

Assurances

Colonial School District (953400) Public District - FY 2025 - Opportunity Funding - Rev 0 - District Pages

*** Assurances**

The LEA has not reallocated funds under this section. All allocations have remained in the schools that generated them based on the school's number of students experiencing poverty and population of multilingual learners.

The LEA has reallocated funds received under this section in a manner different than the original school-based allocations. The LEA has followed the procedure under 14 Del. C. 51704(4) to obtain a waiver. The LEA has obtained school board approval.

School Contact Information

Contact Name	Contact Phone Number	Contact Email Address
* Sherrie Clark	* 302-323-2726	* Sherrie.Clark@colonial.k12.de.us

* Will 98% of flexible funding remain allocated to this school?

Yes No

Investment and Goals

Flexible Funding Investment (05297)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* MLL Supervisor	* \$ 211,576.82	* This position's primary responsibility is to support MLLs in all schools serving K-12. They will review our programs, instructional models, and other systems to implement necessary changes with a strategic plan to improve ELs success. We expect increased outcomes on ACCESS targets.
* MLL Coach	* \$ 137,813.54	* This position's primary role is supporting all 23 MLL teachers across K-12 schools. They will provide professional development, one one one job embedded coaching, data analysis, etc. Outcomes include improving teacher effectiveness and improved ACCESS ELP targets.
* District SEL Behavior Coach (Tier II)	* \$ 130,366.55	* SEL Coaches will provide support to classroom teachers in all k-12 schools (who work in Title 1 schools that have a large number of low income students) regarding implementation of effective practices aligned with the SEL competencies and CASEL Framework. Expected impact is an improvement in school climate data, reported annually, and improved student behavior, decreased referrals of low income students.
* District SEL Behavior Coach (Tier I)	* \$ 161,155.80	* SEL Coaches will provide support to classroom teachers in all k-12 schools (who work in Title 1 schools that have a large number of low income students) regarding implementation of effective practices aligned with the SEL competencies and CASEL Framework. Expected impact is an improvement in school climate data, reported annually, and improved student behavior, decreased referrals of low income students.

* District Secondary Behavior Coach	* \$ 148,930.23	* District behavior coach will offer support to teams in all of the title 1 6-12 schools around implementation of interventions for low income or MLL students. The coach will focus on building, classroom, and individual interventions. She will assist in writing and implementing behavior intervention plans. We will expect to see a decrease in the number in referrals (in the targeted classroom or students) and the decrease in the number of students moved to an alternative placement.
* Reading Interventionist (3)	* \$ 462,950.70	* The Reading Interventionists will pull small groups of low income or MLL students and target reading skills. We expect to see growth in BOY- EOY benchmark assessments. Title 1 schools impacted include: Carrie Downie, Wilbur, William Penn
* Math Interventionist	* \$ 127,891.94	* Math Interventionist at William Penn will pull small groups of low income or MLL students and target reading skills. If schedule allows, they will also collaborate with staff to create, model and support targeted Math instruction as part of the continuum of strategies under a MTSS model. We expect to see growth in BOY- EOY benchmark assessments.
* MLL Teachers (4)	* \$ 575,656.04	* The additional 4 positions will allow us to lessen the caseload of MLL teachers and allow more flexible instructional formats. We expect that more students will meet their ACCESS ELP targets. Title 1 schools impacted include: Carrie Downie, Wilbur, Southern, Castle Hills, William Penn
* Restorative Practices Coach for WP	* \$ 157,718.24	* The Restorative Practices Coach will coordinate professional development for William Penn staff on Restorative Practices. William Penn is a Title 1 school with a high number of low income and EL students. Additionally, the coach will provide support to classroom teachers in implementing restorative practices. Expected impact is an improvement in school climate data, reported annually, and improved student behavior, decreased referrals. Position may also provide PD that is available district wide.
* Math Coaches (5)	* \$ 706,262.98	* "The core responsibilities will be to provide: - Observation/feedback to instructional staff on a weekly basis to ensure equitable access to high-quality curriculum and instruction for students, particularly for MLL and LI students. - Facilitate weekly PLCs to analyze data, choose effective instructional strategies, and deepen understanding of standards - Help design and implement MTSS so that students of all tiers are receiving targeted support - Work with the school's Instructional Leadership Team to create and implement the school's success plan - Provide professional development to instructional staff with a specific emphasis on improving LI and MLL students' learning The expected impact is a change in teacher practice, based on classroom walkthroughs, ultimately leading to increased outcomes on benchmark and SBAC assessments." Title 1 schools impacted include Eisenberg, Southern, Wilmington Manor, New Castle, George Read, McCullough, Gunning Bedford, William Penn
* 9th Grade Counselor at WP	* \$ 95,369.05	* This school counselor will have a targeted case load of low income 9th grade William Penn students who require Tier II or Tier III support (academic or behavioral) to remain on track for promotion to the next grade. Expected impact is for the identified low income or MLL students to successfully complete all courses to obtain the required credits for promotion to the next grade.
* School Therapist at GR	* \$ 162,797.54	* The Licensed School Therapist will support the George Read school community by providing professional development on the implementation of SEL interventions with a focus on equity. She serves as the building coordinator for MTSS and ensures fidelity of the process. She facilitates individual/small group sessions for identified at-risk low income and MLL students through the MTSS process, as well as assists families with connections to outside support services.

