) The number 0.0047 has 2 significant digits.
- (E) The number 2,000 has 4 significant digits.

- 5 What is the value of 605,498 correct to 3 significant digits?

- (A) 605,000
- (B) 605,400
- (C) 610,400
- (D) 600,000

## Section B Short Answer Questions

(6 to 10): 2 points each)

- 6 Graph the position of  $-\sqrt{51}$  on a number line.

Show your drawing in the space below.

- 7 Graph the following numbers on a number line, and state the greatest and the least numbers.

$$-2.4, \frac{2}{7}, 2\sqrt{3}, \sqrt[3]{68}, -\pi$$

Show your drawing, and write your answers in the space below.

- 8 Find the number of significant digits in each number.

Write each answer in the table.

Number	Number of Significant Digits
3.98	
0.0604	
3,543	
12.060	

- 9 The number  $e$  is a famous irrational number. Its value equals 2.7182818284... .  
Round this number to 4 significant digits.

Write your answer in the answer grid.

-					
•	•	•	•	•	•
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

- 10 Evaluate  $\frac{4 + \sqrt{5}}{1 - \pi}$ . Round your answer to 3 significant digits.

Write your answer in the answer grid.

-					
•	•	•	•	•	•
0	0	0	0	0	0
1	1	1	1	1	1
2	2	2	2	2	2
3	3	3	3	3	3
4	4	4	4	4	4
5	5	5	5	5	5
6	6	6	6	6	6
7	7	7	7	7	7
8	8	8	8	8	8
9	9	9	9	9	9

## Section C Constructed Response

(11): 3 points; (12): 2 points)

11 This question has two parts.

### Part A

Locate  $\sqrt{34}$  on a number line.

Explain how you found its position on the number line.

Show your drawing and explanation in the space below.

### Part B

Give another irrational number in the form of  $\sqrt{n}$ , where  $n$  is an integer.

The value of this irrational number must be between  $\sqrt{34}$  and 6.

Write your answer in the space below.

- 12 The dimensions of a trapezoid are shown.

Calculate the area of the trapezoid to 4 significant digits.

Explain how you worked out the answer in the space below.

- 12 A company manager ordered a field day T-shirt for every one of his 1,056 employees.  
The cost of each T-shirt was \$15.  
Alan finds the total cost of the T-shirts as shown.

$$\begin{array}{r} \phantom{\times} \phantom{1,056} \\ \phantom{\times} \phantom{1,056} \\ \times \phantom{1,056} \phantom{15} \\ \hline 502,530 \\ + \phantom{502,530} \phantom{15} \\ \hline 513,090 \end{array}$$

The total cost of the T-shirts is \$513,090.

- What is Alan's mistake?
- Explain how you arrived at your answer.

Write your answer and your work or explanation in the space below.

## APPENDIX 2C

Social Studies Curriculum MOU

# Social Studies Coalition of Delaware

Partnering to Promote Student Achievement & Quality Teaching

May 23, 2019

Dear Superintendent and/or Designee,

During the last few years, the Social Studies Coalition of Delaware has met monthly to address social studies issues that affect all districts and held institutes and workshops in the four strands of social studies. This year we continued our Professional Development Project, by providing training in social studies content and assessment. SSCD also worked collaboratively with the Delaware Department of Education to develop cluster assessment items that emulate the new items types on the Delaware System of Student Assessments (DeSSA) social studies, CCSS-ELA for History/Social Studies, SBAC and SAT assessments. The Lead Teachers of your district can now be used for professional development and as a resource for improving social studies instruction. The plans for the 2019-2020 year include: the development of the additional state assessment examples for use in the classroom, along with revision and modification of the current Delaware Recommended Curriculum Model Units. Additionally, continued cohorts of teacher training to build social studies content and standards-related pedagogy. Please visit our website at <http://www.sscde.org/> to find out more about the organization. We are looking forward to continuing the efforts of the Coalition and ask you to renew your membership.

Eighteen districts and nine charter schools are members of the Coalition and it is time for the districts and charters to make their commitment to the SSCD for the 2019-2020 school year. The fee is \$2000 for the period from July 1, 2019 to June 30, 2020. Payment is due by September 30, 2019.

Please review and sign the attached Memorandum of Understanding. Send the agreement to the Coalition's fiscal agent, when you request an IV for your business office:

**Milford School District (S 108)**  
**c/o Christie Floyd, Director of Operations Secretary**  
**([cfloyd@msd.k12.de.us](mailto:cfloyd@msd.k12.de.us))**

The Social Studies Coalition of Delaware appreciates your continuing support for social studies education. If you have any questions, please feel free to contact the officers of the SSCD listed below:

Darren Guido	Caesar Rodney School District Co-Chair, Executive Board SSCD <a href="mailto:darren.guido@cr.k12.de.us">darren.guido@cr.k12.de.us</a>
Bridget Amory	Milford School District Co-Chair, Executive Board SSCD <a href="mailto:bamory@msd.k12.de.us">bamory@msd.k12.de.us</a>
Nick Baker	Colonial School District Financial Liaison, Executive Board <a href="mailto:nbaker@colonial.k12.de.us">nbaker@colonial.k12.de.us</a>
Fran O'Malley	Democracy Project, Institute for Public Administration, University of Delaware Executive Secretary SSCD <a href="mailto:fomalley@udel.edu">fomalley@udel.edu</a>

Sincerely,

A handwritten signature in blue ink, appearing to read 'Nicholas Baker'. The signature is fluid and cursive.

Nicholas Baker, Ed. D  
SSCD Financial Liaison  
c/o: SSCD Member Representative

## **MEMORANDUM OF UNDERSTANDING THE SOCIAL STUDIES COALITION OF DELAWARE**

### **PURPOSE OF THIS MEMO**

This memorandum of understanding will define the roles and responsibilities of each party in the Social Studies Coalition of Delaware (SSCD). This Coalition is a partnership with the purpose to improve the teaching and learning of K-12 social studies in Delaware public schools and to help all Delaware public school students reach the Delaware Social Studies Standards.

The partnership includes the Department of Education, public school districts throughout the state, charter schools, and other agencies involved in standards-based instruction and assessment (Center for Economic Education and Entrepreneurship, Delaware Geography Alliance, Professional Development Center for Educators, Democracy Project and State Archives). The partnership is open to all public school entities, including vocational/technology schools and charter schools, that agree to collaborate in the systemic improvement of their K-12 social studies programs as outlined in this memorandum.

This Memorandum of Understanding (MoU) defines the conditions under which the Coalition will be financed, principles for operation and the collaborative processes as established by the Coalition. The MoU can be modified at any time by majority agreement of voting members of the Steering Committee.

### **MISSION**

The Coalition exists to support the creation of the highest quality social studies instruction for the K-12 students in Delaware. The goals of the SSCD are to:

- Continue the development of assessments to guide social studies curriculum development and instruction at the district level.
- Continue the development and alignment of social studies curriculum and instructional materials by designing model lessons and units for each benchmark to be distributed to members of the Coalition.
- Provide staff development for curriculum development, instructional delivery and assessment creation.
- Provide leadership and an organizational structure to facilitate planning, assist with the development of instructional materials and coordinate the delivery of the items listed above.

### **GUIDING PRINCIPLES**

- The purpose of the partnership is to support continuous standards-based reform of social studies education in Delaware schools.
- Adoption and implementation of curricula is the responsibility of individual school systems. The Coalition is established to assist them in this endeavor and to provide cost effective standards-based education programs.
- Costs will be shared in a way that all parties benefit as equally as possible. Every effort will be made to provide services in support of the program at cost. Member districts and charter schools will pay **\$2000** by Sept. 30, 2019 to support Coalition actions beginning July 1, 2019 through June 30, 2020 for professional development, development of products and other activities. Thereafter, annual fees will be determined by the Board.
- Professional development will be provided by the Coalition. Individual districts/charter schools will provide additional support for the participants.

- The Coalition will seek to coordinate financial support from foundations, affiliates, the Delaware Department of Education and others for implementation of standards-based social studies education for Delaware students.

**GOVERNANCE OF THE COALITION**

The Coalition will be directed by the Board that includes voting and non-voting members. Voting members shall include a representative from each member school district and charter school that has paid its annual fee. Non-voting members shall include two representatives from the Department of Education, affiliate members including the Center for Economic Education and Entrepreneurship, the Delaware Geographic Alliance, the Professional Development Center for Educators, and the Delaware Public Archives.

The purpose of the Board is to:

- Establish and approve operating policies and practices for the Coalition.
- Set and approve the annual budget for the Coalition and monitor expenditures. The Milford School District has agreed to act as the fiscal agent at no cost, and for this will receive a reduced membership fee for the 2019-2020 school year.
- Establish and implement an effective communications program.
- Promote partnerships among the K-12 public schools, higher education and the business community.

Coalition Leadership –

SSCD leadership shall be administered by an Executive Committee and directed by the Board. The Executive Committee shall consist of two chairpersons, an Executive Secretary, a Financial Liaison and the Education Associate for Social Studies from the Delaware Department of Education. Two chairpersons shall be elected by the voting members of the Board to a two year, staggered term without remuneration and will coordinate the Coalition’s activities and chair meetings. The Executive Secretary and Financial Liaison shall be appointed by the chairs.

Regular meetings of the Coalition’s Executive Committee and Board will be held on a monthly basis during the school year. The Board will establish sub-committees to manage specific aspects of the Coalition as needed.

=====  
**Signatures of Agreement – 2019-2020**

Marhi White (Principal) 9/23/19  
 District/Charter Representative to SSCD Date

[Signature] 9/23/19 Head of School  
 Superintendent –District/Charter Date

School District/Charter School name Gateway Lab School, charter school

## APPENDIX 2D

Science Coalition MOU

## Delaware Science Coalition Memorandum of Agreement

The Gateway Lab School agrees to abide by the Delaware Science Coalition's bylaws and join the Delaware Science Coalition partnership. The Delaware Science Coalition program is sustained by local district/charter school fees in combination with state allocations. Professional development; materials acquisitions; distribution, collection and refurbishment of science curricular units; and any other associated costs are supported by these funding sources. The Coalition's bylaws and fee schedule for school year 2019-2020 are attached to this Memorandum of Agreement.

## APPENDIX 2E

Visual & Performing Arts Curriculum Documents

# Standards-Alignment Review Rubric for Visual & Performing Arts Units of Instruction

Dimension I Alignment to the Depth of the Visual & Performing Arts Standards	Dimension II Key Shifts	Dimension III Instructional Supports	Dimension IV Assessments
<p>The lesson/unit aligns with the letter and spirit of the Standards for Visual &amp; Performing Arts.</p> <ul style="list-style-type: none"> <li>○ Targets a set of grade-level or proficiency level standards.</li> <li>○ Includes a clear and explicit purpose for instruction.</li> <li>○ Selects artistic concepts that measure within the grade-level or proficiency level and are of sufficient quality and scope for the stated purpose.</li> </ul> <p>A unit or longer lesson should:</p> <ul style="list-style-type: none"> <li>○ Integrate creating, performing/presenting/producing, responding and connecting so that students apply and synthesize advancing artistic literacy skills.</li> </ul>	<p>The lesson/unit addresses key shifts in the Arts Standards</p> <ul style="list-style-type: none"> <li>○ <b>Meaning:</b> Makes discerning deep conceptual meaning a central focus of instruction.</li> <li>○ <b>Academic Vocabulary:</b> Focuses on building students' academic vocabulary in context throughout instruction.</li> </ul> <p>A unit or longer lesson should:</p> <ul style="list-style-type: none"> <li>○ <b>Building Disciplinary Knowledge:</b> Provide opportunities for students to build knowledge about a topic or subject through analysis of a coherent selection of strategically sequenced, discipline-specific master works of art.</li> </ul>	<p>The unit is responsive to varied student learning needs:</p> <ul style="list-style-type: none"> <li>○ Cultivates student interest and engagement creating performing/presenting/producing, responding and connecting about authentic master works of art.</li> <li>○ Addresses proficiency targets/Can statements and is easy to understand and use.</li> <li>○ Provides all students with multiple opportunities to engage in instruction; includes appropriate scaffolding.</li> <li>○ Focuses on challenging concepts and engages students in a productive struggle through discussion questions and other supports that build toward proficiency.</li> <li>○ Integrates appropriate supports for students that have disabilities or read well below the grade level text band.</li> </ul>	<p>The unit regularly assesses whether students are able to demonstrate standards-based content and skills:</p> <ul style="list-style-type: none"> <li>○ Elicits direct, observable evidence of the degree to which a student can independently demonstrate the targeted standards.</li> <li>○ Assesses student performance in all four modes of artistic communication.</li> <li>○ Includes aligned proficiency-oriented rubrics that provide sufficient guidance for interpreting student performance.</li> </ul> <p>A unit should:</p> <ul style="list-style-type: none"> <li>○ Use varied modes of assessment, including a range of pre-, formative, summative and self-assessment measures.</li> </ul>

		<ul style="list-style-type: none"> <li>o Provides extensions and/or more advanced opportunities for students whose performance is beyond the target for unit.</li> </ul> <p><i>A unit should:</i></p> <ul style="list-style-type: none"> <li>o Include a progression of learning where concepts and skills advance and deepen over time (<i>may be more applicable across the year or several units</i>).</li> <li>o Gradually remove supports, requiring students to demonstrate their independent capacities (<i>may be more applicable across the year or several units</i>).</li> <li>o Provide for authentic learning, application of artistic literacy skills, student-directed inquiry, analysis, evaluation and/or reflection and self-assessment.</li> <li>o Use technology and media to deepen learning.</li> </ul>		
<b>Rating: 3 2 1 0</b>	<b>Rating: 3 2 1 0</b>	<b>Rating: 3 2 1 0</b>	<b>Rating: 3 2 1 0</b>	<b>Rating: 3 2 1 0</b>

*Adapted from Achieve's EQulP Rubric for Lessons & Units*

**Rating Scale for Dimensions I, II, III, IV:** **3:** Meets all of the criteria in the dimension; **2:** Meets most of the criteria in the dimension; **1:** Meets some of the criteria in the dimension; **0:** Does not meet the criteria in the dimension. (*Rating for Dimension I: Alignment is non-negotiable and requires a rating of 2 or 3. If rating is 0 or 1 then the review does not continue.*)

**Directions:** The Quality Review Rubric provides criteria to determine the quality and alignment of lessons and units to (1) Identify exemplars/ models for teachers' use within and across states; (2) provide constructive criteria-based feedback to developers; and (3) review existing instructional materials to determine what revisions are needed.

**Step 1 – Review Materials**

- Record the grade and title of the lesson/unit on the recording form.

- Scan to see what the lesson/unit contains and how it is organized.
- Read key materials related to instruction, assessment and teacher guidance.
- Study and measure the master works of art that serves as the centerpiece for the lesson/unit, analyzing complexity, quality, scope, and relationship to instruction.

**Step 2 – Apply Criteria in Dimension I: Alignment**

- Identify the grade-level CCSS that the lesson/unit targets.
- Closely examine the materials through the “lens” of each criterion.
- Individually check each criterion for which clear and substantial evidence is found.
- Identify and record input on specific improvements that might be made to meet criteria or strengthen alignment.
- Enter your rating 0 – 3 for Dimension I: Alignment

*Note: Dimension I is non-negotiable. In order for the review to continue, a rating of 2 or 3 is required. If the review is discontinued, consider general feedback that might be given to developers/teachers regarding next steps.*

**Step 3 – Apply Criteria in Dimensions II – IV**

- Closely examine the lesson/unit through the “lens” of each criterion.
- Record comments on criteria met, improvements needed and then rate 0 – 3.

*When working in a group, individuals may choose to compare ratings after each dimension or delay conversation until each person has rated and recorded their input for the remaining Dimensions II – IV.*

**Step 4 – Apply an Overall Rating and Provide Summary Comments**

- Review ratings for Dimensions I – IV adding/clarifying comments as needed.
- Write summary comments for your overall rating on your recording sheet.
- Total dimension ratings and record overall rating E, E/I, R, N – adjust as necessary.

*If working in a group, individuals should record their overall rating prior to conversation.*

**Step 5 – Compare Overall Ratings and Determine Next Steps**

- Note the evidence cited to arrive at final ratings, summary comments and similarities and differences among raters. Recommend next steps for the lesson/unit and provide recommendations for improvement and/or ratings to developers/teachers.

## Depth-of-Knowledge in the Fine Arts

### MUSIC

#### DOK 1

Students at DOK 1 are able to recall facts, terms, musical symbols, and basic musical concepts, and to identify specific information contained in music (e.g., pitch names, rhythmic duration, voice and instrument classification, music history).

#### DOK 2

Students at DOK 2 engage in mental processing beyond recalling or reproducing a response. Students begin to apply pitch relationships while singing (e.g., so-do), perform accurately on an instrument, and begin to self-assess their own performance. They apply correct fingerings, bowings and stickings, and interpret notation. They can explain and interpret contrasting styles and genres. Students can hear and recognize basic forms (e.g., ABA, strophic), intervals, and rhythmic patterns. Students will sight-read independently.

#### DOK 3

In DOK 3, students demonstrate more complex and abstract thinking in their musical performance. Students play or sing in a group, responding to the cues of the conductor. In this situation, they will use aural skills to blend, balance, and sing/play in-tune; apply pitch and rhythmic accuracy; express elements, articulation, diction, and phrasing. Students begin to play independent parts in an ensemble. They can compose a simple melody in a given key, and improvise over static harmony (e.g., play mallet instruments over a bordun or improvise over a single chord). Students use music theory knowledge to analyze chords/harmonies, realize figured bass and interpret jazz chords.

#### DOK 4

DOK 4 requires complex reasoning that includes planning, investigating, and/or analyzing results. Students compose in two or more voices, which requires the application of harmony, voice leading, and chord progressions. When improvising, students respond to chord changes and develop complex phrases. They rehearse and perform solos with or without accompaniment or in non-conducted ensembles, in which they are required to make individual informed decisions about style, balance, and expressive elements.

## Depth-of-Knowledge in the Fine Arts

Sample Question Stems	Performance Examples	Annotation
<p><b>DOK 1:</b> Who wrote ____? What is this symbol ____?</p>	<ul style="list-style-type: none"> <li>• Identify rhythmic musical notation including whole note, half note, quarter note, and eighth-note pairs.</li> <li>• Identify the musical terms <b>piano</b>, <b>forte</b>, <b>crescendo</b> and <b>diminuendo</b>.</li> <li>• Echo short rhythmic and melodic patterns on a classroom instrument.</li> </ul>	<p>Students are asked only to recall previously learned information and to make an automatic response.</p>
<p><b>DOK 2:</b> Demonstrate ____? How are ____ and ____ alike? Different? Can you relate ____ to ____? What interval am I singing?</p>	<ul style="list-style-type: none"> <li>• If there are four beats in each measure and you have four measures, how many beats do you have? Write this as a math problem.</li> <li>• Read and perform a short piece of music using effective expression (i.e., dynamics and tempo).</li> </ul>	<p>Students are converting rhythmic notation into mathematical equations, which demonstrates understanding of a concept.</p> <p>Students are required to apply previously learned concepts through performing material learned at DOK Level 1.</p>
<p><b>DOK 3:</b> What makes this performance superior to others you have listened to? Support your answer with specific details.</p>	<ul style="list-style-type: none"> <li>• Develop criteria to distinguish between quality and non-quality performance through listening and self-assessment of tone quality, expression, phrasing, pitch and rhythmic accuracy.</li> <li>• Evaluate a recorded performance. Provide supporting details for your assessment.</li> </ul>	<p>Students are to evaluate a performance and give a rationale for their assessment</p>
<p><b>DOK 4:</b> Create a composition using instruments or voices of your choice</p>	<ul style="list-style-type: none"> <li>• Improvise a melody and/or harmonic accompaniment with variations, within specified</li> </ul>	<p>Students are creating and performing their own improvisation.</p>

## Depth-of-Knowledge in the Fine Arts

that creates a mood of increasing intensity.	<p>guidelines, e.g., a chord progression.</p> <ul style="list-style-type: none"> <li>• Compose, in 2 or more parts, an 8-measure phrase with no non-chord tones.</li> </ul>	Students are to compose within specified guidelines.
--	---	--

### THEATRE

#### DOK 1

Students at DOK 1 will be asked:

- Parts of the stage; theatre terminology; general theatre safety; theatre hierarchy; basic rules of audience etiquette
- To perform in front of the class, creating a stereotypical or previously seen character (not themselves)

#### DOK 2

Students at DOK 2 will:

- Compare and contrast styles of acting; identify technical problems on stage and formulate desired outcomes; recognize basic elements of major theatrical time periods; recognize and follow basic script formatting; demonstrate proper audience etiquette;
- Perform in front of class, creating an original character in scene work

#### DOK 3

Students performing at DOK 3 will be able to:

- Complete basic character analysis and perform said character; perform the required tasks for a technical theatre crew; demonstrate basic playwrighting skills; direct a scene with characterization and blocking
- Perform short form improvisational format (scene games, line games, head to head, extraordinary, etc.)

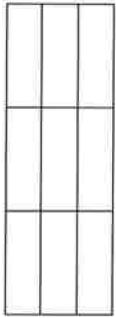

## Depth-of-Knowledge in the Fine Arts

### DOK 4

Students performing at DOK 4 will be able to:

- Create an in-depth character analysis, including textural and historical support for choices and perform said character;
- Perform the functions of a technical element, serving as a designer, stage manager or crew chief;
- Write a script, in proper format, with contextual support of historical theme, characterization, and technical direction;
- Direct a one-act with script analysis, characterization, blocking, and technical elements to support the playwright's intent

# Depth-of-Knowledge in the Fine Arts

Sample Question Stems	Performance Examples	Annotation
<p><b>DOK 1:</b>            Draw and label ____?            Identify ____?            Who wrote ____?            What are the rules to ____?            To what time period does ____ belong?</p>	<p>Label the 9 areas of the stage:</p>  <p>Create a graphic organizer depicting the theatre hierarchy</p>	<p>This asks for recall of specific information.</p> <p>This tasks asks for recall of specific information</p>
<p><b>DOK 2:</b>            How would you compare and contrast ____?            How would you apply what you learned to ____?            What elements are recognizable in ____?            What steps are needed to ____?</p>	<p>Attend a full-length play demonstrating theatre etiquette.</p> <p>From traits you have observed in several people, create an original character in scene work.</p> <p>Identify and execute the steps in building a flat</p>	<p>Students are required to apply previously learned concepts through performing material learned at DOK Level 1.</p> <p>This shows the conceptual understanding of a procedure and then executing those skills.</p>
<p><b>DOK 3:</b>            What conclusions can you draw about this character? (<i>character analysis</i>)            How would you adapt ____ to ____? (<i>technical</i>)            What would happen if ____? (<i>playwriting, improvisation, directing, technical</i>)</p>	<p>All elements of technical theatre are necessary for a complete production:</p> <ul style="list-style-type: none"> <li>Identify the problems and possible solutions in a production, including set, light, sound, costumes, makeup, properties, or business</li> <li>Demonstrate how one element of technical theatre can affect the others</li> </ul>	<p>This shows that students can reason and plan within the area of technical theatre. Previous knowledge is necessary to accomplish this DOK level.</p>
<p><b>DOK 4:</b>            How could the playwright have</p>	<p>Direct a one-act show, creating a complete script and character</p>	<p>This requires complex reasoning, planning and thinking, as well as</p>

changed (character's) actions to foreshadow ____?	analysis, blocking notation, rehearsal process, and design elements for all technical aspects.	follow-through. It will also take extended time to complete due to the complexity of the project.
---	--	---

## Depth-of-Knowledge in the Fine Arts

### DANCE

A variety of dance genres (e.g., folk, ballroom/social, square, contra, ballet, modern, jazz, tap, hip hop, ethnic) can be used to develop depth-of-knowledge at any grade or ability level.

