* Paul Dunford	* 302-429-4102	* paul.dunford@christina.k12.de.us

\* Will 98% of mental health and/or reading funds remain allocated to this school?

Yes  No

**Investment and Goals**

Mental Health and/or Reading (05311)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* Social Worker	* \$ 80,969.00	

\*

The social worker will address the social, emotional, and psychological issues that can impede students academic success, targeting our low-income and English language low-income and English language learners. The social worker will collaborate with the members of the school-based mental health team to provide wrap-around services for students, families, and staff. The expected impact is to improve school connectedness, increase attendance rates, decrease retention rates and improve the overall quality of the student's well-being. We are seeking qualified Licensed Clinical Social Workers (LCSW), as per State regulations to engage with our students. LCSWs will work with a diverse group of students, including those who are low-income, homeless or in foster care, and/or multi-language learners. They will provide support to students so that they may achieve their academic, social, and emotional goals.

* FT Para	* \$ 49,660.80	* The Paraprofessional will be assigned to in-classroom support to provide small group, one on one assistance to students in our targeted population of low income or English language learners. The assignment of the Paraprofessional will be flexible to meet the personalized needs of students. Expected impact is improved reading and math scores to decrease the achievement gap.
* PT Para (.5)-partial fund	* \$ 6,890.20	* The Paraprofessional will be assigned to in-classroom support to provide small group, one on one assistance to students in our targeted population of low income or English language learners. The assignment of the Paraprofessional will be flexible to meet the personalized needs of students. Expected impact is improved reading and math scores to decrease the achievement gap.
