

Child Protection Contact Information for out-of-state drivers and aides:

Out-of-State drivers and aides must provide a Child Protective Registry information check from their home state. Go to the following website to obtain information on how to obtain a report from other states' databases; <https://www.adoptuskids.org/for-professionals/interstate-adoptions/state-child-abuse-registries> . Please have all results sent to the Transportation Department of the district/school an individual will be working with.
