

## Resource 4: Images of Four Cities on Four Continents Before 1491

Image 1: Source [here](#)

1. What are your first impressions as you look at the images of the cities?
2. In what ways are they similar?
3. Guess which continent the cities were on. Why did you guess this continent?
4. Do the images match what you had in mind when you did the warm-up? If not, how do the images differ from what you had in mind?
