Investment and Goals

Mental Health and/or Reading (05311)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* The District will continue to employ academic interventionists (to include salaries and OECs).	* \$ 40,631.00	* The academic interventionists will work with LI and MLL students that are performing below grade level and require academic intervention. The interventionists will work with these students during dedicated MTSS blocks in the scheduled school day. Benchmark testing and data collection will be done in the beginning, middle and end of the year. Progress monitoring will also take place every other week to determine program and interventionist effectiveness. All data will be tracked in I-Tracker. The total of these positions is \$231,733.62. The flexible funding portion of the grant, in the amount of \$100,602 will also be used to pay for these positions. Additional funding of \$90,500.62 will be utilized to fund the difference in cost.
