Charter School of Wilmington (LEA) (957000) Charter District - FY 2024 - Opportunity Funding - Rev 0 - District Pages

*** Assurances**

The LEA has not reallocated funds under this section. All allocations have remained in the schools that generated them based on the school's number of students experiencing poverty and population of multilingual learners.

The LEA has reallocated funds received under this section in a manner different than the original school-based allocations. The LEA has followed the procedure under 14 Del. C. 51704(4) to obtain a waiver. The LEA has obtained school board approval.

Yes No

Investment and Goals

Flexible Funding Investment (05297)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* Student Support Specialist	* \$ 36,741.60	<p>* The funding from this grant will help level the academic playing field for multilingual learners and students experiencing poverty at The Charter School of Wilmington. Math is often considered the great equalizer; researchers believe math scores better predict the likelihood a student will one day enroll in college and graduate into a successful career beyond.</p> <p>This part-time position will focus on and support multilingual learners and students experiencing poverty. The specialist will collect baseline data from students and set targets accordingly to increase their academic success in Math.</p> <p>Student Support Specialist</p> <p>The Student Support Specialist will assist and mentor multilingual learners and students experiencing poverty, allowing students to build strong relationships based on trust and fostering a positive learning environment. The Student Support Specialist will meet regularly with identified students to develop individualized plans and coach each student toward academic success, especially in Math. An additional focus will be selecting quality instructional materials and implementing best practices to improve student outcomes.</p> <p>Expectations:</p> <p>Meet regularly with administration, school counselors, and key staff members to communicate the needs of multilingual learners and students experiencing poverty, and report on their progress.</p> <p>Provide general observation and consultation regarding educational, behavioral, and mental health needs and practices with identified students among school staff.</p>

needs and practices with identified students among school staff.
