RE: SY 2023-2024 Operational Memo #14

Civil Rights Compliance Form

Attached to this memo is the Civil Rights Compliance Form. All School Food Authorities (SFAs) need to submit a completed Civil Rights Compliance Form annually.

The following serves to provide instruction for completing the chart in number nine of the Civil Rights Compliance Form:

- For Local Education Agencies (LEA) that are operating 100% Community Eligibility Provision (CEP), the chart in number nine is not applicable; however, you must obtain a report from your LEA reporting the ethnicity and race of the student population. All LEAs are required to maintain and report this information per the United States Department of Education (DoEd). In addition, the categories listed in number nine's chart match exactly the categories that the DoEd requires.
- For LEAs that are not operating 100% CEP, you will need to complete the chart in number nine of the form. If this information is not available as part of your Point of Service (POS) software, you will need to review the approved and denied meal benefit forms on file and/or work with the LEA office to identify the ethnicity and race of the students who were approved and denied meal benefits based on the submission of a meal benefit form.

Please submit the completed form to <u>schoolnutrition@doe.k12.de.us</u> by December 28, 2023. If you have questions, please call the office at 302-857-3356.