#### DOK 1

Students may be asked to perform basic dance movements in a variety of genres or mimic the teacher or electronic media/video. These types of movement do not require previous dance training.

#### DOK 2

Students may apply concepts of proper movement technique as it relates to the style of dance. Students develop body awareness (e.g., shape, space, timing, rhythm and force). Students explore how to alter movements so kinesthetic and visual differentiation is felt and viewed. Students begin to describe the movement they are seeing.

#### DOK 3

Students utilize more independent thinking and action to execute dance movement with proper technique and qualitative distinction (e.g., elements and qualities of movement). Improvisation may be performed as an individual, with a partner, or in a group. Students are able to make assessments of self and others through value statements.

#### DOK 4

Students use awareness of physical movement and aspects of dance as an art form to create and critique original choreographed dances. Movement expresses meaning of ideas, themes and concepts. Students address how movement choices clarify expression of ideas. Students may incorporate use of music/sound, costuming, props, and lighting to support their solo or group work. Students review and revise their work throughout the creative process to enhance the final choreography.

## Depth-of-Knowledge in the Fine Arts

Sample Question Stems	Performance Examples	Annotation
<p>DOK 1: Which locomotor steps are used within this sequence? What qualities of motion do you see in this movement sequence? Does the Troika folk dance use running locomotor steps?</p>	<ul style="list-style-type: none"> <li>Identify the elements of movement in isolation.</li> <li>Which of the following directions in space is not used in the Electric Slide?               <ol style="list-style-type: none"> <li>Forward</li> <li>Backward</li> <li>sideward</li> <li>diagonal</li> </ol> </li> <li>Does the <i>ballet frappe</i> movement have a percussive quality?</li> </ul>	<p>In each of these examples, the students are recalling the type of step, the direction in space, or quality of motion used within the dance.</p>
<p>DOK 2: Classify _____. What do you notice about _____? Demonstrate the _____.</p>	<ul style="list-style-type: none"> <li>Compare and contrast the use of elements in two different genres of dance.</li> <li>Demonstrate _____ (e.g., levels in space, jazz square, locomotor and non-locomotor movements, seven qualities of movement).</li> </ul>	<p>Students are applying skills and recognizing relationships within the dance curriculum.</p>
<p>DOK 3: What is your interpretation of the dance? Support your rationale. What would happen if _____? How would you adapt _____ to create _____?</p>	<ul style="list-style-type: none"> <li>View a dance by a famous choreographer, and describe the qualities and directions used in the dance to support your interpretation.</li> <li>Choose a topic (e.g., stories, words, paintings, sounds, textures) and improvise movements to portray the theme.</li> <li>Learn a dance and then alter movements to create a new dance (e.g., add a turn, air moment, twist, inversion).</li> </ul>	<p>Students are providing support for reasoning, applying complex and abstract thinking, and formulating multiple responses.</p>
<p>DOK 4: What would you use to support _____ (ex: thematic concept)? How would you use _____?</p>	<ul style="list-style-type: none"> <li>Use movement elements, qualities of movement, and locomotor and non-locomotor movement to create an original dance.</li> <li>Research a topic to support knowledge and make movement choices. An awareness of audience</li> </ul>	<p>Students use creativity in their reasoning, planning, and real-world applications to make original choreography for informal or formal performance.</p>

## Depth-of-Knowledge in the Fine Arts

movement to express the  
idea of \_\_\_\_\_?

and presentation is necessary.

## Depth-of-Knowledge in the Fine Arts

### VISUAL ART

#### DOK 1

Students at DOK 1 are able to define and describe the use of art elements, principles, style, media, and/or techniques. They can identify the function of art in a culture, and make connections between visual art and other content areas.

#### DOK 2

Students at DOK 2 can make examples of and compare and contrast art elements, principles, style, media, and/or techniques through guided practice. They can compare and contrast art elements, principles, style, subject matter, theme, media, and techniques in two works of art.

#### DOK 3

Students at DOK 3 create original artwork within a set of teacher-directed parameters which could include subject matter, theme, historical style, elements and principles, media, and/or technique. They can express a personal point of view through the creation of artwork, and create art that serves a purpose in society (e.g., fine crafts, graphic design; group identity; social, cultural or political commentary). Students justify artistic decisions and analyze and evaluate the effectiveness of communicating meaning in art.

#### DOK 4

Students at DOK 4 select a topic of personal interest as a theme/subject for creation of art and define an artistic problem. They conduct research using a variety of sources (e.g., print materials, photographs, internet, and historical exemplars) and develop ideas through a series of studies. They choose and use elements, principles, style, media, and techniques that will best express the intended meaning. Students can write an artist's statement that explains and defends artistic decisions. Students develop and defend personal answers to aesthetic questions: "What is the nature of art?" "What is beauty?" and "Who decides what makes something art?" They draw and defend conclusions about how art is influenced by and influences culture/history.

## Depth-of-Knowledge in the Fine Arts

Sample Question Stems	Performance Examples	Annotation
<p>DOK 1 What does _____ mean? Which of the following is a cool color? (red, blue, white, orange)</p> <p>DOK 2 How are _____ and _____ alike and/or different? What colors would you mix to create _____?</p>	<ul style="list-style-type: none"> <li>List the characteristics of _____.</li> <li>What is one way to create a rough texture in a painting?</li> <li>Create a variety of colors, tints and shades by mixing pigments.</li> </ul>	<p>Students are asked to recall previously learned information and provide a rote response.</p> <p>Students show understanding of a concept by performance of a basic skill.</p>
<p>DOK 3 How would you express the idea of _____ in a two-dimensional artwork? What is the recurring theme in this artist's work? Provide supporting details.</p>	<ul style="list-style-type: none"> <li>Use implied texture, rhythmic lines, and emphasis to create an original artwork that identifies a group (e.g., teens, family, a school club)</li> <li>Develop a plan for expressing _____ in artwork addressing decisions on the use of elements, principles, subject matter, theme, style, media, and techniques.</li> </ul>	<p>Students make decisions, plan and create art within teacher-set parameters. There are multiple correct answers.</p>
<p>DOK 4 Why might one person consider an abstract work beautiful while another person might consider it grotesque? How do distinctly different characteristics in this artwork work together to express _____?</p>	<ul style="list-style-type: none"> <li>Use a variety of resources to research a "big idea" of your choice. Develop multiple images that communicate a personal interpretation of the idea and refine them into a plan for a two- or three-dimensional artwork. Select elements, principles, media, style, and techniques most appropriate to the expression of the idea. During the creative process, self-evaluate and improve the work. Write an artist's statement.</li> </ul>	<p>Students need extended time and use a variety of student-selected resources for inspiration. Students work as self-directed artists who use complex reasoning and planning. Students generate multiple correct answers to the artistic problems they set. They choose and use art elements, principles, style, media and techniques to achieve a desired effect.</p>

<b>Theatre Model Cornerstone Assessments</b>	
K-2 grade cluster	Drama Machine
3-5 grade cluster	Adapting a character from literature or a folk story into an improvised scene
6-8 grade cluster A	Creating an original plot and characters through improvisation
6-8 grade cluster B	Pantomime
Proficient	Character-Based Improvisation
Accomplished	Design Concept Presentation
Advanced A	Acting Performance
Advanced B	Design Concept Presentation

<b>Visual Arts Model Cornerstone Assessments</b>	
K-2 grade cluster	Self-Portraits: Communicating Personal Interests
3-5 grade cluster	Investigating Places of Personal Significance
6-8 grade cluster	Investigating Contemporary Art and Practice
Proficient	Social, Cultural, or Political Issues in Contemporary Art
Accomplished	Creating and Exhibiting a New Work in Response to an Existing Personal Work
Advanced	Social, Cultural, and/or Political Exhibition as a Springboard into Art Making

Units	Learning Targets	Big Idea	Enduring Understandings	Essential Questions
<b>Unit 1:</b> Music for the Fun of It! 8/30-10/1	1.13, 2.1, 2.2, 2.6, 2.7, 2.9, 2.10, 4.2, 5.1, 5.2, 6.2, 6.5, 6.6, 7.1, 7.3, 8.2, 8.3, 8.5, 9.2	Ensemble	In order to engage in an ensemble you must be both a performer and a listener with the ability to react.	To what extent does participation in an instrumental ensemble impact the performance of the ensemble?
<b>Unit 2:</b> The World Around You 10/4-10/29	1.2, 1.3, 1.4, 1.5, 1.13, 1.14, 4.2, 4.5, 6.2, 8.4, 8.5, 9.1, 9.2, 9.3, 9.5, 9.6	We Are the World	Music as a form of expression becomes part of the history and culture.	To what extent does music affect the world community?
<b>Unit 3:</b> Tunes, Tales, and Traditions 11/1-12/10	1.2, 1.3, 1.4, 1.6, 1.14, 1.15, 4.2, 6.3, 6.7, 6.9, 8.2, 8.3, 8.5	Voice	A voice is a tool which when used according to the rules and apart from the rules can move others' emotions.	How conscious and deliberate is the process of creating good music?
<b>Winter Arts Festival**</b> 12/13-1/14	7.1, 7.2, 7.3, 7.4, 7.5	Evaluation	An audience is the central participant in a musical performance.	To what extent does the consideration of the audience impact the performance?
<b>Unit 4:</b> Music on the Go! 1/17-2/11	1.4, 1.8, 1.9, 1.14, 2.1, 2.9, 5.6, 6.1, 6.2, 6.4, 6.6, 6.7, 6.9, 7.2, 7.4, 7.5	Knowledge	Knowledge of music provides more opportunities to connect with the meaning.	To what extent does knowledge impact enjoyment?
<b>Unit 5:</b> Sing a Wish, Dance a Dream 2/14-3/11	2.1, 2.2, 2.6, 2.7, 2.9, 5.1, 5.2, 5.3, 5.4, 5.5, 5.6, 5.7, 5.10, 6.1, 6.7, 6.9, 9.4	Interpretation	Written music is open to individual interpretation.	Why learn to read and notate music? Why not?
<b>Spring Arts Festival/Musical**</b> 3/14-5/6	7.6, 7.7, 7.8	Audience Participation	Audience participation and reaction are an integral part of the performance.	What are the advantages and disadvantages of a live performance?
<b>Unit 6:</b> Express Yourself! 5/9-6/3	1.6, 2.1, 4.1, 4.6, 5.8, 5.9, 6.2, 9.2, 9.4, 9.5, 9.6	Like or Not Like?	There will be positive and negative aspects to all music based on personal preferences and levels of understanding.	Why do I like the music that I like?

\*Standard 5 is covered on all units through the Reading Music Enrichment section of each unit.

\*\* Standards 1, 2, and 7 are evaluated at each Festival.

Units	Learning Targets	Big Idea	Enduring Understandings	Essential Questions
<b>Unit 1:</b> Music for Everyone 8/30-10/1	1.3, 1.6, 1.8, 1.10, 1.11, 1.3, 3.1, 3.2, 4.1, 4.5, 5.2, 5.4, 5.5, 5.6, 6.1, 6.2, 6.4, 6.6, 6.7, 6.9, 8.3, 8.4, 9.1, 9.2, 9.4	Musical Description	Music has its own vocabulary.	How can I use words to describe what I hear?
<b>Unit 2:</b> Musical Messages, Musical Journeys 10/4-10/29	1.6, 1.8, 1.10, 1.11, 1.15, 2.3, 2.4, 2.5, 2.11, 2.12, 6.7, 6.9, 8.3, 8.4, 9.2, 9.5, 9.6	Working Together	Working together requires effort.	How can I work together with the others in the ensemble?
<b>Unit 3:</b> Happy Go Lucky! 11/1-12/10	1.4, 1.17, 3.1, 3.2, 4.1, 4.2, 4.3, 4.4, 4.5, 5.1, 5.3, 5.7, 5.8, 5.9, 5.10, 6.2	Right or Wrong?	Written music is open to individual interpretation.	How do I know if I got it right?
<b>Winter Arts Festival**</b> 12/13-1/14	7.1, 7.2, 7.3, 7.4, 7.5	Evaluation	An audience is the central participant in a musical performance.	To what extent does the consideration of the audience impact the performance?
<b>Unit 4:</b> Musical Discoveries 1/17-2/11	2.1, 2.2, 2.6, 2.7, 2.8, 2.9, 2.10, 2.13, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 4.1, 4.2, 4.6, 9.3, 9.4	Improvise	Improvisation is achieving a balance among technique, listening, understanding, communicating, and responding.	To what extent is improvisation a form of communication?
<b>Unit 5:</b> One Musical Planet 2/14-3/11	6.6, 9.1, 9.2, 9.3, 9.4, 9.5, 9.6	Society's Influence	Music as a form of expression becomes part of the history and culture.	To what extent do musicians influence society and does society influence musicians?
<b>Spring Arts Festival/Musical**</b> 3/14-5/6	7.6, 7.7, 7.8	Audience Participation	Audience participation and reaction are an integral part of the performance.	What are the advantages and disadvantages of a live performance?
<b>Unit 6:</b> A Time to Dream, A Time to Sing 5/9-6/3	4.1, 4.2, 4.3, 4.4, 4.5, 8.1, 8.2, 8.3, 8.4, 8.5	Arranging allows for freedom in format of presentation.	Arranging allows for freedom in format of presentation.	Should music be rearranged that has already been created?

\*Standard 5 is covered on all units through the Reading Music Enrichment section of each unit.

\*\* Standards 1, 2, and 7 are evaluated at each Festival.

Units	Learning Targets	Big Idea	Enduring Understandings	Essential Questions
<b>Unit 1: Americans Sing!</b> 8/30-10/1	1.1, 1.2, 1.3, 1.8, 1.15, 2.1, 2.3, 3.1, 3.2, 3.6, 4.1, 4.3, 5.4, 5.5, 9.4	Notation	Written music is a language that has symbols and rules that enable a musician or performer to maintain accurate communication over time and distance.	Why learn to read and notate music? Why not?
<b>Unit 2: Coming To America</b> 10/4-10/29	2.2, 2.10, 2.11, 5.1, 5.2, 6.4, 6.7, 7.3, 7.6, 9.1, 9.2, 9.3, 9.4, 9.5, 9.6	Culture	Music as a form of expression becomes part of the history and culture.	To what extent does music play a role in culture?
<b>Unit 3: The Old Becomes the New</b> 11/1-12/10	1.4, 1.5, 1.6, 1.11, 1.14, 1.17, 4.1, 5.3, 5.4, 8.2, 8.3, 8.4	Vocals	A voice is a toll which when used according to the rules and apart from the rules can move others' emotions and/or communicate meaning.	How conscious and deliberate is the process of creating good music?
<b>Winter Arts Festival**</b> 12/13-1/14	7.1, 7.2, 7.3, 7.4, 7.5	Evaluation	An audience is the central participant in a musical performance.	To what extent does the consideration of the audience impact the performance?
<b>Unit 4: A Tale to Be Told</b> 1/17-2/11	4.6, 6.1, 6.6, 6.9, 7.8, 7.7, 7.5, 8.1, 8.2, 8.3, 8.4, 8.5	Cross Curricular	Music complements other art forms.	To what extent is participation in music education an important part of one's comprehensive education?
<b>Unit 5: Expressions in Song</b> 2/14-3/11	1.12, 2.6, 3.1, 3.2, 3.3, 3.4, 3.4, 3.6, 3.7, 3.8, 3.9, 3.10, 4.4, 5.2, 5.6, 5.5, 6.8, 7.1	Improvisation	Improvisation is achieving a balance among technique, listening, understanding, communicating, and responding.	How much do you have to know about song structure and chord progressions to improvise well?
<b>Spring Arts Festival/Musical**</b> 3/14-5/6	7.6, 7.7, 7.8	Audience Participation	Audience participation and reaction are an integral part of the performance.	What are the advantages and disadvantages of a live performance?
<b>Unit 6: Music for Changing Times</b> 5/9-6/3	5.8, 5.9, 6.2, 6.3, 6.5, 9.2, 9.5, 9.6	History	Changes in history cause changes in music.	To what extent does music reflect our times?

\*Standard 5 is covered on all units through the Reading Music Enrichment section of each unit.

\*\* Standards 1, 2, and 7 are evaluated at each Festival.

Curriculum Scope & Sequence

School	Gateway Lab School	Grade or Course	Grade 6	Teacher	Music	Essential Questions
Unit Order	Learning Targets	Theme or Big Idea	Enduring Understandings			
By unit title and/or time frame						
8/30-9/24	3.1, 3.8, 3.10, 2.6, 2.7, 2.10, 1.1, 1.2, 1.3,	Preparation	To become a skilled performer requires persistence.			When is music deliberate and when is it spontaneous?
9/27-10/29	1.6, 1.7, 1.15, 1.14, 2.12, 4.2	Skilled Performance	A performance does not need to vary from the original piece in order to be considered an artful performance.			When does mere repetition or imitation become creative and artful performance?
11/1-12/3	6.1, 6.2, 6.3	Active Listening	Listening is an active endeavor.			When is sound considered music?
12/7-1/3	7.2, 7.4, 7.5	Educated Opinions	The more vocabulary and understanding one has of the performance the more clearly one can evaluate.			On what basis can music be compared and contrasted?
1/3-1/21	6.8, 7.2, 7.5, 7.6, 7.7, 7.8		Winter Arts Festival			
1/24-2/25	5.1, 5.2, 5.3, 5.4	Notation	Written music is open to individual interpretation.			Why learn to read and notate music? Why not?
2/28-3/25	9.2, 9.4, 9.5, 9.6	History of Musicals	Hollywood is always looking for ways to attract audiences.			How do the contemporary and international musicals compare to those of the past?
3/28-5/6	8.1, 1.9, 2.8, 2.11, 1.13		Spring Arts Festival/Musical			
4/1-5/6	3.4, 3.5	Improvising	Improvising as an individual allows complete creative freedom of expression.			To what extent is improvisation a form of communication?
5/9-6/1	8.5, 4.5, 4.6, 4.4	Technological Sounds	Arranging allows for freedom in format of presentation.			To what extent have changes in technology influenced the art of music?

## Curriculum Scope &amp; Sequence

School \_\_ Gateway Lab School \_\_ Grade or Course \_Grade 7\_ Teacher \_\_ Music

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
8/30-9/24	1.15, 1.17, 1.4, 1.5, 1.6, 1.11	Voice Variations (including Beat Boxing)	A voice is a tool which when used according to the rules and apart from the rules can move others' emotions.	When does singing move from mere repetition or imitation to creative and artful performance?
9/27-10/29	8.2, 6.1, 6.8, 9.5, 9.2	Brain Research	Music has aesthetic, kinesthetic, and affective characteristics. Our physical bodies respond instantly to the sound the ear hears and the mind interprets.	To what extent does learning in the arts contribute to a student's cognitive ability?
11/1-12/3	2.1, 2.2, 2.3, 2.4, 2.13, 2.12, 2.8, 2.9, 2.11	Rhythm Instrumental Ensemble	Different instruments require different physical skill sets.	When does playing an instrument move from mere repetition or imitation to creative and artful performance?
12/7-1/3	3.6, 3.7	Improvisation	Improvising as part of an ensemble allows freedom within guidelines.	How much in music is technical skill and how much is "magic"?
1/3-1/21	6.8, 7.2, 7.5, 7.6, 7.7, 7.8		Winter Arts Festival	
1/24-2/25	5.5, 5.6, 5.7	Notation	Written music is a language that has symbols and rules that enable a musician or performer to maintain accurate communication over time and distance.	When is the best time to learn notation? According to whom?
2/28-3/25	4.4, 4.5, 4.2	Arrangement Variations	Arranging allows for freedom in format and presentation.	Should music be rearranged that has already been created?
3/28-4/1	8.1, 1.9, 2.8, 2.11, 1.13		Spring Arts Festival/Musical	
4/6-5/6	7.1, 7.3, 7.6, 9.2, 9.3, 9.4	Aesthetics	There will be positive and negative aspects to all music based on personal preferences and levels of understanding.	Why did your parents like that music anyway?
5/9-6/1	6.6, 6.7, 6.4, 6.5, 7.8, 7.6	Audience Selection of a Winner	Due to programs like American Idol and America's Got Talent, the audience has played a larger role in determining quality.	How does the concept of quality relate to musical performance?

**Curriculum Scope & Sequence**

School \_\_Gateway Lab School\_\_ Grade or Course \_Grade 8\_\_ Teacher \_\_Music\_\_

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
8/30-9/24	8.1, 7.5	Music Industry	A small group of individuals determine what gets produced based on what they think consumers will buy.	What influence does the music industry have on what gets produced?
9/27-10/29	1.9, 1.10, 1.12, 1.13, 1.16, 2.8, 2.9, 2.11	Ensembles	In order to engage in an ensemble one must be both a performer and a listener with the ability to react.	To what extent does participation in a vocal or instrumental ensemble impact the performance of the ensemble?
11/1-12/3	3.2, 3.3, 3.9	Improvisation	Improvisation is achieving a balance among technique, listening, understanding, communicating, and responding.	How much do you have to know about song structure and chord progressions to improvise well?
12/7-1/3	8.1, 8.3, 7.8, 7.7, 9.1, 9.2, 9.3	Cultural Influence	Music is a study and reflection of society. Music reflects the environment and times of its creation.	How influential is the taste of the time, and why?

