K-3 Class Size Survey

2023-2024

The annual class size report shares the number of students assigned to a classroom by grade for each school serving grades K-3, as well as any district or charter that applied for a class size waiver.

A district/charter board may submit a class size waiver if the class size average is above 22 students per [Delaware Code, Title 14 Section 1705](#). For the 2023-2024 school year, 15 districts and 16 charter schools were subject to this requirement.
