* Social Worker (Stanford)	* \$ 130,303.00	* The social worker will address the social, emotional, and psychological issues that can impede students academic success, targeting our low-income and English language low-income and English language learners. The social worker will collaborate with the members of the school-based mental health team to provide wrap-around services for students, families, and staff. The expected impact is to improve school connectedness, increase attendance rates, decrease retention rates and improve the overall quality of the student's well-being. We are seeking qualified Licensed Clinical Social Workers (LCSW), as per State regulations to engage with our students. LCSWs will work with a diverse group of students, including those who are low-income, homeless or in foster care, and/or multi-language learners. They will provide support to students so that they may achieve their academic, social, and emotional goals.

* Reading Specialist	* \$ 91,000.00	* The Reading Specialist/Coach will work directly with students who have been identified through analysis of student performance data in the targeted population of low-income and English Language Learners. The students will receive direct, targeted intervention support from the reading specialist. The Reading specialist will also work alongside the principal to analyze school-wide reading data to make observations of trends as well as instructional support recommendations for Tier 1 Core instruction, particularly for those in the targeted group (EL and LI students). The Reading Specialist will also assist in professional development for teachers in this regard. The expected impact is growth in Reading, according to several metrics, for our targeted populations of EL learners and low-income students.
* Reported Time Paras (243 hours of support)	* \$ 3,413.00	* Reported Time Paras will support small group instructional and instructional reviews for students that have been identified through an analysis of student performance data within the targeted populations of English-language learners and for low-income students in reading. Investment and Goals

Mental Health and/or Reading (05311)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* Social Worker (partial fund)	* \$ 16,372.00	* The social worker will address the social, emotional, and psychological issues that can impede students' academic success, targeting our low-income and English language learners. The social worker will collaborate with the members of the school-based mental health team to provide wrap-around services for students, families, and staff. The expected impact is to improve school connectedness, increase attendance rates, decrease retention rates, and improve the overall quality of the student's well-being. We are seeking qualified Licensed Clinical Social Workers (LCSW), as per State regulations to engage with our students. LCSWs will work with a diverse group of students, including those who are low-income, homeless, or in foster care, and/or multi-language learners. They will provide support to students so that they may achieve their academic, social, and emotional goals.