1/24-2/25	5.9, 5.10, 7.1, 7.3, 7.4	Notate or Not to Notate	A musician may compose for a variety of reasons. Some of those reasons may negate the need to record in notation or aurally.	Should all music be shared?
2/28-3/25	4.5, 4.6	Music in Films	Compositions are communication of emotions.	How does purpose impact the composition?
3/28-5/6	8.1, 1.9, 2.8, 2.11, 1.13		Spring Arts Festival/Musical	
4/1-5/6	6.8, 6.9, 9.6, 9.4	Six-Degrees of Separation in Music	Knowledge of music provides more opportunities to connect with the meaning.	Who influenced whom?
5/9-6/1	8.2, 8.3	Music as Dance; Dance as Music	Music complements other art forms.	When does dance become music, and music become dance?

**GATEWAY LESSON PLAN TEMPLATE**

A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

**Weekly Lesson Plan Format**

Week of: 9-23 to 9-27

Teacher:

<b>1. Identify the standard(s)</b>			
<b>Content Area:</b>	<b>Music</b>	<b>Grade: 3-8</b>	<b>Unit: Music In Your World</b>
<b>a) List standards to be addressed</b>		<p><b>Anchor Standard 9:</b> Apply criteria to evaluate artistic work.</p> <p><b>Anchor Standard 11:</b> Relate artistic ideas and works with societal, cultural, and historical context to deepen understanding.</p> <p><b>I CAN</b> use criteria to evaluate music and performances and demonstrate my understanding by citing evidence from the elements of music.</p> <p><b>I CAN</b> tell you how music relates to other subjects and daily life.</p>	
<b>b) List activities currently implemented in the classroom and related skills</b>		<p>Class discussions concerning the classrooms theme</p> <p><b>Music in Your World</b></p> <p>Class discussions concerning classroom procedures and expectations</p>	
<b>2. Define the learning outcomes</b>			
<b>Level of support</b> →	<b>Least support</b>	<b>Moderate support</b>	<b>Most support</b>
<b>List the desired outcomes for students</b>	<p>Individually students will :</p> <p>Determine and explain what vibrates on a specified instrument to make sound</p> <p>Recognize that vibrations can be changed to alter the pitch of a sound and determine how to alter pitch on certain instruments</p>	<p>With minimal staff prompting and visual aids (such as graphic organizers (if needed)) students will:</p> <p>Determine and explain what vibrates on a specified instrument to make sound</p> <p>Identify the difference between a high and low pitch</p>	<p>With staff prompting and visual aids (such as graphic organizers or gestures) students will:</p> <p>Determine what vibrates on a specified instrument to make sound</p> <p>With staff prompting identify the difference between High and low Pitch</p>

	Be able to define the musical term Timbre and identify differences in timbre of different instruments and music.	Be able to define the musical term Timbre and identify differences in timbre of different instruments and music.	Be able to define the musical term Timbre.
<b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b>	Teacher observation Rubrics Comprehension Questions Warm-up Journal Fist to Five Exit Ticket	Teacher observation Rubrics Comprehension Questions Warm-up Journal Fist to Five Exit Ticket	Teacher observation Rubrics Comprehension Questions Warm-up Journal Fist to Five Exit Ticket

**3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit**

<b>List the instructional activities planned for all students: *Arts infusion *Sensory based techniques</b>	<b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b>	<b>List supports that can be implemented to reduce barriers Note UDL's utilized in this lesson</b>
<p>Introduction pre-assessment tool, to activate prior knowledge, students are asked: After listening to music students are asked what instruments do they hear (3<sup>rd</sup>) and if they can organize those instruments by pitch?</p> <p>Students will review and discuss the vocabulary words <i>vibration</i>: a rapid back-and-forth movement as well as the word <i>Pitch</i>: defining a sound as high or low.</p> <p>Instructor will demonstrate various ways in which students will be able to visualize vibrations through instruments in the classroom and explain the source of the vibration.</p> <p>Students will: (In groups) Be given instruments and fill out a graphic organizer in which they will have to Identify the source of the vibration that produces sound <b>(6-8)</b></p> <p>Students will: Go on a sound walk.</p>	<p>Challenging behavior</p> <p>Multistep directions</p> <p>Attending to task</p> <p>Print</p> <p>Speech</p> <p>Auditory processing delays</p>	<p>Brain Breaks</p> <p>Extended Time</p> <p>Graphic organizers</p> <p>Anchor Charts/Maps</p> <p>Review session of important background information</p>

Creating a list of the various sounds they hear. What is vibrating to create each of these sounds? Describe the pitch of each sound. (4<sup>th</sup>-5<sup>th</sup>)

Students will listen to various excerpts of music and that when they think the pitch is high they should stand on tiptoe and when they think it is low they should crouch down to the ground. (3<sup>rd</sup>)

**Extension**

Introduction pre-assessment tool, to activate prior knowledge Students will be asked to listen to piece music and write one word to describe the piece.

Students will be introduced to the term Timbre (pronounced “tam-bur”)

Students will participate in a instructor led discussion explain that the *timbre* of something is what makes a particular sound unique from another sound (also referred to as tone color or texture)

Students will discuss words they can use to describe the Timbre of specific musical pieces and instruments through a Think Pair Share activity

*Exit ticket: Review of learned material*

**4. How will you utilize your paraprofessional during the academic classes?**

The classroom paraprofessional will assist in daily classroom operations and procedures. (Assisting in small/ whole group instruction, student behavior etc.)

**5. How will you utilize technology during the academic classes?**

Technology will be used for composing, listening , writing , researching music

## Art Pacing Guide Third Grade

Units	Learning Targets	Big Idea	Enduring Understandings	Essential Questions
Unit 1: Mood 8/30-9/30	1.3, 2.1, 2.3, 4.1, 4.2, 6.1	Line and Shape	Both art and writing attempt to express mood.	How can I use lines and shapes to express mood?
Unit 2: Animation 10/1-11/5	2.1, 2.2, 2.4, 6.3	Space and Form	Animation artists study space and form in photographs to know how to draw scenes for storyboards.	How can I create the appearance of space on a flat surface?
Unit 3: Advertisements 11/9-12/22	1.1, 1.1, 1.6, 3.1, 3.2	Color and Value	Advertisers utilize color so you will connect that product to that combination of colors.	How does a child who cannot read, know the signs for their favorite items?
<b>Winter Arts Festival 1/3-1/21</b>	5.1, 5.2, 5.3, 5.4	Criteria	Using vocabulary from art class can help you explain what you like or don't like in the way of art.	Do I like this piece of art? Why or Why not?
Unit 4: Feel It with Your Eyes 1/24-2/25	1.4, 1.5, 1.7, 3.3, 3.4, 4.6, 4.7	Texture and Balance	Artists use texture and balance to help the viewer sense how the object in the art would feel.	How can I use texture and balance to give a sense about how the object feels?
Unit 5: Solving Problems 2/28-3/25	2.5, 2.9, 2.10, 3.5, 3.6, 6.2	Pattern, Rhythm, and Movement	The process of creating art requires critical and creative problem solving.	How do artists make decisions when solving art problems?
<b>Spring Arts Festival 3/28-5/6</b>	5.5, 5.6, 5.7	Reflection	Reflection, assessment and refinement are key steps in the process of creating art.	What was I trying to communicate in the art piece I selected for the Spring Arts Festival?
Unit 6: Bringing It All Together 5/9-6/1	2.8, 2.9, 2.10, 3.5, 3.6	Harmony, Variety, and Unity	Artists use harmony, variety, emphasis, and unity to create a pleasing and interesting piece of art.	How do harmony and variety create a feeling of unity?

Units	Learning Targets	Big Idea	Enduring Understandings	Essential Questions
Unit 1: Cultures 8/30-9/30	1.1, 1.2, 4.1, 4.2, 4.3	Line	Art celebrates the unique characteristics of a culture.	How is line used in art from various cultures and times?
Unit 2: Symbolism's Strength 10/1-11/5	3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 4.4	Shape, Pattern, Rhythm, and Movement	The process of choosing and evaluating subject matter, symbols, and ideas may be deliberate or intuitive.	How will symbols be used in my work?
Unit 3: Music and Art 11/9-12/22	1.4, 1.5, 2.1, 2.2, 2.3, 6.2	Color and Value	Connecting visual art to other disciplines can deepen learning.	How are color and value evident in music?
<b>Winter Arts Festival 1/3-1/21</b>	5.1, 5.2, 5.3, 5.4	Criteria	Timeless works of art are deemed important for a number and variety of reasons.	Why might this piece of art, which I don't personally like, be appealing to someone else?
Unit 4: Form and Function 1/24-2/25	2.4, 2.5, 2.6, 4.5, 4.6, 4.7, 6.2	Form, Texture, and Emphasis	Form and function may or may not be related to the other.	To what extent does good design integrate form with function?
Unit 5: Realism vs. Surrealism 2/28-3/25	2.7, 2.8, 2.9, 2.10, 6.1, 6.2	Space, Proportion, and Distortion	Artists use accurate proportions to realistically depict people and objects.	How do distortions impact the piece of art?
<b>Spring Arts Festival 3/28-5/6</b>	5.5, 5.6, 5.7	Reflection	Reflection, assessment and refinement are key steps in the process of creating art.	How effective was this artist at communicating ideas and emotions? What "star" (positive) and "wish" (recommendation) would you give?
Unit 6: The Un-Art 5/9-6/1	1.6, 1.7, 6.3, 6.4	Balance, Harmony, Variety, and Unity	Artists use balance, variety, harmony, and unity to organize works of art.	What effect will imbalance, disharmony, disunity, and repetition bring to my art?

Units	Learning Targets	Big Idea	Enduring Understandings	Essential Questions
Unit 1: Natural Resource 8/30-9/30	3.1, 3.2, 3.3, 4.1, 4.2, 4.3	Line, Shape, and Value	Natural resources have influenced the creation of indigenous art forms.	In what ways might natural resources influence the creation of art?
Unit 2: 2-D and 3-D Creations 10/1-11/5	2.1, 2.2, 2.3, 2.7, 2.10, 3.4	Space, Shape, and Form	Many artists use space, shape, and form in two- and three-dimensional works of art.	How do artists create depth on a flat surface?
Unit 3: Cultural Influence 11/9-12/22	1.1, 1.6, 1.7, 4.4, 4.5, 4.6, 4.7	Color and Pattern	Subject matter, symbols, and ideas are all rooted in culture.	To what extent does culture influence art?
<b>Winter Arts Festival</b> 1/3-1/21	5.1, 5.2, 5.3, 5.4	Criteria	Timeless works of art are deemed important for a number and variety of reasons.	Why might this piece of art, which I don't personally like, be appealing to someone else?
Unit 4: Rules 1/24-2/25	1.1, 1.4, 1.5, 6.1	Proportion and Distortion	Artists learn rules in order to break them.	How can breaking the rules create a different effect?
Unit 5: Client Wishes 2/28-3/25	2.4, 2.5, 2.6, 2.8, 2.9, 6.2, 6.3	Texture, Rhythm, Movement, and Balance	Artists make specific decisions about what and how they include objects and the form of their artwork.	How can I produce a piece of art that my client will like?
<b>Spring Arts Festival</b> 3/28-5/6	5.5, 5.6, 5.7	Reflection	Reflection, assessment and refinement are key steps in the process of creating art.	How effective was this artist at communicating ideas and emotions? What "star" (positive) and "wish" (recommendation) would you give?
Unit 6: Communication 5/9-6/1	3.5, 3.6, 6.3, 6.4	Harmony, Variety, Emphasis, and Unity	Art is a form of expression that employs a system of visual symbols.	How and why is art used as a vehicle for communication?

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
8/30-9/30 Chp 1, 2, 3, 4 (IA)	1.1, 1.2, 1.3, 3.2, 3.4, 2.8, 2.1, 2.2	Communication	Artists must understand media, techniques, and processes as tools to communicate.	How and why is art used as a vehicle for communication? How does art tell a story?
10/1-11/5 Chp. 5 (IA)	5.3, 5.4, 5.6	Personal Criteria	What I like and don't like is influenced by what I see and experience?	To what extent is it adequate or appropriate to say "I like it" or "I don't like it" when discussing the merit of a work of art?
11/9-12/22 Chp. 10 (IA)	2.5, 2.8, 2.9	Architecture	Architects consider how the building will be used when creating a building design.	How do form and function fit together when designing a building?
1/3-1/21	5.1, 5.2, 5.3, 5.4		Winter Arts Festival	
1/24-2/25 Design Shows on TV and Web Sources	4.3, 4.5	Interior Design	Interior design requires the designer to move past his/her personal preferences in order to be successful.	How does an interior designer identify a client's style?
2/28-3/25 Chp 5 (IA) & Survey of History & Culture Chp. 5-8 (UA)	4.1, 1.1, 1.4	Exploring Media and Geography	Natural resources have influenced the creation of indigenous art forms.	How are the elements of art different through geographical location?
3/28-5/6	5.5, 5.6, 5.7		Spring Arts Festival/Musical	
5/9-6/1 Artsource Companion Video & Individual Lessons from Chapters	6.3, 6.1	ELA - revision, draft; Math - geometric terms; Music - rhythm; Dance - flow	Understanding how terms are used in other subjects can enhance and expand the creative process.	How are terms that are used in art and other subjects related? Why does it matter?

## Curriculum Scope &amp; Sequence

School \_\_ Gateway Lab School \_\_ Grade or Course \_Grade 7\_ Teacher \_\_ Art \_\_

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
8/30-9/30 Chp. 1, 2, 3 (EA)	1.6, 1.7, 2.6, 2.7, 2.9	Decisions	Artists make thoughtful choices in creating works of art.	Why do artists select one medium over another?
10/1-11/5 Chp. 11 (IA); 12 (EA); 16 & 17 (UA)	1.1, 1.2, 1.5, 1.7, 2.4, 2.2	Contemporary Art Styles - Kinetic, Environmental	Artists are always trying new things and finding new media with which to communicate.	Is all art meant to communicate a message?
11/9-12/22 Studio Cyberspace: Critique Web Site Design	5.5, 5.3, 5.6, 6.3, 2.1, 2.3, 2.5, 2.6	Web Site Design	In this fast pace society, the design of a web site needs to catch the audiences' attention and be easy to navigate.	What elements of art do graphic web site designers consider?
1/3/1/21	5.1, 5.2, 5.3, 5.4		Winter Arts Festival	
1/24-2/25 Chp. 5 (EA)	3.3, 3.5, 5.1, 5.5, 5.6, 5.7	Definition of Art	Timeless works of art are deemed important for a number and variety of reasons.	What makes some works of art great? When does a work of art have merit?
2/28-3/25 Chp 6 (EA) & Survey of History & Culture Chp. 9-11 (UA)	4.1, 4.4	Costume Design - Textiles	Costume designers use their knowledge of history and culture to design a costume that fit for a particular scene.	How do costume designers make decisions about what a costume should look like?
3/28-5/6	5.5, 5.6, 5.7		Spring Arts Festival/Musical	
5/9-6/1 Chp. 10 (EA)	1.1, 1.3, 1.4	Photography	Photographers take several elements into consideration when planning the perfect shot.	What makes one photograph a work of art and another a keeper of memories?

## Curriculum Scope &amp; Sequence

School \_\_ Gateway Lab School \_\_\_\_\_ Grade or Course \_Grade 8\_\_\_\_\_ Teacher \_\_\_\_\_ Art \_\_\_\_\_

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
8/30-9/30 Chp. 2 & 3 (UA)	1.4, 1.5, 2.10, 2.3, 2.4, 2.5	Communication	Artists must understand media, techniques and processes to manipulate media to achieve desired effects.	To what extent can media be manipulated using a variety of techniques and processes?
10/1-11/5 Chp. 4 (UA)	3.6, 5.4, 5.2, 5.5	Artist's Craft	Reflection, assessment, and refinement are key steps in the process of creating art.	Does this piece of art communicate what I intended? If not, how should I change it?
11/9-12/22 Chp. 11 (EA)	2.8, 3.2, 3.4,	Advertising	The process of creating art requires critical and creative problem solving.	How do advertisers merge art with the needs of their clients?
1/3-1/21	5.1, 5.2, 5.3, 5.4		Winter Arts Festival	
1/24-2/11 Chp 13 (IA)	5.5, 5.6, 5.7	Book Illustrations - Caldecott Awards	Each award group has their own criteria for what they are looking for.	Who decides which book illustrations are the best?
2/14-3/4 Chp. 15 (EA)	6.2, 1.4, 1.6, 1.1, 2.2, 2.7	Art in Cartoons, Video Games, and Movies	The means for creating art always changes.	How does technology impact art?
3/7-3/25 Chp. 14 (EA)	1.6, 1.1, 2.2, 2.7	Set Design	Artists create illusions of real life objects and make us believe.	How do I take the concept in my head and create it on stage?
3/28-5/6	5.5, 5.6, 5.7		Spring Arts Festival/Musical	
5/9-6/1 Chp. 1 & Survey of History & Culture Chp. 12-15 (UA)	3.3, 3.1	Museum Decisions and Design	Art celebrates the unique characteristics of all cultures. Art preserves and depicts history in ways words cannot.	How do museum a curator make decisions about which art to include and how it will be displayed?

# Emphasis in Forms

ap-Up

## Extra! For the Art Specialist

Time: About 45 minutes

### Focus

Use *Transparency 34* to discuss how artists create emphasis in forms by decorating different parts of the form differently. Have students look for examples of emphasis through decoration on their own shoes or clothing.

### Reach

Have students complete the Alternate Activity. What are some other ways they could have created emphasis on the animal?

### Reflect

Guide students through evaluation of their works of art using the four steps of art criticism. (See pages 28–29 for more about criticism.)

### Alternate Activity

Materials:

- yarn
- buttons
- blunt tapestry needles
- burlap or squares of old sheets
- markers

1. Discuss students' favorite animals. Do the animals have any natural areas of emphasis? Have students choose an animal they would like to show. Have students draw the outline of that animal on the fabric with marker.
2. Have students stitch over the outline. See the Technique Tips on page 231 for information about stitchery. Have students emphasize the eyes of the animal by sewing buttons for eyes.

## Research in Art Education

An overview of research concerning the arts in education shows that high-arts involvement leads to outcomes “central to the goals society typically articulates for public education—productive social membership, critical and higher-order thinking, and commitment to the skills for lifelong learning” (“Promising Signs of Positive Effects: Lessons from the Multi-Arts Studies” in *Critical Links*, p. 99).

**Assessment** Use the following rubric to evaluate the artwork students make in the Creative Expression activity and to assess students' understanding of emphasis in forms.

Have students complete page 75 or 76 in their *Assessment* books.

Art History and Culture	Aesthetic Perception	Creative Expression	Art Criticism
The student can compare footwear traditions from different cultures.	The student accurately identifies emphasis in forms.	The student's cut paper slipper clearly shows emphasis.	The student thoughtfully and honestly evaluates his or her own work using the four steps of art criticism.
The student's comparison is weak or incomplete.	The student shows emerging awareness of emphasis in forms.	The student's cut paper slipper shows some awareness of emphasis.	The student attempts to evaluate his or her own work but shows an incomplete understanding of evaluation criteria.
The student cannot compare footwear traditions from different cultures.	The student cannot identify emphasis in forms.	The student's cut paper slipper does not show emphasis.	The student makes no attempt to evaluate his or her own work.

**Assessment, p. 75**

Name \_\_\_\_\_ Date \_\_\_\_\_

Lesson **4**  
Unit 1

### Emphasis in Forms

For the teacher: Use the following example for this activity. Using markers, draw a foot. Emphasize one part of the foot.

Level 1 U.S. 5 • Balance, Emphasis, and Unity 75

## extra! For the Art Specialist

Time: About 45 minutes 

### Focus

Have students point out primary and secondary colors in the art on *Large Prints Firebirds* and *42 Noreaster*. Ask students to describe how the artists used color to emphasize important parts. Discuss how the repetition of colors unifies each work, or gives it a sense of rhythm. Ask students to explain how an artist's use of color can affect the mood of an artwork.

### Teach

Have students create a drawing using colors that illustrate a particular mood.

### Reflect

Have students use the four steps of art criticism to evaluate their work. Did they effectively use color to illustrate a mood in their drawing? Create a class exhibition. Have students identify the main idea of their works of art.

### Alternate Activity

Materials:

- 12" × 18" manila paper
- multicolor packs of crayons (at least 64 colors per pack)

1. Ask students to think of something that makes them experience an emotion, or mood. For example, playing with their dog or cat might make them feel happy, or doing homework might make them feel grouchy.
2. Students select several colors they feel will illustrate their mood and create a drawing about the event using a limited palette of only those colors.

## Research in Art Education

Education in the arts aids in "developing worthy citizens, people who enjoy intellectual and emotional control, people with skill and initiative, and people who are aware of their world" (Gaitskell, C.D., and Al Hurwitz. *Children and Their Art: Methods for the Elementary School*. Toronto: Harcourt, 1970).

## Assessment

Use the following rubric to evaluate the artwork students make in the Creative Expression activity and to assess students' understanding of primary and secondary colors and value as created by tints and shades.

Have students complete page 33 or 34 in their *Assessment* books.

 Art History and Culture	 Aesthetic Perception	 Creative Expression	 Art Criticism
The student demonstrates knowledge of the lives and art of Russell and Held.	The student accurately identifies the primary and secondary colors and tints and shades in works of art and in the environment.	The student effectively plans and creates an illustration of a special occasion using color to express a mood or an emotion.	The student evaluates own work using the four steps of art criticism.
The student shows emerging awareness of the lives and art of Russell and Held.	The student shows emerging awareness of the primary and secondary colors and tints and shades in works of art and in the environment.	The student shows some awareness of how to plan and create an illustration of a special occasion using color to express a mood or an emotion.	The student attempts to evaluate own work but shows an incomplete understanding of evaluation criteria.
The student does not demonstrate knowledge of the lives and art of Russell and Held.	The student cannot identify primary and secondary colors or tints and shades in works of art or in the environment.	The student shows no awareness of how to plan and create an illustration of a special occasion using color to express a mood or an emotion.	The student makes no attempt to evaluate own artwork.

