

## 7th Grade Social Studies Assessments

*The standards above will be assessed in the assessments below. TCI Assessments in blue / Performance Plus or DOE DRC Assessments in Orange. Note: It is always important to backward plan when preparing your lessons. It is especially important with units that culminate in a Performance Plus assessment, because the curriculum is TCI but the assessment is DDOE.*

7th Grade Scope & Sequence by Topic: Standards addressed in each unit are listed by number & letter in blue.	
Civics: September- January	Economics: February- May
