Bryan Allen Stevenson School of Excellence

Dear Dr. Berry:

On March 19, 2026, following a formal review conducted pursuant to 14 Del. C. § 515 and with the assent of the State Board of Education, the Department of Education has revoked the charter of the Bryan Allen Stevenson School of Excellence, effective July 1, 2026.

The formal review was initiated on December 18, 2025, following the State Board's assent, and was conducted by the Charter School Accountability Committee (CSAC). The review process included public meetings, opportunities for written and verbal comment, and direct engagement with school leadership. CSAC reviewed materials submitted by the school and the Department and, on February 17, 2026, voted unanimously to recommend revocation. The formal review record closed on March 12, 2026, and has been made publicly available.

Pursuant to 14 Del. C. § 512, a charter may be revoked where a school fails to comply with the terms of its charter or satisfy required performance criteria. Based on the full and publicly available record developed through the formal review process, the Department has concluded that the school has not met the criteria set forth in § 512(8) related to enrollment and economic and operational viability.

As a result, the charter for the Bryan Allen Stevenson School of Excellence is revoked effective July 1, 2026. The Department will coordinate with the school to ensure an orderly transition for students and families.

Questions regarding next steps may be directed to Leroy Travers, Director of the Charter School Office, at (302) 735-4020 or Leroy.Travers@doe.k12.de.us.

Sincerely,

A handwritten signature in black ink that reads "Cynthia Marten".