**Assessment, p. 33**

Name \_\_\_\_\_ Date \_\_\_\_\_ Lesson **1** Unit 3

### Looking at Color

**A. Matching**  
Match the words in Column 1 to their meanings in Column 2.

<b>Column 1</b> ___ 1. tint ___ 2. secondary colors ___ 3. hue ___ 4. value ___ 5. shade ___ 6. primary colors	<b>Column 2</b> a. the lightness or darkness of a color b. a color + black c. red, yellow, and blue d. another name for color e. a color + white f. orange, green, and violet
--	---

**B. Coloring**  
Use your primary-colored crayons to create the three secondary colors in the boxes below.

Level 3 Unit 3 • Color and Value 33

# Space in Two-Dimensional Art

## Extra! For the Art Specialist

Time: About   
30 minutes

### Focus

Study *Large Print 63 The Icebergs*, and discuss how the feeling of depth was created in the artwork. How do the objects in the foreground differ from those in the background? What do you notice about the details on the objects? What do you notice happens to the size of the objects?

### Teach

Review the six perspective techniques. Discuss how artists use the six techniques when painting and drawing outdoor scenes. Explain to the students that they will be creating an outdoor scene based on a real place using collected images from photographs or magazines. Have students begin collecting photographs and magazine images prior to this lesson.

### Reflect

Have students evaluate their works of art using the four steps of art criticism. Encourage them to locate an area outside the school to draw, and describe which of the six perspective techniques they might use.

### Alternate Activity

Materials:

- Art Journal
- 12" × 18" heavy white drawing paper
- pencils, erasers
- tempera paint
- paintbrushes
- cotton swabs
- water containers
- newspaper

1. As a class, make a list on the board of places you have visited, places you would like to visit, or places that are meaningful to you. Decide on one place you want to depict, and collect images of that place.
2. In your Art Journal, plan your ideas for your outdoor scene. Make sure to include the six perspective techniques.
3. Lightly draw your best ideas onto the drawing paper. Begin by painting the sky first. Your other objects will then overlap this area of your painting.
4. Paint in solid areas first and add details on top last. Use the cotton swab to paint the shape of the heads of any people that might be included in your scene. Add shadows, highlights, and textures last.

## Research in Art Education

One case study showed that students who were "learning disabled and who were 'reluctant' readers" were able to engage in reading with the creation and analysis of visual art was incorporated their discussions of stories. suggests that combining visual art with reading may help certain readers ("Reading Is Seeing: Using Visual Response to Improve the Literacy Reading of Reluctant Readers" in, *Critical Links*, p. 144). As students study the use of space in two-dimensional art, encourage them to think about the impact that illustrations have on a book.

### Assessment

Use the following rubric to evaluate the artwork students make in the Creative Expression activity and to assess students' understanding of space in two-dimensional art.

Have students complete page or 24 in their *Assessment* book

	 Art History and Culture	 Aesthetic Perception	 Creative Expression	 Art Criticism
<b>3 POINTS</b>	The student can demonstrate knowledge of the lives and work of Winslow Homer and William Adolphe Bouguereau.	The student accurately identifies the use of space in two-dimensional art.	The student's painting clearly illustrates the use of space in two-dimensional art.	The student thoughtfully and honestly evaluates own work using the four steps of art criticism.
<b>2 POINTS</b>	The student's knowledge of the lives and work of Winslow Homer and William Adolphe Bouguereau is weak or incomplete.	The student shows emerging awareness of space in two-dimensional art.	The student's painting shows some awareness of space in two-dimensional art.	The student attempts to evaluate own work, but shows an incomplete understanding of evaluation criteria.
<b>1 POINT</b>	The student cannot demonstrate knowledge of the lives and work of Winslow Homer or William Adolphe Bouguereau.	The student cannot identify the use of space in two-dimensional art.	The student's painting shows no understanding of space in two-dimensional art.	The student makes no attempt to evaluate own artwork.

**Assessment, p. 23**

Name \_\_\_\_\_ Date \_\_\_\_\_

**Lesson 2**

### Space in Two-Dimensional Art

**A. Matching**  
Match the perspective techniques in Column 1 with their explanation in Column 2.

<p><b>Column 1</b></p> <p>1. detail</p> <p>2. color</p> <p>3. converging lines</p> <p>4. placement</p>	<p><b>Column 2</b></p> <p>a. parallel lines seem to move toward the same point as they move farther away from the viewer</p> <p>b. brightly colored objects seem closer to the viewer and objects with pale, dull colors seem farther away</p> <p>c. objects placed in or next to the foreground seem to be closer to the viewer than objects placed in or near the background</p> <p>d. objects with clear, sharp edges and many details seem to be closer to the viewer than objects that have fuzzy outlines</p>
--	---

**B. Drawing**  
Draw an example of each of the following perspective techniques.

**C. Writing**  
Look at William Adolphe Bouguereau's *The Nut Gatherers*. On the back of this paper, write about the perspective techniques used in this work of art.

Unit 2 • Space, Shape, and Form 2

# Subtractive Sculpture

## Extra! For the Art Specialist

Time: About 45 minutes 

**Focus**  
 Study *Large Print 55 Floating City* and discuss with students various techniques used in subtractive sculpture. Ask students how this could be considered an example of subtractive sculpture.

**Prep**  
 Prepare cups or containers of plaster prior to the lesson. As a class, select a theme, such as the zoo or the ocean. Explain to students that they will carve simple shapes based on the class theme. Demonstrate carving on all sides and carving into the center with a spoon as an introduction to the lesson. Have the students complete the alternate activity.

**Reflect**  
 Have students use the four steps of art criticism to evaluate their work. Have them explain how their sculptures fit the class theme.

### Alternate Activity

- Materials:**
- sketchbook
  - pencils, erasers
  - collected images
  - modeling plaster
  - plastic bowl or bucket, cold water
  - mixing stick
  - paper cup or container
  - assorted carving tools
  - newspapers
  - paper towels
1. Have students select an image and sketch a simple animal form such as a fish or reptile. The design should be simple.
  2. Have students tear the mold from the plaster form. Have them use a pencil to draw their sketches into the plaster.
  3. Students should use a spoon to scrape away the plaster surrounding the design. They can use a nail or a paper clip to carve out small areas or add texture and details. When students finish carving, they should sand lightly the areas they want smooth.
  4. Create a class display. Have students document interesting facts about the species they carved.

## Research in Art Education

"Talk about art, or art criticism, is probably one of the ways we share the contents of our inner lives without embarrassment. Art criticism is very much like teaching: it is the sharing of discoveries about art, or in some cases about life, where art has its ultimate source." (Hurwitz, Al, and Stanley Madeja. *The Joyous Vision*. New Jersey: Prentice Hall, 1997.)

**Assessment** Use the following rubric to evaluate the artwork students make in the Creative Expression activity and to assess students' understanding of subtractive sculpture.

Have students complete page 49 or 50 in their *Assessment* books.

Art History and Culture	Aesthetic Perception	Creative Expression	Art Criticism
The student demonstrates knowledge of Egyptian and Aztec cultures.	The student can explain how subtractive sculptures are created.	The student's sculpture is clearly a subtractive sculpture.	The student thoughtfully and honestly evaluates own work using the four steps of art criticism.
The student shows some knowledge of Egyptian and Aztec cultures.	The student shows emerging awareness of how subtractive sculptures are created.	The student's sculpture shows some attempt to create a subtractive sculpture.	The student attempts to evaluate own work but shows an incomplete understanding of evaluation criteria.
The student cannot demonstrate knowledge of Egyptian or Aztec cultures.	The student cannot explain how subtractive sculptures are created.	The student's sculpture is not a subtractive sculpture.	The student makes no attempt to evaluate own work.

**Assessment, p. 49**

Name \_\_\_\_\_ Date \_\_\_\_\_ Lesson 3 Unit 4

**Subtractive Sculpture**

**A. Check Answer**  
 Write the answer to the question.  
 What type of sculpture is created when an artist carves away from a form? \_\_\_\_\_

**B. Drawing**  
 Use erasers or markers to draw a shape in each of the two boxes below. Color in only the positive space in the first box, and color in only the negative space in the second box.

positive space                      negative space

**C. Writing**  
 Look at the sculptures Artec Jaguar and Egyptian Cat. Write a paragraph describing the positive and negative spaces you see.

Unit 4 • Form, Function, and Emphasis 49

## Extra! For the Art Specialist

Time: About  45 minutes

### Focus

Use *Large Print 30 Exuberance* and ask students if this image has more of some colors than others. Which ones? Do you know the primary hues? How many secondary hues are there?

### Each

Assign to student that they will be creating new colors today and using them to paint a snail picture. Have students complete the Alternate Activity.

### Reflect

Have students evaluate their work using the four steps of art criticism.

### Alternate Activity

- Materials:**
- 12" × 18" white drawing paper
  - mixing trays or paper plates
  - small brushes
  - water dishes
  - newspaper
  - red, yellow, and blue tempera paint
  - a snail image

1. Paint three pairs of snails, leaving space to add a third snail to each group. Paint the snail pairs using the following colors:
  - a yellow snail with a blue snail
  - a blue snail with a red snail
  - a red snail with a yellow snail
2. Mix the primary colors to create the secondary colors. Paint a third snail in each group. Match the secondary snail color with the primary snail color group it belongs to.

## Research in Art Education

"The general goal of art criticism is to try to understand mankind and the human condition. But beyond that, it seeks to discover and communicate the 'meaning' of art—usually of modern or contemporary art because it can be examined in the context of the present." Risatti, H. "Art Criticism in Discipline-Based Art Education." *Journal of Aesthetic Education* 21 (2), (Summer 1987): 217–225.

**Assessment** Use the following rubric to evaluate the artwork students make in Creative Expression activity and to assess students' understanding of color and hue.

Have students complete page 33 or 34 in their *Assessment* books.

Art History and Culture	Aesthetic Perception	Creative Expression	Art Criticism
The student can identify and compare two modern paintings.	The student accurately identifies color and hue in his or her environment.	The student's painting clearly illustrates a good use of color and hue.	The student thoughtfully and honestly evaluates his or her own work using the four steps of art criticism.
The student's identification or comparison is weak or incomplete.	The student shows emerging awareness of color and hue, but cannot consistently identify them.	The student's painting shows some awareness of color and hue.	The student attempts to evaluate his or her own work, but shows an incomplete understanding of evaluation criteria.
The student cannot identify or compare two modern art paintings.	The student cannot identify color and hue.	The student's painting shows no understanding of color and hue.	The student makes no attempt to evaluate his or her own artwork.

**Assessment, p. 33**

Name \_\_\_\_\_ Date \_\_\_\_\_ Lesson **1**  
Unit 3

+  =  orange

+  =  green

+  =  violet

Unit 3 • Color and Value 33

## GATEWAY LESSON PLAN TEMPLATE

Adapted from DE Department of Education (ACCESS PROJECT)

## A 4 Step Approach:

1. Identify the Standards
2. Define the Learning Outcomes
3. Identify the Instructional Activities
4. Execute Extension Activities/Assessment

Weekly Lesson Plan Format

Week of: December 10 – December 17

1. Identify the standard(s)	
Content Area: Art	Grade: 3-8
Unit: Review and Color Properties (Intro)	
<p><b>a) List standards to be addressed</b></p>	<p><b>Creating – Organize artistic ideas and work.</b>            Grade 3 VA:Cr2.1.3a Create personally satisfying artwork using a variety of artistic processes and materials.            Grade 3 VA: Re.7.2.3a Determine messages communicated by an image.            Grade 4 VA:Cr1.1.4a Brainstorm multiple approaches to a creative art or design problem.            Grade 4 VA: Re.7.2.4a Analyze components in visual imagery that convey messages.            Grade 5 VA:Cr1.2.5a Identify and demonstrate diverse methods of artistic investigation to choose an approach for beginning a work of art.            Grade 6 VA: Cr2.1.6a Demonstrate openness in trying new ideas, materials, methods, and approaches in making works of art and design.            Grade 7 VA:Cr1.2.7a Develop criteria to guide making a work of art or design to meet an identified goal.            Grade 7 VA:Cr.2.1.7a Demonstrate persistence in developing skills with various materials, methods, and approaches in creating works of art or design.            Grade 7 VA: Re.7.2.7a Analyze multiple ways that images influence specific audiences.            Grade 8 VA:Cr2.3.8a Select, organize, and design images to make visually clear and compelling presentations.            Grade 8 VA: Re. 7.2.8a Compare and contrast contexts and media in which viewers encounter images that influence ideas, emotions, and actions.</p>
<p><b>b) List activities currently implemented in the classroom and related skills</b></p>	<ul style="list-style-type: none"> <li>• Students will experiment with given materials to explore the 3 properties of color.</li> <li>• Students will continue to study parts of a color wheel and color families.</li> <li>• Students will create a finished piece of artwork using principles of color theory and the properties of color.</li> <li>• Students will review prior material on elements of art.</li> <li>• Students will evaluate finished works of art using critique sandwich, peer critique assessment tool and/or rubric and new</li> </ul>

information learned in unit.

- Students will participate in groups for review of material.
- Students will complete an individual assessment on color theory.
- Students will view a presentation on color properties as an intro to the next project.
- Students will complete a project using color properties.

## 2. Define the learning outcomes

Level of support	Least support	Moderate support	Most support
<p><b>List the desired outcomes for students</b></p>	<p>Students will complete a longer term project using three color properties. Students will identify color properties present in historical and contemporary artwork. Students will assess final artwork.</p> <p>Students will view a presentation on color properties. Students will complete a short-term project using black and white materials and follow up with color materials.</p>	<p>Student will receive intermittent teacher assistance to complete a longer term project using color properties. Students will have group assistance in identifying color properties present in historical and contemporary artwork. Students will assess final artwork.</p> <p>Students will view a presentation on color properties and complete a project using black and white materials and follow up with color materials with intermittent group/teacher assistance.</p>	<p>Students will have group and one-on-one teacher assistance to complete a longer-term project using color properties and identifying color properties present in historical and contemporary artwork. Students will receive one-on-one teacher assistance to assess final artwork.</p> <p>Student will view a presentation on color properties and receive one-on-one teacher assistance. Students will complete a short term project in black and white and follow up with color materials and teacher assistance.</p>
<p><b>List the formative assessments (Be sure to include multiple ways for students to show what they know).</b></p>	<p>Students will answer comprehension questions as a whole group and participate in group games and quizzes to review elements of art in general and the principles of color theory and the properties of color. Students will have access to rubric to create work with final goals in mind.</p> <p>Students will complete an individual written assessment on color theory/color properties.</p>	<p>Students will answer comprehension questions as a whole group with some teacher explanation of definitions. Students will be able to identify the elements of art and principles of color theory/properties and definitions with some prompting in a group setting. Student will have coaching on completion of project with end goals in mind in regards to the rubric tool.</p> <p>Students will complete an individual written</p>	<p>Students will be able to identify the elements of art and color theory/properties and principles used in the current art project with some teacher and group prompting.</p> <p>Students will complete an individual written assessment on color theory/properties with one-on-one teacher assistance.</p>

		assessment on color theory/color properties with some teacher prompting.	
<b>3. Identify the instructional activities/arts infusion/sensory based techniques to be used within the unit</b>			
<b>List the instructional activities planned for all students:</b> *Arts infusion *Sensory based techniques	<b>List the barriers that may prevent students from accessing instruction, participating in activities, or demonstrating learning</b>	<b>List supports that can be implemented to reduce barriers</b> Note UDL's utilized in this lesson	
Students will complete the following activities: <ul style="list-style-type: none"> <li>• Presentation</li> <li>• Grouping</li> <li>• Learning stations</li> <li>• Think, pair, share gaming</li> <li>• Comprehension Questions</li> </ul>	Student behavior and anxiety. Some students struggle with fear of failure when completing an artwork. Some students struggle with the concept of ownership and sharing. Some students struggle with reading and writing.	Encouraging feedback regarding final projects. Suggestions to come from students themselves regarding personal improvement. Encourage collaborative efforts. Help students that are struggling with reading and writing one-on-one.	

**Lesson is subject to change.**

## Curriculum Scope &amp; Sequence

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
<b>Unit 1:</b> Dramatize Using Puppetry 9/6-10/1	1.2, 1.3, 1.6	Plot	Improvisation is a way of writing a play.	How do you match your voice to your puppet's character?
<b>Unit 2:</b> Dramatized Folktale 10/4-10/29	1.1, 1.5, 2.1, 2.2, 2.4	Character	Folktales are used to teach lessons.	Where do folktales come from?
<b>Unit 3:</b> Improvised Folktale 11/1-12/10	3.2, 3.3, 5.1, 6.3	Visual Elements	Folklore is a part of everyday lives.	How can we enhance our performance?
<b>Mid-Winter Tales</b> (public performance at the Winter Arts Festival) 12/13-1/21	1.1, 1.5, 2.1, 2.4, 3.1, 5.1, 7.6, 8.1	Storytelling Festival		
<b>Unit 4:</b> Reader's Theatre - Create Sound Effects and Voices 1/24-2/18	3.1, 6.2, 6.4, 6.5	Sound and Voice	Selections for Reader's Theatre come from a variety of sources.	How do proper breathing techniques impact a Reader's Theatre performance?
<b>Unit 5:</b> Pantomime - Dramatize a Literary Selection 2/21-3/18	2.1, 2.4, 2.5, 7.3, 7.4	Movement	Nonverbal communication can be more impactful than using words.	How do you use pantomime in your life?
<b>School-wide Spring Musical</b> (public performance) 3/21-5/6	2.2, 2.4, 3.1, 6.3, 6.4, 6.5, 7.5	Integrated Arts		
<b>Unit 6:</b> Write and Perform a Script 5/9-6/3	8.1, 4.1, 4.2	Subject, Mood, and Theme	Dialogue we hear everyday can be used in a script.	How do we identify how someone else is feeling?

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
Unit Activity	Grade-Level Expectations	Element	Enduring Understanding	Essential Question
Unit 1: Dramatize a Story 8/30-10/1	1.2, 1.5, 4.1, 6.2, 6.4	Plot	Memorable stories have within them universal themes to which we can relate.	How does conflict inform plot?
Unit 2: Write and Perform a Monologue 10/4-10/29	1.2, 1.6, 2.3, 2.4	Character	Actors bring personal experience to a role, making each characterization unique	What part does personal experience play in character work?
Unit 3: Dramatized Literary Selection - Pantomime 11/1-12/10	2.1, 2.5, 5.1, 8.1, 8.2	Movement	Movement defines character.	How can habitual movement patterns hinder character development?
Mid-Winter Tales (public performance at the Winter Arts Festival) 12/13-1/21	2.5, 5.1, 6.3, 7.5, 7.6	Dramatized Stories	Performances bring a purpose to the practicing.	What habits can I follow while practicing that will help me when I perform?
Unit 4: Dramatized Literary Selection - Use Sound Effect & Voice 1/24-2/18	1.5, 1.6, 2.1, 2.4, 8.2	Sound and Voice	Performers need to develop vocal expression to communicate effectively.	How does sound create images?
Unit 5: Improvisation - Use Visual Elements 2/21-3/18	3.2, 3.3, 4.2, 6.5	Visual Elements	Knowledge of production elements provides us with wider choices to express ourselves.	How can improvisation prepare an actor for a script?
School-wide Spring Musical (public performance) 3/21-5/6	3.3, 4.4, 6.5, 7.4, 7.5, 7.6	Integrated Arts	Performances bring a purpose to the practicing.	What habits can I follow while practicing that will help me when I perform?
Unit 6: Write and Perform a Script 5/9-6/3	4.1, 4.2, 6.1, 6.2, 7.4, 7.5	Subject, Mood, and Theme	Dramatic scenes are constructed through the use of units of action and "beats."	How can writers structure language to convey mood and meaning?

## Curriculum Scope &amp; Sequence

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
<b>Unit 1:</b> Dramatize a Poem 9/6-10/1	1.2, 1.5, 4.1, 4.2, 8.2	Plot	Drama reflects history and culture.	How can poetry be used as a bridge to cultural diversity?
<b>Unit 2:</b> Write and Perform a Monologue 10/4-10/29	1.2, 1.6, 7.4, 7.3	Character	Imagination is the foundation for creating a character.	Why is character background important to creating a role?
<b>Unit 3:</b> Dramatized Story - Pantomime 11/1-12/10	2.4, 2.5, 5.3, 8.3	Movement	There is a wide variety of movement techniques used for characterization.	How does movement communicate character?
<b>Mid-Winter Tales</b> (public performance at the Winter Arts Festival) 12/13-1/21	2.5, 3.1, 8.3, 8.4, 3.3	Dramatized Stories		
<b>Unit 4:</b> Reader's Theatre - Sound Effect 1/24-2/18	2.1, 2.4, 4.1, 4.2	Sound and Voice	Learning proper breathing techniques enhances vocal production.	How does breath control affect a performance?
<b>Unit 5:</b> Dramatized Literary Selection - Use Visual Elements 2/21-3/18	3.2, 3.3, 5.1, 5.3, 6.3	Visual Elements	Critical analysis of literature is necessary for understanding dramatic concepts.	Why is it important to be familiar with all aspects of a production?
<b>School-wide Spring Musical</b> (public performance) 3/21-5/6	3.3, 5.1, 5.2, 6.3, 6.5	Integrated Arts		
<b>Unit 6:</b> Write and Perform a Script 5/9-6/3	4.1, 4.2, 4.3, 6.1, 6.3, 7.5, 7.6	Subject, Mood, and Theme	Script writing is based on personal experience, prior knowledge and imagination.	How can writing a script help an actor to understand him or herself and others?

## Curriculum Scope &amp; Sequence

Unit Order By unit title and/or time frame	Learning Targets	Theme or Big Idea	Enduring Understandings	Essential Questions
8/30-9/24	1.1, 2.4, 6.1	Fundamentals of acting	Portraying a range of characters encourages understanding of self.	Why does an actor need to develop certain skills in order to create a wide range of characters?
9/27-10/29	2.1, 2.4	Voice and Movement	Actors must be trained to use their body and voice to create unique characterizations.	How do performers prepare and use their bodies for presentations?
11/1-12/3	1.3, 2.1, 2.4	Improvisation	Improvisation is an important tool of the actor for the development of spontaneity and authenticity.	How does improvisation assist in the development of acting skills that can be used in scripted scenes?
12/7-1/3	1.1, 1.2, 1.3, 1.7	Original work	Material for original work comes from our personal experience.	How do your personal experiences affect your script writing?
1/3-1/21	3.2, 3.3,		Winter Arts Festival	
1/24-2/25	8.1, 8.2, 8.3	Theater History and Culture	Drama is a reflection of history and culture	How does drama reflect the lives of people in the past?
2/28-3/25	7.1, 7.2, 7.5, 8.4	Learning to appreciate theater as an audience	Knowledge of dramatic arts leads to a lifelong appreciation in all the arts.	How does theater impact a community?
3/28-5/6	3.2, 3.3, 6.2		Spring Arts Festival/Musical	
4/1-5/6	4.1, 4.2	Directing	How the roles and responsibilities of a director contribute to artistic vision.	How does a director make choices regarding a production?
5/9-6/1	3.1, 3.2, 3.5	Designing and building	Technical aspects of production such as <b>lighting, set, props, make-up and costume design</b> enhance and support a production.	How do technical aspects of a production and performers work together?

