Investment and Goals

Mental Health and/or Reading (05311)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* Social Worker	* \$ 80,969.00	

		<p>* The social worker will address the social, emotional, and psychological issues that can impede students' academic success, targeting our low-income and English language learners. The social worker will collaborate with the members of the school-based mental health team to provide wrap-around services for students, families, and staff. The expected impact is to improve school connectedness, increase attendance rates, decrease retention rates and improve the overall quality of the student's well-being. LCSWs will work with a diverse group of students, including those who are low-income, homeless or in foster care, and/or multi-language learners. They will provide support to students so that they may achieve their academic, social, and emotional goals.</p>
<p>* Summer Mental Health and Reading curriculum planning Team</p>	<p>* \$ 4,927.22</p>	<p>* Staff will identify key areas of need based on school climate, discipline, PASS and MRA data. Then identify curriculum focus for planning and preparation to support SEL and Reading interventions to include staff professional development, materials and scheduling.</p>

* After School reading/ tutoring program	* \$ 9,474.78	* After school academic support and tutoring to provide small group and one on one assistance to students in our targeted populations of low income or English language learners to improve their academic proficiency.
