Sussex Academy Charter School  
21150 Airport Road  
Georgetown, DE 19947

Dear Mr. Cosgrove:

The Department of Education has received and reviewed a major charter modification request from Sussex Academy Charter School to:

- increase the school's approved enrollment from 840 to 1080 students;
- change the school's grade configuration from grades 6-12 to include grades K-5;
- establish a second campus at 22051 Wilson Road, Georgetown, DE (located 3 miles from its main campus) that would serve grades K-5; and
- remove its current special interest preference.

Sussex Academy Charter School's major modification application has been approved, effective school year 2020-21.

If you should have any questions or concerns about this minor modification approval, please contact Leroy Travers at (302) 735-4020.

Sincerely,