## Curriculum Scope &amp; Sequence

Unit Order By unit title and/or time frame	Learning Targets	Grade or Course	Teacher	Theatre	Enduring Understandings	Essential Questions
8/30-9/24	1.1,1.3, 1.6, 2.3,2.4, 6.1	Grade 7			The portrayal of a character must include research into background, history and motivation of that character.	How do events in our lives contribute to the choices we make in the future?
9/27-10/29	2.1, 2.4				The voice and body are essential communication tools for developing and presenting characters.	How can we learn to use our bodies and voices in new ways?
11/1-12/3	1.6, 2.1, 2.4				Storytellers use specific techniques to bring the audience into the story.	Where are some good sources for stories that can be used for storytelling?
12/7-1/3	1.3, 1.4, 6.2, 8.3				Radio play	How does the requirements of a script written for the medium of radio differ from television?
1/3-1/21	5.1, 5.2, 5.4, 6.3				Winter Arts Festival	
1/24-2/25	3.1, 6.5, 7.4				Costumes	How does what we wear inform others about us?

Gateway Lab Charter School  
2501 Centerville Road  
Wilmington, DE 19808

Attention: Joyce Henderson, Board President

Dear Joyce,

This letter is to certify that board excellence governance training was completed on November 12, 2018 for the below listed board members of Gateway Lab Charter School:

Kenyatta Austin  
Sherlock Hack  
Tina Horgan  
Tara Ford  
Heidi Shanus  
Doreen Rathmell  
Doug Salter  
Lawrence Heredia  
Joyce Henderson  
Pam Draper  
Catherine Dolan

Board members will receive a certificate signed by the President and CEO and the Executive Vice President, Excellence Academy of DANA.

Please let me know if you need anything further from me.

Sincerely,

*Paul Stock*

## **Appendix 6 Current Board Bylaws**

# APPENDIX 6

## Board Bylaws

# **BYLAWS OF GATEWAY CHARTER SCHOOL, INC.**

*Adopted as of March 13, 2008*

*Updated as of August 8, 2018*

## **INTRODUCTION**

The purpose of this corporation (the “Corporation” or “School”) is restricted to the opening and operation of charter schools, before school programs, after school programs and educationally related programs offered outside the traditional school year.

## **ARTICLE I – POWERS AND FUNCTIONS OF DIRECTORS**

Subject to limitations imposed by law, the Certificate of Incorporation, or these bylaws, all corporate powers shall be exercised by or under the authority of the Board of Directors (the “Board”). The Board has the power to manage the property and business of the Corporation. The members of the Corporation (the “Members”) shall have no voting rights, other than as provided by the General Corporation Law of the State of Delaware and the provisions of these bylaws.

Without limiting the foregoing, the Board shall conduct the business of the Corporation, including:

- i) Adopting the bylaws of the Corporation;
- ii) Determining the general policies and strategic planning of the Corporation;
- iii) Establishing the annual budget and approving major expenditures;
- iv) Approving projects and approving the overall budget of said projects;
- v) Approving the administrative budget of the Corporation;
- vi) Approving the annual reports of the Corporation;
- vii) Approving the annual financial statements of the Corporation; and
- viii) Electing officers and filling vacancies in said offices as may occur from time to time during the year.

## **ARTICLE II – MEETINGS OF THE BOARD**

### Section 1. Compliance with the provisions of the Freedom of Information Act.

The Board shall conduct its meetings as if it were a “public body” as defined in 29 Del. Code § 10002(a) and according to the requirements of Chapter 100 of said Title 29 (the “Act”). In addition to the published notices required by the Act, notices of each meeting of the Board shall be forwarded to its members by any method which preserves proof of such notice.

Section 2. Quorum.

A quorum for the transaction of business at any meeting of the Board shall consist of one-half of the voting directors plus one. An act of a quorum present and voting at a duly called meeting shall be the act of the Board, except as may otherwise be provided elsewhere by these bylaws.

Section 3. Participation by Conference Telephone.

Notwithstanding any provision of these bylaws to the contrary, members of the Board, or of any committee thereof, may participate in a meeting of such Board, taskforce, or committee by means of conference telephone, google hangout or similar communications equipment by means of which all persons participating in the meeting can hear each other and such participation shall constitute presence in person at such meeting. All meetings must be posted 7 days for public knowledge.

Section 4. Reliance.

A member of the Board, or of any committee thereof, shall in the performance of his or her duties, be fully protected in relying in good faith upon the records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of its officers, or employees, or committees of the Board, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

**ARTICLE III – BOARD OF DIRECTORS**

Section 1. Number.

At a minimum, the Board shall consist of five members: A Parent Director, A teacher Director, and three Community Directors, as defined in Article III Section 2; however, the Board may consist of up to eleven members. The number of directors constituting the Board may be reduced as a result of a vacancy or increased upon the approval of additional members as provided in Sections 5 and 8, respectively, of this Article III.

Section 2. Eligibility.

Eligibility: Members of the Board of Directors do not need to be Members of the Corporation. One member of the Board is required to be a certified teacher or parent/ legal guardian of a current student. A Parent Director who ceases to be a parent or legal guardian of a student enrolled at the School may

continue in office upon request to be a community director for the remainder of the term with required board approval. Teacher Directors must be voted upon by their peers via an election process, and then complete an interview process before approval onto the board. A Teacher Director shall be deemed to have resigned from the Board of Directors on the date the Teacher Director is no longer employed as a teacher at the School. Members of the Board that are neither Parent Directors nor Teacher Directors shall make up the remainder of the Board (“Community Director”). All references to “director” or “Director” within these Bylaws is a general reference to any or all four classes of Directors referenced in this Section, unless otherwise stated. Additionally, the term “Board Member” and “Director” or “director” are used interchangeably in these Bylaws.

### Section 3. Voting Rights.

Each director shall have one vote. Teacher and Staff Directors are precluded from voting on issues related to firing or staff compensation at the School.

### Section 4. Liability.

No director shall be personally liable for the debts, liabilities or obligations of the Corporation.

### Section 5. Approval and Term.

The Parent Directors shall be approved by the Board such that they are parents or legal guardians of students enrolled in the School and the Teacher and Staff Directors shall be approved by the Board such that they are employed at the School, in accordance with the provisions of Article V. The directors may, in their discretion, approve additional directors pursuant to an affirmative vote of a majority of all Directors then serving, provided that the limit on the number of directors set forth above in Section 1 of this Article III shall not be exceeded.

### Section 6. Staggered Terms

The Directors’ terms shall be organized in the following manner:

#### *i) Parent Directors*

Parent Directors elected to the Board shall serve either one (1), two (2), or three (3) year terms. The Board shall decide, by majority vote at the time of election, whether the term of service for a newly elected Parent Director will be a one (1), two (2), or three (3) year term. Parent Directors will be elected consistent with the provisions in the other Sections of this Article.

#### *ii) Teacher/Staff Directors*

Teacher/Staff Directors elected to the Board shall serve either one (1), or two (2) year terms. The Board shall decide, by a quorum of the board whether the term of service for a newly elected Teacher/Staff Director will be a one (1) or two (2) year term. Teacher/Staff Directors will be elected consistent with the provisions in the other Sections of this Article.

iii) *Community Directors*

Community Directors elected to the Board shall serve either one (1), two (2), or three (3) year terms. The Board shall decide, by majority vote at the time of election, whether the term of service for a newly elected Community Director will be a one (1), two (2), or three (3) year term. Community Directors will be elected consistent with the provisions in the other Sections of this Article.

iv) *Consecutive Terms*

No member may serve more than two consecutive terms; provided, however, that the initial terms of the Parent Directors, Teacher/Staff Directors or Community Directors expiring at the term that was approved.

v) *Term Renewals*

All Directors term renewals must be affirmed by a vote (quorum) of the Board.

Section 7. President of the Board.

The Board shall approve, at its annual meeting a President of the Board (the “President”) who shall be a director and who shall hold office until the first meeting of the Board following the next annual meeting of the Members and until his or her successor is approved or until his or her earlier resignation or removal by act of the Board. The President shall preside at meetings of the Members of the Corporation and of the Board. In the absence of the President, a Vice-President shall preside at meetings of the members of the Board.

Section 8. Vacancies.

The directors may, in their discretion, fill any vacancy by a affirmative vote of a quorum of the directors then serving; provided, however, that any vacancy with respect to a Teacher/Parent Director position on the Board must be filled by a parent or legal guardian of a student enrolled in the School and any Teacher position on the Board must be filled by a teacher employed by the school. The term of service for any new Director elected to fill a vacancy resulting from a removal outlined in Section 9 or a resignation outlined in Section 10 of this Article shall be the remainder of the term of the Director being replaced. The remainder of the term shall not be considered for purposes of calculating “consecutive

terms” as outlined in Section 6 of this Article. The same policy shall apply in filling vacated positions on the Executive Committee.

#### Section 9. Removal.

A director may be removed from the Board, with or without cause, by an affirmative vote (quorum) of the whole Board, provided that: first, notice of such proposed action shall be given in the agenda of the meeting at which such removal is considered; second, the Board member has been informed in writing at least ten (10) calendar days prior to the meeting of the reason for the proposed removal; and third, the Board member is given an opportunity to be heard at the proposed removal meeting

#### Section 10. Resignations

Any director may resign from a committee of the Board, an office of the Board, or the Board itself by giving written notice to the President or the Secretary. Any such resignation shall take effect on the date of receipt of such notice or at any later time therein specified, and, unless otherwise specified, the acceptance of such resignation shall not be necessary to make it effective.

#### Section 11. Compensation.

Directors shall serve without compensation.

#### Section 12: Emeritus Status

##### Section i: *Definition*

There shall be a category of director known as a “Director Emeritus”. This title may be bestowed upon individuals who are not presently serving on the Gateway Lab School Board of Directors (“Board”), but who have previously served the Board with distinction and excellence.

##### Section ii: *Terms*

A Director Emeritus is elected to serve a term of three (3) years, renewable at the discretion of the Director Emeritus, so long as he or she remains active in the work of Gateway Lab School and subject to Subsection “vi” of this title. A Director Emeritus may end his or her term at any time; alternatively, a Director Emeritus may have his or her term ended by action of the Board pursuant to Subsection “vi” of this title.

##### Section iii: *Privileges & Limitations of a Director Emeritus*

A Director Emeritus shall be entitled to:

- Receive all written notices and information which are provided to the Board;
- Attend all Board meetings;
- Participate in meetings of Board Committees; and
- Attend all other school events.

A Director Emeritus shall not:

- Be subject to any attendance policy;
- Be counted in determining whether a quorum is present;
- Be entitled to hold office; and/or
- Be entitled to vote at any board meeting.

Section iv: *Eligibility:*

The Board will consider and weigh, in a proportion subject to their absolute discretion, the following factors in evaluating whether to award Director Emeritus status to a previous board member:

- Whether the candidate has served the Board with distinction;
- Whether the candidate has held an important leadership role;
- Whether the candidate has made or continues to make significant contributions to the betterment of the school;
- Whether the candidate has engaged in major volunteer or advocacy activities in his or her service on the Board;
- Whether the candidate has participated in one or more Gateway Lab School activities (events, networking fundraisers, etc.);
- Whether the candidate has created a positive legacy that will impact the school far into the future;
- Whether the candidate's contributions have caused others to aspire to greater contributions and standards for Board service; and/or
- Whether this candidate's contributions were vital to the creation, perpetuation, growth, or development of the school.

Section v: *Election:*

On an annual basis, the Leadership and Governance Committee will consider potential candidates and may nominate one or more individuals for Director Emeritus designation. The

Leadership and Governance Committee will present the nomination(s) along with supporting statements to the Board for its consideration.

A simple majority vote of directors present at a meeting in which a quorum is present is sufficient to approve an individual for Director Emeritus designation. Any director who is **the** candidate for consideration of Director Emeritus designation may not vote in the election deciding whether to award that designation.

Section vi: *Board Termination of Director Emeritus Status:*

The Board intends for termination of Director Emeritus status to generally be left to the discretion of the individual who is granted the designation. However, any individual designated Director Emeritus is still subject to the Directors' Code of Conduct. Should the Board determine that a an individual designated Director Emeritus has violated the Directors' Code of Conduct, the Board may take appropriate action to address the violation, up to and including rescinding that individual's Director Emeritus status.

#### Section 13: Board Giving Policy (Last Updated August 2018)

Charitable contributions by a prospective board member are a significant responsibility and require commitment of personal time, and energy. A strong nonprofit organization represents board of directors who provide financial resources to the operation of the organization. While board members have varying capacities to give and charitable giving is a personal decision; each board member shall make a cash donation to Gateway Lab School (GLS) at a level they consider meaningful and generous by their own standard. Pledges should be made to the Finance Committee Chair in October at the annual meeting. Pledges can be satisfied by the following options: automated monthly payments or a lumpsum payment made by May 1st of each year to the Treasurer of the Board. Having 100% board participation in giving is important to Gateway Lab School's funding opportunities and future.

#### Section 14: Attendance (Last Updated August 2018)

Board members are required to attend at least 75% of scheduled meetings during a calendar year (except for emergencies beyond the control of the board member). Failure to fulfill these time commitments will constitute automatic resignation from the Board of Directors which will be formally acknowledged in the next regularly scheduled board meeting.

## **ARTICLE IV – Committees & Taskforces of the Board**

### Section 1. Establishment by Board.

The Board may appoint, or may provide for the appointment of, committees or taskforces consisting of directors with such duties and powers as the Board may, from time to time, designate and prescribe. In the absence or disqualification of any member of any committee or taskforce and any alternate member in his or her place, the Board may appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member. The Board may, from time to time, suspend, alter, continue or terminate any of such committees or taskforces their powers and functions thereof.

### Section 2. Action.

Unless otherwise provided in the resolution of the Board designating a committee or taskforce, a majority of the members shall constitute a quorum unless the committee shall consist of one or two members, in which case one member shall constitute a quorum. All matters properly brought before the committee or taskforce shall be determined by a majority vote of the members present.

### Section 3. Action Without Formal Meeting.

Any action that may be taken by a committee at a meeting may be taken without a meeting if all members thereof consent thereto in writing, and such writing is filed with the minutes of the proceedings of such committee; provided, however, that no such action without a meeting may be taken if such action were to be regarded as the sort of action that may only be taken at a public meeting as required by the Act.

### Section 4. Procedures.

Each committee or taskforce may determine the procedural rules for meeting and conducting its business and shall act in accordance therewith, except as otherwise provided by law. Adequate provision shall be made for notice to all members of any committee or taskforce of all meetings of that committee.

## **ARTICLE V – MEMBERS**

Section 1. Eligibility.

The Members of the Corporation shall be the members of the Board of Directors.

Section 2 Approval of Directors.

The Teacher and Staff Members shall elect the Teacher Staff Directors. Such directors shall be elected by a plurality of the votes of each class of Members present or represented by proxy at a regular or the annual meeting of the Members. The Operational and Sustainability Committee shall be responsible for the solicitation, interviewing, and nominating of candidates to become Parent Members, Teacher/ Staff Members or Community Members of the Board of Directors of the Corporation. A report from the Operational and Sustainability Committee shall include the name, address, occupation, employer, educational background and such other information as is consistent with the Board application with respect to all candidates for membership on the Board of Directors.

Section 3. Annual Meeting.

An annual meeting (October) of the Members of the Corporation, for the purpose of strategic planning, approving directors for the ensuing year and for the transaction of such other business as may properly come before the meeting, shall be held at such place, on such date, and at such time as shall have been established by the Board.

Section 4 Regular Meeting.

In addition to the Annual Meeting, the Board shall hold monthly meetings each school year, the dates of which shall be determined by the Board, and at such other times as the Board may, from time to time, determine.

Section 5 Special Meetings.

Special meetings of the Members of the Corporation may be held at the call of the Board, or by written petition by at least 50% of the Members of the Corporation, for any purpose or purposes. Such request shall state the purpose or purposes of the proposed meeting.

Section 6. Notice.

A notice of any annual, regular or special meeting, setting forth the time, date and place of the meeting, shall be given by the Secretary in person, by mail, by telephone, by telecopier, by telegram or by electronic mail not less than seven (7) days in advance of the meeting to each Member at the address last

shown on the records of the Corporation. Unless otherwise indicated in the notice thereof, any and all business may be transacted at any annual or special meeting.

Section 7. Quorum.

At any meeting of the Members, a quorum for the transaction of business shall consist of a majority plus one of all of the Members of the Corporation either present at an annual, regular or special meeting represented by proxy, except to the extent that a greater number of Members may otherwise be required by law. An act of the majority of Members present and voting or represented by proxy shall be the act of the Members, except as may otherwise be required by these bylaws.

Section 7. Waiver.

The transaction of business at any meeting of the Members of the Corporation however called and noticed and wherever held, shall be as valid as though held at a meeting after regular call and notice, if a quorum is present in person or by proxy.

**ARTICLE VI – OFFICERS**

Section 1. Officers.

The officers of the Corporation shall consist of the President, a Vice President, a Secretary, a Treasurer, and such assistants as the Board may deem necessary. The officers shall perform such duties as described in this Article and shall receive no compensation for these services, except as otherwise expressly noted. Only members of the Board may serve as the President, Vice President, Treasurer and Secretary. No Officer may hold more than one position at the same time.

Section 2. Approval and Term.

The officers of the Corporation shall be nominated and approved by the Board of Directors at its annual meeting. The officers shall serve at the pleasure of, the Board and each officer shall hold office for a one year term and until a successor is selected and qualified. Directors selected to the officer positions may serve no more than two (2) consecutive one-year terms. Former officers, after a break in service of one year, may be selected to another (2) consecutive one-year term as an officer.

### Section 3. Vacancies.

A vacancy in any of the offices of the Corporation may be filled for the unexpired term by the Board. The term of service for any new Officer elected to fill a vacancy resulting from a resignation or removal shall be the remainder of the one year term of the Officer being replaced, and shall continue in accordance with the qualifications set forth in Section 2 of Article 6 for a successor Officer.

### Section 4. President.

The President shall preside at all meetings of the Board and all meetings of the Members of the Corporation. The President shall serve as the principal executive officer of the Corporation. He or she may sign with the Secretary or with any other officer authorized by the Board any deeds, mortgages, bonds, contracts or other instruments which the board has authorized, except in cases where the signing and execution should be expressly delegated by the board or by these by-laws or by statute to some other officer or agent of the Corporation. The President shall see that all orders and resolutions of the Board and the Executive Committee or other committees of the Board are carried into effect. The President shall also have general supervision and direction of the officers and shall see that their duties and those assigned to other directors are properly performed.

### Section 5. Vice President.

The Vice President shall have such powers and duties as may be prescribed from time to time by the President or by the Board. In the absence or disability of the President, the Vice President shall perform all the duties of the President. The Vice President will be expected to chair at least one committee.

### Section 6. Secretary.

The Secretary shall keep or cause to be kept a record of the proceedings of the Board, shall make service of all such notices as may be required under the provisions of these bylaws or by law, shall be custodian of the corporate records, and shall have such other powers and duties as may be prescribed from time to time by the President or the Board. The Secretary will serve as the FIOA Coordinator.

### Section 7. Treasurer.

The Treasurer shall be responsible for the oversight of the custody of all Assets of the Corporation, shall generally supervise the accounting and bookkeeping of the Corporation, shall regularly report to the Board as to the financial condition and results of the operation of the Corporation, and shall

have such other powers and duties as may be prescribed from time to time by the President or the Board. This position will serve as Chair of the Citizens Budget Oversight Committee(CBOC).

## **ARTICLE VII – EXECUTION OF INSTRUMENTS—**

### Section 1. Electronic Transactions, Checks, Drafts and Orders for Payment of Money. ??????

All electronic transactions, checks, drafts and orders for payment of money shall be approved and/or signed by the Head of School or designated Business Manager approved by the Board. Any checks, drafts, and orders for payment made from accounts outside of the state accounting system (FSF), must be signed by the Head of School and Financial Secretary or individual designated by the Board (dual signatures). The Head of School with oversight of the Board, will ensure that the appropriate separation of duties and internal controls exists in accordance with the policies and procedures defined in the Budget and Accounting Manual, as well as the laws set forth by the Delaware Code.

### Section 2. Contracts.

All contracts, conveyances or other instruments which have been authorized by the Board shall be executed in the name and on behalf of the Corporation.

## **ARTICLE VIII – INDEMNIFICATION**

### Section 1. Right to Indemnification.

The Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a “proceeding”) by reason of the fact the he, or a person for whom he is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise, or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys’ fees) reasonably incurred by such person. The Corporation shall be required to indemnify a person in connection with a proceeding (or part thereof) initiated by such person only if the proceeding (or part thereof) was authorized by the Board of the Corporation.

### Section 2. Prepayment of Expenses.

The Corporation shall pay the expenses (including attorneys' fees) incurred in defending any proceeding in advance of its final disposition, provided, however, that the payment of expenses incurred by a director or officer in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by the director or officer to repay all amounts advanced if it should be ultimately determined that the director or officer is not entitled to be indemnified under this Article or otherwise.

### Section 3. Claims.

If a claim for indemnification or payment of expenses under this Article is not paid in full within sixty days after a written claim therefore has been received by the Corporation, the claimant may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim. In any such action the Corporation shall have the burden of proving that the claimant was not entitled to the requested indemnification or payment of expenses under applicable law.

### Section 4. Nonexclusivity of Rights.

The rights conferred on any person by this Article VIII shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of the certificate of incorporation, these bylaws, an agreement, vote of Members or disinterested directors or otherwise.

### Section 5. Other Indemnification.

The Corporation's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or nonprofit entity shall be reduced by any amount such person may collect as indemnification from such other corporation, partnership, joint venture, trust, enterprise or nonprofit enterprise.

### Section 6. Liability Insurance.

The Corporation may purchase and maintain insurance on behalf of any person who was or is a director, officer, employee, or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such

capacity, or arising out of his status as such, whether or not the Corporation would have the power or the obligation to indemnify him against such liability under the provisions of this Article VIII.

