Investment and Goals

Mental Health and/or Reading (05311)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* School Counselor (Grades K-2)	* \$ 51,163.00	* The school counselor will complement the climate and culture team by supporting our elementary school students to develop social and emotional skills to respond to issues and challenges they may face, while supporting their academic success as part of the school's MTSS implementation. Measurements of impact will include documentation of supports provided for students individually and in small group settings and MTSS behavior progress monitoring data.
* School Counselor (Grades 3-5)	* \$ 119,210.00	* The school counselor will complement the climate and culture team by supporting our elementary school students to develop social and emotional skills to respond to issues and challenges they may face, while supporting their academic success as part of the school's MTSS implementation. Measurements of impact will include documentation of supports provided for students individually and in small group settings and MTSS behavior progress monitoring data.
* Student and Family Specialist	* \$ 113,835.00	* A student and family specialist (Licensed Social Worker) will complement the climate and culture team by supporting students and their families with a more holistic approach to student behavior. The student and family specialist will provide individual, group, and family therapy to develop strategies to change behavior and/or address difficult situations. Measurements of impact will include records of family contacts and services provided for them and increased student attendance.
