

How to Find School Feeder Patterns

Step 1:

Go to DDOE Map using the following link: <https://www.doe.k12.de.us/domain/153>

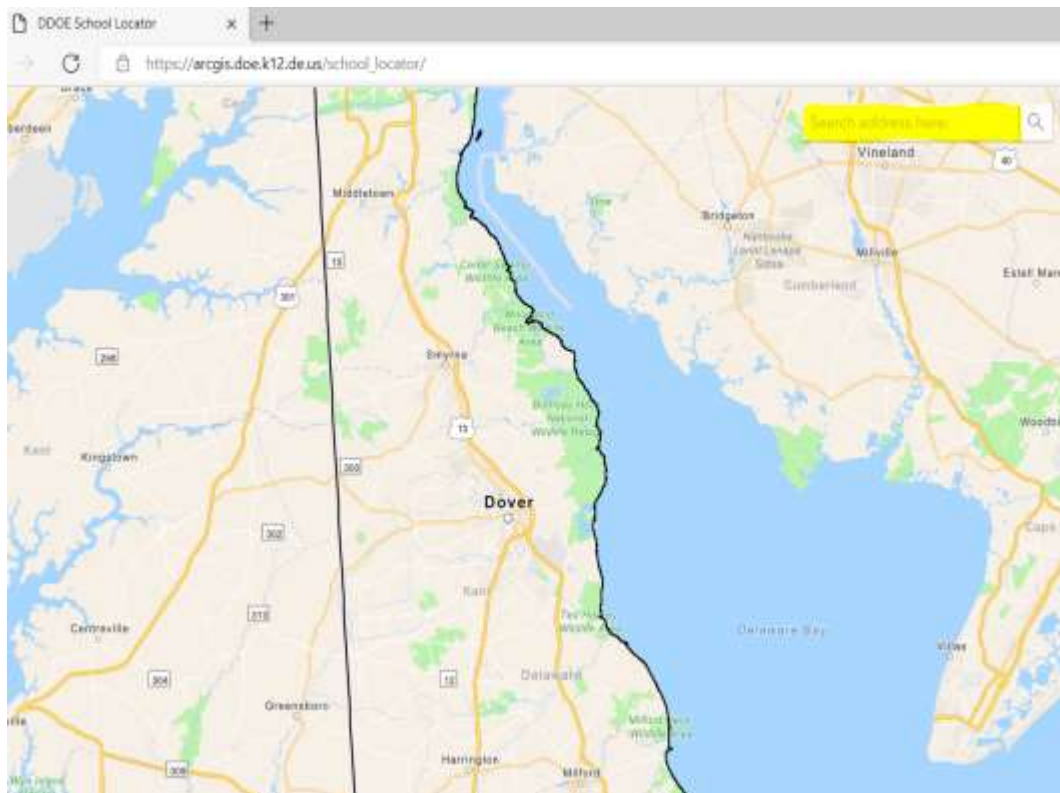

Step 2:

Click 2021-22 School Locator Map link (described below):

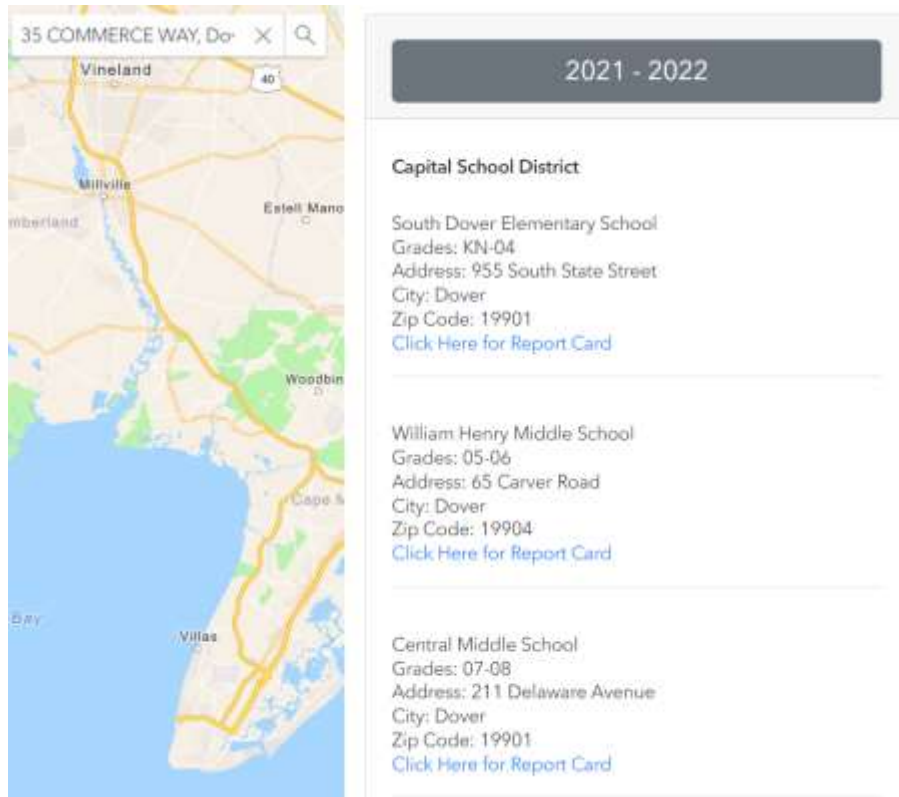

Step 3:

Once the map opens, enter the address in the top right bar as seen highlighted here:

How to Find School Feeder Patterns

Using the Collette Center's address, 35 Commerce Way, Dover, 19904 the following map and feeder pattern will populate. Choose the current school year to find schools in the feeder pattern for purposes of area eligibility.

The image shows a map on the left and a list of schools on the right. The map is centered on 35 Commerce Way, Dover, Delaware. The right panel shows the school year 2021-2022 and lists three schools in the Capital School District: South Dover Elementary School, William Henry Middle School, and Central Middle School. Each school listing includes its grades, address, city, and zip code, along with a link to its report card.