Section 7. Amendment or Repeal.

Any repeal or modification of the foregoing provisions of this Article VIII shall not adversely affect any right or protection hereunder of any person in respect of any act or omission occurring prior to the time of such repeal or modification.

## **ARTICLE IX – CONFLICTS OF INTEREST POLICY**

Section 1. Purpose.

The purpose of the conflicts of interest policy is to protect the Corporation's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Corporation. This policy is intended to supplement but not replace any applicable state laws governing conflicts of interest applicable to nonprofit and charitable corporations.

Section 2. Voting and Disclosure.

In order to minimize any risk of any conflict of interest concerning the Board of Directors and officers of the Corporation, all board members and officers shall refrain from voting on any issue in which they have a financial interest. In particular, Staff Directors are precluded from voting on issues related to Staff compensation at the School. All Board members and officers must make a full disclosure annually of all organizations, together with any other relationships which, in the judgment of the director or officer, has the potential for creating a conflict of interest. Furthermore, in the event that the Board of Directors considers any matter that may have a material impact on any organization of which a director or officer serves as a director, officer or key employee or as to which a director or officer otherwise has a material relationship, such director or officer must disclose such relationship to the Board of Directors and must refrain from voting on such matter.

Section 3. Board Approval.

No director or officer, or any spouse, sibling, parent or child (in each case whether by birth, marriage, guardianship or legal adoption) of such director or officer or any employee or other person or entity in which a director or officer has a material financial interest, shall receive any payment or other

direct benefit from the Corporation for any services rendered unless the Board of Directors, after full disclosure of the terms and conditions of such payments, approves such payments.

#### **ARTICLE X – AMENDMENT OF BYLAWS**

These bylaws may be amended, suspended or repealed by the affirmative vote of a quorum of all members of the Board of Directors of the Corporation serving at a meeting noticed and called for the purpose of amending, suspending or repealing the bylaws.

#### **ARTICLE XII – GIFTS**

The Board may accept, on behalf of the Corporation, any contribution, gift, bequest or devise for the general purpose, or any special purpose, of the Corporation.

#### **ARTICLE XIII – FISCAL YEAR**

The fiscal year of the Corporation shall commence on the first day of July of each year.

## INDEPENDENT AUDITOR'S REPORT

September 30, 2019

Board of Directors  
Las Américas ASPIRA Academy  
Newark, Delaware

### Report on Financial Statements

We have audited the accompanying financial statements of the governmental activities and each major fund of Las Américas ASPIRA Academy ("the School"), Newark, Delaware (a component unit of the State of Delaware), as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the School's basic financial statements, as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation

Board of Directors  
Las Américas ASPIRA Academy

and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of Las Américas ASPIRA Academy as of June 30, 2019, and the respective changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Report on Summarized Comparative Information

We have previously audited Las Américas ASPIRA Academy's 2018 financial statements, and we expressed unmodified opinions on the respective financial statements of the governmental activities and each major fund in our report dated September 28, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018 is consistent, in all material respects, with the audited financial statements from which it has been derived.

### Other Matters

#### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 11, and the budgetary comparison schedule - general fund, schedule of the School's proportionate share of the net pension liability, schedule of School pension contributions, schedule of the School's proportionate share of the net OPEB liability, and schedule of School OPEB contributions on pages 40 through 44 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Board of Directors  
Las Américas ASPIRA Academy

*Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the School's basic financial statements. The combining balance sheet - general fund, combining statement of revenues, expenditures, and changes in fund balances - general fund, schedule of expenditures by natural classification - governmental funds, and schedule of expenditures of federal awards, as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"), are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining balance sheet - general fund, combining statement of revenues, expenditures, and changes in fund balances - general fund, schedule of expenditures by natural classification - governmental funds, and schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining balance sheet - general fund, combining statement of revenues, expenditures, and changes in fund balances - general fund, schedule of expenditures by natural classification - governmental funds, and schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2019, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

BARBACANE, THORNTON & COMPANY LLP

## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

**LAS AMÉRICAS ASPIRA ACADEMY  
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED  
JUNE 30, 2019**

This discussion and analysis of the financial performance of Las Américas ASPIRA Academy ("the School") provides an overview of the School's financial activities for the year ended June 30, 2019, which was the School's eighth year of operations. The School is located at 326 Ruthar Drive, Newark, DE 19711. Please read this analysis in conjunction with the Independent Auditor's Report and School's financial statements.

**FINANCIAL HIGHLIGHTS**

General revenues increased by 19.3 percent from \$9,526,750 to \$11,365,928, primarily due to an increase in state and local school district funding, both a direct result of the School's growing enrollment which went from 740 to 784 students. The School's total liabilities increased by 10.4 percent from \$41,916,338 to \$46,265,001.

**USING THIS ANNUAL FINANCIAL REPORT**

This annual financial report consists of a series of financial statements and notes to those statements. The statements are organized so that the reader can understand the School as a whole and then proceed to provide an increasingly detailed look at specific financial activities.

**REPORTING THE SCHOOL AS A WHOLE**

*The Statement of Net Position and Statement of Activities*

One of the most important questions asked about school finances is, "Is the School better or worse off as a result of the year's activities?" The statement of net position and the statement of activities report information about the School as a whole and about its activities in a manner that helps to answer this question. These statements include all assets, deferred outflows of resources, liabilities, and deferred inflows of resources using the accrual basis of accounting similar to the accounting used by private sector corporations. All of the current year's revenues and expenses are taken into consideration regardless of when cash is received or paid.

These two statements report the School's net position and the changes in net position. The change in net position provides the reader with a tool to assist in determining whether the School's financial health is improving or deteriorating. The reader will need to consider other nonfinancial factors such as student enrollment stability and facility conditions in arriving at a conclusion regarding the overall health of the School.

**REPORTING THE SCHOOL'S MOST SIGNIFICANT FUNDS**

*Fund Financial Statements*

This analysis of the School's major funds and fund financial statements provides detailed information about the most significant funds - not the School as a whole. Some funds are required to be established

**LAS AMÉRICAS ASPIRA ACADEMY  
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)  
JUNE 30, 2019**

by State statute, while many other funds are established by the School to help manage money for particular purposes and compliance with various grant provisions.

**Governmental Funds**

The School's activities are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year end available for spending in future periods. These funds are reported using the modified accrual accounting method, which measures cash and other financial assets that can be readily converted to cash. The governmental fund statements provide a detailed short-term view of the School's general government operations and the basic services it provides. Governmental fund information helps one determine whether there are more or fewer financial resources available to spend in the near future to finance the School's programs. The relationship (or differences) between governmental activities (reported in the statement of net position and the statement of activities) and governmental funds is reconciled in the basic financial statements. Activities related to capital assets, long-term debt, and compensated absences are the primary reconciling items.

**ENTITY-WIDE FINANCIAL ANALYSIS**

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the School, liabilities and deferred inflows of resources exceeded assets and deferred outflows of resources by \$18,080,753 at the close of the fiscal year. Note that investment in capital assets is reported net of related debt and net of depreciation. The School uses capital assets to provide services; consequently, these assets are not available for future spending.

A comparative analysis of net position and changes in net position follows:

**Table 1

JUNE 30, 2019**

**Table 2  
CHANGES IN NET POSITION  
For the Fiscal Years Ended June 30, 2019 and 2018**

(cont'd)	Governmental Activities	
	2019	2018
<b>EXPENSES</b>		
Instructional services	11,610,795	9,096,299
Support services:		
Operation and maintenance of facilities	1,271,370	1,122,176
Transportation	805,109	734,670
Food service	611,270	512,220
Interest on long-term debt	1,029,813	1,040,383
Loss on disposal of capital assets	-	2,497
<b>TOTAL EXPENSES</b>	<u>15,328,357</u>	<u>12,508,245</u>
Change in Net Deficit	<u>\$ (2,722,263)</u>	<u>\$ (1,150,405)</u>

**Governmental Activities**

Net position of the School's governmental activities decreased by \$2,722,263, and unrestricted net position reflects a negative balance of \$17,572,553.

The statement of activities shows the cost of program services and the charges for services and grants offsetting those services. The next table reflects the cost of program services and the net cost of those services after taking into account the program revenues for governmental activities. General revenues that include charges to school districts, investment earnings, and state entitlements must support the net cost of the School's programs.

	2019		2018	
	Total Cost	Net Cost	Total Cost	Net Cost
<b>Governmental Activities:</b>				
Instructional services	\$ 11,610,795	\$ 10,861,189	\$ 9,096,299	\$ 7,667,894
Support services:				
Operation and maintenance of facilities	1,271,370	1,261,770	1,122,176	1,112,576
Transportation	805,109	805,109	734,670	734,670
Food service	611,270	130,310	512,220	119,135

MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)  
JUNE 30, 2019**

**THE SCHOOL'S FUNDS**

The School's governmental funds (as presented on the balance sheet) reported a combined fund balance of \$1,600,840, compared to last year's total of \$2,865,299. The schedule below indicates the fund balance as of June 30, 2019 and 2018 and the change in fund balance for the year ended June 30, 2019.

	Governmental Funds		
	2019	2018	Change
<b>FUND BALANCES</b>			
Nonspendable	\$ 39,965	\$ 60,043	\$ (20,078)
Restricted	1,458,863	1,439,916	18,947
Unassigned	102,012	1,365,340	(1,263,328)
<b>TOTAL FUND BALANCES</b>	<b>\$ 1,600,840</b>	<b>\$ 2,865,299</b>	<b>\$ (1,264,459)</b>

***Governmental Funds***

The School's fund balances decrease is due to a variety of factors. The table that follows assists in illustrating the financial activities and balance of governmental funds.

**REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES**

	2019	2018

FUND BALANCES, BEGINNING OF YEAR	2,865,299	6,293,986
FUND BALANCES, END OF YEAR	\$ 1,600,840	\$ 2,865,299

The largest revenue reported by the School for the year was for aid received from the State of Delaware, accounting for 57.0 percent of total revenues. Charges to local school districts for students attending the School was also significant, accounting for 28.3 percent.

The largest portion of general fund expenditures is for personnel costs, which include salaries and related employment costs. The School is a service-oriented organization, and as such, is very labor intensive.

**GENERAL FUND AND DEBT SERVICE FUND BUDGET INFORMATION**

The School's budget is prepared on the modified accrual basis of accounting. The most significant budgeted fund in the general fund. The School may amend its revenue and expenditure estimates periodically due to changing conditions. The School operates on a preliminary operating budget for the first half of the year, and a final operating budget the second half of the year once the September 30 unit count is verified by the authorizer.

The following are explanations for the more significant variances between budget versus actual revenues and expenditures as shown on page 40.

***Revenues***

State Aid

A favorable variance of \$1,181,099 is attributable primarily to adjustments to final state funding.

Federal Aid

A favorable variance of \$251,562 is attributable primarily to increased participation in our school meal program, which generated higher than projected revenue from federal aid. This was the positive result of operating a full service kitchen.

**LAS AMÉRICAS ASPIRA ACADEMY  
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)  
JUNE 30, 2019**

Local Revenues

A combined favorable variance of \$645,659 is attributable to receiving a grant of \$215,000 from the New Schools Venture Fund in March 2019, increased local school district funding, as well as higher than anticipated receipts for our extended care programs.

***Expenditures***

Salaries and Employment Costs

A combined unfavorable variance of \$333,574 is a result of projecting salaries, health insurance, and other employment costs on a cash accounting method for the period of July 1, 2018 through June 30, 2019. Accrued salaries and other employment costs paid throughout the summer are included in the fiscal year 2019 Operating Budget.

Public Utilities Service

A favorable variance of \$9,761 is a result of the School operating the entire 125,000 sq. ft. building for the second full year after completion of the Phase IV Construction Project. The School has its entire HVAC system on a schedule, thus producing savings when the school building is "unoccupied."

Transportation - Buses

An unfavorable variance of \$13,129 is a result of the School under projecting for extracurricular transportation costs, such as the middle school sports trips and School field trips.

Contractual Services

A favorable variance of \$158,612 is the result of projecting costs for various contracted services that were instead included in the Library renovation and exterior grounds improvements project, as well as lower than anticipated medical (therapy service) costs.

Repairs and Maintenance

A favorable variance of \$31,043 is the result of conservatively projecting maintenance costs for the new 125,000 square foot building.

Capital Outlay

The combined unfavorable variance for capital outlay for property and equipment of \$91,001 is the result of the School's library renovation and exterior grounds improvements project, which was budgeted for in the Capital Projects Fund instead of the General Fund.

**LAS AMÉRICAS ASPIRA ACADEMY  
MANAGEMENT'S DISCUSSION AND ANALYSIS – UNAUDITED (CONT'D)  
JUNE 30, 2019**

**Capital Projects Fund**

As of June 30, 2019, the School had a capital projects fund balance of \$1,458,863. This was an increase of \$18,947 from the prior year. The School pays for its general obligation bonds out of this fund. The District reported expenditures of \$1,111,112 in 2018 - 2019. These expenditures were primarily related to debt service payments.

**CAPITAL ASSETS**

The School has \$20,352,063 in net capital assets. Acquisitions for governmental activities totaled \$691,821, and depreciation was \$979,490. Detailed information regarding capital asset activity is included in Note 4 to the financial statements.

**DEBT ADMINISTRATION**

As of June 30, 2019, the School had total outstanding debt of \$22,319,126 in the form of revenue bonds issued for the purpose of refinancing previous debt and financing building improvements (Phase IV Construction).

Other obligations include accrued vacation pay and sick leave for School employees. More detailed information about long-term liabilities is included in Note 5 to the financial statements.

**FACTORS EXPECTED TO HAVE AN EFFECT ON FUTURE OPERATIONS**

Fiscal year 2019 was the eighth year of operation as a functioning K-8 School. The School's enrollment is at 784 with a planned enrollment of 945 students in fiscal year 2020. The Delaware Department of Education granted approval for us to expand to a High School with a planned opening in August 2020. We will operate the new campus at 750 Otts Chapel Rd, Newark, DE 19713. The School will incur some operational costs, as we now have possession of the new facility. Such costs are included in the FY 2020 Operating Budget. We will also complete a minor fit out of the new facility to accommodate the expansion, but we anticipate covering such capital costs with the procurement of additional grants. Additionally, larger enrollment will result in an increase in state and local district revenues, as well as an increase in operating expenses at our current K-8 school.

The financial model the School has developed is based on the funding formula currently in effect under the Delaware Charter School Law. If the funding formula for charter schools changes, adjustments to the underlying assumptions of the model will be made.

**CONTACTING THE SCHOOL'S FINANCIAL MANAGEMENT**

This financial report is designed to provide our fellow citizens, customers, investors, and creditors with a general overview of the School's finances and to show the School's accountability for the money it receives. If you have questions about this report or need additional financial information, please contact the School's Chief Operating Officer at (302) 292-1463, Ext. 203.

**LAS AMÉRICAS ASPIRA ACADEMY  
RECONCILIATION OF BALANCE SHEET - GOVERNMENTAL  
FUNDS TO STATEMENT OF NET POSITION  
JUNE 30, 2019**

TOTAL FUND BALANCES - GOVERNMENTAL FUNDS \$ 1,600,840

Amounts reported for governmental activities in the statement of net position are different because:

Capital assets used in the governmental activities are not financial resources and, therefore, are not reported in the funds. Capital assets net of accumulated depreciation as detailed in the footnotes are included in the statement of net position. 20,352,063

Long-term assets applicable to governmental activities are not due and receivable in the current period and, therefore, are not reported as fund assets.

Due from State of Delaware 252,139

Some liabilities are not due and payable in the current period and, therefore, are not reported in the funds. Those liabilities consist of:

Compensated absences	\$ (369,576)	
Net pension liability	(3,092,441)	
Net OPEB liability	(19,161,282)	
Bonds payable in future years, net	<u>(22,319,126)</u>	<u>(44,942,425)</u>

Deferred inflows of resources and deferred outflows of resources related to the School's net pension liability are based on the differences between actuarially determined actual and expected investment returns, changes in the actuarially determined proportion of the School's amount of the total pension liability, and pension contributions made after the measurement date of the net pension liability. These amounts will be amortized over the estimated remaining average service life of the employees.

Deferred outflows - pension	2,205,699	
Deferred inflows - pension	<u>(175,718)</u>	<u>2,029,981</u>

Deferred inflows and outflows of resources related to the School's net OPEB liability are based on the differences between actuarially determined actual and expected investment returns, changes in the actuarially determined proportion of the School's amount of returns, changes in the actuarially determined proportion of the School's amount of the total OPEB liability, and OPEB contributions made after the measurement date of the net OPEB liability. These amounts will be amortized over the estimated remaining average service life of the employees.

Deferred outflows - OPEB	5,278,121	
Deferred inflows - OPEB	<u>(2,651,472)</u>	<u>2,626,649</u>

TOTAL NET DEFICIT - GOVERNMENTAL ACTIVITIES \$ (18,080,753)

FOR THE YEAR ENDED JUNE 30, 2019**

NET CHANGE IN FUND BALANCES - TOTAL GOVERNMENTAL FUNDS \$ (1,264,459)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, assets with an initial, individual cost of more than \$5,000 are capitalized, and the cost is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which depreciation exceeded capital outlays in the current period. Disposal of fixed assets must be recognized at a gain or loss on entity-wide statements when incurred.

Capital outlays	\$ 691,821	
Depreciation expense	<u>(979,490)</u>	(287,669)

Some revenues reported in the statement of activities are not available to finance current expenditures and, therefore, are not reported as revenues in the governmental funds.	95,454
---	--------

Debt and capital lease proceeds are reported as financing sources in the governmental funds and, thus, contribute to the change in fund balance. In the statement of net position, however, issuing debt and obtaining capital leases increases long-term liabilities and does not affect the statement of activities. Similarly, repayment of principal is an expenditure in the governmental funds but reduces the liability in the statement of net position. In addition, bond premiums are reported as other financing sources; however, these amounts are reported on the statement of net position as deferred charges and amortized over the life of the debt.

Principal repayments	75,000	
Amortization of bond premium	<u>45,129</u>	120,129

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds:

Compensated absences	(108,434)
----------------------	-----------

Pension expenses in the statement of activities differ from the amount reported in the governmental funds because pension expenses are recognized on the statement of activities based on the School's proportionate share of the expenses of the cost-sharing pension plan, whereas pension expenditures are recognized in the governmental funds when a requirement to remit contributions to the plan exists.	(209,409)
--	-----------

OPEB expenses in the statement of activities differ from the amount reported in the governmental funds because OPEB expenses are recognized on the statement of activities based on the School's proportionate share of the expenses of the cost-sharing OPEB plan, whereas OPEB expenditures are recognized in the governmental funds when a requirement to remit contributions to the plan exists.	<u>(1,067,875)</u>
--	--------------------

CHANGE IN NET DEFICIT - GOVERNMENTAL ACTIVITIES	<u><u>\$ (2,722,263)</u></u>
---	------------------------------

The accompanying notes are an integral part of these financial statements.

## LAS AMÉRICAS ASPIRA ACADEMY

### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Description of the Charter School

Las Américas ASPIRA Academy is organized under Delaware Code, Title 14, Chapter 5 of the State of Delaware. The Charter School Law grants authority for independent public schools to be created for the purpose of increasing choices for parents of public school students and increasing academic performance. A charter school is an independent public school governed by an independent board of directors. In Delaware, charter schools have the same basic standing as a school district with some exceptions - most notably, they may not levy taxes. To encourage innovation, charter schools operate free from a number of state laws and regulations. Las Américas ASPIRA Academy's initial charter was granted for a four-year period, renewable every five years thereafter. Las Américas ASPIRA Academy's first full year of school started September 1, 2011.

Charter schools are funded similarly to other public schools in that state and local funds are allocated for each enrolled student. Public funds are not provided for facilities. Charter schools may charge for selected additional costs consistent with those permitted by other school districts. Because a charter school receives local, state, and federal funds, they may not charge tuition.

The financial statements of Las Américas ASPIRA Academy ("the School") have been prepared in conformity with generally accepted accounting principles as applied to local governmental units. The Governmental Accounting Standards Board ("GASB") is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant accounting policies of the School are described below.

##### Reporting Entity

The School is a special purpose government and is considered a component unit of the State of Delaware. A component unit, although a legally separate entity, is, in substance, part of the State of Delaware's operations. The School has no component units for which it is considered to be financially accountable.

##### Entity-wide and Fund Financial Statements

The entity-wide financial statements (the statement of net position and the statement of activities) report information on all activities of the School. For the most part, the effect of interfund activity has been removed from these financial statements.

The statement of activities demonstrates the degree to which the direct expenses of a given program are offset by program revenues. Direct expenses are those that are clearly identifiable

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

with a specific program. Program revenues include grants and contributions that are restricted to meeting the operational or capital requirements of a particular function.

Separate financial statements are provided for governmental funds. The major individual governmental funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

**Entity-wide financial statements** are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Charges to the School are recognized as revenues in the year for which they are billed. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Amounts reported as program revenues include 1) charges to students for special fees, supplies, food, or services provided; 2) operating grants and contributions; and 3) capital grants and contributions. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include charges to school districts.

**Governmental fund financial statements** are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the School considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, are recorded only when payment is due.

Charges to the school districts, state appropriations, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when the School receives cash.

The School reports the following major governmental funds:

- **General Fund** – The general fund is the School's primary operating fund. It accounts for all financial resources of the School, except those required to be accounted for in another fund.

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

- **Capital Projects Fund** – The capital projects fund accounts for resources accumulated and payments made for the acquisition and improvement of sites, construction and remodeling of facilities, and procurement of equipment necessary for providing educational programs for all students within the School.

Cash

The School's cash is considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition, as well as cash deposits held in an investment pool controlled by the personnel of the State Treasurer's Office in Dover, Delaware.

Investments

Investments are recorded at fair value.

In establishing the fair value of investments, the School uses the following hierarchy. The lowest level of valuation available is used for all investments.

*Level 1* – Valuations based on quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access.

*Level 2* – Valuations based on quoted prices of similar products in active markets or identical products in markets that are not active or for which all significant inputs are observable, directly or indirectly.

*Level 3* – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Receivables

The School considers all accounts receivable at year end to be collectible; therefore, no allowance for doubtful accounts has been recorded.

Capital Assets

Capital assets, which include land, buildings and improvements, furniture and fixtures, and equipment, are reported in the entity-wide financial statements. The School defines capital assets as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year.

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Such assets are recorded at historical cost or estimated cost if purchased or constructed. Donated capital assets are recorded at estimated fair value at the date of donation. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the lives of the assets are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Building and improvements, furniture and fixtures, and equipment of the School are depreciated using the straight-line method over the estimated useful lives of the related assets. The School generally uses the following estimated useful lives:

Building and improvements	22 - 40 years
Furniture	3 years
Equipment	5 years

Deferred Inflows and Outflows of Resources

In addition to assets, the statement of net position includes a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to future periods and so will not be recognized as an outflow of resources (expense) until then. The School reports deferred pension and OPEB contributions resulting from pension and OPEB contributions subsequent to the measurement date of the net pension and OPEB liabilities and certain other items which represent differences related to changes in the net pension and OPEB liabilities which will be amortized over future periods. In addition to liabilities, the statement of net position includes a separate section for deferred inflows of resources. This separate financial statement element represents a source of net position that applies to future periods. The School reports certain items which represent differences related to changes in the net pension and OPEB liabilities which will be amortized over future periods.

Long-term Obligations

In the entity-wide financial statements, long-term debt is reported as liabilities. In the fund financial statements, the face amount of debt issued is reported as other financing sources. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as operating expenditures/expenses.

Compensated Absences

Vacation pay plus related payroll taxes are accrued when incurred in the entity-wide financial statements. The liability for these amounts is reported in the governmental funds only when the liability matures, for example, as a result of employee resignations and retirements.

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

**Vacation** – Twelve-month employees can accumulate up to 42 days of vacation. Any days in excess of 42 are dropped as of July 1 of each year. Employees are paid for unused vacation upon termination and retirement at the current rate of pay.

**Sick Leave** – Sick leave allowances are as follows: teachers shall be allowed 10 days of sick leave per year, and annual employees earn one day of sick leave for each month worked. Any unused sick days shall be accumulated to the employee's credit up to a maximum of 120 days. Compensation for accumulated sick days is received when employees (a) qualify and apply for state pension and are paid at a rate of 50 percent of the per diem rate of pay not to exceed 120 days; or (b) in the case of death, when payment is made to the employee's estate at a rate of one day's pay for each day of unused sick leave not to exceed 120 days.

The compensated absences liability was \$369,576 at June 30, 2019, of which \$252,139 was reimbursable by the State of Delaware.

Fund Equity

Fund balance will be displayed in the following classification (if applicable) depicting the relative strength of the spending constraints placed on the purposes for which resources can be used:

*Nonspendable* – amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

*Restricted* – amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

*Committed* – amounts that can be used only for specific purposes determined by formal action of the Board of Directors. The Board is the highest level of decision-making authority for the School. Commitments may be established, modified, or rescinded only through resolutions approved by the Board of Directors.

*Assigned* – amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. The Head of School may assign amounts for specific purposes.

*Unassigned* – all other spendable amounts.

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balances are available, the School considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

available, the School considers amounts to have been spent first out of committed funds, then assigned funds and finally, unassigned funds, as needed, unless the Board or Head of School has provided otherwise in its commitment or assignment actions.

Net Position

Net position represents the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources. The net investment in capital assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction, or improvement of those assets. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the School or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. Any remaining portions of net position are reflected as unrestricted. When both restricted and unrestricted resources are available for use, it is the School's policy to use restricted resources first and then unrestricted resources as they are needed.

Income Tax Status

The School is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. The School qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(1). The School did not engage in any unrelated business activities during the fiscal year. Management believes more likely than not that its tax-exempt status and tax positions will be sustained if examined by authorities.

Use of Estimates in the Preparation of Financial Statements

The preparation of basic financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Comparative Data

Comparative total data for the prior year is presented in the basic financial statements to provide an understanding of changes in the School's financial position and operations. That comparative data is not at the level of detail required for a presentation in conformity with generally accepted accounting principles and, therefore, should be read in conjunction with the School's financial statements for the year ended June 30, 2018, from which the summarized information was derived.

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 2 CASH, POOLED CASH, AND INVESTMENTS

***Deposits***

At June 30, 2019, the School had a cash and pooled cash balance of \$1,393,615. Of those amounts, \$1,392,326 was part of an investment pool controlled by the personnel of the State Treasurer's Office in Dover, Delaware, and all investment decisions are made by the State Treasurer's Office. These funds are considered to be highly liquid and available for immediate use and, thus, are recorded as cash equivalents in these financial statements.

The funds held by the State of Delaware investment pool, an internal investment pool, are specifically identified for the School, but the credit risk cannot be categorized for these funds. Credit risk for such investments depends on the financial stability of the State of Delaware. The State reports that its investment securities are stated at quoted market prices, except that investment securities with a remaining maturity at time of purchase of one year or less are stated at cost or amortized cost.

At June 30, 2019, the reported amount of the School's deposits outside of the State Treasurer's Office was \$1,289 and the bank balance was \$1,289, all of which was covered by federal depository insurance.

***Investments***

State statutes authorize the School to invest in U.S. government securities, government agency securities, certificates of deposit, time deposits and bankers acceptances, corporate debt instruments, money market funds, and other similar instruments that are insured by the Federal Deposit Insurance Corporation ("FDIC") or are backed by the full faith and credit of the United States of America or any of its agencies or instrumentalities.

The School categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The School has the following recurring fair value measurements as of June 30, 2019:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Level 1</u>
Money Market Mutual Fund	<u>\$ 1,458,863</u>	<u>\$ 1,458,863</u>
TOTAL	<u>\$ 1,458,863</u>	<u>\$ 1,458,863</u>

**Custodial Credit Risk**

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the School will not be able to recover the value of its investments or collateral

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 2 CASH, POOLED CASH, AND INVESTMENTS (cont'd)

security that are in the possession of an outside party. As of June 30, 2019, none of School's investments were subject to custodial credit risk.

Interest Rate Risk

The School does not have an investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. However, to ensure that its assets remain liquid enough to satisfy its current obligations, at June 30, 2019, all of the School's investments had maturity dates of less than one year.

Credit Risk

The School has no investment policy that would limit its investment choices to those with certain credit ratings.

NOTE 3 ACCOUNTS RECEIVABLE

Accounts receivable represent receivables for revenues earned by the School. At June 30, 2019, receivables are as follows:

<u>Description</u>	
Passed through the State of Delaware:	
Federal government	\$ 12,922
Other receivables:	
Miscellaneous receivables	<u>18,051</u>
Total accounts receivable	<u>\$ 30,973</u>

NOTE 4 CAPITAL ASSETS

Capital asset activity for the year ended June 30, 2019 is as follows:

	<u>Beginning Balances</u>	<u>Additions</u>	<u>Deletions</u>	<u>Ending Balances</u>
<b><i>Governmental Activities:</i></b>				
General capital assets not being depreciated:				
Land	\$ 529,959	\$ -	\$ -	\$ 529,959
Total general capital assets not being depreciated	<u>529,959</u>	<u>-</u>	<u>-</u>	<u>529,959</u>

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 4 CAPITAL ASSETS (cont'd)

(cont'd)	Beginning Balances	Additions	Deletions	Ending Balances
General capital assets being depreciated:				
Building and improvements	20,350,140	559,200	-	20,909,340
Furniture and equipment	2,060,354	132,621	(40,108)	2,152,867
Total general capital assets being depreciated	22,410,494	691,821	(40,108)	23,062,207
Accumulated depreciation	2,300,721	979,490	(40,108)	3,240,103
Total general capital assets being depreciated, net	20,109,773	(287,669)	-	19,822,104
Governmental Activities, Net	<u>\$ 20,639,732</u>	<u>\$ (287,669)</u>	<u>\$ -</u>	<u>\$ 20,352,063</u>

Depreciation expense was charged to the following governmental activities:

Instructional services	\$ 428,604
Operation and maintenance of facilities	550,886
	<u>\$ 979,490</u>

NOTE 5 LONG-TERM DEBT

During the year ended June 30, 2017, the School issued revenue bonds, Series A and Series B of 2016 in the amounts of \$20,125,000 and \$900,000, respectively, in order to repay the balances of the three notes issued in 2015 and fund ongoing construction.

The Series A of 2016 bonds bear interest ranging from 3.25 percent to 5.00 percent, maturing June 1, 2026 to June 1, 2051, with interest payable on December 1 and June 1.

The Series B of 2016 bonds bear interest at 6.25 percent and mature on June 1, 2022, with interest payable on December 1 and June 1.

A schedule of changes in long-term liabilities for the year ended June 30, 2019 is as follows:

	Amounts Outstanding 7/1/2018	Additions	Retirements	Amounts Outstanding 6/30/2019	Due Within One Year
Governmental Activities:					
Bond payable	\$20,950,000	\$ -	\$ 75,000	\$20,875,000	\$ 290,000
Bond premium	1,489,255	-	45,129	1,444,126	45,129
Net pension liability	2,800,443	291,998	-	3,092,441	-
Net OPEB liability	15,409,745	3,751,537	-	19,161,282	-
Compensated absences	261,142	108,434	-	369,576	-
Total Governmental Activities	<u>\$40,910,585</u>	<u>\$4,151,969</u>	<u>\$ 120,129</u>	<u>\$44,942,425</u>	<u>\$ 335,129</u>

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 5 LONG-TERM DEBT (cont'd)

Payment of the bond payable is expected to be refunded by the Capital Projects Fund, and all other liabilities are expected to be funded by the General Fund.

A summary of the School's bonds payable is as follows:

Description	Amount of Original Issue	Interest Rate	Maturity Date	Balance June 30, 2019
Series A of 2016	\$20,125,000	3.25% - 5.00%	Annually	\$ 20,125,000
Series B of 2016	900,000	6.25%	Annually	750,000
Bonds payable, at face				<u>20,875,000</u>
Unamortized premium				<u>1,444,126</u>
Bonds payable, net				<u>\$ 22,319,126</u>
Amounts due in one year				\$ 335,129
Amounts due after one year				<u>21,983,997</u>
				<u>\$ 22,319,126</u>

The total principal and interest maturities as of June 30, 2019 are as follows:

Year Ending June 30,	Principal	Interest	Total
2020	\$ 290,000	\$ 1,025,125	\$ 1,315,125
2021	305,000	1,007,000	1,312,000
2022	325,000	987,938	1,312,938
2023	340,000	972,725	1,312,725
2024	350,000	961,675	1,311,675
2025 - 2029	1,970,000	4,607,987	6,577,987
2030 - 2034	2,480,000	4,087,750	6,567,750
2035 - 2039	3,175,000	3,402,000	6,577,000
2040 - 2044	4,040,000	2,525,750	6,565,750
2045 - 2049	5,160,000	1,409,000	6,569,000
2050 - 2051	<u>2,440,000</u>	<u>184,500</u>	<u>2,624,500</u>
Total	<u>\$ 20,875,000</u>	<u>\$ 21,171,450</u>	<u>\$ 42,046,450</u>

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 6 FUND BALANCES

As of June 30, 2019, fund balances are composed of the following:

	General Fund	Capital Projects Fund	Total Governmental Funds
Nonspendable:			
Prepays	\$ 39,965	\$ -	\$ 39,965
Restricted:			
Capital Projects	-	41,863	41,863
Repair and Replacement	-	100,000	100,000
Reserve	-	1,317,000	1,317,000
Unassigned	102,012	-	102,012
Total Fund Balances	<u>\$ 141,977</u>	<u>\$ 1,458,863</u>	<u>\$ 1,600,840</u>

NOTE 7 LEASING ARRANGEMENTS

Operating Lease – Lessee

The School leases copier equipment, computer, iPads, and related accessories through ten operating lease agreements. The School has entered into these lease agreements at different times during fiscal years 2016, 2017, 2018, and 2019. Two of the leases expired this fiscal year, while the remaining leases expire at varying times in September 2019, May 2020, June 2020, and June 2021. Total expense paid under these lease agreements was \$172,478 for the year ended June 30, 2019.

At June 30, 2019, the minimum future rental payments under noncancelable leasing arrangements for the remaining years and in the aggregate are as follows:

<u>Year Ending June 30,</u>	
2020	\$ 131,970
2021	45,298
	<u>\$ 177,268</u>

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 8 PENSION PLAN

Plan Description

School employees are considered state employees and are covered under the State of Delaware Employees' Pension Plan ("the Plan"), which is a cost-sharing, multiple-employer defined benefit public employees' retirement system ("the State PERS") defined by the Delaware Code.

The State of Delaware General Assembly is responsible for setting benefits and contributions, and amending plan provisions; administrative rules and regulations are adopted and maintained by the Board of Pension Trustees ("the Board").

The following are brief descriptions of the Plan in effect as of June 30, 2018. For a more complete description, please refer to the Delaware Employees' Pension Plan Comprehensive Annual Financial Report. Separately issued financial statements for the Plan may be obtained by writing to the State of Delaware Public Employee Retirement System, McArdle Building, Suite 1, 860 Silver Lake Boulevard, Dover, DE 19904; by calling 1-800-722-7300; or by visiting the PERS website at [www.delawarepensions.com](http://www.delawarepensions.com).

Plan Description and Eligibility

The State Employees' Pension Plan is a cost-sharing multiple employer defined benefit plan that covers virtually all full-time or regular part-time employees of the State, including employees of other affiliated entities.

There are two tiers within this plan: 1) employees hired prior to January 1, 2012, and 2) employees hired on or after January 1, 2012.

Benefits Provided

*Service Benefits*

Final average monthly compensation (employees hired on or after January 1, 2012 may not include overtime in pension compensation) multiplied by 2.0 percent and multiplied by years of credited service prior to January 1, 1997, plus final average monthly compensation multiplied by 1.85 percent and multiplied by years of credited service after December 31, 1996, subject to minimum limitations. For this plan, final average monthly compensation is the monthly average of the highest three periods of twelve consecutive months of compensation.

*Vesting*

Employees hired before January 1, 2012 vest in the plan after five years of credited service. Employees hired on or after January 1, 2012 vest in the plan after ten years of credited service.

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 8 PENSION PLAN (cont'd)

*Retirement*

Employees hired before January 1, 2012 may retire at age 62 with five years of credited service; at age 60 with 15 years of credited service; or after 30 years of credited service at any age. Employees hired on or after January 1, 2012 may retire at age 65 with at least 10 years of credited service; at age 60 with 20 years of credited service; or after 30 years of credited service at any age.

*Disability Benefits*

Disability benefits for those employees hired before January 1, 2012 are offered using the same calculations as the Service Benefits described above. Employees in this program must have five years of credited service. In lieu of disability pension benefits, over 90 percent of the members of this plan opted into a Disability Insurance Program offered by the State effective January 1, 2006. Employees hired on or after January 1, 2012 are also included in the Disability Insurance Program.

*Survivor and Burial Benefits*

In the event of the death of a member of the Plan, the eligible survivor receives 50 percent of the benefits received under the pension (or 67.7 percent with two percent reduction of the benefit, or 75 percent with a three percent reduction of the benefit, or 100 percent with six percent reduction of benefit). If the employee is an active member of the Plan with at least five years of credited service, the eligible survivor receives 75 percent of the benefit the active employee would have received at age 62.

Burial benefits are established at \$7,000 per plan member.

Contributions

*Member Contributions*

Employees hired before January 1, 2012 contribute three percent of earnings in excess of \$6,000. Employees hired on or after January 1, 2012 contribute five percent of earnings in excess of \$6,000.

*Employer Contributions*

Employer contributions are determined by the Board. For the year ended June 30, 2019, the rate of the employer contribution was 11.83 percent of covered payroll. The School's contribution to PERS for the year ended June 30, 2019 was \$685,466.

NOTE 8 PENSION PLAN (cont'd)

*PRI Contribution*

All reporting units participating in the State PERS make contributions to a PRI fund which accumulates resources to fund ad hoc postretirement increases granted by the General Assembly. The increases are funded over a five-year period from the PRI fund. The allocation of the contribution from the PRI fund to the Pension Trust is a reduction of the net pension liability of each participating employer.

Pension Liability and Expense, and Deferred Outflows and Inflows of Resources

At June 30, 2019, the School reported a liability of \$3,092,441 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by rolling forward the Plan's total pension liability as of June 30, 2017 to June 30, 2018. The School's proportion of the net pension liability was calculated based on the actual contributions made during the measurement period in proportion to the total of all employer contributions made during the measurement period. At June 30, 2018, the School's proportion was 0.2395 percent, which was an increase of 0.0485 percent from its proportion measured as of June 30, 2017.

For the year ended June 30, 2019, the School recognized pension expense of \$945,641. At June 30, 2019, the School reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Net difference between projected and actual investment earnings	\$ -	\$ 131,087
Changes in proportions	820,187	-
Changes in assumptions	538,430	-
Contributions subsequent to the date of measurement	685,466	-
Differences between actual and expected experience	<u>161,616</u>	<u>44,631</u>
	<u>\$2,205,699</u>	<u>\$ 175,718</u>

An amount of \$685,466 is reported as deferred outflows of resources resulting from the School's contributions subsequent to the June 30, 2018 measurement date and will be recognized as a reduction of the net pension liability in the year ended June 30, 2020. Other amounts will be reported as deferred outflows of resources and deferred inflows of resources related to pensions, and will be recognized in pension expense as follows:

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 8 PENSION PLAN (cont'd)

Year Ending June 30,

2020	\$ 544,464
2021	403,511
2022	60,060
2023	146,602
2024	<u>189,878</u>
	<u>\$1,344,515</u>

Actuarial Assumptions

The total pension liability as of the June 30, 2018 measurement date was determined by an actuarial valuation as of June 30, 2017, and update procedures were used to roll forward the total pension liability to June 30, 2018. These actuarial valuations used the following actuarial assumptions, applied to all periods:

- Investment return – 7.0 percent, including inflation of 2.5 percent
- Salary increases – 2.5 percent + merit, including inflation of 2.5 percent
- Cost-of-living adjustments – ad hoc

The total pension liabilities are measured based on assumptions pertaining to interest rates, inflation rates, and employee demographic behavior in future years. It is likely that future experience will not exactly conform to these assumptions. To the extent that actual experience deviates from these assumptions, the emerging liabilities may be higher or lower than anticipated. The more the actual experience deviates, the larger the impact on future financial statements.

Mortality rates were based on the Sex Distinct RP-2014 Combined Mortality Table projected to 2017 using an adjusted version on MP-2015 mortality improvement scale on a fully generational basis.

Projected benefit payments do not include the effects of projected ad hoc cost-of-living adjustments (“ad hoc COLAs”), as they are not substantively automatic. The primary considerations relevant to making this determination include the historical patterns of granting the changes and the consistency in the amounts of the changes.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best estimate ranges of expected future real rates of return (expected returns, net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 8 PENSION PLAN (cont'd)

weighting the expected future real rates of return by an asset allocation percentage, which is based on the nature and mix of current and expected plan investments, and by adding expected inflation. Best estimates of geometric real rates of return for each major asset class included in the Plan are summarized in the following table:

<u>Asset Class</u>	<u>Long-term Expected Real Rate of Return</u>	<u>Target Asset Allocation</u>
Domestic equity	5.7%	30.7%
International equity	5.7%	13.9%
Fixed income	2.0%	23.3%
Alternative investments	7.8%	24.4%
Cash and equivalents	0.0%	7.7%

Discount Rate

The discount used to measure the total pension liability was 7.0 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that contributions from employers will be made at rates determined by the Board, as actuarially determined. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the School's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the net pension liability, calculated using the discount rate of 7.0 percent, as well as what the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (6.0 percent) or one percentage point higher (8.0 percent) than the current rate.

	<u>1% Decrease 6.0%</u>	<u>Current Rate Discount Rate 7.0%</u>	<u>1% Increase 8.0%</u>
School's proportionate share of the net pension liability	\$ 6,001,215	\$ 3,092,441	\$ 650,081

NOTE 8 PENSION PLAN (cont'd)

Pension Plan Fiduciary Net Position

Detailed information about PERS' fiduciary net position is available in PERS Comprehensive Annual Financial Report, which can be found on the Plan's website at [www.delawarepensions.com](http://www.delawarepensions.com).

NOTE 9 OTHER POSTEMPLOYMENT BENEFITS PLAN

Plan Description

School employees are considered state employees and are covered under the State of Delaware Employees' Other Postemployment Benefit Fund Trust ("the Plan"), which is a cost-sharing, multiple-employer defined benefit plan defined by the Delaware Code.

The State of Delaware General Assembly is responsible for setting benefits and contributions, and amending plan provisions; administrative rules and regulations are adopted and maintained by the DPERS Board of Pension Trustees, which acts as the Board of Trustees ("the Board") for the Plan and is responsible for the financial management of the Plan.

The following are brief descriptions of the Plan in effect as of June 30, 2018. For a more complete description, please refer to the Delaware Public Employees' Retirement System Comprehensive Annual Financial Report. Separately issued financial statements for the Plan may be obtained by writing to the State of Delaware Public Employee Retirement System, McArdle Building, Suite 1, 860 Silver Lake Boulevard, Dover, DE 19904; by calling 1-800-722-7300; or by visiting the PERS website at [www.delawarepensions.com](http://www.delawarepensions.com).

Plan Description and Eligibility

The State of Delaware Employees' Other Postemployment Benefit ("OPEB") Fund Trust is a cost-sharing multiple employer plan that covers all employees of the State that are eligible to participate in the defined benefit pension plan, including employees of other affiliated entities.

Benefits Provided

The Plan provides medical coverage to pensioners and their eligible dependents. The participant's cost of Plan benefits is variable based on years of service. Pensioners who retire after July 1, 2012 and who become eligible for Medicare will pay an additional five percent of the Medicare Supplement offered by the State. Surviving spouses are eligible for coverage after a retiree's death.

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 9 OTHER POSTEMPLOYMENT BENEFITS PLAN (cont'd)

Contributions

*Employer Contributions*

Participating employers fund the Plan for current retirees on a pay-as-you-go basis along with funding for future benefits at a rate that is approved in the annual budget, but not actuarially determined. For the year ended June 30, 2019, the rate of the employer contribution was 11.79 percent of covered payroll. The School's contribution to the Plan for the year ended June 30, 2019 was \$683,069.

Other Postemployment Benefits Plan Liability and Expense, and Deferred Outflows and Inflows of Resources

At June 30, 2019, the School reported a liability of \$19,161,282 for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of June 30, 2018, and the total OPEB liability used to calculate the net OPEB liability was determined by rolling forward the Plan's total OPEB liability as of June 30, 2017 to June 30, 2018. The School's proportion of the net OPEB liability was calculated based on the actual contributions made during the measurement period in proportion to the total of all employer contributions made during the measurement period. At June 30, 2018, the School's proportion was 0.2334 percent, which was an increase of 0.0467 percent from its proportion measured as of June 30, 2017.

