

Assurances

New Castle County Vocational-Technical School District (953800) Vocational Tech District - FY 2025 - Opportunity Funding - Rev 0 - District Pages

*** Assurances**

The LEA has not reallocated funds under this section. All allocations have remained in the schools that generated them based on the school's number of students experiencing poverty and population of multilingual learners.

The LEA has reallocated funds received under this section in a manner different than the original school-based allocations. The LEA has followed the procedure under 14 Del. C. 51704(4) to obtain a waiver. The LEA has obtained school board approval.

* Will 98% of flexible funding remain allocated to this school?

Yes No

Investment and Goals

Flexible Funding Investment (05297)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* 1 MLL Teacher	* \$ 125,459.57	* Teacher will provide instruction and support to MLL students. Teacher will be located at Delcastle full time.
* 1 MLL Teacher	* \$ 27,308.49	* Teacher will provide instruction and support to MLL students. This teacher will work across multiple schools in the district, therefore his pay will be split accordingly.
* 1 MLL Para Educator	* \$ 48,601.53	* Para Educator will provide direct support to MLL students and teachers. Para educator will be located at Delcastle full time.
* 1 MLL Para Educator	* \$ 61,188.14	* Para Educator will provide direct support to MLL students and teachers. Para educator will be located at Delcastle full time
* HMH Testing	* \$ 6,000.00	* HMH equips leaders and teachers with actionable assessment data that connect directly with resources to teach, re-teach, and differentiate learning so that all students can reach their full potential. HMH testing will be used in a targeted manner with MLL and low-income students to address their specific needs.
* 1 Student Support Counselor	* \$ 43,336.87	* Counselor will work to provide support for a cohort of at-risk students. This counselor will provide students with advice and guidance on academic, personal, and career goals. This counselor will have additional responsibilities related to program that will support low income students, ex. food insecurity programs, resources for homeless youth, backpack programs, etc. This counselor will also have a caseload of students who will participate in our MLL programming. This counselor will work across multiple schools in the district, therefore his pay will be split accordingly.

* After School Success Program	* \$ 9,483.19	* This program provides support to at risk students, including those who are low income and those who receive ESL programming. Students in the program receive additional instructional and support beyond that which is provided during the regular school day. The purpose is to increase student proficiency levels and skill attainment in academic and CTE programs.
* Lyte Program	* \$ 9,250.00	* The Lyte Program seeks to change the trajectory of underrepresented youth (namely low income and MLL) by providing personal mentoring, rigorous academic instruction, leadership opportunities, and more. The aim of the program is to help students succeed post high school in college and/or the workforce.

Investment and Goals

Flexible Funding Investment (05297)	Cost	Expected Impact (Explain the expected impact of this investment on multilingual learners and/or students experiencing poverty.)
* 1 Student Support Counselor	* \$ 159,920.29	* Counselor will work to provide support for a cohort of at-risk students. This counselor will provide students with advice and guidance on academic, personal, and career goals. This counselor will have additional responsibilities related to program that will support low income students, ex. food insecurity programs, resources for homeless youth, backpack programs, etc. This counselor will also have a caseload of students who will participate in our MLL programming.
* 1 MLL Teacher	* \$ 159,919.07	* Teacher will provide instruction and support to MLL students. Teacher will be located at Howard full time.
* 1 Literacy Coach	* \$ 167,532.68	* The Literacy Coach will focus her work on low-income and MLL students students and support teachers who are teaching such students. The purpose is to increase reading comprehension and ultimately reading assessment scores for those students who are not on grade level reading and who lack fluency, struggle with reading comprehension, and lack access to academic vocabulary. The coach will also support low income and MLL students on specific literacy strategies across the curriculum. This will enable low income and MLL students to increase access to information in all content and CTE areas.
* 1 MLL Teacher	* \$ 25,702.10	* Teacher will provide instruction and support to MLL students. This teacher will work across multiple schools in the district, therefore his pay will be split accordingly.