* Deputy Principal Academics at WP	* \$ 219,547.27	* "The Deputy Principal of Academics is responsible for the successful implementation of the following: - English Learner Supports and Programming for students in grades 9-12 - Instructional Leadership Team coordination and planning for administrators that work with low income and MLL students - Instructional Coaching in core content areas that have concentrated populations of low income and/or MLLs - Supporting improved growth and achievement of low income and MLL students in ELA and Math at William Penn High School. The Deputy will work directly with the school's leadership team and conduct observations/feedback with each leader throughout the school year. Assistant Principals will be given a BOY and EOY survey to determine the effectiveness of this process. In addition, the Deputy will focus on growth displayed on the spring ACCESS scores, in comparison to the previous school year."
* Literacy Coaches (4)	* \$ 561,975.66	* "The core responsibilities will be to provide: - Observation/feedback to instructional staff on a weekly basis to ensure equitable access to high-quality curriculum and instruction for students, particularly for MLL and LI students. - Facilitate weekly PLCs to analyze data, choose effective instructional strategies, and deepen understanding of standards - Help design and implement MTSS so that students of all tiers are receiving targeted support - Work with the school's Instructional Leadership Team to create and implement the school's success plan - Provide professional development to instructional staff with a specific emphasis on improving LI and MLL students' learning The expected impact is a change in teacher practice, based on classroom walkthroughs, ultimately leading to increased outcomes on benchmark and SBAC assessments." Title 1 schools impacted include Carrie Downie, New Castle, Eisenberg, Gunning Bedford.
* Supervisor of Extended Learning	* \$ 198,315.10	* Extended Learning Supervisor will oversee and coordinate all extra learning opportunities (district-wide) for low income and MLL students, including summer and after school programming.
* Responsive Classroom stipends	* \$ 5,127.47	* Responsive Classroom is our Tier 1 SEL instruction for K-8. As schools have an increased number of staff trained in Responsive Classroom and continue implementing recommended practices at a higher degree of fidelity, we expect to see an improvement in school climate data, reported annually, as well as an improvement in behavioral data (decreased referrals). The staff involved in the training work at Title 1 schools and work with students who come from low-income and MLL families. The stipends will pay staff to attend the 4 day training in the summer or after school hours. All K-8 schools will have "seats" available for staff to sign up. Exact staff will be determined next summer
* Reading Assist Stipends	* \$ 5,127.47	* Reading Assist has a very effective intervention program. We would like to train our own Reading interventionists in the program. This training is only offered in the summer so this money will be used to train staff working in schools with high low income and MLL students in order to provide this intervention. Title 1 Schools impacted will be determined by the interventionists who volunteer next summer to attend