For the year ended June 30, 2019, the School recognized OPEB expense of \$1,750,944. At June 30, 2019, the School reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Net difference between projected and actual investment earnings	\$ -	\$ 48,144
Changes in proportions	4,595,052	-
Changes in assumptions	-	2,603,328
Contributions subsequent to the date of measurement	<u>683,069</u>	<u>-</u>
	<u>\$5,278,121</u>	<u>\$2,651,472</u>

An amount of \$683,069 is reported as deferred outflows of resources resulting from the School's contributions subsequent to the June 30, 2018 measurement date and will be recognized as a reduction of the net OPEB liability in the year ended June 30, 2020. Other amounts will be

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 9 OTHER POSTEMPLOYMENT BENEFITS PLAN (cont'd)

reported as deferred outflows of resources and deferred inflows of resources related to OPEB, and will be recognized in OPEB expense as follows:

<u>Year Ending June 30,</u>	
2020	\$ 293,953
2021	293,953
2022	293,953
2023	303,489
2024	<u>758,232</u>
	<u>\$ 1,943,580</u>

Actuarial Assumptions

The total OPEB liability as of the June 30, 2018 measurement date was determined by an actuarial valuation as of June 30, 2017, and update procedures were used to roll forward the total pension liability to June 30, 2018. These actuarial valuations used the following actuarial assumptions:

- Discount rate – 3.87 percent
- Salary increases – 3.25 percent + merit
- Healthcare cost trend rates – 6.80 percent

Mortality rates were based on the Sex Distinct RP-2014 Total Dataset Healthy Annuitant Mortality Table, including adjustment for healthy annuitant and disabled annuitant. Future mortality improvements are projected to 2020.

The total OPEB liabilities are measured based on the assumptions pertaining to interest rates, inflation rates, and employee demographic behavior in future years. The assumptions used were based on the results of an actuarial experience study conducted in 2016. It is likely that future experience will not exactly conform to these assumptions. To the extent that actual experience deviates from these assumptions, the emerging liabilities may be higher or lower than anticipated. The more the actual experience deviates, the larger the impact on future financial statements.

Discount Rate

The discount rate used to measure the total OPEB liability was 3.58 percent at the beginning of the current measurement period and 3.87 percent at the end, based on the Bond Buyer GO 20-Bond Municipal Bond Index, an index satisfying the GASB requirement of an index rate for 20-

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 9 OTHER POSTEMPLOYMENT BENEFITS PLAN (cont'd)

year, tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that employer contributions to the Plan will continue to follow the pay-as-you-go contribution policy. Based on the assumptions of a pay-as-you-go plan, the discount rates used at the June 30, 2018 and 2017 measurement date are equal to the applicable rate of the 20-year, tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher.

Sensitivity of the School's proportionate Share of the Net OPEB Liability to Changes in the Discount Rate

The following presents the net OPEB liability, calculated using the discount rate of 3.78 percent, as well as what the net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (2.78 percent) or one percentage point higher (4.78 percent) than the current rate.

The following presents the net OPEB liability, calculated using the healthcare cost trend rate of 7.0 percent, as well as what the net OPEB liability would be if it were calculated using a healthcare cost trend rate that is one percentage point lower (6.0 percent) or one percentage point higher (8.0 percent) than the current rate.

	1% Decrease 5.8%	Current Rate Healthcare Trend Rate 6.8%	1% Increase 7.8%
School's proportionate share of the net OPEB liability	\$ 16,314,690	\$ 19,161,282	\$ 22,627,731

Plan Fiduciary Net Position

Detailed information about the Plan's fiduciary net position is available in PERS Comprehensive Annual Financial Report, which can be found on the Plan's website at [www.delawarepensions.com](http://www.delawarepensions.com).

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 10 RISK MANAGEMENT

The School has purchased commercial insurance policies for various risks of loss related to torts; theft, damage, or destruction of assets; errors or omissions; injuries to employees; or acts of God. Payments of premiums for these policies are recorded as expenses of the School for the year ended June 30, 2019. There was no significant reduction in coverage compared to the prior year.

NOTE 11 COMMITMENTS AND CONTINGENCIES

In the normal course of business, there are various outstanding commitments and contingent liabilities in addition to the normal encumbrances for the purchase of goods and services. The School does not anticipate losses from these transactions.

Grants

The School receives significant financial assistance from federal agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and is subject to audit by the State Office of Auditor of Accounts. Any disallowed claims resulting from such audits could become a liability of the general fund. The School's administration believes such disallowance, if any, would be immaterial.

NOTE 12 EXCESS EXPENDITURES OVER APPROPRIATIONS

The School overspent budgetary appropriations in the following categories:

Salaries	\$	297,137
Employment costs	\$	36,437
Transportation - buses	\$	13,129
Supplies and materials	\$	37,794
Student activities	\$	12,198
Property	\$	5,730
Equipment	\$	85,271

The excess expenditures were covered by other expenditure categories that were less than their budgeted appropriations and revenues that exceeded their budget.

NOTE 13 DEFICIT NET POSITION

For governmental activities, the unrestricted net deficit amount of \$17,572,553 includes the effect of deferring the recognition of pension and OPEB contributions made subsequent to the

LAS AMÉRICAS ASPIRA ACADEMY

NOTES TO FINANCIAL STATEMENTS

NOTE 13 DEFICIT NET POSITION (cont'd)

measurement date of the net pension and OPEB liabilities, and the deferred outflows related to the pension and OPEB plans. This is offset by the School's actuarially determined pension and OPEB liabilities, and the deferred inflows related to the pension and OPEB plans.

NOTE 14 SUBSEQUENT EVENTS

The School has evaluated all subsequent events through September 30, 2019, the date the financial statements were available to be issued.

**SINGLE AUDIT SUPPLEMENT**

INDEPENDENT AUDITOR'S REPORT ON  
INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS

September 30, 2019

Board of Directors  
Las Américas ASPIRA Academy  
Newark, Delaware

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Las Américas ASPIRA Academy ("the School"), Newark, Delaware, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the School's basic financial statements, and have issued our report thereon dated September 30, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Directors  
Las Américas ASPIRA Academy

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

  
BARBACANE, THORNTON & COMPANY LLP

INDEPENDENT AUDITOR'S REPORT ON  
COMPLIANCE FOR EACH MAJOR PROGRAM AND  
ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE

September 30, 2019

Board of Directors  
Las Américas ASPIRA Academy  
Newark, Delaware

Report on Compliance for Each Major Federal Program

We have audited Las Américas ASPIRA Academy's ("the School") compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on the School's major federal programs for the year ended June, 30, 2019. The School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and recommendations.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

Board of Directors  
Las Américas ASPIRA Academy

We believe that our audit provides a reasonable basis for our opinion on compliance for the School's major federal programs. However, our audit does not provide a legal determination of the School's compliance.

#### Opinion on Each Major Federal Program

In our opinion, the School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each major federal program for the year ended June 30, 2019.

#### Report on Internal Control Over Compliance

Management of the School is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

NOTE A BASIS OF ACCOUNTING

All expenditures included in the schedule of expenditures of federal awards are presented on the basis that expenditures are reported to the respective federal grantor agencies. Accordingly, expenditures are recorded when the federal obligation is determined.

NOTE B INDIRECT COST RATE

The School has not elected to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance. For the year ended June 30, 2019, there were no indirect costs included in the schedule of expenditures of federal awards.

## APPENDIX 15

Projected Budgets for FY2021 through FY 2025  
100% Scenario

## PROJECTED BUDGETS FY2021 THROUGH FY2025

### EXPLANATION OF BUDGET WORKSHEETS

#### Revenues:

##### State & Local

(1) State Revenue Funding Summary—see attached Funding Summary for FY2021 reflecting revenue estimates for enrollment of 216. For Projected Fiscal Years 2022 to FY2025; revenue estimates for enrollment of 216, 232, 248, 264 respectively have been projected based upon a 2% increase each year with FY2021 being the base year. State revenue calculations for FY2021 were projected using the experience and degree levels of current staff for a more accurate result than the average salary as represented in the State Revenue template. Increasing State salary schedules, effective July 1, 2019 by 2% each year through FY2025. Collectively, this resulted in an average increase of 2% for state appropriation resources.

(2) School District Local Fund Transfers—see attached Local Funding revenue calculations for FY2021 reflecting revenue estimates for enrollment of 216. For Projected Fiscal Years 2022 to FY2025; revenue estimates for enrollment of 216, 232, 248, 264 respectively have been projected based upon the average per pupil amount for FY2021 with the addition of 1% each year thereafter given the fluctuation in local per pupil amounts and potential change in student configuration.

##### Federal

(1) Entitlement Funding—Federal allocations are projected forward at the FY2020 funding level given recent reductions over the past fiscal years.

##### Other—There are no definitive future awards

(1) Foundations—As of FY2020, there are no awards for future years. The school is now eligible to approach Longwood for future awards and will pursue the efforts.

(2) Cafeteria Funds—The Red Clay School District manages this effort for the school to include the submission of federal reimbursements.

**Expenditures:**

State & Local

Personnel Salaries/Other Employer Costs

(4 to 16) Consideration was given for a potential step or bonus for all staff each year.

--The FY2020 OEC rate of 32.33% and Health insurance with 2% inflation was applied for each year.

--Year 2, noted for FY2023 where enrollment was increased by 16 to 232, one teacher was added.

--Year 3, noted for FY2024 where enrollment was increased by 16 to 248, one teacher was added.

--Year 4, noted for FY2025 where enrollment was increased by 16 to 264, one teacher was added.

Student Support—Projected expenses were elevated based upon a proportional increase in students and a 2% increase applied each year.

(17) Transportation—based upon the FY2020 contracts for 6 buses and aides to transport students to and from school. The proportional adjustments each year should be sufficient should additional routes have to be added with the increase in enrollment.

(21) Supplies & Materials—Instructional and Medical Supplies.

(22) Textbooks—Book purchases.

(24) Professional Development—Travel for Staff training; Association Dues and Conference Fees; and Tuition Reimbursement.

(27) Therapists—Psychological/Therapists

(28) Classroom Technology—Computer services

(31) Contracted Services—Temporary and Paraprofessional Services

Operations and Maintenance of Facilities—With the exception of Rent and Telecommunications, projected expenses were elevated based upon a proportional increase in students and a 2% increase applied each year.

(33) Insurance—Liability coverage

(34) Rent—Lease amendment signed September 28, 2018 reflects no change in annual amount through FY2021. The Gateway Lab School is currently working on purchase options.

(36) Utilities—Electric

(37) Maintenance—B & G Repair and Maintenance

(38) Telephone/Communications—Telephones and Bandwidth

(41) Other—Custodial Services/Supplies and Trash

Administrative/Operations Support—With the exception of Equipment purchase, projected expenses were elevated based upon a proportional increase in students and a 2% increase applied each year.

(42) Equipment Lease/Maintenance—Photocopiers

(43) Equipment Purchase—Administrative Equipment

(44) Supplies and Materials—Office Supplies

(45) Printing and Copying—Contracted printing and binding of materials

(46) Postage and Shipping

(47) Enrollment/Recruiting—Advertising

(49) Technology Plan—Hardware maintenance

(50) Other—Professional Services, Legal, Drug and alcohol testing, Financial Consultants and Settlements

2% Contingency—remaining funds will be set aside for future facility planned projects

## Federal

Personnel Salaries/Other Employer Costs

(12) Paraprofessional and .6 FTE of a Special Education Coordinator

--The FY2019 OEC rate of 32.33% and Health insurance rates were applied for each year.

(20) Supplies and Materials—Instructional  
(23) Professional Development—Staff training

(30) Contracted Services—Paraprofessional Services

Other Funds—There are no definitive future awards

## APPENDIX 15

Projected Budgets for FY2021 through FY 2025  
80% Scenario

## PROJECTED BUDGETS FY2021 THROUGH FY2025

### EXPLANATION OF BUDGET WORKSHEETS

#### Revenues:

##### State & Local

(1) State Revenue Funding Summary—see attached Funding Summary for FY2021 reflecting revenue estimates for enrollment of 173. For Projected Fiscal Years 2022 to FY2025; revenue estimates for enrollment of 173, 186, 198, 211 respectively have been projected based upon a 2% increase each year with FY2021 being the base year. State revenue calculations for FY2021 were projected using the experience and degree levels of current staff for a more accurate result than the average salary as represented in the State Revenue template. Increasing State salary schedules, effective July 1, 2019 by 2% each year through FY2025. Collectively, this resulted in an average increase of 2% for state appropriation resources.

(2) School District Local Fund Transfers—see attached Local Funding revenue calculations for FY2021 reflecting revenue estimates for enrollment of 173. For Projected Fiscal Years 2022 to FY2025; revenue estimates for enrollment of 173, 186, 198, 211 respectively have been projected based upon the average per pupil amount for FY2021 with the addition of 1% each year thereafter given the fluctuation in local per pupil amounts and potential change in student configuration.

(3) Prior Year Carryover Funds— The FY2020 published preliminary local charter billing for the Gateway Lab Charter School reflects an average per pupil reduction from the FY2019 \$9,224.91 to FY2020 \$7,508.81 for an estimated total loss of \$326,043.80 for the projected 190 students on September 18, 2019. That being said, the impact for future projections includes a prior year amount of \$124,958 for FY2021 to ensure that the budget meets the 2% contingency criteria of \$89,296.18 and budget coverage of \$35,661.82.

##### Federal

(1) Entitlement Funding—Federal allocations for Title I, Title II and IDEA B are projected forward at 80% of the FY2020 funding level to reflect the reduction in students relative to the 100% scenario.

Other—There are no definitive future awards

(1) Foundations—As of FY2020, there are no approved awards for future years. The school is now eligible to approach Longwood for future awards and will pursue the efforts.

(2) Cafeteria Funds—The Red Clay School District manages this effort for the school to include the submission of federal reimbursements.

**Expenditures:**

State & Local

Personnel Salaries/Other Employer Costs

(4 to 16) All staff is frozen at the FY2020 salary.

--The FY2020 OEC rate of 32.33% and Health insurance with 2% inflation was applied for each year. For FY2021 and FY2022, 3 staff was reduced as a result of the 80% enrollment scenario. For FY2023 through FY2025, 1 of the 3 staff was added back.

--Year 2, noted for FY2023 where enrollment was increased by 13 to 186, one teacher was added.

--Year 3, noted for FY2024 where enrollment was increased by 12 to 198, one teacher was added.

--Year 4, noted for FY2025 where enrollment was increased by 13 to 211, one teacher was added.

Student Support—Projected expenses were adjusted based upon a proportional change in students and a 2% increase applied each year.

(17) Transportation—based upon the FY2020 contracts for 6 buses and aides to transport students to and from school. The proportional adjustments each year should be sufficient should routes have to be adjusted with the change in enrollment.

(21) Supplies & Materials—Instructional and Medical Supplies.

(22) Textbooks—Book purchases.

(24) Professional Development—Travel for Staff training; Association Dues and Conference Fees; and Tuition Reimbursement.

(27) Therapists—Psychological/Therapists

(28) Classroom Technology—Computer services

(31) Contracted Services—Temporary and Paraprofessional Services

Operations and Maintenance of Facilities—With the exception of Rent and Telecommunications, projected expenses were adjusted based upon a proportional change in students and a 2% increase applied each year.

(33) Insurance—Liability coverage

(34) Rent—Lease amendment signed September 28, 2018 reflects no change in annual amount through FY2021. The Gateway Lab School is currently working on purchase options.

(36) Utilities—Electric

(37) Maintenance—B & G Repair and Maintenance

(38) Telephone/Communications—Telephones and Bandwidth

(41) Other—Custodial Services/Supplies and Trash

Administrative/Operations Support—With the exception of Equipment purchase, projected expenses were adjusted based upon a proportional change in students and a 2% increase applied each year.

(42) Equipment Lease/Maintenance—Photocopiers

(43) Equipment Purchase—Administrative Equipment

(44) Supplies and Materials—Office Supplies

(45) Printing and Copying—Contracted printing and binding of materials

(46) Postage and Shipping

(47) Enrollment/Recruiting—Advertising

(49) Technology Plan—Hardware maintenance

(50) Other—Professional Services, Legal, Drug and alcohol testing, Financial Consultants and Settlements

2% Contingency—remaining funds will be set aside for future facility planned projects and/or salary policy

Federal

Personnel Salaries/Other Employer Costs

(12) Paraprofessional and .6 FTE of a Special Education Coordinator

--The FY2019 OEC rate of 32.33% and Health insurance rates were applied for each year.

(20) Supplies and Materials—Instructional

(23) Professional Development—Staff training

(30) Contracted Services—Paraprofessional Services

Other Funds—There are no definitive future awards

## APPENDIX 15

Projected Budgets for FY2021 through FY 2025  
80% Scenario

## PROJECTED BUDGETS FY2021 THROUGH FY2025

### EXPLANATION OF BUDGET WORKSHEETS

#### Revenues:

##### State & Local

(1) State Revenue Funding Summary—see attached Funding Summary for FY2021 reflecting revenue estimates for enrollment of 173. For Projected Fiscal Years 2022 to FY2025; revenue estimates for enrollment of 173, 186, 198, 211 respectively have been projected based upon a 2% increase each year with FY2021 being the base year. State revenue calculations for FY2021 were projected using the experience and degree levels of current staff for a more accurate result than the average salary as represented in the State Revenue template. Increasing State salary schedules, effective July 1, 2019 by 2% each year through FY2025. Collectively, this resulted in an average increase of 2% for state appropriation resources.

(2) School District Local Fund Transfers—see attached Local Funding revenue calculations for FY2021 reflecting revenue estimates for enrollment of 173. For Projected Fiscal Years 2022 to FY2025; revenue estimates for enrollment of 173, 186, 198, 211 respectively have been projected based upon the average per pupil amount for FY2021 with the addition of 1% each year thereafter given the fluctuation in local per pupil amounts and potential change in student configuration.

(3) Prior Year Carryover Funds— The FY2020 published preliminary local charter billing for the Gateway Lab Charter School reflects an average per pupil reduction from the FY2019 \$9,224.91 to FY2020 \$7,508.81 for an estimated total loss of \$326,043.80 for the projected 190 students on September 18, 2019. That being said, the impact for future projections includes a prior year amount of \$124,958 for FY2021 to ensure that the budget meets the 2% contingency criteria of \$89,296.18 and budget coverage of \$35,661.82.

##### Federal

(1) Entitlement Funding—Federal allocations for Title I, Title II and IDEA B are projected forward at 80% of the FY2020 funding level to reflect the reduction in students relative to the 100% scenario.

Other—There are no definitive future awards

(1) Foundations—As of FY2020, there are no approved awards for future years. The school is now eligible to approach Longwood for future awards and will pursue the efforts.

(2) Cafeteria Funds—The Red Clay School District manages this effort for the school to include the submission of federal reimbursements.

**Expenditures:**

State & Local

Personnel Salaries/Other Employer Costs

(4 to 16) All staff is frozen at the FY2020 salary.

--The FY2020 OEC rate of 32.33% and Health insurance with 2% inflation was applied for each year. For FY2021 and FY2022, 3 staff was reduced as a result of the 80% enrollment scenario. For FY2023 through FY2025, 1 of the 3 staff was added back.

--Year 2, noted for FY2023 where enrollment was increased by 13 to 186, one teacher was added.

--Year 3, noted for FY2024 where enrollment was increased by 12 to 198, one teacher was added.

--Year 4, noted for FY2025 where enrollment was increased by 13 to 211, one teacher was added.

Student Support—Projected expenses were adjusted based upon a proportional change in students and a 2% increase applied each year.

(17) Transportation—based upon the FY2020 contracts for 6 buses and aides to transport students to and from school. The proportional adjustments each year should be sufficient should routes have to be adjusted with the change in enrollment.

(21) Supplies & Materials—Instructional and Medical Supplies.

(22) Textbooks—Book purchases.

(24) Professional Development—Travel for Staff training; Association Dues and Conference Fees; and Tuition Reimbursement.

(27) Therapists—Psychological/Therapists

(28) Classroom Technology—Computer services

(31) Contracted Services—Temporary and Paraprofessional Services

Operations and Maintenance of Facilities—With the exception of Rent and Telecommunications, projected expenses were adjusted based upon a proportional change in students and a 2% increase applied each year.

(33) Insurance—Liability coverage

(34) Rent—Lease amendment signed September 28, 2018 reflects no change in annual amount through FY2021. The Gateway Lab School is currently working on purchase options.

(36) Utilities—Electric

(37) Maintenance—B & G Repair and Maintenance

(38) Telephone/Communications—Telephones and Bandwidth

(41) Other—Custodial Services/Supplies and Trash

Administrative/Operations Support—With the exception of Equipment purchase, projected expenses were adjusted based upon a proportional change in students and a 2% increase applied each year.

(42) Equipment Lease/Maintenance—Photocopiers

(43) Equipment Purchase—Administrative Equipment

(44) Supplies and Materials—Office Supplies

(45) Printing and Copying—Contracted printing and binding of materials

(46) Postage and Shipping

(47) Enrollment/Recruiting—Advertising

(49) Technology Plan—Hardware maintenance

(50) Other—Professional Services, Legal, Drug and alcohol testing, Financial Consultants and Settlements

2% Contingency—remaining funds will be set aside for future facility planned projects and/or salary policy

Federal

Personnel Salaries/Other Employer Costs

(12) Paraprofessional and .6 FTE of a Special Education Coordinator

--The FY2019 OEC rate of 32.33% and Health insurance rates were applied for each year.

(20) Supplies and Materials—Instructional

(23) Professional Development—Staff training

(30) Contracted Services—Paraprofessional Services

Other Funds—There are no definitive future awards

**FY2021**

**LOCAL REVENUE**

**FUNDING SUMMARY**

Charter School Name: Gateway Lab Charter School

**New Charter School Estimated State and Local Fund Calculations**

Disclaimer: The following estimates will vary from actuals and do not account for any extenuating circumstances.  
 -State earnings are detailed on the New Charter State Template Tab below.

Please enter the following information:

Specify grade configuration for the year of estimate

3-8 (Example K-8, 9-12)

Specify the county the school will be located

New Castle Choices New Castle, Kent or Sussex

Enter the number of students in the red cells below by school district and student type and the estimated funds will calculate below.

Enter the number of tenth graders in the box in cell location J12
