

Assurances

**Academia Antonia Alonso (LEA) (960500) Charter District - FY 2025 - Opportunity Funding - Rev 0 - District Pages**

**\* Assurances**

The LEA has not reallocated funds under this section. All allocations have remained in the schools that generated them based on the school's number of students experiencing poverty and population of multilingual learners.

 The LEA has reallocated funds received under this section in a manner different than the original school-based allocations. The LEA has followed the procedure under 14 Del. C. 51704(4) to obtain a waiver. The LEA has obtained school board approval.

\* Will 98% of mental health and/or reading funds remain allocated to this school?

Yes  No

**Investment and Goals**

Mental Health and/or Reading (05311)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* 1.0 FTE School Counselor	* \$ 153,059.43	* INVESTMENT PURPOSE: The School Counselor will work to strengthen Tier 1 supports to teachers to promote positive student behaviors and provide intervention service to students to address mental health issues and create a safe learning environment for all students. The School Counselor provides valuable early intervention services to assist EL and LI students with managing behaviors - exacerbated by mental health issues - such as impulse control, anger management, and others so these students can become more successful in classroom settings. The Counselor works with EL and LI students individually and in groups to address serious behavior and mental health issues which are often related to family and/or community-based trauma. IMPACT: An increase in scope and effectiveness of services provided by the School Counselor will reduce behavioral issues and begin to address mental health needs of EL and LI students in the classroom and increase learning time and engagement for those students served. METRICS: Behavioral referrals and counselor generated service data (# participants, groups, progress, etc.) will be monitored and inform effectiveness and longer-term planning for strategies used by the Counselor.

* .033 FTE Paraprofessional for Spanish Reading Intervention	* \$ 28,330.77	* INVESTMENT PURPOSE: A Spanish RTI paraprofessional supports the development of foundational literacy skills and Reading comprehension in Spanish of K-5 students who's native or second language is Spanish. IMPACT: Increased individualized and small group instructional support in Spanish Reading in foundational literacy skills and Reading comprehension in Spanish of K-5 students who's native or second language is Spanish. METRICS: Spanish MAP, ORF, and the Spanish Decoding Inventory
* LCSW	* \$ 74,041.80	* INVESTMENT PURPOSE: Specialized support provided by a Licensed Clinical Social Worker (LCSW) is urgently needed to serve EL and LI students exhibiting the most critical behaviors related to mental health issues. IMPACT: The LCSW will support EL and LI students identified as requiring specialized support serving them in individual and group settings, according to their needs. METRICS: Progress data as collected by LCSW. It is important to note mental health issues are complex and root causes reach far beyond the influence of services the school can provide. Hence, measurable progress not only takes time (often years) but is also dependent upon the level of productive engagement with students' families and their communities.
