MEMORANDUM

TO: Directors of Residential Child Care Institutions
Other Appropriate Personnel

FROM: Aimee F. Beam, MS, RD 
Education Associate, Nutrition Programs

RE: **SY 2023-2024 Operational Memo #3**
Fresh Fruit and Vegetable Program Application

The *Fresh Fruit and Vegetable Program* (FFVP), under Section 19 of the Richard B. Russell National School Lunch Act (NSLA), has been a nationwide program since 2008 and operates in selected elementary schools in the 50 States, the District of Columbia, Guam, Puerto Rico, and the Virgin Islands. Participating schools must offer fresh fruits and vegetables as a snack to students during the school day. FFVP food items cannot be served at breakfast, at lunch, or in an afterschool program. Because the FFVP targets low-income students, schools will be selected based on the percentage of students who are eligible for free and reduced-price meals. The number of schools selected will be based upon the amount of funding awarded to Delaware.

Elementary schools* will be selected from those applications submitted to the state agency based on guidance in this letter and oversight by the United States Department of Agriculture, Section 19 of the National School Lunch Act. Please note, only grades K-6 are eligible to participate in the FFVP. Application data should reflect enrollment and free/reduced data for elementary students (K-6) only.

**“Elementary School”, for purposes of this regulation, shall mean a school with a grade configuration including any of the following: Kindergarten, grade 1, grade 2, grade 3, grade 4, grade 5, or grade 6. However, a school that has grade 6 as its lowest grade level may be considered a Middle School or Secondary School as those terms are defined in this regulation herein (Delaware Code, Title 14, Regulation 103.1.2).*

There is one grant allocation for FFVP that will cover the period of July 1, 2023 – June 30, 2024. The level of funding provided to any one school will be a minimum of \$50 per student per year. **To ensure that all awarded schools provide a minimum of \$50 per student, our office will no longer grant requests to move funds from one school to another school, even within a School Food Authority (SFA).**

Please note that FFVP grant awards are contingent on the availability of funding and Clearinghouse approval.

The Delaware Department of Education (DDOE) will use October 2022 free/reduced eligibility data on file to rank applications upon submission. SFAs do not need to enter any free/reduced data on the application this year.

To be considered for this program, completed application packages (paper or electronic copies) must be received by 4:00 p.m. on August 24, 2023. Please refer to the FFVP application package for submission options.

New applicants must complete pages 5-8 of the application to be considered. However, to streamline the application process, renewal applicants should only complete pages 5-7 (Grant Application Cover Sheet through School Site Grant Team Support Form) provided your site implementation plans have not changed. If you should have any additional questions, please contact Chaneya Edwards at Chaneya.edwards@doe.k12.de.us or Melissa Sayers at melissa.sayers@doe.k12.de.us or (302) 857-3356.

About the Program

The *Fresh Fruit and Vegetable Program (FFVP)*, under Section 19 of the Richard B. Russell National School Lunch Act (NSLA) has been a nationwide program since 2008. Participating schools must offer fresh fruits and vegetables as a snack to students during the school day. FFVP food items cannot be served at breakfast, at lunch, or in an afterschool program. In order to benefit low-income students, schools will be selected based on the percentage of students who are eligible for free and reduced-price meals. FFVP funding is available from July 1, 2023 through June 30, 2024. The level of funding provided to any one school will be no less than \$50 per student per year and no more than \$75 per student per year.

Selection Criteria

Schools will be selected from those applications submitted to the State Agency (SA) based on guidance in this letter and oversight by the United States Department of Agriculture (USDA). Section 19 of the NSLA requires the following selection criteria for participating schools:

- **Elementary school*** - must operate the National School Lunch Program (NSLP). The highest priority will be given to schools with the highest percentage of children eligible for free and reduced-price meals. (Note: Only grades K-6 are eligible to participate in FFVP.)
- Each school must agree to serve fresh fruits and vegetables free to all enrolled children and to publicize the availability of the FFVP within the school.
- Each school that is applying for funding must complete a certification of support with original signatures of the school nutrition supervisor, food service manager, school principal, and district superintendent or equivalent positions as determined by the school.

- New schools must submit a plan for implementation of the program to provide a team approach within the school and district. The plan should integrate the FFVP with other efforts to promote sound health and nutrition, reduce overweight and obesity, and encourage physical activity. Current FFVP grant recipients may waive this portion unless implementation plans have changed.
- Priority will be given to SFAs with the highest percentage of free/reduced-eligible students.

*In Delaware, an *elementary school* is defined as a school with any, or all, of grades kindergarten through grade 6; however, a school that has grade 6 as its lowest grade level may be considered a Middle or Secondary School” (Delaware Code, Title 14, Regulation 103.1.2).

Use of Funds

Funds are to be used primarily to purchase fresh fruits and vegetables to serve at no cost to all enrolled students. A maximum of 10% of awarded funds may be used for operating and administrative costs such as preparation and distribution of fruits and vegetables. The proposal narrative should specify the types of anticipated equipment expenditures a school might incur for use in the FFVP. Claims for reimbursement will be processed through the School Nutrition Program application in DE-NARS. As with all Federal grant funds, procurement regulations at 2 CFR Part 200.317-327 apply, and items competitively procured using these grant funds must be necessary, reasonable, and allocable” would be sufficient.

How to Apply

Completed application packages (paper or electronic copies) must be received by 4:00 p.m. **August 24, 2023**. No late applications can be accepted. Each school that is interested in applying for the FFVP must apply separately. If your Local Education Agency (LEA) has multiple schools, each school must submit a separate application. You must answer all of the questions on the following pages. ***THIS APPLICATION MUST BE USED; PLEASE DO NOT USE APPLICATIONS FROM PREVIOUS YEARS OR ALTER THIS APPLICATION IN ANY WAY.*** Applications that have been altered will not be considered for award. If questions are left unanswered, the application will be deemed incomplete and will not be considered for award. The supervisor or program designee must also complete the FY 23 SNP Fresh Fruit & Vegetable Training in PDMS (Course # 26531, Section # 73183) and submit the certificate of completion with the application packet. If you have any questions or require assistance, please contact Chaneya Edwards or Melissa Sayers, Field Agents, Nutrition Programs at (302) 857-3356, or chaneya.edwards@doe.k12.de.us or melissa.sayers@doe.k12.de.us. We hope that you will consider participating in the FFVP to help your students develop lifelong healthy eating habits.

Schools selected to participate in the Fresh Fruit and Vegetable Program will be notified in **August 2023**.

Miscellaneous Information

a. Funding Out Clause

In the event funding fails to be appropriated as necessary to enter into or continue the grant, in whole or part, the agreement shall be terminated as to any obligation of the State requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

b. Fiscal Agent

Each applicant must have a fiscal agent designated who will serve as the primary business agent for funds allocated through this grant opportunity.

c. Appeals Process

In the event an applicant is not satisfied with the outcome of the RFA process, they may appeal within 15 days, in writing to the DDOE Director of Finance:
